OFFICE MAIN: (409) 835-8593
FAX: (409) 835-8456

LEGAL NOTICE
Advertisement for Invitation for Bids

March 31, 2026

Notice is hereby given that sealed bids will be accepted by the Jefferson County Purchasing Department for Invitation for Bid **(IFB 26-021/MR) Roofing Renovations to Jefferson County Courthouse** Specifications for this project may be obtained from the Jefferson County website, https://jeffersoncountytx.gov/Purchasing/ or by calling 409-835-8593**. Bidders may obtain access to the drawings and project manual by contacting the office of The LaBiche Architectural Group, Inc, 7999 Gladys Ave, Suite 101, Beaumont, TX 77706 or via telephone at 409-860-0197.**

Bids are to be sealed and addressed to the Purchasing Agent with the bid number and name marked on the outside of the envelope or box. Bidders shall forward an original and two (2) copies of their bid to the address shown below. Jefferson County does not accept bids submitted electronically. Late bids will be rejected as non-responsive. Bids will be publicly opened and read aloud in the Jefferson County Purchasing Department (1st Floor, Historic Courthouse) 1149 Pearl Street, Beaumont, Texas 77701, at the time and date below. Bidders are invited to attend the sealed bid opening.

BID NAME:	**Roofing Renovations to Jefferson County Courthouse**
BID NUMBER:	**IFB 26-021/MR**
DUE BY TIME/DATE:	**11:00 AM CT, Wednesday, May 6, 2026**
MAIL OR DELIVER TO:	**Jefferson County Purchasing Department** **1149 Pearl Street, 1st Floor** **Beaumont, Texas 77701**

There will be a **MANDATORY Pre-Bid Conference and Walk-Through** at **2:00 pm CT on Tuesday**, **April 14, 2026**, at the Jefferson County Commissioners' Courtroom (4th Floor, Historic Courthouse), 1149 Pearl Street, Beaumont, TX 77701.

The County shall require the Bidder to furnish a Bid Security in the amount of five percent (5%) of the total contract cost. The bid bond must be executed with a surety company authorized to do business in the State of Texas.

Within ten (10) days after the date of contract execution and prior to the issuance of Notice to Proceed and/or Purchase Order, the Bidder shall furnish the following bonds: Performance Bond to the County for the full amount of the contract if the contract exceeds fifty-thousand dollars ($50,000). Payment Bond to the County for the full amount of the contract if the contract exceeds twenty-five thousand dollars ($25,000.00).

Any questions relating to these bid requirements should be directed to Mistey Reeves, Assistant Purchasing Agent at 409-835-8593 or via email at: mistey.reeves@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

Jefferson County encourages Disadvantaged Business Enterprises (DBEs), Minority/Women Business Enterprises (M/WBEs), and Historically Underutilized Businesses (HUBs) to participate in the bidding process. Jefferson County does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment, or the provisions of services. Individuals requiring special accommodations are requested to contact our office at least seven (7) days prior to the bid due date at 409-835-8593.

All interested firms are invited to submit a bid in accordance with the terms and conditions stated in this bid.

Bidders are strongly encouraged to carefully read the entire invitation, as failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Deborah Clark

BID SUBMISSIONS:

One (1) Original and two (2) Bid Copies; with all copies to include a Completed Copy of this specifications packet, in its entirety.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

SECTION 1: GENERAL CONDITIONS OF BIDDING AND TERMS OF CONTRACT

By execution of this document, the Vendor accepts all general and special conditions of the contract as outlined below and, in the specifications, and plans.

1. BIDDING.

1.1 BIDS.
All bids must be submitted on the bid form furnished in this package.

1.2 AUTHORIZED SIGNATURES.
The bid must be executed personally by the Vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the Vendor shall accompany the bid to become a valid bid.

1.3 LATE BIDS.
Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

1.4 WITHDRAWAL OF BID PRIOR TO OPENING.
A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the Bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 WITHDRAWAL OF BID AFTER OPENING.
Bidder agrees that its offer may not be withdrawn or cancelled by the Vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 BID AMOUNTS.
Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 EXCEPTIONS AND/OR SUBSTITUTIONS.
All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a Bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the Vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 ALTERNATES.
The Invitation for Bid and/or specifications may expressly allow Bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 DESCRIPTIONS.

Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 BID ALTERATIONS.

Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 TAX EXEMPT STATUS.

Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 QUANTITIES.

Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 BID AWARD.

Award of contract shall be made to the most responsible, responsive Bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended.

Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 SILENCE OF SPECIFICATIONS FOR COMPLETE UNITS.

All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 ADDENDA.

Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 GENERAL BID BOND/SURETY REQUIREMENTS.

Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 GENERAL INSURANCE REQUIREMENTS.

Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 RESPONSIVENESS.

A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid

price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 RESPONSIBLE STANDING OF BIDDER.
To be considered for award, Bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 CONFIDENTIAL/PROPRIETARY INFORMATION.
If any material in the bid submission is considered by Bidder to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Bidder), Bidder **must** clearly mark the applicable pages of bid submission to indicate each claim of confidentiality. Additionally, Bidder must include a statement on company letterhead identifying all Bid Submission section(s) and page(s) that have been marked as confidential. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire bid submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire bid submission subject to release under the Texas Public Information Act.

By submitting a bid, Bidder agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Bidder's bid submission or other information submitted by Bidder.

1.21 PUBLIC BID OPENING.
Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. PERFORMANCE.

2.1 DESIGN, STRENGTH, AND QUALITY.
Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 AGE AND MANUFACTURE.
All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 DELIVERY LOCATION.
All deliveries will be made to the address(es) specified on the purchase order during normal office working hours of 8:00 am CT to 4:00 pm CT, Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 DELIVERY SCHEDULE.
Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

2.5 DELIVERY CHARGES.
All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 INSTALLATION CHARGES.

All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 OPERATING INSTRUCTIONS AND TRAINING.

Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 STORAGE.

Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 COMPLIANCE WITH FEDERAL, STATE, COUNTY, AND LOCAL LAWS.

Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The Contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA.

The Bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful Bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful Bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 PATENTS AND COPYRIGHTS.

The successful Vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 SAMPLES, DEMONSTRATIONS, AND TESTING.

At Jefferson County's request and direction, Bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the Bidder/Vendor.

2.13 ACCEPTABILITY.

All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 MAINTENANCE.

Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 MATERIAL SAFETY DATA SHEETS.

Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a Bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the Bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 EVALUATION.

Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves to right to contact any Bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. PURCHASE ORDERS AND PAYMENT.

3.1 PURCHASE ORDERS.

A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 INVOICES.

All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 PROMPT PAYMENT.

In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful Bidder(s) is required to pay Subcontractors within ten (10) days after the successful Bidder receives payment from the County.

3.4 FUNDING.

Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. CONTRACT.

4.1 CONTRACT DEFINITION.

The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful Bidder and Jefferson County.

4.2 CHANGE ORDER.

No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of

Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

4.3 PRICE RE-DETERIMINATION.

A price re-determination may be requested at the time of annual renewal. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The Bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.4 TERMINATION.

Jefferson County reserves the right to terminate the contract for default if the Bidder breached any of the terms therein, including warranties of Bidder or if the Bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest Bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the Bidder in default.

4.5 CONFLICT OF INTEREST.

Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or Subcontractor who does business with the County without disclosure. When conflict of interest is discovered, it shall be grounds for termination of contract.

4.6 INTEREST BY PUBLIC OFFICIALS.

No public official shall have interest in this contract, in accordance with Texas Local Government Code.

4.7 PRE-AWARD/CONTRACT CONTACT BETWEEN COUNTY AND VENDORS.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions may not be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer.

Vendors shall not contact any Jefferson County personnel during the IFB process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.

All correspondence relating to this IFB, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this IFB shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee. Proposals, vendor presentations, and product/service evaluations may develop into negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct negotiations with vendor

representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

4.8 INJURIES OR DAMAGES RESULTING FROM NEGLIGENCE.

Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, Subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

4.9 WARRANTY.

The successful vendor shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 UNIFORM COMMERCIAL CODE.

The successful vendor and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.

4.11 VENUE.

This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 SALE, ASSIGNMENT, OR TRANSFER OF CONTRACT.

The successful vendor shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.13 SILENCE OF SPECIFICATIONS.

The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

5. REJECTION OR WITHDRAWAL.

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within **90** days after opening date.

6. EMERGENCY/DECLARED DISASTER REQUIREMENTS.

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's

supplier(s).

Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

7. AWARD.

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected.

Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment.

In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not a awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

8. CONTRACT.

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

9. WAIVER OF SUBROGATION.

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

10. FISCAL FUNDING.

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

11. BID RESULTS.

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page at https://jeffersoncountytx.gov/Purchasing/ as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

12. CHANGES AND ADDENDA TO BID DOCUMENTS.

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

13. SPECIFICATIONS.

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid.

Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

14. DELIVERY.

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder (in writing on the included Bid Form), prices bid will be considered as being based on F.O.B. destination/delivered freight included.

15. INTERPRETATION OF BID AN/OR CONTRACT DOCUMENTS.

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

16. CURRENCY.

Prices calculated by the bidder shall be stated in U.S. dollars.

17. PRICING.

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

18. NOTICE TO PROCEED/PURCHASE ORDER.

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent.

19. CERTIFICATION.

By signing the offer section of the Offer and Acceptance page, Bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The Bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The Bidder hereby certifies that the individual signing the bid is an authorized agent for the Bidder and has the authority to bind the Bidder to the contract.

20. DEFINITIONS.

"County" – Jefferson County, Texas.
"Contractor" – The Bidder whose proposal is accepted by Jefferson County.

21. SMALL, MINORITY & WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of Jefferson County to increase the participation of Small, Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

SECTION 2: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA)
MANDATED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY UNDER FEDERAL AWARDS
REQUIRED BY 2 C.F.R. §200.327 APPENDIX II TO 2 CFR §200

2 CFR 200.327 Contract provisions. The non-Federal entity's contracts should contain applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable. ***Language as of January 3, 2025.**

THRESHOLD	PROVISION	CITATION
>$250,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Although not required for contract at or below the SAT, FEMA suggests including a remedies provision. The NFE should consult their servicing legal counsel to determine whether and how remedies for breach of contract are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. FEMA suggests including a termination for cause and for convenience in all contracts even when not required. The NFE should consult their servicing legal counsel to determine whether and how termination provisions are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (B)
None	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause: During the performance of this contract, the contractor agrees as follows:	2 CFR 200 APPENDIX II (C) and 41 CFR §60-1.4(b)

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of

investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through
(8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted

	construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.	
>$2,000	Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. **FEMA PA and HMGP do not require these clauses unless it is a requirement for matching funds by another federal program legislation such as CDBG-DR.** When required, prime construction contracts over $2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. If applicable per the standard described above, the NFE must include the provisions at 29 C.F.R. § 5.5(a)(1)-(10) in full into all applicable contracts, and all applicable contractors must include these provisions in full in any subcontracts. In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback" Act. Sample contract clauses are provided in the FEMA Contract Provisions Guide.	2 CFR 200 APPENDIX II (D); 40 U.S.C. §§ 3141-3144 and 3146-3148; supplemented by 29 C.F.R. Part 5; 40 U.S.C. § 3145; supplemented by 29 C.F.R. Part 3

> $100,000+ Mechanics or Laborers	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. **Applicability** **This required contract provision applies to all procurements over $100,000 that involve the employment of mechanics, laborers, and construction work. These requirements *do not* apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.** Required Language Compliance with the Contract Work Hours and Safety Standards Act. 1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. 2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section. 3. *Withholding for unpaid wages and liquidated damages.* The (insert name of grant recipient or subrecipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or	2 CFR 200 APPENDIX II (E); 40 U.S.C. §§ 3701-3708; supplemented by 29 C.F.R. Part 5

	subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section. 4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section. **For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 where an additional contract provision is required, FEMA suggests including the language below.** <u>Suggested Language</u> Further Compliance with the Contract Work Hours and Safety Standards Act. 1. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.	
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. **This provision does not apply to all FEMA grant and cooperative agreement programs including PA and HMGP as awards under these**	2 CFR 200 APPENDIX II (F); Funding Agreement; definition found under 37 C.F.R. § 401.2(a).

	programs do not meet the definition.	
>$150,000	Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Suggested Language: Clean Air Act The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The contractor agrees to report each violation to the (insert name of non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA. Federal Water Pollution Control Act The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.* The contractor agrees to report each violation to the (insert name of the non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the (insert name of the pass-through entity, if applicable), Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.	2 CFR 200 APPENDIX II (G); 42 U.S.C. §§ 7401-7671q; 33 U.S.C. §§ 1251-1387
>$25,000	Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority	2 CFR 200 APPENDIX II (H); 2 C.F.R. Part 180 (implementing Executive Order 12549, Debarment and Suspension (1986) and

	other than Executive Order 12549. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified. Suggested Language: Suspension and Debarment This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to (insert name of recipient/subrecipient/applicant), the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.	Executive Order 12689, Debarment and Suspension (1989)); 2 C.F.R. Part 3000 (Department of Homeland Security regulations for Non-procurement Debarment and Suspension, implementing 2 C.F.R. Part 180).
> $100,000; and Certification required for all contracts greater than $100,000	Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. **If applicable, contractors must sign and submit the following certification to the NFE with each bid or offer exceeding $100,000.** Required Certification: CERTIFICATION REGARDING LOBBYING (APPENDIX A, 44 C.F.R. PART 18)	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303; (citing 31 U.S.C. § 1352); 44 C.F.R. § 18.110
	See 2 CFR §200.323.	2 CFR 200 APPENDIX II (J)
	See 2 CFR §200.216.	2 CFR 200 APPENDIX II (K)
	See 2 CFR §200.322.	2 CFR 200 APPENDIX II (L)
Work involves the use of materials, and the contract is for more than $10,000	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items	2 CFR 200.323; Pub. L. No. 89-272 (1965) (codified as amended by the

	designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Suggested Language: In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.	Resource Conservation and Recovery Act at 42 U.S.C. § 6962)
>$100,000	*§135.38 Section 3 clause* *All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):* A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment	

	positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts. G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 C.F.R. § 200.216, as implemented by FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to: (1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered	2 CFR 200.216

	telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See Public Law 115-232, section 889 for additional information. (d) See also § 200.471.	
None	The Federal awarding agency must establish conflict of interest policies for Federal awards. The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.	2 CFR 200.112
None	The Federal awarding agency and the non-Federal entity should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine-readable formats rather than in closed formats or on paper in accordance with applicable legislative requirements. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a web browser or computer system. The Federal awarding agency or pass-through entity must always provide or accept paper versions of Federal award-related information to and from the non-Federal entity upon request. If paper copies are submitted, the Federal awarding agency or pass-through entity must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that	2 CFR 200.336

	they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Suggested Language: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) listed below to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contracting with HUB, small and minority businesses, women's business enterprises, and labor surplus area firms. (a) When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. (b) Such consideration means: (1) These business types are included on solicitation lists; (2) These business types are solicited whenever they are deemed eligible as potential sources; (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types; (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types; (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring a contractor under a Federal award to apply this section to subcontracts.	2 C.F.R. § 200.321(b)(1)-(5)
None	Financial records, supporting documents, statistical records, and all other non- Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity.	2 CFR 200.334; and 200.337

	(e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation. Suggested Language for All Procurements: a. The Contractor agrees to provide (insert non-federal entity), the Texas Division of Emergency Management (TDEM), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. b. The FIRM agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. c. The CONTRACTOR agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. d. In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the (insert name of the non-federal entity) and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.	
None	CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED. A governmental Corporation may not enter into a governmental contract with a company that is identified on a list prepared and maintained by the U.S. Department of Treasury under Executive Order 13224.The term "foreign terrorist organization" in this paragraph has the meaning assigned to such a term in Section 8 U.S.C.1189(a)(1) of the United States Code.	United States Code 19 U.S.C. 2511

>$100,000	PROVISION REQUIRED IN CONTRACT. (a) This section applies only to a contract that: (1) is between a governmental entity and a company with 10 or more full-time employees; and (2) has a value of $100,000 or more that is to be paid wholly or partly from public funds of the governmental entity. (b) A governmental Corporation may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and will not boycott Israel during the term of the contract.	(Adhere to your State's Local Government Code)
Option Contract Language for contracts awarded prior to Grant Award	The contract award is contingent upon the receipt of federal funds. If no such funds are awarded, the contract shall terminate.	Optional
	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. <u>Suggested Language:</u> The CONTRACTOR shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).	42 U.S.C. 6201
	The Firm agrees that no otherwise qualified individual with disabilities shall, solely by reason of his/her disability, be denied the benefits of, or be subjected to discrimination, including discrimination in employment, under any program or activity receiving federal financial assistance.	Section 504 of the Rehabilitation Act of 1973, as amended.
	Pursuant to the *Violence Against Women Act Reauthorization of 2022*, the Grant Recipient must certify that local policies do not interfere with the residents' Right to Report Crime and Emergencies from One's Home. The certification will confirm that no ordinances, local regulations, or policies adopted by the local government and currently in effect contain any financial or regulatory penalty imposed on property owners or residents as a result of any use of emergency services, or that the Grant Recipient is actively addressing such local regulations.	Pub. L. 117-103, 136 Stat. 49

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his

or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor_____ certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and Contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all Contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acguisition.qov/far/index.html see section 52.209-6.

The Contractor _____ certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)

(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the Contractor agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

CIVIL RIGHTS COMPLIANCE PROVISIONS (CONTINUED)

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS

The following requirements and instructions **supersede** General Requirements where applicable.

1. SUBMISSION OF BID.

Bidder is Responsible for Submitting:

One (1) Original and two (2) Bid Copies; with all copies to include a Completed Copy of this Specifications Packet, Drawings & Project Manual, **in their entirety.** Drawings and project manuals only may be submitted as double-sided copies.

Bidders may obtain access to the drawings and project manuals by contacting the office of The Labiche Architectural Group, Inc. located at 7999 Gladys Avenue, Suite 101, Beaumont, Texas 77706 or via phone at 409-860-0197.

The County requests that bid submissions NOT be bound by staples or glued spines.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Bids must be submitted in complete original form by mail or messenger to the following address:
Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

BID PACKAGING: Bidder shall submit response in a tightly sealed opaque envelope or box, plainly marked "SEALED BID." The outside of the envelope of box shall also include the IFB Number, IFB Name, IFB Due Date, and the Bidder's Name and Address; and shall be addressed to the Purchasing Agent.

All submissions must be received by 11:00 am CT, Wednesday, May 6, 2026.

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

Jefferson County will not accept any responsibility for bids being delivered by third party carriers.

Late bids will not be accepted and will be returned unopened to the Bidder.
Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB.

All bid responses submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

COURTHOUSE SECURITY: All visitors to the Courthouse must pass through Security. Respondents planning to hand deliver proposals must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal. Mondays and Tuesdays are particularly heavy days.
In response to the Covid-19 pandemic, Jefferson County has implemented precautionary measures as currently recommended by the CDC within its facilities. Bidders are strongly urged to plan accordingly.

COUNTY HOLIDAYS (2026):

January 1, 2026 (Thursday) - New Year's
January 19 (Monday) - Martin Luther King, Jr. Day
April 3 (Friday) - Good Friday
May 25 (Monday) - Memorial Day
June 19 (Friday) - Juneteenth
July 3 Observed (Friday) - Independence Day
September 7 (Monday) - Labor Day
November 11 (Wednesday) - Veteran's Day
November 26 & 27 (Thursday & Friday) - Thanksgiving
December 24 & 25 (Thursday & Friday) Christmas

Submissions During Time of Inclement Weather, Disaster, or Emergency:
In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the IFB closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of Statements of Qualifications will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

2. PRE-BID MEETING AND WALK-THROUGH.
There will be a MANDATORY Pre-Bid Meeting and Walk-Through on Tuesday, April 14, 2026, at 2:00 PM CT, at the Jefferson County Commissioners' Courtroom (4th Floor, Historic Courthouse) 1149 Pearl Street, Beaumont, TX 77701.

3. QUESTIONS/DEADLINE FOR QUESTIONS.
Questions may be emailed to **Mistey Reeves, Assistant Purchasing Agent** at: mistey.reeves@jeffersoncountytx.gov. If no response in 72 hours, contact **Deborah Clark, Purchasing Agent** at: deb.clark@jeffersoncountytx.gov. The Deadline for asking questions or requesting additional information (in writing) is 5:00 pm, CT, Friday, April 24, 2026**.**

4. VENDOR REGISTRATION (System for Award Management).
Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: https://www.sam.gov

In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.
However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

<u>BIDDER</u>: INSERT PROOF OF SYSTEM FOR AWARD MANAGEMENT (SAM) BEHIND THIS PAGE.

5. FORM 1295 (Texas Ethics Commission) SUBMISSSION REQUIREMENT/INSTRUCTIONS FOR BIDDERS.
All Non-Exempt Bidders are required to submit a completed FORM 1295 with bid submission.

1. Submit a FORM 1295 online via the Texas Ethics Commission website link below.
Vendors must enter the required information on Form 1295, and print a copy of the completed form.
The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department **with bid submission.**

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

A sample of a completed FORM 1295 is included on **PAGE 36**.

FORM 1295 Implementation Background:
In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Question: Will the date of birth and address provided appear on the TEC's website when the form is filed?

Answer: No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also Paxton v. City of Dall., No. 03-13-00546-CV, 2015 Tex. App. LEXIS 5228, at *10-11 (App.—Austin May 22, 2015) (mem. op.) (pet. denied) (available here)

FORM 1295 EXEMPTIONS:
What type of contracts are exempt from the Form 1295 filing requirement under the amended law?
The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:
- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

SAMPLE COMPLETED FORM 1295

VENDOR: FORM 1295 MUST BE COMPLETED/SUBMITTED ON TEXAS ETHICS COMMISSION WEBSITE. HARD COPY OF FORM 1295 IS TO BE PRINTED, COMPLETED, SIGNED, AND SUBMITTED WITH BID/PROPOSAL/AGREEMENT/CONTRACT.

JEFFERSON COUNTY WILL CONFIRM RECEIPT OF COMPLETED HARD COPY WITH THE TEXAS ETHICS COMMISSION.

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS (CONTINUED)

6. MULTIPLE VENDOR AWARD.

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

7. DELIVERY.

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the Contractor, at the discretion of, and at no additional charge to, Jefferson County.

8. PAYMENT.

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

Invoices shall be submitted to:
Jefferson County Auditing Department
Attention: Accounts Payable
1149 Pearl Street, 7th floor
Beaumont, TX 77701.

9. USAGE REPORTS.

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

10. INSURANCE.

The Contractor (including any and all Subcontractors as defined in Section 11.1.3 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the Contractor. These requirements do not establish limits of the Contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents; a copy of the policy wording or endorsement is required.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured and will provide the actual policy wording or endorsement showing as such.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements:

Public Liability, including Products & Completed Operations	$1,000,000
Excess Liability	$1,000,000

Property Insurance (policy below that is applicable to this project):
Improvements & Betterments Policy: Improvements/Remodeling (for Lease Tenants)
Builder's Risk Policy: Structural Coverage for Construction Projects
Installation Floater Policy: Improvements/Alterations to Existing Structure

Workers' Compensation Statutory Coverage (See Section 9 Below)

11. WORKERS' COMPENSATION INSURANCE

11.1 Definitions:

11.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

11.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the Contractor's/person's work on the project has been completed and accepted by the governmental entity.

11.1.3 **Persons providing services on the project ("Subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the Contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent Contractors, Subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

11.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Contractor providing services on the project, for the duration of the project.

11.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – **refer to Section 10 above**.

11.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

11.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

11.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

11.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

11.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

11.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

11.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

11.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:

11.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.

11.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.

11.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

11.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:

11.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and

11.9.4.2 the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.

11.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.

11.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

11.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs **11.1. – 11.7**., with the certificates of coverage to be provided to the person for whom they are providing services.

11.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the Contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

<u>BIDDER</u>: INSERT COPY OF CERTIFICATE OF INSURANCE (COI) BEHIND THIS PAGE.

Note: For bid purposes, a general COI will suffice. However, a COI that includes the notation that "Jefferson County as an additional insured" will be required from Awarded Bidder(s) prior to the issuance of a Purchase Order.

SIGNATURE PAGE

As permitted under Article 4413 (32c) V.A.C.S., other governmental entities may wish to participate under the same terms and conditions contained in this contract (i.e., piggyback). In the event any other entity participates, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. Jefferson County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by another entity. Each entity reserves the right to determine their participation in this contract.

Would Bidder be willing to allow other governmental entities to piggyback off this contract, if awarded, under the same terms and conditions? .....**Yes** ☐ **No** ☐

This bid shall remain in effect for ninety (90) days from bid opening and shall be exclusive of federal excise and state and local sales tax (exempt).

The undersigned agrees, if this bid is accepted, to furnish any and all items upon which prices are offered, at the price and upon the terms and conditions contained in the Invitation for Bid, Conditions of Bidding, Terms of Contract, and Specifications and all other items made a part of the accepted contract.

The undersigned affirms that they are duly authorized to execute the contract, that this company, corporation, firm, partnership or individual has not prepared this bid in collusion with any other Bidder, and that the contents of this bid as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any other Bidder or to any other person(s) engaged in this type of business prior to the official opening of this bid. And further, that neither the Bidder nor their employees nor agents have been for the past six (6) months directly nor indirectly concerned in any pool or agreement or combination to control the price of goods or services on, nor to influence any person to bid or not to bid thereon.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

CONFLICT OF INTEREST QUESTIONNAIRE

CONFLICT OF INTEREST QUESTIONNAIRE — FORM CIQ

For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY

Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information in this section is being disclosed.**

_____
Name of Officer

This section (item 3 including subparts A, B, C, & D) must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes ☐ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☐ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more?

☐ Yes ☐ No

D. Describe each employment or business and family relationship with the local government officer named in this section.

GOOD FAITH EFFORT (GFE) DETERMINATION CHECKLIST

Bidder intends to utilize Subcontractors/Subconsultants in the fulfillment of this contract (if awarded).
☐ Yes ☐ No

Instructions: In order to determine if a "Good Faith Effort" was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/ Consultant's bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .?

☐ Yes ☐ No 1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?

☐ Yes ☐ No 2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?

☐ Yes ☐ No 3. **Provide** HUBs that were genuinely interested in bidding on a Subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant's organization)?

☐ Yes ☐ No 4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive Bidders?

☐ Yes ☐ No 5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?

☐ Yes ☐ No 6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.**

If "No" was selected, please explain and include any pertinent documentation with your bid.
If necessary, please use a separate sheet to answer the above questions.

HOUSE BILL 89 VERIFICATION

I, _____, the undersigned representative of (company or business name)_____ (heretofore referred to as company) being an adult over the age of eighteen (18) years of age, after being duly sworn by the undersigned notary, do hereby depose and verify under oath that the company named above, under the provisions of Subtitle F, Title 10, Government Code Chapter 2270:

1. Does not boycott Israel currently; and
2. Will not boycott Israel during the term of the contract.

Pursuant to Section 2270.002, Texas Government Code:

1. "**Boycott Israel**" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made ordinary business purposes; and

2. "**Company**" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or an limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business association that exist to make a profit.

Cover Letter and Introduction

Allegiant Generator Services NA, LLC (AGS NA). AGS NA is a Texas incorporated business, incorporated in 2023. We have 6 technicians in Houston and 3 in El Paso. We are an authorized Generac Dealer, Cummins Dealer, and authorized Kohler Dealer. All of our technicians are Generac Certified Technicians and Kohler Certified Technicians. Our team of skilled technicians are able to service Cummins, Kohler, Detroit, MTU, Generac, Taylor, MQ, Caterpillar and all other major brands of generators as well as all the major Automated Transfer Switch platforms. Additionally, all of our preventative maintenance work is done to NFPA 110 standards. We also provide diesel fuel polishing services and infrared imaging on ATS. Furthermore, we can provide rental generators for backup and standby use upon request.

Our team of technicians can provide the following services:

- Preventative maintenance on Generators and ATS
- 24-hour emergency call out for repair and maintenance on Generators and ATS
- Load Bank Testing
- Oil and coolant change, refill, removal
- Fuel, Coolant, and Oil analysis
- Diesel Fuel Polishing
- Infrared thermal imaging of ATS

Below you will find an overview of our technical capabilities and certifications.

- Turn-key installation of new generators, from 50 kW up to 2 MW units.
- Generator Preventative Maintenance Level 1
- Generator Preventative Maintenance Level 2
- Generator Preventative Maintenance Level 3
- ATS Preventative Maintenance Level 1
- ATS Preventative Maintenance Level 2
- Load Bank Testing
- Parallel wiring
- Access to proprietary interfaces for Generac, Cummins, Kohler and Caterpillar, to be able to real-time diagnose and address issues in those generator sets.
- Diesel Fuel Polishing
- Infrared Thermal Imaging

We carry the following certifications:

- EGSA Certification
- Automatic Transfer Switch Certification

At Allegiant Generator Services, we strive to differentiate ourselves by being the team that is known for its communication with our customers. Our goal is to be proactive and professional in all of our communication so that our customers always know the status of their generator project. We aim to provide clear and consistent communication.

Below is a list of a handful of customers that we have long-term contracts or performed Preventative Maintenance Services and Repair Work that are of similar size and scope to Jefferson County:

- City of Sugarland – Active Service and Maintenance Contract
- City of College Station – Active 3-year Service and Maintenance Contract
- City of El Paso – Active 5-year Service and Maintenance Contract
- HCA – Northwest Cypress – Active 3-year Service and Maintenance Contract
- Memorial Hermann – Katy & Sugarland – Active 3-Year Service and Maintenance Contract
- Pasadena Independent School District – Active Service and Maintenance Contract
- Pearland Independent School District – Active Service and Maintenance Contract
- City of Richmond – Repair and Installation
- City of Katy – Repair and Installation as well as Preventative Maintenance
- Texas A&M University – College Station – Active 5-Year Service and Maintenance Contract
- Texas Southern University – Houston – Active 3 Service and Maintenance Contract
- Texas A&M University – Killeen – Active 3-Year Service & Maintenance Contract
- Texas Department of Health and Human Services – Active 3-Year Service & Maintenance Contract

Allegiant Generator Services NA
3701 Kirby, Suite 1166
Houston, TX 77098
https://ags-na.com

Project Understanding:

We understand that the Jefferson County is seeking a vendor to provide all labor, equipment and materials for recurring inspection, preventative maintenance, and remedial repairs of the generators across the county. The scope of work shall include emergency calls, non-emergency calls, scheduled preventative maintenance, and evaluating/estimating quotes for repairs if required. The list of generators has been provided to us in this RFP and the service provider will provide prompt service reports and note any deficiencies discovered during routine maintenance. All site visits must be coordinated with Jefferson County. All maintenance shall be to NFPA 110 standards. We understand the General Requirements and Scope of work listed in the RFQ Technical Specifications given to us by Jefferson County.

Work Plan from AGSNA:

When we work with institutions that have multiple generators and a set maintenance schedule, we leverage our internal scheduling system to create job orders and schedule out visits for the full term of the contract. This allows us to proactively work with the customers to notify them of upcoming visits and make modifications to the schedule as needed. No generator is left out, no service report is ever forgotten. Each generator is given a unique ID and each Job Order is unique which allows us to retain records for years on each customer. We measure our success by: responsiveness to customer request, safety of work performed, and communication of service to customer.

Quality Control & Safety

Our technicians have all been trained by OEM training programs. Each technician is a certified Generac Technician and Kohler technician. Several of our technicians are trained as Cummins certified Technicians and several are Caterpillar and MTU trained as well. Every year, we send our technicians to third party schools for additional education. In May of this year, we hosted an EGSA training academy at our shop in Katy to give our team additional training on Load Banks. In July, we sent one of our Houston technicians attending the EGSA Advanced program. Furthermore, every technician is required to annually complete safety training at the Houston Area Safety Council to ensure that all members of the team are properly trained on safety around electrical systems.

Reports and Post-Job Communication

When assigned to a Preventative Maintenance job, our technicians are given an 80-point checklist that was developed by NFPA 110 standards. At the conclusion of each job, our technicians upload the checklist, service report and field pictures to our job tracking system. Our managers will ensure that all of those service reports and checklists are sent to the customer following each job. Our technicians also have the ability to send the service report to a customer POC in the field if the customer requests that. Examples of a service report and checklist are included in the exhibits. We aim to send customers their service reports and checklists within 48 hours of completing the inspection.

For fuel, oil, and coolant testing, we utilized Bureau Veritas as our third-party lab provider. Using their system, we are able to provide a detailed report of each sample taken and will provide that to the customer as soon as the reports are in our in-box. Examples of a oil test report are included in the exhibits.

Tasks

TTUHSC - [redacted]

Notes

1 Scope of Work - Flush and Replace the Coolant
Remove and replace all the radiator hoses
Replace the thermostat
Run the unit for about an hour to test for leaks

2 Service Report - At 7:00 AM, we arrived at the Texas Tech Administrative Services Building 1 (ASB1) job site and began preparations for work, starting around 7:30 AM. Customer [redacted]s arrived and greeted us at approximately 7:30 AM. We initiated the work by conducting a Job Hazard Analysis (JHA) and implementing the Lock Out Tag Out (LOTO) procedure, securing the generator at the main power disconnect using lockout device. We drained the existing coolant and removed the old coolant hoses and thermostat. At [redacted]s' request, and after obtaining the necessary parts from our supervisor, we also replaced the heater block hoses (two hoses). A new coolant was added, along with the new thermostat and hoses. We then ran the Generator (CATERPILLER C-9) for one hour, monitoring operating parameters (temperature, pressure, etc.) and visually inspecting leaks, none of which were detected. The used coolant was put in the Tote inside our trailer to be transported back to our shop, and the work area was thoroughly cleaned of debris, tools, and old parts. [redacted] inspected the completed work and expressed his satisfaction. We departed the job site at approximately 3:15 PM.

3 Recommendations - The breather hose from the Engine needs a container to collect the condensed engine oil from the block. I showed the Customer and he said , he will do something about it.

LEGAL NOTICE
Advertisement for Invitation for Bids

February 17, 2026

Notice is hereby given that sealed bids will be accepted by the Jefferson County Purchasing Department for Invitation for Bid **(IFB 26-004/CG), Term Contract for Generator Inspections, Routine Maintenance and Service for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327.** Specifications for this project may be obtained from the Jefferson County website, https://jeffersoncountytx.gov/Purchasing/ or by calling 409-835-8593.

Bids are to be sealed and addressed to the Purchasing Agent with the bid number and name marked on the outside of the envelope or box. Bidders shall forward an original and one (1) copies of their bid to the address shown below. Jefferson County does not accept bids submitted electronically. Late bids will be rejected as non-responsive. Bids will be publicly opened and read aloud in the Jefferson County Purchasing Department (1st Floor, Historic Courthouse) 1149 Pearl Street, Beaumont, Texas 77701, at the time and date below. Bidders are invited to attend the sealed bid opening.

BID NAME:	**Term Contract for Generator Inspections, Routine Maintenance and Service for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327**
BID NUMBER:	**IFB 26-004/CG**
DUE BY TIME/DATE:	**11:00 AM CT, Wednesday, March 25, 2026**
MAIL OR DELIVER TO:	**Jefferson County Purchasing Department** **1149 Pearl Street, 1st Floor** **Beaumont, Texas 77701**

Any questions relating to these bid requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at: Cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent, at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

Jefferson County encourages Disadvantaged Business Enterprises (DBEs), Minority/Women Business Enterprises (M/WBEs), and Historically Underutilized Businesses (HUBs) to participate in the bidding process. Jefferson County does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment, or the provisions of services. Individuals requiring special accommodations are requested to contact our office at least seven (7) days prior to the bid due date at 409-835-8593.

All interested firms are invited to submit a bid in accordance with the terms and conditions stated in this bid.

Bidders are strongly encouraged to carefully read the entire invitation, as failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

BID SUBMISSIONS:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this specifications packet, in its entirety.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

SECTION 1: GENERAL CONDITIONS OF BIDDING AND TERMS OF CONTRACT

By execution of this document, the Vendor accepts all general and special conditions of the contract as outlined below and, in the specifications, and plans.

1. BIDDING.

1.1 BIDS.
All bids must be submitted on the bid form furnished in this package.

1.2 AUTHORIZED SIGNATURES.
The bid must be executed personally by the Vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the Vendor shall accompany the bid to become a valid bid.

1.3 LATE BIDS.
Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

1.4 WITHDRAWAL OF BID PRIOR TO OPENING.
A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the Bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 WITHDRAWAL OF BID AFTER OPENING.
Bidder agrees that its offer may not be withdrawn or cancelled by the Vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 BID AMOUNTS.
Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 EXCEPTIONS AND/OR SUBSTITUTIONS.
All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a Bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the Vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 ALTERNATES.
The Invitation for Bid and/or specifications may expressly allow Bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 DESCRIPTIONS.

Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 BID ALTERATIONS.
Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 TAX EXEMPT STATUS.
Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 QUANTITIES.
Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 BID AWARD.
Award of contract shall be made to the most responsible, responsive Bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended.

Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 SILENCE OF SPECIFICATIONS FOR COMPLETE UNITS.
All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 ADDENDA.
Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 GENERAL BID BOND/SURETY REQUIREMENTS.
Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 GENERAL INSURANCE REQUIREMENTS.
Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 RESPONSIVENESS.
A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid

price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 RESPONSIBLE STANDING OF BIDDER.

To be considered for award, Bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 CONFIDENTIAL/PROPRIETARY INFORMATION.

If any material in the bid submission is considered by Bidder to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Bidder), Bidder **must** clearly mark the applicable pages of bid submission to indicate each claim of confidentiality. Additionally, Bidder must include a statement on company letterhead identifying all Bid Submission section(s) and page(s) that have been marked as confidential. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire bid submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire bid submission subject to release under the Texas Public Information Act.

By submitting a bid, Bidder agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Bidder's bid submission or other information submitted by Bidder.

1.21 PUBLIC BID OPENING.

Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. PERFORMANCE.

2.1 DESIGN, STRENGTH, AND QUALITY.

Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 AGE AND MANUFACTURE.

All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 DELIVERY LOCATION.

All deliveries will be made to the address(es) specified on the purchase order during normal office working hours of 8:00 am CT to 4:00 pm CT, Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 DELIVERY SCHEDULE.

Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

2.5 DELIVERY CHARGES.

All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 INSTALLATION CHARGES.

All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 OPERATING INSTRUCTIONS AND TRAINING.

Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 STORAGE.

Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 COMPLIANCE WITH FEDERAL, STATE, COUNTY, AND LOCAL LAWS.

Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The Contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA.

The Bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful Bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful Bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 PATENTS AND COPYRIGHTS.

The successful Vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 SAMPLES, DEMONSTRATIONS, AND TESTING.

At Jefferson County's request and direction, Bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the Bidder/Vendor.

2.13 ACCEPTABILITY.

All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 MAINTENANCE.

Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 MATERIAL SAFETY DATA SHEETS.

Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a Bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the Bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 EVALUATION.

Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves to right to contact any Bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. PURCHASE ORDERS AND PAYMENT.

3.1 PURCHASE ORDERS.

A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 INVOICES.

All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 PROMPT PAYMENT.

In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful Bidder(s) is required to pay Subcontractors within ten (10) days after the successful Bidder receives payment from the County.

3.4 FUNDING.

Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. CONTRACT.

4.1 CONTRACT DEFINITION.

The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful Bidder and Jefferson County.

4.2 CHANGE ORDER.

No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of

Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

4.3 PRICE RE-DETERIMINATION.

A price re-determination may be requested at the time of annual renewal. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The Bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.4 TERMINATION.

Jefferson County reserves the right to terminate the contract for default if the Bidder breached any of the terms therein, including warranties of Bidder or if the Bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest Bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the Bidder in default.

4.5 CONFLICT OF INTEREST.

Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or Subcontractor who does business with the County without disclosure. When conflict of interest is discovered, it shall be grounds for termination of contract.

4.6 INTEREST BY PUBLIC OFFICIALS.

No public official shall have interest in this contract, in accordance with Texas Local Government Code.

4.7 PRE-AWARD/CONTRACT CONTACT BETWEEN COUNTY AND VENDORS.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions <u>may not</u> be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer.

Vendors shall not contact any Jefferson County personnel during the IFB process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.

All correspondence relating to this IFB, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this IFB shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee. Proposals, vendor presentations, and product/service evaluations may develop into negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct negotiations with vendor

representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

4.8 INJURIES OR DAMAGES RESULTING FROM NEGLIGENCE.

Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, Subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

4.9 WARRANTY.

The successful vendor shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 UNIFORM COMMERCIAL CODE.

The successful vendor and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.

4.11 VENUE.

This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 SALE, ASSIGNMENT, OR TRANSFER OF CONTRACT.

The successful vendor shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.13 SILENCE OF SPECIFICATIONS.

The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

5. REJECTION OR WITHDRAWAL.

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within **90** days after opening date.

6. EMERGENCY/DECLARED DISASTER REQUIREMENTS.

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's

supplier(s).

Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

7. AWARD.

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected.

Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment.

In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not a awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

8. CONTRACT.

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

9. WAIVER OF SUBROGATION.

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

10. FISCAL FUNDING.

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

11. BID RESULTS.

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page at https://jeffersoncountytx.gov/Purchasing/ as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

12. CHANGES AND ADDENDA TO BID DOCUMENTS.

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

13. SPECIFICATIONS.

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid.

Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

14. DELIVERY.

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder (in writing on the included Bid Form), prices bid will be considered as being based on F.O.B. destination/delivered freight included.

15. INTERPRETATION OF BID AN/OR CONTRACT DOCUMENTS.

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

16. CURRENCY.

Prices calculated by the bidder shall be stated in U.S. dollars.

17. PRICING.

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

18. NOTICE TO PROCEED/PURCHASE ORDER.

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent.

19. CERTIFICATION.

By signing the offer section of the Offer and Acceptance page, Bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The Bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The Bidder hereby certifies that the individual signing the bid is an authorized agent for the Bidder and has the authority to bind the Bidder to the contract.

20. DEFINITIONS.

"County" – Jefferson County, Texas.
"Contractor" – The Bidder whose proposal is accepted by Jefferson County.

21. SMALL, MINORITY & WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of Jefferson County to increase the participation of Small, Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

SECTION 2: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) MANDATED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY UNDER FEDERAL AWARDS REQUIRED BY 2 C.F.R. §200.327 APPENDIX II TO 2 CFR §200

2 CFR 200.327 Contract provisions. The non-Federal entity's contracts should contain applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable. ***Language as of January 3, 2025.**

THRESHOLD	PROVISION	CITATION
>$250,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Although not required for contract at or below the SAT, FEMA suggests including a remedies provision. The NFE should consult their servicing legal counsel to determine whether and how remedies for breach of contract are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. FEMA suggests including a termination for cause and for convenience in all contracts even when not required. The NFE should consult their servicing legal counsel to determine whether and how termination provisions are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (B)
None	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any	2 CFR 200 APPENDIX II (C) and 41 CFR §60-1.4(b)

Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through
(8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

	The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.	
>$2,000	Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. **FEMA PA and HMGP do not require these clauses unless it is a requirement for matching funds by another federal program legislation such as CDBG-DR.** When required, prime construction contracts over $2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. If applicable per the standard described above, the NFE must include the provisions at 29 C.F.R. § 5.5(a)(1)-(10) in full into all applicable contracts, and all applicable contractors must include these provisions in full in any subcontracts.	2 CFR 200 APPENDIX II (D); 40 U.S.C. §§ 3141-3144 and 3146-3148; supplemented by 29 C.F.R. Part 5; 40 U.S.C. § 3145; supplemented by 29 C.F.R. Part 3

	In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback" Act. Sample contract clauses are provided in the FEMA Contract Provisions Guide.	
> $100,000+ Mechanics or Laborers	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. **Applicability** **This required contract provision applies to all procurements over $100,000 that involve the employment of mechanics, laborers, and construction work. These requirements *do not* apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.** Required Language Compliance with the Contract Work Hours and Safety Standards Act. 1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. 2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section. 3. *Withholding for unpaid wages and liquidated damages.* The (insert	2 CFR 200 APPENDIX II (E); 40 U.S.C. §§ 3701-3708; supplemented by 29 C.F.R. Part 5

	name of grant recipient or subrecipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section. 4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section. **For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 where an additional contract provision is required, FEMA suggests including the language below.** Suggested Language Further Compliance with the Contract Work Hours and Safety Standards Act. 1. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.	
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.	2 CFR 200 APPENDIX II (F); Funding Agreement; definition found under 37 C.F.R. § 401.2(a).

	This provision does not apply to all FEMA grant and cooperative agreement programs including PA and HMGP as awards under these programs do not meet the definition.	
>$150,000	Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Suggested Language: Clean Air Act The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The contractor agrees to report each violation to the (insert name of non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA. Federal Water Pollution Control Act The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.* The contractor agrees to report each violation to the (insert name of the non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the (insert name of the pass-through entity, if applicable), Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.	2 CFR 200 APPENDIX II (G); 42 U.S.C. §§ 7401-7671q; 33 U.S.C. §§ 1251-1387
>$25,000	Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989	2 CFR 200 APPENDIX II (H); 2 C.F.R. Part 180

	Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified. <u>Suggested Language:</u> Suspension and Debarment This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to (insert name of recipient/subrecipient/applicant), the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.	(implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989)); 2 C.F.R. Part 3000 (Department of Homeland Security regulations for Non-procurement Debarment and Suspension, implementing 2 C.F.R. Part 180).
> $100,000; and Certification required for all contracts greater than $100,000	Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. **If applicable, contractors must sign and submit the following certification to the NFE with each bid or offer exceeding $100,000.** <u>Required Certification:</u> CERTIFICATION REGARDING LOBBYING (APPENDIX A, 44 C.F.R. PART 18)	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303; (citing 31 U.S.C. § 1352); 44 C.F.R. § 18.110
	See 2 CFR §200.323.	2 CFR 200 APPENDIX II (J)
	See 2 CFR §200.216.	2 CFR 200 APPENDIX II (K)
	See 2 CFR §200.322.	2 CFR 200 APPENDIX II (L)

Work involves the use of materials, and the contract is for more than $10,000	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Suggested Language: In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.	2 CFR 200.323; Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962)
>$100,000	*§135.38 Section 3 clause* *All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):* A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement	

	or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts. G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 C.F.R. § 200.216, as implemented by FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:	2 CFR 200.216

	(1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See Public Law 115-232, section 889 for additional information. (d) See also § 200.471.	
None	The Federal awarding agency must establish conflict of interest policies for Federal awards. The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.	2 CFR 200.112
None	The Federal awarding agency and the non-Federal entity should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine-readable formats rather than in closed formats or on paper in accordance with applicable legislative requirements. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a web browser or computer system. The Federal awarding agency or pass-through entity must always provide or accept paper versions of Federal award-related information to and from the non-Federal entity upon request. If	2 CFR 200.336

	paper copies are submitted, the Federal awarding agency or pass-through entity must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Suggested Language: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) listed below to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contracting with HUB, small and minority businesses, women's business enterprises, and labor surplus area firms. (a) When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. (b) Such consideration means: (1) These business types are included on solicitation lists; (2) These business types are solicited whenever they are deemed eligible as potential sources; (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types; (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types; (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring a contractor under a Federal award to apply this section to subcontracts.	2 C.F.R. § 200.321(b)(1)-(5)
None	Financial records, supporting documents, statistical records, and all other non- Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds	2 CFR 200.334; and 200.337

	must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation. Suggested Language for All Procurements: a. The Contractor agrees to provide (insert non-federal entity), the Texas Division of Emergency Management (TDEM), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. b. The FIRM agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. c. The CONTRACTOR agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. d. In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the (insert name of the non-federal entity) and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.	
None	CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED. A governmental Corporation may not enter into a governmental contract with a company that	United States Code 19 U.S.C. 2511

	is identified on a list prepared and maintained by the U.S. Department of Treasury under Executive Order 13224.The term "foreign terrorist organization" in this paragraph has the meaning assigned to such a term in Section 8 U.S.C.1189(a)(1) of the United States Code.	
>$100,000	PROVISION REQUIRED IN CONTRACT. (a) This section applies only to a contract that: (1) is between a governmental entity and a company with 10 or more full-time employees; and (2) has a value of $100,000 or more that is to be paid wholly or partly from public funds of the governmental entity. (b) A governmental Corporation may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and will not boycott Israel during the term of the contract.	(Adhere to your State's Local Government Code)
Option Contract Language for contracts awarded prior to Grant Award	The contract award is contingent upon the receipt of federal funds. If no such funds are awarded, the contract shall terminate.	Optional
	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. Suggested Language: The CONTRACTOR shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).	42 U.S.C. 6201
	The Firm agrees that no otherwise qualified individual with disabilities shall, solely by reason of his/her disability, be denied the benefits of, or be subjected to discrimination, including discrimination in employment, under any program or activity receiving federal financial assistance.	Section 504 of the Rehabilitation Act of 1973, as amended.
	Pursuant to the *Violence Against Women Act Reauthorization of 2022*, the Grant Recipient must certify that local policies do not interfere with the residents' Right to Report Crime and Emergencies from One's Home. The certification will confirm that no ordinances, local regulations, or policies adopted by the local government and currently in effect contain any financial or regulatory penalty imposed on property owners or residents as a result of any use of emergency services, or that the Grant Recipient is actively addressing such local regulations.	Pub. L. 117-103, 136 Stat. 49

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor Allegiant Generator Services NA certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and Contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all Contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acguisition.qov/far/index.html see section 52.209-6.

The Contractor Allegiant Generator Services NA certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)

(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the Contractor agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

CIVIL RIGHTS COMPLIANCE PROVISIONS (CONTINUED)

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS

The following requirements and instructions **supersede** General Requirements where applicable.

1. SUBMISSION OF BID.

Bidder is Responsible for Submitting:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this Specifications Packet , **in its entirety**.

The County requests that bid submissions NOT be bound by staples or glued spines.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Bids must be submitted in complete original form by mail or messenger to the following address:
Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

BID PACKAGING: Bidder shall submit response in a tightly sealed opaque envelope or box, plainly marked "SEALED BID." The outside of the envelope of box shall also include the IFB Number, IFB Name, IFB Due Date, and the Bidder's Name and Address; and shall be addressed to the Purchasing Agent.

All submissions must be received by 11:00 am CT, Wednesday, March 25, 2026.

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

Jefferson County will not accept any responsibility for bids being delivered by third party carriers.

Late bids will not be accepted and will be returned unopened to the Bidder.
Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB.

All bid responses submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

COURTHOUSE SECURITY: All visitors to the Courthouse must pass through Security. Respondents planning to hand deliver proposals must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal. Mondays and Tuesdays are particularly heavy days.

In response to the Covid-19 pandemic, Jefferson County has implemented precautionary measures as currently recommended by the CDC within its facilities. Bidders are strongly urged to plan accordingly.

COUNTY HOLIDAYS (2026):

~~January 1, 2026 (Thursday) - New Year's~~
~~January 19 (Monday) - Martin Luther King, Jr. Day~~
April 3 (Friday) - Good Friday
May 25 (Monday) - Memorial Day
June 19 (Friday) - Juneteenth
July 3 Observed (Friday) - Independence Day
September 7 (Monday) - Labor Day
November 11 (Wednesday) - Veteran's Day
November 26 & 27 (Thursday & Friday) - Thanksgiving
December 24 & 25 (Thursday & Friday) Christmas

Submissions During Time of Inclement Weather, Disaster, or Emergency:

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the IFB closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of Statements of Qualifications will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

2. PRE-BID MEETING AND WALK-THROUGH.

Due to the nature of this Bid, a Pre-Bid Conference will not be held for this project.

3. QUESTIONS/DEADLINE FOR QUESTIONS.

Questions may be emailed to Cindy Greene, Contract Specialist, at: Cynthia.greene@jeffersoncountytx.gov. If no response within 72 hours, email Deborah Clark, Purchasing Agent at: deb.clark@jeffersoncountytx.gov
The Deadline for asking questions or requesting additional information (in writing) is 5:00 pm, CT, **Friday, February 27, 2026.**

4. VENDOR REGISTRATION (System for Award Management).

Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: https://www.sam.gov

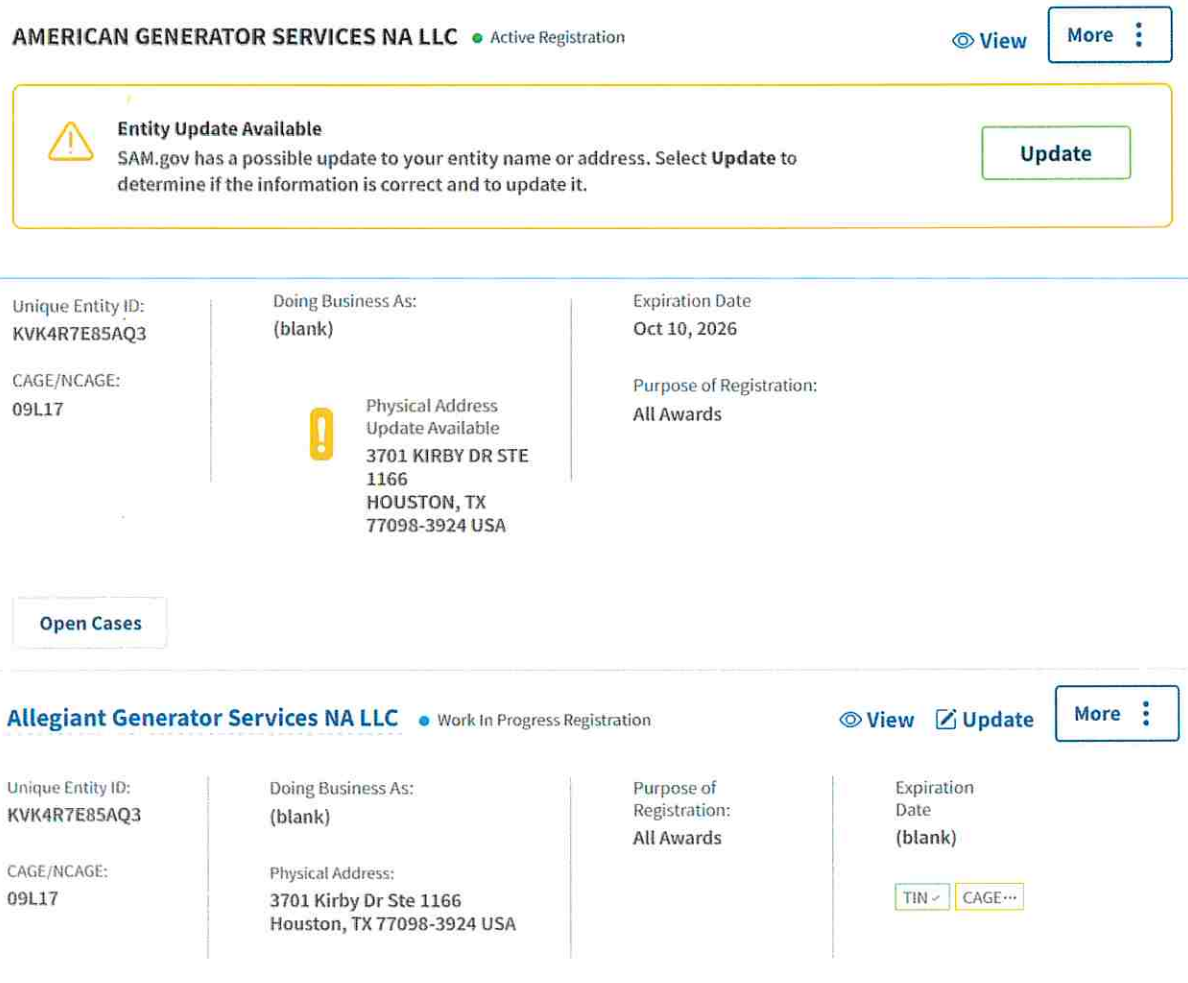
In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.
However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

BIDDER: INSERT PROOF OF SYSTEM FOR AWARD MANAGEMENT (SAM) BEHIND THIS PAGE.

Allegiant Generator Services NA
3701 Kirby, Suite 1166
Houston, TX 77098
https://ags-na.com

SAM Registration

On March 1, 2026 American Generator Services NA LLC was legal rebranded as Allegiant Generator Services NA, LLC. American Generator Services NA has an active SAM Registration with UEID: KVK4R7E85AQ3 and Cage Code 09L17. We are in process with SAM.Gov to have the name change reflected on Sam.Gov. Below is a screenshot from the Sam.Gov showing the active registration and the update in process.



5. FORM 1295 (Texas Ethics Commission) SUBMISSSION REQUIREMENT/INSTRUCTIONS FOR BIDDERS.
All Non-Exempt Bidders are required to submit a completed FORM 1295 with bid submission.

1. Submit a FORM 1295 online via the Texas Ethics Commission website link below.
Vendors must enter the required information on Form 1295, and print a copy of the completed form.
The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department **with bid submission.**

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

A sample of a completed FORM 1295 is included on **PAGE 36**.

FORM 1295 Implementation Background:
In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Question: Will the date of birth and address provided appear on the TEC's website when the form is filed?

Answer: No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also Paxton v. City of Dall., No. 03-13-00546-CV, 2015 Tex. App. LEXIS 5228, at *10-11 (App.—Austin May 22, 2015) (mem. op.) (pet. denied) (available here)

FORM 1295 EXEMPTIONS:
What type of contracts are exempt from the Form 1295 filing requirement under the amended law?
The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:
- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

SAMPLE COMPLETED FORM 1295

VENDOR: FORM 1295 MUST BE COMPLETED/SUBMITTED ON TEXAS ETHICS COMMISSION WEBSITE. HARD COPY OF FORM 1295 IS TO BE PRINTED, COMPLETED, SIGNED, AND SUBMITTED WITH BID/PROPOSAL/AGREEMENT/CONTRACT.

JEFFERSON COUNTY WILL CONFIRM RECEIPT OF COMPLETED HARD COPY WITH THE TEXAS ETHICS COMMISSION.

Form 1295

On March 1, 2026 American Generator Services NA LLC was legal rebranded as Allegiant Generator Services NA, LLC. Attached is a copy of the Certificate of Amendment that was filed with the State of Texas. Despite the formal documentation being accepted by the state, the Texas Ethics Commission has not updated their site to reflect the new name, hence our Form 1295 submission still holds the old entity name (American Generator Services NA LLC) on the forms. We are working to get this resolved.

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS (CONTINUED)

6. MULTIPLE VENDOR AWARD.

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

7. DELIVERY.

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the Contractor, at the discretion of, and at no additional charge to, Jefferson County.

8. PAYMENT.

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

Invoices shall be submitted to:
Jefferson County Auditing Department
Attention: Accounts Payable
1149 Pearl Street, 7th floor
Beaumont, TX 77701.

9. USAGE REPORTS.

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

10. INSURANCE.

The Contractor (including any and all Subcontractors as defined in Section 11.1.3 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the Contractor. These requirements do not establish limits of the Contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents; a copy of the policy wording or endorsement is required.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured and will provide the actual policy wording or endorsement showing as such.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements:

Public Liability, including Products & Completed Operations	$1,000,000
Excess Liability	$1,000,000

Property Insurance (policy below that is applicable to this project):
Improvements & Betterments Policy: Improvements/Remodeling (for Lease Tenants)
Builder's Risk Policy: Structural Coverage for Construction Projects
Installation Floater Policy: Improvements/Alterations to Existing Structure

Workers' Compensation Statutory Coverage (See Section 9 Below)

11. WORKERS' COMPENSATION INSURANCE

11.1 Definitions:

11.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

11.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the Contractor's/person's work on the project has been completed and accepted by the governmental entity.

11.1.3 **Persons providing services on the project ("Subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the Contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent Contractors, Subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

11.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Contractor providing services on the project, for the duration of the project.

11.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – **refer to Section 10 above**.

11.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

11.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

11.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

11.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

11.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

11.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

11.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

11.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:

11.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.

11.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.

11.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

11.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:

11.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and

11.9.4.2 the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.

11.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.

11.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

11.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs **11.1. – 11.7**., with the certificates of coverage to be provided to the person for whom they are providing services.

11.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the Contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

<u>BIDDER</u>: INSERT COPY OF CERTIFICATE OF INSURANCE (COI) BEHIND THIS PAGE.

Note: For bid purposes, a general COI will suffice. However, a COI that includes the notation that "Jefferson County as an additional insured" will be required from Awarded Bidder(s) prior to the issuance of a Purchase Order.

Bidder: Please complete this form and include with bid submission.

SECTION 4: MINIMUM SPECIFICATIONS

The following requirements and specifications supersede General Bid Requirements where applicable. Any questions relating to bid submission or bid item specifications requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at: cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-839-8593 or via email at: deb.clark@jeffersoncountytx.gov. Please reference Bid Number: IFB 26-004/CG.

SCOPE OF PROJECT

Jefferson County is soliciting bids for a generator technician to perform inspections, preventative maintenance and service on generators located in various locations for Jefferson County. Vendor shall provide copy of any applicable license with proposal. Vendor shall perform all electrical and engine work on generators.

TERMS

Individual departments will call to schedule any inspection, preventive maintenance or service for their generator. No work is guaranteed for generators listed in this proposal.

The County reserves the right to change, add, or delete service and/or locations.

Service call agreements will be made on an "as needed" basis. Repair work, other than the initial service call, resulting from this agreement shall not begin without a Notice to Proceed or Purchase Order from the County to the Vendor.

The vendor shall only proceed with repairs after the estimate has been approved by the department requesting the repair and a notice to proceed or purchase order has been issued.

- A "not to exceed" amount and description of work to be completed will be set at the time of the Notice to Proceed or Purchase Order agreed upon by both parties.

Awarded vendor shall furnish all labor, tools, transportation, equipment materials and supplies as required to complete the service request, to provide a working system, complete in all respects. All work shall be in compliance with Federal, State and Local Codes. All equipment or components must be installed in accordance with manufacturer's recommendations.

Vendor shall repair any damage caused by the Vendor and its employees at no cost to the County.

Modification of contract price shall be allowed only on the anniversary date of the contract. Prices throughout the initial one (1) year term shall remain firm/fixed. Written requests for price revisions after the first year shall be submitted in advance to the Jefferson County Purchasing Department. Requests shall be based upon and include documentation of the actual change in cost of components or CPI increases, involved in the contract. Price increase shall not include overhead or profit. The County reserves the right to reject any price increase and/or to terminate the contract.

All hourly cost proposals must be to service the generators listed in the IFB. Any additional costs not included on the Bid Form on page 49 of this IFB will not be allowed. This includes but is not limited to inspection fee, service call charge, mileage charges, fuel surcharges, miscellaneous supply charges.

INSPECTIONS

Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. These inspections shall include the following systems:

1. General Condition of Generator
    - Check generator area for obstructions
    - Wipe off unit
    - Clean oil, coolant, fuel & acid deposits
    - Check housing for leaks or corrosion
2. Starting System & Charging System
    - Visually inspect batteries for damage or leakage
    - Clean batteries with acid neutralizer
    - Clean & tighten all battery cable connections
    - Perform battery load test
    - Inspect battery charger for proper operation, loose terminals and deteriorated wiring
    - Starting motor – inspect electrical connections and wiring.
    - Air starter – inspect oil jar and feeder operation
    - Inspect alternator for proper operation, loose connections and mounting hardware
    - Check belts, pulley and voltage output
3. Engine Cooling System
    - Visually inspect radiator/heat exchanger for leaks, damage and debris
    - Check radiator/heat exchanger louver operation
    - Visually inspect coolant for correct levels and condition of coolant
    - Check coolant conditioner concentration and temperature protection
    - Check filler cap gasket and sealing surface
    - Visually inspect all hoses for deterioration
    - Check tightness of connections
    - Fan Drive Pulley & Fan – check for loose or worn pulleys, lube fan drive bearing
    - Check fan operation and clearance
    - Inspect fan belts for wear and/or deterioration. Check tension and adjust as needed
    - Inspect jacket water heater for proper operation
    - Inspect water pump visually and operationally for leaks and/or unusual noises
4. Engine Fuel System
    - Visually inspect fuel tank for leaks, damage and fuel level
    - Test day tank pump for proper operation
    - Inspect fuel condition for contaminants
    - Drain water from fuel tank of water separator
    - Visually inspect fuel lines for leaks and tightness of connections
    - Check line brackets
    - Inspect governor oil level
    - Inspect controls and linkage for proper operation. Add oil as necessary
    - Inspect fuel filters for damage, leaks and proper operation. Change when necessary
    - Fill Port Info – Special fittings, adapters needed, extra hose length, access to tank and other restrictions that may hamper fueling
5. Air Induction & Exhaust System
    - Air Filter Service Indicator – Note reading. Inspect for proper operation. Reset indicator.
    - Inspect air filter. Clean and/or replace as necessary

- Air Inlet System – Inspect piping and air filter housing for damage, loose connections and evidence of leaks
- Clean air filter housing if air filter is cleaned and replaced. Check housing seals and gaskets
- Inspect turbocharger for oil leakage or exhaust leakage. Check for unusual noises and proper operation
- Inspect exhaust manifold for damage, loose or missing hardware, and evidence of exhaust leakage and wet-stacking. Load bank recommendation if necessary
- Exhaust System – Inspect silencer and piping for damage, corrosion or leakage. Check rain cap
- Check supports for vibration damage and loose connections

6. Lube Oil System
    - Visually inspect for correct oil level and add when necessary, inspect for leaks
    - Note oil pressure
    - Operational and visual inspection of prelube pump
    - Inspect crankcase breather for proper operation. Check connections and inspect hose for deterioration. Note and report excessive blow by
7. Engine Monitors & Safety Controls (All PM Levels)
    - Check safety controls for loose connections and wiring deterioration
    - Check for proper operation of all safety controls and alarms
    - Remote Annunciator and Alarm – Inspect all panels and system alarms for proper functions
8. Ignition System (All PM Levels)
    - Check spark plug condition and electrode gap
    - Check spark plug wires for condition and connections for corrosion
    - Check ignition coils condition and connections for corrosion
9. Control Panels (All PM Levels)
    - Voltmeter – Operational check for correct reading. Check voltage level
    - Frequency Meter – Operational check for correct reading
    - Check alarm history
10. Generator Rear Bearings & Vibration Isolators
    - Lubricate generator rear bearing if applicable
    - Check vibration isolators for proper adjustment and condition
11. Transfer Switch (All PM Levels)
    - Check for leaks/corrosion on cabinets
    - Verify connections are tight on lugs
    - Check voltage across contacts
    - Lube as necessary
    - Verify exercise program
    - Functional test of unit
    - Verify time delays
    - Check for hot spots

Upon completion of the inspection, the vendor will ensure the generator is put back into stand-by mode.

Vendor will provide an inspection report within 15 days of the inspection to the department requesting the inspection that details the following:

1. Record of all findings of the inspections.
2. Record of any unsafe conditions.
3. Record of any corrective action taken.
4. Report recommendations for replacement of minor and major components.

PREVENTATIVE MAINTENANCE

Vendor will provide preventative maintenance for each generator upon the request of each department for Jefferson County as needed to maintain the proper functioning of the generators. This includes, but not limited to oil and filter changes.

Vendor will provide a report of all preventative maintenance performed on the generator to the department requesting the maintenance. Upon completion of preventative maintenance, the vendor will ensure the generator is put back into stand-by mode.

SERVICE CALLS

Vendor will provide service for generators when the generator is not functioning properly upon the request of each department or the Purchasing Department. Vendor will get approval from each department before replacing or ordering any parts for repair. Upon completion of service call, vendor will ensure the generator is put back into stand-by mode. This service will include calls 24 hours a day, 7 days a week. Vendor will also provide service during any man-made or natural disaster/emergency. Service calls in this agreement are made on an "as needed" basis as no repair work shall result from this agreement, other than the initial service call, without a written Notice to Proceed or Purchase Order from the County to the Vendor. A "not to exceed" amount and description of work to be completed will be set in the Notice to Proceed or Purchase Order agreed upon by both parties.

1. Non-Emergency Call-Out – Verbally respond to requests for non-emergency service to any generator within four (4) hours and be on site to perform repairs within forty-eight (48) hours after being contacted.
2. Emergency Call-Out – Verbally respond to requests for emergency service to any generator within one (1) hour and be on site to perform repairs within three (3) hours after being contacted.

GENERATOR LIST

This is the list of current generators located throughout Jefferson County that will need to be serviced and inspected. Generators may be added or removed upon the discretion of Jefferson County.

Correction: The last paragraph on page 43 incorrectly references the Bid Form as being on page 49. The Bid form is found on page 51 of the specifications.

Vendor Questions:

1. **Question:** Do you require any load bank testing to be quoted for the yearly service?
   Answer: Under Section 4: Minimum Specifications, Inspections (pg 44) it notes that Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. The inspection requirements are outlined.

2. **Question:** Are there any units that are located on roofs or not accessible to pull up a truck within 50 feet?
   Answer: All generators are accessible to pull a truck within 50 feet. There are no generators on roofs. The Sabine Pass generator is on a stand-alone platform 10' off the ground with built in stairs. You can drive right up to it.

3. **Question:** Are you requiring ATS Services once or twice per year?
   Answer: See question and answer #1.

4. **Question:** Does each generator have 1 ATS switch or do some units have multiple?
   Answer: Most units have one ATS switch, a few units have 2 ATS switches.

5. **Question:** Can you please also clarify if a bid bond is needed for submission of bid?
   Answer: A bid bond is not required.

Scope of Work: Preventative Maintenance and 24/7 service for 52 generators for Pasadena ISD

SIGNATURE PAGE

As permitted under Article 4413 (32c) V.A.C.S., other governmental entities may wish to participate under the same terms and conditions contained in this contract (i.e., piggyback). In the event any other entity participates, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. Jefferson County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by another entity. Each entity reserves the right to determine their participation in this contract.

Would Bidder be willing to allow other governmental entities to piggyback off this contract, if awarded, under the same terms and conditions? ..... **Yes** [X] **No** [ ]

This bid shall remain in effect for ninety (90) days from bid opening and shall be exclusive of federal excise and state and local sales tax (exempt).

The undersigned agrees, if this bid is accepted, to furnish any and all items upon which prices are offered, at the price and upon the terms and conditions contained in the Invitation for Bid, Conditions of Bidding, Terms of Contract, and Specifications and all other items made a part of the accepted contract.

The undersigned affirms that they are duly authorized to execute the contract, that this company, corporation, firm, partnership or individual has not prepared this bid in collusion with any other Bidder, and that the contents of this bid as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any other Bidder or to any other person(s) engaged in this type of business prior to the official opening of this bid. And further, that neither the Bidder nor their employees nor agents have been for the past six (6) months directly nor indirectly concerned in any pool or agreement or combination to control the price of goods or services on, nor to influence any person to bid or not to bid thereon.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

CONFLICT OF INTEREST QUESTIONNAIRE

CONFLICT OF INTEREST QUESTIONNAIRE — FORM CIQ

For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY
Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**

Allegiant Generator Services NA

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information in this section is being disclosed.**

N/A

Name of Officer

This section (item 3 including subparts A, B, C, & D) must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes ☐ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☐ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more?

☐ Yes ☐ No

D. Describe each employment or business and family relationship with the local government officer named in this section.

GOOD FAITH EFFORT (GFE) DETERMINATION CHECKLIST

Bidder intends to utilize Subcontractors/Subconsultants in the fulfillment of this contract (if awarded).
☐ Yes ☒ No

Instructions: In order to determine if a "Good Faith Effort" was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/ Consultant's bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .?

☐ Yes	☒ No	1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?
☐ Yes	☒ No	2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?
☐ Yes	☒ No	3. **Provide** HUBs that were genuinely interested in bidding on a Subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant's organization)?
☐ Yes	☒ No	4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive Bidders?
☐ Yes	☒ No	5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?
☐ Yes	☒ No	6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.**

If "No" was selected, please explain and include any pertinent documentation with your bid.
If necessary, please use a separate sheet to answer the above questions.

HOUSE BILL 89 VERIFICATION

I, John Alford, the undersigned representative of (company or business name) Allegiant Generator Services NA (heretofore referred to as company) being an adult over the age of eighteen (18) years of age, after being duly sworn by the undersigned notary, do hereby depose and verify under oath that the company named above, under the provisions of Subtitle F, Title 10, Government Code Chapter 2270:

1. Does not boycott Israel currently; and
2. Will not boycott Israel during the term of the contract.

Pursuant to Section 2270.002, Texas Government Code:

1. "**Boycott Israel**" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made ordinary business purposes; and

2. "**Company**" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or an limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business association that exist to make a profit.

BID SUBMISSIONS:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this specifications packet, in its entirety.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

SECTION 1: GENERAL CONDITIONS OF BIDDING AND TERMS OF CONTRACT

By execution of this document, the Vendor accepts all general and special conditions of the contract as outlined below and, in the specifications, and plans.

1. BIDDING.

1.1 BIDS.
All bids must be submitted on the bid form furnished in this package.

1.2 AUTHORIZED SIGNATURES.
The bid must be executed personally by the Vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the Vendor shall accompany the bid to become a valid bid.

1.3 LATE BIDS.
Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

1.4 WITHDRAWAL OF BID PRIOR TO OPENING.
A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the Bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 WITHDRAWAL OF BID AFTER OPENING.
Bidder agrees that its offer may not be withdrawn or cancelled by the Vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 BID AMOUNTS.
Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 EXCEPTIONS AND/OR SUBSTITUTIONS.
All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a Bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the Vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 ALTERNATES.
The Invitation for Bid and/or specifications may expressly allow Bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 DESCRIPTIONS.

Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 BID ALTERATIONS.
Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 TAX EXEMPT STATUS.
Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 QUANTITIES.
Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 BID AWARD.
Award of contract shall be made to the most responsible, responsive Bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended.

Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 SILENCE OF SPECIFICATIONS FOR COMPLETE UNITS.
All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 ADDENDA.
Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 GENERAL BID BOND/SURETY REQUIREMENTS.
Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 GENERAL INSURANCE REQUIREMENTS.
Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 RESPONSIVENESS.
A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid

price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 RESPONSIBLE STANDING OF BIDDER.

To be considered for award, Bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 CONFIDENTIAL/PROPRIETARY INFORMATION.

If any material in the bid submission is considered by Bidder to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Bidder), Bidder **must** clearly mark the applicable pages of bid submission to indicate each claim of confidentiality. Additionally, Bidder must include a statement on company letterhead identifying all Bid Submission section(s) and page(s) that have been marked as confidential. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire bid submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire bid submission subject to release under the Texas Public Information Act.

By submitting a bid, Bidder agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Bidder's bid submission or other information submitted by Bidder.

1.21 PUBLIC BID OPENING.

Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. PERFORMANCE.

2.1 DESIGN, STRENGTH, AND QUALITY.

Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 AGE AND MANUFACTURE.

All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 DELIVERY LOCATION.

All deliveries will be made to the address(es) specified on the purchase order during normal office working hours of 8:00 am CT to 4:00 pm CT, Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 DELIVERY SCHEDULE.

Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

2.5 DELIVERY CHARGES.

All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 INSTALLATION CHARGES.

All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 OPERATING INSTRUCTIONS AND TRAINING.

Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 STORAGE.

Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 COMPLIANCE WITH FEDERAL, STATE, COUNTY, AND LOCAL LAWS.

Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The Contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA.

The Bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful Bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful Bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 PATENTS AND COPYRIGHTS.

The successful Vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 SAMPLES, DEMONSTRATIONS, AND TESTING.

At Jefferson County's request and direction, Bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the Bidder/Vendor.

2.13 ACCEPTABILITY.

All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 MAINTENANCE.

Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 MATERIAL SAFETY DATA SHEETS.

Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a Bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the Bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 EVALUATION.

Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves to right to contact any Bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. PURCHASE ORDERS AND PAYMENT.

3.1 PURCHASE ORDERS.

A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 INVOICES.

All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 PROMPT PAYMENT.

In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful Bidder(s) is required to pay Subcontractors within ten (10) days after the successful Bidder receives payment from the County.

3.4 FUNDING.

Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. CONTRACT.

4.1 CONTRACT DEFINITION.

The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful Bidder and Jefferson County.

4.2 CHANGE ORDER.

No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of

Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

4.3 PRICE RE-DETERIMINATION.

A price re-determination may be requested at the time of annual renewal. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The Bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.4 TERMINATION.

Jefferson County reserves the right to terminate the contract for default if the Bidder breached any of the terms therein, including warranties of Bidder or if the Bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest Bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the Bidder in default.

4.5 CONFLICT OF INTEREST.

Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or Subcontractor who does business with the County without disclosure. When conflict of interest is discovered, it shall be grounds for termination of contract.

4.6 INTEREST BY PUBLIC OFFICIALS.

No public official shall have interest in this contract, in accordance with Texas Local Government Code.

4.7 PRE-AWARD/CONTRACT CONTACT BETWEEN COUNTY AND VENDORS.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions may not be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer.

Vendors shall not contact any Jefferson County personnel during the IFB process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.

All correspondence relating to this IFB, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this IFB shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee. Proposals, vendor presentations, and product/service evaluations may develop into negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct negotiations with vendor

representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

4.8 INJURIES OR DAMAGES RESULTING FROM NEGLIGENCE.

Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, Subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

4.9 WARRANTY.

The successful vendor shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 UNIFORM COMMERCIAL CODE.

The successful vendor and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.

4.11 VENUE.

This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 SALE, ASSIGNMENT, OR TRANSFER OF CONTRACT.

The successful vendor shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.13 SILENCE OF SPECIFICATIONS.

The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

5. REJECTION OR WITHDRAWAL.

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within **90** days after opening date.

6. EMERGENCY/DECLARED DISASTER REQUIREMENTS.

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's

supplier(s).

Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

7. AWARD.

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected.

Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment.

In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not a awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

8. CONTRACT.

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

9. WAIVER OF SUBROGATION.

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

10. FISCAL FUNDING.

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

11. BID RESULTS.

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page at https://jeffersoncountytx.gov/Purchasing/ as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

12. CHANGES AND ADDENDA TO BID DOCUMENTS.

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

13. SPECIFICATIONS.

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid.

Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

14. DELIVERY.

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder (in writing on the included Bid Form), prices bid will be considered as being based on F.O.B. destination/delivered freight included.

15. INTERPRETATION OF BID AN/OR CONTRACT DOCUMENTS.

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

16. CURRENCY.

Prices calculated by the bidder shall be stated in U.S. dollars.

17. PRICING.

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

18. NOTICE TO PROCEED/PURCHASE ORDER.

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent.

19. CERTIFICATION.

By signing the offer section of the Offer and Acceptance page, Bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The Bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The Bidder hereby certifies that the individual signing the bid is an authorized agent for the Bidder and has the authority to bind the Bidder to the contract.

20. DEFINITIONS.

"County" – Jefferson County, Texas.
"Contractor" – The Bidder whose proposal is accepted by Jefferson County.

21. SMALL, MINORITY & WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of Jefferson County to increase the participation of Small, Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

SECTION 2: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) MANDATED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY UNDER FEDERAL AWARDS REQUIRED BY 2 C.F.R. §200.327 APPENDIX II TO 2 CFR §200

2 CFR 200.327 Contract provisions. The non-Federal entity's contracts should contain applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable. ***Language as of January 3, 2025.**

THRESHOLD	PROVISION	CITATION
>$250,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Although not required for contract at or below the SAT, FEMA suggests including a remedies provision. The NFE should consult their servicing legal counsel to determine whether and how remedies for breach of contract are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. FEMA suggests including a termination for cause and for convenience in all contracts even when not required. The NFE should consult their servicing legal counsel to determine whether and how termination provisions are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (B)
None	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any	2 CFR 200 APPENDIX II (C) and 41 CFR §60-1.4(b)

Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through
(8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

	The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.	
>$2,000	Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. **FEMA PA and HMGP do not require these clauses unless it is a requirement for matching funds by another federal program legislation such as CDBG-DR.** When required, prime construction contracts over $2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. If applicable per the standard described above, the NFE must include the provisions at 29 C.F.R. § 5.5(a)(1)-(10) in full into all applicable contracts, and all applicable contractors must include these provisions in full in any subcontracts.	2 CFR 200 APPENDIX II (D); 40 U.S.C. §§ 3141-3144 and 3146-3148; supplemented by 29 C.F.R. Part 5; 40 U.S.C. § 3145; supplemented by 29 C.F.R. Part 3

	In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback" Act. Sample contract clauses are provided in the FEMA Contract Provisions Guide.	
> $100,000+ Mechanics or Laborers	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. **Applicability** **This required contract provision applies to all procurements over $100,000 that involve the employment of mechanics, laborers, and construction work. These requirements *do not* apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.** Required Language Compliance with the Contract Work Hours and Safety Standards Act. 1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. 2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section. 3. *Withholding for unpaid wages and liquidated damages.* The (insert	2 CFR 200 APPENDIX II (E); 40 U.S.C. §§ 3701-3708; supplemented by 29 C.F.R. Part 5

	name of grant recipient or subrecipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section. 4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section. **For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 where an additional contract provision is required, FEMA suggests including the language below.** Suggested Language Further Compliance with the Contract Work Hours and Safety Standards Act. 1. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.	
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.	2 CFR 200 APPENDIX II (F); Funding Agreement; definition found under 37 C.F.R. § 401.2(a).

	This provision does not apply to all FEMA grant and cooperative agreement programs including PA and HMGP as awards under these programs do not meet the definition.	
>$150,000	Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Suggested Language: Clean Air Act The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The contractor agrees to report each violation to the (insert name of non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA. Federal Water Pollution Control Act The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.* The contractor agrees to report each violation to the (insert name of the non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the (insert name of the pass-through entity, if applicable), Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.	2 CFR 200 APPENDIX II (G); 42 U.S.C. §§ 7401-7671q; 33 U.S.C. §§ 1251-1387
>$25,000	Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989	2 CFR 200 APPENDIX II (H); 2 C.F.R. Part 180

	Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified. Suggested Language: Suspension and Debarment This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to (insert name of recipient/subrecipient/applicant), the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.	(implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989)); 2 C.F.R. Part 3000 (Department of Homeland Security regulations for Non-procurement Debarment and Suspension, implementing 2 C.F.R. Part 180).
> $100,000; and Certification required for all contracts greater than $100,000	Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. **If applicable, contractors must sign and submit the following certification to the NFE with each bid or offer exceeding $100,000.** Required Certification: CERTIFICATION REGARDING LOBBYING (APPENDIX A, 44 C.F.R. PART 18)	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303; (citing 31 U.S.C. § 1352); 44 C.F.R. § 18.110
	See 2 CFR §200.323.	2 CFR 200 APPENDIX II (J)
	See 2 CFR §200.216.	2 CFR 200 APPENDIX II (K)
	See 2 CFR §200.322.	2 CFR 200 APPENDIX II (L)

Work involves the use of materials, and the contract is for more than $10,000	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Suggested Language: In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.	2 CFR 200.323; Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962)
>$100,000	*§135.38 Section 3 clause* *All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):* A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement	

	or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.	
	G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 C.F.R. § 200.216, as implemented by FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:	2 CFR 200.216

	(1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See Public Law 115-232, section 889 for additional information. (d) See also § 200.471.	
None	The Federal awarding agency must establish conflict of interest policies for Federal awards. The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.	2 CFR 200.112
None	The Federal awarding agency and the non-Federal entity should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine-readable formats rather than in closed formats or on paper in accordance with applicable legislative requirements. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a web browser or computer system. The Federal awarding agency or pass-through entity must always provide or accept paper versions of Federal award-related information to and from the non-Federal entity upon request. If	2 CFR 200.336

	paper copies are submitted, the Federal awarding agency or pass-through entity must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Suggested Language: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) listed below to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contracting with HUB, small and minority businesses, women's business enterprises, and labor surplus area firms. (a) When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. (b) Such consideration means: (1) These business types are included on solicitation lists; (2) These business types are solicited whenever they are deemed eligible as potential sources; (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types; (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types; (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring a contractor under a Federal award to apply this section to subcontracts.	2 C.F.R. § 200.321(b)(1)-(5)
None	Financial records, supporting documents, statistical records, and all other non- Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds	2 CFR 200.334; and 200.337

	must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation. <u>Suggested Language for All Procurements:</u> a. The Contractor agrees to provide (insert non-federal entity), the Texas Division of Emergency Management (TDEM), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. b. The FIRM agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. c. The CONTRACTOR agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. d. In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the (insert name of the non-federal entity) and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.	
None	CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED. A governmental Corporation may not enter into a governmental contract with a company that	United States Code 19 U.S.C. 2511

	Is identified on a list prepared and maintained by the U.S. Department of Treasury under Executive Order 13224.The term "foreign terrorist organization" in this paragraph has the meaning assigned to such a term in Section 8 U.S.C.1189(a)(1) of the United States Code.	
>$100,000	PROVISION REQUIRED IN CONTRACT. (a) This section applies only to a contract that: (1) is between a governmental entity and a company with 10 or more full-time employees; and (2) has a value of $100,000 or more that is to be paid wholly or partly from public funds of the governmental entity. (b) A governmental Corporation may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and will not boycott Israel during the term of the contract.	(Adhere to your State's Local Government Code)
Option Contract Language for contracts awarded prior to Grant Award	The contract award is contingent upon the receipt of federal funds. If no such funds are awarded, the contract shall terminate.	Optional
	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. Suggested Language: The CONTRACTOR shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).	42 U.S.C. 6201
	The Firm agrees that no otherwise qualified individual with disabilities shall, solely by reason of his/her disability, be denied the benefits of, or be subjected to discrimination, including discrimination in employment, under any program or activity receiving federal financial assistance.	Section 504 of the Rehabilitation Act of 1973, as amended.
	Pursuant to the *Violence Against Women Act Reauthorization of 2022*, the Grant Recipient must certify that local policies do not interfere with the residents' Right to Report Crime and Emergencies from One's Home. The certification will confirm that no ordinances, local regulations, or policies adopted by the local government and currently in effect contain any financial or regulatory penalty imposed on property owners or residents as a result of any use of emergency services, or that the Grant Recipient is actively addressing such local regulations.	Pub. L. 117-103, 136 Stat. 49

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor Cat5 Resources LLC certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and Contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all Contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acguisition.qov/far/index.html see section 52.209-6.

The Contractor Cat5 Resources, LLC certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. **EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)**

(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the Contractor agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

CIVIL RIGHTS COMPLIANCE PROVISIONS (CONTINUED)

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS

The following requirements and instructions **supersede** General Requirements where applicable.

1. SUBMISSION OF BID.

Bidder is Responsible for Submitting:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this Specifications Packet , **in its entirety.**

The County requests that bid submissions NOT be bound by staples or glued spines.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Bids must be submitted in complete original form by mail or messenger to the following address:
Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

BID PACKAGING: Bidder shall submit response in a tightly sealed opaque envelope or box, plainly marked "SEALED BID." The outside of the envelope of box shall also include the IFB Number, IFB Name, IFB Due Date, and the Bidder's Name and Address; and shall be addressed to the Purchasing Agent.

All submissions must be received by 11:00 am CT, Wednesday, March 25, 2026.

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

Jefferson County will not accept any responsibility for bids being delivered by third party carriers.

Late bids will not be accepted and will be returned unopened to the Bidder.
Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB.

All bid responses submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

COURTHOUSE SECURITY: All visitors to the Courthouse must pass through Security. Respondents planning to hand deliver proposals must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal. Mondays and Tuesdays are particularly heavy days.

In response to the Covid-19 pandemic, Jefferson County has implemented precautionary measures as currently recommended by the CDC within its facilities. Bidders are strongly urged to plan accordingly.

COUNTY HOLIDAYS (2026):

~~January 1, 2026 (Thursday) - New Year's~~
~~January 19 (Monday) - Martin Luther King, Jr. Day~~
April 3 (Friday) - Good Friday
May 25 (Monday) - Memorial Day
June 19 (Friday) - Juneteenth
July 3 Observed (Friday) - Independence Day
September 7 (Monday) - Labor Day
November 11 (Wednesday) - Veteran's Day
November 26 & 27 (Thursday & Friday) - Thanksgiving
December 24 & 25 (Thursday & Friday) Christmas

Submissions During Time of Inclement Weather, Disaster, or Emergency:

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the IFB closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of Statements of Qualifications will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

2. PRE-BID MEETING AND WALK-THROUGH.

Due to the nature of this Bid, a Pre-Bid Conference will not be held for this project.

3. QUESTIONS/DEADLINE FOR QUESTIONS.

Questions may be emailed to Cindy Greene, Contract Specialist, at: Cynthia.greene@jeffersoncountytx.gov. If no response within 72 hours, email Deborah Clark, Purchasing Agent at: deb.clark@jeffersoncountytx.gov
The Deadline for asking questions or requesting additional information (in writing) is 5:00 pm, CT, **Friday, February 27, 2026.**

4. VENDOR REGISTRATION (System for Award Management).

Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: https://www.sam.gov

In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.
However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

BIDDER: INSERT PROOF OF SYSTEM FOR AWARD MANAGEMENT (SAM) BEHIND THIS PAGE.

Alexander Strait

Subject: Registration Activated for CAT5 RESOURCES, L.L.C. / LVU1X1HV4LM5 / 6YCZ7 in the U.S. Government's System for Award Management (SAM.gov)

Kathy Hileman, Cindy Perez,

The registration for CAT5 RESOURCES, L.L.C. / LVU1X1HV4LM5 / 6YCZ7 is now active in the U.S. federal government's System for Award Management (SAM.gov). If you did not provide a Commercial and Government Entity (CAGE) Code during the registration process, one has been assigned to you by the Defense Logistics Agency (DLA) CAGE Program.

To remain eligible to do business with the federal government, you must renew your entity's registration in SAM.gov every year. The annual renewal date for the registration is 2027-02-18 16:14:31.292.

You may invite additional users to manage or review your entity registration by following these steps:

1. Go to the SAM.gov website and sign in
2. On your Workspace page, scroll down to the "User Directory"
3. Enter the email address of the user you want to invite and select the email address from the list
4. On the next page, select the "Assign Role" button in the top right corner of the page
5. On the assign role page, follow the instructions provided and then select "Send Invitation" at the bottom of the page
6. The user will be notified

All invitees will receive an email message from SAM.gov with instructions on how to complete the process.

Remember, it is free to register in SAM.gov. Get free help at SAM.gov in the "Help" section and at the Federal Service Desk (FSD) where you will find SAM.gov user guides, quick start guides, helpful hints, videos, and frequently asked questions. If you are going through entity validation at SAM.gov for the first time and have questions, visit this list of FAQs.

In addition, if you are located in the U.S. and its outlying areas, you can get FREE support from your local APEX Accelerator (formerly known as PTAC), an official resource for government contracting assistance. Go to https://www.apexaccelerators.us to find your closest office.

Do not reply to this auto-generated email.

This email was sent from Production.

5. FORM 1295 (Texas Ethics Commission) SUBMISSSION REQUIREMENT/INSTRUCTIONS FOR BIDDERS.
All Non-Exempt Bidders are required to submit a completed FORM 1295 with bid submission.

1. Submit a FORM 1295 online via the Texas Ethics Commission website link below.
Vendors must enter the required information on Form 1295, and print a copy of the completed form.
The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department **with bid submission.**

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

A sample of a completed FORM 1295 is included on **PAGE 36**.

FORM 1295 Implementation Background:
In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Question: Will the date of birth and address provided appear on the TEC's website when the form is filed?

Answer: No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also Paxton v. City of Dall., No. 03-13-00546-CV, 2015 Tex. App. LEXIS 5228, at *10-11 (App.—Austin May 22, 2015) (mem. op.) (pet. denied) (available here)

FORM 1295 EXEMPTIONS:
What type of contracts are exempt from the Form 1295 filing requirement under the amended law?
The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:
- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

SAMPLE COMPLETED FORM 1295

VENDOR: FORM 1295 MUST BE COMPLETED/SUBMITTED ON TEXAS ETHICS COMMISSION WEBSITE. HARD COPY OF FORM 1295 IS TO BE PRINTED, COMPLETED, SIGNED, AND SUBMITTED WITH BID/PROPOSAL/AGREEMENT/CONTRACT.

JEFFERSON COUNTY WILL CONFIRM RECEIPT OF COMPLETED HARD COPY WITH THE TEXAS ETHICS COMMISSION.

6 UNSWORN DECLARATION

My name is Cindy Perez, and my date of birth is 08/21/1967.

My address is 12455 US Hwy 96 N, Brookeland (city), TX (state), 75931 (zip code), USA (country).

I declare under penalty of perjury that the foregoing is true and correct.

Executed in Jasper County, State of Texas, on the 17th day of March (month), 2026 (year).

Cindy Perez

Signature of authorized agent of contracting business entity
(Declarant)

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS (CONTINUED)

6. MULTIPLE VENDOR AWARD.

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

7. DELIVERY.

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the Contractor, at the discretion of, and at no additional charge to, Jefferson County.

8. PAYMENT.

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

Invoices shall be submitted to:
Jefferson County Auditing Department
Attention: Accounts Payable
1149 Pearl Street, 7th floor
Beaumont, TX 77701.

9. USAGE REPORTS.

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

10. INSURANCE.

The Contractor (including any and all Subcontractors as defined in Section 11.1.3 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the Contractor. These requirements do not establish limits of the Contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents; a copy of the policy wording or endorsement is required.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured and will provide the actual policy wording or endorsement showing as such.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements:

Public Liability, including Products & Completed Operations	$1,000,000
Excess Liability	$1,000,000

Property Insurance (policy below that is applicable to this project):
Improvements & Betterments Policy: Improvements/Remodeling (for Lease Tenants)
Builder's Risk Policy: Structural Coverage for Construction Projects
Installation Floater Policy: Improvements/Alterations to Existing Structure

Workers' Compensation Statutory Coverage (See Section 9 Below)

11. WORKERS' COMPENSATION INSURANCE

11.1 Definitions:

11.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

11.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the Contractor's/person's work on the project has been completed and accepted by the governmental entity.

11.1.3 **Persons providing services on the project ("Subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the Contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent Contractors, Subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

11.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Contractor providing services on the project, for the duration of the project.

11.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – **refer to Section 10 above**.

11.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

11.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

11.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

11.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

11.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

11.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

11.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

11.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:

11.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.

11.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.

11.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

11.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:

11.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and

11.9.4.2 the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.

11.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.

11.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

11.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs **11.1. – 11.7.**, with the certificates of coverage to be provided to the person for whom they are providing services.

11.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the Contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

BIDDER: INSERT COPY OF CERTIFICATE OF INSURANCE (COI) BEHIND THIS PAGE.

Note: For bid purposes, a general COI will suffice. However, a COI that includes the notation that "Jefferson County as an additional insured" will be required from Awarded Bidder(s) prior to the issuance of a Purchase Order.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

SECTION 4: MINIMUM SPECIFICATIONS

The following requirements and specifications supersede General Bid Requirements where applicable. Any questions relating to bid submission or bid item specifications requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at: cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-839-8593 or via email at: deb.clark@jeffersoncountytx.gov. Please reference Bid Number: IFB 26-004/CG.

SCOPE OF PROJECT

Jefferson County is soliciting bids for a generator technician to perform inspections, preventative maintenance and service on generators located in various locations for Jefferson County. Vendor shall provide copy of any applicable license with proposal. Vendor shall perform all electrical and engine work on generators.

TERMS

Individual departments will call to schedule any inspection, preventive maintenance or service for their generator. No work is guaranteed for generators listed in this proposal.

The County reserves the right to change, add, or delete service and/or locations.

Service call agreements will be made on an "as needed" basis. Repair work, other than the initial service call, resulting from this agreement shall not begin without a Notice to Proceed or Purchase Order from the County to the Vendor.

The vendor shall only proceed with repairs after the estimate has been approved by the department requesting the repair and a notice to proceed or purchase order has been issued.

- A "not to exceed" amount and description of work to be completed will be set at the time of the Notice to Proceed or Purchase Order agreed upon by both parties.

Awarded vendor shall furnish all labor, tools, transportation, equipment materials and supplies as required to complete the service request, to provide a working system, complete in all respects. All work shall be in compliance with Federal, State and Local Codes. All equipment or components must be installed in accordance with manufacturer's recommendations.

Vendor shall repair any damage caused by the Vendor and its employees at no cost to the County.

Modification of contract price shall be allowed only on the anniversary date of the contract. Prices throughout the initial one (1) year term shall remain firm/fixed. Written requests for price revisions after the first year shall be submitted in advance to the Jefferson County Purchasing Department. Requests shall be based upon and include documentation of the actual change in cost of components or CPI increases, involved in the contract. Price increase shall not include overhead or profit. The County reserves the right to reject any price increase and/or to terminate the contract.

All hourly cost proposals must be to service the generators listed in the IFB. Any additional costs not included on the Bid Form on page 49 of this IFB will not be allowed. This includes but is not limited to inspection fee, service call charge, mileage charges, fuel surcharges, miscellaneous supply charges.

INSPECTIONS

Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. These inspections shall include the following systems:

1. General Condition of Generator
    - Check generator area for obstructions
    - Wipe off unit
    - Clean oil, coolant, fuel & acid deposits
    - Check housing for leaks or corrosion
2. Starting System & Charging System
    - Visually inspect batteries for damage or leakage
    - Clean batteries with acid neutralizer
    - Clean & tighten all battery cable connections
    - Perform battery load test
    - Inspect battery charger for proper operation, loose terminals and deteriorated wiring
    - Starting motor – inspect electrical connections and wiring.
    - Air starter – inspect oil jar and feeder operation
    - Inspect alternator for proper operation, loose connections and mounting hardware
    - Check belts, pulley and voltage output
3. Engine Cooling System
    - Visually inspect radiator/heat exchanger for leaks, damage and debris
    - Check radiator/heat exchanger louver operation
    - Visually inspect coolant for correct levels and condition of coolant
    - Check coolant conditioner concentration and temperature protection
    - Check filler cap gasket and sealing surface
    - Visually inspect all hoses for deterioration
    - Check tightness of connections
    - Fan Drive Pulley & Fan – check for loose or worn pulleys, lube fan drive bearing
    - Check fan operation and clearance
    - Inspect fan belts for wear and/or deterioration. Check tension and adjust as needed
    - Inspect jacket water heater for proper operation
    - Inspect water pump visually and operationally for leaks and/or unusual noises
4. Engine Fuel System
    - Visually inspect fuel tank for leaks, damage and fuel level
    - Test day tank pump for proper operation
    - Inspect fuel condition for contaminants
    - Drain water from fuel tank of water separator
    - Visually inspect fuel lines for leaks and tightness of connections
    - Check line brackets
    - Inspect governor oil level
    - Inspect controls and linkage for proper operation. Add oil as necessary
    - Inspect fuel filters for damage, leaks and proper operation. Change when necessary
    - Fill Port Info – Special fittings, adapters needed, extra hose length, access to tank and other restrictions that may hamper fueling
5. Air Induction & Exhaust System
    - Air Filter Service Indicator – Note reading. Inspect for proper operation. Reset indicator.
    - Inspect air filter. Clean and/or replace as necessary

- Air Inlet System – Inspect piping and air filter housing for damage, loose connections and evidence of leaks
- Clean air filter housing if air filter is cleaned and replaced. Check housing seals and gaskets
- Inspect turbocharger for oil leakage or exhaust leakage. Check for unusual noises and proper operation
- Inspect exhaust manifold for damage, loose or missing hardware, and evidence of exhaust leakage and wet-stacking. Load bank recommendation if necessary
- Exhaust System – Inspect silencer and piping for damage, corrosion or leakage. Check rain cap
- Check supports for vibration damage and loose connections

6. Lube Oil System
    - Visually inspect for correct oil level and add when necessary, inspect for leaks
    - Note oil pressure
    - Operational and visual inspection of prelube pump
    - Inspect crankcase breather for proper operation. Check connections and inspect hose for deterioration. Note and report excessive blow by
7. Engine Monitors & Safety Controls (All PM Levels)
    - Check safety controls for loose connections and wiring deterioration
    - Check for proper operation of all safety controls and alarms
    - Remote Annunciator and Alarm – Inspect all panels and system alarms for proper functions
8. Ignition System (All PM Levels)
    - Check spark plug condition and electrode gap
    - Check spark plug wires for condition and connections for corrosion
    - Check ignition coils condition and connections for corrosion
9. Control Panels (All PM Levels)
    - Voltmeter – Operational check for correct reading. Check voltage level
    - Frequency Meter – Operational check for correct reading
    - Check alarm history
10. Generator Rear Bearings & Vibration Isolators
    - Lubricate generator rear bearing if applicable
    - Check vibration isolators for proper adjustment and condition
11. Transfer Switch (All PM Levels)
    - Check for leaks/corrosion on cabinets
    - Verify connections are tight on lugs
    - Check voltage across contacts
    - Lube as necessary
    - Verify exercise program
    - Functional test of unit
    - Verify time delays
    - Check for hot spots

Upon completion of the inspection, the vendor will ensure the generator is put back into stand-by mode.

Vendor will provide an inspection report within 15 days of the inspection to the department requesting the inspection that details the following:

1. Record of all findings of the inspections.
2. Record of any unsafe conditions.
3. Record of any corrective action taken.
4. Report recommendations for replacement of minor and major components.

PREVENTATIVE MAINTENANCE

Vendor will provide preventative maintenance for each generator upon the request of each department for Jefferson County as needed to maintain the proper functioning of the generators. This includes, but not limited to oil and filter changes.

Vendor will provide a report of all preventative maintenance performed on the generator to the department requesting the maintenance. Upon completion of preventative maintenance, the vendor will ensure the generator is put back into stand-by mode.

SERVICE CALLS

Vendor will provide service for generators when the generator is not functioning properly upon the request of each department or the Purchasing Department. Vendor will get approval from each department before replacing or ordering any parts for repair. Upon completion of service call, vendor will ensure the generator is put back into stand-by mode. This service will include calls 24 hours a day, 7 days a week. Vendor will also provide service during any man-made or natural disaster/emergency. Service calls in this agreement are made on an "as needed" basis as no repair work shall result from this agreement, other than the initial service call, without a written Notice to Proceed or Purchase Order from the County to the Vendor. A "not to exceed" amount and description of work to be completed will be set in the Notice to Proceed or Purchase Order agreed upon by both parties.

1. Non-Emergency Call-Out – Verbally respond to requests for non-emergency service to any generator within four (4) hours and be on site to perform repairs within forty-eight (48) hours after being contacted.
2. Emergency Call-Out – Verbally respond to requests for emergency service to any generator within one (1) hour and be on site to perform repairs within three (3) hours after being contacted.

GENERATOR LIST

This is the list of current generators located throughout Jefferson County that will need to be serviced and inspected. Generators may be added or removed upon the discretion of Jefferson County.

IFB TITLE: Term Contract for Generator Inspections, Routine Maintenance and Service for Jefferson County

IFB DUE BY: 11:00 am, CST, Wednesday, March 25, 2026

ADDENDUM NO.: 1

ISSUED (DATE): March 2, 2026

To Bidder: This Addendum is an integral part of the IFB package under consideration by you as a Bidder in connection with the subject matter herein identified. Jefferson County deems all sealed bids to have been proffered in recognition and consideration of the entire IFB Specifications Package – *including all addenda*. For purposes of clarification, **receipt of this present Addendum by a Bidder should be evidenced by returning it (signed) as part of the Bidder's sealed bid submission.** If the bid submission has already been received by the Jefferson County Purchasing Department, Bidder should return this addendum in a separate sealed envelope, clearly marked with the IFB Title, IFB Number, and IFB Opening Date and Time, as stated above.

Reason for Issuance of this Addendum: Vendor Questions and page number clarification.

The information included herein is hereby incorporated into the documents of this present bid matter and supersedes any conflicting documents or portion thereof previously issued.

Receipt of this Addendum is hereby acknowledged by the undersigned Respondent:

Correction: The last paragraph on page 43 incorrectly references the Bid Form as being on page 49. The Bid form is found on page 51 of the specifications.

Vendor Questions:

1. **Question:** Do you require any load bank testing to be quoted for the yearly service?
   Answer: Under Section 4: Minimum Specifications, Inspections (pg 44) it notes that Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. The inspection requirements are outlined.

2. **Question:** Are there any units that are located on roofs or not accessible to pull up a truck within 50 feet?
   Answer: All generators are accessible to pull a truck within 50 feet. There are no generators on roofs. The Sabine Pass generator is on a stand-alone platform 10' off the ground with built in stairs. You can drive right up to it.

3. **Question:** Are you requiring ATS Services once or twice per year?
   Answer: See question and answer #1.

4. **Question:** Does each generator have 1 ATS switch or do some units have multiple?
   Answer: Most units have one ATS switch, a few units have 2 ATS switches.

5. **Question:** Can you please also clarify if a bid bond is needed for submission of bid?
   Answer: A bid bond is not required.

BID FORM

Item	Description	Labor Charge Per Hour
1	Generator Technician during working hours (Monday-Friday, 8:00 am to 5:00 pm)	$ 105.00 /hour

As permitted under Article 4413 (32c) V.A.C.S., other governmental entities may wish to participate under the same terms and conditions contained in this contract (i.e., piggyback). In the event any other entity participates, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. Jefferson County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by another entity. Each entity reserves the right to determine their participation in this contract.

Would Bidder be willing to allow other governmental entities to piggyback off this contract, if awarded, under the same terms and conditions? .....**Yes** ☑ **No** ☐

This bid shall remain in effect for ninety (90) days from bid opening and shall be exclusive of federal excise and state and local sales tax (exempt).

The undersigned agrees, if this bid is accepted, to furnish any and all items upon which prices are offered, at the price and upon the terms and conditions contained in the Invitation for Bid, Conditions of Bidding, Terms of Contract, and Specifications and all other items made a part of the accepted contract.

The undersigned affirms that they are duly authorized to execute the contract, that this company, corporation, firm, partnership or individual has not prepared this bid in collusion with any other Bidder, and that the contents of this bid as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any other Bidder or to any other person(s) engaged in this type of business prior to the official opening of this bid. And further, that neither the Bidder nor their employees nor agents have been for the past six (6) months directly nor indirectly concerned in any pool or agreement or combination to control the price of goods or services on, nor to influence any person to bid or not to bid thereon.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

CONFLICT OF INTEREST QUESTIONNAIRE

CONFLICT OF INTEREST QUESTIONNAIRE FORM **CIQ**
For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY
Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**
Cat5 Resources, LLC

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**
(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information in this section is being disclosed.**
N/A
Name of Officer

This section (item 3 including subparts A, B, C, & D) must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?
☐ Yes ☒ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?
☐ Yes ☒ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more?
☐ Yes ☒ No

D. Describe each employment or business and family relationship with the local government officer named in this section.

GOOD FAITH EFFORT (GFE) DETERMINATION CHECKLIST

Bidder intends to utilize Subcontractors/Subconsultants in the fulfillment of this contract (if awarded).
☐ Yes ☑ No

Instructions: In order to determine if a "Good Faith Effort" was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/ Consultant's bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .?

☐ Yes ☐ No 1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?

☐ Yes ☐ No 2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?

☐ Yes ☐ No 3. **Provide** HUBs that were genuinely interested in bidding on a Subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant's organization)?

☐ Yes ☐ No 4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive Bidders?

☐ Yes ☐ No 5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?

☐ Yes ☐ No 6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.**

If "No" was selected, please explain and include any pertinent documentation with your bid.
If necessary, please use a separate sheet to answer the above questions.

HOUSE BILL 89 VERIFICATION

I, Cindy Perez, the undersigned representative of (company or business name) Cat5 Resources, LLC (heretofore referred to as company) being an adult over the age of eighteen (18) years of age, after being duly sworn by the undersigned notary, do hereby depose and verify under oath that the company named above, under the provisions of Subtitle F, Title 10, Government Code Chapter 2270:

1. Does not boycott Israel currently; and
2. Will not boycott Israel during the term of the contract.

Pursuant to Section 2270.002, Texas Government Code:

1. "**Boycott Israel**" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made ordinary business purposes; and

2. "**Company**" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or an limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business association that exist to make a profit.

LEGAL NOTICE
Advertisement for Invitation for Bids

February 17, 2026

Notice is hereby given that sealed bids will be accepted by the Jefferson County Purchasing Department for Invitation for Bid **(IFB 26-004/CG), Term Contract for Generator Inspections, Routine Maintenance and Service for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327.** Specifications for this project may be obtained from the Jefferson County website, https://jeffersoncountytx.gov/Purchasing/ or by calling 409-835-8593.

Bids are to be sealed and addressed to the Purchasing Agent with the bid number and name marked on the outside of the envelope or box. Bidders shall forward an original and one (1) copies of their bid to the address shown below. Jefferson County does not accept bids submitted electronically. Late bids will be rejected as non-responsive. Bids will be publicly opened and read aloud in the Jefferson County Purchasing Department (1st Floor, Historic Courthouse) 1149 Pearl Street, Beaumont, Texas 77701, at the time and date below. Bidders are invited to attend the sealed bid opening.

BID NAME:	**Term Contract for Generator Inspections, Routine Maintenance and Service for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327**
BID NUMBER:	**IFB 26-004/CG**
DUE BY TIME/DATE:	**11:00 AM CT, Wednesday, March 25, 2026**
MAIL OR DELIVER TO:	**Jefferson County Purchasing Department** **1149 Pearl Street, 1st Floor** **Beaumont, Texas 77701**

Any questions relating to these bid requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at: Cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent, at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

Jefferson County encourages Disadvantaged Business Enterprises (DBEs), Minority/Women Business Enterprises (M/WBEs), and Historically Underutilized Businesses (HUBs) to participate in the bidding process. Jefferson County does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment, or the provisions of services. Individuals requiring special accommodations are requested to contact our office at least seven (7) days prior to the bid due date at 409-835-8593.

All interested firms are invited to submit a bid in accordance with the terms and conditions stated in this bid.

Bidders are strongly encouraged to carefully read the entire invitation, as failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

BID SUBMISSIONS:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this specifications packet, in its entirety.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

SECTION 1: GENERAL CONDITIONS OF BIDDING AND TERMS OF CONTRACT

By execution of this document, the Vendor accepts all general and special conditions of the contract as outlined below and, in the specifications, and plans.

1. BIDDING.

1.1 BIDS.
All bids must be submitted on the bid form furnished in this package.

1.2 AUTHORIZED SIGNATURES.
The bid must be executed personally by the Vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the Vendor shall accompany the bid to become a valid bid.

1.3 LATE BIDS.
Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

1.4 WITHDRAWAL OF BID PRIOR TO OPENING.
A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the Bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 WITHDRAWAL OF BID AFTER OPENING.
Bidder agrees that its offer may not be withdrawn or cancelled by the Vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 BID AMOUNTS.
Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 EXCEPTIONS AND/OR SUBSTITUTIONS.
All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a Bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the Vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 ALTERNATES.
The Invitation for Bid and/or specifications may expressly allow Bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 DESCRIPTIONS.

Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 BID ALTERATIONS.

Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 TAX EXEMPT STATUS.

Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 QUANTITIES.

Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 BID AWARD.

Award of contract shall be made to the most responsible, responsive Bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended.

Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 SILENCE OF SPECIFICATIONS FOR COMPLETE UNITS.

All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 ADDENDA.

Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 GENERAL BID BOND/SURETY REQUIREMENTS.

Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 GENERAL INSURANCE REQUIREMENTS.

Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 RESPONSIVENESS.

A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid

price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 RESPONSIBLE STANDING OF BIDDER.

To be considered for award, Bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 CONFIDENTIAL/PROPRIETARY INFORMATION.

If any material in the bid submission is considered by Bidder to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Bidder), Bidder **must** clearly mark the applicable pages of bid submission to indicate each claim of confidentiality. Additionally, Bidder must include a statement on company letterhead identifying all Bid Submission section(s) and page(s) that have been marked as confidential. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire bid submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire bid submission subject to release under the Texas Public Information Act.

By submitting a bid, Bidder agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Bidder's bid submission or other information submitted by Bidder.

1.21 PUBLIC BID OPENING.

Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. PERFORMANCE.

2.1 DESIGN, STRENGTH, AND QUALITY.

Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 AGE AND MANUFACTURE.

All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 DELIVERY LOCATION.

All deliveries will be made to the address(es) specified on the purchase order during normal office working hours of 8:00 am CT to 4:00 pm CT, Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 DELIVERY SCHEDULE.

Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

2.5 DELIVERY CHARGES.

All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 INSTALLATION CHARGES.

All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 OPERATING INSTRUCTIONS AND TRAINING.

Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 STORAGE.

Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 COMPLIANCE WITH FEDERAL, STATE, COUNTY, AND LOCAL LAWS.

Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The Contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA.

The Bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful Bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful Bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 PATENTS AND COPYRIGHTS.

The successful Vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 SAMPLES, DEMONSTRATIONS, AND TESTING.

At Jefferson County's request and direction, Bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the Bidder/Vendor.

2.13 ACCEPTABILITY.

All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 MAINTENANCE.

Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 MATERIAL SAFETY DATA SHEETS.
Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a Bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the Bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 EVALUATION.
Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves to right to contact any Bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. PURCHASE ORDERS AND PAYMENT.

3.1 PURCHASE ORDERS.
A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 INVOICES.
All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 PROMPT PAYMENT.
In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful Bidder(s) is required to pay Subcontractors within ten (10) days after the successful Bidder receives payment from the County.

3.4 FUNDING.
Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. CONTRACT.

4.1 CONTRACT DEFINITION.
The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful Bidder and Jefferson County.

4.2 CHANGE ORDER.
No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of

Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

4.3 PRICE RE-DETERIMINATION.

A price re-determination may be requested at the time of annual renewal. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The Bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.4 TERMINATION.

Jefferson County reserves the right to terminate the contract for default if the Bidder breached any of the terms therein, including warranties of Bidder or if the Bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest Bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the Bidder in default.

4.5 CONFLICT OF INTEREST.

Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or Subcontractor who does business with the County without disclosure. When conflict of interest is discovered, it shall be grounds for termination of contract.

4.6 INTEREST BY PUBLIC OFFICIALS.

No public official shall have interest in this contract, in accordance with Texas Local Government Code.

4.7 PRE-AWARD/CONTRACT CONTACT BETWEEN COUNTY AND VENDORS.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions may not be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer.

Vendors shall not contact any Jefferson County personnel during the IFB process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.

All correspondence relating to this IFB, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this IFB shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee. Proposals, vendor presentations, and product/service evaluations may develop into negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct negotiations with vendor

representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

4.8 INJURIES OR DAMAGES RESULTING FROM NEGLIGENCE.

Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, Subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

4.9 WARRANTY.

The successful vendor shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 UNIFORM COMMERCIAL CODE.

The successful vendor and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.

4.11 VENUE.

This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 SALE, ASSIGNMENT, OR TRANSFER OF CONTRACT.

The successful vendor shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.13 SILENCE OF SPECIFICATIONS.

The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

5. REJECTION OR WITHDRAWAL.

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

6. EMERGENCY/DECLARED DISASTER REQUIREMENTS.

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's

supplier(s).

Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

7. AWARD.

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected.

Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment.

In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not a awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

8. CONTRACT.

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

9. WAIVER OF SUBROGATION.

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

10. FISCAL FUNDING.

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

11. BID RESULTS.

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page at https://jeffersoncountytx.gov/Purchasing/ as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

12. CHANGES AND ADDENDA TO BID DOCUMENTS.

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

13. SPECIFICATIONS.

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid.

Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

14. DELIVERY.

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder (in writing on the included Bid Form), prices bid will be considered as being based on F.O.B. destination/delivered freight included.

15. INTERPRETATION OF BID AN/OR CONTRACT DOCUMENTS.

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

16. CURRENCY.

Prices calculated by the bidder shall be stated in U.S. dollars.

17. PRICING.

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

18. NOTICE TO PROCEED/PURCHASE ORDER.

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent.

19. CERTIFICATION.

By signing the offer section of the Offer and Acceptance page, Bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The Bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The Bidder hereby certifies that the individual signing the bid is an authorized agent for the Bidder and has the authority to bind the Bidder to the contract.

20. DEFINITIONS.

"County" – Jefferson County, Texas.
"Contractor" – The Bidder whose proposal is accepted by Jefferson County.

21. SMALL, MINORITY & WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of Jefferson County to increase the participation of Small, Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

Minority owned business may be eligible for contract procurement assistance with public and private sector entities from MBDA Centers

PROPOSER: INSERT HUB, SBE, MBE or WBE Certification behind this page.

SECTION 2: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) MANDATED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY UNDER FEDERAL AWARDS REQUIRED BY 2 C.F.R. §200.327 APPENDIX II TO 2 CFR §200

2 CFR 200.327 Contract provisions. The non-Federal entity's contracts should contain applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable. *Language as of January 3, 2025.

THRESHOLD	PROVISION	CITATION
>$250,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Although not required for contract at or below the SAT, FEMA suggests including a remedies provision. The NFE should consult their servicing legal counsel to determine whether and how remedies for breach of contract are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. FEMA suggests including a termination for cause and for convenience in all contracts even when not required. The NFE should consult their servicing legal counsel to determine whether and how termination provisions are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (B)
None	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any	2 CFR 200 APPENDIX II (C) and 41 CFR §60-1.4(b)

Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through
(8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

	The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.	
>$2,000	Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. **FEMA PA and HMGP do not require these clauses unless it is a requirement for matching funds by another federal program legislation such as CDBG-DR.** When required, prime construction contracts over $2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. If applicable per the standard described above, the NFE must include the provisions at 29 C.F.R. § 5.5(a)(1)-(10) in full into all applicable contracts, and all applicable contractors must include these provisions in full in any subcontracts.	2 CFR 200 APPENDIX II (D); 40 U.S.C. §§ 3141-3144 and 3146-3148; supplemented by 29 C.F.R. Part 5; 40 U.S.C. § 3145; supplemented by 29 C.F.R. Part 3

	In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback" Act. Sample contract clauses are provided in the FEMA Contract Provisions Guide.	
> $100,000+ Mechanics or Laborers	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. **Applicability** **This required contract provision applies to all procurements over $100,000 that involve the employment of mechanics, laborers, and construction work. These requirements *do not* apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.** Required Language Compliance with the Contract Work Hours and Safety Standards Act. 1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. 2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section. 3. *Withholding for unpaid wages and liquidated damages.* The (insert	2 CFR 200 APPENDIX II (E); 40 U.S.C. §§ 3701-3708; supplemented by 29 C.F.R. Part 5

	name of grant recipient or subrecipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section. 4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section. **For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 where an additional contract provision is required, FEMA suggests including the language below.** Suggested Language Further Compliance with the Contract Work Hours and Safety Standards Act. 1. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.	
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.	2 CFR 200 APPENDIX II (F); Funding Agreement; definition found under 37 C.F.R. § 401.2(a).

	This provision does not apply to all FEMA grant and cooperative agreement programs including PA and HMGP as awards under these programs do not meet the definition.	
>$150,000	Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Suggested Language: Clean Air Act The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The contractor agrees to report each violation to the (insert name of non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA. Federal Water Pollution Control Act The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.* The contractor agrees to report each violation to the (insert name of the non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the (insert name of the pass-through entity, if applicable), Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.	2 CFR 200 APPENDIX II (G); 42 U.S.C. §§ 7401-7671q; 33 U.S.C. §§ 1251-1387
>$25,000	Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989	2 CFR 200 APPENDIX II (H); 2 C.F.R. Part 180

	Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified. Suggested Language: Suspension and Debarment This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to (insert name of recipient/subrecipient/applicant), the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.	(implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989)); 2 C.F.R. Part 3000 (Department of Homeland Security regulations for Non-procurement Debarment and Suspension, implementing 2 C.F.R. Part 180).
> $100,000; and Certification required for all contracts greater than $100,000	Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. **If applicable, contractors must sign and submit the following certification to the NFE with each bid or offer exceeding $100,000.** Required Certification: CERTIFICATION REGARDING LOBBYING (APPENDIX A, 44 C.F.R. PART 18)	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303; (citing 31 U.S.C. § 1352); 44 C.F.R. § 18.110
	See 2 CFR §200.323.	2 CFR 200 APPENDIX II (J)
	See 2 CFR §200.216.	2 CFR 200 APPENDIX II (K)
	See 2 CFR §200.322.	2 CFR 200 APPENDIX II (L)

Work involves the use of materials, and the contract is for more than $10,000	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Suggested Language: In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.	2 CFR 200.323; Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962)
>$100,000	*§135.38 Section 3 clause* *All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):* A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement	

	or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.	
	G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 C.F.R. § 200.216, as implemented by FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:	2 CFR 200.216

	(1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See Public Law 115-232, section 889 for additional information. (d) See also § 200.471.	
None	The Federal awarding agency must establish conflict of interest policies for Federal awards. The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.	2 CFR 200.112
None	The Federal awarding agency and the non-Federal entity should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine-readable formats rather than in closed formats or on paper in accordance with applicable legislative requirements. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a web browser or computer system. The Federal awarding agency or pass-through entity must always provide or accept paper versions of Federal award-related information to and from the non-Federal entity upon request. If	2 CFR 200.336

	paper copies are submitted, the Federal awarding agency or pass-through entity must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Suggested Language: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) listed below to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contracting with HUB, small and minority businesses, women's business enterprises, and labor surplus area firms. (a) When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. (b) Such consideration means: (1) These business types are included on solicitation lists; (2) These business types are solicited whenever they are deemed eligible as potential sources; (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types; (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types; (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring a contractor under a Federal award to apply this section to subcontracts.	2 C.F.R. § 200.321(b)(1)-(5)
None	Financial records, supporting documents, statistical records, and all other non- Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds	2 CFR 200.334; and 200.337

	must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation. Suggested Language for All Procurements: a. The Contractor agrees to provide (insert non-federal entity), the Texas Division of Emergency Management (TDEM), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. b. The FIRM agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. c. The CONTRACTOR agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. d. In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the (insert name of the non-federal entity) and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.	
None	CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED. A governmental Corporation may not enter into a governmental contract with a company that	United States Code 19 U.S.C. 2511

	is identified on a list prepared and maintained by the U.S. Department of Treasury under Executive Order 13224.The term "foreign terrorist organization" in this paragraph has the meaning assigned to such a term in Section 8 U.S.C.1189(a)(1) of the United States Code.	
>$100,000	PROVISION REQUIRED IN CONTRACT. (a) This section applies only to a contract that: (1) is between a governmental entity and a company with 10 or more full-time employees; and (2) has a value of $100,000 or more that is to be paid wholly or partly from public funds of the governmental entity. (b) A governmental Corporation may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and will not boycott Israel during the term of the contract.	(Adhere to your State's Local Government Code)
Option Contract Language for contracts awarded prior to Grant Award	The contract award is contingent upon the receipt of federal funds. If no such funds are awarded, the contract shall terminate.	Optional
	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. Suggested Language: The CONTRACTOR shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).	42 U.S.C. 6201
	The Firm agrees that no otherwise qualified individual with disabilities shall, solely by reason of his/her disability, be denied the benefits of, or be subjected to discrimination, including discrimination in employment, under any program or activity receiving federal financial assistance.	Section 504 of the Rehabilitation Act of 1973, as amended.
	Pursuant to the *Violence Against Women Act Reauthorization of 2022*, the Grant Recipient must certify that local policies do not interfere with the residents' Right to Report Crime and Emergencies from One's Home. The certification will confirm that no ordinances, local regulations, or policies adopted by the local government and currently in effect contain any financial or regulatory penalty imposed on property owners or residents as a result of any use of emergency services, or that the Grant Recipient is actively addressing such local regulations.	Pub. L. 117-103, 136 Stat. 49

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor GenServe certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and Contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all Contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acguisition.qov/far/index.html see section 52.209-6.

The Contractor GenServe certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. **EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)**

(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the Contractor agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

CIVIL RIGHTS COMPLIANCE PROVISIONS (CONTINUED)

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS

The following requirements and instructions **supersede** General Requirements where applicable.

1. SUBMISSION OF BID.

Bidder is Responsible for Submitting:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this Specifications Packet , **in its entirety**.

The County requests that bid submissions NOT be bound by staples or glued spines.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Bids must be submitted in complete original form by mail or messenger to the following address:
Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

BID PACKAGING: Bidder shall submit response in a tightly sealed opaque envelope or box, plainly marked "SEALED BID." The outside of the envelope of box shall also include the IFB Number, IFB Name, IFB Due Date, and the Bidder's Name and Address; and shall be addressed to the Purchasing Agent.

All submissions must be received by 11:00 am CT, Wednesday, March 25, 2026.

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

Jefferson County will not accept any responsibility for bids being delivered by third party carriers.

Late bids will not be accepted and will be returned unopened to the Bidder.
Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB.

All bid responses submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

COURTHOUSE SECURITY: All visitors to the Courthouse must pass through Security. Respondents planning to hand deliver proposals must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal. Mondays and Tuesdays are particularly heavy days.

In response to the Covid-19 pandemic, Jefferson County has implemented precautionary measures as currently recommended by the CDC within its facilities. Bidders are strongly urged to plan accordingly.

COUNTY HOLIDAYS (2026):

~~January 1, 2026 (Thursday) - New Year's~~
~~January 19 (Monday) - Martin Luther King, Jr. Day~~
April 3 (Friday) - Good Friday
May 25 (Monday) - Memorial Day
June 19 (Friday) - Juneteenth
July 3 Observed (Friday) - Independence Day
September 7 (Monday) - Labor Day
November 11 (Wednesday) - Veteran's Day
November 26 & 27 (Thursday & Friday) - Thanksgiving
December 24 & 25 (Thursday & Friday) Christmas

Submissions During Time of Inclement Weather, Disaster, or Emergency:

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the IFB closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of Statements of Qualifications will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

2. PRE-BID MEETING AND WALK-THROUGH.

Due to the nature of this Bid, a Pre-Bid Conference will not be held for this project.

3. QUESTIONS/DEADLINE FOR QUESTIONS.

Questions may be emailed to Cindy Greene, Contract Specialist, at: Cynthia.greene@jeffersoncountytx.gov. If no response within 72 hours, email Deborah Clark, Purchasing Agent at: deb.clark@jeffersoncountytx.gov
The Deadline for asking questions or requesting additional information (in writing) is 5:00 pm, CT, **Friday, February 27, 2026.**

4. VENDOR REGISTRATION (System for Award Management).

Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: https://www.sam.gov

In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.
However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

BIDDER: INSERT PROOF OF SYSTEM FOR AWARD MANAGEMENT (SAM) BEHIND THIS PAGE.

GenServe SAM #

Federal Cage Code = 4PTE7 / SAM # MKULZ3EC7WB8. Genserve LLC has been registered in SAM.gov since March 20, 2007.

5. FORM 1295 (Texas Ethics Commission) SUBMISSSION REQUIREMENT/INSTRUCTIONS FOR BIDDERS.
All Non-Exempt Bidders are required to submit a completed FORM 1295 with bid submission.

1. Submit a FORM 1295 online via the Texas Ethics Commission website link below.
Vendors must enter the required information on Form 1295, and print a copy of the completed form.
The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department **with bid submission.**

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

A sample of a completed FORM 1295 is included on **PAGE 36**.

FORM 1295 Implementation Background:
In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Question: Will the date of birth and address provided appear on the TEC's website when the form is filed?

Answer: No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also Paxton v. City of Dall., No. 03-13-00546-CV, 2015 Tex. App. LEXIS 5228, at *10-11 (App.—Austin May 22, 2015) (mem. op.) (pet. denied) (available here)

FORM 1295 EXEMPTIONS:
What type of contracts are exempt from the Form 1295 filing requirement under the amended law?
The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:
- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

(Declarant)

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS (CONTINUED)

6. MULTIPLE VENDOR AWARD.

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

7. DELIVERY.

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the Contractor, at the discretion of, and at no additional charge to, Jefferson County.

8. PAYMENT.

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

Invoices shall be submitted to:
Jefferson County Auditing Department
Attention: Accounts Payable
1149 Pearl Street, 7th floor
Beaumont, TX 77701.

9. USAGE REPORTS.

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

10. INSURANCE.

The Contractor (including any and all Subcontractors as defined in Section 11.1.3 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the Contractor. These requirements do not establish limits of the Contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents; a copy of the policy wording or endorsement is required.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured and will provide the actual policy wording or endorsement showing as such.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements:

Public Liability, including Products & Completed Operations	$1,000,000
Excess Liability	$1,000,000

Property Insurance (policy below that is applicable to this project):
Improvements & Betterments Policy: Improvements/Remodeling (for Lease Tenants)
Builder's Risk Policy: Structural Coverage for Construction Projects
Installation Floater Policy: Improvements/Alterations to Existing Structure

Workers' Compensation Statutory Coverage (See Section 9 Below)

11. WORKERS' COMPENSATION INSURANCE

11.1 Definitions:

11.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

11.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the Contractor's/person's work on the project has been completed and accepted by the governmental entity.

11.1.3 **Persons providing services on the project ("Subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the Contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent Contractors, Subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

11.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Contractor providing services on the project, for the duration of the project.

11.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – **refer to Section 10 above**.

11.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

11.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

11.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

11.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

11.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

11.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

11.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

11.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:

11.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.

11.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.

11.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

11.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:

11.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and

11.9.4.2 the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.

11.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.

11.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

11.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs **11.1. – 11.7.**, with the certificates of coverage to be provided to the person for whom they are providing services.

11.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the Contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

BIDDER: INSERT COPY OF CERTIFICATE OF INSURANCE (COI) BEHIND THIS PAGE.

Note: For bid purposes, a general COI will suffice. However, a COI that includes the notation that "Jefferson County as an additional insured" will be required from Awarded Bidder(s) prior to the issuance of a Purchase Order.

Bidder: Please complete this form and include with bid submission.

SECTION 4: MINIMUM SPECIFICATIONS

The following requirements and specifications supersede General Bid Requirements where applicable. Any questions relating to bid submission or bid item specifications requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at: cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-839-8593 or via email at: deb.clark@jeffersoncountytx.gov. Please reference Bid Number: IFB 26-004/CG.

SCOPE OF PROJECT

Jefferson County is soliciting bids for a generator technician to perform inspections, preventative maintenance and service on generators located in various locations for Jefferson County. Vendor shall provide copy of any applicable license with proposal. Vendor shall perform all electrical and engine work on generators.

TERMS

Individual departments will call to schedule any inspection, preventive maintenance or service for their generator. No work is guaranteed for generators listed in this proposal.

The County reserves the right to change, add, or delete service and/or locations.

Service call agreements will be made on an "as needed" basis. Repair work, other than the initial service call, resulting from this agreement shall not begin without a Notice to Proceed or Purchase Order from the County to the Vendor.

The vendor shall only proceed with repairs after the estimate has been approved by the department requesting the repair and a notice to proceed or purchase order has been issued.

- A "not to exceed" amount and description of work to be completed will be set at the time of the Notice to Proceed or Purchase Order agreed upon by both parties.

Awarded vendor shall furnish all labor, tools, transportation, equipment materials and supplies as required to complete the service request, to provide a working system, complete in all respects. All work shall be in compliance with Federal, State and Local Codes. All equipment or components must be installed in accordance with manufacturer's recommendations.

Vendor shall repair any damage caused by the Vendor and its employees at no cost to the County.

Modification of contract price shall be allowed only on the anniversary date of the contract. Prices throughout the initial one (1) year term shall remain firm/fixed. Written requests for price revisions after the first year shall be submitted in advance to the Jefferson County Purchasing Department. Requests shall be based upon and include documentation of the actual change in cost of components or CPI increases, involved in the contract. Price increase shall not include overhead or profit. The County reserves the right to reject any price increase and/or to terminate the contract.

All hourly cost proposals must be to service the generators listed in the IFB. Any additional costs not included on the Bid Form on page 49 of this IFB will not be allowed. This includes but is not limited to inspection fee, service call charge, mileage charges, fuel surcharges, miscellaneous supply charges.

INSPECTIONS

Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. These inspections shall include the following systems:

1. General Condition of Generator
    - Check generator area for obstructions
    - Wipe off unit
    - Clean oil, coolant, fuel & acid deposits
    - Check housing for leaks or corrosion
2. Starting System & Charging System
    - Visually inspect batteries for damage or leakage
    - Clean batteries with acid neutralizer
    - Clean & tighten all battery cable connections
    - Perform battery load test
    - Inspect battery charger for proper operation, loose terminals and deteriorated wiring
    - Starting motor – inspect electrical connections and wiring.
    - Air starter – inspect oil jar and feeder operation
    - Inspect alternator for proper operation, loose connections and mounting hardware
    - Check belts, pulley and voltage output
3. Engine Cooling System
    - Visually inspect radiator/heat exchanger for leaks, damage and debris
    - Check radiator/heat exchanger louver operation
    - Visually inspect coolant for correct levels and condition of coolant
    - Check coolant conditioner concentration and temperature protection
    - Check filler cap gasket and sealing surface
    - Visually inspect all hoses for deterioration
    - Check tightness of connections
    - Fan Drive Pulley & Fan – check for loose or worn pulleys, lube fan drive bearing
    - Check fan operation and clearance
    - Inspect fan belts for wear and/or deterioration. Check tension and adjust as needed
    - Inspect jacket water heater for proper operation
    - Inspect water pump visually and operationally for leaks and/or unusual noises
4. Engine Fuel System
    - Visually inspect fuel tank for leaks, damage and fuel level
    - Test day tank pump for proper operation
    - Inspect fuel condition for contaminants
    - Drain water from fuel tank of water separator
    - Visually inspect fuel lines for leaks and tightness of connections
    - Check line brackets
    - Inspect governor oil level
    - Inspect controls and linkage for proper operation. Add oil as necessary
    - Inspect fuel filters for damage, leaks and proper operation. Change when necessary
    - Fill Port Info – Special fittings, adapters needed, extra hose length, access to tank and other restrictions that may hamper fueling
5. Air Induction & Exhaust System
    - Air Filter Service Indicator – Note reading. Inspect for proper operation. Reset indicator.
    - Inspect air filter. Clean and/or replace as necessary

- Air Inlet System – Inspect piping and air filter housing for damage, loose connections and evidence of leaks
- Clean air filter housing if air filter is cleaned and replaced. Check housing seals and gaskets
- Inspect turbocharger for oil leakage or exhaust leakage. Check for unusual noises and proper operation
- Inspect exhaust manifold for damage, loose or missing hardware, and evidence of exhaust leakage and wet-stacking. Load bank recommendation if necessary
- Exhaust System – Inspect silencer and piping for damage, corrosion or leakage. Check rain cap
- Check supports for vibration damage and loose connections

6. Lube Oil System
   - Visually inspect for correct oil level and add when necessary, inspect for leaks
   - Note oil pressure
   - Operational and visual inspection of prelube pump
   - Inspect crankcase breather for proper operation. Check connections and inspect hose for deterioration. Note and report excessive blow by
7. Engine Monitors & Safety Controls (All PM Levels)
   - Check safety controls for loose connections and wiring deterioration
   - Check for proper operation of all safety controls and alarms
   - Remote Annunciator and Alarm – Inspect all panels and system alarms for proper functions
8. Ignition System (All PM Levels)
   - Check spark plug condition and electrode gap
   - Check spark plug wires for condition and connections for corrosion
   - Check ignition coils condition and connections for corrosion
9. Control Panels (All PM Levels)
   - Voltmeter – Operational check for correct reading. Check voltage level
   - Frequency Meter – Operational check for correct reading
   - Check alarm history
10. Generator Rear Bearings & Vibration Isolators
    - Lubricate generator rear bearing if applicable
    - Check vibration isolators for proper adjustment and condition
11. Transfer Switch (All PM Levels)
    - Check for leaks/corrosion on cabinets
    - Verify connections are tight on lugs
    - Check voltage across contacts
    - Lube as necessary
    - Verify exercise program
    - Functional test of unit
    - Verify time delays
    - Check for hot spots

Upon completion of the inspection, the vendor will ensure the generator is put back into stand-by mode.

Vendor will provide an inspection report within 15 days of the inspection to the department requesting the inspection that details the following:

1. Record of all findings of the inspections.
2. Record of any unsafe conditions.
3. Record of any corrective action taken.
4. Report recommendations for replacement of minor and major components.

PREVENTATIVE MAINTENANCE

Vendor will provide preventative maintenance for each generator upon the request of each department for Jefferson County as needed to maintain the proper functioning of the generators. This includes, but not limited to oil and filter changes.

Vendor will provide a report of all preventative maintenance performed on the generator to the department requesting the maintenance. Upon completion of preventative maintenance, the vendor will ensure the generator is put back into stand-by mode.

SERVICE CALLS

Vendor will provide service for generators when the generator is not functioning properly upon the request of each department or the Purchasing Department. Vendor will get approval from each department before replacing or ordering any parts for repair. Upon completion of service call, vendor will ensure the generator is put back into stand-by mode. This service will include calls 24 hours a day, 7 days a week. Vendor will also provide service during any man-made or natural disaster/emergency. Service calls in this agreement are made on an "as needed" basis as no repair work shall result from this agreement, other than the initial service call, without a written Notice to Proceed or Purchase Order from the County to the Vendor. A "not to exceed" amount and description of work to be completed will be set in the Notice to Proceed or Purchase Order agreed upon by both parties.

1. Non-Emergency Call-Out – Verbally respond to requests for non-emergency service to any generator within four (4) hours and be on site to perform repairs within forty-eight (48) hours after being contacted.
2. Emergency Call-Out – Verbally respond to requests for emergency service to any generator within one (1) hour and be on site to perform repairs within three (3) hours after being contacted.

GENERATOR LIST

This is the list of current generators located throughout Jefferson County that will need to be serviced and inspected. Generators may be added or removed upon the discretion of Jefferson County.

To Bidder: This Addendum is an integral part of the IFB package under consideration by you as a Bidder in connection with the subject matter herein identified. Jefferson County deems all sealed bids to have been proffered in recognition and consideration of the entire IFB Specifications Package – *including all addenda*. For purposes of clarification, **receipt of this present Addendum by a Bidder should be evidenced by returning it (signed) as part of the Bidder's sealed bid submission.** If the bid submission has already been received by the Jefferson County Purchasing Department, Bidder should return this addendum in a separate sealed envelope, clearly marked with the IFB Title, IFB Number, and IFB Opening Date and Time, as stated above.

Reason for Issuance of this Addendum: Vendor Questions and page number clarification.

The information included herein is hereby incorporated into the documents of this present bid matter and supersedes any conflicting documents or portion thereof previously issued.

Receipt of this Addendum is hereby acknowledged by the undersigned Respondent:

Correction: The last paragraph on page 43 incorrectly references the Bid Form as being on page 49. The Bid form is found on page 51 of the specifications.

Vendor Questions:

1. **Question:** Do you require any load bank testing to be quoted for the yearly service?
   Answer: Under Section 4: Minimum Specifications, Inspections (pg 44) it notes that Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. The inspection requirements are outlined.

2. **Question:** Are there any units that are located on roofs or not accessible to pull up a truck within 50 feet?
   Answer: All generators are accessible to pull a truck within 50 feet. There are no generators on roofs. The Sabine Pass generator is on a stand-alone platform 10' off the ground with built in stairs. You can drive right up to it.

3. **Question:** Are you requiring ATS Services once or twice per year?
   Answer: See question and answer #1.

4. **Question:** Does each generator have 1 ATS switch or do some units have multiple?
   Answer: Most units have one ATS switch, a few units have 2 ATS switches.

5. **Question:** Can you please also clarify if a bid bond is needed for submission of bid?
   Answer: A bid bond is not required.

BID FORM

As permitted under Article 4413 (32c) V.A.C.S., other governmental entities may wish to participate under the same terms and conditions contained in this contract (i.e., piggyback). In the event any other entity participates, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. Jefferson County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by another entity. Each entity reserves the right to determine their participation in this contract.

Would Bidder be willing to allow other governmental entities to piggyback off this contract, if awarded, under the same terms and conditions? ..... **Yes** ☐ **No** ☐

This bid shall remain in effect for ninety (90) days from bid opening and shall be exclusive of federal excise and state and local sales tax (exempt).

The undersigned agrees, if this bid is accepted, to furnish any and all items upon which prices are offered, at the price and upon the terms and conditions contained in the Invitation for Bid, Conditions of Bidding, Terms of Contract, and Specifications and all other items made a part of the accepted contract.

The undersigned affirms that they are duly authorized to execute the contract, that this company, corporation, firm, partnership or individual has not prepared this bid in collusion with any other Bidder, and that the contents of this bid as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any other Bidder or to any other person(s) engaged in this type of business prior to the official opening of this bid. And further, that neither the Bidder nor their employees nor agents have been for the past six (6) months directly nor indirectly concerned in any pool or agreement or combination to control the price of goods or services on, nor to influence any person to bid or not to bid thereon.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

CONFLICT OF INTEREST QUESTIONNAIRE

CONFLICT OF INTEREST QUESTIONNAIRE — FORM CIQ

For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY
Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**

GenServe LLC

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information in this section is being disclosed.**

N/A

Name of Officer

This section (item 3 including subparts A, B, C, & D) must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes ☐ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☐ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more?

☐ Yes ☐ No

D. Describe each employment or business and family relationship with the local government officer named in this section.

GOOD FAITH EFFORT (GFE) DETERMINATION CHECKLIST

Bidder intends to utilize Subcontractors/Subconsultants in the fulfillment of this contract (if awarded).
☐ Yes ☑ No

Instructions: In order to determine if a "Good Faith Effort" was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/ Consultant's bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .?

☐ Yes	☑ No	1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?
☐ Yes	☑ No	2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?
☐ Yes	☑ No	3. **Provide** HUBs that were genuinely interested in bidding on a Subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant's organization)?
☐ Yes	☑ No	4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive Bidders?
☐ Yes	☑ No	5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?
☐ Yes	☑ No	6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.**

If "No" was selected, please explain and include any pertinent documentation with your bid.
If necessary, please use a separate sheet to answer the above questions.

Dear Jefferson County,

GenServe LLC is pleased to submit this introductory letter in response to IFB 26-004/CG, Term Contract for Generator Inspections, Routine Maintenance and Service for Jefferson County. As a premier independent service provider specializing in comprehensive solutions for commercial and industrial backup power systems nationwide for approximately 35 years, we are confident that our expertise and commitment to reliability align perfectly with the needs of Jefferson County.

At GenServe, our promise is clear: **to provide backup power when you need it.** This commitment extends beyond simply keeping the lights on. We partner with a wide array of the industry's best brands to deliver tailored solutions that prioritize your specific requirements and ensure uninterrupted power when it matters most.

We are particularly excited about the opportunity to partner with Jefferson County, especially given our strong ties to the state of Texas. Our second headquarters is strategically located in Houston, allowing us to provide exceptional service and support to counties like yourself. Furthermore, all our dispatching for Texas is handled locally, ensuring swift and efficient response times.

GenServe has a significant operational presence within Texas, employing 30 highly skilled field technicians who are dedicated to self-servicing all our contracted locations in the state. This local expertise and commitment to self-sufficiency translate to consistent, reliable service delivered by professionals who understand the unique needs of Texas-based municipalities.

With a robust team of over 190 highly skilled field technicians and more than 300 employees company-wide, GenServe possesses the scale and expertise to handle diverse and complex power generation needs. Our strategic network of 17 branches and satellites across key regions allow for rapid response capabilities, often within a critical two-hour timeframe.

Our core competencies encompass a full spectrum of services designed to ensure the operational readiness of your backup power infrastructure. These include proactive maintenance programs, expert repairs, seamless upgrades, reliable new and replacement equipment sales, systems integrations, equipment retrofitting, and critical emergency response. We are proficient in working with all major makes and models of generators and associated equipment, such as switchgear, providing comprehensive support for your existing and future systems.

GenServe's commitment to technical excellence is underscored by the fact that we proudly employ the largest number of Electrical Generating Systems Association (EGSA) certified technicians in the industry. We perform all services in compliance with NFPA 110 standards, guaranteeing adherence to industry's best practices and regulatory requirements. Our traveling technician team further reinforces our commitment to providing uninterrupted power, offering support to branch operations during major catastrophes and weather events.

Our long-standing presence in the market, substantial team of qualified professionals, extensive geographic footprint, and unwavering commitment to reliability make GenServe a trusted partner for maintaining and ensuring the operational readiness of critical backup power infrastructure. Our track record of serving over 10,000 satisfied customers across a wide array of industries speaks to our experience and dedication to providing "backup power when you need it."

GenServe brings extensive experience in supporting School Districts and Municipalities across Texas, including **Harris County, City of Austin, City of Pasadena.** With a proven track record of delivering reliable power solutions and generator services, GenServe understands the unique operational demands and compliance requirements of municipal environments. Our long-standing partnerships with these cities highlight our commitment to quality, responsiveness, and technical expertise, making us a trusted provider for public sector clients seeking dependable backup power and maintenance services. **We also utilize BuyBoard as a Co-Op with the number 757-24. This has allowed us to work seamlessly with many municipalities, school districts and government agencies in the state of Texas.**

We are confident that GenServe LLC offers expertise, local presence, and unwavering commitment to providing the Jefferson County with the reliable backup power solutions you require. We look forward to the opportunity to further discuss your needs and demonstrate how our comprehensive services can ensure the continuity and resilience of your critical operations.

JEFFERSON COUNTY PURCHASING DEPARTMENT

LEGAL NOTICE
Advertisement for Invitation for Bids

February 17, 2026

Notice is hereby given that sealed bids will be accepted by the Jefferson County Purchasing Department for Invitation for Bid **(IFB 26-004/CG), Term Contract for Generator Inspections, Routine Maintenance and Service for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327.** Specifications for this project may be obtained from the Jefferson County website, https://jeffersoncountytx.gov/Purchasing/ or by calling 409-835-8593.

Bids are to be sealed and addressed to the Purchasing Agent with the bid number and name marked on the outside of the envelope or box. Bidders shall forward an original and one (1) copies of their bid to the address shown below. Jefferson County does not accept bids submitted electronically. Late bids will be rejected as non-responsive. Bids will be publicly opened and read aloud in the Jefferson County Purchasing Department (1st Floor, Historic Courthouse) 1149 Pearl Street, Beaumont, Texas 77701, at the time and date below. Bidders are invited to attend the sealed bid opening.

BID NAME:	**Term Contract for Generator Inspections, Routine Maintenance and Service for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327**
BID NUMBER:	**IFB 26-004/CG**
DUE BY TIME/DATE:	**11:00 AM CT, Wednesday, March 25, 2026**
MAIL OR DELIVER TO:	**Jefferson County Purchasing Department** **1149 Pearl Street, 1st Floor** **Beaumont, Texas 77701**

Any questions relating to these bid requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at: Cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent, at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

Jefferson County encourages Disadvantaged Business Enterprises (DBEs), Minority/Women Business Enterprises (M/WBEs), and Historically Underutilized Businesses (HUBs) to participate in the bidding process. Jefferson County does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment, or the provisions of services. Individuals requiring special accommodations are requested to contact our office at least seven (7) days prior to the bid due date at 409-835-8593.

All interested firms are invited to submit a bid in accordance with the terms and conditions stated in this bid.

Bidders are strongly encouraged to carefully read the entire invitation, as failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Deborah Clark

BID SUBMISSIONS:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this specifications packet, in its entirety.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

SECTION 1: GENERAL CONDITIONS OF BIDDING AND TERMS OF CONTRACT

By execution of this document, the Vendor accepts all general and special conditions of the contract as outlined below and, in the specifications, and plans.

1. BIDDING.

1.1 BIDS.
All bids must be submitted on the bid form furnished in this package.

1.2 AUTHORIZED SIGNATURES.
The bid must be executed personally by the Vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the Vendor shall accompany the bid to become a valid bid.

1.3 LATE BIDS.
Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

1.4 WITHDRAWAL OF BID PRIOR TO OPENING.
A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the Bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 WITHDRAWAL OF BID AFTER OPENING.
Bidder agrees that its offer may not be withdrawn or cancelled by the Vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 BID AMOUNTS.
Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 EXCEPTIONS AND/OR SUBSTITUTIONS.
All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a Bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the Vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 ALTERNATES.
The Invitation for Bid and/or specifications may expressly allow Bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 DESCRIPTIONS.

Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 BID ALTERATIONS.

Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 TAX EXEMPT STATUS.

Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 QUANTITIES.

Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 BID AWARD.

Award of contract shall be made to the most responsible, responsive Bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended.

Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 SILENCE OF SPECIFICATIONS FOR COMPLETE UNITS.

All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 ADDENDA.

Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 GENERAL BID BOND/SURETY REQUIREMENTS.

Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 GENERAL INSURANCE REQUIREMENTS.

Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 RESPONSIVENESS.

A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid

price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 RESPONSIBLE STANDING OF BIDDER.

To be considered for award, Bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 CONFIDENTIAL/PROPRIETARY INFORMATION.

If any material in the bid submission is considered by Bidder to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Bidder), Bidder **must** clearly mark the applicable pages of bid submission to indicate each claim of confidentiality. Additionally, Bidder must include a statement on company letterhead identifying all Bid Submission section(s) and page(s) that have been marked as confidential. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire bid submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire bid submission subject to release under the Texas Public Information Act.

By submitting a bid, Bidder agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Bidder's bid submission or other information submitted by Bidder.

1.21 PUBLIC BID OPENING.

Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. PERFORMANCE.

2.1 DESIGN, STRENGTH, AND QUALITY.

Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 AGE AND MANUFACTURE.

All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 DELIVERY LOCATION.

All deliveries will be made to the address(es) specified on the purchase order during normal office working hours of 8:00 am CT to 4:00 pm CT, Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 DELIVERY SCHEDULE.

Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

2.5 DELIVERY CHARGES.

All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 INSTALLATION CHARGES.

All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 OPERATING INSTRUCTIONS AND TRAINING.

Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 STORAGE.

Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 COMPLIANCE WITH FEDERAL, STATE, COUNTY, AND LOCAL LAWS.

Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The Contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA.

The Bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful Bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful Bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 PATENTS AND COPYRIGHTS.

The successful Vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 SAMPLES, DEMONSTRATIONS, AND TESTING.

At Jefferson County's request and direction, Bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the Bidder/Vendor.

2.13 ACCEPTABILITY.

All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 MAINTENANCE.

Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 MATERIAL SAFETY DATA SHEETS.

Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a Bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the Bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 EVALUATION.

Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves to right to contact any Bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. PURCHASE ORDERS AND PAYMENT.

3.1 PURCHASE ORDERS.

A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 INVOICES.

All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 PROMPT PAYMENT.

In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful Bidder(s) is required to pay Subcontractors within ten (10) days after the successful Bidder receives payment from the County.

3.4 FUNDING.

Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. CONTRACT.

4.1 CONTRACT DEFINITION.

The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful Bidder and Jefferson County.

4.2 CHANGE ORDER.

No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of

Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

4.3 PRICE RE-DETERIMINATION.

A price re-determination may be requested at the time of annual renewal. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The Bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.4 TERMINATION.

Jefferson County reserves the right to terminate the contract for default if the Bidder breached any of the terms therein, including warranties of Bidder or if the Bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest Bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the Bidder in default.

4.5 CONFLICT OF INTEREST.

Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or Subcontractor who does business with the County without disclosure. When conflict of interest is discovered, it shall be grounds for termination of contract.

4.6 INTEREST BY PUBLIC OFFICIALS.

No public official shall have interest in this contract, in accordance with Texas Local Government Code.

4.7 PRE-AWARD/CONTRACT CONTACT BETWEEN COUNTY AND VENDORS.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions may not be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer.

Vendors shall not contact any Jefferson County personnel during the IFB process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.

All correspondence relating to this IFB, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this IFB shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee. Proposals, vendor presentations, and product/service evaluations may develop into negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct negotiations with vendor

representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

4.8 INJURIES OR DAMAGES RESULTING FROM NEGLIGENCE.

Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, Subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

4.9 WARRANTY.

The successful vendor shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 UNIFORM COMMERCIAL CODE.

The successful vendor and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.

4.11 VENUE.

This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 SALE, ASSIGNMENT, OR TRANSFER OF CONTRACT.

The successful vendor shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.13 SILENCE OF SPECIFICATIONS.

The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

5. REJECTION OR WITHDRAWAL.

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within **90** days after opening date.

6. EMERGENCY/DECLARED DISASTER REQUIREMENTS.

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's

supplier(s).

Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

7. AWARD.

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected.

Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment.

In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not a awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

8. CONTRACT.

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

9. WAIVER OF SUBROGATION.

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

10. FISCAL FUNDING.

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

11. BID RESULTS.

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page at https://jeffersoncountytx.gov/Purchasing/ as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

12. CHANGES AND ADDENDA TO BID DOCUMENTS.

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

13. SPECIFICATIONS.

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid.

Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

14. DELIVERY.

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder (in writing on the included Bid Form), prices bid will be considered as being based on F.O.B. destination/delivered freight included.

15. INTERPRETATION OF BID AN/OR CONTRACT DOCUMENTS.

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

16. CURRENCY.

Prices calculated by the bidder shall be stated in U.S. dollars.

17. PRICING.

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

18. NOTICE TO PROCEED/PURCHASE ORDER.

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent.

19. CERTIFICATION.

By signing the offer section of the Offer and Acceptance page, Bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The Bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The Bidder hereby certifies that the individual signing the bid is an authorized agent for the Bidder and has the authority to bind the Bidder to the contract.

20. DEFINITIONS.

"County" – Jefferson County, Texas.
"Contractor" – The Bidder whose proposal is accepted by Jefferson County.

21. SMALL, MINORITY & WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of Jefferson County to increase the participation of Small, Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

SECTION 2: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) MANDATED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY UNDER FEDERAL AWARDS REQUIRED BY 2 C.F.R. §200.327 APPENDIX II TO 2 CFR §200

2 CFR 200.327 Contract provisions. The non-Federal entity's contracts should contain applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable. ***Language as of January 3, 2025.**

THRESHOLD	PROVISION	CITATION
>$250,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Although not required for contract at or below the SAT, FEMA suggests including a remedies provision. The NFE should consult their servicing legal counsel to determine whether and how remedies for breach of contract are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. FEMA suggests including a termination for cause and for convenience in all contracts even when not required. The NFE should consult their servicing legal counsel to determine whether and how termination provisions are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (B)
None	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any	2 CFR 200 APPENDIX II (C) and 41 CFR §60-1.4(b)

Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through
(8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

	The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.	
>$2,000	Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. **FEMA PA and HMGP do not require these clauses unless it is a requirement for matching funds by another federal program legislation such as CDBG-DR.** When required, prime construction contracts over $2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. If applicable per the standard described above, the NFE must include the provisions at 29 C.F.R. § 5.5(a)(1)-(10) in full into all applicable contracts, and all applicable contractors must include these provisions in full in any subcontracts.	2 CFR 200 APPENDIX II (D); 40 U.S.C. §§ 3141-3144 and 3146-3148; supplemented by 29 C.F.R. Part 5; 40 U.S.C. § 3145; supplemented by 29 C.F.R. Part 3

	In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback" Act. Sample contract clauses are provided in the FEMA Contract Provisions Guide.	
> $100,000+ Mechanics or Laborers	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. **Applicability** **This required contract provision applies to all procurements over $100,000 that involve the employment of mechanics, laborers, and construction work. These requirements *do not* apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.** Required Language Compliance with the Contract Work Hours and Safety Standards Act. 1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. 2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section. 3. *Withholding for unpaid wages and liquidated damages.* The (insert	2 CFR 200 APPENDIX II (E); 40 U.S.C. §§ 3701-3708; supplemented by 29 C.F.R. Part 5

	name of grant recipient or subrecipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section. 4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section. **For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 where an additional contract provision is required, FEMA suggests including the language below.** Suggested Language Further Compliance with the Contract Work Hours and Safety Standards Act. 1. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.	
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.	2 CFR 200 APPENDIX II (F); Funding Agreement; definition found under 37 C.F.R. § 401.2(a).

	This provision does not apply to all FEMA grant and cooperative agreement programs including PA and HMGP as awards under these programs do not meet the definition.	
>$150,000	Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Suggested Language: Clean Air Act The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The contractor agrees to report each violation to the (insert name of non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA. Federal Water Pollution Control Act The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.* The contractor agrees to report each violation to the (insert name of the non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the (insert name of the pass-through entity, if applicable), Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.	2 CFR 200 APPENDIX II (G); 42 U.S.C. §§ 7401-7671q; 33 U.S.C. §§ 1251-1387
>$25,000	Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989	2 CFR 200 APPENDIX II (H); 2 C.F.R. Part 180

	Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified. Suggested Language: Suspension and Debarment This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to (insert name of recipient/subrecipient/applicant), the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.	(implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989)); 2 C.F.R. Part 3000 (Department of Homeland Security regulations for Non-procurement Debarment and Suspension, implementing 2 C.F.R. Part 180).
> $100,000; and Certification required for all contracts greater than $100,000	Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. **If applicable, contractors must sign and submit the following certification to the NFE with each bid or offer exceeding $100,000.** Required Certification: CERTIFICATION REGARDING LOBBYING (APPENDIX A, 44 C.F.R. PART 18)	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303; (citing 31 U.S.C. § 1352); 44 C.F.R. § 18.110
	See 2 CFR §200.323.	2 CFR 200 APPENDIX II (J)
	See 2 CFR §200.216.	2 CFR 200 APPENDIX II (K)
	See 2 CFR §200.322.	2 CFR 200 APPENDIX II (L)

Work involves the use of materials, and the contract is for more than $10,000	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Suggested Language: In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.	2 CFR 200.323; Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962)
>$100,000	*§135.38 Section 3 clause* *All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):* A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement	

	or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.	
	G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 C.F.R. § 200.216, as implemented by FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:	2 CFR 200.216

	(1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See Public Law 115-232, section 889 for additional information. (d) See also § 200.471.	
None	The Federal awarding agency must establish conflict of interest policies for Federal awards. The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.	2 CFR 200.112
None	The Federal awarding agency and the non-Federal entity should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine-readable formats rather than in closed formats or on paper in accordance with applicable legislative requirements. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a web browser or computer system. The Federal awarding agency or pass-through entity must always provide or accept paper versions of Federal award-related information to and from the non-Federal entity upon request. If	2 CFR 200.336

	paper copies are submitted, the Federal awarding agency or pass-through entity must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Suggested Language: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) listed below to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contracting with HUB, small and minority businesses, women's business enterprises, and labor surplus area firms. (a) When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. (b) Such consideration means: (1) These business types are included on solicitation lists; (2) These business types are solicited whenever they are deemed eligible as potential sources; (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types; (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types; (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring a contractor under a Federal award to apply this section to subcontracts.	2 C.F.R. § 200.321(b)(1)-(5)
None	Financial records, supporting documents, statistical records, and all other non- Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds	2 CFR 200.334; and 200.337

	must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation. <u>Suggested Language for All Procurements:</u> a. The Contractor agrees to provide (insert non-federal entity), the Texas Division of Emergency Management (TDEM), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. b. The FIRM agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. c. The CONTRACTOR agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. d. In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the (insert name of the non-federal entity) and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.	
None	CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED. A governmental Corporation may not enter into a governmental contract with a company that	United States Code 19 U.S.C. 2511

	is identified on a list prepared and maintained by the U.S. Department of Treasury under Executive Order 13224.The term "foreign terrorist organization" in this paragraph has the meaning assigned to such a term in Section 8 U.S.C.1189(a)(1) of the United States Code.	
>$100,000	PROVISION REQUIRED IN CONTRACT. (a) This section applies only to a contract that: (1) is between a governmental entity and a company with 10 or more full-time employees; and (2) has a value of $100,000 or more that is to be paid wholly or partly from public funds of the governmental entity. (b) A governmental Corporation may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and will not boycott Israel during the term of the contract.	(Adhere to your State's Local Government Code)
Option Contract Language for contracts awarded prior to Grant Award	The contract award is contingent upon the receipt of federal funds. If no such funds are awarded, the contract shall terminate.	Optional
	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. Suggested Language: The CONTRACTOR shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).	42 U.S.C. 6201
	The Firm agrees that no otherwise qualified individual with disabilities shall, solely by reason of his/her disability, be denied the benefits of, or be subjected to discrimination, including discrimination in employment, under any program or activity receiving federal financial assistance.	Section 504 of the Rehabilitation Act of 1973, as amended.
	Pursuant to the *Violence Against Women Act Reauthorization of 2022*, the Grant Recipient must certify that local policies do not interfere with the residents' Right to Report Crime and Emergencies from One's Home. The certification will confirm that no ordinances, local regulations, or policies adopted by the local government and currently in effect contain any financial or regulatory penalty imposed on property owners or residents as a result of any use of emergency services, or that the Grant Recipient is actively addressing such local regulations.	Pub. L. 117-103, 136 Stat. 49

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor Gulf Coast Electric Co., Inc. certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and Contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all Contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acguisition.qov/far/index.html see section 52.209-6.

The Contractor Gulf Coast Electric Co., Inc. certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)

(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the Contractor agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

CIVIL RIGHTS COMPLIANCE PROVISIONS (CONTINUED)

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS

The following requirements and instructions **supersede** General Requirements where applicable.

1. SUBMISSION OF BID.

Bidder is Responsible for Submitting:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this Specifications Packet , **in its entirety.**

The County requests that bid submissions NOT be bound by staples or glued spines.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Bids must be submitted in complete original form by mail or messenger to the following address:
Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

BID PACKAGING: Bidder shall submit response in a tightly sealed opaque envelope or box, plainly marked "SEALED BID." The outside of the envelope of box shall also include the IFB Number, IFB Name, IFB Due Date, and the Bidder's Name and Address; and shall be addressed to the Purchasing Agent.

All submissions must be received by 11:00 am CT, Wednesday, March 25, 2026.

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

Jefferson County will not accept any responsibility for bids being delivered by third party carriers.

Late bids will not be accepted and will be returned unopened to the Bidder.
Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB.

All bid responses submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

COURTHOUSE SECURITY: All visitors to the Courthouse must pass through Security. Respondents planning to hand deliver proposals must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal. Mondays and Tuesdays are particularly heavy days.

In response to the Covid-19 pandemic, Jefferson County has implemented precautionary measures as currently recommended by the CDC within its facilities. Bidders are strongly urged to plan accordingly.

COUNTY HOLIDAYS (2026):

~~January 1, 2026 (Thursday) - New Year's~~
~~January 19 (Monday) - Martin Luther King, Jr. Day~~
April 3 (Friday) - Good Friday
May 25 (Monday) - Memorial Day
June 19 (Friday) - Juneteenth
July 3 Observed (Friday) - Independence Day
September 7 (Monday) - Labor Day
November 11 (Wednesday) - Veteran's Day
November 26 & 27 (Thursday & Friday) - Thanksgiving
December 24 & 25 (Thursday & Friday) Christmas

Submissions During Time of Inclement Weather, Disaster, or Emergency:

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the IFB closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of Statements of Qualifications will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

2. PRE-BID MEETING AND WALK-THROUGH.

Due to the nature of this Bid, a Pre-Bid Conference will not be held for this project.

3. QUESTIONS/DEADLINE FOR QUESTIONS.

Questions may be emailed to Cindy Greene, Contract Specialist, at: Cynthia.greene@jeffersoncountytx.gov. If no response within 72 hours, email Deborah Clark, Purchasing Agent at: deb.clark@jeffersoncountytx.gov
The Deadline for asking questions or requesting additional information (in writing) is 5:00 pm, CT, **Friday, February 27, 2026.**

4. VENDOR REGISTRATION (System for Award Management).

Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: https://www.sam.gov

In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.
However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

BIDDER: INSERT PROOF OF SYSTEM FOR AWARD MANAGEMENT (SAM) BEHIND THIS PAGE.

5. FORM 1295 (Texas Ethics Commission) SUBMISSSION REQUIREMENT/INSTRUCTIONS FOR BIDDERS.
All Non-Exempt Bidders are required to submit a completed FORM 1295 with bid submission.

1. Submit a FORM 1295 online via the Texas Ethics Commission website link below.
Vendors must enter the required information on Form 1295, and print a copy of the completed form.
The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department **with bid submission.**

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

A sample of a completed FORM 1295 is included on **PAGE 36**.

FORM 1295 Implementation Background:
In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Question: Will the date of birth and address provided appear on the TEC's website when the form is filed?

Answer: No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also Paxton v. City of Dall., No. 03-13-00546-CV, 2015 Tex. App. LEXIS 5228, at *10-11 (App.—Austin May 22, 2015) (mem. op.) (pet. denied) (available here)

FORM 1295 EXEMPTIONS:
What type of contracts are exempt from the Form 1295 filing requirement under the amended law?
The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:
- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

BIDDER: INSERT COMPLETED FORM 1295 BEHIND THIS PAGE.

I declare under penalty of perjury that the foregoing is true and correct.

Executed in Jefferson County, State of Texas, on the 24 day of March (month), 20 26 (year).

Signature of authorized agent of contracting business entity
(Declarant)

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS (CONTINUED)

6. MULTIPLE VENDOR AWARD.

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

7. DELIVERY.

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the Contractor, at the discretion of, and at no additional charge to, Jefferson County.

8. PAYMENT.

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

Invoices shall be submitted to:
Jefferson County Auditing Department
Attention: Accounts Payable
1149 Pearl Street, 7th floor
Beaumont, TX 77701.

9. USAGE REPORTS.

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

10. INSURANCE.

The Contractor (including any and all Subcontractors as defined in Section 11.1.3 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the Contractor. These requirements do not establish limits of the Contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents; a copy of the policy wording or endorsement is required.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured and will provide the actual policy wording or endorsement showing as such.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements:

Public Liability, including Products & Completed Operations	$1,000,000
Excess Liability	$1,000,000

Property Insurance (policy below that is applicable to this project):
Improvements & Betterments Policy: Improvements/Remodeling (for Lease Tenants)
Builder's Risk Policy: Structural Coverage for Construction Projects
Installation Floater Policy: Improvements/Alterations to Existing Structure

Workers' Compensation Statutory Coverage (See Section 9 Below)

11. WORKERS' COMPENSATION INSURANCE

11.1 Definitions:

11.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

11.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the Contractor's/person's work on the project has been completed and accepted by the governmental entity.

11.1.3 **Persons providing services on the project ("Subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the Contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent Contractors, Subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

11.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Contractor providing services on the project, for the duration of the project.

11.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – **refer to Section 10 above**.

11.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

11.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

11.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

11.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

11.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

11.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

11.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

11.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:

11.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.

11.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.

11.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

11.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:

11.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and

11.9.4.2 the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.

11.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.

11.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

11.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs **11.1. – 11.7**., with the certificates of coverage to be provided to the person for whom they are providing services.

11.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the Contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

BIDDER: INSERT COPY OF CERTIFICATE OF INSURANCE (COI) BEHIND THIS PAGE.

Note: For bid purposes, a general COI will suffice. However, a COI that includes the notation that "Jefferson County as an additional insured" will be required from Awarded Bidder(s) prior to the issuance of a Purchase Order.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 3/3/2026

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

SECTION 4: MINIMUM SPECIFICATIONS

The following requirements and specifications supersede General Bid Requirements where applicable. Any questions relating to bid submission or bid item specifications requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at: cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-839-8593 or via email at: deb.clark@jeffersoncountytx.gov. Please reference Bid Number: IFB 26-004/CG.

SCOPE OF PROJECT

Jefferson County is soliciting bids for a generator technician to perform inspections, preventative maintenance and service on generators located in various locations for Jefferson County. Vendor shall provide copy of any applicable license with proposal. Vendor shall perform all electrical and engine work on generators.

TERMS

Individual departments will call to schedule any inspection, preventive maintenance or service for their generator. No work is guaranteed for generators listed in this proposal.

The County reserves the right to change, add, or delete service and/or locations.

Service call agreements will be made on an "as needed" basis. Repair work, other than the initial service call, resulting from this agreement shall not begin without a Notice to Proceed or Purchase Order from the County to the Vendor.

The vendor shall only proceed with repairs after the estimate has been approved by the department requesting the repair and a notice to proceed or purchase order has been issued.

- A "not to exceed" amount and description of work to be completed will be set at the time of the Notice to Proceed or Purchase Order agreed upon by both parties.

Awarded vendor shall furnish all labor, tools, transportation, equipment materials and supplies as required to complete the service request, to provide a working system, complete in all respects. All work shall be in compliance with Federal, State and Local Codes. All equipment or components must be installed in accordance with manufacturer's recommendations.

Vendor shall repair any damage caused by the Vendor and its employees at no cost to the County.

Modification of contract price shall be allowed only on the anniversary date of the contract. Prices throughout the initial one (1) year term shall remain firm/fixed. Written requests for price revisions after the first year shall be submitted in advance to the Jefferson County Purchasing Department. Requests shall be based upon and include documentation of the actual change in cost of components or CPI increases, involved in the contract. Price increase shall not include overhead or profit. The County reserves the right to reject any price increase and/or to terminate the contract.

All hourly cost proposals must be to service the generators listed in the IFB. Any additional costs not included on the Bid Form on page 49 of this IFB will not be allowed. This includes but is not limited to inspection fee, service call charge, mileage charges, fuel surcharges, miscellaneous supply charges.

INSPECTIONS

Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. These inspections shall include the following systems:

1. General Condition of Generator
    - Check generator area for obstructions
    - Wipe off unit
    - Clean oil, coolant, fuel & acid deposits
    - Check housing for leaks or corrosion
2. Starting System & Charging System
    - Visually inspect batteries for damage or leakage
    - Clean batteries with acid neutralizer
    - Clean & tighten all battery cable connections
    - Perform battery load test
    - Inspect battery charger for proper operation, loose terminals and deteriorated wiring
    - Starting motor – inspect electrical connections and wiring.
    - Air starter – inspect oil jar and feeder operation
    - Inspect alternator for proper operation, loose connections and mounting hardware
    - Check belts, pulley and voltage output
3. Engine Cooling System
    - Visually inspect radiator/heat exchanger for leaks, damage and debris
    - Check radiator/heat exchanger louver operation
    - Visually inspect coolant for correct levels and condition of coolant
    - Check coolant conditioner concentration and temperature protection
    - Check filler cap gasket and sealing surface
    - Visually inspect all hoses for deterioration
    - Check tightness of connections
    - Fan Drive Pulley & Fan – check for loose or worn pulleys, lube fan drive bearing
    - Check fan operation and clearance
    - Inspect fan belts for wear and/or deterioration. Check tension and adjust as needed
    - Inspect jacket water heater for proper operation
    - Inspect water pump visually and operationally for leaks and/or unusual noises
4. Engine Fuel System
    - Visually inspect fuel tank for leaks, damage and fuel level
    - Test day tank pump for proper operation
    - Inspect fuel condition for contaminants
    - Drain water from fuel tank of water separator
    - Visually inspect fuel lines for leaks and tightness of connections
    - Check line brackets
    - Inspect governor oil level
    - Inspect controls and linkage for proper operation. Add oil as necessary
    - Inspect fuel filters for damage, leaks and proper operation. Change when necessary
    - Fill Port Info – Special fittings, adapters needed, extra hose length, access to tank and other restrictions that may hamper fueling
5. Air Induction & Exhaust System
    - Air Filter Service Indicator – Note reading. Inspect for proper operation. Reset indicator.
    - Inspect air filter. Clean and/or replace as necessary

- Air Inlet System – Inspect piping and air filter housing for damage, loose connections and evidence of leaks
- Clean air filter housing if air filter is cleaned and replaced. Check housing seals and gaskets
- Inspect turbocharger for oil leakage or exhaust leakage. Check for unusual noises and proper operation
- Inspect exhaust manifold for damage, loose or missing hardware, and evidence of exhaust leakage and wet-stacking. Load bank recommendation if necessary
- Exhaust System – Inspect silencer and piping for damage, corrosion or leakage. Check rain cap
- Check supports for vibration damage and loose connections

6. Lube Oil System
    - Visually inspect for correct oil level and add when necessary, inspect for leaks
    - Note oil pressure
    - Operational and visual inspection of prelube pump
    - Inspect crankcase breather for proper operation. Check connections and inspect hose for deterioration. Note and report excessive blow by
7. Engine Monitors & Safety Controls (All PM Levels)
    - Check safety controls for loose connections and wiring deterioration
    - Check for proper operation of all safety controls and alarms
    - Remote Annunciator and Alarm – Inspect all panels and system alarms for proper functions
8. Ignition System (All PM Levels)
    - Check spark plug condition and electrode gap
    - Check spark plug wires for condition and connections for corrosion
    - Check ignition coils condition and connections for corrosion
9. Control Panels (All PM Levels)
    - Voltmeter – Operational check for correct reading. Check voltage level
    - Frequency Meter – Operational check for correct reading
    - Check alarm history
10. Generator Rear Bearings & Vibration Isolators
    - Lubricate generator rear bearing if applicable
    - Check vibration isolators for proper adjustment and condition
11. Transfer Switch (All PM Levels)
    - Check for leaks/corrosion on cabinets
    - Verify connections are tight on lugs
    - Check voltage across contacts
    - Lube as necessary
    - Verify exercise program
    - Functional test of unit
    - Verify time delays
    - Check for hot spots

Upon completion of the inspection, the vendor will ensure the generator is put back into stand-by mode.

Vendor will provide an inspection report within 15 days of the inspection to the department requesting the inspection that details the following:

1. Record of all findings of the inspections.
2. Record of any unsafe conditions.
3. Record of any corrective action taken.
4. Report recommendations for replacement of minor and major components.

PREVENTATIVE MAINTENANCE

Vendor will provide preventative maintenance for each generator upon the request of each department for Jefferson County as needed to maintain the proper functioning of the generators. This includes, but not limited to oil and filter changes.

Vendor will provide a report of all preventative maintenance performed on the generator to the department requesting the maintenance. Upon completion of preventative maintenance, the vendor will ensure the generator is put back into stand-by mode.

SERVICE CALLS

Vendor will provide service for generators when the generator is not functioning properly upon the request of each department or the Purchasing Department. Vendor will get approval from each department before replacing or ordering any parts for repair. Upon completion of service call, vendor will ensure the generator is put back into stand-by mode. This service will include calls 24 hours a day, 7 days a week. Vendor will also provide service during any man-made or natural disaster/emergency. Service calls in this agreement are made on an "as needed" basis as no repair work shall result from this agreement, other than the initial service call, without a written Notice to Proceed or Purchase Order from the County to the Vendor. A "not to exceed" amount and description of work to be completed will be set in the Notice to Proceed or Purchase Order agreed upon by both parties.

1. Non-Emergency Call-Out – Verbally respond to requests for non-emergency service to any generator within four (4) hours and be on site to perform repairs within forty-eight (48) hours after being contacted.
2. Emergency Call-Out – Verbally respond to requests for emergency service to any generator within one (1) hour and be on site to perform repairs within three (3) hours after being contacted.

GENERATOR LIST

This is the list of current generators located throughout Jefferson County that will need to be serviced and inspected. Generators may be added or removed upon the discretion of Jefferson County.

Correction: The last paragraph on page 43 incorrectly references the Bid Form as being on page 49. The Bid form is found on page 51 of the specifications.

Vendor Questions:

1. **Question:** Do you require any load bank testing to be quoted for the yearly service?
   Answer: Under Section 4: Minimum Specifications, Inspections (pg 44) it notes that Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. The inspection requirements are outlined.

2. **Question:** Are there any units that are located on roofs or not accessible to pull up a truck within 50 feet?
   Answer: All generators are accessible to pull a truck within 50 feet. There are no generators on roofs. The Sabine Pass generator is on a stand-alone platform 10' off the ground with built in stairs. You can drive right up to it.

3. **Question:** Are you requiring ATS Services once or twice per year?
   Answer: See question and answer #1.

4. **Question:** Does each generator have 1 ATS switch or do some units have multiple?
   Answer: Most units have one ATS switch, a few units have 2 ATS switches.

5. **Question:** Can you please also clarify if a bid bond is needed for submission of bid?
   Answer: A bid bond is not required.

As permitted under Article 4413 (32c) V.A.C.S., other governmental entities may wish to participate under the same terms and conditions contained in this contract (i.e., piggyback). In the event any other entity participates, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. Jefferson County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by another entity. Each entity reserves the right to determine their participation in this contract.

Would Bidder be willing to allow other governmental entities to piggyback off this contract, if awarded, under the same terms and conditions? .....**Yes** ☑ **No** ☐

This bid shall remain in effect for ninety (90) days from bid opening and shall be exclusive of federal excise and state and local sales tax (exempt).

The undersigned agrees, if this bid is accepted, to furnish any and all items upon which prices are offered, at the price and upon the terms and conditions contained in the Invitation for Bid, Conditions of Bidding, Terms of Contract, and Specifications and all other items made a part of the accepted contract.

The undersigned affirms that they are duly authorized to execute the contract, that this company, corporation, firm, partnership or individual has not prepared this bid in collusion with any other Bidder, and that the contents of this bid as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any other Bidder or to any other person(s) engaged in this type of business prior to the official opening of this bid. And further, that neither the Bidder nor their employees nor agents have been for the past six (6) months directly nor indirectly concerned in any pool or agreement or combination to control the price of goods or services on, nor to influence any person to bid or not to bid thereon.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY

Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**

Gulf Coast Electric Co., Inc.

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information in this section is being disclosed.**

N/a

Name of Officer

This section (item 3 including subparts A, B, C, & D) must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes ☐ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☐ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more?

☐ Yes ☐ No

D. Describe each employment or business and family relationship with the local government officer named in this section.

THIS FORM IS FOR OFFICE USE ONLY

GOOD FAITH EFFORT (GFE) DETERMINATION CHECKLIST

Bidder intends to utilize Subcontractors/Subconsultants in the fulfillment of this contract (if awarded).
☐ Yes ☑ No

Instructions: In order to determine if a "Good Faith Effort" was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/ Consultant's bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .?

☐ Yes	☑ No	1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?
☐ Yes	☑ No	2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?
☐ Yes	☑ No	3. **Provide** HUBs that were genuinely interested in bidding on a Subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant's organization)?
☐ Yes	☑ No	4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive Bidders?
☐ Yes	☑ No	5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?
☐ Yes	☐ No	6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.** All work to be self-performed

If "No" was selected, please explain and include any pertinent documentation with your bid.
If necessary, please use a separate sheet to answer the above questions.

Bidder: Please complete this form and include with bid submission.

HOUSE BILL 89 VERIFICATION

I, Kevin J. Picard, the undersigned representative of (company or business name) Gulf Coast Electric Co., Inc. (heretofore referred to as company) being an adult over the age of eighteen (18) years of age, after being duly sworn by the undersigned notary, do hereby depose and verify under oath that the company named above, under the provisions of Subtitle F, Title 10, Government Code Chapter 2270:

1. Does not boycott Israel currently; and
2. Will not boycott Israel during the term of the contract.

Pursuant to Section 2270.002, Texas Government Code:

1. "**Boycott Israel**" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made ordinary business purposes; and

2. "**Company**" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or an limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business association that exist to make a profit.

Correction: The last paragraph on page 43 incorrectly references the Bid Form as being on page 49. The Bid form is found on page 51 of the specifications.

Vendor Questions:

1. **Question:** Do you require any load bank testing to be quoted for the yearly service?
   Answer: Under Section 4: Minimum Specifications, Inspections (pg 44) it notes that Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. The inspection requirements are outlined.

2. **Question:** Are there any units that are located on roofs or not accessible to pull up a truck within 50 feet?
   Answer: All generators are accessible to pull a truck within 50 feet. There are no generators on roofs. The Sabine Pass generator is on a stand-alone platform 10' off the ground with built in stairs. You can drive right up to it.

3. **Question:** Are you requiring ATS Services once or twice per year?
   Answer: See question and answer #1.

4. **Question:** Does each generator have 1 ATS switch or do some units have multiple?
   Answer: Most units have one ATS switch, a few units have 2 ATS switches.

5. **Question:** Can you please also clarify if a bid bond is needed for submission of bid?
   Answer: A bid bond is not required.

BID SUBMISSIONS:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this specifications packet, in its entirety.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

SECTION 1: GENERAL CONDITIONS OF BIDDING AND TERMS OF CONTRACT

By execution of this document, the Vendor accepts all general and special conditions of the contract as outlined below and, in the specifications, and plans.

1. BIDDING.

1.1 BIDS.
All bids must be submitted on the bid form furnished in this package.

1.2 AUTHORIZED SIGNATURES.
The bid must be executed personally by the Vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the Vendor shall accompany the bid to become a valid bid.

1.3 LATE BIDS.
Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

1.4 WITHDRAWAL OF BID PRIOR TO OPENING.
A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the Bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 WITHDRAWAL OF BID AFTER OPENING.
Bidder agrees that its offer may not be withdrawn or cancelled by the Vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 BID AMOUNTS.
Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 EXCEPTIONS AND/OR SUBSTITUTIONS.
All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a Bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the Vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 ALTERNATES.
The Invitation for Bid and/or specifications may expressly allow Bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 DESCRIPTIONS.

Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 BID ALTERATIONS.

Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 TAX EXEMPT STATUS.

Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 QUANTITIES.

Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 BID AWARD.

Award of contract shall be made to the most responsible, responsive Bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended.

Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 SILENCE OF SPECIFICATIONS FOR COMPLETE UNITS.

All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 ADDENDA.

Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 GENERAL BID BOND/SURETY REQUIREMENTS.

Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 GENERAL INSURANCE REQUIREMENTS.

Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 RESPONSIVENESS.

A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid

price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 RESPONSIBLE STANDING OF BIDDER.

To be considered for award, Bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 CONFIDENTIAL/PROPRIETARY INFORMATION.

If any material in the bid submission is considered by Bidder to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Bidder), Bidder **must** clearly mark the applicable pages of bid submission to indicate each claim of confidentiality. Additionally, Bidder must include a statement on company letterhead identifying all Bid Submission section(s) and page(s) that have been marked as confidential. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire bid submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire bid submission subject to release under the Texas Public Information Act.

By submitting a bid, Bidder agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Bidder's bid submission or other information submitted by Bidder.

1.21 PUBLIC BID OPENING.

Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. PERFORMANCE.

2.1 DESIGN, STRENGTH, AND QUALITY.

Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 AGE AND MANUFACTURE.

All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 DELIVERY LOCATION.

All deliveries will be made to the address(es) specified on the purchase order during normal office working hours of 8:00 am CT to 4:00 pm CT, Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 DELIVERY SCHEDULE.

Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

2.5 DELIVERY CHARGES.

All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 INSTALLATION CHARGES.

All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 OPERATING INSTRUCTIONS AND TRAINING.

Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 STORAGE.

Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 COMPLIANCE WITH FEDERAL, STATE, COUNTY, AND LOCAL LAWS.

Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The Contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA.

The Bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful Bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful Bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 PATENTS AND COPYRIGHTS.

The successful Vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 SAMPLES, DEMONSTRATIONS, AND TESTING.

At Jefferson County's request and direction, Bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the Bidder/Vendor.

2.13 ACCEPTABILITY.

All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 MAINTENANCE.

Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 MATERIAL SAFETY DATA SHEETS.

Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a Bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the Bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 EVALUATION.

Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves to right to contact any Bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. PURCHASE ORDERS AND PAYMENT.

3.1 PURCHASE ORDERS.

A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 INVOICES.

All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 PROMPT PAYMENT.

In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful Bidder(s) is required to pay Subcontractors within ten (10) days after the successful Bidder receives payment from the County.

3.4 FUNDING.

Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. CONTRACT.

4.1 CONTRACT DEFINITION.

The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful Bidder and Jefferson County.

4.2 CHANGE ORDER.

No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of

Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

4.3 PRICE RE-DETERIMINATION.

A price re-determination may be requested at the time of annual renewal. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The Bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.4 TERMINATION.

Jefferson County reserves the right to terminate the contract for default if the Bidder breached any of the terms therein, including warranties of Bidder or if the Bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest Bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the Bidder in default.

4.5 CONFLICT OF INTEREST.

Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or Subcontractor who does business with the County without disclosure. When conflict of interest is discovered, it shall be grounds for termination of contract.

4.6 INTEREST BY PUBLIC OFFICIALS.

No public official shall have interest in this contract, in accordance with Texas Local Government Code.

4.7 PRE-AWARD/CONTRACT CONTACT BETWEEN COUNTY AND VENDORS.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions may not be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer.

Vendors shall not contact any Jefferson County personnel during the IFB process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.

All correspondence relating to this IFB, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this IFB shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee. Proposals, vendor presentations, and product/service evaluations may develop into negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct negotiations with vendor

representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

4.8 INJURIES OR DAMAGES RESULTING FROM NEGLIGENCE.

Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, Subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

4.9 WARRANTY.

The successful vendor shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 UNIFORM COMMERCIAL CODE.

The successful vendor and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.

4.11 VENUE.

This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 SALE, ASSIGNMENT, OR TRANSFER OF CONTRACT.

The successful vendor shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.13 SILENCE OF SPECIFICATIONS.

The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

5. REJECTION OR WITHDRAWAL.

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within **90** days after opening date.

6. EMERGENCY/DECLARED DISASTER REQUIREMENTS.

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's

supplier(s).

Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

7. AWARD.

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected.

Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial non-conformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment.

In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not a awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

8. CONTRACT.

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

9. WAIVER OF SUBROGATION.

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

10. FISCAL FUNDING.

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

11. BID RESULTS.

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page at https://jeffersoncountytx.gov/Purchasing/ as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

12. CHANGES AND ADDENDA TO BID DOCUMENTS.

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

13. SPECIFICATIONS.

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid.

Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

14. DELIVERY.

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder (in writing on the included Bid Form), prices bid will be considered as being based on F.O.B. destination/delivered freight included.

15. INTERPRETATION OF BID AN/OR CONTRACT DOCUMENTS.

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

16. CURRENCY.

Prices calculated by the bidder shall be stated in U.S. dollars.

17. PRICING.

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

18. NOTICE TO PROCEED/PURCHASE ORDER.

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent.

19. CERTIFICATION.

By signing the offer section of the Offer and Acceptance page, Bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The Bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The Bidder hereby certifies that the individual signing the bid is an authorized agent for the Bidder and has the authority to bind the Bidder to the contract.

20. DEFINITIONS.

"County" – Jefferson County, Texas.
"Contractor" – The Bidder whose proposal is accepted by Jefferson County.

21. SMALL, MINORITY & WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of Jefferson County to increase the participation of Small, Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

SECTION 2: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) MANDATED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY UNDER FEDERAL AWARDS REQUIRED BY 2 C.F.R. §200.327 APPENDIX II TO 2 CFR §200

2 CFR 200.327 Contract provisions. The non-Federal entity's contracts should contain applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable. *Language as of January 3, 2025.

THRESHOLD	PROVISION	CITATION
>$250,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Although not required for contract at or below the SAT, FEMA suggests including a remedies provision. The NFE should consult their servicing legal counsel to determine whether and how remedies for breach of contract are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. FEMA suggests including a termination for cause and for convenience in all contracts even when not required. The NFE should consult their servicing legal counsel to determine whether and how termination provisions are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (B)
None	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any	2 CFR 200 APPENDIX II (C) and 41 CFR §60-1.4(b)

Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause:

During the performance of this contract, the contractor agrees as follows:

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through
(8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

	The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.	
>$2,000	Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. **FEMA PA and HMGP do not require these clauses unless it is a requirement for matching funds by another federal program legislation such as CDBG-DR.** When required, prime construction contracts over $2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. If applicable per the standard described above, the NFE must include the provisions at 29 C.F.R. § 5.5(a)(1)-(10) in full into all applicable contracts, and all applicable contractors must include these provisions in full in any subcontracts.	2 CFR 200 APPENDIX II (D); 40 U.S.C. §§ 3141-3144 and 3146-3148; supplemented by 29 C.F.R. Part 5; 40 U.S.C. § 3145; supplemented by 29 C.F.R. Part 3

	In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback" Act. Sample contract clauses are provided in the FEMA Contract Provisions Guide.	
> $100,000+ Mechanics or Laborers	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. **Applicability** **This required contract provision applies to all procurements over $100,000 that involve the employment of mechanics, laborers, and construction work. These requirements *do not* apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.** Required Language Compliance with the Contract Work Hours and Safety Standards Act. 1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek. 2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section. 3. *Withholding for unpaid wages and liquidated damages.* The (insert	2 CFR 200 APPENDIX II (E); 40 U.S.C. §§ 3701-3708; supplemented by 29 C.F.R. Part 5

	name of grant recipient or subrecipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section. 4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section. **For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 where an additional contract provision is required, FEMA suggests including the language below.** Suggested Language Further Compliance with the Contract Work Hours and Safety Standards Act. 1. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.	
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.	2 CFR 200 APPENDIX II (F); Funding Agreement; definition found under 37 C.F.R. § 401.2(a).

	This provision does not apply to all FEMA grant and cooperative agreement programs including PA and HMGP as awards under these programs do not meet the definition.	
>$150,000	Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Suggested Language: Clean Air Act The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The contractor agrees to report each violation to the (insert name of non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA. Federal Water Pollution Control Act The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.* The contractor agrees to report each violation to the (insert name of the non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the (insert name of the pass-through entity, if applicable), Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.	2 CFR 200 APPENDIX II (G); 42 U.S.C. §§ 7401-7671q; 33 U.S.C. §§ 1251-1387
>$25,000	Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989	2 CFR 200 APPENDIX II (H); 2 C.F.R. Part 180

	Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified. Suggested Language: Suspension and Debarment This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, in addition to remedies available to (insert name of recipient/subrecipient/applicant), the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.	(implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989)); 2 C.F.R. Part 3000 (Department of Homeland Security regulations for Non-procurement Debarment and Suspension, implementing 2 C.F.R. Part 180).
> $100,000; and Certification required for all contracts greater than $100,000	Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. **If applicable, contractors must sign and submit the following certification to the NFE with each bid or offer exceeding $100,000.** Required Certification: CERTIFICATION REGARDING LOBBYING (APPENDIX A, 44 C.F.R. PART 18)	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303; (citing 31 U.S.C. § 1352); 44 C.F.R. § 18.110
	See 2 CFR §200.323.	2 CFR 200 APPENDIX II (J)
	See 2 CFR §200.216.	2 CFR 200 APPENDIX II (K)
	See 2 CFR §200.322.	2 CFR 200 APPENDIX II (L)

Work involves the use of materials, and the contract is for more than $10,000	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Suggested Language: In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.	2 CFR 200.323; Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962)
>$100,000	*§135.38 Section 3 clause* *All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):* A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement	

	or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts. G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 C.F.R. § 200.216, as implemented by FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to:	2 CFR 200.216

	(1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See Public Law 115-232, section 889 for additional information. (d) See also § 200.471.	
None	The Federal awarding agency must establish conflict of interest policies for Federal awards. The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.	2 CFR 200.112
None	The Federal awarding agency and the non-Federal entity should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine-readable formats rather than in closed formats or on paper in accordance with applicable legislative requirements. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a web browser or computer system. The Federal awarding agency or pass-through entity must always provide or accept paper versions of Federal award-related information to and from the non-Federal entity upon request. If	2 CFR 200.336

	paper copies are submitted, the Federal awarding agency or pass-through entity must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Suggested Language: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) listed below to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contracting with HUB, small and minority businesses, women's business enterprises, and labor surplus area firms. (a) When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. (b) Such consideration means: (1) These business types are included on solicitation lists; (2) These business types are solicited whenever they are deemed eligible as potential sources; (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types; (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types; (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring a contractor under a Federal award to apply this section to subcontracts.	2 C.F.R. § 200.321(b)(1)-(5)
None	Financial records, supporting documents, statistical records, and all other non- Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds	2 CFR 200.334; and 200.337

	must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation. Suggested Language for All Procurements: a. The Contractor agrees to provide (insert non-federal entity), the Texas Division of Emergency Management (TDEM), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. b. The FIRM agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. c. The CONTRACTOR agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. d. In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the (insert name of the non-federal entity) and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.	
None	CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED. A governmental Corporation may not enter into a governmental contract with a company that	United States Code 19 U.S.C. 2511

	is identified on a list prepared and maintained by the U.S. Department of Treasury under Executive Order 13224.The term "foreign terrorist organization" in this paragraph has the meaning assigned to such a term in Section 8 U.S.C.1189(a)(1) of the United States Code.	
>$100,000	PROVISION REQUIRED IN CONTRACT. (a) This section applies only to a contract that: (1) is between a governmental entity and a company with 10 or more full-time employees; and (2) has a value of $100,000 or more that is to be paid wholly or partly from public funds of the governmental entity. (b) A governmental Corporation may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and will not boycott Israel during the term of the contract.	(Adhere to your State's Local Government Code)
Option Contract Language for contracts awarded prior to Grant Award	The contract award is contingent upon the receipt of federal funds. If no such funds are awarded, the contract shall terminate.	Optional
	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. Suggested Language: The CONTRACTOR shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).	42 U.S.C. 6201
	The Firm agrees that no otherwise qualified individual with disabilities shall, solely by reason of his/her disability, be denied the benefits of, or be subjected to discrimination, including discrimination in employment, under any program or activity receiving federal financial assistance.	Section 504 of the Rehabilitation Act of 1973, as amended.
	Pursuant to the *Violence Against Women Act Reauthorization of 2022*, the Grant Recipient must certify that local policies do not interfere with the residents' Right to Report Crime and Emergencies from One's Home. The certification will confirm that no ordinances, local regulations, or policies adopted by the local government and currently in effect contain any financial or regulatory penalty imposed on property owners or residents as a result of any use of emergency services, or that the Grant Recipient is actively addressing such local regulations.	Pub. L. 117-103, 136 Stat. 49

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor Johnker Inc DBA Emergency Power Service certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C.Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and Contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all Contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid. Information on debarment is available at the following websites: www.sam.gov and https://acguisition.qov/far/index.html see section 52.209-6.

The Contractor Johnker Inc. DBA Emergency Power Service certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)

(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the Contractor agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

CIVIL RIGHTS COMPLIANCE PROVISIONS (CONTINUED)

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

REQUIRED FORM
Bidder: Please complete this form and include with bid submission.

SECTION 3: SPECIAL REQUIREMENTS/BID SUBMISSION INSTRUCTIONS

The following requirements and instructions **supersede** General Requirements where applicable.

1. SUBMISSION OF BID.

Bidder is Responsible for Submitting:

One (1) Original and one (1) Bid Copies; with all copies to include a Completed Copy of this Specifications Packet , **in its entirety.**

The County requests that bid submissions NOT be bound by staples or glued spines.

Each Bidder shall ensure that required parts of their bid submission are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Additionally, Bidder shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or bid updates. https://jeffersoncountytx.gov/Purchasing/

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Bids must be submitted in complete original form by mail or messenger to the following address:
Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

BID PACKAGING: Bidder shall submit response in a tightly sealed opaque envelope or box, plainly marked "SEALED BID." The outside of the envelope of box shall also include the IFB Number, IFB Name, IFB Due Date, and the Bidder's Name and Address; and shall be addressed to the Purchasing Agent.

All submissions must be received by 11:00 am CT, Wednesday, March 25, 2026.

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

Jefferson County will not accept any responsibility for bids being delivered by third party carriers.

Late bids will not be accepted and will be returned unopened to the Bidder.
Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB.

All bid responses submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

COURTHOUSE SECURITY: All visitors to the Courthouse must pass through Security. Respondents planning to hand deliver proposals must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal. Mondays and Tuesdays are particularly heavy days.

In response to the Covid-19 pandemic, Jefferson County has implemented precautionary measures as currently recommended by the CDC within its facilities. Bidders are strongly urged to plan accordingly.

COUNTY HOLIDAYS (2026):

~~January 1, 2026 (Thursday) - New Year's~~
~~January 19 (Monday) - Martin Luther King, Jr. Day~~
April 3 (Friday) - Good Friday
May 25 (Monday) - Memorial Day
June 19 (Friday) - Juneteenth
July 3 Observed (Friday) - Independence Day
September 7 (Monday) - Labor Day
November 11 (Wednesday) - Veteran's Day
November 26 & 27 (Thursday & Friday) - Thanksgiving
December 24 & 25 (Thursday & Friday) Christmas

Submissions During Time of Inclement Weather, Disaster, or Emergency:

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the IFB closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of Statements of Qualifications will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

2. PRE-BID MEETING AND WALK-THROUGH.

Due to the nature of this Bid, a Pre-Bid Conference will not be held for this project.

3. QUESTIONS/DEADLINE FOR QUESTIONS.

Questions may be emailed to Cindy Greene, Contract Specialist, at: Cynthia.greene@jeffersoncountytx.gov. If no response within 72 hours, email Deborah Clark, Purchasing Agent at: deb.clark@jeffersoncountytx.gov
The Deadline for asking questions or requesting additional information (in writing) is 5:00 pm, CT, **Friday, February 27, 2026.**

4. VENDOR REGISTRATION (System for Award Management).

Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: https://www.sam.gov

In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.
However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

BIDDER: INSERT PROOF OF SYSTEM FOR AWARD MANAGEMENT (SAM) BEHIND THIS PAGE.

5. FORM 1295 (Texas Ethics Commission) SUBMISSSION REQUIREMENT/INSTRUCTIONS FOR BIDDERS.
All Non-Exempt Bidders are required to submit a completed FORM 1295 with bid submission.

1. Submit a FORM 1295 online via the Texas Ethics Commission website link below.
Vendors must enter the required information on Form 1295, and print a copy of the completed form.
The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department **with bid submission.**

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

A sample of a completed FORM 1295 is included on **PAGE 36.**

FORM 1295 Implementation Background:
In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Question: Will the date of birth and address provided appear on the TEC's website when the form is filed?

Answer: No. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application. Although the TEC does not capture the date of birth and street address of the signatory, the contracting state agency or governmental agency will have a physical copy of the form that includes the date of birth and address of the signatory. The TEC cannot answer whether the contracting state agency or governmental agency may release such information. Questions regarding the Texas Public Information Act may be directed to the Office of the Attorney General. See also Paxton v. City of Dall., No. 03-13-00546-CV, 2015 Tex. App. LEXIS 5228, at *10-11 (App.—Austin May 22, 2015) (mem. op.) (pet. denied) (available here)

FORM 1295 EXEMPTIONS:
What type of contracts are exempt from the Form 1295 filing requirement under the amended law?
The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:
- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

BIDDER: INSERT COMPLETED FORM 1295 BEHIND THIS PAGE.

6. MULTIPLE VENDOR AWARD.

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

7. DELIVERY.

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the Contractor, at the discretion of, and at no additional charge to, Jefferson County.

8. PAYMENT.

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

Invoices shall be submitted to:
Jefferson County Auditing Department
Attention: Accounts Payable
1149 Pearl Street, 7th floor
Beaumont, TX 77701.

9. USAGE REPORTS.

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

10. INSURANCE.

The Contractor (including any and all Subcontractors as defined in Section 11.1.3 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the Contractor. These requirements do not establish limits of the Contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents; a copy of the policy wording or endorsement is required.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured and will provide the actual policy wording or endorsement showing as such.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements:

Public Liability, including Products & Completed Operations	$1,000,000
Excess Liability	$1,000,000

Property Insurance (policy below that is applicable to this project):
Improvements & Betterments Policy: Improvements/Remodeling (for Lease Tenants)
Builder's Risk Policy: Structural Coverage for Construction Projects
Installation Floater Policy: Improvements/Alterations to Existing Structure

Workers' Compensation Statutory Coverage (See Section 9 Below)

11. WORKERS' COMPENSATION INSURANCE

11.1 Definitions:

11.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

11.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the Contractor's/person's work on the project has been completed and accepted by the governmental entity.

11.1.3 **Persons providing services on the project ("Subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the Contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the Contractor and regardless of whether that person has employees. This includes, without limitation, independent Contractors, Subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

11.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Contractor providing services on the project, for the duration of the project.

11.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – **refer to Section 10 above**.

11.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

11.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

11.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

11.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

11.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

11.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

11.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

11.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:

11.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.

11.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.

11.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

11.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:

11.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and

11.9.4.2 the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.

11.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.

11.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

11.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs **11.1. – 11.7**., with the certificates of coverage to be provided to the person for whom they are providing services.

11.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the Contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the Contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

11.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

BIDDER: INSERT COPY OF CERTIFICATE OF INSURANCE (COI) BEHIND THIS PAGE.

Note: For bid purposes, a general COI will suffice. However, a COI that includes the notation that "Jefferson County as an additional insured" will be required from Awarded Bidder(s) prior to the issuance of a Purchase Order.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY) 11/21/2025

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

IMPORTANT: If the certificate holder is an ADDITIONAL INSURED, the policy(ies) must have ADDITIONAL INSURED provisions or be endorsed. If SUBROGATION IS WAIVED, subject to the terms and conditions of the policy, certain policies may require an endorsement. A statement on this certificate does not confer rights to the certificate holder in lieu of such endorsement(s).

4. **Additional Insured - Owners, Lessees or Contractors - Automatic Status When Required In Construction or Service Agreement With You**

   Each of the following is an insured:

   a. Any person or organization for whom you are performing operations when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy;

   b. Any other person or organization you are required to add as an additional insured under the contract or agreement described in Paragraph **a.** above.

   Such person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" which may be imputed to that person or organization directly arising out of:

   (1) Your acts or omissions, or the acts or omissions of those acting on your behalf in the performance of your ongoing operations for the additional insured; or

   (2) "Your work" specified in the "written contract" but only for "bodily injury", "property damage" or "personal and advertising injury" included in the "products-completed operations hazard";

   However, the insurance afforded to such additional insureds described in Paragraphs **a.** and **b.** above, only applies to the extent permitted by law and will not be broader than that which you are required by the contract or agreement to provide for such additional insureds.

   c. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

   This insurance does not apply to:

   (1) "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:

   (a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

   (b) Supervisory, inspection, architectural or engineering activities.

   This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

   d. With respect to the insurance afforded to these additional insureds, the following is added to **Section III - Limits of Insurance:**

   The most we will pay on behalf of the additional insured is the amount of insurance:

   (1) Required by the contract or agreement you have entered into with the additional insured; or

   (2) Available under the applicable Limits of Insurance;

   whichever is less.

   This coverage shall not increase the applicable Limits of Insurance.

5. **Additional Insured - Lessor of Leased Equipment - Automatic Status When Required In Lease Agreement With You**

   Each of the following is an insured:

   a. Any person(s) or organization(s) from whom you lease equipment when you and such person(s) or organization(s) have agreed in writing in a contract or agreement that such person(s) or organization(s) be added as an additional insured on your policy. Such person(s) or organization(s) is an insured only with respect to your liability for "bodily injury", "property damage" or "personal and advertising injury" directly arising out of the maintenance, operation or use of equipment leased to you by such person(s) or organization(s).

However:

(1) The insurance afforded to such additional insured only applies to the extent permitted by law; and

(2) If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

b. With respect to the insurance afforded to these additional insureds, this insurance does not apply to any "occurrence" which takes place after the equipment lease expires.

c. With respect to the insurance afforded to these additional insureds, the following is added to **Section III - Limits of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

(1) Required by the contract or agreement; or

(2) Available under the applicable Limits of Insurance;

whichever is less.

This coverage shall not increase the applicable Limits of Insurance.

6. Additional Insured - Managers or Lessors of Premises

Each of the following is an insured:

a. Any person(s) or organization(s), but only with respect to liability arising out of the ownership, maintenance or use of that part of the premises leased to you and subject to the following additional exclusions:

This insurance does not apply to:

(1) Any "occurrence" which takes place after you cease to be a tenant in that premises.

(2) Structural alterations, new construction or demolition operations performed by or on behalf of such person(s) or organization(s).

However:

(1) The insurance afforded to such additional insured only applies to the extent permitted by law; and

(2) If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

b. With respect to the insurance afforded to these additional insureds, the following is added to **Section III-Limits of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

(1) Required by the contract or agreement; or

(2) Available under the applicable Limits of Insurance;

whichever is less.

This coverage shall not increase the applicable Limits of Insurance.

7. Additional Insured - Engineers, Architects or Surveyors Not Engaged by the Named Insured

Each of the following is an insured:

a. Any architects, engineers or surveyors who are not engaged by you are insureds, but only with respect to liability for "bodily injury" or "property damage" or "personal and advertising injury" which may be imputed to that architect, engineer or surveyor arising out of:

(1) Your acts or omissions; or

(2) The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations performed by you or on your behalf.

Such architects, engineers or surveyors, while not engaged by you, are contractually required to be added as an additional insured to your policy.

However, the insurance afforded to such additional insured:

(1) Only applies to the extent permitted by law; and

(2) Will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

b. With respect to the insurance afforded to these additional insureds, the following additional exclusion applies:

The insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of or the failure to render any professional services, including:

(1) The preparing, approving, or failing to prepare or approve, maps, drawings, opinions, reports, surveys, change orders, designs or specifications; or

(2) Supervisory, inspection or engineering services.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional services.

SECTION III - LIMITS OF INSURANCE

A. Paragraphs **2., 3.,** and **6.** of **SECTION III - LIMITS OF INSURANCE** are replaced by the following:

2. The General Aggregate Limit is the most we will pay for the sum of:

a. Medical expenses under **Coverage C**;

b. Damages under **Coverage A,** except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and

c. Damages under **Coverage B**; and

d. Damages under **Coverage G.**

e. Damages under **Coverage H.**

3. The Products-Completed Operations Aggregate Limit is the most we will pay under **Coverage A** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard" and **Coverage F.**

6. Subject to Paragraph **5.** above, the Damage To Premises Rented To You Limit is the most we will pay under **Coverage A** for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, explosion, lightning, or smoke resulting from such fire, explosion, or lightning, or sprinkler leakage while rented to you or temporarily occupied by you with permission of the owner.

B. The following are added to **SECTION III - LIMITS OF INSURANCE:**

8. Aggregate Limits of Insurance (Per Location)

The General Aggregate Limit applies separately to each of your "locations" owned by or rented to you or temporarily occupied by you with the permission of the owner.

"Location" means premises involving the same or connecting lots, or premises whose connection is interrupted only by a street, roadway, waterway or right-of-way of a railroad.

9. Aggregate Limits of Insurance (Per Project)

The General Aggregate Limit applies separately to each of your "construction projects" away from premises owned by or rented to you.

"Construction Project" means "your work" conducted according to a single plan.

10. Even though the General Aggregate Limit applies separately to each of your "locations" and each of your "construction projects", the most we will pay under this policy is three times the General Aggregate Limit regardless of the number of "locations", "construction projects", "occurrences", "insureds", claims, "suits", or persons or organizations making claims or bringing "suits".

SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS

A. The following is added to Paragraph **4. Other Insurance:**

Primary And Noncontributory Insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured under your policy provided that:

(1) The additional insured is a Named Insured under such other insurance; and

(2) You have agreed in writing in a contract or agreement that this insurance would be primary and would not seek contribution from any other insurance available to the additional insured.

B. Paragraphs **2.a.** and **b.** are replaced with the following:

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. Knowledge of an "occurrence" by your agent, servant or employee shall not in itself constitute knowledge of the Named Insured unless an officer of the Named Insured has received such notice from the agent, servant or employee. To the extent possible, notice should include:

(1) How, when and where the "occurrence" took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. If a claim is made or "suit" is brought against any insured, you must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable. Knowledge of a claim or "suit" by your agent, servant or employee shall not in itself constitute knowledge of the Named Insured unless an officer of the Named Insured has received such notice from the agent, servant or employee.

C. The following is added to Paragraph **2.c.**:

2. Duties In The Event Of Occurrence, Offense, Claim or Suit

c. You and any other involved insured must:

(5) Upon our request, replace or repair the property covered under **Coverage D - Voluntary Property Damage** at your actual cost, excluding profit or overhead.

D. Paragraph **8.** is modified by adding the following sentence:

8. Transfer Of Rights Of Recovery Against Others To Us

We waive our right to recovery against any person or organization for whom the insured is operating under a written contract when such contract requires a waiver of subrogation, and such contract is executed before the "property damage" or "bodily injury" occurs or the "personal and advertising" offense is committed.

SECTION 4: MINIMUM SPECIFICATIONS

The following requirements and specifications supersede General Bid Requirements where applicable. Any questions relating to bid submission or bid item specifications requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at: cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-839-8593 or via email at: deb.clark@jeffersoncountytx.gov. Please reference Bid Number: IFB 26-004/CG.

SCOPE OF PROJECT

Jefferson County is soliciting bids for a generator technician to perform inspections, preventative maintenance and service on generators located in various locations for Jefferson County. Vendor shall provide copy of any applicable license with proposal. Vendor shall perform all electrical and engine work on generators.

TERMS

Individual departments will call to schedule any inspection, preventive maintenance or service for their generator. No work is guaranteed for generators listed in this proposal.

The County reserves the right to change, add, or delete service and/or locations.

Service call agreements will be made on an "as needed" basis. Repair work, other than the initial service call, resulting from this agreement shall not begin without a Notice to Proceed or Purchase Order from the County to the Vendor.

The vendor shall only proceed with repairs after the estimate has been approved by the department requesting the repair and a notice to proceed or purchase order has been issued.

- A "not to exceed" amount and description of work to be completed will be set at the time of the Notice to Proceed or Purchase Order agreed upon by both parties.

Awarded vendor shall furnish all labor, tools, transportation, equipment materials and supplies as required to complete the service request, to provide a working system, complete in all respects. All work shall be in compliance with Federal, State and Local Codes. All equipment or components must be installed in accordance with manufacturer's recommendations.

Vendor shall repair any damage caused by the Vendor and its employees at no cost to the County.

Modification of contract price shall be allowed only on the anniversary date of the contract. Prices throughout the initial one (1) year term shall remain firm/fixed. Written requests for price revisions after the first year shall be submitted in advance to the Jefferson County Purchasing Department. Requests shall be based upon and include documentation of the actual change in cost of components or CPI increases, involved in the contract. Price increase shall not include overhead or profit. The County reserves the right to reject any price increase and/or to terminate the contract.

All hourly cost proposals must be to service the generators listed in the IFB. Any additional costs not included on the Bid Form on page 49 of this IFB will not be allowed. This includes but is not limited to inspection fee, service call charge, mileage charges, fuel surcharges, miscellaneous supply charges.

INSPECTIONS

Vendor will provide semi-annual inspections for generators for Jefferson County upon the request of each department. These inspections shall include the following systems:

1. General Condition of Generator
    - Check generator area for obstructions
    - Wipe off unit
    - Clean oil, coolant, fuel & acid deposits
    - Check housing for leaks or corrosion
2. Starting System & Charging System
    - Visually inspect batteries for damage or leakage
    - Clean batteries with acid neutralizer
    - Clean & tighten all battery cable connections
    - Perform battery load test
    - Inspect battery charger for proper operation, loose terminals and deteriorated wiring
    - Starting motor – inspect electrical connections and wiring.
    - Air starter – inspect oil jar and feeder operation
    - Inspect alternator for proper operation, loose connections and mounting hardware
    - Check belts, pulley and voltage output
3. Engine Cooling System
    - Visually inspect radiator/heat exchanger for leaks, damage and debris
    - Check radiator/heat exchanger louver operation
    - Visually inspect coolant for correct levels and condition of coolant
    - Check coolant conditioner concentration and temperature protection
    - Check filler cap gasket and sealing surface
    - Visually inspect all hoses for deterioration
    - Check tightness of connections
    - Fan Drive Pulley & Fan – check for loose or worn pulleys, lube fan drive bearing
    - Check fan operation and clearance
    - Inspect fan belts for wear and/or deterioration. Check tension and adjust as needed
    - Inspect jacket water heater for proper operation
    - Inspect water pump visually and operationally for leaks and/or unusual noises
4. Engine Fuel System
    - Visually inspect fuel tank for leaks, damage and fuel level
    - Test day tank pump for proper operation
    - Inspect fuel condition for contaminants
    - Drain water from fuel tank of water separator
    - Visually inspect fuel lines for leaks and tightness of connections
    - Check line brackets
    - Inspect governor oil level
    - Inspect controls and linkage for proper operation. Add oil as necessary
    - Inspect fuel filters for damage, leaks and proper operation. Change when necessary
    - Fill Port Info – Special fittings, adapters needed, extra hose length, access to tank and other restrictions that may hamper fueling
5. Air Induction & Exhaust System
    - Air Filter Service Indicator – Note reading. Inspect for proper operation. Reset indicator.
    - Inspect air filter. Clean and/or replace as necessary

- Air Inlet System – Inspect piping and air filter housing for damage, loose connections and evidence of leaks
- Clean air filter housing if air filter is cleaned and replaced. Check housing seals and gaskets
- Inspect turbocharger for oil leakage or exhaust leakage. Check for unusual noises and proper operation
- Inspect exhaust manifold for damage, loose or missing hardware, and evidence of exhaust leakage and wet-stacking. Load bank recommendation if necessary
- Exhaust System – Inspect silencer and piping for damage, corrosion or leakage. Check rain cap
- Check supports for vibration damage and loose connections

6. Lube Oil System
   - Visually inspect for correct oil level and add when necessary, inspect for leaks
   - Note oil pressure
   - Operational and visual inspection of prelube pump
   - Inspect crankcase breather for proper operation. Check connections and inspect hose for deterioration. Note and report excessive blow by
7. Engine Monitors & Safety Controls (All PM Levels)
   - Check safety controls for loose connections and wiring deterioration
   - Check for proper operation of all safety controls and alarms
   - Remote Annunciator and Alarm – Inspect all panels and system alarms for proper functions
8. Ignition System (All PM Levels)
   - Check spark plug condition and electrode gap
   - Check spark plug wires for condition and connections for corrosion
   - Check ignition coils condition and connections for corrosion
9. Control Panels (All PM Levels)
   - Voltmeter – Operational check for correct reading. Check voltage level
   - Frequency Meter – Operational check for correct reading
   - Check alarm history
10. Generator Rear Bearings & Vibration Isolators
    - Lubricate generator rear bearing if applicable
    - Check vibration isolators for proper adjustment and condition
11. Transfer Switch (All PM Levels)
    - Check for leaks/corrosion on cabinets
    - Verify connections are tight on lugs
    - Check voltage across contacts
    - Lube as necessary
    - Verify exercise program
    - Functional test of unit
    - Verify time delays
    - Check for hot spots

Upon completion of the inspection, the vendor will ensure the generator is put back into stand-by mode.

Vendor will provide an inspection report within 15 days of the inspection to the department requesting the inspection that details the following:

1. Record of all findings of the inspections.
2. Record of any unsafe conditions.
3. Record of any corrective action taken.
4. Report recommendations for replacement of minor and major components.

PREVENTATIVE MAINTENANCE

Vendor will provide preventative maintenance for each generator upon the request of each department for Jefferson County as needed to maintain the proper functioning of the generators. This includes, but not limited to oil and filter changes.

Vendor will provide a report of all preventative maintenance performed on the generator to the department requesting the maintenance. Upon completion of preventative maintenance, the vendor will ensure the generator is put back into stand-by mode.

SERVICE CALLS

Vendor will provide service for generators when the generator is not functioning properly upon the request of each department or the Purchasing Department. Vendor will get approval from each department before replacing or ordering any parts for repair. Upon completion of service call, vendor will ensure the generator is put back into stand-by mode. This service will include calls 24 hours a day, 7 days a week. Vendor will also provide service during any man-made or natural disaster/emergency. Service calls in this agreement are made on an "as needed" basis as no repair work shall result from this agreement, other than the initial service call, without a written Notice to Proceed or Purchase Order from the County to the Vendor. A "not to exceed" amount and description of work to be completed will be set in the Notice to Proceed or Purchase Order agreed upon by both parties.

1. Non-Emergency Call-Out – Verbally respond to requests for non-emergency service to any generator within four (4) hours and be on site to perform repairs within forty-eight (48) hours after being contacted.
2. Emergency Call-Out – Verbally respond to requests for emergency service to any generator within one (1) hour and be on site to perform repairs within three (3) hours after being contacted.

GENERATOR LIST

This is the list of current generators located throughout Jefferson County that will need to be serviced and inspected. Generators may be added or removed upon the discretion of Jefferson County.

As permitted under Article 4413 (32c) V.A.C.S., other governmental entities may wish to participate under the same terms and conditions contained in this contract (i.e., piggyback). In the event any other entity participates, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. Jefferson County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by another entity. Each entity reserves the right to determine their participation in this contract.

Would Bidder be willing to allow other governmental entities to piggyback off this contract, if awarded, under the same terms and conditions? .....Yes.[X] [ ]No

This bid shall remain in effect for ninety (90) days from bid opening and shall be exclusive of federal excise and state and local sales tax (exempt).

The undersigned agrees, if this bid is accepted, to furnish any and all items upon which prices are offered, at the price and upon the terms and conditions contained in the Invitation for Bid, Conditions of Bidding, Terms of Contract, and Specifications and all other items made a part of the accepted contract.

The undersigned affirms that they are duly authorized to execute the contract, that this company, corporation, firm, partnership or individual has not prepared this bid in collusion with any other Bidder, and that the contents of this bid as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any other Bidder or to any other person(s) engaged in this type of business prior to the official opening of this bid. And further, that neither the Bidder nor their employees nor agents have been for the past six (6) months directly nor indirectly concerned in any pool or agreement or combination to control the price of goods or services on, nor to influence any person to bid or not to bid thereon.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

CONFLICT OF INTEREST QUESTIONNAIRE

CONFLICT OF INTEREST QUESTIONNAIRE — FORM CIQ

For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY
Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**

Johnker Inc DBA Emergency Power Service

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information in this section is being disclosed.**

_____
Name of Officer

This section (item 3 including subparts A, B, C, & D) must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes ☐ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☐ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more?

☐ Yes ☐ No

D. Describe each employment or business and family relationship with the local government officer named in this section.

GOOD FAITH EFFORT (GFE) DETERMINATION CHECKLIST

Bidder intends to utilize Subcontractors/Subconsultants in the fulfillment of this contract (if awarded).
☐ Yes ☒ No

Instructions: In order to determine if a "Good Faith Effort" was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/ Consultant's bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .?

☐ Yes	☐ No	1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?
☐ Yes	☐ No	2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?
☐ Yes	☐ No	3. **Provide** HUBs that were genuinely interested in bidding on a Subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant's organization)?
☐ Yes	☐ No	4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive Bidders?
☐ Yes	☐ No	5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?
☐ Yes	☐ No	6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.**

If "No" was selected, please explain and include any pertinent documentation with your bid.
If necessary, please use a separate sheet to answer the above questions.

HOUSE BILL 89 VERIFICATION

I, John W Baker, the undersigned representative of (company or business name) Johnker Inc DBA Emergency Power Service (heretofore referred to as company) being an adult over the age of eighteen (18) years of age, after being duly sworn by the undersigned notary, do hereby depose and verify under oath that the company named above, under the provisions of Subtitle F, Title 10, Government Code Chapter 2270:

1. Does not boycott Israel currently; and
2. Will not boycott Israel during the term of the contract.

Pursuant to Section 2270.002, Texas Government Code:

1. "**Boycott Israel**" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made ordinary business purposes; and

2. "**Company**" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or an limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business association that exist to make a profit.

Expires May 18, 2029

STATE OF TEXAS
COUNTY OF JEFFERSON

CONTRACT NUMBER: RFP 26-002/CG
CAFETERIA SERVICES

WHEREAS, JEFFERSON COUNTY has determined there is a need to provide for Cafeteria Services at Jefferson County Courthouse; located at 1149 Pearl, Beaumont, TX.

WHEREAS, JEFFERSON COUNTY has requested and reviewed proposals for a Food Service Contractor in accordance with applicable Federal, State and local laws and ordinances regarding health, sanitation, and safety.

WHEREAS, JEFFERSON COUNTY has determined that The Courtyard Cafe can best provide Cafeteria Services at Jefferson County Courthouse located at 1149 Pearl, Beaumont, TX.

WHEREAS, this agreement is made between The Courtyard Cafe (hereinafter referred to as (CONTRACTOR) and the COUNTY OF JEFFERSON, TEXAS (hereinafter referred to as (COUNTY) acting by and through its duly authorized representative, Jefferson County Judge Jeff Branick.

NOW THEREFORE, the parties agree as follows:

ARTICLE I
RETENTION OF CONTRACTOR

COUNTY hereby retains CONTRACTOR as an independent contractor and not an employee for services more particularly described in this Agreement.

ARTICLE II
TERM OF AGREEMENT

Regardless of the date of execution, this Agreement shall become effective April 1, 2026 and continue in force until March 31, 2027 with the option to extend for four (4) additional one (1) year terms unless sooner terminated as provided herein. Should this Agreement naturally expire without alternative provisions, this agreement shall continue in force on a month-to-month basis under the same terms.

Due to the Constitutional debt limitation for Counties, any Agreement, which extends beyond the current fiscal year, is executed subject to future appropriations to fund its provision.

ARTICLE III
CREDENTIALING

CONTRACTOR shall select and assign specific personnel to provide services for COUNTY under this Agreement and shall provide COUNTY with current copies of all licensure, credentialing, and insurance information as required by State law. All such information shall be provided at the time of execution of this Agreement.

ARTICLE IV
TERMINATION

The parties hereto understand and agree that after a good faith effort has been made toward the success and performance of the Agreement, if either party believes in its sole judgment that the Agreement cannot be successfully continued for any reason, either party may terminate the Agreement NINETY (90) calendar days from receipt of said notice. Thereafter, this Agreement shall terminate, become null and void, and be of no further force or effect.

This Agreement shall immediately and automatically terminate upon the occurrence of any one of the following:

52705556. Dissolution of CONTRACTOR.

52705557. CONTRACTOR abandons its duties in accordance with the provisions of Article V (Duties of Contractor).

52705558. Failure of CONTRACTOR to perform its responsibilities under this Agreement in the highest professional manner.

52705559. Any substantiated allegation of criminal wrongdoing on the part of CONTRACTOR, which would substantially interfere with the performance of the duties, set out herein.

52705560. Failure by CONTRACTOR to cure any default or breach under this Agreement within ten (10) days after receiving notice in writing.

52705561. Whenever CONTRACTOR and COUNTY mutually agree to termination in writing.

Upon termination of this agreement under any provision, CONTRACTOR shall be entitled to receive only the unpaid accrued compensation as of the date of termination minus any reasonable costs incurred by COUNTY to fulfill CONTRACTORS obligations under this Agreement.

ARTICLE V
DUTIES OF CONTRACTOR

CONTRACTOR shall be responsible for all duties specified in RFP Specification Number 26-002/CG, which by this reference is incorporated in full into this agreement, and include but are not limited to the following:

52709568. CONTRACTOR shall furnish Cafeteria Services in accordance with the Specifications of RFP 26-002/CG.

52705562. CONTRACTOR may supply certain furnishings, kitchen equipment, POS equipment, television(s), artwork and decor with the understanding upon expiration of agreement

equipment remains property of The Courtyard Café.

52705563. CONTRACTOR's hours of operation will be 7:30 am – 3:00 pm

52705564. CONTRACTOR will be responsible for all licenses and permits necessary to comply with all local, state, and federal mandates pertaining to food service operations.

52705565. CONTRACTOR shall schedule outside vendors for rental space and collect appropriate fees.

52705566. CONTRACTOR shall make payments to COUNTY as specified in ARTICLE VII.

52705567. CONTRACTOR shall be responsible for all long distance telephone charges, direct cable/internet installation and charges incurred in the performance of this Agreement.

52705568. CONTRACTOR is responsible for all day-to-day as well as periodic major cleaning of the entire kitchen area assigned to CONTRACTOR including walk-ins, storerooms, freezers, dish room, office, staff, and dining rooms and receiving area.

52705569. CONTRACTOR and its employees assigned to COUNTY facilities are required to comply with all facility rules of conduct concerning normal day-to-day operations.

52705570. CONTRACTOR is required to staff the operation with the optimum number of employees at all times for the efficient operation of the kitchen.

52705571. CONTRACTOR employees must be properly attired in a standard uniform.

52705572. All Cafeteria Services employees in the kitchen and Cafeteria Services areas must wear hair restraints (nets or hats).

52705573. CONTRACTOR employees are subject to background check and wear security identification while working in the County facilities.

52705574. CONTRACTOR employees are subject to search at any time while within secured areas of COUNTY facilities.

52705575. CONTRACTOR must obey all Federal, State and local laws and ordinances regarding health, sanitation, and safety. CONTRACTOR will be subject to inspections in the kitchen by authorized personnel from the Jefferson County Courthouse Superintendent of Maintenance and City Health Department.

ARTICLE VI
DUTIES OF COUNTY

COUNTY shall provide access to dumpsters and recycling containers at reasonable times to be negotiated between CONTRACTOR and Courthouse Superintendent of Maintenance.

COUNTY will provide, install, and permit CONTRACTOR to use the capital equipment, which

COUNTY deems necessary for Cafeteria Services and related activities.

COUNTY shall approve any and all designs, furnishings, decorations, alterations, improvements, advertisements, etc., prior to any such action being taken by the Contractor.

COUNTY will provide the cafeteria facility, standard utilities, existing equipment, tables and chairs, and related utilities to the Contractor at no charge to the Contractor.

COUNTY will provide all preventive maintenance and repairs on all equipment related to the cafeteria operation, including refrigerators, freezers, ice machines, stoves, warmers, etc., that are used directly by the cafeteria operation. The Jefferson County Maintenance Department will maintain all building systems (HVAC, electrical, structural).

ARTICLE VII
RATES

CONTRACTOR shall pay directly to COUNTY Lease Payment $100.00 per month in accordance with CONTRACTOR'S response to RFP Number 26-002/CG, which with the RFP Specifications for RFP Number 26-002/CG are by this reference incorporated in full into this Agreement. Payments will be monthly installments by the 5th of each month.

ARTICLE VIII
RELATIONSHIP OF PARTIES

None of the provisions of this Agreement is intended to create nor shall be deemed or construed to create any relationship between the parties other than that of independent entities contracting with each other solely for affecting the provisions of this Agreement.

It is expressly acknowledged and agreed that neither of the parties, nor any of their employees shall be construed to be agent, employer or representative of the other nor shall any provision of this Agreement create any right in COUNTY to exercise control or direction over the business of CONTRACTOR provided, however, that all services provided to COUNTY hereunder shall be provided and delivered at all times in a manner consistent with the standards of CONTRACTORS profession, the terms of this Agreement and all applicable laws, rules and regulations of authorities having jurisdiction over Jefferson County.

Personnel provided by CONTRACTOR are not employees of COUNTY nor are they entitled to any direct compensation nor any benefits or rights of COUNTY employees as from time to time may be established, and shall provide services for the benefit of COUNTY through

CONTRACTOR and only pursuant to this Agreement.

COUNTY has hired CONTRACTOR to provide food services. As such, CONTRACTOR has the duty and obligation to perform all obligations to COUNTY under this Agreement in the highest professional manner. No property owned by or referencing COUNTY or one of its subdivisions shall be used by any employee, staff member, or representative of CONTRACTOR without express approval by the authorized COUNTY representative and then shall be used only for professional purposes within the parameters of this Agreement.

ARTICLE IX
INSURANCE

CONTRACTOR, at no cost to COUNTY, shall have and maintain at all times insurance of the types and amounts required in the bid specifications.

ARTICLE X
INDEMNIFICATION

CONTRACTOR shall indemnify and hold COUNTY harmless from and against any and all claims, demands, costs, expenses, liabilities and losses (including reasonable attorney's fees) which may arise out of any acts or failure to act of CONTRACTOR, its employees, agents or contractors in connection with the performance of services pursuant to this Agreement.

ARTICLE XI
MISCELLANEOUS

This agreement, Specifications for RFP Number 26-002/CG, and CONTRACTOR'S response constitute the entire understanding between the parties, and no other agreements, representations or contract shall be binding on any of the parties unless set forth in writing and signed by all parties. Should the documents comprising this understanding contain conflicting provisions, provisions of the Bid Specifications shall have priority.

This Agreement supersedes all other prior agreements, either oral or written between the parties with respect to the professional services to be provided by CONTRACTOR to COUNTY and contains all of the covenants and agreements between the parties with respect to the rendering of such services in any manner.

Each party to this Agreement acknowledges that any party or anyone acting on behalf of any party that is not embodied in this Agreement has made no inducements or promises, oral or otherwise.

The invalidity or unenforceability of any term or provision of this Agreement shall in no way affect the validity or enforceability of any other term or provision.

Neither party under this Agreement shall have the right to assign or transfer its rights to any third party without prior written consent of the other party.

The law of the State of Texas hereunder, shall govern the validity of this Agreement and of any of

its terms or provisions, as well as the rights and duties of the parties and all venues shall be in Jefferson County, Texas.

ARTICLE XII
NOTICES

All notice required under this Agreement shall be sent postage prepaid U.S. Mail or hand delivered to the parties at the following addresses:

LEGAL NOTICE
Advertisement for Request for Proposal

January 13, 2026

Notice is hereby given that sealed proposals will be accepted by the Jefferson County Purchasing Department for Request for Proposals (RFP 26-002/CG), **Cafeteria Services for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327**. **Specifications for this project may be obtained from the Jefferson County website,** https://jeffersoncountytx.gov/Purchasing/ **, or by calling 409-835-8593.**

Proposals are to be sealed and addressed to the Purchasing Agent with the proposal number and name marked on the outside of the envelope or box. Proposers shall forward an original and five (5) hard copies of their proposal to the address shown below. Late proposals will be rejected as non-responsive. Proposals will be publicly opened and only the firm name will be read aloud in the Jefferson County Engineering Conference Room (5th Floor, Historic Courthouse) 1149 Pearl Street, Beaumont, Texas 77701 at the time and date below. Proposals shall be opened in a manner that avoids disclosure of the contents to competing Proposers and maintains the confidentiality of the proposals during negotiations. Proposals will be open for public inspection after the award of the contract, except for trade secrets and confidential information. Proposers are invited to attend the sealed proposal opening.

To arrange a site visit, contact Cindy Greene, Contract Specialist at 409-835-8593 or via email at cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

PROPOSAL NAME:	**Cafeteria Services for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327**.
PROPOSAL NUMBER:	**RFP 26-002/CG**
DUE DATE/TIME:	**11:00 AM CT, Wednesday, February 18, 2026**
MAIL OR DELIVER TO:	**Jefferson County Purchasing Department** **1149 Pearl Street, 1st Floor** **Beaumont, Texas 77701**

Any questions relating to these requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

Jefferson County encourages Disadvantaged Business Enterprises (DBEs), Minority/Women Business Enterprises (M/WBEs), and Historically Underutilized Businesses (HUBs) to participate in the bidding process. Jefferson County does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment, or the provisions of services. Individuals requiring special accommodations are requested to contact our office at least seven (7) days prior to the bid due date at 409-835-8593.

All interested firms are invited to submit a proposal in accordance with the terms and conditions stated in this bid.

Proposers are strongly encouraged to carefully read the entire invitation, as failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

PROPOSAL SUBMITTAL CHECKLIST

REQUIRED FORM
Proposer:
Please complete this form and include with proposal submission.

The Proposer's attention is especially called to the items listed below, which must be submitted in full as part of the proposal.

Failure to submit any of the documents listed below as a part of your proposal, or failure to acknowledge any addendum in writing with your proposal, or submitting a proposal on any condition, limitation, or provision not officially invited in this Request for Proposal (RFP) may cause for rejection of the proposal.

Proposer shall check each box indicating compliance.

THE ITEMS ON THE CHECKLIST BELOW MUST BE INCLUDED IN YOUR PROPOSAL SUBMISSION.

☐ Cover sheet identifying the contract/project being proposed, the name and address of the Proposer, the date of the proposal, and the email address, telephone, and facsimile numbers of Proposer.

☐ An acknowledgment and/or response to each section of the proposal.

☐ Form of business (e.g., corporation, sole proprietorship, partnership); if corporation the date and state of incorporation.

☐ Identification of three (3) entities for which the Proposer is providing or has provided Food Services of the type requested, including the name, position, and telephone number of a contact person at each entity.

☐ Completed and Signed FORM 1295.

☐ Copy of Certificate of Insurance (COI). The COI at a minimum should reflect your firm/company's general insurance coverage.

☐ Identification of all legal claims, demands, contracts terminated or lawsuits filed, threatened, or pending against the Proposer and/or its principal/officers for the last three (3) years, as well as identification of any administrative actions or warnings taken or issued by any federal, state, or local governmental agency to Proposer and/or its principals/officers with regard to the provision of the same or similar service as covered by this RFP, or the payment of monies under the terms of any agreement(s) relating to such services.

☐ **One (1) Original and five (5) Response Copies; with all copies to include a Completed Copy of this specifications packet, in its entirety.**

Each Proposer shall ensure that required parts of the response are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Please read the "Proposal Submittal Checklist" included in this package.

SECTION 1: INTRODUCTION TO PROPOSERS AND GENERAL REQUIREMENTS

This Request for Proposal (RFP) is to receive proposals from qualified firms regarding services for Cafeteria Food Services.

The following items are provided as general information and specifications as required by the Jefferson County Purchasing Department.

1.1 VENDOR INSTRUCTIONS

Read the document carefully. Follow all instructions. Proposer is responsible for fulfilling all requirements and specifications. It is imperative

General Requirements apply to all advertised requests for proposals; however, these may be superseded, whole or in part, by the Scope of Services, Guidelines and Specifications, Requested Responses and Information, or other data contained herein. Be sure your proposal package is complete.

1.2 GOVERNING LAW

Proposer is advised that these requirements shall be fully governed by the laws of the State of Texas and that Jefferson County may request and rely on advice, decisions, and opinions of the Attorney General of Texas and the County Attorney concerning any portion of these requirements.

1.3 AMBIGUITY, CONFLICT, OR OTHER ERRORS IN THE RFP

If Proposer discovers any ambiguity, conflict, discrepancy, omission or other error in the RFP, Proposer shall immediately notify the County of such error in writing and request modification or clarification of the document. Modifications will be made by issuing Addenda. Written notice will be given to all parties who have been furnished with the RFP without divulging the source of the request for the same. If the Proposer fails to notify the County prior to the date and time fixed for submission of proposals of an error or ambiguity in the RFP known to Proposer, or an error or ambiguity that reasonably should have been known to Proposer, then Proposer shall not be entitled to compensation or additional time by reason of the error or ambiguity or its later resolution.

The County may also modify the RFP, no later than 48 hours prior to the date and time fixed for submission of proposals, by issuance of an Addendum to all parties who have received the RFP. All addenda will be numbered consecutively, beginning with 1.

1.4 NOTIFICATION OF MOST CURRENT ADDRESS

Firms in receipt of this RFP shall notify Deborah L. Clark, Jefferson County Purchasing Agent, of any address changes, contact person changes, and/or telephone number changes no later than 48 hours prior to the date and time fixed for submission of proposals.

1.5 PROPOSAL PREPARATION COST

Cost for developing proposals is entirely the responsibility of Proposers and shall not be charged to Jefferson County.

1.6 SIGNATURE OF PROPOSAL

A transmittal letter, which shall be considered an integral part of the proposal, shall be signed by an individual who is authorized to bind the Proposer contractually. If the Proposer is a corporation, the legal name of the corporation shall be provided together with the signature of the officer or officers authorized to sign on behalf of the corporation.

If the Proposer is a partnership, the true name of the firm shall be provided with the signature of the partner or partners authorized to sign.

If the Proposer is an individual, that individual shall sign. If signature is by an agent, other than an officer of a corporation or a member of a partnership, a power of attorney or equivalent document must be submitted to the Jefferson County Purchasing Department prior to the submission of the proposal or with the proposal.

1.7 ECONOMY OF PRESENTATION

Proposals shall not contain promotional or display materials, except as they may directly answer in whole or in part questions contained in the RFP. Such exhibits shall be clearly marked with the applicable reference number of the question in the RFP. Proposals must address the technical requirements as specified in the RFP. All questions posed by the RFP must be answered concisely and clearly. Proposals that do not address each criterion may be rejected and not considered.

1.8 PROPOSAL OBLIGATION

The contents of the proposal and any clarification thereof submitted by the selected Proposer shall become part of the contractual obligation and incorporated by reference into the ensuing contract.

1.9 INCORPORATION BY REFERENCE AND PRECEDENCE

This Agreement is derived from (1) the RFP, written clarifications to the RFP and County's response to questions; (2) the Contractor's Best and Final Offer, and (3) the Contractor's response to the RFP.

In the event of a dispute under this Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) Amendments to the Agreement in reverse chronological order; (2) the Agreement, including the Scope of Work; (3) the Contractor's Best and Final Offer; (4) the RFP, including attachments thereto and written responses to questions and written clarifications; and (5) the Contractors response to the RFP.

1.10 GOVERNING FORMS

In the event of any conflict between the terms and provisions of these requirements and the specifications, the specifications shall govern. In the event of any conflict of interpretation of any part of this overall document, Jefferson County's interpretation shall govern.

1.11 IMPLIED REQUIREMENTS

Products and services not specifically mentioned in the RFP, but which are necessary to provide the functional capabilities described by the Proposer, shall be included in the proposal.

1.12 COMPLIANCE WITH RFP SPECIFICATIONS

It is intended that this Request for Proposals (RFP) describe the requirements and the response format in sufficient detail to secure comparable proposals. Failure to comply with all provisions of the RFP will result in disqualification.

1.13 VENDOR REGISTRATION: SAM (SYSTEM FOR AWARD MANAGEMENT)

Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: https://www.sam.gov

In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.

However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

1.14 FORM 1295 (TEXAS ETHICS COMMISSION)

FORM 1295 SUBMISSION REQUIREMENT/INSTRUCTIONS FOR RFP PROPOSERS:

ALL NON-EXEMPT PROPOSERS ARE REQUIRED TO SUBMIT COMPLETED FORM 1295 WITH PROPOSAL SUBMISSION.

INSTRUCTIONS:

(1) Submit a FORM 1295 online via the Texas Ethics Commission website link below.
Vendors must enter the required information on Form 1295, and print a copy of the completed form.
The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department WITH RFP PROPOSAL SUBMISSION.

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

SAMPLE: A sample of a completed FORM 1295 is included on PAGE 7.

FORM 1295 Implementation Background:

In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

FORM 1295 EXEMPTIONS:

What type of contracts are exempt from the Form 1295 filing requirement under the amended law?
The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and o any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

SAMPLE COMPLETED FORM 1295

VENDOR: FORM 1295 MUST BE COMPLETED/SUBMITTED ON TEXAS ETHICS COMMISSION WEBSITE. HARD COPY OF FORM 1295 IS TO BE PRINTED, COMPLETED, SIGNED, AND SUBMITTED WITH BID/PROPOSAL/AGREEMENT/CONTRACT.
JEFFERSON COUNTY WILL CONFIRM RECEIPT OF COMPLETED HARD COPY WITH THE TEXAS ETHICS COMMISSION.

Must file online at www.ethics.state.tx.us/File

PROPOSER: INSERT COMPLETED FORM 1295 BEHIND THIS PAGE.

1.15 EMERGENCY/DECLARED DISASTER REQUIREMENTS

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, a contract (executed in response to this Request for Proposal) may be subjected to unusual usage. Contractor shall service the County during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in the contract shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the contract, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's supplier(s). Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

1.16 EVALUATION

Jefferson County reserves the right to use all pertinent information (also learned from sources other than disclosed in the RFP process) that might affect the County's judgment as to the appropriateness of an award to the best evaluated Proposer. This information may be appended to the proposal evaluation process results. Information on a service provider from reliable sources, and not within the service provider's proposal, may also be noted and made part of the evaluation file. Jefferson County shall have sole responsibility for determining a reliable source. Jefferson County reserves the right to conduct written and/or oral discussions/interviews after the proposal opening. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award is in the best interest of Jefferson County.

1.17 WITHDRAWAL OF PROPOSAL

The Proposer may withdraw its proposal by submitting a written request over the signature of an authorized individual, as described in paragraph 1.6, to the Purchasing Department any time prior to the submission deadline. The Proposer may thereafter submit a new proposal prior to the deadline. Modification or withdrawal of the proposal in any manner, oral or written, will not be considered if submitted after the deadline.

1.18 SMALL, MINORITY & WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of Jefferson County to increase the participation of Small, Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

Minority owned business may be eligible for contract procurement assistance with public and private sector entities from MBDA Centers

PROPOSER: INSERT HUB, SBE, MBE or WBE Certification behind this page.

1.19 AWARD

Jefferson County reserves the right to award this contract on the basis of the **Best Offer** in accordance with the laws of Texas, to waive any formality or irregularity, to make award to more than one Proposer, and/or to reject any or all proposals. In the event the highest dollar Proposer meeting specifications is not awarded a contract, the Proposer may appear before Commissioners' Court and present evidence concerning his responsibility.

1.20 OWNERSHIP OF PROPOSAL

All proposals become the property of Jefferson County and will not be returned to Proposers.

1.21 DISQUALIFICATION OF PROPOSAL

Upon signing this proposal document, a contractor offering to sell supplies, materials, services, or equipment to Jefferson County certifies that the Proposer has not violated the antitrust laws of this state codified in Section 15.01, et seq, Business & Commerce Code, or the Federal Antitrust Laws, and has not communicated directly or indirectly the offer made to any competitor or any other person engaged in such line of business. Any or all proposals may be rejected if the County believes that collusion exists among the Proposers.

1.22 CONTRACTUAL DEVELOPMENT

The contents of the RFP and the selected proposal will become an integral part of the contract, but may be modified by provisions of the contract as negotiated. Therefore, the Proposer must be amenable to inclusion in a contract of any information provided (in writing) either in response to this RFP or subsequently during the selection process.

1.23 ASSIGNMENT

The selected vendor may not assign, sell, or otherwise transfer this contract without written permission of the Jefferson County Commissioners' Court.

1.24 CONTRACT OBLIGATION

Jefferson County Commissioners' Court must award the contract, and the County Judge or other person authorized by Jefferson County Commissioners' Court must sign the contract before it becomes binding on Jefferson County or the Proposer. **Department heads are not authorized to sign agreements for Jefferson County.** Binding agreements shall remain in effect until all products and/or services covered by this proposal have been satisfactorily delivered and accepted.

1.25 TERMINATION

Jefferson County reserves the right to terminate the contract for default if the awarded vendor breached any of the terms therein, including warranties of proposal, or if the Proposer becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Jefferson County's satisfaction, and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified.

1.26 INSPECTIONS

Jefferson County reserves the right to inspect any item(s) or service location(s) for compliance with specifications and requirements and needs of the using department. If a proposal cannot furnish a sample of a proposed item, where applicable, for review, or fails to satisfactorily show an ability to perform, the County can reject the Proposer as inadequate.

1.27 TESTING

Jefferson County reserves the right to test equipment, supplies, material and goods proposed for quality, compliance with specifications, and ability to meet the needs of the user. Demonstration units must be available for review. Should the goods or services fail to meet requirements and/or be unavailable for evaluation, the offer is subject to rejection.

1.28 LOSS, DAMAGE, OR CLAIM

The Proposer shall totally indemnify Jefferson County against all claims by its employees, agents, or representatives or personal injury arising from any cause. In addition, the Proposer shall totally indemnify Jefferson County against all claims of loss or damage to the Proposer's and Jefferson County's property, equipment, and/or supplies.

1.29 TAXES

The contractor and its subcontractors, agents and employees, as the case may be, will be responsible for the payment of all federal, state and local taxes, and deposits or contributions imposed or required by law.

1.30 NON-DISCRIMINATION

The successful Proposer will be required to comply with the Americans With Disabilities Act and with all provisions of federal, state, county and local (if any) laws and regulations to ensure that no employee or applicant for employment is discriminated against because of race, color, religion, sex, age, handicap or national origin.

1.31 CONFLICT OF INTEREST

The agreement entered into pursuant to this RFP will contain the Contractor's warranty that, except for bona-fide employees or selling agents maintained by the Contractor for the purpose of securing business, no person or selling agency has been employed or retained to solicit this contract upon an agreement or understanding for commission, percentage or contingency.

Further, the contractor will warrant that no kickbacks, gratuities, or contingency fees have been paid in connection with this RFP or contract and none has been promised contingent upon the award of contract. And, will still further warrant that to its knowledge and best belief, no one being paid under the agreement between the County and the contractor, is engaged in any activities which would constitute a conflict of interest with respect to the purposes of said agreement.

By submitting a proposal in response to this RFP, all Proposers affirm that they have not given, nor intend to give, at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement.

Each Proposer must disclose any existing or potential conflict of interest relative to the performance of the requirements of this RFP. Examples of potential conflicts may include an existing business or personal relationship between the Proposer, its principal, or any affiliate or subcontractor, with the County or any other entity or person involved in any way in the project that is the subject of this RFP. Similarly, any personal or business relationship between the Proposer, the principals, or any affiliate or subcontractor, with any employee of the County or its suppliers must be disclosed. **Any such relationship that might be perceived or represented as a conflict must be disclosed. Failure to disclose any such relationship or reveal personal relationships with state employees may be cause for contract termination. The County will decide if an actual or perceived conflict should result in proposal disqualification.**

1.32 CONFIDENTIAL/PROPRIETARY INFORMATION

If any material in the proposal submission is considered by Proposer to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Proposer), **Proposer must clearly mark the applicable pages of Proposer's proposal submission to indicate each claim of confidentiality. Additionally, Proposer must include a statement on company letterhead identifying all Proposal section(s) and page(s) that have been marked as confidential.** Jefferson County will protect from public disclosure such portions of a proposal, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire proposal submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire proposal submission subject to release under the Texas Public Information Act.

By submitting a proposal, Proposer agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Proposer's proposal submission or other information submitted by Proposer.

1.33 WAIVER OF SUBROGATION

Proposer and Proposer's Insurance Carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from the Proposer's performance under this agreement.

1.34 AKNOWLEDGEMENT OF INSURANCE REQUIREMENTS

By signing its proposal, Proposer acknowledges that it has read and understands the insurance requirements for this proposal. Proposer also understands that evidence of required insurance must be submitted within fifteen (15) working days following notification of acceptance of its offer; otherwise, Jefferson County may rescind its acceptance of the Proposer's proposal. The insurance requirements are part of this package.

1.35 INSURANCE REQUIREMENTS

The contractor (including any and all subcontractors as defined in Section 1.36 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the contractor. These requirements do not establish limits of the contractor's liability. All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents; a copy of the policy wording or endorsement is required.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured and will provide the actual policy wording or endorsement showing as such.

All insurance must be written by an Insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements:

Public, Liability, including Products & Completed Operations	$1,000,000
Excess Liability	$1,000,000

Property Insurance (policy below that is applicable to this project):

Improvements & Betterments Policy: Improvements/Remodeling (for Lease Tenants)
Builder's Risk Policy: Structural Coverage for Construction Projects
Installation Floater Policy: Improvements/Alterations to Existing Structure

Workers' Compensation Statutory Coverage (See Section 1.36 Below)

1.36 WORKERS' COMPENSATION INSURANCE

1.36.1 **Definitions:**

1.36.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

1.36.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the contractor's/person's work on the project has been completed and accepted by the governmental entity.

1.36.1.3 **Persons providing services on the project ("subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

1.36.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the contractor providing services on the project, for the duration of the project.

1.36.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – refer to Section 1.35 above.

1.36.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

1.36.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

1.36.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

1.36.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

1.36.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

1.36.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

1.36.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

1.36.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:

1.36.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.

1.36.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.

1.36.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

1.36.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:

1.36.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and

1.36.9.4.2 The coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.

1.36.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.

1.36.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

1.36.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs 1.36.1. – 1.36.7., with the certificates of coverage to be provided to the person for whom they are providing services.

1.36.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

1.36.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

PROPOSER: INSERT COPY OF CERTIFICATE OF INSURANCE (COI) BEHIND THIS PAGE.

Note: For proposal purposes, a general COI will suffice. However, a COI that includes the notation that “Jefferson County as an additional insured” will be required from Awarded Proposer(s) prior to the issuance of a Purchase Order.

SECTION 2: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) MANDATED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY UNDER FEDERAL AWARDS REQUIRED BY 2 C.F.R. §200.327 APPENDIX II TO 2 CFR §200

2 CFR 200.327 Contract provisions. The non-Federal entity's contracts should contain applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable. ***Language as of January 3, 2025**

THRESHOLD	PROVISION	CITATION
>$250,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Although not required for contract at or below the SAT, FEMA suggests including a remedies provision. The NFE should consult their servicing legal counsel to determine whether and how remedies for breach of contract are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (A)
>$10,000	All contracts in excess of $10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. FEMA suggests including a termination for cause and for convenience in all contracts even when not required. The NFE should consult their servicing legal counsel to determine whether and how termination provisions are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (B)
None	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause: During the performance of this contract, the contractor agrees as follows:	2 CFR 200 APPENDIX II (C) and 41 CFR §60-1.4(b)

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through
(8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or

	all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.	
>$2,000	Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. **FEMA PA and HMGP do not require these clauses unless it is a requirement for matching funds by another federal program legislation such as CDBG-DR.** When required, prime construction contracts over $2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. If applicable per the standard described above, the NFE must include the provisions at 29 C.F.R. § 5.5(a)(1)-(10) in full into all applicable contracts, and all applicable contractors must include these provisions in full in any subcontracts. In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback" Act. Sample contract clauses are provided in the FEMA Contract Provisions Guide.	2 CFR 200 APPENDIX II (D); 40 U.S.C. §§ 3141-3144 and 3146-3148; supplemented by 29 C.F.R. Part 5; 40 U.S.C. § 3145; supplemented by 29 C.F.R. Part 3
> $100,000+ Mechanics or Laborers	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a	2 CFR 200 APPENDIX II (E); 40 U.S.C. §§ 3701-3708; supplemented by 29 C.F.R. Part 5

half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Applicability

This required contract provision applies to all procurements over $100,000 that involve the employment of mechanics, laborers, and construction work. These requirements *do not* apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Required Language

Compliance with the Contract Work Hours and Safety Standards Act.

1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of
   $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.
3. *Withholding for unpaid wages and liquidated damages.* The (insert name of grant recipient or subrecipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.
4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor

	shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section. **For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 where an additional contract provision is required, FEMA suggests including the language below.** Suggested Language Further Compliance with the Contract Work Hours and Safety Standards Act. 1. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.	
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. **This provision does not apply to all FEMA grant and cooperative agreement programs including PA and HMGP as awards under these programs do not meet the definition.**	2 CFR 200 APPENDIX II (F); Funding Agreement; definition found under 37 C.F.R. § 401.2(a).
>$150,000	Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended - Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Suggested Language: Clean Air Act The contractor agrees to comply with all applicable standards, orders or	2 CFR 200 APPENDIX II (G); 42 U.S.C. §§ 7401-7671q; 33 U.S.C. §§ 1251-1387

	regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* The contractor agrees to report each violation to the (insert name of non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA. Federal Water Pollution Control Act The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.* The contractor agrees to report each violation to the (insert name of the non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the (insert name of the pass-through entity, if applicable), Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office. The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.	
>$25,000	Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified. Suggested Language: Suspension and Debarment This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part	2 CFR 200 APPENDIX II (H); 2 C.F.R. Part 180 (implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989)); 2 C.F.R. Part 3000 (Department of Homeland Security regulations for Non-procurement Debarment and Suspension, implementing 2 C.F.R. Part 180).

	3000, subpart C, in addition to remedies available to (insert name of recipient/subrecipient/applicant), the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.	
> $100,000; and Certification required for all contracts greater than $100,000	Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. **If applicable, contractors must sign and submit the following certification to the NFE with each bid or offer exceeding $100,000.** Required Certification: CERTIFICATION REGARDING LOBBYING (APPENDIX A, 44 C.F.R. PART 18)	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303; (citing 31 U.S.C. § 1352); 44 C.F.R. § 18.110
	See 2 CFR §200.323.	2 CFR 200 APPENDIX II (J)
	See 2 CFR §200.216.	2 CFR 200 APPENDIX II (K)
	See 2 CFR §200.322.	2 CFR 200 APPENDIX II (L)
Work involves the use of materials, and the contract is for more than $10,000	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Suggested Language: In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price.	2 CFR 200.323; Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962)

	Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.	
>$100,000	*§135.38 Section 3 clause* *All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):* A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or	

	suspension from future HUD assisted contracts. G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 C.F.R. § 200.216, as implemented by FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to: (1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in Public Law 115-232, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under Public Law 115-232, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical	2 CFR 200.216

	support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See Public Law 115-232, section 889 for additional information. (d) See also § 200.471.	
None	The Federal awarding agency must establish conflict of interest policies for Federal awards. The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.	2 CFR 200.112
None	The Federal awarding agency and the non-Federal entity should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine-readable formats rather than in closed formats or on paper in accordance with applicable legislative requirements. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a web browser or computer system. The Federal awarding agency or pass-through entity must always provide or accept paper versions of Federal award-related information to and from the non-Federal entity upon request. If paper copies are submitted, the Federal awarding agency or pass-through entity must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.	2 CFR 200.336
None; All FEMA declarations and awards issued on or after November 12, 2020.	Suggested Language: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) listed below to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contracting with HUB, small and minority businesses, women's business enterprises, and labor surplus area firms. (a) When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. (b) Such consideration means: (1) These business types are included on solicitation lists; (2) These business types are solicited whenever they are deemed eligible as potential sources; (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types; (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types; (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring a contractor under a Federal award to apply this section to subcontracts.	2 C.F.R. § 200.321(b)(1)-(5)
None	Financial records, supporting documents, statistical records, and all other	2 CFR 200.334; and

	non- Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation. Suggested Language for All Procurements: a. The Contractor agrees to provide (insert non-federal entity), the Texas Division of Emergency Management (TDEM), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.	200.337

	b. The FIRM agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. c. The CONTRACTOR agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. d. In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the (insert name of the non-federal entity) and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.	
None	CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED. A governmental Corporation may not enter into a governmental contract with a company that is identified on a list prepared and maintained by the U.S. Department of Treasury under Executive Order 13224.The term "foreign terrorist organization" in this paragraph has the meaning assigned to such a term in Section 8 U.S.C.1189(a)(1) of the United States Code. 	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. <u>Suggested Language:</u> The CONTRACTOR shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).	42 U.S.C. 6201
	The Firm agrees that no otherwise qualified individual with disabilities shall, solely by reason of his/her disability, be denied the benefits of, or be subjected to discrimination, including discrimination in employment, under any program or activity receiving federal financial assistance.	Section 504 of the Rehabilitation Act of 1973, as amended.
	Pursuant to the *Violence Against Women Act Reauthorization of 2022*, the Grant Recipient must certify that local policies do not interfere with the residents' Right to Report Crime and Emergencies from One's Home. The certification will confirm that no ordinances, local regulations, or policies adopted by the local government and currently in effect contain any financial or regulatory penalty imposed on property owners or residents as a result of any use of emergency services, or that the Grant Recipient is actively addressing such local regulations.	Pub. L. 117-103, 136 Stat. 49

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor _____ certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid/proposal. Information on debarment is available at the following websites: www.sam.gov and https://acguisition.qov/far/index.html see section 52.209-6.

The Contractor _____ certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)

(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the contractor agrees as follows:

1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

CIVIL RIGHTS COMPLIANCE PROVISIONS (CONTINUED)

8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

SECTION 3. PROPOSAL SUBMISSION INSTRUCTIONS AND SPECIAL REQUIREMENTS

The following requirements and instructions **supersede** General Requirements where applicable.

3.1. SUBMISSION OF PROPOSAL

Each Respondent shall ensure that required parts of the RFP response are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Respondent is responsible for submitting: One (1) original and five (5) response copies; with all copies to include a completed copy of this specifications packet, in its entirety.

The County requests that response submissions NOT be bound by staples or glued spines.

Respondent shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or RFQ updates. https://jeffersoncountytx.gov/Purchasing/.

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Reponses must be submitted in complete original form by mail or messenger to the following address:
Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

Respondent shall submit response in a tightly sealed opaque envelope or box, plainly marked "SEALED RFP RESPONSE." The outside of the envelope of box shall also include the RFP Number, RFP Name, RFP Due Date, and the Respondent's Name and Address; and shall be addressed to the Purchasing Agent.

All submissions must be received by 11:00 am CT, Wednesday, February 18, 2026

- Late responses will not be accepted and will be returned unopened to the Respondent.
- Jefferson County will not accept any responsibility for responses being delivered by third party carriers.
- RFP responses will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.
- Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this RFP.
- All responses submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.
- All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

Please direct questions to Cindy Greene, Contract Specialist at 409-835-8593 or via email at cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

Courthouse Security:
All visitors to the Courthouse must pass through Security. Respondents planning to hand deliver proposals must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal. Mondays and Tuesdays are particularly heavy days.

In response to the Covid-19 pandemic, Jefferson County will be implementing precautionary measures as currently recommended by the CDC within its facilities.

Respondents are strongly urged to plan accordingly.

COUNTY HOLIDAYS (2026):

~~January 1, 2026 (Thursday) - New Year's~~
January 19 (Monday) - Martin Luther King, Jr. Day
April 3 (Friday) - Good Friday
May 25 (Monday) - Memorial Day
June 19 (Friday) - Juneteenth
July 3 Observed (Friday) - Independence Day
September 7 (Monday) - Labor Day
November 11 (Wednesday) - Veteran's Day
November 26 & 27 (Thursday & Friday) - Thanksgiving
December 24 & 25 (Thursday & Friday) Christmas

Submissions During Time of Inclement Weather, Disaster, or Emergency:

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the RFP closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the RFP and urgent County requirements preclude amendment to the RFP, the time specified for receipt of Statements of Qualifications will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

3.2 PRE-PROPOSAL CONFERENCE

Due to the nature of this RFP, there will not be a Pre-Proposal Conference. If you would like to schedule a site visit, please contact. Cindy Greene, Contract Specialist at 409-835-8593 or via email at cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

Proposals will be opened publicly in a manner to avoid public disclosure of contents; however, only names of Proposers will be read aloud.

3.3 QUESTIONS AND DEADLINE FOR QUESTION SUBMISSION

Questions may be emailed to **Cindy Greene, Contract Specialist at cynthia.greene@jeffersoncountytx.gov or faxed at: 409-835-8456. If no response in 72 hours, contact Deborah Clark, Purchasing Agent via email at deb.clark@jeffersoncountytx.gov.**

The Deadline for asking questions or requesting additional information (in writing) **is 5:00 pm, CT, Friday, January 30, 2026.**

3.4 TENTATIVE SCHEDULE OF EVENTS

January 13, 2026	**Issuance of Request for Proposal**
February 18, 2026	**Deadline Submission (late proposals will not be considered)**
February 20, 2026	**Proposals distributed to Evaluation Committee**
February 24, 2026	**Evaluation Committee Convenes to Tabulate Scoring and Determines Short List**
February 27, 2026	**If Applicable: Conduct Interview/Best and Final Offer/Short List**
March 4, 2026	**Recommendation for Award**

Please note:
The above schedule of events is *tentative* in nature. Dates listed are subject to change.

SECTION 4. PROPOSAL FORMAT REQUIREMENTS

4.1 INTRODUCTION TO PROPOSAL FORMAT REQUIREMENTS

Each proposal submitted in response to this RFP must be organized to correspond with those numbered sections of this RFP that require a response. Failure to arrange the proposal as requested may result in the disqualification of the proposal. Conciseness and clarity of content are emphasized and encouraged. Vague and general proposals will be considered non-responsive, and will result in disqualification. The response must be complete. Failure to provide the required information may result in the disqualification of the proposal. All pages of the proposal must be numbered and the proposal must contain an organized, paginated table of contents corresponding to the sections and pages of the proposal.

The County requests that proposal submissions NOT be bound by staples or glued spines.

4.2 ORGANIZATION OF PROPOSAL CONTENTS

Each proposal must be organized in the manner described below:

A. Transmittal Letter

B. Table of Contents

C. Executive Summary

D. Proposer Identifying Information

E. Proposer Personnel and Organization

F. Cost Proposal Form Page 50

G. Copy of RFP Specifications and any Addenda in their entirety.
(Note: All forms should be completed, and any information requested should be inserted/included)

4.3 TRANSMITTAL LETTER

The Proposer must submit a transmittal letter that identifies the entity submitting the proposal, and includes a commitment by that entity to provide the services required by the County. The transmittal letter must state that the proposal is valid for (**90)** days from the deadline for delivery of proposals to the County. Any proposal containing a term of less than (**90)** days for acceptance will be rejected as non-responsive.

The transmittal letter must be signed by a person legally authorized to bind the Proposer to the representations in the response. In the case of a joint proposal, each party must sign the transmittal letter. The Proposer also must indicate, in its transmittal letter, why it believes that it is the most qualified Proposer to provide the services described in this RFP.

The transmittal letter must include a statement of acceptance of the terms and conditions of the contract resulting from this RFP. If Proposer takes exception to any of the proposed terms and conditions stated in this RFP, those exceptions must be noted in the transmittal letter. However, Proposer must realize that failure to accept the terms specified in this proposal may result in disqualification of the proposal.

4.4 TABLE OF CONTENTS

Each proposal must be submitted with a table of contents that clearly identifies and denotes the location of each title and subtitle of the proposal. Additionally, the table of contents must clearly identify and denote the location of all enclosures of the proposal. The table of contents must follow the RFP's structure as much as is practical.

4.5 EXECUTIVE SUMMARY

The Proposer must provide an executive summary of its proposal that asserts that the Proposer is providing in its response all of the requirements of this RFP. The executive summary must not exceed three (3) pages, and must represent a full and concise summary of the contents of the proposal. The executive summary must not include any information concerning the cost of the proposal. The Proposer must identify any services that are provided beyond those specifically requested. If the Proposer is providing services that do not meet the specific requirements of this RFP, but in the opinion of the Proposer are equivalent or superior to those specifically requested, any such differences must be noted in the executive summary. However, the Proposer must realize that failure to provide the services specifically required may result in disqualification of the proposal.

4.6 PROPOSER IDENTIFYING INFORMATION

Proposers must provide the following identifying information with their proposal submission:

a. Name and address of business entity submitting the proposal;

b. Type of business entity (i.e., corporation, partnership);

c. Place of incorporation, if applicable;

d. Name and location of major offices and other facilities that relate to the Proposer's performance under the terms of this RFP;

e. Name, address, business and fax number of the Proposer's principal contact person regarding all contractual matters relating to this RFP;

f. The Proposer's Federal Employer Identification Number, Jefferson County Vendor Number and Jefferson County Business License Number, if any;

g. Full name and address for each member, partner, and employee of the Proposer (and any subcontractors) who will perform services on this project; and

h. A statement regarding the financial stability of the Proposer, including the ability of the Proposer to perform the functions required by this RFP and to provide those services represented by the Proposer in its response.

4.7 PROPOSER'S PERSONNEL AND ORGANIZATION

The Proposer must provide resumes of all key personnel that will be involved in performing the project, and must provide for each person:

a. Full name (including full middle name);

b. An employment history;

c. A specific description of relevant experience and skills that person has in connection with the conduct of financial advisory services that is the subject of this RFP (limit one page);

d. A specific indication of what role the individual will have in this project; and

e. Any additional helpful information to indicate the individual's ability to aid the Proposer in successfully performing the work involved in this RFP (limit to one page).

The resumes must present the required personnel in sufficient detail as to provide the County an indication that the personnel involved can perform the work specified in this RFP. All proposed personnel will be subject to the County approval.

Jefferson County is committed to using the selected Performance Review Company according to reasonable and well-planned timeframes, to the extent possible. Jefferson County is committed to making available its personnel in a similar manner to enable the Performance Review team able to perform its duties in a timely basis.

Each Proposer is required to make a statement as to the availability of key personnel to Jefferson County when required. The key personnel who are to work on this project, identified in the proposal as such, are considered to be essential to the services to be provided. No substitutions of key personnel following contract award will be made without the prior written consent of Jefferson County Commissioners' Court. All requested substitutes must be submitted to the Jefferson County Commissioners' Court, or, together with their resumes, for approval.

Each of the successful Proposer's personnel is subject to removal from this project by Jefferson County Commissioners' Court. In addition, if the person removed is among the project's key personnel, the replacement must be approved by Jefferson County Commissioners' Court. All replacements of key personnel will be paid at the same rate as the person who was replaced, unless the rate normally charged by the replacement is lower, in which case the lower rate will be paid. All replacements of key personnel must be of equal or superior experience as the person replaced.

If applicable, each Proposer must provide a detailed statement setting forth the proposed hourly billing rate for all key personnel, and for each additional staff member to be assigned to the project. The hours each of the key personnel and other staff members are projected to work on the project.

Each Proposer must provide any equipment, software, or data communication lines required by the successful Proposer's personnel to complete the work specified in this document. Each Proposer also must identify any personnel related through blood or marriage to the County or to any current employee of the County.

Each Proposer must provide an organizational chart covering the services offered in its proposal, indicating lines of authority, names, titles, and functions of individuals assigned. The Proposer must assign a contact person to the project.

SECTION 5. PROJECT OBJECTIVE AND SCOPE OF SERVICES

5.1 OBJECTIVE

Jefferson County seeks a Contractor to provide Cafeteria Services for Jefferson County Courthouse. The contractor shall occupy, staff and operate a café serving breakfast, lunch and break time offerings in a cafeteria style format within the space specified in Attachment A (floor plan). It is the intention of Jefferson County that the food and beverage service be of high quality. All food and beverage areas shall be kept clean, orderly and sanitary at all times and in strict accordance with all applicable food service establishment requirements, laws, ordinances, rules and regulations of this IFB. The successful contractor will pay Jefferson County a monthly lease. The cafeteria shall operate Monday through Friday, with the exception of County Holidays and Mandated Disaster Closures during the hours of/or about 7:00 am – 3:30 pm. The current County Holidays are as follows (this is subject to change):

New Year's Day
Martin Luther King, Jr. Day
Good Friday
Memorial Day
Juneteenth
Independence Day
Labor Day
Veterans' Day
Thanksgiving Day
Day after Thanksgiving
Christmas Eve
Christmas Day

5.2 BACKGROUND

Jefferson County has approximately 1200 full and part time employees. Members of the general public visiting the Courthouse are also available as a customer base. The existing 3,500 square foot cafeteria facility seats approximately 97 persons and is equipped with tables and chairs in the dining area. The kitchen/serving area is equipped with, but not limited to, basic modern commercial grade hardware for cooking, cooling and freezing, heating, baking, frying, mixing and washing. The cafeteria also has food preparation areas, cold and hot food serving lines, and seating areas. There are two conference rooms in the cafeteria area that the contractor can use.

5.3 REQUIRED INFORMATION

The following information shall be included in the offeror's proposal:

- Provide approach to making the Courthouse Café successful and approach to sustaining a versatile healthy and casual dining experience at a reasonable price.

- State any food service experience with a list of owned/operated food service establishments. Include time periods.

- Provide a versatile menu of items that the contractor will offer including pricing. The menu must include healthy food options (i.e. salads, grilled chicken, sandwiches). The sample menu must include full meal pricing as well as a la carte pricing. Breakfast, lunch and break time meals shall be included. Include proposed hours of operation. The following are the suggested time periods:

    - Breakfast: 7:00 am – 10:00 am
    - Break Time Snack: 10:00 am – 11:00 am and 1:30 pm – 3:30 pm
    - Lunch: 11:00 am – 1:30 pm

- Proposed monthly lease amount should be included on the Cost Proposal Form (page 50) of the RFP.

- Provide any additional information pertinent to the offeror's proposal.

5.4 RESPONSIBILITIES OF THE COUNTY

- Grant to the contractor for a stipulated period, subject to the contract requirements and conditions set herein, the right to establish, manage, and operate a cafeteria-type restaurant and snack bar within the County Courthouse and, in connection therewith, to prepare and sell food, non-alcoholic beverages, and other such products as the County may authorize.

- Approve any and all designs, furnishings, decorations, alterations, improvements, advertisements, etc. prior to any such action being taken by the contractor.

- Provide the cafeteria facility standard utilities at no charge to the contractor.

- Provide all preventative maintenance and repairs on all County owned equipment related to the cafeteria operation, including, but not limited to, refrigerators, coolers, freezers, ice machines, stoves, grills, warmers, serving lines, etc. that are used directly by the cafeteria operation.

- Maintain all building systems (HVAC, electrical, structural, etc.)

- Pest control services for the cafeteria will be provided by the County.

- Jefferson County carries the responsibility to correct any repair of County structures or County equipment as a result of inspection violation by state and local authorized health department offices, fire department and other agencies relative to safety requirements.

- Jefferson County will complete a background check and issue identification badges to all employees of the Contractor. These identification badges must be worn at all times. It is the responsibility of the Contractor to notify the County of any termination or hire of employees.

- Jefferson County will issue keys to the Contractor for the Cafeteria area. It is the responsibility of the Contractor to report any lost or damaged keys to the County.

5.5 RESPONSIBILITES OF THE CONTRACTOR - OPERATIONS

- Operate and manage, under the Contractor's name, a cafeteria type operation within the County Courthouse Cafeteria.

- Purchase, prepare and serve all cafeteria food items. Grilling and/or cooking of foods on site is desired. The menu offerings could be prepared off site and transported to the cafeteria; however, on-site is preferred. Food items prepared off-site must be prepared at a location and transported conforming to all food establishment and health department requirements of this Invitation for Bid. Breakfast, lunch and break food options must be provided. Meal service shall include dine-in and to-go orders.

- County is not responsible for any loss or damage resulting from a power failure, natural or man-made disaster.

- Provide all cookware, dishes and utensils need for food preparation and service.
- Provide all condiments, containers, plates, utensils, napkins and to-go containers for food service.
- Provide fountain drink dispensing machines and/or coolers.
- Contractor is responsible for maintaining their equipment.
- Ensure proper and adequate staffing to provide efficient services.
- Contractor shall comply with all laws (State and Federal), and local ordinances, as they may relate to employment practices.
- Proper food handling gloves and proper hair restraints are required.
- Provide all custodial and janitorial service to the cafeteria area during all normal hours of operation. Contractor will provide all cleaning supplies necessary to maintain the Courthouse Cafeteria. Trash must be removed daily.
- The business must be operated and maintained at all times in compliance with any and all applicable health and sanitary standards prescribed by Jefferson County Environmental Control. We have included a cleaning schedule as an example of our expectations and stewardship while leasing Jefferson County property. (Attachment B)
- Contractor will comply with Jefferson County Best Management Practices for Fats, Oil and Grease (FOG) Control Program. (Attachment C)
- Comply with FDA Code 2017 with the Texas Supplement.
- Contractor shall be responsible for all licenses and permits necessary to comply with all local, state and federal mandates pertaining to food service operations. The Food Permit is issued through Jefferson County Environmental Control.
- Contractor is responsible for correcting any violations issued by state and local authorized health department officials that do not pertain to the repair of County owned equipment or structures.
- Display all menu items and menu pricing. This includes meals, beverages and a la carte items. Make every effort to adhere to reasonable food cost ranges as submitted in the proposal. The pricing must be posted and displayed in a manner that is visible to all prospective patrons from a distance as well as close up. Menu board purchase shall be the responsibility of the Contractor and must be approved by the County.
- Contractor must accept cash, credit and debit cards as a method of payment for goods and services. All equipment and fees associated with credit and debit card transactions will be the responsibility of the Contractor. Any fees to be collected for any purchases when a credit or debit card is used must be approved by the County.
- Schedule outside vendors for conference room rental space in the cafeteria area and collect appropriate fees.

5.6 RESPONSIBILITES OF THE CONTRACTOR – EMPLOYEES

- All employees must pass a background check through the County.
- Employees must wear their County issued Identification Badge at all times.

- Provide any and all employees insurances and/or benefits to its employees. The County assumes absolutely no responsibility pertaining thereto.
- Assume full and total responsibility and liability for all employees and operation of the Contractor.
- One licensed Food Manager is required. All other staff must have a Food Handler License. The training course must be accredited by the Texas Department of State Health Services (DSHS) or American National Standards Institute (ANSI).
- All employees must complete a Conditional or Food Employee Reporting Agreement. (Attachment D)
- Ensure employees are properly attired/uniformed when performing work assignments.

5.7 TERMS

- Contract Term: One (1) year from the date of award with an option to renew for four (4) additional one-year renewals.
- The monthly lease payment is due by the 5th of each month.
- The physical facilities made available to the contractor under this contract shall only be used by the contractor during regular County business hours.
- Any modifications to the cafeteria space must be approved by Jefferson County due to historical purposes.
- Menu pricing changes must be approved by the County.

SECTION 6. PROPOSAL REQUIREMENTS

6.1 OBJECTIVE OF PROPOSAL

Each proposal must include a detailed work plan that addresses how work for Jefferson County would be performed. It shall include detailed personnel assignments. A detailed description of major deliverables to be provided must also be included.

The proposal must include a sample timeline for the completion of each major task included in the proposal to the extent practicable, as well as projected completion dates for each major activity required. All proposals submitted in response to this RFP become the property of Jefferson County.

6.2 PROPOSER EXPERIENCE

The Successful Proposer must demonstrate extensive experience in and understanding of the nature of research and analysis required in order to carry out the intent of this project.

The proposal must identify all key personnel who are to be part of the proposed consultant team and detail their experience. Jefferson County Commissioners' Court reserves the right to approve each member of the team and to request substitutions.

The Proposer must describe in detail the current and historical experience the Proposer and its subcontractors have that would be relevant to completing the project. The Proposer must provide descriptions and references for all engagements of comparable complexity and sensitivity to the requirements of this RFP that have been conducted within the past five (5) years. References must contain the name of key contacts and a telephone number. The description of experience must be detailed and cover all relevant contracts that the Proposer and its subcontractors, as applicable, have had and all experience similar to this contract that qualifies the Proposer to meet the requirements of this contract. Included must be the names, titles, addresses, and current telephone numbers of organizations that may be contacted to verify qualifying experience

The Proposer must indicate whether the organizations so listed are included for the purpose of verifying the Proposer's qualifying experience, or the qualifying experience of its subcontractors. Each experience statement also must include the name and types of services directly provided by the Proposer under the contract, and whether the Proposer was the contractor or subcontractor.

The Proposer must briefly state why it believes its proposed services best meet the County's needs and RFP requirements, and the Proposer also must concisely describe any additional features, aspects, or advantages of its services in any relevant area not covered elsewhere in its proposal.

6.3 TYPE OF SERVICES PROVIDED BY PROPOSER

A. A description of services that may be utilized under this RFP includes:

1. Food Services

6.4 LAWS AND REGULATIONS

The Food Service Firm(s) must comply with all laws, ordinances, and rules and regulations which govern the work specified in this contract.

SECTION 7. PROPOSAL EVALUATION AND SELECTION PROCESS

7.1 INTRODUCTION TO EVALUATION AND SELECTION PROCESS

The proposal evaluation and selection process is detailed in this section, as are other factors, and the format in which the cost response of each proposal must be submitted.

7.2 COST PROPOSAL

The Proposer must utilize the form provided on **PAGE 50 of these specifications** in its submission of a cost proposal in response to this RFP. The cost proposal must be included in each copy of the proposal. Any reworked version of this provided form that is intended to be a substitute for **PAGE 50 of these specifications**, that is provided by a Proposer may be determined as non-responsive, and may result in the proposal's disqualification.

7.3 EVALUATION COMMITTEE

Because of the diversity of the departments and activities of the County, the Purchasing Agent will appoint the Evaluation Committee for this Request for Proposals. The Purchasing Agent may appoint a chairperson and no less than two (2) other members for the committee. Typically, the committee will consist of at least one professional in the task required, a person knowledgeable about procurement practices, and either a representative of the department requesting the project, or the department executing the project. However, this structure is not binding and subject to change at the discretion of the Purchasing Agent. Other members may be appointed to the Evaluation Committee as necessary and appropriate, but the total number of persons committee shall not exceed five (5) persons. Committee appointments shall be in writing and shall briefly describe the scope of the project and, if necessary, the primary disciplines required to accomplish the project in order to assist the committee in developing a list of firms that might best accomplish the work required. Committee membership and project requirements will vary from project to project. Therefore, a firm rated number one for one project could be considered not qualified or ranked lower on another project.

7.4. EVALUATION PROCESS

RFP Submittals that do not conform to the instructions or which do not address all the services as specified within this RFP specifications packet may be eliminated from consideration. However, Jefferson County reserves the right to accept such a submittal if it is determined to be in the best interest of the County.

While Jefferson County appreciates a brief, straight-forward, and concise reply; proposer must fully understand that the evaluation is based on the information provided. Accuracy and completeness are essential. Omissions, ambiguous, and equivocal statements may be construed against the proposer. The proposal document may be incorporated into any contract which results from this RFP, and vendor(s) are cautioned not to make claims or statements it is not prepared to commit to contractually. Failure of the vendor to meet such claims will result in a requirement that the vendor provide resources necessary to meet submitted claims.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions may not be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer. **Vendors shall not contact any Jefferson County personnel during the RFP process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.**

All correspondence relating to this RFP, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this RFP shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee and Commissioners' Court. Proposals, vendor presentations, and product/service evaluations may develop into

negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct negotiations with vendor representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

7.5 PROPOSAL EVALUATION CRITERIA:

a. RESPONSIVENESS – 15%

This refers to the proposal's complete responsiveness to all written specifications and requirements contained in this RFP. This includes all information required in this RFP.

b. IMPLEMENTATION PLAN – 25%

Emphasis is on the efficiency and comprehensiveness of the methods to be used in performing the services requested by this RFP and in managing the project. This is the implementation plan that will be used in making the Courthouse Café successful and sustainable.

c. PROPOSER QUALIFICATIONS – 25%

This refers to the overall qualifications of Proposer and its past experience in providing similar food services to those requested by this RFP. It also refers to an evaluation of the quality of Proposer's performance on previous local government projects.

d. FOOD SERVICE OFFERINGS – 25%

This refers to the food service menus of the proposer. A variety of food choices must be on the proposed menu including healthy options.

e. PROPOSED LEASE AMOUNT – 10%

This is the proposed lease amount. While this will be an important factor, it will be considered as just one factor in the evaluation and selection process.

PROPOSER: INSERT ALL ADDENDA BEHIND THIS PAGE.
PLEASE BE SURE TO COMPLETE, SIGN, ATTEST, AND DATE EACH ADDENDUM.

COST PROPOSAL FORM:

Using this form, each Proposer must state its proposed lease amount. Cost will be a factor in the County's selection process.

NON-DISCLOSURE AGREEMENT

In consideration of Jefferson County retaining the services of a consultant and because of the sensitivity of certain information which may come under the care and control of Consultant, both parties agree that all information regarding the County or any selected County agency subject to this Contract; or gathered, produced, or derived from this project (Confidential Information) must remain confidential subject to release only by permission of the County, and more specifically agree as follows:

Media releases pertaining to this RFP and/or any resulting contract, or the services to which they relate, will not be made without the prior written consent of the County, and then only in accordance with explicit written instructions from the County. The disclosure of the contents of proposals prior to the award of a contract under this RFP, or any other violation of this section, may result in disqualification.

1. The Information may be used by Consultant only to assist Consultant in connection with its engagement with the County.
2. Consultant will not, at any time, use the Information in any fashion, form, or manner except in its capacity as independent consultant to the County.
3. Consultant agrees to maintain the confidentiality of any and all deliverables resulting from this Contract in the same manner that it protects the confidentiality of its own proprietary products of like kind.
4. The Information may not be copied or reproduced without the County's written consent.
5. All materials made available to Consultant, including copies thereof, must be returned to County upon the first to occur of; (a) completion of the project, or (b) request by the County.
6. The foregoing must not prohibit or limit Consultant use of the information (including, but not limited to, ideas, concepts, know-how, techniques and methodologies) (a) previously known to it, (b) independently developed by it, (c) acquired by it from a third party, or (d) which is or becomes part of the public domain through no breach to Consultant of this agreement.
7. This agreement shall become effective as of the date Information is first made available to Consultant and must survive the contract and be a continuing requirement.
8. The breach of this Nondisclosure Agreement by Consultant shall entitle the County to immediately terminate the Agreement upon written notice to Contractor for such breach. The parties acknowledge that the measure of damages in the event of a breach of this Nondisclosure Agreement may be difficult or impossible to calculate, depending on the nature of the breach. Regardless of whether the County elects to terminate the Agreement upon the breach hereof, the County may require Consultant to pay to the County the sum of $1,000 for each breach as liquidated damages. This amount is not intended to be in the nature of a penalty, but is intended to be a reasonable estimate of the amount of damages to the County in the event of a breach hereof by Consultant. Comptroller does not waive any right to seek additional relief, either equitable or otherwise, concerning any breach of this Agreement.

As permitted under Article 4413 (32c) V.A.C.S., other governmental entities may wish to participate under the same terms and conditions contained in this contract (i.e., piggyback). In the event any other entity participates, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. Jefferson County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by another entity. Each entity reserves the right to determine their participation in this contract.

Would Respondent be willing to allow other governmental entities to piggyback off this contract, if awarded, under the same terms and conditions?.....**Yes** ☐ **No** ☐

This Proposal/RFP Response shall remain in effect for **90 days** from RFP opening and shall be exclusive of federal excise and state and local sales tax (exempt).

The undersigned agrees, if this proposal is accepted, to furnish any and all items upon which prices are offered, at the price and upon the terms and conditions contained in the Request for Statements of Qualification, Conditions of RFP Response, Terms of Contract, and Specifications and all other items made a part of the accepted contract.

The undersigned affirms that they are duly authorized to execute the contract, that this company, corporation, firm, partnership or individual has not prepared this RFP response in collusion with any other Respondent, and that the contents of this RFP response as to prices, terms or conditions of said response have not been communicated by the undersigned nor by any employee or agent to any other RFP Respondent or to any other person(s) engaged in this type of business prior to the official opening of this RFP. And further, that neither the Respondent nor their employees nor agents have been for the past six (6) months directly nor indirectly concerned in any pool or agreement or combination to control the price of goods or services on, nor to influence any person to respond or not to respond thereon.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether sub-awardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.

4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the sub-awardee, e.g., the first sub-awardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.

5. If the organization filing the report in item 4 checks “Sub-awardee,” then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.

7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.

8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitations for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Included prefixes, e.g., “RFP-DE-90-001.”

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.

(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).

11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB control Number. The valid OMB control number for this information collection is OMB No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503

Approved by OMB

CONFLICT OF INTEREST QUESTIONNAIRE
For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

(A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;

(B) a transaction conducted at a price and subject to terms available to the public; or

(C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

***

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds $2,500 during the 12-month period preceding the date that the officer becomes aware that

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than $100 in the 12-month period preceding the date the officer becomes aware that:

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);

(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or

(3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

(A) begins discussions or negotiations to enter into a contract with the local governmental entity; or

(B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

(A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

(B) that the vendor has given one or more gifts described by Subsection (a); or

(C) of a family relationship with a local government officer.

CONFLICT OF INTEREST QUESTIONNAIRE

CONFLICT OF INTEREST QUESTIONNAIRE — FORM CIQ

For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. *See* Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY

Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information in this section is being disclosed.**

_____
Name of Officer

This section (item 3 including subparts A, B, C, & D) must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes ☐ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☐ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more?

☐ Yes ☐ No

D. Describe each employment or business and family relationship with the local government officer named in this section.

GOOD FAITH EFFORT (GFE)

Determination Checklist

This information must be submitted with your proposal.

Instructions: In order to determine if a "Good Faith Effort" was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/ Consultant's bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .

☐ Yes ☐ No 1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?

☐ Yes ☐ No 2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?

☐ Yes ☐ No 3. **Provide** HUBs that were genuinely interested in bidding on a subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant's organization)?

☐ Yes ☐ No 4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive bidders?

☐ Yes ☐ No 5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?

☐ Yes ☐ No 6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.**

If "No" was selected, please explain and include any pertinent documentation with your proposal.
If necessary, please use a separate sheet to answer the above questions.

RESIDENCE CERTIFICATION/TAX FORM

Pursuant to Texas Government Code §2252.001 *et seq*., as amended, Jefferson County requests Resident Certification. §2252.001 *et seq*. of the Government Code provides some restrictions on the awarding of governmental contracts; pertinent provisions of §2252.001 are stated below:

(3) "Non-resident RFP Respondent" refers to a person who is not a resident.

(4) "Resident RFP Respondent" refers to a person whose principal place of business is in this state, including a contractor whose ultimate parent company or majority owner has its principal place of business in this state.

☐ I certify that _____ [company name] is a Resident Respondent of Texas as defined in Government Code §2252.001.

☐ I certify that _____ [company name] is a Non-Resident Respondent as defined in Government Code §2252.001 and our principal place of business is _____ _____ (city and state).

HOUSE BILL 89 VERIFICATION

I, _____, the undersigned representative of (company or business name)_____ (heretofore referred to as company) being an adult over the age of eighteen (18) years of age, after being duly sworn by the undersigned notary, do hereby depose and verify under oath that the company named above, under the provisions of Subtitle F, Title 10, Government Code Chapter 2270:

1. Does not boycott Israel currently; and
2. Will not boycott Israel during the term of the contract.

Pursuant to Section 2270.002, Texas Government Code:

1. "**Boycott Israel**" means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made ordinary business purposes; and

2. "**Company**" means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or an limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business association that exist to make a profit.

RESPONDENT'S AFFIDAVIT

I have carefully examined the Request for Proposal Specifications, and any other documents accompanying or made a part of this Request for Proposals.

I hereby propose to furnish the goods or services specified in the Request for Proposal. I agree that my proposal will remain firm for a period of up to **90 days** in order to allow Jefferson County adequate time to evaluate the qualifications submitted.

I verify that all information contained in this proposal is truthful to the best of my knowledge and belief. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its act and deed and that the firm is ready, willing and able to perform if awarded the contract.

I further certify, under oath, that this proposal is made without prior understanding, agreement, connection, discussion, or collusion with any other person, firm or corporation submitting a proposal for the same product or service: no officer, employee or agent of Jefferson County or any other Respondent is interested in said proposal: and that the undersigned executed this Respondent's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

ATTACHMENT C

Best Management Practices

Fats, Oils, and Grease (FOG) Control Program

Fats:

Fats are solid at room temperature; butter, shortening, margarine, peanut butter, meat trimmings, uncooked poultry skins, and dairy.

Oils:

Oils are liquid at room temperature; vegetable, canola, corn, and cooking oils.

Grease:

Grease turns to liquid during cooking but solidifies when cooled; gravy, mayonnaise, melted meat fat, bacon, sausage, boiled poultry skin, and salad dressings.

Consequences of Improper FOG Disposal:

- Rancid odors
- Sewage overflow into businesses, yards, parks, and public streets due to clogged pipes
- Expensive cleanup, repair, and replacement of damaged property. Property owners are responsible for all pipes from their building out to the main line.
- Potential contact with microorganisms that can cause gastroenteritis and hepatitis

Inside the kitchen:

- Service and clean grease retention device on a regular basis.
- Educate staff on FOG management and requirements.
- Post "NO GREASE" signs above kitchen sinks and drains.
- "Dry wipe" all pots, pans, plates, and utensils before washing.
- Keep a Spill Kit in the kitchen that consists of material like kitty litter or absorbent pads.
- Dispose of food waste by recycling and/or solid waste removal.
- Routinely clean kitchen exhaust system filters and hoods.
- Install removable screens on kitchen drains with openings no bigger than 3/16in, clean frequently.
- Never put eggshells, coffee grounds, or kitty litter down the drain or in the toilet.

In the event of a FOG spill

- Begin cleanup immediately.
- Never use detergents or degreasers.
- Seal off any nearby storm drains.
- If the spill is unmanageable, contact a clean-up contractor and the appropriate agency.
- Never wash the spill or clean-up materials into the street or storm drains.
- Dispose of clean-up materials into a garbage bag.

*The café will also utilizes disposable products (take-away packaging) to serve food in eliminating the need to wash customer dishes.

Owner/Kitchen Manager Date

ATTACHMENT D

Conditional or Food Employee Reporting Agreement

The purpose of this agreement is to inform conditional employees or food employees of their responsibility to notify the person in charge when they experience any of the conditions listed so that the person in charge can take appropriate steps to preclude the transmission of foodborne illness.

I AGREE TO REPORT TO THE PERSON IN CHARGE:
Any Onset of the Following Symptoms, Either While at Work or Outside of Work, Including the Date of Onset

1. Diarrhea
2. Vomiting
3. Jaundice
4. Sore throat with fever
5. Infected cuts or wounds, or lesions containing pus on the hand, wrist, an exposed body part, or other body part and the cuts, wounds, or lesions are not properly covered(*such as boils and infected wounds, however small)*

Future Medical Diagnosis**:**
Whenever diagnosed as being ill with norovirus, typhoid fever (***Salmonella*** Typhi), shigellosis (***Shigella* spp.** infection), ***Escherichia coli*** O157:H7 or other EHEC/STEC infection, or hepatitis A (hepatitis A virus infection)

Future Exposure to Foodborne Pathogens**:**

1. Exposure to or suspicion of causing any confirmed disease outbreak of norovirus, typhoid fever, shigellosis, ***E. coli*** O157:H7 or other EHEC/STEC infection, or hepatitis A.
2. A household member diagnosed with norovirus, typhoid fever, shigellosis, illness due to EHEC/STEC, or hepatitis A.
3. A household member attending or working in a setting experiencing a confirmed disease outbreak of norovirus, typhoid fever, shigellosis, ***E. coli*** O157:H7 or other EHEC/STEC infection, or hepatitis A.

I have read (or had explained to me) and understand the requirements concerning my responsibilities under the Food Code **and this agreement to comply with:**

1. **Reporting requirements specified above involving symptoms, diagnoses, and exposure specified;**
2. **Work restrictions or exclusions that are imposed upon me; and**
3. **Good hygienic practices.**

I understand that failure to comply with the terms of this agreement could lead to action by the food establishment or the food regulatory authority that may jeopardize my employment and may involve actions against me.

LEGAL NOTICE
Advertisement for Request for Proposal

January 13, 2026

Notice is hereby given that sealed proposals will be accepted by the Jefferson County Purchasing Department for Request for Proposals (RFP 26-002/CG), **Cafeteria Services for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327. Specifications for this project may be obtained from the Jefferson County website,** https://jeffersoncountytx.gov/Purchasing/ **, or by calling 409-835-8593.**

Proposals are to be sealed and addressed to the Purchasing Agent with the proposal number and name marked on the outside of the envelope or box. Proposers shall forward an original and five (5) hard copies of their proposal to the address shown below. Late proposals will be rejected as non-responsive. Proposals will be publicly opened and only the firm name will be read aloud in the Jefferson County Engineering Conference Room (5th Floor, Historic Courthouse) 1149 Pearl Street, Beaumont, Texas 77701 at the time and date below. Proposals shall be opened in a manner that avoids disclosure of the contents to competing Proposers and maintains the confidentiality of the proposals during negotiations. Proposals will be open for public inspection after the award of the contract, except for trade secrets and confidential information. Proposers are invited to attend the sealed proposal opening.

To arrange a site visit, contact Cindy Greene, Contract Specialist at 409-835-8593 or via email at cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

PROPOSAL NAME:	**Cafeteria Services for Jefferson County, Pursuant to Chapter 262, Texas Local Government Code, the County Purchasing Act and 2 CFR Sections 200.318-327.**
PROPOSAL NUMBER:	**RFP 26-002/CG**
DUE DATE/TIME:	**11:00 AM CT, Wednesday, February 18, 2026**
MAIL OR DELIVER TO:	**Jefferson County Purchasing Department** **1149 Pearl Street, 1st Floor** **Beaumont, Texas 77701**

Any questions relating to these requirements should be directed to Cindy Greene, Contract Specialist at 409-835-8593 or via email at cynthia.greene@jeffersoncountytx.gov. If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at deb.clark@jeffersoncountytx.gov.

Jefferson County encourages Disadvantaged Business Enterprises (DBEs), Minority/Women Business Enterprises (M/WBEs), and Historically Underutilized Businesses (HUBs) to participate in the bidding process. Jefferson County does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment, or the provisions of services. Individuals requiring special accommodations are requested to contact our office at least seven (7) days prior to the bid due date at 409-835-8593.

All interested firms are invited to submit a proposal in accordance with the terms and conditions stated in this bid.

Proposers are strongly encouraged to carefully read the entire invitation, as failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

PROPOSAL SUBMITTAL CHECKLIST

REQUIRED FORM
Proposer:
Please complete this form and include with proposal submission.

The Proposer's attention is especially called to the items listed below, which must be submitted in full as part of the proposal.

Failure to submit any of the documents listed below as a part of your proposal, or failure to acknowledge any addendum in writing with your proposal, or submitting a proposal on any condition, limitation, or provision not officially invited in this Request for Proposal (RFP) may cause for rejection of the proposal.

Proposer shall check each box indicating compliance.

THE ITEMS ON THE CHECKLIST BELOW MUST BE INCLUDED IN YOUR PROPOSAL SUBMISSION.

- ☐ Cover sheet identifying the contract/project being proposed, the name and address of the Proposer, the date of the proposal, and the email address, telephone, and facsimile numbers of Proposer.
- ☑ An acknowledgment and/or response to each section of the proposal.
- ☑ Form of business (e.g., corporation, sole proprietorship, partnership); if corporation the date and state of incorporation.
- ☐ Identification of three (3) entities for which the Proposer is providing or has provided Food Services of the type requested, including the name, position, and telephone number of a contact person at each entity.
- ☐ Completed and Signed FORM 1295.
- ☐ Copy of Certificate of Insurance (COI). The COI at a minimum should reflect your firm/company's general insurance coverage.
- ☐ Identification of all legal claims, demands, contracts terminated or lawsuits filed, threatened, or pending against the Proposer and/or its principal/officers for the last three (3) years, as well as identification of any administrative actions or warnings taken or issued by any federal, state, or local governmental agency to Proposer and/or its principals/officers with regard to the provision of the same or similar service as covered by this RFP, or the payment of monies under the terms of any agreement(s) relating to such services.
- ☐ **One (1) Original and five (5) Response Copies; with all copies to include a Completed Copy of this specifications packet, in its entirety.**

Each Proposer shall ensure that required parts of the response are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Please read the "Proposal Submittal Checklist" included in this package.

SECTION 1: INTRODUCTION TO PROPOSERS AND GENERAL REQUIREMENTS

This Request for Proposal (RFP) is to receive proposals from qualified firms regarding services for Cafeteria Food Services.

The following items are provided as general information and specifications as required by the Jefferson County Purchasing Department.

1.1 VENDOR INSTRUCTIONS

Read the document carefully. Follow all instructions. Proposer is responsible for fulfilling all requirements and specifications. It is imperative

General Requirements apply to all advertised requests for proposals; however, these may be superseded, whole or in part, by the Scope of Services, Guidelines and Specifications, Requested Responses and Information, or other data contained herein. Be sure your proposal package is complete.

1.2 GOVERNING LAW

Proposer is advised that these requirements shall be fully governed by the laws of the State of Texas and that Jefferson County may request and rely on advice, decisions, and opinions of the Attorney General of Texas and the County Attorney concerning any portion of these requirements.

1.3 AMBIGUITY, CONFLICT, OR OTHER ERRORS IN THE RFP

If Proposer discovers any ambiguity, conflict, discrepancy, omission or other error in the RFP, Proposer shall immediately notify the County of such error in writing and request modification or clarification of the document. Modifications will be made by issuing Addenda. Written notice will be given to all parties who have been furnished with the RFP without divulging the source of the request for the same. If the Proposer fails to notify the County prior to the date and time fixed for submission of proposals of an error or ambiguity in the RFP known to Proposer, or an error or ambiguity that reasonably should have been known to Proposer, then Proposer shall not be entitled to compensation or additional time by reason of the error or ambiguity or its later resolution.

The County may also modify the RFP, no later than 48 hours prior to the date and time fixed for submission of proposals, by issuance of an Addendum to all parties who have received the RFP. All addenda will be numbered consecutively, beginning with 1.

1.4 NOTIFICATION OF MOST CURRENT ADDRESS

Firms in receipt of this RFP shall notify Deborah L. Clark, Jefferson County Purchasing Agent, of any address changes, contact person changes, and/or telephone number changes no later than 48 hours prior to the date and time fixed for submission of proposals.

1.5 PROPOSAL PREPARATION COST

Cost for developing proposals is entirely the responsibility of Proposers and shall not be charged to Jefferson County.

1.6 SIGNATURE OF PROPOSAL

A transmittal letter, which shall be considered an integral part of the proposal, shall be signed by an individual who is authorized to bind the Proposer contractually. If the Proposer is a corporation, the legal name of the corporation shall be provided together with the signature of the officer or officers authorized to sign on behalf of the corporation.

If the Proposer is a partnership, the true name of the firm shall be provided with the signature of the partner or partners authorized to sign.

If the Proposer is an individual, that individual shall sign. If signature is by an agent, other than an officer of a corporation or a member of a partnership, a power of attorney or equivalent document must be submitted to the Jefferson County Purchasing Department prior to the submission of the proposal or with the proposal.

1.7 ECONOMY OF PRESENTATION

Proposals shall not contain promotional or display materials, except as they may directly answer in whole or in part questions contained in the RFP. Such exhibits shall be clearly marked with the applicable reference number of the question in the RFP. Proposals must address the technical requirements as specified in the RFP. All questions posed by the RFP must be answered concisely and clearly. Proposals that do not address each criterion may be rejected and not considered.

1.8 PROPOSAL OBLIGATION

The contents of the proposal and any clarification thereof submitted by the selected Proposer shall become part of the contractual obligation and incorporated by reference into the ensuing contract.

1.9 INCORPORATION BY REFERENCE AND PRECEDENCE

This Agreement is derived from (1) the RFP, written clarifications to the RFP and County's response to questions; (2) the Contractor's Best and Final Offer, and (3) the Contractor's response to the RFP.

In the event of a dispute under this Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) Amendments to the Agreement in reverse chronological order; (2) the Agreement, including the Scope of Work; (3) the Contractor's Best and Final Offer; (4) the RFP, including attachments thereto and written responses to questions and written clarifications; and (5) the Contractors response to the RFP.

1.10 GOVERNING FORMS

In the event of any conflict between the terms and provisions of these requirements and the specifications, the specifications shall govern. In the event of any conflict of interpretation of any part of this overall document, Jefferson County's interpretation shall govern.

1.11 IMPLIED REQUIREMENTS

Products and services not specifically mentioned in the RFP, but which are necessary to provide the functional capabilities described by the Proposer, shall be included in the proposal.

1.12 COMPLIANCE WITH RFP SPECIFICATIONS

It is intended that this Request for Proposals (RFP) describe the requirements and the response format in sufficient detail to secure comparable proposals. Failure to comply with all provisions of the RFP will result in disqualification.

1.13 VENDOR REGISTRATION: SAM (SYSTEM FOR AWARD MANAGEMENT)

Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: https://www.sam.gov

In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.

However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

1.14 FORM 1295 (TEXAS ETHICS COMMISSION)

FORM 1295 SUBMISSION REQUIREMENT/INSTRUCTIONS FOR RFP PROPOSERS:

ALL NON-EXEMPT PROPOSERS ARE REQUIRED TO SUBMIT COMPLETED FORM 1295 WITH PROPOSAL SUBMISSION.

INSTRUCTIONS:

(1) Submit a FORM 1295 online via the Texas Ethics Commission website link below.
Vendors must enter the required information on Form 1295, and print a copy of the completed form.
The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department WITH RFP PROPOSAL SUBMISSION.

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

SAMPLE: A sample of a completed FORM 1295 is included on PAGE 7.

FORM 1295 Implementation Background:

In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an "unsworn declaration" which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

FORM 1295 EXEMPTIONS:

What type of contracts are exempt from the Form 1295 filing requirement under the amended law?
The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and o any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

SAMPLE COMPLETED FORM 1295

VENDOR: FORM 1295 MUST BE COMPLETED/SUBMITTED ON TEXAS ETHICS COMMISSION WEBSITE. HARD COPY OF FORM 1295 IS TO BE PRINTED, COMPLETED, SIGNED, AND SUBMITTED WITH BID/PROPOSAL/AGREEMENT/CONTRACT. JEFFERSON COUNTY WILL CONFIRM RECEIPT OF COMPLETED HARD COPY WITH THE TEXAS ETHICS COMMISSION.

1.15 EMERGENCY/DECLARED DISASTER REQUIREMENTS

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, a contract (executed in response to this Request for Proposal) may be subjected to unusual usage. Contractor shall service the County during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in the contract shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the contract, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's supplier(s). Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

1.16 EVALUATION

Jefferson County reserves the right to use all pertinent information (also learned from sources other than disclosed in the RFP process) that might affect the County's judgment as to the appropriateness of an award to the best evaluated Proposer. This information may be appended to the proposal evaluation process results. Information on a service provider from reliable sources, and not within the service provider's proposal, may also be noted and made part of the evaluation file. Jefferson County shall have sole responsibility for determining a reliable source. Jefferson County reserves the right to conduct written and/or oral discussions/interviews after the proposal opening. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award is in the best interest of Jefferson County.

1.17 WITHDRAWAL OF PROPOSAL

The Proposer may withdraw its proposal by submitting a written request over the signature of an authorized individual, as described in paragraph 1.6, to the Purchasing Department any time prior to the submission deadline. The Proposer may thereafter submit a new proposal prior to the deadline. Modification or withdrawal of the proposal in any manner, oral or written, will not be considered if submitted after the deadline.

1.18 SMALL, MINORITY & WOMEN BUSINESS ENTERPRISE PARTICIPATION

It is the desire of Jefferson County to increase the participation of Small, Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

Minority owned business may be eligible for contract procurement assistance with public and private sector entities from MBDA Centers

PROPOSER: INSERT HUB, SBE, MBE or WBE Certification behind this page.

1.19 AWARD

Jefferson County reserves the right to award this contract on the basis of the **Best Offer** in accordance with the laws of Texas, to waive any formality or irregularity, to make award to more than one Proposer, and/or to reject any or all proposals. In the event the highest dollar Proposer meeting specifications is not awarded a contract, the Proposer may appear before Commissioners' Court and present evidence concerning his responsibility.

1.20 OWNERSHIP OF PROPOSAL

All proposals become the property of Jefferson County and will not be returned to Proposers.

1.21 DISQUALIFICATION OF PROPOSAL

Upon signing this proposal document, a contractor offering to sell supplies, materials, services, or equipment to Jefferson County certifies that the Proposer has not violated the antitrust laws of this state codified in Section 15.01, et seq, Business & Commerce Code, or the Federal Antitrust Laws, and has not communicated directly or indirectly the offer made to any competitor or any other person engaged in such line of business. Any or all proposals may be rejected if the County believes that collusion exists among the Proposers.

1.22 CONTRACTUAL DEVELOPMENT

The contents of the RFP and the selected proposal will become an integral part of the contract, but may be modified by provisions of the contract as negotiated. Therefore, the Proposer must be amenable to inclusion in a contract of any information provided (in writing) either in response to this RFP or subsequently during the selection process.

1.23 ASSIGNMENT

The selected vendor may not assign, sell, or otherwise transfer this contract without written permission of the Jefferson County Commissioners' Court.

1.24 CONTRACT OBLIGATION

Jefferson County Commissioners' Court must award the contract, and the County Judge or other person authorized by Jefferson County Commissioners' Court must sign the contract before it becomes binding on Jefferson County or the Proposer. **Department heads are not authorized to sign agreements for Jefferson County.** Binding agreements shall remain in effect until all products and/or services covered by this proposal have been satisfactorily delivered and accepted.

1.25 TERMINATION

Jefferson County reserves the right to terminate the contract for default if the awarded vendor breached any of the terms therein, including warranties of proposal, or if the Proposer becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Jefferson County's satisfaction, and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified.

1.26 INSPECTIONS

Jefferson County reserves the right to inspect any item(s) or service location(s) for compliance with specifications and requirements and needs of the using department. If a proposal cannot furnish a sample of a proposed item, where applicable, for review, or fails to satisfactorily show an ability to perform, the County can reject the Proposer as inadequate.

1.27 TESTING

Jefferson County reserves the right to test equipment, supplies, material and goods proposed for quality, compliance with specifications, and ability to meet the needs of the user. Demonstration units must be available for review. Should the goods or services fail to meet requirements and/or be unavailable for evaluation, the offer is subject to rejection.

1.28 LOSS, DAMAGE, OR CLAIM

The Proposer shall totally indemnify Jefferson County against all claims by its employees, agents, or representatives or personal injury arising from any cause. In addition, the Proposer shall totally indemnify Jefferson County against all claims of loss or damage to the Proposer's and Jefferson County's property, equipment, and/or supplies.

1.29 TAXES

The contractor and its subcontractors, agents and employees, as the case may be, will be responsible for the payment of all federal, state and local taxes, and deposits or contributions imposed or required by law.

1.30 NON-DISCRIMINATION

The successful Proposer will be required to comply with the Americans With Disabilities Act and with all provisions of federal, state, county and local (if any) laws and regulations to ensure that no employee or applicant for employment is discriminated against because of race, color, religion, sex, age, handicap or national origin.

1.31 CONFLICT OF INTEREST

The agreement entered into pursuant to this RFP will contain the Contractor's warranty that, except for bona-fide employees or selling agents maintained by the Contractor for the purpose of securing business, no person or selling agency has been employed or retained to solicit this contract upon an agreement or understanding for commission, percentage or contingency.

Further, the contractor will warrant that no kickbacks, gratuities, or contingency fees have been paid in connection with this RFP or contract and none has been promised contingent upon the award of contract. And, will still further warrant that to its knowledge and best belief, no one being paid under the agreement between the County and the contractor, is engaged in any activities which would constitute a conflict of interest with respect to the purposes of said agreement.

By submitting a proposal in response to this RFP, all Proposers affirm that they have not given, nor intend to give, at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement.

Each Proposer must disclose any existing or potential conflict of interest relative to the performance of the requirements of this RFP. Examples of potential conflicts may include an existing business or personal relationship between the Proposer, its principal, or any affiliate or subcontractor, with the County or any other entity or person involved in any way in the project that is the subject of this RFP. Similarly, any personal or business relationship between the Proposer, the principals, or any affiliate or subcontractor, with any employee of the County or its suppliers must be disclosed. **Any such relationship that might be perceived or represented as a conflict must be disclosed. Failure to disclose any such relationship or reveal personal relationships with state employees may be cause for contract termination. The County will decide if an actual or perceived conflict should result in proposal disqualification.**

1.32 CONFIDENTIAL/PROPRIETARY INFORMATION

If any material in the proposal submission is considered by Proposer to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Proposer), **Proposer must clearly mark the applicable pages of Proposer's proposal submission to indicate each claim of confidentiality. Additionally, Proposer must include a statement on company letterhead identifying all Proposal section(s) and page(s) that have been marked as confidential.** Jefferson County will protect from public disclosure such portions of a proposal, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire proposal submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire proposal submission subject to release under the Texas Public Information Act.

By submitting a proposal, Proposer agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Proposer's proposal submission or other information submitted by Proposer.

1.33 WAIVER OF SUBROGATION

Proposer and Proposer's Insurance Carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from the Proposer's performance under this agreement.

1.34 AKNOWLEDGEMENT OF INSURANCE REQUIREMENTS

By signing its proposal, Proposer acknowledges that it has read and understands the insurance requirements for this proposal. Proposer also understands that evidence of required insurance must be submitted within fifteen (15) working days following notification of acceptance of its offer; otherwise, Jefferson County may rescind its acceptance of the Proposer's proposal. The insurance requirements are part of this package.

1.35 INSURANCE REQUIREMENTS

The contractor (including any and all subcontractors as defined in Section 1.36 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the contractor. These requirements do not establish limits of the contractor's liability. All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents; a copy of the policy wording or endorsement is required.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured and will provide the actual policy wording or endorsement showing as such.

All insurance must be written by an Insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements:

Public, Liability, including Products & Completed Operations	$1,000,000
Excess Liability	$1,000,000

Property Insurance (policy below that is applicable to this project):

Improvements & Betterments Policy: Improvements/Remodeling (for Lease Tenants)
Builder's Risk Policy: Structural Coverage for Construction Projects
Installation Floater Policy: Improvements/Alterations to Existing Structure

Workers' Compensation Statutory Coverage (See Section 1.36 Below)

1.36 WORKERS' COMPENSATION INSURANCE

1.36.1 **Definitions:**

1.36.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

1.36.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the contractor's/person's work on the project has been completed and accepted by the governmental entity.

1.36.1.3 **Persons providing services on the project ("subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

1.36.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the contractor providing services on the project, for the duration of the project.

1.36.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – refer to Section 1.35 above.

1.36.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

1.36.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

1.36.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

1.36.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

1.36.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

1.36.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

1.36.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

1.36.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:

1.36.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.

1.36.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.

1.36.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.

1.36.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:

1.36.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and

1.36.9.4.2 The coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.

1.36.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.

1.36.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and

1.36.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs 1.36.1. – 1.36.7., with the certificates of coverage to be provided to the person for whom they are providing services.

1.36.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

1.36.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

PROPOSER: INSERT COPY OF CERTIFICATE OF INSURANCE (COI) BEHIND THIS PAGE.

Note: For proposal purposes, a general COI will suffice. However, a COI that includes the notation that "Jefferson County as an additional insured" will be required from Awarded Proposer(s) prior to the issuance of a Purchase Order.

CERTIFICATE OF LIABILITY INSURANCE

DATE (MM/DD/YYYY): 2/12/2026

THIS CERTIFICATE IS ISSUED AS A MATTER OF INFORMATION ONLY AND CONFERS NO RIGHTS UPON THE CERTIFICATE HOLDER. THIS CERTIFICATE DOES NOT AFFIRMATIVELY OR NEGATIVELY AMEND, EXTEND OR ALTER THE COVERAGE AFFORDED BY THE POLICIES BELOW. THIS CERTIFICATE OF INSURANCE DOES NOT CONSTITUTE A CONTRACT BETWEEN THE ISSUING INSURER(S), AUTHORIZED REPRESENTATIVE OR PRODUCER, AND THE CERTIFICATE HOLDER.

SECTION 2: FEDERAL EMERGENCY MANAGEMENT AGENCY (FEMA) MANDATED CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY UNDER FEDERAL AWARDS REQUIRED BY 2 C.F.R. §200.327 APPENDIX II TO 2 CFR §200

2 CFR 200.327 Contract provisions. The non-Federal entity's contracts should contain applicable provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards. The non-Federal entity's contracts must contain the provisions described in Appendix II to Part 200—Contract Provisions for non-Federal Entity Contracts Under Federal Awards, as applicable. ***Language as of January 3, 2025**

THRESHOLD	PROVISION	CITATION
>$250,000 (Simplified Acquisition Threshold)	Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. Although not required for contract at or below the SAT, FEMA suggests including a remedies provision. The NFE should consult their servicing legal counsel to determine whether and how remedies for breach of contract are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (A)
>$10,000	*All contracts in excess of $10,000 must address termination for cause and for* convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement. FEMA suggests including a termination for cause and for convenience in all contracts even when not required. The NFE should consult their servicing legal counsel to determine whether and how termination provisions are permissible under applicable state, local, or tribal laws or regulations.	2 CFR 200 APPENDIX II (B)
None	Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." 41 CFR 60-1.4 Equal opportunity clause. *b) Federally assisted construction contracts. (1) Except as otherwise provided,* each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The [recipient] hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause: During the performance of this contract, the contractor agrees as follows:	2 CFR 200 APPENDIX II (C) and 41 CFR §60-1.4(b)

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through
(8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or

	all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.	
>$2,000	Davis-Bacon Act, as amended ( ). When required by Federal program legislation, all prime construction contracts in excess of $2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (, and) as supplemented by Department of Labor regulations (, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non- Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act ( ), as supplemented by Department of Labor regulations (, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. **FEMA PA and HMGP do not require these clauses unless it is a requirement for matching funds by another federal program legislation such as CDBG-DR.** When required, prime construction contracts over $2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. If applicable per the standard described above, the NFE must include the provisions at in full into all applicable contracts, and all applicable contractors must include these provisions in full in any subcontracts. In situations where the Davis-Bacon Act does not apply, neither does the Copeland "Anti-Kickback" Act. Sample contract clauses are provided in the	2 CFR 200 APPENDIX II (D); 40 U.S.C. §§ 3141-3144 and 3146-3148; supplemented by 29 C.F.R. Part 5; 40 U.S.C. § 3145; supplemented by 29 C.F.R. Part 3
> $100,000+ Mechanics or Laborers	Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a	2 CFR 200 APPENDIX II (E); 40 U.S.C. §§ 3701-3708; supplemented by 29 C.F.R. Part 5

half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Applicability

This required contract provision applies to all procurements over $100,000 that involve the employment of mechanics, laborers, and construction work. These requirements *do not* apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

Required Language

Compliance with the Contract Work Hours and Safety Standards Act.

1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of
   $27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1) of this section.
3. *Withholding for unpaid wages and liquidated damages.* The (insert name of grant recipient or subrecipient) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2) of this section.
4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor

	shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (4) of this section. **For contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 C.F.R. § 5.1 where an additional contract provision is required, FEMA suggests including the language below.** Suggested Language Further Compliance with the Contract Work Hours and Safety Standards Act. 1. The contractor or subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the contract for all laborers and mechanics, including guards and watchmen, working on the contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid. Records to be maintained under this provision shall be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview employees during working hours on the job.	
None	Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of , "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency. **This provision does not apply to all FEMA grant and cooperative agreement programs including PA and HMGP as awards under these programs do not meet the definition.**	2 CFR 200 APPENDIX II (F); Funding Agreement; definition found under 37 C.F.R. § 401.2(a).
>$150,000	Clean Air Act) and the Federal Water Pollution Control Act ( ), as amended - Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act ( ) and the Federal Water Pollution Control Act as amended ( ). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Suggested Language: Clean Air Act The contractor agrees to comply with all applicable standards, orders or	2 CFR 200 APPENDIX II (G); 42 U.S.C. §§ 7401-7671q; 33 U.S.C. §§ 1251-1387

	regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 *et seq.* **The contractor agrees to report each violation to the (insert name of non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office.** **The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.** Federal Water Pollution Control Act **The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 *et seq.*** **The contractor agrees to report each violation to the (insert name of the non-federal entity entering into the contract) and understands and agrees that the (insert name of the non-federal entity entering into the contract) will, in turn, report each violation as required to assure notification to the (insert name of the pass-through entity, if applicable), Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office.** **The contractor agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with federal assistance provided by FEMA.**	
>$25,000	**Debarment and Suspension (Executive Orders 12549 and 12689) - A contract award (see must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.** **The following provides a debarment and suspension clause. It incorporates an optional method of verifying that contractors are not excluded or disqualified.** **Suggested Language:** **Suspension and Debarment** **This contract is a covered transaction for purposes of 2 C.F.R. Part 180 and 2 C.F.R. Part 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).** **The contractor must comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.** **This certification is a material representation of fact relied upon by (insert name of recipient/subrecipient/applicant). If it is later determined that the contractor did not comply with 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part**	**2 CFR 200 APPENDIX II (H); 2 C.F.R. Part 180 (implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989)); 2 C.F.R. Part 3000 (Department of Homeland Security regulations for Non-procurement Debarment and Suspension, implementing 2 C.F.R. Part 180).**

	3000, subpart C, in addition to remedies available to (insert name of recipient/subrecipient/applicant), the federal government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. Part 180, subpart C and 2 C.F.R. Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.	
> $100,000; and Certification required for all contracts greater than $100,000	Byrd Anti-Lobbying Amendment ( ) - Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by . Each tier must also disclose any lobbying with non- Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award. **If applicable, contractors must sign and submit the following certification to the NFE with each bid or offer exceeding $100,000.** Required Certification: CERTIFICATION REGARDING LOBBYING (APPENDIX A, 44 C.F.R. PART 18)	2 CFR 200 APPENDIX II (I) and 24 CFR §570.303; (citing 31 U.S.C. § 1352); 44 C.F.R. § 18.110
	See 2 CFR §200.323.	2 CFR 200 APPENDIX II (J)
	See 2 CFR §200.216.	2 CFR 200 APPENDIX II (K)
	See 2 CFR §200.322.	2 CFR 200 APPENDIX II (L)
Work involves the use of materials, and the contract is for more than $10,000	A non-Federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. Suggested Language: In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired— Competitively within a timeframe providing for compliance with the contract performance schedule; Meeting contract performance requirements; or At a reasonable price.	2 CFR 200.323; Pub. L. No. 89-272 (1965) (codified as amended by the Resource Conservation and Recovery Act at 42 U.S.C. § 6962)

	Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.	
>$100,000	*§135.38 Section 3 clause* *All section 3 covered contracts shall include the following clause (referred to as the section 3 clause):* A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing. B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations. C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin. D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135. E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135. F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or	

	suspension from future HUD assisted contracts. G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).	
None; All FEMA declarations and awards issued on or after November 12, 2020.	Section 889(b)(1) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019 (FY2019 NDAA) and 2 C.F.R. § 200.216, as implemented by FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), prohibit the obligation or expending of federal award funds on certain telecommunication products or from certain entities for national security reasons. Effective August 13, 2020, FEMA recipients and subrecipients, as well as their contractors and subcontractors, may not obligate or expend any FEMA award funds to: Recipients and subrecipients are prohibited from obligating or expending loan or grant funds to: (1) Procure or obtain; (2) Extend or renew a contract to procure or obtain; or (3) Enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system. As described in , section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (i) For the purpose of public safety, security of government facilities, physical security surveillance of critical infrastructure, and other national security purposes, video surveillance and telecommunications equipment produced by Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, or Dahua Technology Company (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical	2 CFR 200.216

	support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See , section 889 for additional information. (d) See also	
None	The Federal awarding agency must establish conflict of interest policies for Federal awards. The non-Federal entity must disclose in writing any potential conflict of interest to the Federal awarding agency or pass-through entity in accordance with applicable Federal awarding agency policy.	2 CFR 200.112
None	The Federal awarding agency and the non-Federal entity should, whenever practicable, collect, transmit, and store Federal award-related information in open and machine-readable formats rather than in closed formats or on paper in accordance with applicable legislative requirements. A machine-readable format is a format in a standard computer language (not English text) that can be read automatically by a web browser or computer system. The Federal awarding agency or pass-through entity must always provide or accept paper versions of Federal award-related information to and from the non-Federal entity upon request. If paper copies are submitted, the Federal awarding agency or pass-through entity must not require more than an original and two copies. When original records are electronic and cannot be altered, there is no need to create and retain paper copies. When original records are paper, electronic versions may be substituted through the use of duplication or other forms of electronic media provided that they are subject to periodic quality control reviews, provide reasonable safeguards against alteration, and remain readable.	2 CFR 200.336
None; All FEMA declarations and awards issued on or after November 12, 2020.	Suggested Language: If subcontracts are to be let, the prime contractor is required to take all necessary steps identified in 2 C.F.R. § 200.321(b)(1)-(5) listed below to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. Contracting with HUB, small and minority businesses, women's business enterprises, and labor surplus area firms. (a) When possible, the recipient or subrecipient should ensure that small businesses, minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms (See U.S. Department of Labor's list) are considered as set forth below. (b) Such consideration means: (1) These business types are included on solicitation lists; (2) These business types are solicited whenever they are deemed eligible as potential sources; (3) Dividing procurement transactions into separate procurements to permit maximum participation by these business types; (4) Establishing delivery schedules (for example, the percentage of an order to be delivered by a given date of each month) that encourage participation by these business types; (5) Utilizing organizations such as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce; and (6) Requiring a contractor under a Federal award to apply this section to subcontracts.	2 C.F.R. § 200.321(b)(1)-(5)
None	Financial records, supporting documents, statistical records, and all other	2 CFR 200.334; and

	non- Federal entity records pertinent to a Federal award must be retained for a period of three years from the date of submission of the final expenditure report or, for Federal awards that are renewed quarterly or annually, from the date of the submission of the quarterly or annual financial report, respectively, as reported to the Federal awarding agency or pass-through entity in the case of a subrecipient. Federal awarding agencies and pass-through entities must not impose any other record retention requirements upon non-Federal entities. The only exceptions are the following: (a) If any litigation, claim, or audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. (b) When the non-Federal entity is notified in writing by the Federal awarding agency, cognizant agency for audit, oversight agency for audit, cognizant agency for indirect costs, or pass-through entity to extend the retention period. (c) Records for real property and equipment acquired with Federal funds must be retained for 3 years after final disposition. (d) When records are transferred to or maintained by the Federal awarding agency or pass-through entity, the 3-year retention requirement is not applicable to the non-Federal entity. (e) Records for program income transactions after the period of performance. In some cases recipients must report program income after the period of performance. Where there is such a requirement, the retention period for the records pertaining to the earning of the program income starts from the end of the non-Federal entity's fiscal year in which the program income is earned. (f) Indirect cost rate proposals and cost allocations plans. This paragraph applies to the following types of documents and their supporting records: Indirect cost rate computations or proposals, cost allocation plans, and any similar accounting computations of the rate at which a particular group of costs is chargeable (such as computer usage chargeback rates or composite fringe benefit rates). (1) *If submitted for negotiation.* If the proposal, plan, or other computation is required to be submitted to the Federal Government (or to the pass-through entity) to form the basis for negotiation of the rate, then the 3-year retention period for its supporting records starts from the date of such submission. (2) *If not submitted for negotiation.* If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation. Suggested Language for All Procurements: a. The Contractor agrees to provide (insert non-federal entity), the Texas Division of Emergency Management (TDEM), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.	200.337

	b. The FIRM agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. c. The CONTRACTOR agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract. d. In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the (insert name of the non-federal entity) and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.	
None	CONTRACTS WITH COMPANIES ENGAGED IN BUSINESS WITH IRAN, SUDAN, OR FOREIGN TERRORIST ORGANIZATION PROHIBITED. A governmental Corporation may not enter into a governmental contract with a company that is identified on a list prepared and maintained by the U.S. Department of Treasury under Executive Order 13224.The term "foreign terrorist organization" in this paragraph has the meaning assigned to such a term in Section 8 U.S.C.1189(a)(1) of the United States Code.	United States Code 19 U.S.C. 2511
>$100,000	PROVISION REQUIRED IN CONTRACT. (a) This section applies only to a contract that: (1) is between a governmental entity and a company with 10 or more full-time employees; and (2) has a value of $100,000 or more that is to be paid wholly or partly from public funds of the governmental entity. (b) A governmental Corporation may not enter into a contract with a company for goods or services unless the contract contains a written verification from the company that it: (1) does not boycott Israel; and will not boycott Israel during the term of the contract.	(Adhere to your State's Local Government Code)
Option Contract Language for contracts awarded prior to Grant Award	The contract award is contingent upon the receipt of federal funds. If no such funds are awarded, the contract shall terminate.	Optional
	Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act. Suggested Language: The CONTRACTOR shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub. L. 94-163, 89 Stat. 871).	42 U.S.C. 6201
	The Firm agrees that no otherwise qualified individual with disabilities shall, solely by reason of his/her disability, be denied the benefits of, or be subjected to discrimination, including discrimination in employment, under any program or activity receiving federal financial assistance.	Section 504 of the Rehabilitation Act of 1973, as amended.
	Pursuant to the *Violence Against Women Act Reauthorization of 2022*, the Grant Recipient must certify that local policies do not interfere with the residents' Right to Report Crime and Emergencies from One's Home. The certification will confirm that no ordinances, local regulations, or policies adopted by the local government and currently in effect contain any financial or regulatory penalty imposed on property owners or residents as a result of any use of emergency services, or that the Grant Recipient is actively addressing such local regulations.	Pub. L. 117-103, 136 Stat. 49

BYRD ANTI-LOBBYING CERTIFICATION

Certification for Contracts, Grants, Loans, and Cooperative Agreements-The undersigned certifies, to the best of his or her knowledge and belief, that:

1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor The Courtyard certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

DEBARMENT/SUSPENSION CERTIFICATION

Non-Federal entities and contractors are subject to the debarment and suspension regulations implementing Executive Order 12549, Debarment and Suspension (1986) and Executive Order 12689, Debarment and Suspension (1989) at 2 C.F.R. Part 180 and the Department of Homeland Security's regulations at 2 C.F.R. Part 3000 (No procurement Debarment and Suspension).

This requirement applies to all FEMA grant and cooperative agreement programs.

Federal Executive Order (E .O.) 12549 "Debarment" requires that all contractors receiving individual awards, using federal funds, and all sub recipients certify that the organization and its principals are not debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any Federal department or agency from doing business with the Federal Government. By signing this document, you certify that your organization and its principals are not debarred. Failure to comply or attempts to edit this language may disqualify your bid/proposal. Information on debarment is available at the following websites: and

The Contractor The Courtyard certifies or affirms by your signature that neither you nor your principal is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

CIVIL RIGHTS COMPLIANCE PROVISIONS

1. EQUAL EMPLOYMENT OPPORTUNITY (Equal Opportunity Clause)
(For all awarded contracts that meet the definition of "federally assisted construction contract" provided in 41 CFR Part 60-1.3)

During the performance of this contract, the contractor agrees as follows:

1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

   Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or order this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

CIVIL RIGHTS COMPLIANCE PROVISIONS (CONTINUED)

8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

SECTION 3. PROPOSAL SUBMISSION INSTRUCTIONS AND SPECIAL REQUIREMENTS

The following requirements and instructions **supersede** General Requirements where applicable.

3.1. SUBMISSION OF PROPOSAL

Each Respondent shall ensure that required parts of the RFP response are completed with accuracy and submitted as per the requirements within this specifications packet, including any addenda.

Respondent is responsible for submitting: One (1) original and five (5) response copies; with all copies to include a completed copy of this specifications packet, in its entirety.

The County requests that response submissions NOT be bound by staples or glued spines.

Respondent shall monitor the Jefferson County Purchasing Department Website for any addenda, additional instructions, or RFQ updates.

Failure to return and/or complete all required documentation will result in a response being declared as non-responsive.

Reponses must be submitted in complete original form by mail or messenger to the following address:
Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

Respondent shall submit response in a tightly sealed opaque envelope or box, plainly marked "SEALED RFP RESPONSE." The outside of the envelope of box shall also include the RFP Number, RFP Name, RFP Due Date, and the Respondent's Name and Address; and shall be addressed to the Purchasing Agent.

All submissions must be received by 11:00 am CT, Wednesday, February 18, 2026

- Late responses will not be accepted and will be returned unopened to the Respondent.
- Jefferson County will not accept any responsibility for responses being delivered by third party carriers.
- RFP responses will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.
- Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this RFP.
- All responses submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.
- All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

Please direct questions to Cindy Greene, Contract Specialist at 409-835-8593 or via email at . If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at .

Courthouse Security:
All visitors to the Courthouse must pass through Security. Respondents planning to hand deliver proposals must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal. Mondays and Tuesdays are particularly heavy days.

In response to the Covid-19 pandemic, Jefferson County will be implementing precautionary measures as currently recommended by the CDC within its facilities.

Respondents are strongly urged to plan accordingly.

COUNTY HOLIDAYS (2026):

~~January 1, 2026 (Thursday) – New Year's~~
January 19 (Monday) - Martin Luther King, Jr. Day
April 3 (Friday) - Good Friday
May 25 (Monday) - Memorial Day
June 19 (Friday) - Juneteenth
July 3 Observed (Friday) - Independence Day
September 7 (Monday) - Labor Day
November 11 (Wednesday) - Veteran's Day
November 26 & 27 (Thursday & Friday) - Thanksgiving
December 24 & 25 (Thursday & Friday) Christmas

Submissions During Time of Inclement Weather, Disaster, or Emergency:

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the RFP closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the RFP and urgent County requirements preclude amendment to the RFP, the time specified for receipt of Statements of Qualifications will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

3.2 PRE-PROPOSAL CONFERENCE

Due to the nature of this RFP, there will not be a Pre-Proposal Conference. If you would like to schedule a site visit, please contact. Cindy Greene, Contract Specialist at 409-835-8593 or via email at . If no response in 72 hours, contact Deborah Clark, Purchasing Agent at 409-835-8593 or via email at .

Proposals will be opened publicly in a manner to avoid public disclosure of contents; however, only names of Proposers will be read aloud.

3.3 QUESTIONS AND DEADLINE FOR QUESTION SUBMISSION

Questions may be emailed to **Cindy Greene, Contract Specialist at or faxed at: 409-835-8456. If no response in 72 hours, contact Deborah Clark, Purchasing Agent via email at .**

The Deadline for asking questions or requesting additional information (in writing) **is 5:00 pm, CT, Friday, January 30, 2026.**

3.4 TENTATIVE SCHEDULE OF EVENTS

January 13, 2026	**Issuance of Request for Proposal**
February 18, 2026	**Deadline Submission (late proposals will not be considered)**
February 20, 2026	**Proposals distributed to Evaluation Committee**
February 24, 2026	**Evaluation Committee Convenes to Tabulate Scoring and Determines Short List**
February 27, 2026	**If Applicable: Conduct Interview/Best and Final Offer/Short List**
March 4, 2026	**Recommendation for Award**

Please note:
The above schedule of events is *tentative* in nature. Dates listed are subject to change.

SECTION 4. PROPOSAL FORMAT REQUIREMENTS

4.1 INTRODUCTION TO PROPOSAL FORMAT REQUIREMENTS

Each proposal submitted in response to this RFP must be organized to correspond with those numbered sections of this RFP that require a response. Failure to arrange the proposal as requested may result in the disqualification of the proposal. Conciseness and clarity of content are emphasized and encouraged. Vague and general proposals will be considered non-responsive, and will result in disqualification. The response must be complete. Failure to provide the required information may result in the disqualification of the proposal. All pages of the proposal must be numbered and the proposal must contain an organized, paginated table of contents corresponding to the sections and pages of the proposal.

The County requests that proposal submissions NOT be bound by staples or glued spines.

4.2 ORGANIZATION OF PROPOSAL CONTENTS

Each proposal must be organized in the manner described below:

A. Transmittal Letter

B. Table of Contents

C. Executive Summary

D. Proposer Identifying Information

E. Proposer Personnel and Organization

F. Cost Proposal Form Page 50

G. Copy of RFP Specifications and any Addenda in their entirety.
(Note: All forms should be completed, and any information requested should be inserted/included)

4.3 TRANSMITTAL LETTER

The Proposer must submit a transmittal letter that identifies the entity submitting the proposal, and includes a commitment by that entity to provide the services required by the County. The transmittal letter must state that the proposal is valid for **(90)** days from the deadline for delivery of proposals to the County. Any proposal containing a term of less than **(90)** days for acceptance will be rejected as non-responsive.

The transmittal letter must be signed by a person legally authorized to bind the Proposer to the representations in the response. In the case of a joint proposal, each party must sign the transmittal letter. The Proposer also must indicate, in its transmittal letter, why it believes that it is the most qualified Proposer to provide the services described in this RFP.

The transmittal letter must include a statement of acceptance of the terms and conditions of the contract resulting from this RFP. If Proposer takes exception to any of the proposed terms and conditions stated in this RFP, those exceptions must be noted in the transmittal letter. However, Proposer must realize that failure to accept the terms specified in this proposal may result in disqualification of the proposal.

4.4 TABLE OF CONTENTS

Each proposal must be submitted with a table of contents that clearly identifies and denotes the location of each title and subtitle of the proposal. Additionally, the table of contents must clearly identify and denote the location of all enclosures of the proposal. The table of contents must follow the RFP's structure as much as is practical.

4.5 EXECUTIVE SUMMARY

The Proposer must provide an executive summary of its proposal that asserts that the Proposer is providing in its response all of the requirements of this RFP. The executive summary must not exceed three (3) pages, and must represent a full and concise summary of the contents of the proposal. The executive summary must not include any information concerning the cost of the proposal. The Proposer must identify any services that are provided beyond those specifically requested. If the Proposer is providing services that do not meet the specific requirements of this RFP, but in the opinion of the Proposer are equivalent or superior to those specifically requested, any such differences must be noted in the executive summary. However, the Proposer must realize that failure to provide the services specifically required may result in disqualification of the proposal.

4.6 PROPOSER IDENTIFYING INFORMATION

Proposers must provide the following identifying information with their proposal submission:

a. Name and address of business entity submitting the proposal;

b. Type of business entity (i.e., corporation, partnership);

c. Place of incorporation, if applicable;

d. Name and location of major offices and other facilities that relate to the Proposer's performance under the terms of this RFP;

e. Name, address, business and fax number of the Proposer's principal contact person regarding all contractual matters relating to this RFP;

f. The Proposer's Federal Employer Identification Number, Jefferson County Vendor Number and Jefferson County Business License Number, if any;

g. Full name and address for each member, partner, and employee of the Proposer (and any subcontractors) who will perform services on this project; and

h. A statement regarding the financial stability of the Proposer, including the ability of the Proposer to perform the functions required by this RFP and to provide those services represented by the Proposer in its response.

4.7 PROPOSER'S PERSONNEL AND ORGANIZATION

The Proposer must provide resumes of all key personnel that will be involved in performing the project, and must provide for each person:

a. Full name (including full middle name);

b. An employment history;

c. A specific description of relevant experience and skills that person has in connection with the conduct of financial advisory services that is the subject of this RFP (limit one page);

d. A specific indication of what role the individual will have in this project; and

e. Any additional helpful information to indicate the individual's ability to aid the Proposer in successfully performing the work involved in this RFP (limit to one page).

The resumes must present the required personnel in sufficient detail as to provide the County an indication that the personnel involved can perform the work specified in this RFP. All proposed personnel will be subject to the County approval.

Jefferson County is committed to using the selected Performance Review Company according to reasonable and well-planned timeframes, to the extent possible. Jefferson County is committed to making available its personnel in a similar manner to enable the Performance Review team able to perform its duties in a timely basis.

Each Proposer is required to make a statement as to the availability of key personnel to Jefferson County when required. The key personnel who are to work on this project, identified in the proposal as such, are considered to be essential to the services to be provided. No substitutions of key personnel following contract award will be made without the prior written consent of Jefferson County Commissioners' Court. All requested substitutes must be submitted to the Jefferson County Commissioners' Court, or, together with their resumes, for approval.

Each of the successful Proposer's personnel is subject to removal from this project by Jefferson County Commissioners' Court. In addition, if the person removed is among the project's key personnel, the replacement must be approved by Jefferson County Commissioners' Court. All replacements of key personnel will be paid at the same rate as the person who was replaced, unless the rate normally charged by the replacement is lower, in which case the lower rate will be paid. All replacements of key personnel must be of equal or superior experience as the person replaced.

If applicable, each Proposer must provide a detailed statement setting forth the proposed hourly billing rate for all key personnel, and for each additional staff member to be assigned to the project. The hours each of the key personnel and other staff members are projected to work on the project.

Each Proposer must provide any equipment, software, or data communication lines required by the successful Proposer's personnel to complete the work specified in this document. Each Proposer also must identify any personnel related through blood or marriage to the County or to any current employee of the County.

Each Proposer must provide an organizational chart covering the services offered in its proposal, indicating lines of authority, names, titles, and functions of individuals assigned. The Proposer must assign a contact person to the project.

SECTION 5. PROJECT OBJECTIVE AND SCOPE OF SERVICES

5.1 OBJECTIVE

Jefferson County seeks a Contractor to provide Cafeteria Services for Jefferson County Courthouse. The contractor shall occupy, staff and operate a café serving breakfast, lunch and break time offerings in a cafeteria style format within the space specified in Attachment A (floor plan). It is the intention of Jefferson County that the food and beverage service be of high quality. All food and beverage areas shall be kept clean, orderly and sanitary at all times and in strict accordance with all applicable food service establishment requirements, laws, ordinances, rules and regulations of this IFB. The successful contractor will pay Jefferson County a monthly lease. The cafeteria shall operate Monday through Friday, with the exception of County Holidays and Mandated Disaster Closures during the hours of/or about 7:00 am – 3:30 pm. The current County Holidays are as follows (this is subject to change):

New Year's Day
Martin Luther King, Jr. Day
Good Friday
Memorial Day
Juneteenth
Independence Day
Labor Day
Veterans' Day
Thanksgiving Day
Day after Thanksgiving
Christmas Eve
Christmas Day

5.2 BACKGROUND

Jefferson County has approximately 1200 full and part time employees. Members of the general public visiting the Courthouse are also available as a customer base. The existing 3,500 square foot cafeteria facility seats approximately 97 persons and is equipped with tables and chairs in the dining area. The kitchen/serving area is equipped with, but not limited to, basic modern commercial grade hardware for cooking, cooling and freezing, heating, baking, frying, mixing and washing. The cafeteria also has food preparation areas, cold and hot food serving lines, and seating areas. There are two conference rooms in the cafeteria area that the contractor can use.

5.3 REQUIRED INFORMATION

The following information shall be included in the offeror's proposal:

- Provide approach to making the Courthouse Café successful and approach to sustaining a versatile healthy and casual dining experience at a reasonable price.
- State any food service experience with a list of owned/operated food service establishments. Include time periods.
- Provide a versatile menu of items that the contractor will offer including pricing. The menu must include healthy food options (i.e. salads, grilled chicken, sandwiches). The sample menu must include full meal pricing as well as a la carte pricing. Breakfast, lunch and break time meals shall be included. Include proposed hours of operation. The following are the suggested time periods:
    - Breakfast: 7:00 am – 10:00 am
    - Break Time Snack: 10:00 am – 11:00 am and 1:30 pm – 3:30 pm
    - Lunch: 11:00 am – 1:30 pm

- Proposed monthly lease amount should be included on the Cost Proposal Form (page 50) of the RFP.
- Provide any additional information pertinent to the offeror's proposal.

5.4 RESPONSIBILITIES OF THE COUNTY

- Grant to the contractor for a stipulated period, subject to the contract requirements and conditions set herein, the right to establish, manage, and operate a cafeteria-type restaurant and snack bar within the County Courthouse and, in connection therewith, to prepare and sell food, non-alcoholic beverages, and other such products as the County may authorize.
- Approve any and all designs, furnishings, decorations, alterations, improvements, advertisements, etc. prior to any such action being taken by the contractor.
- Provide the cafeteria facility standard utilities at no charge to the contractor.
- Provide all preventative maintenance and repairs on all County owned equipment related to the cafeteria operation, including, but not limited to, refrigerators, coolers, freezers, ice machines, stoves, grills, warmers, serving lines, etc. that are used directly by the cafeteria operation.
- Maintain all building systems (HVAC, electrical, structural, etc.)
- Pest control services for the cafeteria will be provided by the County.
- Jefferson County carries the responsibility to correct any repair of County structures or County equipment as a result of inspection violation by state and local authorized health department offices, fire department and other agencies relative to safety requirements.
- Jefferson County will complete a background check and issue identification badges to all employees of the Contractor. These identification badges must be worn at all times. It is the responsibility of the Contractor to notify the County of any termination or hire of employees.
- Jefferson County will issue keys to the Contractor for the Cafeteria area. It is the responsibility of the Contractor to report any lost or damaged keys to the County.

5.5 RESPONSIBILITES OF THE CONTRACTOR - OPERATIONS

- Operate and manage, under the Contractor's name, a cafeteria type operation within the County Courthouse Cafeteria.
- Purchase, prepare and serve all cafeteria food items. Grilling and/or cooking of foods on site is desired. The menu offerings could be prepared off site and transported to the cafeteria; however, on-site is preferred. Food items prepared off-site must be prepared at a location and transported conforming to all food establishment and health department requirements of this Invitation for Bid. Breakfast, lunch and break food options must be provided. Meal service shall include dine-in and to-go orders.
- County is not responsible for any loss or damage resulting from a power failure, natural or man-made disaster.

- Provide all cookware, dishes and utensils need for food preparation and service.
- Provide all condiments, containers, plates, utensils, napkins and to-go containers for food service.
- Provide fountain drink dispensing machines and/or coolers.
- Contractor is responsible for maintaining their equipment.
- Ensure proper and adequate staffing to provide efficient services.
- Contractor shall comply with all laws (State and Federal), and local ordinances, as they may relate to employment practices.
- Proper food handling gloves and proper hair restraints are required.
- Provide all custodial and janitorial service to the cafeteria area during all normal hours of operation. Contractor will provide all cleaning supplies necessary to maintain the Courthouse Cafeteria. Trash must be removed daily.
- The business must be operated and maintained at all times in compliance with any and all applicable health and sanitary standards prescribed by Jefferson County Environmental Control. We have included a cleaning schedule as an example of our expectations and stewardship while leasing Jefferson County property. (Attachment B)
- Contractor will comply with Jefferson County Best Management Practices for Fats, Oil and Grease (FOG) Control Program. (Attachment C)
- Comply with FDA Code 2017 with the Texas Supplement.
- Contractor shall be responsible for all licenses and permits necessary to comply with all local, state and federal mandates pertaining to food service operations. The Food Permit is issued through Jefferson County Environmental Control.
- Contractor is responsible for correcting any violations issued by state and local authorized health department officials that do not pertain to the repair of County owned equipment or structures.
- Display all menu items and menu pricing. This includes meals, beverages and a la carte items. Make every effort to adhere to reasonable food cost ranges as submitted in the proposal. The pricing must be posted and displayed in a manner that is visible to all prospective patrons from a distance as well as close up. Menu board purchase shall be the responsibility of the Contractor and must be approved by the County.
- Contractor must accept cash, credit and debit cards as a method of payment for goods and services. All equipment and fees associated with credit and debit card transactions will be the responsibility of the Contractor. Any fees to be collected for any purchases when a credit or debit card is used must be approved by the County.
- Schedule outside vendors for conference room rental space in the cafeteria area and collect appropriate fees.

5.6 RESPONSIBILITES OF THE CONTRACTOR – EMPLOYEES

- All employees must pass a background check through the County.
- Employees must wear their County issued Identification Badge at all times.

- Provide any and all employees insurances and/or benefits to its employees. The County assumes absolutely no responsibility pertaining thereto.
- Assume full and total responsibility and liability for all employees and operation of the Contractor.
- One licensed Food Manager is required. All other staff must have a Food Handler License. The training course must be accredited by the Texas Department of State Health Services (DSHS) or American National Standards Institute (ANSI).
- All employees must complete a Conditional or Food Employee Reporting Agreement. (Attachment D)
- Ensure employees are properly attired/uniformed when performing work assignments.

5.7 TERMS

- Contract Term: One (1) year from the date of award with an option to renew for four (4) additional one-year renewals.
- The monthly lease payment is due by the 5th of each month.
- The physical facilities made available to the contractor under this contract shall only be used by the contractor during regular County business hours.
- Any modifications to the cafeteria space must be approved by Jefferson County due to historical purposes.
- Menu pricing changes must be approved by the County.

SECTION 6. PROPOSAL REQUIREMENTS

6.1 OBJECTIVE OF PROPOSAL

Each proposal must include a detailed work plan that addresses how work for Jefferson County would be performed. It shall include detailed personnel assignments. A detailed description of major deliverables to be provided must also be included.

The proposal must include a sample timeline for the completion of each major task included in the proposal to the extent practicable, as well as projected completion dates for each major activity required. All proposals submitted in response to this RFP become the property of Jefferson County.

6.2 PROPOSER EXPERIENCE

The Successful Proposer must demonstrate extensive experience in and understanding of the nature of research and analysis required in order to carry out the intent of this project.

The proposal must identify all key personnel who are to be part of the proposed consultant team and detail their experience. Jefferson County Commissioners' Court reserves the right to approve each member of the team and to request substitutions.

The Proposer must describe in detail the current and historical experience the Proposer and its subcontractors have that would be relevant to completing the project. The Proposer must provide descriptions and references for all engagements of comparable complexity and sensitivity to the requirements of this RFP that have been conducted within the past five (5) years. References must contain the name of key contacts and a telephone number. The description of experience must be detailed and cover all relevant contracts that the Proposer and its subcontractors, as applicable, have had and all experience similar to this contract that qualifies the Proposer to meet the requirements of this contract. Included must be the names, titles, addresses, and current telephone numbers of organizations that may be contacted to verify qualifying experience

The Proposer must indicate whether the organizations so listed are included for the purpose of verifying the Proposer's qualifying experience, or the qualifying experience of its subcontractors. Each experience statement also must include the name and types of services directly provided by the Proposer under the contract, and whether the Proposer was the contractor or subcontractor.

The Proposer must briefly state why it believes its proposed services best meet the County's needs and RFP requirements, and the Proposer also must concisely describe any additional features, aspects, or advantages of its services in any relevant area not covered elsewhere in its proposal.

6.3 TYPE OF SERVICES PROVIDED BY PROPOSER

A. A description of services that may be utilized under this RFP includes:

1. Food Services

6.4 LAWS AND REGULATIONS

The Food Service Firm(s) must comply with all laws, ordinances, and rules and regulations which govern the work specified in this contract.

SECTION 7. PROPOSAL EVALUATION AND SELECTION PROCESS

7.1 INTRODUCTION TO EVALUATION AND SELECTION PROCESS

The proposal evaluation and selection process is detailed in this section, as are other factors, and the format in which the cost response of each proposal must be submitted.

7.2 COST PROPOSAL

The Proposer must utilize the form provided on **PAGE 50 of these specifications** in its submission of a cost proposal in response to this RFP. **The cost proposal must be included in each copy of the proposal. Any reworked version of this provided form that is intended to be a substitute for PAGE 50 of these specifications, that is provided by a Proposer may be determined as non-responsive, and may result in the proposal's disqualification.**

7.3 EVALUATION COMMITTEE

Because of the diversity of the departments and activities of the County, the Purchasing Agent will appoint the Evaluation Committee for this Request for Proposals. The Purchasing Agent may appoint a chairperson and no less than two (2) other members for the committee. Typically, the committee will consist of at least one professional in the task required, a person knowledgeable about procurement practices, and either a representative of the department requesting the project, or the department executing the project. However, this structure is not binding and subject to change at the discretion of the Purchasing Agent. Other members may be appointed to the Evaluation Committee as necessary and appropriate, but the total number of persons committee shall not exceed five (5) persons. Committee appointments shall be in writing and shall briefly describe the scope of the project and, if necessary, the primary disciplines required to accomplish the project in order to assist the committee in developing a list of firms that might best accomplish the work required. Committee membership and project requirements will vary from project to project. Therefore, a firm rated number one for one project could be considered not qualified or ranked lower on another project.

7.4. EVALUATION PROCESS

RFP Submittals that do not conform to the instructions or which do not address all the services as specified within this RFP specifications packet may be eliminated from consideration. However, Jefferson County reserves the right to accept such a submittal if it is determined to be in the best interest of the County.

While Jefferson County appreciates a brief, straight-forward, and concise reply; proposer must fully understand that the evaluation is based on the information provided. Accuracy and completeness are essential. Omissions, ambiguous, and equivocal statements may be construed against the proposer. The proposal document may be incorporated into any contract which results from this RFP, and vendor(s) are cautioned not to make claims or statements it is not prepared to commit to contractually. Failure of the vendor to meet such claims will result in a requirement that the vendor provide resources necessary to meet submitted claims.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions may not be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer. **Vendors shall not contact any Jefferson County personnel during the RFP process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.**

All correspondence relating to this RFP, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this RFP shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee and Commissioners' Court. Proposals, vendor presentations, and product/service evaluations may develop into

negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct negotiations with vendor representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

7.5 PROPOSAL EVALUATION CRITERIA:

a. RESPONSIVENESS – 15%

This refers to the proposal's complete responsiveness to all written specifications and requirements contained in this RFP. This includes all information required in this RFP.

b. IMPLEMENTATION PLAN – 25%

Emphasis is on the efficiency and comprehensiveness of the methods to be used in performing the services requested by this RFP and in managing the project. This is the implementation plan that will be used in making the Courthouse Café successful and sustainable.

c. PROPOSER QUALIFICATIONS – 25%

This refers to the overall qualifications of Proposer and its past experience in providing similar food services to those requested by this RFP. It also refers to an evaluation of the quality of Proposer's performance on previous local government projects.

d. FOOD SERVICE OFFERINGS – 25%

This refers to the food service menus of the proposer. A variety of food choices must be on the proposed menu including healthy options.

e. PROPOSED LEASE AMOUNT – 10%

This is the proposed lease amount. While this will be an important factor, it will be considered as just one factor in the evaluation and selection process.

Transmittal Letter

The Courtyard Cafe commits to providing service for the courthouse cafe.

The proposal is valid for 90 days from February 17, 2026

Karen Theis - Owner

Proposer's Personnel and organization

Karen D. Theis
Owner of The Courtyard - 2001

5.3 Required Information

The Courtyard Cafe will provide homemade food with quality and consistency to insure an atmosphere of convenience and freshly prepared food

The Courtyard Cafe has been owned and operated by Karen Theis since 2001

The Courtyard

4321 Lincoln Ave.
Groves, Texas
409-962-2850

My name is Karen Theis, I am the owner of The Courtyard café in Groves, TX. I have operated my business at my current location for just over 23 years.

I am submitting a proposal for providing food and services for the café at the courthouse in Beaumont, TX. What I am proposing is primarily a prepared meal, snacks, and desserts that customers can pick up quickly and conveniently. Tea, coffee, and canned and bottled drinks will also be available.
This plan is to help determine the revenue that the café will generate and be able to staff the café accordingly.

I currently provide meals in a marketplace at Cheniere refinery in Sabine Pass. I do have experience in preparing food and maintaining the quality of food for this type of set up.

The goal is to be able to grow this business into a full-service café while maintaining the quality and stability of the business.

I am excited about the opportunity to serve you.

Sincerely,
Karen Theis

The Courtyard Cafe

Grab & Go

Designed for convenience, our Express Location offers a variety of freshly Prepared Grab & Go options including breakfast, sandwiches, wraps, quesadillas, entrees, snacks and desserts.

Grab & Go at The Courtyard Café

NON-DISCLOSURE AGREEMENT

In consideration of Jefferson County retaining the services of a consultant and because of the sensitivity of certain information which may come under the care and control of Consultant, both parties agree that all information regarding the County or any selected County agency subject to this Contract; or gathered, produced, or derived from this project (Confidential Information) must remain confidential subject to release only by permission of the County, and more specifically agree as follows:

Media releases pertaining to this RFP and/or any resulting contract, or the services to which they relate, will not be made without the prior written consent of the County, and then only in accordance with explicit written instructions from the County. The disclosure of the contents of proposals prior to the award of a contract under this RFP, or any other violation of this section, may result in disqualification.

1. The Information may be used by Consultant only to assist Consultant in connection with its engagement with the County.
2. Consultant will not, at any time, use the Information in any fashion, form, or manner except in its capacity as Independent consultant to the County.
3. Consultant agrees to maintain the confidentiality of any and all deliverables resulting from this Contract in the same manner that it protects the confidentiality of its own proprietary products of like kind.
4. The Information may not be copied or reproduced without the County's written consent.
5. All materials made available to Consultant, including copies thereof, must be returned to County upon the first to occur of; (a) completion of the project, or (b) request by the County.
6. The foregoing must not prohibit or limit Consultant use of the information (including, but not limited to, ideas, concepts, know-how, techniques and methodologies) (a) previously known to it, (b) independently developed by it, (c) acquired by it from a third party, or (d) which is or becomes part of the public domain through no breach to Consultant of this agreement.
7. This agreement shall become effective as of the date Information is first made available to Consultant and must survive the contract and be a continuing requirement.
8. The breach of this Nondisclosure Agreement by Consultant shall entitle the County to immediately terminate the Agreement upon written notice to Contractor for such breach. The parties acknowledge that the measure of damages in the event of a breach of this Nondisclosure Agreement may be difficult or impossible to calculate, depending on the nature of the breach. Regardless of whether the County elects to terminate the Agreement upon the breach hereof, the County may require Consultant to pay to the County the sum of $1,000 for each breach as liquidated damages. This amount is not intended to be in the nature of a penalty, but is intended to be a reasonable estimate of the amount of damages to the County in the event of a breach hereof by Consultant. Comptroller does not waive any right to seek additional relief, either equitable or otherwise, concerning any breach of this Agreement.

CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

INSTRUCTIONS FOR COMPLETION OF SF-LLL, DISCLOSURE OF LOBBYING ACTIVITIES

This disclosure form shall be completed by the reporting entity, whether sub-awardee or prime Federal recipient, at the initiation or receipt of a covered Federal action, or a material change to a previous filing, pursuant to title 31 U.S.C. section 1352. The filing of a form is required for each payment or agreement to make payment to any lobbying entity for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a covered Federal action. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

1. Identify the type of covered Federal action for which lobbying activity is and/or has been secured to influence the outcome of a covered Federal action.

2. Identify the status of the covered Federal action.

3. Identify the appropriate classification of this report. If this is a follow-up report caused by a material change to the information previously reported, enter the year and quarter in which the change occurred. Enter the date of the last previously submitted report by this reporting entity for this covered Federal action.

4. Enter the full name, address, city, State and zip code of the reporting entity. Include Congressional District, if known. Check the appropriate classification of the reporting entity that designates if it is, or expects to be, a prime or subaward recipient. Identify the tier of the sub-awardee, e.g., the first sub-awardee of the prime is the 1st tier. Subawards include but are not limited to subcontracts, subgrants and contract awards under grants.

5. If the organization filing the report in item 4 checks "Sub-awardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.

6. Enter the name of the federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.

7. Enter the Federal program name or description for the covered Federal action (item 1). If known, enter the full Catalog of Federal Domestic Assistance (CFDA) number for grants, cooperative agreements, loans, and loan commitments.

8. Enter the most appropriate Federal identifying number available for the Federal action identified in item 1 (e.g., Request for Proposal (RFP) number; Invitations for Bid (IFB) number; grant announcement number; the contract, grant, or loan award number; the application/proposal control number assigned by the Federal agency). Included prefixes, e.g., "RFP-DE-90-001."

9. For a covered Federal action where there has been an award or loan commitment by the Federal agency, enter the Federal amount of the award/loan commitment for the prime entity identified in item 4 or 5.

10. (a) Enter the full name, address, city, State and zip code of the lobbying registrant under the Lobbying Disclosure Act of 1995 engaged by the reporting entity identified in item 4 to influence the covered Federal action.

(b) Enter the full names of the individual(s) performing services, and include full address if different from 10(a). Enter Last Name, First Name, and Middle Initial (MI).

11. The certifying official shall sign and date the form, print his/her name, title, and telephone number.

According to the Paperwork Reduction Act, as amended, no persons are required to respond to a collection of information unless it displays a valid OMB control Number. The valid OMB control number for this information collection is OMB No. 0348-0046. Public reporting burden for this collection of information is estimated to average 10 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0046), Washington, DC 20503

Approved by OMB

CONFLICT OF INTEREST QUESTIONNAIRE
For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

(A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;

(B) a transaction conducted at a price and subject to terms available to the public; or

(C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

***

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds $2,500 during the 12-month period preceding the date that the officer becomes aware that

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than $100 in the 12-month period preceding the date the officer becomes aware that:

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.006(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);

(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or

(3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

(A) begins discussions or negotiations to enter into a contract with the local governmental entity; or

(B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

(A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

(B) that the vendor has given one or more gifts described by Subsection (a); or

(C) of a family relationship with a local government officer.

Form provided by Texas Ethics Commission www.ethics.state.tx.us Revised 11/30/2015

CONFLICT OF INTEREST QUESTIONNAIRE

CONFLICT OF INTEREST QUESTIONNAIRE — FORM CIQ

For vendor doing business with local governmental entity

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.	OFFICE USE ONLY
This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a). By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code. A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.	Date Received

1 **Name of vendor who has a business relationship with local governmental entity.**

N/A

2 ☐ **Check this box if you are filing an update to a previously filed questionnaire.**

(The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 **Name of local government officer about whom the information in this section is being disclosed.**

_____
Name of Officer

This section (item 3 including subparts A, B, C, & D) must be completed for each officer with whom the vendor has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes ☒ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?

☐ Yes ☒ No

C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more?

☐ Yes ☒ No

D. Describe each employment or business and family relationship with the local government officer named in this section.

GOOD FAITH EFFORT (GFE)

Determination Checklist

This information must be submitted with your proposal.

Instructions: In order to determine if a "Good Faith Effort" was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/ Consultant's bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .

☐ Yes ☐ No 1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?

☐ Yes ☐ No 2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?

☐ Yes ☐ No 3. **Provide** HUBs that were genuinely interested in bidding on a subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant's organization)?

☐ Yes ☐ No 4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive bidders?

☐ Yes ☑ No 5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?

☐ Yes ☑ No 6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.** N/A

If "No" was selected, please explain and include any pertinent documentation with your proposal.
If necessary, please use a separate sheet to answer the above questions.

HOUSE BILL 89 VERIFICATION

I, Karen Theis, the undersigned representative of (company or business name) The Courtyard (heretofore referred to as company) being an adult over the age of eighteen (18) years of age, after being duly sworn by the undersigned notary, do hereby depose and verify under oath that the company named above, under the provisions of Subtitle F, Title 10, Government Code Chapter 2270:

1. Does not boycott Israel currently; and
2. Will not boycott Israel during the term of the contract.

Pursuant to Section 2270.002, Texas Government Code:

1. **"Boycott Israel"** means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made ordinary business purposes; and

2. **"Company"** means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or an limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business association that exist to make a profit.

RESPONDENT'S AFFIDAVIT

I have carefully examined the Request for Proposal Specifications, and any other documents accompanying or made a part of this Request for Proposals.

I hereby propose to furnish the goods or services specified in the Request for Proposal. I agree that my proposal will remain firm for a period of up to **90 days** in order to allow Jefferson County adequate time to evaluate the qualifications submitted.

I verify that all information contained in this proposal is truthful to the best of my knowledge and belief. I further certify that I am duly authorized to submit this proposal on behalf of the firm as its act and deed and that the firm is ready, willing and able to perform if awarded the contract.

I further certify, under oath, that this proposal is made without prior understanding, agreement, connection, discussion, or collusion with any other person, firm or corporation submitting a proposal for the same product or service: no officer, employee or agent of Jefferson County or any other Respondent is interested in said proposal: and that the undersigned executed this Respondent's Certification with full knowledge and understanding of the matters therein contained and was duly authorized to do so.

Daily Restaurant Cleaning Checklist Date: _____

Daily Front-of-House Cleaning Checklist:

- ○ Wipe down the walls if necessary
- ○ Sanitize the tables
- ○ Inspect and wipe down the condiments and salt and pepper shakers
- ○ Wipe down all the counters
- ○ Clean the seats and benches
- ○ Run cloth napkins, tablecloths, and wait staff aprons through the washing machine
- ○ Vacuum the carpets
- ○ Take out the trash and recycling
- ○ Clean the interior and exterior of all the trash and recycling bins
- ○ Sweep and mop the floors
- ○ Clean and sanitize your bathrooms by:
  - ○ Disinfecting the toilets
  - ○ Wiping down the sinks
  - ○ Emptying out feminine hygiene product bags
  - ○ Taking out the trash
  - ○ Sweeping and mopping the floors

Daily Back-of-House Cleaning Checklist:

- ○ Wipe down the walls wherever there are splashes
- ○ Clean the grill, griddle, range, flattop, and fryer. Make sure to get underneath the equipment, too
- ○ Change the foil lining on top of the ranges, grills, and flattops
- ○ Wipe down other equipment, such as coffee makers, microwaves, toasters, and meat slicers
- ○ Disinfect prep area surfaces
- ○ Clean beverage dispenser heads in the soda fountains. Bars should clean the tips of the soda guns
- ○ Wash utensils, smallwares, flatware, and glassware and let them air dry overnight
- ○ Clean the sinks
- ○ Wash rags, towels, aprons, and uniforms in the washing machine
- ○ Refill soap dispensers and replace empty paper towel rolls
- ○ Sweep walk-in refrigerators and storage areas
- ○ Take out the trash and recycling
- ○ Disinfect the waste disposal area and clean the trash cans
- ○ Sweep and mop the floors

Weekly and Monthly Restaurant Cleaning Checklist:

Weekly Front-of-House Cleaning Checklist:

- ◯ Dust and wipe down the light fixtures
- ◯ Disinfect the door handles
- ◯ Wash glass windows and doors

Monthly Front-of-House Cleaning Checklist:

- ◯ Dust any decorations or wall art
- ◯ Wash the walls
- ◯ Check the ceiling for cobwebs

Weekly Back-of-House Cleaning Checklist:

- ◯ Clean the ovens, including the walls, door, and racks
- ◯ Wash and sanitize the walk-in refrigerators and freezers
- ◯ Delime the sinks and faucets
- ◯ Clean any anti-fatigue mats
- ◯ Boil out the deep fryer
- ◯ Use drain cleaner on the floors

Monthly Back-of-House Cleaning Checklist:

- ◯ Wash behind the hot line to prevent clogs
- ◯ Clean refrigerator coils to remove dust
- ◯ Run cleaning and sanitizing chemicals through the coffee or espresso machine to remove built-up grime
- ◯ Empty grease traps
- ◯ Wash walls and ceiling to remove grease buildup
- ◯ Clean out and sanitize the ice machine (every 6 months)
- ◯ Wash vent hoods (every few months)
- ◯ Clean and sanitize the freezer
- ◯ Replace pest traps

ATTACHMENT C

Best Management Practices

Fats, Oils, and Grease (FOG) Control Program

Fats:

Fats are solid at room temperature; butter, shortening, margarine, peanut butter, meat trimmings, uncooked poultry skins, and dairy.

Oils:

Oils are liquid at room temperature; vegetable, canola, corn, and cooking oils.

Grease:

Grease turns to liquid during cooking but solidifies when cooled; gravy, mayonnaise, melted meat fat, bacon, sausage, boiled poultry skin, and salad dressings.

Consequences of Improper FOG Disposal:

- Rancid odors
- Sewage overflow into businesses, yards, parks, and public streets due to clogged pipes
- Expensive cleanup, repair, and replacement of damaged property. Property owners are responsible for all pipes from their building out to the main line.
- Potential contact with microorganisms that can cause gastroenteritis and hepatitis

Inside the kitchen:

- Service and clean grease retention device on a regular basis.
- Educate staff on FOG management and requirements.
- Post "NO GREASE" signs above kitchen sinks and drains.
- "Dry wipe" all pots, pans, plates, and utensils before washing.
- Keep a Spill Kit in the kitchen that consists of material like kitty litter or absorbent pads.
- Dispose of food waste by recycling and/or solid waste removal.
- Routinely clean kitchen exhaust system filters and hoods.
- Install removable screens on kitchen drains with openings no bigger than 3/16in, clean frequently.
- Never put eggshells, coffee grounds, or kitty litter down the drain or in the toilet.

In the event of a FOG spill

- **Begin cleanup immediately.**
- **Never use detergents or degreasers.**
- **Seal off any nearby storm drains.**
- **If the spill is unmanageable, contact a clean-up contractor and the appropriate agency.**
- **Never wash the spill or clean-up materials into the street or storm drains.**
- **Dispose of clean-up materials into a garbage bag.**

***The café will also utilizes disposable products (take-away packaging) to serve food in eliminating the need to wash customer dishes.**

JEFFERSON COUNTY AIRPORT

RE: Service Address - AIRPORT TER RADAR EQUIPMENT #740117401 , NEDERLAND, TX 77627

Account Number - 138199955

Dear: Valued Customer

We have some good news for you. Based on your prior usage, you could see an annual savings of $1,002.00 on your electric bill from Entergy Texas. We review our records each year to ensure that we offer service to customers at the most economical rate available, and are pleased to offer a more cost-effective option to you.

To take advantage of this new rate schedule, please complete the enclosed Customer Rate Change Request and return the original signed document to the Entergy Business Center at the address shown. To complete the change, your company may also be required to establish a new electric service agreement with us. If so, we will let you know when the agreement is ready for you to sign.

Your rate will change from TX_GS1 to TX_SGS if we receive your signed request form and signed agreement, (if required). The new rate would apply prospectively and your actual savings would depend on how closely your usage levels for the coming year match last year's, as well as other factors such as fuel costs.

If you have questions or would like to receive a detailed comparison, please contact the Entergy Business Center at 1-800-766-1648 during regular business hours.

Sincerely,

Paul Blackburn

CUSTOMER RATE CHANGE REQUEST

JEFFERSON COUNTY AIRPORT

RE: Service Address - AIRPORT TER RADAR EQUIPMENT #740117401 , NEDERLAND, TX 77627

Account Number - 138199955

Please change the rate schedule applicable to my company's electric service to Entergy Texas. rate schedule TX_SGS. I understand that this new rate schedule will be applicable to my company's account. Consistent with Entergy Texas terms and conditions and the provisions of the new rate, I must take service under the new rate for a minimum term of year(s).

Upon acceptance by Entergy Texas, this Customer Rate Change Request shall serve to modify my company's current agreement for electric/gas service, only with regard to the rate schedule under which service is provided and the contract period applicable to my electric/gas service as specified in the rate schedule, Entergy Texas terms and conditions, and the agreement for electric/gas service with my company; all other terms and conditions of such agreement will remain unchanged and in full force and effect. I also understand, however, that Entergy Texas, in its sole discretion, may require that my company execute a new electric/gas service agreement in order to implement such change in rate schedules.

I certify that I am authorized by my Company to instruct you to make this change in rate schedules.

Honorable Commissioners' Court:
Jeff Branick, County Judge
Brandon Willis, Commissioner, Precinct No. 1
Cary Erickson, Commissioner, Precinct No. 2
Michael "Shane" Sinegal, Commissioner, Precinct No. 3
Everette "Bo" Alfred, Commissioner, Precinct No. 4

The County Auditor's Office ("the Auditor's Office") is pleased to present the Annual Comprehensive Financial Report ("Annual Report") of Jefferson County, Texas (the "County") for the fiscal year ended September 30, 2025. This report is submitted in accordance with Section 114.025 of the Texas Local Government Code and has been prepared by the County Auditor's staff.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal controls that it has established for this purpose. Because the cost of internal controls should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

Pattillo, Brown & Hill, LLP, Certified Public Accountants, has issued an unmodified ("clean") opinion on the County's financial statements for the year ended September 30, 2025. The independent auditors' report is located at the front of the financial section of this report.

Management's Discussion and Analysis (MD&A) immediately follows the independent auditors' report and provides a narrative introduction, overview, and analysis of the basic financial statements. The MD&A complements this letter of transmittal and should be read in conjunction with it.

PROFILE OF THE GOVERNMENT

Jefferson County was created in 1836 and organized in 1837 as one of the original counties of the Republic of Texas. It is a 954 square mile county that is located on the upper Texas Coast and is a component of the Beaumont-Port Arthur-Orange Metropolitan Statistical Area. According to the U.S. Department of Commerce-Bureau of the Census, the 2020 population of the County was 251,565. The County is empowered to levy a property tax on both real and personal property located within its boundaries.

Jefferson County is a political subdivision of the State of Texas and the Commissioners' Court is the governing body of the County. It is composed of the County Judge elected from the County at large, and four Commissioners, each elected from a separate precinct, all elected for four-year terms. The County Judge is the presiding officer of the Commissioners' Court.

The County (primary government) solely or in cooperation with other local governmental entities provides a full range of services authorized by the Texas Constitution and Statutes that includes construction and maintenance of roads and bridges, health and housing services, assistance to indigents, juvenile and adult justice programs, economic development, recreation and cultural enrichment, an airport, an entertainment complex, and general administration.

The combined financial statements of the County as a financial reporting entity report all activities, organizations, and functions of the County, both as the primary government and its legally separate components units for which (1) the elected officials of the County are financially accountable and/or (2) exclusion of component units activities would cause the County's financial statements to be misleading or incomplete. The County's component units have been reported as blended with the County as the primary government or as discrete (separate) component unit, as appropriate. Criteria used by the County for including activities in preparing these financial statements are in conformity with GASB 14, *The Financial Reporting Entity,* GASB 39, *Determining Whether Certain Organizations are Component Units,* GASB 61, *The Financial Reporting Entity: Omnibus- an amendment of GASB Statements No. 14 and No 34*, and GASB 80, *Blending Requirements for Certain Component Units.* Based on the requirements of these accounting standards, the County reports the Southeast Texas Government Employee Benefits Pool as a blended component unit.

The County is required to adopt a final budget no later than the close of the fiscal year. Annual budgets are adopted for the General Fund and Debt Service Funds. This annual budget serves as the foundation for the County's financial planning and control. The level of budgetary control is the department within the individual funds. The County maintains an encumbrance accounting system as a method to accomplish budgetary control. Department heads may transfer resources within a department as needed. These transfers are communicated to Commissioners' Court. Transfers between departments, however, require approval by Commissioners' Court.

FACTORS AFFECTING FINANCIAL CONDITIONS

Local economy

The information presented in the financial statements is perhaps best understood when it is considered from the broader perspective of the specific environment within which the County operates.

The area is served by deep-water ports located at Beaumont, Port Arthur, Orange, and Sabine Pass. The Sabine Neches Waterway provides deep-water access to ocean-going vessels, which are served by public ports within the County. The waterway is the third largest port in the U.S. by tonnage, the largest U.S. exporter of crude oil and LNG, and home to over 60% of the U.S. strategic petroleum reserves. With the completion of Golden Pass LNG and Sempra LNG approximately 600 ships annually will be added to the local waterways which we anticipate will make this area the 1st or 2nd largest U.S. port by tonnage. The waterway has recently seen a dramatic increase in natural gas liquids transits.

The County is traversed by Interstate Highway 10, U.S. Highways 90 and 69-96-287, State Highways 73, 87, and 105 and three farm-to-market roads. Highway 90 and the 287 portions of Highway 69-96-287 are currently the subject of Texas Department of Transportation studies for conversion to interstate status. Rail and motor freight carriers also provide freight service to the County. The County is served by three major railroads, Canadian Pacific/Kansas City South, Union Pacific, and BNSF. The Jack Brooks Regional Airport located between Beaumont and Port Arthur provides passenger and freight service and is currently serviced by one commercial commuter passenger air carrier.

The economy of the County is based primarily on petroleum refining; the production and processing of petrochemicals, bio-fuels other chemicals, and synthetic rubber; the fabrication of steel and steel products; shipping activity; the manufacture of wood, pulp, food and feed products; agriculture; and health care services. The County continues to diversify its economic base as evidenced by the increase of jobs in the services and government sectors. The County is also home to the largest military off-load port in the world. Jefferson County is home to Lamar University, Lamar Institute of Technology, and Lamar State College – Port Arthur. Lamar is recognized nationally as one of the premier institutions for providing engineering, business, education, nursing and pre-med degrees at a very cost-competitive value. Lamar Institute of Technology along with industry and union training organization are providing the preparation for tomorrow's careers in our ever-expanding industrial base.

In the last 2 years, numerous "green" or "blue" energy projects have begun in the County such as Arbor Renewables, which turns vegetative waste into gasoline which will be sold primarily in California and Europe. OCI and Linde are other global players beginning construction of environmentally friendly projects and the County is currently in discussions with several more multi-billion-dollar projects.

Several large projects are in construction, permitting, and development for the area and the County continues to work with other taxing entities to create a business environment conducive to this growth. These include such notables as Lucite, Air Products, Vitol, Golden Pass Products, OCI, Exxon Mobil, Golden Pass LNG, Sempra Energy, Valero, Total/BASF, Phillips 66, Entergy Transfer Partners, American Ethane, Sunoco Partners, Coastal Caverns, Golden Triangle Storage, Linde, and Iron Horse Terminals.

Hundreds of millions of dollars are being spent on terminal and pipeline facilities to support these projects. In addition, recent rail terminal facility expansions and new construction has significantly increased the transportation of Canadian tar sands oil and bitumen to our area for processing by area refineries. Additional rail expansions are currently in construction.

Cheniere, one of two companies with Liquefied Natural Gas Terminals on the border of the Texas/Louisiana Coast, is completing construction of a $10 billion liquefaction facility. Golden Pass LNG opened their terminal in mid-2011. With their opening, our ship channel is now home to over 40% of the nation's LNG capacity. Golden Pass LNG received permits allowing it to build a $10 billion gas liquefaction facility in Jefferson County and is currently under construction with over 4,700 construction workers on site. Sempra Energy has received permitting from federal authorities and has begun construction activities on a new natural gas liquefaction facility and have applied to the Federal Energy Regulatory Commission for permits to double the size of the project currently under construction, which the permit was recently approved.

The County has participated in a study by the U.S. Army Corps of Engineers into the feasibility of deepening the Sabine-Neches waterway. This will allow ports in Southeast Texas, the third largest in the nation, to accommodate newer deep draft vessels and thus remain competitive with other ports on the Gulf Coast. The U.S. Army Corps of Engineers has issued their "Chief's Report" which paves the way for federal funding of this project. The U.S. House and Senate recently passed legislation, which was signed by the President authorizing the construction of the waterway improvements at a cost in excess of $1 billion. Congressional appropriations for the project have been made and construction has begun. Just recently, the first "useable increment" of the waterway deepening was completed bringing further federal appropriations. More contracts have been let to continue the 65-mile project which will be completed within 5 years, with work ongoing. The Crops has recently approved allowing the Sabine-Neches Navigation District to let the contracts for the waterway deepening which will reduce costs and speed up completion.

The County continues to work with industry leaders, the Texas Workforce Commission, Lamar Institute of Technology, Lamar University, trade unions, and non-profit groups to supply a workforce able to handle the growing labor needs of the County. This is especially critical given the interest of the international community in locating facilities in our county.

The resurgence in U. S. oil and gas exploration and production has made the County the place of choice for those industrial sectors seeking to exploit opportunities to profit from historically low-priced energy commodities. Our excellent water bound, rail, highway, and pipeline infrastructure, the readily availability of water resources, and our business-friendly governmental environment,

coupled with a lower-than-average tax environment, has caught the attention of energy and manufacturing companies worldwide. We have also recently become the focus of many new clean hydrogen projects related to data storage facilities which make their own electricity and water utilizing proprietary hydrogen technologies. These are multi-billion-dollar projects that create numerous high paying careers.

The County is now a primary location for carbon sequestration and utilization storage and numerous leases have been entered into with both private landowners and the State of Texas for activities with related carbon neutral impacts. The subsurface geology in Jefferson County makes our area extremely attractive for future carbon capture activities.

The County has 16 separate abatement agreements with $6,446,141,153 in abated taxable value for fiscal year 2025. The County estimates these abatement agreements will roll off of abatement and become taxable over the next 12 years. The estimated taxes over the next 12 years to be collected based on the current rate of $.357 per $100 of valuation and the fiscal year 2025 market value is $23,012,723. The future estimated tax revenue will fluctuate as market values increase/decrease due to market conditions. The county's tax abatement policies and current agreements allow the County to remain competitive in the goal to increase the industrial tax base for continued job creation. The County fully expects a significant increase in industrial and commercial ad valorem values over the next ten years totaling in excess of 50 billion dollars.

Long-term financial planning & relevant financial policies

Commissioners' Court continues to follow their policy guideline for budgetary and planning purposes of building and maintaining an unassigned fund balance in the General Fund of at least 15% of total general fund expenditures and transfers. The County's General Fund ended the fiscal year with an unassigned fund balance of 47.9% of total general fund expenditures and transfers. This falls within the policy guidelines.

Major Initiatives

The Commissioners' Court set the property tax rate at $ .357 per $100 of assessed property valuation to provide funds for services and debt service for fiscal year 2025. Budget initiatives for fiscal year 2025 included:

- Provide a 3% salary increase for Sheriff Association union employees, Constable Association union employees, and all other employees. In addition, ensure all employees are budgeted at least 105% of their corresponding range and make increases to the longevity pay table.

- Commissioners' Court made a $2,500,000 transfer and utilized previously transferred funds to address necessary capital projects.

- Maintained capital expenditures for durable goods to replace needed equipment to necessary levels.

AWARDS

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to Jefferson County, Texas for its Annual Comprehensive Financial Report for the fiscal year ended September 30, 2024. This was the twenty-seventh consecutive year that the government achieved this prestigious award.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized annual comprehensive financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe our current report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to GFOA to determine its eligibility for another certificate.

ACKNOWLEDGEMENTS

The preparation of this report could not have been accomplished without the dedicated services of the staff of the County Auditor's Office. I express my sincere appreciation to all the members of this office who contributed to its preparation. In addition, I express my appreciation to the members of the Commissioners' Court, their staff, and all other County officials and employees who have given their support in planning and conducting the financial operations of Jefferson County, Texas in a responsible manner.

REQUEST FOR INFORMATION

This financial report is designed to provide an overview of the County's finances for individuals who are interested in this information. Questions concerning any of the data provided in this report or requests for additional information should be addressed to the County Auditor's Office, 1149 Pearl Street 7th Floor, Beaumont, Texas 77701.

INDEPENDENT AUDITOR'S REPORT

Honorable County Judge
and Commissioners' Court
Jefferson County, Texas

Report on the Audit of the Financial Statements

Opinions

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Jefferson County, Texas (the "County") as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County as of September 30, 2025, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter - Change of Accounting Principle

As described in the notes to the financial statements, in fiscal year 2025 the County adopted new accounting guidance, Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences.* Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

The County's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, budgetary comparison information, and pension and OPEB information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the County's basic financial statements. The combining and individual nonmajor fund financial statements and schedules are presented for the purpose of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the combining and individual nonmajor fund financial statements and schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Information included in the Annual Comprehensive Financial Report

Management is responsible for the other information included in the annual comprehensive financial report (ACFR). The other information comprises the introductory section and statistical section but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 20, 2026, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

Pattillo, Brown & Hill, L.L.P.

Waco, Texas
March 20, 2026

JEFFERSON COUNTY
TEXAS

As management of Jefferson County, we offer readers of the Jefferson County's financial statements this narrative overview and analysis of the financial activities of the county for the fiscal year ended September 30, 2025. Please read it in conjunction with the additional information that we have furnished in our letter of transmittal, which can be found in the introductory section of this report.

Financial Highlights

- The assets and deferred outflows of resources of Jefferson County exceeded its liabilities and deferred inflows of resources at the close of fiscal year 2025 by $124,319,988, an increase of $65,795,738 in net position from the previous year. As a result, the County's overall financial position has improved from the previous year.

- Of the net position, $165,767,999 is net investment in capital assets, $57,077,112 is restricted for specific uses, and $(98,525,123) is unrestricted.

- As of the close of fiscal year 2025, Jefferson County's governmental funds reported combined ending fund balances of $155,530,169, an increase of $17,908,209 in comparison with the prior year. About 49% of the total amount, $76,525,604 is available for spending at the County's discretion (unassigned fund balance).

- At the end of fiscal year 2025, unassigned fund balance for the General Fund was $78,802,455, or 47.9% of total General Fund expenditures and transfers. In addition, the General Fund had a nonspendable fund balance of $1,453,052 and assigned fund balance of $19,997,704.

- The LPPF fund is classified as a major fund. It had restricted fund balance of $6,078,540.

- The ARPA Coronavirus fund is classified as a major fund. It had zero fund balance.

- The County's total bonds payable decreased by $5,472,095 during the current fiscal year.

Overview of the Financial Statements

This discussion and analysis is intended to serve as an introduction to the County's basic financial statements, which are comprised of the following three components: 1) Government-wide financial statements, 2) Fund financial statements, and 3) Notes to the basic financial statements. This report also contains other supplementary information which is included in addition to the basic financial statements themselves.

Government-wide Financial Statements are designed to provide readers with a broad overview of County finances, in a manner similar to a private-sector business.

The Statement of Net Position presents information on all County assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference representing net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the County is improving or deteriorating.

The Statement of Activities presents information that indicates how net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will result in cash flows in future fiscal periods.

Both of these government-wide financial statements distinguish functions of the County that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or in part a portion of their costs through user fees and charges (business-type activities). The governmental activities of the County include general government, judicial and law enforcement, education and recreation, health and welfare, and maintenance of equipment and structures. The business-type activities of the County include an airport and an entertainment complex.

Component units are included in our basic financial statements and consist of legally separate entities for which the County is financially accountable and they have substantially the same board as the County or provide services entirely to the County. The County's component unit, Southeast Texas Government Employee Benefits Pool, has been reported as blended with the County as the primary government. For more detailed information on this component unit refer to Note 1A and Note 13 of the basic financial statements.

Fund Financial Statements are groupings of related accounts that are used to maintain control over resources that have been segregated for specific activities or objectives. The County, like other state and local governments, uses fund accounting to ensure and demonstrate finance-related legal compliance. All of the funds of the County can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental funds financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating the County's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental funds balance sheet and the governmental funds statement of revenues, expenditures, and

changes in fund balance provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The County maintains 69 individual governmental funds. Information is presented separately in the governmental funds balance sheet and in the governmental funds statement of revenues, expenditures, and changes in fund balances for the major governmental funds. Data from other governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements elsewhere in this report.

Proprietary funds are maintained two ways. An enterprise fund is used to report the same functions presented as business-type activities in the government-wide financial statements. The County uses enterprise funds to account for the operations of an airport and entertainment complex. Internal service funds are an accounting device used to accumulate and allocate costs internally among the County's various functions. The County uses internal service funds to account for its liability activities, workers' compensation, and the public entity risk pool that provides health insurance benefits. Because these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the government-wide financial statements.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. Both of the enterprise funds are considered to be major funds of the County. The County's internal service funds are combined into a single, aggregated presentation in the proprietary funds financial statements. Individual fund data for the internal service funds is provided in the form of combining statements elsewhere in this report.

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the County's own programs. The County's fiduciary funds are one investment trust fund and 9 custodial funds.

Notes to the Basic Financial Statements provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes can be found starting on page 31 of this report.

Required Supplementary Information is presented concerning the County's General Fund budgetary schedule. The County adopts an annual budget for this fund. A budgetary comparison schedule, which includes the original and final amended budget and actual figures, has been provided to demonstrate compliance with this budget. Also included are schedules for pensions and other post-employment benefits. As part of the section are a schedule showing the changes in net pension liability and related ratios, a schedule of employer contributions to the retirement system with notes about these contributions, and

a schedule of the changes in total other post-employment benefits liability and related ratios. Required supplementary information can be found starting on page 71 of this report.

The combining and individual fund statements and schedules referred to earlier provide information for non-major governmental funds and internal service funds and are presented immediately following the required supplementary information.

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the County, assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources by $124,319,988. For fiscal year 2024, assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources by $61,562,466.

The largest portion of the County's current fiscal year net position ($165,767,999) reflects its investments in capital assets (e.g. land, improvements, buildings, equipment, and infrastructure); less any related debt used to acquire those assets that is still outstanding plus any unspent bond proceeds. The main use of these capital assets is to provide services to citizens; consequently, these assets are not available for future spending. Although the County's investment in its capital assets is reported net of related debt, it should be noted that resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities. Another portion of the County's current fiscal year net position ($57,077,112) represents resources that are subject to external restrictions on how they may be used. The County's current fiscal year net position is reduced by ($98,525,123) for the negative unrestricted net position. Unrestricted net position may be negative when entities incur long-term liabilities which are not offset by corresponding assets or when it covers post-retirement benefits on a pay-as-you-go basis rather than advance-funding such costs in a trust account.

Condensed Statement of Net Position
September 30, 2025

Total Net Position	$ (20,173,624)	$ 81,736,090	$ -	$ 61,562,466

During the current year, the County adopted new accounting guidance for compensated absences with the adoption of GASB Statement No. 101, *Compensated Absences*. The information above for 2025 has been restated to reflect this change, but in accordance with GASB pronouncements, 2024 was not adjusted above. See Note 7 and Note 16 to the financial statements for more information.

At the end of the fiscal year 2025 and the 2024 fiscal year, the County reported positive net position in two of the three categories as a whole. The County reported positive balances in two of the three categories of net position for its governmental activities for fiscal year 2025 and fiscal year 2024. Business-type activities had positive balances in two categories of net position for fiscal year 2025 and fiscal year 2024.

The County had a reclassification of $613,143 in fiscal year 2025 and $5,339,987 in fiscal year 2024 to move the debt associated with the construction of Ford Park from Unrestricted net position to net investment in capital assets. The capital assets are reported in the business-type activities and the debt is reported in the governmental activities.

The County's net position increased by $65,795,738 during the current fiscal year. The following table indicates changes in net position for governmental and business-type activities:

Statement of Activities
For the Year Ended September 30, 2025

	Governmental Activities	Business-type Activities	Total
Revenues:			
Program revenues:

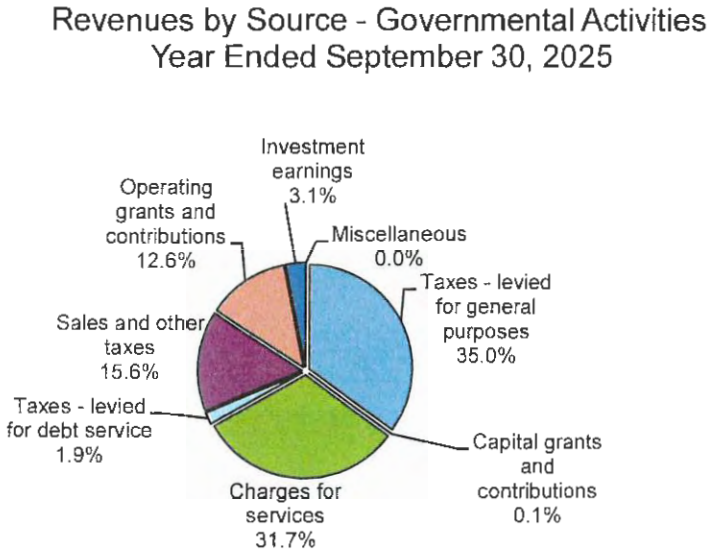
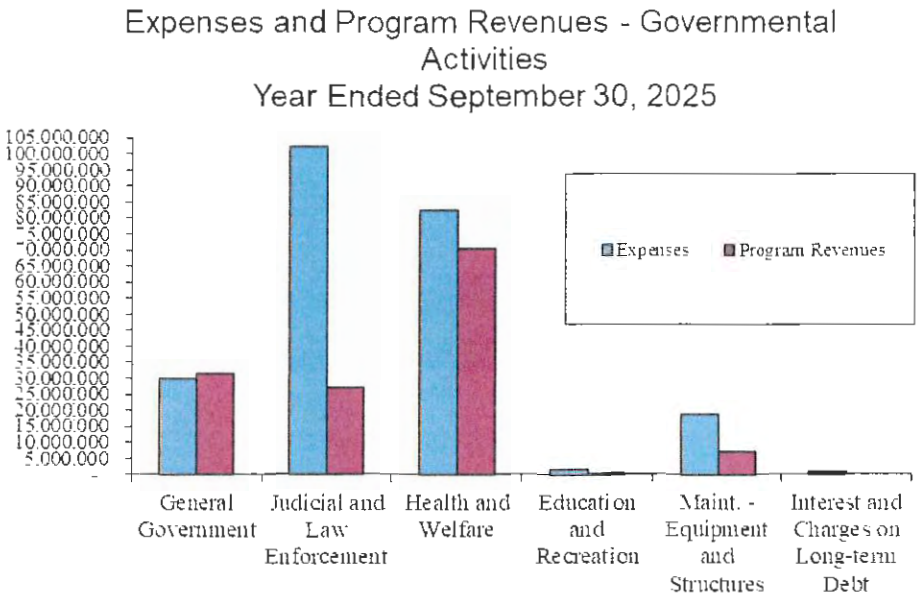
Governmental activities





Governmental activities increased the County's net position by $68,046,955.

This increase is due to a net of multiple factors. The net effect of pension related liability, deferred inflows and outflows account for $8.6 million of the increase. OPEB related liability, deferred inflows and outflows account for another $32.9 million of the increase. Additionally, $5.2 million for in principal payments for bonds and financing arrangements account for and portion of the increase in County's net position. Revenue from Property

tax increased $4.9 million from prior year for increases in property valuations. Revenue from Sales tax has increased by about $5.7 million due to purchases for area industrial expansion. For the most part, other changes (increases/decreases) in expenses typically had corresponding changes in revenues as programs or projects ramp up or wind down.

Business-type activities

Business-type activities decreased the County's net position by $2,251,217. The largest area of decrease is in Net Investment in Capital Assets due to the continued depreciation of assets and only small capital purchases during the fiscal year. Unrestricted also saw about $1 million decrease due to less non-capital intergovernmental funding. The County continues to look for additional revenues sources as well as cost-saving measures to have these business-type activities self-supporting without having to rely on transfers from the General Fund to subsidize operations.

Financial Analysis of the Government's Funds

Governmental Funds. The focus of the County's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the County's financing requirements. In particular, unreserved fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, Jefferson County's governmental funds reported combined ending fund balances of $155,530,169 an increase of $17,908,209 in comparison with the prior year. About 49% of this total amount ($76,525,604) constitutes unassigned fund balance, which is available for spending at the County's discretion. The remainder of fund balance is nonspendable, committed, restricted, or assigned to indicate that it is not available for new spending.

The General Fund is the chief operating fund of the County. At the end of the current fiscal year, unassigned fund balance of the General Fund was $78,802,455 while total fund balance reached $100,253,211. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures and transfers. Unassigned fund balance represents 47.9% of total General Fund expenditures and transfers, while total fund balances represents 61% of that same amount.

The fund balance of the County's General Fund increased by $14,683,552 during the current fiscal year. This increase is in mostly due to an increase of $5.2 million for property tax revenue due to increased property valuations. Revenue from Sales Tax also increased by $5.5 million due to construction for industrial expansions. Other increases in revenue had corresponding offsetting increases in expenditures. Additional transfers were to made to Capital Project fund for necessary projects.

The LPPF (Local Provider Participation Funds) fund had an ending fund balance of $6,078,540. The fund balance decrease by $4,234,537 due to increase in expenditures for intergovernmental transfer to the State for various programs. The County will continue administrating the local providers' mandatory payments for health care related expenditures.

The ARPA Coronavirus Recovery had an ending fund balance of zero. The County will continue administrating the local allocation of the American Rescue Plan Act of 2021.

Proprietary Funds. The County's proprietary fund statements provide the same type of information found in the business type activities of the government-wide financial statements, but in more detail.

The Jack Brooks Regional Airport Fund is used to account for the day-to-day operations of the County airport. As of September 30, 2025, unrestricted net position is positive $2,552,226, a decrease of $1,022,948 from the prior year unrestricted net position. This

decrease is mostly due to a decrease in grant funding from FAA for operations and revenue from interest.

The Ford Park Fund is used to account for the day-to-day operations of Ford Park. As of September 30, 2025, unrestricted net position is negative $110,287, an increase of $65,699 from the prior year negative net position. This decrease is mostly due to an additional transfer from the General Fund to subsidize operations.

General Fund Budgetary Highlights

The total original budget adopted on September 17, 2024 did not have to be amended during the year. Budget transfers were done during the year to adjust departments as needed.

During the year actual revenues and other financing sources including transfers in were more than budgetary estimates by $18,749,571. Actual expenditures and transfers out were less than budgetary estimates by $13,496,714. The budget had a projected reduction of $17,562,733 to the fund balance. The net effect of over-realization of revenues and under-utilization of appropriations resulted in a positive variance of $32,246,285 thus increasing the existing fund balance by $14,683,552 on a budgetary basis.

The largest positive variance of $13,461,759 is due to an increase in Sales Tax revenue. The area continues several large industrial expansions.

Revenue from Property Taxes had the largest negative variance of $766,246 due to adjustments to property valuations after the adoption of the budget.

Many departments achieved savings over the fiscal year mostly due to unfilled staff positions and moving employees through their salary ranges whereby leaving unspent funds. The total amount of savings for salary and fringe benefits was about $8.7 million. Departments also did well in controlling their spending in other budgetary areas.

Budget variances are not expected to impact future services or liquidity.

Capital Assets and Debt Administration

Capital Assets. The County's investment in capital assets for its governmental and business-type activities as of September 30, 2025, amounted to $182,020,810 (net of accumulated depreciation). This investment in capital assets includes land, improvements, structures, park improvements and facilities, infrastructure, equipment, vehicles, machinery, other tangible and intangible assets, and construction in progress.

Major capital asset events during the current fiscal year included the following:

- The County had a variety of building improvements, purchases of equipment, roads and bridges construction, construction of airport facilities, and energy conservation projects.

- At September 30, 2025, the ending fund balance for all capital projects funds was $20.38 million.

For further information regarding capital assets, see Note 5.

Long-Term Liabilities. At September 30, 2025, the County had total long-term liabilities outstanding of $35,116,336. Note that the table below reflects the County's implementation of GASB Statement No. 101, *Compensated Absences*, for 2025 and 2024. The liability now includes the estimated portion of accumulated sick leave that will be paid in future years. The other portion of compensated absences related to vacation and compensation time payable was not significantly affected by GASB 101. Refer to Note 7 for further information on the County's long-term liabilities. County officials, citizens, and investors will find the ratio of net bonded debt to assessed valuation and the amount of bonded debt per capita as useful indicators of the County's debt position. This information is presented in the statistical section of this report.

Governmental Activities:	Outstanding at September 30, 2025	Outstanding at September 30, 2024 - restated
Bonds Payable	$ 12,800,486	$ 18,272,581

Business-type Activities:		
Compensated Absences	$ 295,709	$ 278,527
Total business-type activities	$ 295,709	$ 278,527

The bond rating services of Moody's Investors Services, Inc. and Standard & Poor's Ratings services have assigned the County's long term bond ratings of Aa2 and AA- respectively.

Economic Factors and Next Year's Budgets and Rates

The Commissioner's Court adopted the County's 2025-2026 budget on August 26, 2025 for the General Fund and Debt Service funds. The budget was adopted based on estimated balances that would be available at the end of fiscal year 2025 and estimated revenues to be received in fiscal year 2026. The total resources for all funds for fiscal year 2026 are estimated to be $273.8 million. The budget was adopted with estimated expenditures in the amount of $193.2 million. The 2025-2026 budget forecast utilizing $19,997,704 of fund balance.

For 2025-2026, the property tax rate will be maintained at $.357 per $100 of taxable assessed value and taxable assessed property values are anticipated to increase by 5.2% for the 2025-2026 budget year.

The average unemployment rate for Jefferson County for September 2025 was 6.0%; this is a decrease from the prior year rate of 6.4%. The state's average unemployment rate for September 2025 was 4.4%.

Request for Information

This financial report is designed to provide a general overview of the County's finances for all those with an interest in the County finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the County Auditor's Office, 1149 Pearl St. – 7th Floor, Beaumont, Texas 77701.

JEFFERSON COUNTY, TEXAS
RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET
TO THE STATEMENT OF NET POSITION
SEPTEMBER 30, 2025

Total fund balances for governmental funds		$ 155,530,169
Total net position reported for governmental activities in the statement of net position is different because:		
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds. Those assets consist of:		
Land	$ 3,840,787	
Construction in progress	8,028,580	
Infrastructure, net of $51,069,793 accumulated depreciation	15,527,117	
Buildings, net of $89,725,372 accumulated depreciation	53,308,266	
Equipment, net of $47,158,875 accumulated depreciation	19,569,046	
SBITA, right to use, net of $3,802,948 accumulated depreciation	4,785,476	
Total capital assets		105,059,272
Long-term liabilities applicable to Jefferson County's activities are not due and payable in the current period and accordingly are not reported as fund liabilities. Interest on long-term debt is not accrued in governmental funds, but rather is recognized as an expenditure when due. All liabilities - both current and long-term are reported in the Statement of Net Position. Balances as of September 30, 2025 were:		
Accrued interest on bonds and loans	$ (67,025)	
Bonds payable	(12,005,000)	
SBITA Liability	(3,444,000)	
Total OPEB Liabilities	(130,877,217)	
Net Pension Liability	(24,459,225)	
Financing Arrangement	(8,325)	
Compensated absences	(14,886,562)	
Pensions - Contributions after 12/31/2024	13,231,881	
Pensions - Economic/demographic losses	(6,518,130)	
Pensions - Investment (gains) or losses (Inflows)	(789,586)	
Pensions - Investment (gains) or losses Outflows	773,067	
OPEB - Changes in Assumption Outflows	3,107,081	
OPEB - Economic/demographic Outflows	2,822,139	
OPEB - Changes in Assumption (Inflows)	(22,805,421)	
OPEB - Economic/demographic (Inflows)	(30,544,026)	
Premium/Discounts on Bonds	(795,486)	
		(227,265,835)
Internal service funds are used by the County. The assets and liabilities of the internal service funds are included in the governmental activities in the Statement of Net Position. Internal service fund net position is:		5,091,505
Interest on investements is not accrued in governmental funds, but rather is recognized as revenue when due.		171,141
Some of the County's revenues will be collected after year-end but are not available soon enough to pay for the current period's expenditures and therefore are reported as unavailable resources in the funds.		6,330,259
Total net position of governmental activities		$ 44,916,511

The notes to the financial statements are an integral part of this statement.

The notes to the financial statements are an integral part of this statement.

JEFFERSON COUNTY, TEXAS
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2025

Net change in fund balances - total governmental funds		$ 17,908,209
Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of these assets is allocated over their estimated useful lives and reported as depreciation expense.		
Capital Expenditures	$ 15,447,906	
Capital asset donations to Business type activities	(1,676,878)	
Net adjustment for sale or disposal of capital assets	(9,748)	
Depreciation Expense	(11,259,933)	
Net adjustment		2,501,347
Debt proceeds are reported as financing sources in governmental funds and thus contribute to the change in fund balance. In the statement of net position, however, issuing debt increases long-term liabilities and does not affect the Statement of Activities. Similarly, repayment of principal is an expenditure in the governmental funds but reduces the liability in the Statement of Net Position.		
Debt issued:		
SBITA, right to use	(856,367)	
Repayments:		
To paying agent for bond principal	5,100,000	
Principal on SBITA liability	1,005,487	
Financing arrangement principal	97,979	
Net adjustment		5,347,099
Under the modified accrual basis of accounting used in the governmental funds, expenditures are not recognized for transactions that are not normally paid with expendable available financial resources. In the statement of activities, however, which is presented on the accrual basis, expenses and liabilities are reported regardless of when financial resources are available. In addition, interest on long-term debt is not recognized under the modified accrual basis of accounting until due, rather as it accrues. The adjustment combines the net changes of the following balances.		
Compensated absences	$ (447,638)	
Total OPEB Liabilities	62,261,410	
Net Pension Liability	14,053,026	
Pensions - Economic/demographic outflows	(7,852,542)	
Pensions - Investment (gains) of losses inflows	1,173,984	
Pensions - Investment (gains) of losses outflows	1,086,576	
Pensions - Difference in Contributions	181,223	
OPEB - Change in assumptions outflows	(2,524,040)	
OPEB - Change in assumptions inflows	(303,328)	
OPEB - Economic/demographic outflows	(3,527,672)	
OPEB - Economic/demographic inflows	(22,979,885)	
Amortization of bond premium	372,095	
Amortization of refunding difference	(85,917)	
Accrued interest on debt	27,617	
Combined adjustment		41,434,909
Internal service funds are used by the County. The change in net position of the internal service funds are reported with governmental activities.		1,084,376
Because some revenues will not be collected for several months after the County's fiscal year end, they do not provide current financial resources and they are not reported as revenues in the funds.		(228,985)
Total change in net position of governmental activities		$ 68,046,955

The notes to the financial statements are an integral part of this statement.

The notes to the financial statements are an integral part of this statement.

Note 1 - Summary of Significant Accounting Policies

The financial statements of Jefferson County, Texas ("County") have been prepared in conformity with generally accepted accounting principles ("GAAP") as applied to governmental units. The Governmental Accounting Standards Board ("GASB") is the accepted standard setting body for establishing governmental and financial reporting principles. The most significant accounting and reporting policies of the County are described in the following notes to the financial statements.

A. Reporting Entity

The County is a public corporation and a political subdivision of the State of Texas. The County is governed by Commissioners' Court, composed of four County Commissioners and the County Judge, all of whom are elected officials.

The County provides a vast array of services, which include public safety, administration of justice, health and human services, recreation services, public improvements, and general administration.

As required by GAAP, the financial statements of the reporting entity include those of the County (the primary government) and its component units in conformity with GASB Statement No. 14, *The Financial Reporting Entity* ("GASB 14"), GASB Statement No. 39, *Determining Whether Certain Organizations are Component Units* ("GASB 39"), GASB Statement No. 61, *The Financial Reporting Entity: Omnibus-an amendment of GASB Statements No. 14 and No. 34*, ("GASB 61"), GASB Statement No. 80, *Blending Requirements for Certain Component Units*, clarifies the financial statement presentation requirements for certain component units which are incorporated as not-for-profit entities.

In accordance with these standards, a financial reporting entity consists of the primary government and its components units. Component units are legally separate organizations for which the elected officials of the County are financially accountable, or the relationship to the County is such that exclusion would cause the County's financial statements to be misleading or incomplete. Blended component units, although legally separate entities, are, in substance, part of the County's operations, and so data from these units are combined with data of the County.

The criteria used to determine whether an organization is a component unit of the County and whether it is a discretely or a blended component unit includes: financial accountability of Jefferson County for the component unit, appointment of a voting majority, ability to impose the County's will on the component unit, fiscal dependency criterion, whether there is a financial benefit to or burden to the County or if operational responsibility for the component unit rests with management of the County, and whether services are provided entirely or almost entirely to the primary government.

Blended Component Units:

For financial reporting purposes, the Southeast Texas Government Employee Benefits Pool (The Pool) is included in the operations and activities of the County as a blended component unit. The

Note 1 - Summary of Significant Accounting Policies (continued)

Pool is a public entity risk pool (see Note 13), which the County is the sponsor government. The County provides roughly 75% of the revenue source and its employees and retirees account for about 93% of the total participants of the Pool. The entire board members are made up by a combination of members of the Commissioners' Court, appointees of the Court, and County Management. The Pool is accounted for as an internal service fund.

Excluded from the reporting entity:

The following agencies were considered in the determination of component units of the County's financial reporting entity. It was determined that these entities should not be included as component units of the primary government: Jefferson County Navigation District, Drainage District #3, Drainage District #6, Drainage District #7, Foreign Trade Zone, Pleasure Island Park Board, Jefferson County Health Facilities Development Corporation, Jefferson County Housing Finance Corporation, Local Emergency Planning Committee (LEPC), and Jefferson County Industrial Development Corporation.

B. Implementation of New Standards

In the current year, the County implemented the following new standards:

GASB Statement No. 101, Compensated Absences – The objective of this Statement is to better meet the information needs of financial statement users by updating the recognition and measurement guidance for compensated absences. That objective is achieved by aligning the recognition and measurement guidance under a unified model and by amending certain previously required disclosures. Implementation of GASB 101 is reflected in the County's reporting financial statements. Accordingly, the cumulative effect of the account change has been recognized in a restatement of beginning net position for the year ended September 30, 2024.

GASB Statement No. 102, Certain Risk Disclosures – ("GASB 102"), The objective of this Statement is to provide users of government financial statements with essential information about risks related to a government's vulnerabilities due to certain concentrations or constraints. Implementation of GASB 102 did not have an impact on the County's reporting disclosures.

C. Financial Statement Presentation, Measurement Focus, and Basis of Accounting

Government-wide Statements
Government-wide financial statements consist of the Statement of Net Position and the Statement of Activities. These statements report information on all of the non-fiduciary activities of the primary government and its component units. For the most part, the effect of interfund activity has been removed from these statements. However, interfund services provided and used are not eliminated in the process of consolidation. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. Likewise, the primary government is financially accountable.

Note 1 - Summary of Significant Accounting Policies (continued)

The government-wide financial statements are prepared using the economic resources measurement focus and the accrual basis of accounting. Under this measurement focus, revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of the timing of cash flows. Property taxes are recognized as revenues in the year for which they are levied. Fines and forfeitures are recognized when they have been assessed, adjudicated, and earned. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

The Statement of Activities demonstrates the degree to which the direct expenses of the County's programs are offset by those programs' revenues. Program revenues include: 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by the program, and 2) grants and contributions that are restricted to meeting the operational and/or capital requirements of a particular program. Program revenues include those generated from General Government, Judicial and Law Enforcement, Education and Recreation, Health and Welfare, Contract Services, and Maintenance of Equipment and Structures. Taxes and other items not included among program revenues are reported instead as general revenues.

Miscellaneous general revenues consist of non-program specific contributions.

Fiduciary funds are excluded in the government-wide presentation of the financial statements.

Fund-level Statements

All governmental funds use the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized when susceptible to accrual (i.e., when they become both measurable and available). "Measurable" means the amount of the transaction can be determined and "available" means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The County considers property taxes and other revenues as available if they are collected within 60 days after year-end. Expenditures are recorded when the related fund liability is incurred. Principal and interest on governmental long-term debt are recorded as fund liabilities when due or when amounts have been accumulated in the debt service fund for payments to be made early in the following year. Grant and entitlement revenues are also susceptible to accrual. Encumbrances are used during the year and any remaining encumbrances are liquidated at fiscal year end. These funds are accounted for on a spending "financial flow" measurement focus. This means that only current assets, deferred outflows (inflows) of resources, and current liabilities are generally included on their balance sheets. Their reported fund balance (net position) is considered a measure of "available spendable resources." Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of "available spendable resources" during a period.

All proprietary funds, including the enterprise funds and internal service funds, and fiduciary funds, are accounted for using the accrual basis of accounting. Revenues are recognized when

Note 1 - Summary of Significant Accounting Policies (continued)

earned, and expenses when they are incurred. Claims incurred but not reported are included in payables and expenses. These funds are accounted for using an economic resources measurement focus. This means that all assets and liabilities (whether current or non-current) associated with their activity are included in the funds' statement of net position.

The accounts of the County are organized and operated on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund equity, revenues, and expenditures/expenses. Government resources are allocated to and accounted for in individual funds based on the purpose for which they are to be spent and the means by which spending activities are controlled.

Funds are classified into three categories: Governmental, Proprietary, and Fiduciary. The County reports the following major funds:

GOVERNMENTAL FUNDS: Used to account for all or most of a government's general activity.

General Fund – used to account for the general operations of the County.

LPPF – used to account for the funding provided by local providers for mandatory payments of their net patient revenue and the intergovernmental transfers on their behalf for health care expenditures.

ARPA Coronavirus Recovery – used to account for the funding provided for by the American Rescue Plan Act of 2021.

PROPRIETARY FUNDS: Used to account for operations that are financed in a manner similar to those in the private sector, where the determination of net income is appropriate for sound financial administration.

Jack Brooks Regional Airport – used to account for the day-to-day operation of the County airport. These facilities are financed primarily through user charges.

Ford Park – used to account for the day-to-day operation of Ford Park. These facilities are financed primarily through user charges.

Additionally, the County reports the following fund types:

Internal Service Funds – used to account for the financing of goods and services provided by one department or agency of the County to other County departments or agencies on a cost reimbursement basis. The County reports three internal service fund: 1) Liability Insurance – to account for the County's contribution and payment for liability claims, 2) Workers' Compensation – to account for County's contribution and payment for workers' compensation claims, and 3) Southeast Texas Government Employee Benefits Pool - to account for the County's Public Entity

Note 1 - Summary of Significant Accounting Policies (continued)

Risk Pool, which provides group health insurance programs for member governments including comprehensive major medical and dental care.

FIDUCIARY FUNDS: Used to report assets held in a trustee or fiduciary capacity for others and therefore cannot be used to support the government's own programs. Fiduciary funds are used to account for assets held by the County as an agent on behalf of a third party. The County reports ten fiduciary funds held by the County as an agent on behalf for various third parties outside the primary government: Treasurer Maintained Fund, County Clerk Fund, District Clerk Fund, Sheriff's Fund, Justice of the Peace Fund, Tax Assessor/Collector Fund, District Attorney's Seizure Fund, Community Supervision Fund, Juvenile Probation Fund, and one Investment Trust Fund for the District Clerk Trust.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing goods in connection with the proprietary fund's principal operations. The principal operating revenues of the Jack Brooks Regional Airport and Ford Park are user fees. Operating revenues in the Internal Service Funds consist primarily of charges to the various County departments. Operating expenses in the enterprise and internal service funds include the cost of sales and services, administrative expenses, incurred and estimated claims, salaries & benefits, materials & supplies, maintenance & repairs, utilities, miscellaneous, and depreciation on capital assets. All revenues and expenses not meeting these definitions are reported as non-operating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the County's policy to use restricted resources first, then unrestricted resources to the extent they are needed.

D. Budgets

The County follows these procedures in establishing the budgetary data reflected in the financial statements.

- Department annual budget requests are submitted by the Department or Agency Head to the County Auditor's office during the third quarter of the fiscal year for the upcoming fiscal year to begin October 1.

- The County Auditor's office prepares an estimate of available resources for the upcoming fiscal year.

- The County Auditor's office prepares the proposed annual operating budget to be presented to the Commissioners' Court for their consideration. The budget represents the financial plan for the new fiscal year.

- Public hearings are held on the proposed budget.

Note 1 - Summary of Significant Accounting Policies (continued)

- The Commissioners' Court must adopt an annual operating budget by a majority vote of the Commissioners' Court before October 1. The adopted budget must be balanced; that is, available resources must be sufficient to support annual appropriations.

- The department is the legal level of budgetary control. Commissioners' Court approval is necessary to transfer appropriations between departments. Transfers may not increase the total budget.

- The Commissioners' Court may approve expenditures as an amendment to the budget in an emergency situation that could not have been foreseen at the time the original budget was approved.

- Annual budgets are legally adopted for the General Fund and Debt Service Funds. Budgets for Grant Funds are established pursuant to grant awards and budgets for Capital Projects are established on a project basis.

- Appropriations lapse at year-end for all budgeted funds.

- Budgets are prepared on a basis consistent with GAAP.

E. Deposits and Investments

The County's cash and cash equivalents are considered to be cash on hand, demand deposits, certificates of deposits, balances in privately managed local government investments pools, and short-term investments with original maturities of three months or less from the date of acquisition.

The County's local government investments pools are recorded at amortized cost, which approximates fair value, as permitted by accounting standards.

State statute authorizes the County to invest in obligations of the U.S. Treasury and Federal Agencies, commercial paper, repurchase agreements, Bankers' acceptances, money market mutual funds, public funds investments pools, and direct obligations of the State of Texas.

Investments for the County are stated at fair value, which is based on quoted market prices with the difference between the purchase price and market price being recorded as earnings on investments.

F. Encumbrances

Encumbrances represent commitments related to unperformed contracts for goods and services. Encumbrance accounting, under which purchase orders, contracts, and other commitments for the expenditure of funds are recorded in order to reserve that portion of the applicable appropriation, is employed. All encumbrances are liquidated at fiscal year end.

Note 1 - Summary of Significant Accounting Policies (continued)

G. Receivables and Payables

Property taxes are levied based on taxable value at January 1 prior to September 30 and become due October 1, 2024 and past due after January 31, 2025. Accordingly, receivables and revenues for property taxes are reflected on the government-wide statement based on the full accrual method of accounting. Property tax receivables for prior year's levy are shown net of an allowance for uncollectible.

Receivables from other governments include amount due from grantors for approved grants for specific programs and reimbursements for services performed by the County. Program grants are recorded as receivables and revenues at the time all eligibility requirements established by the provider have been met.

Reimbursements for services performed are recorded as receivables and revenues when they are earned in the government-wide statements. Included are fines and costs assessed by court action and billable services for certain contracts. Revenues received in advance of the costs being incurred are recorded as unearned revenue in the fund statements. Receivables are shown net of an allowance for uncollectible.

Lending or borrowing between funds is reflected as "due to" or "due from" (current portion) or "advances to/from other funds" (non-current). Advances between funds, as reported in the fund financial statements, are offset by a fund balance reserve account in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources. Interfund activity reflected in "due to" or "due from" is eliminated on the government-wide statements.

H. Interfund Transactions

During the course of normal operations, the County has many transactions between funds. The accompanying fund level financial statements reflect as transfers the resources provided and the expenditures used to provide services, construct assets, and meet debt service requirements. The effect of interfund activity has been eliminated in the government-wide financial statements, except for transactions between governmental and business-type activities.

I. Inventories and Prepaid Items

Inventories are valued at cost, which approximates market, using the "first-in/first-out" method. Reported inventories in the governmental funds are offset by a fund balance reserve, which indicates they are unavailable for appropriations even though they are a component of net current assets. Inventory policy on government-wide statements is consistent with fund statements.

Note 1 - Summary of Significant Accounting Policies (continued)

Certain payments to vendors reflect cost applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements and in the fund financial statements are offset by a fund balance reserve, which indicates they are unavailable for appropriations even though they are a component of net current assets.

The cost of governmental fund type inventories and prepaid items are recorded as expenditures when consumed rather than when they are purchased (consumption method).

J. Capital Assets and Infrastructure

Capital assets include: land, land improvements, buildings and building improvements, park improvements and facilities, equipment, machinery, vehicles, other tangible and intangible assets, and infrastructure that are used in the County's operations and benefits more than a single fiscal year. Infrastructure assets are long-lived assets that are generally stationary in nature and can typically be preserved for a significantly greater number of years than other capital assets. Infrastructure assets of the County include roads and bridges.

Capital assets of the County are defined as assets with individual costs of $10,000 or more and estimated useful lives in excess of one year. All capital assets are stated at historical cost or estimated historical cost if actual cost is not available. Donated capital assets are recorded at acquisition cost, which is the price that would be paid to acquire an asset with equivalent service potential at the acquisition date.

It is the County's policy not to capitalize interest on construction for capital assets reported in the governmental activities of the government-wide financial statements.

Capital assets are depreciated in the government-wide financial statements using the straight-line method over the following useful lives:

Asset	Years
Runways	20-35
Buildings	40
Building Improvements	15-25
Equipment	3-7
Machinery	15
Vehicles	4-15
Other tangible assets	7-10
Computer software	3-5
Infrastructure:	
Bridges	25
Roads	40

Note 1 - Summary of Significant Accounting Policies (continued)

K. Subscription-Based Information Technology Arrangements

The County is a participant in several non-cancellable subscription-based IT arrangement (SBITAs). The County recognizes a liability and intangible right-to-use assets in the government-wide financial statements.

At the commencement of a SBITA, the County initially measures the lability at the present value of payments expected to be made during the agreement term. Subsequently, the liability is reduced by the principal portion of payments made. The asset is initially measured as the initial amount of the liability, adjusted for payments made at or before the commencement date, place certain initial direct costs. Subsequently, the asset is amortized on a straight-line basis over its useful life.

Key estimates and judgements related to SBITAs include how the County determines (1) the discount rate it used to discount the expected payments to present value, (2) agreement term, and (3) agreed upon payments.

- The County uses the interest rate charged by the vendor as the discount rate. When the interest rate charged by the vendor is not provided, the County general uses its estimated incremental borrowing rate as the discount rate.
- The agreement term includes the non-cancellable period of the SBITA.
- The agreed upon payments included in the measurement of the liability are composed of fixed payments and purchase option price that the County is reasonably certain to exercise.

The County monitors changes in circumstances that would require a re-measurement of its SBITA and will re-measure the asset and lability if certain changes occur that are expected to significantly affect the amount of the liability.

These right to use assets are reported with other capital assets and liabilities are reported with long-term debt on the statement of net position.

L. Compensated Absences

Accumulated compensatory leave, vacation, and sick leave that have matured (reimbursable leave still outstanding following an employee's resignation or retirement) are reported as expenditures in the respective governmental funds. Accumulated compensated absences that have not matured are reported as long-term liabilities in the governmental activities column of the government-wide Statement of Net Position. The majority of these have typically been liquidated from the General Fund in previous years. Accumulated compensated absences of Proprietary Funds are recorded as an expense and liability in the respective fund and the business-type activities column of the government-wide Statement of Activities as the benefit accrues for the employee.

Note 1 - Summary of Significant Accounting Policies (continued)

Employees are allowed to accrue 13 days of sick leave per year. Sick leave benefits are recognized as expenditures as they are used by the employees. Employees may accumulate up to 1,440 hours of sick leave. For employees with 8 years of service and hired prior to October 1, 2002, unused sick leave benefits are paid at 50% at termination. For employees with 8 years of service and hired after October 1, 2002, unused sick leave benefits are paid at 10% at termination. The County estimates that 60% of sick leave balances are more likely than not to be used in future years; thus, the compensated absences liability includes 60% of outstanding sick leave balances at year-end.

Employees with more than one year of service accrue from two to five weeks of vacation per year, depending on years of service. Unused vacation benefits lapse on March 15 for the previous calendar year. Upon termination from County employment, an employee shall be entitled to payment for total accrued but unused hours of vacation.

Non-exempt employees earn compensatory time at one and one-half times their full rate of pay times the excess of 40 hours per week worked. The compensatory time balance for non-exempt employees may not exceed 80 hours except for law enforcement employees, which may accumulate up to 480 hours. Hours in excess of the maximum must be paid to the non-exempt employee at the rate of one and a half times the regular rate. Upon termination, non-exempt employees will be paid for compensatory time at their wage rate at time of termination. Compensatory time is carried forward indefinitely.

M. Long-Term Obligations

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position.

Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. In the fund financial statements, governmental fund types recognize bond premiums and discounts during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financial sources while discounts on debt issuances are reported as other financing uses.

N. Deferred outflows/inflows of resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The County has three items that qualify for reporting in this category. The first is deferred loss on refunding bonds reported in the government-wide statement of net position. A deferred loss on refunding bonds results from the difference in the carrying value of refunded debt and its reacquisition price. This

Note 1 - Summary of Significant Accounting Policies (continued)

amount is deferred and amortized over the shorter of the life of the refunded or refunding debt. The second is deferred outflows related to pensions. The third is deferred outflows related to OPEB.

In addition to liabilities in the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The County has four items that qualify for reporting in this category. The first arises only under a modified accrual basis of accounting, which qualifies for reporting in this category. Accordingly, that item, *unavailable revenue*, is reported only in the governmental funds balance sheet. The governmental funds report unavailable revenues from property taxes and grants. These amounts are deferred and recognized as an inflow of resources in the period that the amounts become available. The second item is deferred inflows related to leases. The deferred inflow of resources is initially measured as the initial amount of the lease receivable and recognized as revenue over the life of the lease term. The third item is deferred inflows related to pensions and is only recorded in the government-wide financials. The fourth item is deferred inflows related to OPEB and is only recorded in the government-wide financials.

O. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expenses, information about the Fiduciary Net Position of the Texas County and District Retirement System (TCDRS) and additions to/deductions from TCDRS's Fiduciary Net Position have been determined on the same basis as they are reported by TCDRS. For this purpose, plan contributions are legally due. Benefit payments and refunds are recognized when due and payable in accordance with the benefits terms. Investments are reported at fair value.

P. Other Post-employment benefits

For purposes of measuring the total OPEB liability, deferred outflows of resources and deferred inflows of resources related to OPEB, and OPEB expenses, the amounts have been determined by an actuary in accordance with accounting standards. The County does not pre-fund benefits and the current funding policy is to pay benefits directly from general assets on a pay-as-you-go basis. The total OPEB liability is the portion of actuarial present value of projects benefit payments that is attributable to past periods of member service using the Entry Age Normal cost method. The deferred outflows and deferred inflows of resources represent the portion of changes in total OPEB liability that is not immediately recognized in OPEB expense, which can include differences between expected and actual experience, changes in assumptions, and differences between expected and actual earnings on plan investments.

Note 1 - Summary of Significant Accounting Policies (continued)

Q. Net Position and Fund Balances

Net Position Classifications

Net position represents the difference between assets, deferred outflows (inflows) of resources, and liabilities.

Net position in the proprietary fund financial statements and the government-wide financial statements are classified in three categories: 1) Net investment in capital assets, 2) Restricted net position, and 3) Unrestricted net position.

In the proprietary fund financial statements and in the government-wide financial statements, restricted net position is reported for amounts that are externally restricted by 1) creditors (eg. bond covenants), grantors, contributions, or laws and regulations of other governments, or 2) law through constitutional provision or enabling legislation.

Fund Balance Classification

The governmental fund financial statements present fund balances based on classifications that comprise a hierarchy that is based primarily on the extent to which the County is bound to honor constraints on the specific purposes for which amounts in the respective governmental funds can be spent. The classifications used in the governmental fund financial statements are as follows:

- Nonspendable: This classification includes amounts that cannot be spent because they are either (a) not in spendable form or (b) are legally or contractually required to be maintained intact. Nonspendable items are not expected to be converted to cash or not expected to be converted to cash within the next year.

- Restricted: This classification includes amounts for which constraints have been placed on the use of the resources either (a) externally imposed by creditors, grantors, contributions, or laws or regulations of other governments, or (b) imposed by law through constitutional provisions or enabling legislation.

- Committed: This classification includes amounts that can be used only for specific purposes pursuant to constraints imposed by court resolution of the Commissioners' Court, the County's highest level of decision making authority. These amounts cannot be used for any other purpose unless the Commissioners' Court removes or changes the specified use by taking the same type of action that was employed when the funds were initially committed. This classification also includes contractual obligations to the extent that existing resources have been specifically committed for use in satisfying those contractual requirements.

Note 1 - Summary of Significant Accounting Policies (continued)

- Assigned: This classification includes amounts that are constrained by the County's intent to be used for a specific purpose but are neither restricted nor committed. When it is appropriate for fund balance to be assigned, the Commissioners' Court retains the responsibility to assign funds. Assignments may occur subsequent to fiscal year end.

- Unassigned: This classification includes the residual fund balances for the General Fund. The unassigned classification also includes negative residual fund balance of any other governmental fund that cannot be eliminated by offsetting of assigned fund balance amounts.

When expenditures are incurred for purposes for which both restricted and unrestricted fund balance is available, the County considers restricted funds to have been spent first. When expenditures are incurred for which committed, assigned, or unassigned fund balances are available, the County considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned.

R Statement of Cash Flows

For purposes of cash flows, the County considers all highly liquid investments (including restricted) with a maturity of three months or less when purchased to be cash equivalents.

S. Use of Estimates

The preparation of financial statements in conformity with general accepted accounting principles in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

T. Leases – Lessor

The County is a lessor for a non-cancellable lease of various County-owned land and buildings. These include land and jail facilities for governmental-type activities. For business-type activities, the County's airport conducts a major part of its operations from leased facilities, which include office and parking lot spaces, terminal space, hanger space, and land space for the Private Hangar Park or land surrounding the Airport. The County recognizes a lease receivable and a deferred inflow of resources in the government-wide, governmental fund, and proprietary fund financial statements.

At the commencement of a lease, the County initially measures the lease receivable at the present value of payments expected to be received during the lease term. Subsequently, the lease receivable is reduced by the principal portion of lease payments received. The deferred inflow of resources is initially measured as the initial amount of the lease receivable, adjusted for lease payments

Note 1 - Summary of Significant Accounting Policies (continued)

received at or before the lease commencement date. Subsequently, the deferred inflow of resources is recognized as revenue over the life of the lease term.

Key estimates and judgements include how the County determines 1) the discount rate it uses to discount the expected lease payments to present value, 2) lease term, and 3) lease receipts.

- The County uses its estimated incremental borrowing rate as the discount rate for the leases.
- The lease term includes the non-cancellable period of the lease. Lease receipts included in the measurement of the lease receivable is composed of fixed payments from the lessee.

The County monitors changes in circumstances that would require a re-measurement of its leases, and will re-measure the lease receivable and deferred inflows of resources if certain changes occur that are expected to significantly affect the amount of the lease receivable.

Note 2 - Deposits and Investments

The County categorizes its fair value measurements within the fair value hierarchy established by general accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; and Level 3 inputs are significant unobservable inputs. As of September 30, 2025, the County held the following fair value measurements:

Investment Type	Fair Value/ Amortized Cost	Percentage of Portfolio	Weighted Average Maturity (days)
U. S. Agency Securities	$ 57,963,166	74.35%	1,050
Texas CLASS Investment Pool	20,000,000	25.65%	30
	$ 77,963,166	100.00%	768

Of the County's investments carried at fair value, $57,963,166 (U S Agency Securities) were all Level 2 and were priced using the option-adjusted discount cash flow model.

Texas Cooperative Liquid Assets Securities System Trust ("Texas CLASS) is a local government investment pool organized under the authority of the Inter-local Cooperation Act, chapter 791, Texas Government Code, and the Public Funds Investment Act (PFIA). Texas CLASS was established in 1996. Pursuant to the Trust Agreement, Texas CLASS is supervised by a Board of Trustees who are elected by the Participants. The Board of Trustees supervises the Trust and its affairs and acts as the liaison between the Participants, the Custodian, and the Program Administrator. Cutwater Investor Services Corp. serves as Program Administrator. Cutwater Investor Services Corp. is a subsidiary of Cutwater Asset Management. It maintains a Net Asset Value of approximately $1 per share.

Note 2 - Deposits and Investments (continued)

In accordance with accounting standards, the local government investments pools do not have any limitations and restrictions on withdrawals such as notice periods or maximum transaction amounts. These pools do not impose any liquidity fees or redemption gates.

Interest Rate Risk – Fair value fluctuates with interest rates and increasing rates may cause fair value to decline below cost. In compliance with the County's Investment Policy, the County minimized interest rate risk by limiting the weighted average maturity of the portfolio to 1,096 days with a stated final maturity date not to exceed 3 years from the date of purchase. In addition, the portfolio is structured so that securities mature to meet cash flow requirements, thereby avoiding the need to sell securities prior to maturity and below the original cost.

Credit Risk – In compliance with the County's investment policy, as of September 30, 2025, all of the County's purchased investments in U.S. Agency Securities were rated AA+ and Aaa by Standard & Poor's and Moody's respectively. Texas CLASS was rated AAA by Standard & Poor's.

Concentration Risk – The County's investment policy is to diversify its portfolio to eliminate the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer, or a specific class of investment. As of September 30, 2025, the County had eight investments that was with Federal Home Loan Bank (FHLB), three investments that was with Federal National Mortgage Association (FNMA), one investment that was with Federal Farm Credit Bank (FFCB), and one investment that was with Federal Agricultural Mortgage Corporation (FAMCA).

Custodial credit risk - Deposits – In the case of deposits, this is the risk that in the event of a bank failure, the County's deposits may not be returned to it. The County's investment policy is to have all checking accounts placed at the County Depository Bank under a depository contract. The $130,266,797 bank balance was covered by federal depository insurance or collateralized with securities held by the Bank of New York Mellon Trust Company.

Custodial credit risk – Investments – Custodial credit risk for investments is the risk that, in the event of a failure of the counterparty (e.g. broker/dealer) to a transaction, a government will not be able to recover the value of its investments or collateral securities that are in the possession of another party. The County's policy requires that the investments of the County be secured through third-party custodial and safekeeping procedures as designated by the County. The County's agent hold securities in the County's name; therefore, the County is not exposed to custodial credit risk.

Note 3 - Property Taxes, Other Receivables and Unearned Revenues

Property taxes attach as an enforceable lien on property as of January 1. Taxes are levied on October 1 and payable by January 31 of the following year. The County bills and collects its own property taxes and it also bills and collects taxes for Jefferson County Navigation District, Jefferson County Drainage District #3, #6, and #7, Port of Beaumont, Port of Port Arthur, Water District #10, Nederland Independent School District, Northwest Forest Municipal Utility District, Emergency Services District #1, #2, #3, #4, Trinity Bay Conservation District, Port of Sabine Pass,

Note 3 - Property Taxes, Other Receivables and Unearned Revenues (continued)

Sabine Pass Independent School District, Port Arthur Independent School District, City of Port Arthur, Hamshire Fannett Independent School District, Port Neches-Groves Independent School District, Beaumont Independent School District, City of Beaumont, City of Groves, City of Nederland, City of Port Neches, City of Bevil Oaks, and City of Taylor Landing. Collections of these taxes and remittance of them to the various districts are accounted for in the Tax Assessor - Collector Agency Fund. The County is permitted by the State Constitution to levy taxes up to $.80 per $100 of assessed valuation for general government services and the payment of principal and interest on Long-Term Debt. In addition to its taxes subject to the $.80 tax limitation, the County's voters have authorized the levy of a special tax of $.15 per $100 assessed valuation solely for road maintenance expenses. The County is also authorized by the voters to levy the Farm to Market and Lateral Road Tax of $.30 per $100 of assessed value for the purpose of maintaining roads and bridges.

For the year ended September 30, 2025, the combined tax rate to finance general government services and the payment of principal and interest on long-term debt was $.357.

On February 1 of the following calendar year the tax bill becomes delinquent and penalty and interest is assessed by the County. The County Commissioners issue a tax levy for the County's General and Debt Service Funds. The levy and collections are restricted to the funds they are allocated for. The delinquent tax receivables and penalty and interest receivables represent the past thirty years of uncollected tax levies. The allowance for uncollectible was set at 65% of the gross tax receivable and 65% on penalty and interest as of September 30, 2025. The allowance has been recorded for Property Taxes and Penalty and Interest, which are estimated to be uncollectible as required by generally accepted accounting.

Property tax receivables of $2,988,868 as of September 30, 2025 are reported net of an allowance for uncollectible taxes of $5,550,753.

Penalty and Interest receivables of $1,991,637 as of September 30, 2025 are reported net of an allowance for uncollectible accounts of $3,698,757.

Receivables as of September 30, 2025 consist of the following:

Note 3 - Property Taxes, Other Receivables and Unearned Revenues (continued)

	General	Non Major Funds	Jack Brooks Regional Airport	Ford Park	Internal Service Funds	Total
Receivables:						
Accounts	$ 278,856	$ 318,147	$ 96,610	$ 562,722	$ 411,793	$ 1,668,128
Employee	568	476	-	-	-	1,044
Interest	249,236	106,168	18,331	726	15,075	389,536
Taxes	8,080,376	459,245	-	-	-	8,539,621
Penalty & Interest	5,384,375	306,019	-	-	-	5,690,394
Fines & Court Cost	4,735,155	-	-	-	-	4,735,155
Inter-governmental	7,341,264	1,775,168	261,908	-	635,027	10,013,367
Gross Receivables	$ 26,069,830	$ 2,965,223	$ 376,849	$ 563,448	$ 1,061,895	$ 31,037,245
Allowance for Uncollectible	(11,880,181)	(497,422)	-	-	-	(12,377,603)
Net total receivables	$ 14,189,649	$ 2,467,801	$ 376,849	$ 563,448	$ 1,061,895	$ 18,659,642

As of September 30, 2025, the various components of unearned revenue reported in the governmental funds were as follows:

	Unearned
Advanced Funding (General Fund)	$ 197,062
Advanced Funding (ARPA Coronavirus Recovery)	15,197,622
Advanced Funding (Non-major Special Revenue Funds)	710,117
Total Unearned Revenue for Governmental Funds	$16,104,801

As of September 30, 2025, the various components of unearned revenue reported in the business-type funds were as follows:

	Unearned
Advanced Funding (Jack Brooks Regional Airport)	$ 45,296
Advanced Funding (Ford Park)	574,719
Total Unearned Revenue for Business-type Funds	$ 620,015

Note 4 – Interfund Receivables, Payables, and Transfers

In the fund financial statements, interfund balances are the result of normal transactions between funds and will be liquidated in the subsequent fiscal year. Balances between individual governmental funds and between governmental funds and enterprise funds or internal services funds are eliminated in the government-wide financial statements.

Note 4 – Interfund Receivables, Payables, and Transfers

The composition of interfund balances as of September 30, 2025, is as follows:

Due to/from other funds:

Receivable Fund	Payable Fund	Amount
General Fund	Non-major governmental funds	$ 2,601,332
Non-major governmental funds	Non-major governmental funds	65,477
	Total	$ 2,666,809

All of the due to/from transactions are routine in nature and are typically a result of timing differences between the payment for expenditures and receipt of the corresponding revenues.

The following is a summary of the County's transfers for the year ended September 30, 2025:

	Transfers Out:		
	General Fund	Non-major Governmental	Total
Transfers In:			
General	$ -	$ -	$ -
Non-major Funds	4,244,819	276,783	4,521,602
Ford Park	2,586,541	-	2,586,541
	$ 6,831,360	$ 276,783	$ 7,108,143

Transfers in the amount of $2,586,541 to Ford Park were to subsidize operations of the complex. All other transfers are routine in nature such as grant matches, ongoing capital projects, and residual fund balance transfers for close out of funds.

Transfers in the amount of $1,676,878 for Ford Park were made between governmental activities and business-type activities for capital assets purchases which were donated to business-type activities in the government wide statements.

Note 5 – Capital Assets

Capital asset activity for the year ended September 30, 2025 was as follows:

JEFFERSON COUNTY, TEXAS

	$ 6,759,284	$ 3,070,805	$ 9,830,089

Note 7 - Long-Term Liabilities

General Obligation Bonds

The County issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. Approximately 5% ($575,039) of the 2019 Certificates of Obligation funded and benefited business-type activities, though resources of the governmental activities are being used to liquidate the debt. All other General obligation bonds have been issued for governmental-type activities The total original amount of general obligation bonds issued is $15,395,000.

General obligation bonds are direct obligation and pledge the full faith and credit on the government. General obligation bonds currently outstanding are as follows:

Note 7 - Long-Term Liabilities (continued)

$15,395,000 2019 Certificates of Obligation due in annual installments from $500,000 to $1,040,000 through August 1, 2039; interest rates ranging from 3.0% to 5.0%	$ 12,005,000
Total General Obligation Bonds	$ 12,005,000

Annual debt service requirements to maturity for general obligation bonds are as follows:

Governmental Activities

Fiscal Year Ended September 30	Principal	Interest	Total
2026	$ 665,000	$ 402,150	$ 1,067,150
2027	700,000	368,900	1,068,900
2028	735,000	333,900	1,068,900
2029	775,000	297,150	1,072,150
2030	795,000	273,900	1,068,900
2031-2035	4,355,000	996,750	5,351,750
2036-2039	3,980,000	303,000	4,283,000
Total	$ 12,005,000	$ 2,975,750	$ 14,980,750

There is currently $849,068 available in the Debt Service Funds to service the general obligation bonds. The County has no authorized but unissued bonds at September 30, 2025.

There are a number of limitations and restrictions contained in the various bond debentures regarding authorized uses of bond proceeds. The County is in compliance with all significant limitations and restrictions.

Should the County default on its outstanding bonds, any registered owner of the certificates is entitled to seek a writ of mandamus from a court of proper jurisdiction requiring specific performance from the County.

Financing Arrangement Obligations:

In 2020, a tax-exempt Series Master Equipment-Purchase Agreement was issued with maturities ranging from $6,976 to $8,325 with an interest rate of 3.6%, to be paid from the General Fund. The original issue amount was $457,860 and the current outstanding balance is 8,350. The asset acquired through a financing arrangement is recorded at $457,860 for governmental funds for 71 copiers.

Annual debt service requirements to maturity for financing arrangement obligations are as follows:

Note 7 - Long-Term Liabilities (continued)

Fiscal Year Ended September 30	Governmental Activities Principal	Interest	Total
2026	$ 8,325	$ 25	$ 8,350
Total	$ 8,325	$ 25	$ 8,350

SBITAs Liability:

As of 9/30/2025, the County has 13 active subscriptions for the use of software. The subscriptions have payments that range from $15,144 to $794,046 and interest rates that range from 2.31% to 3.67%. As of 9/30/2025, total combined value of the subscription liability is $3,444,000, and the total combined value of the short-term subscription is $1,112,470. The County is required to make annual fixed payments between $165,455 and $1,210,479.

The annual principal and interest payments are as follows:

Fiscal Year Ended September 30	Governmental Activities Principal	Interest	Total
2026	$ 1,112,470	$ 98,009	$ 1,210,479
2027	1,075,478	66,210	1,141,688
2028	931,894	35,403	967,297
2029	155,571	9,884	165,455
2030	168,587	5,140	173,727
Total	$ 3,444,000	$ 214,646	$ 3,658,646

Conduit Debt Obligations

The County has issued Housing Finance Corporation Bonds and Industrial Development Corporation Bonds to provide financial assistance to private-sector entities for the acquisition and construction of facilities deemed to be in the public interest. The bonds are secured by the property financed and are payable solely from payments received on the underlying loans. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity serviced by the bond issuance. Neither the County, the State, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements. As of September 30, 2025, there were two series of Jefferson County Housing Finance Corporation Bonds with an aggregate principal amount payable

Note 7 - Long-Term Liabilities (continued)

of $23,250,000, and one series of Jefferson Industrial Development Bonds with an aggregate principal amount payable of $8,330,000.

Arbitrage Rebate Liability

The Tax Reform Act of 1986 established regulations for the rebate to the federal government of arbitrage earnings on certain local government bonds issued after December 31, 1985, and all local governmental bonds issued after August 31, 1986. Issuing governments must calculate any rebate due and remit the amount due at least every five years. As of September 30, 2025, there are no estimated liabilities for arbitrage rebate on governmental debt. The Debt Service Fund and the residual balance in the Capital Project Fund have typically been used to liquidate the arbitrage liability in previous years.

Changes in long-term liabilities

Long-term liability activity for the year ended September 30, 2025 was as follows:

	Beginning Balance - Restated	Additions	Reductions	Ending Balance	Due within One Year
Governmental Activities:					
Bonds Payable					
General obligation bonds	$ 17,105,000	$ -	$ (5,100,000)	$ 12,005,000	$ 665,000
Premiums	1,167,581	-	(372,095)	795,486	-
Total bonds payable	$ 18,272,581	$ -	$ (5,472,095)	$ 12,800,486	$ 665,000
Financing Arrangements	106,304	-	(97,979)	8,325	8,325
SBITA Liability	3,593,120	1,183,358	(1,332,478)	3,444,000	1,112,470
Claims and Judgments	4,226,492	29,818,982	(30,463,965)	3,581,509	3,581,509
Compensated Absences	14,590,104	396,203	-	14,986,307	1,101,863
Governmental Activities					
Long-term liabilities	$ 40,788,601	$ 31,398,543	$ (37,366,517)	$ 34,820,627	$ 6,469,167
Business-type Activities:					
Compensated Absences	$ 278,527	$ 58,880	$ (41,698)	$ 295,709	$ 23,867
Business-type Activities					
Long-term liabilities	$ 278,527	$ 58,880	$ (41,698)	$ 295,709	$ 23,867

Compensated absences liabilities are normally liquidated by the general fund for governmental activities and by the corresponding enterprise fund for business type activities. The Compensated absences liability is reported as a net change. Claims and judgments of governmental funds are normally paid from the corresponding internal service fund. Claims and judgments of the public entity risk pool are normally paid from the corresponding internal service fund.

Note 8 – Defined Benefit Pension Plan

Plan Description. The County participates in a nontraditional defined benefit pension plan in the statewide Texas County and District Retirement System ("TCDRS"). The Board of Trustees of TCDRS is responsible for the administration of the statewide agent, multiple-employer, public employee retirement system consisting of nontraditional defined benefit pension plans. TCDRS issues a publicly available annual comprehensive financial report ("Annual report") that can be obtained at *www.tcdrs.org*.

All full and part-time non-temporary employees participate in the plan, regardless of the number of hours they work in a year. Employees in a temporary position are not eligible for membership.

Benefits Provided. TCDRS provides retirement, disability and death benefits for all eligible employees. Benefit terms are established by the TCDRS act. The benefit terms may be amended as of January 1, each year, but must remain in conformity with the Act.

Members can retire at age 60 and above with 8 or more years of service, with 30 years of service regardless of age, or when the sum of their age and years of service equals 75 or more. Members are vested after eight years of service, but must leave their accumulated contributions in the plan to receive any employer-financed benefit. Members who withdraw their personal contributions in a lump sum are not entitled to any amounts contributed by their employer.

Benefit amounts are determined by the sum of the employee's contributions to the plan, with interest, and employer-financed monetary credits. The level of these monetary credits is adopted by the Commissioners' Court, within the actuarial constraints imposed by the TCDRS Act so that the resulting benefits can be expected to be adequately financed by the employer's commitment to contribute. By law, employee accounts earn 7% interest. At retirement, death or disability, the benefit is calculated by converting the sum of the employee's accumulated contributions and the employer-financed monetary credits to a monthly annuity using annuity purchase rates prescribed by the TCDRS Act. The County's current match is 200%.

Employees covered by benefit terms

At the December 31, 2024 valuation and measurement date, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries currently receiving benefits	1,127
Inactive employees entitled to but not yet receiving benefits	934
Active employees	1,124
	3,185

Contributions. The contribution rates for employees in TCDRS are either 4%, 5%, 6%, or 7% of employee gross earnings, as adopted by the employer's governing body. Participating employers are required to contribute at actuarially determined rates to ensure adequate funding for each employer's plan. Under the state law governing TCDRS, the contribution rate for each entity is

Note 8 – Defined Benefit Pension Plan (continued)

determined annually by the actuary and approved by the TCDRS Board of Trustees. The replacement life entry age actuarial cost method is used in determining the contribution rate. The actuarially determined rate is the estimated amount necessary to fund benefits in an orderly manner for each participate over his or her career so that sufficient funds are accumulated by the time benefit payments begin, with an additional amount to finance any unfunded accrued liability.

Employees for the County were required to contribute 7% of their annual gross earnings during the fiscal year. The contribution rates for the County were 20.60% and 20.35% in calendar years 2024 and 2025, respectively. The County's contributions to TCDRS for the year ended September 30, 2025, were $16,676,032, and were equal to the required contributions.

Net Pension Liability (Asset). The County's Net Pension Liability (NPL) or Net Pension Asset (NPA) was measured as of December 31, 2024, and the Total Pension Liability (TPL) used to calculate the Net Pension Liability (Asset) was determined by an actuarial valuation as of that date.

Actuarial Assumptions

The Total Pension Liability in the December 31, 2024, actuarial valuation was determined using the following actuarial assumptions:

Inflation	2.50% per year
Overall payroll growth	3.00% per year
Investment rate of return	7.5%, net of pension plan investment expense, including inflation

The plan does not have an automatic cost-of-living adjustment ("COLA") and one is not considered to be substantively automatic under accounting standards. Therefore, no assumption for future cost-of-living adjustments is included in the GASB calculation or in the funding valuation. Each year, the plans may elect an ad-hoc COLA for its retirees.

Mortality rates for active members, retirees, and beneficiaries were based on the following:

Depositing members	135% of the Pub-2010 General Employees Amount-Weighted Mortality Table for males and 120% Pub-2010 General Employees Amount-Weighted Mortality Table for females, both projected with 100% of the MP-2021 Ultimate scale after 2010.
Service retirees, beneficiaries and non-depositing members	135% of the Pub-2010 General Retirees Amount-Weighted Mortality Table for males and 120% Pub-2010 General Retirees Amount-Weighted Mortality Table for females, both projected with 100% of the MP-2021 Ultimate scale after 2010.
Disabled retirees	160% of the Pub-2010 General Disabled Retirees Amount-Weighted Mortality Table for males and 125% Pub-2010 General Disabled Retirees Amount-Weighted Mortality Table for females, both projected with 100% of the MP-2021 Ultimate scale after 2010.

Note 8 – Defined Benefit Pension Plan (continued)

The actuarial cost method was Entry Age Normal, as required by accounting standards. Straight-line amortization over Expected Working Life with a 5 year smoothing period, and a non-asymptotic recognition method with no corridor were utilized in the actuarial calculation.

The actuarial assumptions that determined the total pension liability as of December 31, 2024, were based on the results of an actuarial experience study for the period January 1, 2019 through December 31, 2022.

The long-term expected rate of return on pension plan investments is 7.60%. The pension plan's policy in regard to the allocation of invested assets is established and may be amended by the TCDRS Board of Trustees. The long-term expected rate of return on TCDRS is determined by adding inflation to expected long-term real returns, and reflecting expected volatility and correlation. The capital market assumptions and information below are based on January 2025 information for a 10-year time horizon. The valuation assumption for long-term expected return is re-assessed at a minimum of every four years, and is set based on a 10-year time horizon; the most recent analysis was performed in 2025. The target allocation and best estimates of geometric real rates return for each major assets class are summarized in the following table:

Note 8 – Defined Benefit Pension Plan (continued)

Asset Class	Benchmark	Target Allocation[1]	Geometric Real Rate of Return[2]
U.S. Equities	Dow Jones U.S. Total Stock Market Index	13.00%	5.35%
Global Equities	MSCI World (net) Index	4.00%	5.15%
Int'l Equities - Developed Markets	MSCI World Ex USA (net) Index	6.00%	4.75%
Int'l Equities - Emerging Markets	MSCI Emerging Markets (net) Index	0.00%	4.75%
Investment-Grade Bonds	Bloomberg U.S. Aggregate Bond Index	3.00%	2.55%
Strategic Credit	FTSE High-Yield Cash-Pay Capped Index	9.00%	3.70%
Direct Lending	Morningstar LSTA US Leveraged Loan TR USD Index	16.00%	6.85%
Distressed Debt	Cambridge Associates Distressed Securities Index[3]	4.00%	6.80%
REIT Equities	67% FTSE NAREIT All Equity REITs Index + 33% S&P Global REIT (net) Index	2.00%	3.95%
Master Limited Partnerships	Alerian MLP Index	2.00%	4.95%
Commodities	Bloomberg Commodities Index	2.00%	1.00%
Private Real Estate Partnerships	Cambridge Associates Real Estate Index[4]	6.00%	5.70%
Private Equity	Cambridge Associates Global Private Equity & Venture Capital Index[5]	25.00%	8.15%
Hedge Funds	Hedge Fund Research, Inc. (HFRI) Fund of Funds Composite Index	6.00%	3.60%
Cash Equivalents	90-Day U. S. Treasury	2.00%	1.10%

(1) Target asset allocation adopted at the March 2025 TCDRS Board meeting.

(2) Geometric real rates of return equal the expected return for the asset class minus the assumed inflation rate of 2.35%, per Cliffwater's 2025 capital market assumptions.

(3) Includes vintage years 2005-present of Quarter Pooled Horizon IRRs.

(4) Includes vintage years 2007-present of Quarter Pooled Horizon IRRs.

(5) Includes vintage years 2006-present of Quarter Pooled Horizon IRRs.

Discount Rate

The discount rate used to measure the Total Pension Liability was 7.6%. The projection of cash flows used to determine the discount rate assumed that employee and employer contributions will be made at the rates specified in statue. Based on that assumption, the pension plan's Fiduciary Net Position was projected to be available to make all projected future benefit payments of current active and inactive employees. Therefore, the long-term expected rate of return on pension plan investments was applied to all period of projected benefit payments to determine the Total Pension Liability.

Note 8 – Defined Benefit Pension Plan (continued)

Changes in the Net Pension (Asset) Liability

	Increase (Decrease)		
	Total Pension Liability (a)	Plan Fiduciary Net Position (b)	Net Pension Liability (Asset) (a) - (b)
Balance at 12/31/2023	$ 626,301,850	$ 587,083,672	$ 39,218,178
Changes for the year:			
Service cost	11,283,973	-	11,283,973
Interest on total pension liability [1]	47,039,379	-	47,039,379
Effect on plan changes [2]	6,942,514	-	6,942,514
Effect of economic/demographic gains or losses	1,049,649	-	1,049,649
Effect of assumptions changes or inputs	-	-	-
Refund of contributions	(933,282)	(933,282)	-
Benefit payments	(37,055,581)	(37,055,581)	-
Administrative expenses	-	(342,794)	342,794

Net investment income	-	59,507,648	(59,507,648)
Employer contributions	-	16,541,566	(16,541,566)
Other [3]	-	(701,210)	701,210
Balance at 12/31/2024	$ 654,628,502	$ 629,720,941	$ 24,907,561

[1] Reflects the change in the liability due to the time value of money. TCDRS does not charge fees or interest.

[2] Reflects plan changes adopted effective in 2025.

[3] Relates to allocation of system-wide items.

Sensitivity Analysis

The following presents the net pension liability (asset) of the County, calculated using the discount rate of 7.6%, as well as what the County's net pension liability (asset) would be if it were calculated using a discount rate that is 1-percentage-point lower (6.6%) or 1-percentage-higher (8.6%) than the current rate:

	1% Decrease 6.6%	Current Discount Rate 7.6%	1% Increase 8.6%
Total pension liability	$ 731,639,919	$ 654,628,502	$ 589,312,441
Fiduciary net position	629,720,941	629,720,941	629,720,941
Net pension liability/(asset)	$ 101,918,978	$ 24,907,561	$ (40,408,500)

Note 8 – Defined Benefit Pension Plan (continued)

Pension Plan Fiduciary Net Position

Detailed information about the pension plan's Fiduciary Net Position is available in a separately-issued TCDRS financial report. The report may be obtained on the internet at *www.tcdrs.org*.

Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

For the year ended September 30, 2025, the County recognized pension (income) expense of $7,782,776 and $142,659 in the governmental and business-type activities, respectively.

At September 30, 2025, the County reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Inflows of Resources	Deferred Outflows of Resources
Differences between expected and actual economic experience	$ 804,059	$ 787,237
Changes in actuarial assumptions	-	-
Net difference between projected and actual investment earnings	6,637,607	-
Contributions subsequent to the measurement date	-	13,474,421
Total	$ 7,441,666	$ 14,261,658

$13,474,421, reported as deferred outflows of resources related to pension resulting from contributions made after the measurement date of the net pension liability/collective net pension liability but before the end of the County's fiscal year ending September 30, 2025, will be recognized as a reduction of the net pension liability or collective net pension liability in the subsequent fiscal year rather than in the current fiscal year. Other amounts reported as deferred outflows and inflows of resources related to pensions will be recognized in pension expenses as follows:

For the Year Ended December 31,	
2025	$ (5,924,332)
2026	8,998,110
2027	(6,624,482)
2028	(3,103,725)
	$ (6,654,429)

Note 9 – Other Post-Employment Benefits

Plan Description. The County sponsors a single-employer defined benefit post-employment benefit (OPEB) plan for health and dental care benefits.

Benefits Provided.

Retirees Benefits

The County provides post-retirement health and dental care benefits to all employees who retired on or after April 9, 1990. Effective January 1, 1997, Commissioners' Court adopted the following policy detailing eligibility requirements for participation in this benefit:

A) employee must have retired under the Texas County and District Retirement System (TCDRS) guidelines described in Note 8; and

B) employee must have at least 8 years of TCDRS credible service with Jefferson County.

For retirees prior to February 1, 2003, the County pays 100 percent of health insurance premiums for those retirees that qualify. After February 1, 2003, the County will pay on the following scale for retirees that qualify:

Years of Service	Percentage Paid by Retiree	Percentage Paid by County
8-11	30%	70%
12-15	20%	80%
16-19	10%	90%
20+	0%	100%

Effective January 1, 2016, all new employees will not be eligible for County paid post-retirement health care benefits.

Retiree Spouse Benefits

The employee's spouse is eligible for County paid health and dental insurance benefits following the employee's retirement if:

A) employee met the above requirements A and B; hired prior to January 1, 2016, and

B) employee's spouse was enrolled in the health plan either as a dependent or an active County employee.

Spouse participation will end in the event of a divorce, at which time COBRA continuation will be offered as described below.

Note 9 – Other Post-Employment Benefits (continued)

For retirees prior to February 1, 2003, the County pays 100 percent of health and dental insurance premiums for those retirees' spouses that qualify. For retirees between February 1, 2003 and February 28, 2005, the County will pay the same scale as described above for retirees' spouses that qualify. For retirees after February 28, 2005, the County requires the following premiums to be paid for retirees' spouses that qualify:

Age of Spouse	Premium Amount Due
Less than 65 during ten year maximum	Equal to the active employee contribution made for a spouse
Less than 65 after ten year maximum	Full Premium
Over 65	Same percentage as retiree see table above

Individuals covered by benefits terms

At the October 1, 2024 valuation date, the following individuals were covered by the benefits terms:

Active employees hired prior to January 1, 2016	396
Retirees	633
Spouses of Retires	238
Beneficiaries	41
	1,308

Assets. There are no assets accumulated in a trust that meets the criteria of GASB codification P22.101 or P52.101 to pay related benefits for the OPEB plan.

Contributions. The Plan is funded on a pay-as-you-go basis and is not administered through an irrevocable trust. The County does not make contributions as defined by GASB 75. For the fiscal year 2025, the County did make payments as established by Commissioners' Court under the Plan based on the combination of premiums and prior year costs of the self-funded portion of the plan of $7,046,884.

Total OPEB Liability. The County's Total OPEB liability of $130,877,217 was measured as of September 30, 2025 and was determined by an actuarial valuation as of the valuation date, calculated based on the discount rate and actuarial assumptions below, and was then projected forward to the measurement date. Any significant changes during this period have been reflected as prescribed by accounting standards.

Actuarial Assumptions and Other Inputs

The Total OPEB Liability in the October 1, 2024, actuarial valuation was determined using the following actuarial assumptions:

Note 9 – Other Post-Employment Benefits (continued)

Discount Rate	4.90%
20 Year Tax-Exempt Municipal Bond Yield	4.90%
Inflation	2.30%
Salary increases included inflation	3.00%

The discount rate was based on the Bond Buyer General Obligation 20-Bond Municipal Index.

The actuarial cost method was Entry Age normal. The trend rates for medical of 6.8% for pre-65 for 2024 will then trend downward yearly to ultimately reaching trend medical rates of 3.7% for years 2072 and beyond. The trend rated for medical post-65 of 6.8% and 4.0% for dental rates for 2024 will trend downward yearly to ultimately reaching trend medical rates of 3.7% for post-65, and dental rates of 3.7% for years 2072 and beyond.

There has not been a separate, audited GAAP-basis postemployment benefit plan report issued.

Changes in the Total OPEB Liability

	Increase (Decrease) Total OPEB Liability
Balance at 9/30/2024	$ 193,138,627
Changes for the year:	
Service cost	2,358,940
Interest on total OPEB liability	7,315,470
Effect on economic/demographic gains/losses	(44,951,586)
Effect of assumptions changes or inputs	(19,937,350)
Benefit payments	(7,046,884)
Balance at 9/30/2025	$ 130,877,217

Sensitivity Analysis

The following presents the total OPEB liability of the County, calculated using the discount rate of 4.90%, as well as what the County's total OPEB liability would be if it were calculated using a discount rate that is 1-percentage-point lower (3.90%) or 1-percentage-higher (5.90%) than the current rate:

	1% Decrease 3.90%	Current Discount Rate 4.90%	1% Increase 5.90%
Total OPEB liability	$ 148,292,153	$ 130,877,217	$ 116,499,625

Note 9 – Other Post-Employment Benefits (continued)

The following presents the total OPEB liability of the County, calculated using the current healthcare cost trends as well as what the County's total OPEB liability would be if it were calculated using trend rates that are 1-percentage-point lower or 1-percentage-higher than the current rate:

	1% Decrease	Current Trend Rate	1% Increase
Total OPEB liability	$ 114,332,325	$ 130,877,217	$ 151,251,532

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year ended September 30, 2025, the County recognized OPEB expense (income) of ($25,879,601).

At September 30, 2025, the County reported deferred outflows of resources and deferred inflows of resources related to OPEB from the following sources:

	Deferred Inflows of Resources	Deferred Outflows of Resources
Differences between expected and actual economic experience	$ 30,544,026	$ 2,822,139
Change in actuarial assumptions	22,805,421	3,107,081
Total	$ 53,349,447	$ 5,929,220

Amounts reported as deferred outflows and inflows of resources related to other postemployment benefits will be recognized in OPEB expenses as follows:

For the Year Ended September 30,	
2026	$ (25,507,687)
2027	(19,416,812)
2028	(2,495,728)
	$ (47,420,227)

Note 10 - Deferred Compensation Plan

Employees of Jefferson County, Texas may participate in a deferred compensation plan adopted under the provisions of Internal Revenue Code Section 457 (Deferred Compensation Plans with Respect to Service for State and Local Governments).

The deferred compensation plan is administered by an unrelated financial institution. Amendments to the laws governing Section 457 deferred compensation plans substantially became

Note 10 - Deferred Compensation Plan (continued)

effective January 1, 1997. The County approved plan amendments such that plan assets are held in trust by a third party custodian, for the exclusive benefit of the plan participants and their beneficiaries. The assets will not be diverted to any other purpose. The County's beneficial ownership of plan assets will be held for the further exclusive benefit of the plan for the exclusive benefit of participants and beneficiaries.

Accordingly, the County performs minimal administrative functions and does not perform any investment functions for the plan. Consequently, the assets held by the custodian are not included in the financial statements as of September 30, 2025.

Note 11 - Individual Funds Deficit Equity Balances

The following funds had deficit equity balances as of September 30, 2025:

Governmental Activities	
Juvenile Grant A - State Aid	$ 9,267
Mentally Impaired Offenders Program	798
Community Corrections	4,247
Drug Diversion Program	12,502
General Land Office Grants	481,444
Sheriff Training Grant	6,210
JAG Grant	17,199
Auto Theft	24,127
BRIC/FMA Grant	1,208,948
Family Treatment Court	3,429
Environment Grants	1,300
Community Wildfire Prevention Program	5,265
Total for Governmental Activities	$1,774,736

If funding does not become available to cover these deficit fund balances from other governmental entities, the County plans to transfer funds from General Fund to cover the deficit fund balance.

Note 12 - Risk Management

The Liability Insurance Fund was established to account for the contributions from the General Fund for payment of general liability claims. Under the laws of the State of Texas, claims for torts are limited to $100,000 per person and $300,000 per incident. The Liability Fund records a claim as payable when information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and the amount of the loss can be reasonably estimated. Liabilities of the fund are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities include an amount for claims that have been incurred but not reported. Claim liabilities are calculated considering recent claim settlement trends. Changes in the Liability Insurance Fund's claims liability (including an estimate for claims incurred but not reported) were:

Note 12 - Risk Management (continued)

	2025	2024
Liability for claims, beginning of fiscal year	$354,467	$354,777
Incurred claims and changes in estimates	393,885	321,677
Claim payments	(391,687)	(321,987)
Liability for claims, end of fiscal year	$356,665	$354,467

The Workers' Compensation Fund was established to account for the County's workers' compensation claims. Contributions are made from the General, Special Revenue, and Enterprise Funds for employees covered under the County's workers' compensation policy. Contributions to the fund are determined by position class code within each department. From October 1, 1999, to February 14, 2005 the County was fully insured for workers' compensation claims and employers' liability. As of February 15, 2005, the County is self insured for workers' compensation claims and employers' liability. The County has excess coverage for workers' compensation claims and employers' liability claims limiting the County's liability to $750,000 for law enforcement or firefighters and $500,000 for all others per occurrence for losses occurring prior to October 1, 1999 and after February 15, 2005. Settled claims have not exceeded commercial coverages in any of the past three fiscal years. Liabilities of the fund are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities include an amount for claims that have been incurred but not reported. Claim liabilities are calculated considering recent claim settlement trends. Changes in the Worker's Compensation Fund's claims liability (including an estimate for claims incurred but not reported) were:

	2025	2024
Liability for claims, beginning of fiscal year	$1,393,926	$1,873,990
Incurred claims and changes in estimates	543,824	161,468
Claim payments	(692,327)	(641,532)
Liability for claims, end of fiscal year	$1,245,423	$1,393,926

Note 13 – Public Entity Risk Pool

On November 27, 2000, the Jefferson County Commissioners' Court pursuant to Texas Local Government Code Ann. Sec. 172.001 organized the Southeast Texas Government Employee Benefits Pool (The Pool). The Pool was organized for the benefit of Texas Political Subdivisions and Special Districts to make available accident, life, and health benefits for Pool member employees. Twelve trustees govern the Pool. Five of these trustees are the Jefferson County Auditor, Jefferson County Insurance and Benefits Manager, Jefferson County Human Resources Director, Jefferson County Purchasing Agent, and the Jefferson County Assistant District Attorney. Two of the trustees are members of Commissioners' Court. The remaining five trustees are appointed by Commissioners' Court.

Note 13 – Public Entity Risk Pool (continued)

The Pool is responsible for adopting underwriting standards, qualifications for membership in the pool, and establishing the types of benefits to be provided and associated fees for these benefits. The members of the Pool are responsible for their members' eligibility in the Pool and payment of monthly contributions for participation in the Pool. The Pool members are not subject to supplemental assessments in the event of deficiencies. If the assets of the Pool were to be exhausted, members would not be responsible for the Pool's liabilities. Pool members currently include Jefferson County, Texas (reporting entity), Jefferson County Drainage District #3, and Jefferson County Drainage District #6. The total number of members in the Pool is 1,850. Operations of the Pool are accounted for as an internal service fund.

The Pool uses reinsurance agreements to reduce its exposure to large losses on medical and prescription claims. For the fiscal year ended September 30, 2025, the Pool had stop loss insurance contracts to limit the medical and prescription claims per individual member to $325,000 in a calendar year with a $125,000 aggregating specific deductible. The Pool did exceed these limits during fiscal year 2025 by $1,489,455, did not exceed these limits during fiscal year 2024, and, did exceed these limits during fiscal year 2023 by $376,425.

Liabilities of the Pool are reported when it is probable that a loss has occurred and the amount of the loss can be reasonably estimated. Liabilities include an amount for claims that have been incurred but not reported. Claim liabilities are calculated considering recent claim settlements trends.

Changes in the Pool's claims liability (including an estimate of claims incurred but not reported and claim adjustment expenses) were:

	2025	2024
Liability for claims, beginning of fiscal year	$2,478,099	$1,766,882
Incurred claims and changes in estimates	28,881,272	26,027,912
Claim payments	(29,379,950)	(25,316,695)
Liability for claims, end of fiscal year	$1,979,421	$2,478,099

Additional information including ten-year revenue and claim development are addressed in a separate annual report. The annual report may be obtained from Southeast Texas Governmental Employee Benefits Pool, 215 Franklin Street Suite 200, Beaumont, Texas 77701.

Note 14 – Encumbrances, Construction Contracts, and Other Significant Commitments

As of September 30, 2025, the County had the following encumbrances, construction contracts, and other significant commitments with respect to unfinished projects:

Note 14 – Encumbrances, Construction Contracts, and Other Significant Commitments (continued)

	Project	Remaining Commitment	Expected Date of Completion
Governmental Activities			
Major Funds			
ARPA Coronavirus Recovery	American Rescue Plan projects	$ 15,281,886	12/31/2026
Nonmajor funds			
Capital Project Funds	Jail Improvements	$ 1,971,520	6/30/2026
BRIC/FMA Grant	FEMA Home Elevations program	385,512	12/31/2026
Rural Law Enforcement Grant	Law Enforcement Security Equipment	307,319	3/31/2027
Total Nonmajor Funds		$ 2,664,351	
Total Governmental Activities		$ 17,946,237	

Note 15 - Contingent Liabilities

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the State of Texas. Any disallowed expenditures or claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the County expects such amounts, if any, to be immaterial.

The County is involved in lawsuits and other claims in the ordinary course of operations. The outcome of these lawsuits and other claims are not presently determinable and the resolutions of these matters are not expected to have a material effect on the financial condition of the County.

Note 16 – Tax Abatements

The County enters into property tax abatement agreements with local businesses under the state Property Redevelopment and Tax Abatement Act, Chapter 312 of the Texas Tax Code, as well as its own guidelines and criteria, which is required under the Act. Under the Act, including its guidelines and criteria, the County may grant property tax abatements for creation of additional value to eligible facilities. The creation must be made subsequent to and specified in an abatement agreement between the County and the property owner or lessee. In addition, the County requires the following economic qualifications in order to grant the tax abatement:

(1)Must create an increased appraised ad valorem tax value based upon the Jefferson County Appraisal District's assessment of the eligible property; and

(2)Must prevent the loss of payroll or retain, increase or create payroll (full-time employment) on a permanent basis in the County.

(3)Must not have the effect of displacing workers or transferring employment from one part of the County to another.

Note 16 – Tax Abatements (continued)

(4)Must demonstrate by an independent economic impact analysis that the local economic benefit will be substantially in excess of the amount of anticipated foregone tax revenues resulting from the abatement.

The County's guidelines and criteria focus on creating new wealth to the community rather than recirculating dollars within the community, and attracting industries that have demonstrated a commitment to protecting our environment—all without creating a substantial adverse effect on the competitive position of existing companies operating in the County. The agreement used for this purpose provides for termination of the agreement in the event its counterparty discontinues producing product as well as recapturing property taxes abated in that calendar year. These abatements may be granted for up to ten years.

The County has also entered into one agreement under the state County Development and Growth, Chapter 381 of the Texas Local Government code that will rebate a percentage of property taxes for up to twenty years. The agreement was granted for twenty years.

For the fiscal year ended September 30, 2025, the County abated property tax revenue totaling $23,012,723 based on property tax values of $6,446,141,153 for 16 entities.

Note 17 – Restatements

Change in Accounting Principle

During fiscal year 2025, the County implemented GASB Statement No. 101, *Compensated Absences*. The adoption of this standard resulted in the recognition of additional liabilities for compensated absences. The cumulative effect of the accounting change increased liabilities and decreased net position by $2,956,820 for governmental-type activities and $81,396 for business-type activities for the Jack Brooks Regional Airport Enterprise Fund. The restated beginning net position for governmental-type activities is ($23,130,444) and for business-type activities is 81,654,694.

Note 18 – Recent Accounting Pronouncements

GASB Statement No. 103, Financial Reporting Model Improvements – The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This Statement also addresses certain application issues. This Statement will be implemented by the County in the fiscal year ending September 30, 2026, and the impact has not yet been determined.

GASB Statement No. 104, Disclosure of Certain Capital Assets – The objective of this Statement is to provide users of government financial statements with essential information about certain types of capital assets. This Statement requires certain types of capital assets to be presented separately in the note disclosures, including right-to-use assets related to leases, Subscription-

Note 18 – Recent Accounting Pronouncements (continued)

Based Information Technology Arrangements, and public-private or public-public partnerships. Other intangible assets are also required to be presented separately by major class. Additional disclosures have also been required for capital assets held for sale. This Statement will be implemented by the County in the fiscal year ending September 30, 2026, and the impact has not yet been determined.

GASB Statement No. 105, Subsequent Events – The primary objective of this statement is to improve the financial reporting requirements for subsequent events, thereby enhancing consistency in their application and better meeting the information needs of financial statement users. This Statement will be implemented by the County in the fiscal year ending September 30, 2026, and the impact has not yet been determined.

Note 19 – Subsequent Events

The County is in the process of defeasance and optional redemption of $4,905,000 outstanding debt from the 2019 Certificates of Obligation.

JEFFERSON COUNTY, TEXAS
NOTES TO THE REQUIRED SUPPLEMENTARY INFORMATION
SEPTEMBER 30, 2025

1. Budgetary Basis

- Budgets are prepared on a basis consistent with GAAP.
- The department is the legal level of budgetary control. Commissioners' Court approval is necessary to transfer appropriations between departments. Transfers may not increase the total budget.
- Annual budgets are legally adopted for the General Fund and the Debt Service Funds.

2. Analysis of Significant Expenditure Variances from Original Budget

Commissioners' Court approved $209,475 in budget transfers over the original budget for Transfers out in order to provide additional funding for necessary capital projects for improvement to the County Correctional facilities.

Commissioners' Court approved $425,000 in budget transfers over the original budget for Road and Bridge Precinct 1 capital to replace road machinery.

In addition, the Court approved approximately $266,00 in budget transfers over the original budget for additional cost for indigent defense as court cases are continue to be higher to address the backlog due to the impacts of Covid-19 on the Court system.

These transfers were not part of the original budget. The above budget transfers were funded with the savings from various departments. Commissioners' Court was able to achieve $13,796,714 in actual savings from the total budget, with the assistance from all County departments.

(1) Payroll is calculated based on contributions as reported to TCDRS.

JEFFERSON COUNTY, TEXAS
REQUIRED SUPPLEMENTARY INFORMATION
NOTES TO SCHEDULE OF EMPLOYER CONTRIBUTIONS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2025

Valuation Date	Actuarially determined contribution rates are calculated each December 31, two years prior to the end of the fiscal year in which the contributions are reported.

Methods and assumptions used to determine contribution rates:

Actuarial Cost Method	Entry Age
Amortization Method	Level percentage of payroll, closed
Remaining Amortization Period	11.1 years (based on contribution rate calculated in 12/31/2024 valuation)
Asset Valuation Method	5-year smoothed fair value
Inflation	2.50%
Salary Increases	Varies by age and service. 4.7% average over career including inflation.
Investment Rate of Return	7.5%, net of administrative and investment expenses, including inflation
Retirement Age	Members who are eligible for service retirement are assumed to commence receiving benefit payments based on age. The average age at service retirement for recent retirees is 61.
Mortality	135% of the Pub-2020 General Retirees Table for males and 120% of the Pub-2010 General Retirees Table for females, both projected with 100% of the MP-2021 Ultimate scale after 2010.
Changes in Assumptions and Methods Reflected in the Schedule of Employer Contributions*	2015: New inflation, mortality and other assumptions were reflected. 2017: New mortality assumptions were reflected 2019: New inflation, mortality and other assumptions were reflected. 2022: New investement return and inflation assumptions were reflected.
Changes in Plan Provisions Reflected in the Schedule*	2015: No changes in plan provisions. 2016: No changes in plan provisions. 2017: New Annuity Purchase Rates were reflected for benefits earned after 2017 2018: No changes in plan provisions. 2019: No changes in plan provisions. 2020: No changes in plan provisions. 2021: No changes in plan provisions. 2022: No changes in plan provisions. 2023: Employer contributions reflect that a 2% flat COLA was adopted. 2024: No changes in plan provisions.

SPECIAL REVENUE FUNDS

SPECIAL REVENUE FUNDS

The Special Revenue Funds are used to account for the proceeds of specific revenue sources other than expendable trusts, or major capital projects that are legally restricted to expenditures for specified purposes. Included in this heading are the following individual funds:

Lateral Road Funds - This fund is used to account for expenditures of materials incurred in the maintenance of the lateral roads of the County. Financing is provided by contributions from the State.

Breath Alcohol Testing Fund - This fund is used to account for fees collected by the courts on D.W.I. convictions and the expenditure of those funds.

Law Library Fund - This fund is used to account for the maintenance of the County Law Library. Financing is provided by fees from law suits filed in the District Courts and County Courts-at-Law.

Juvenile Probation and Detention Fund - This fund is used to account for receipts specifically designated for use in juvenile programs.

County Clerk Records Management and Preservation Fund - This fund is used to account for fees collected by the County Clerk for the maintenance of their records and the expenditure of those funds.

County Clerk Records Archive Fund - This fund is used to account for fees collected by the County Clerk for the preservation of records prior to 1990 and the expenditure of those funds.

Local Truancy Prevention - This fund is used to account for fees collected by the courts and the expenditure of those funds for juvenile programs.

Justice Court Support Fund - This fund is used to account for fees collected by the courts and the expenditure of those funds to assist the judiciary.

Court Facility Fund - This fund is used to account for fees collected by the courts and the expenditure of those funds for construction, renovation, or improvement of court facilities.

Language Access Fund - This fund is used to account for fees collected by the courts and the expenditure of those funds to provide individual translation and other language access for judicial matters.

County Records Management and Preservation Fund - This fund is used to account for fees collected by the County Clerk, District Clerk, and Sheriff for the maintenance of County records and the expenditure of those funds.

Justice Court Building Security - This fund is used to account for fees collected by the justice courts to finance security services and equipment for justice courts not located in the County courthouse.

Hotel Occupancy Tax Fund - This fund is used to account for the collection of a 2% Hotel/Motel Occupancy tax. Revenues collected from this tax are to be used for tourism projects in the County.

Diversion Center Fund – This fund is used to account for funds received and expenditures for multiple agency diversion center.

County and District Court Technology Fund – This fund is used to account for fees collected from defendants convicted in a County, Statutory County, or District court and the expenditures of those funds on technological enhancements for the previously mentioned courts.

Sheriff and Constable Education Fund - This fund is used to account for the expenditures associated with the education of Sheriff's deputies and Constables of the County.

Tax Office Auto Dealer Fund - This fund is used to account for taxes collected from Local Auto Dealerships to be used by the County's Tax Office.

Unclaimed Funds Management Fund - This fund is used to account for Unclaimed Funds for all County departments.

Family Protection Fund - This fund is used to account for fees collected by the District Clerk for family violence prevention or intervention and the expenditure of this money.

District Attorney Special Funds - This fund is used to account for the fees and forfeitures received by the District Attorney associated with District Attorney

Forfeitures from criminal convictions and Hot Check fees for the prosecution of hot check offenders and the expenditure of those funds.

JC Assistance District 4 Fund - This fund is used to account for sales taxes received by the special district of JP Assistance District 4 and the expenditure of those funds.

Justice of the Peace Courtroom Technology Fund – This fund is used to account for the fees collected by the Justices of the Peace on misdemeanor convictions and the expenditure of those funds on technological enhancements for the justices' courts.

District Clerk Records Management Fund - This fund is used to account for fees collected by the District Clerk for the maintenance of their records and the expenditure of those funds.

County Clerk Election Contracts - This fund is used to account for fees collected by the County Clerk for election contracts with local governments and the expenditure of those funds.

Child Abuse Prevention - This fund is used to account for fees collected for certain child sexual assault and related convictions and the expenditure of those funds.

Sheriff's Special Revenue Funds - This fund is used to account for fees, forfeitures, and other revenue received by the Sheriff in association with Security Fees, Law Officer Training fees, D.A.R.E. Contributions, Sheriff's Forfeitures, Sheriff's Commissary, Sheriff – Spindletop Grant, and the Marine Division reimbursements, and the expenditure of those funds.

Guardianship Fee Fund - This fund is used to account for fees collected by the County Clerk to supplement the support of the judiciary in cases involving guardianships.

Juvenile Delinquency Prevention - This fund is used to account for fees collected by the courts for certain offenses and the expenditures associated with juvenile delinquency prevention and graffiti eradication measures.

District Court Records Technology - This fund is used to account for fees collected by the District Clerk for the preservation and restoration of District Court records.

Probation Department Funds - These funds are used to account for the expenditures of maintaining probation services as authorized by the County and District Courts.

Financing is provided by State grant and probationary fees. Included in this heading are the following individual funds:

Juvenile Probation and Detention - State Aid
Pretrial Diversion Programs
IV-E Foster Care Fund
Juvenile Grant A – State Aid
Mentally Impaired Offenders
Community Supervision
Juvenile TJPC Supplement
Community Corrections
DWI Pretrial Diversion
Drug Diversion Program

Grant Funds - These funds are used to account for receipts of Federal and State grants designated for special projects or services. Included in this heading are the following individual funds:

Family Group Conferencing
General Land Office Grants
Sheriff Training Grant
JAG Grant
Sheriff Dept Grants
SCAAP Grant
LATCF Federal Grant
FEMA Emergency
Regional Communication
Crime Victims Clearing
EMPG Grant
Crime Lab CJD Grant
Cyber Security Grants
Auto Theft Grant
Rural Law Enforcement Grant
BRIC/FMA Grant
District Attorney SB 22 Grant
Violence Against Women
Family Treatment Court
Environment Grants
Community Wildfire Prevention Program

CAPITAL PROJECTS FUNDS

CAPITAL PROJECTS FUNDS

The Capital Projects Funds are used to account for all resources used for the acquisition or construction of capital facilities except those financed by Enterprise Funds or Internal Service Funds. Included in this heading are the following individual funds:

Coastal Restoration Projects - This fund is used to account for the proceeds received related to Coastal Restoration projects including the BP Deepwater Horizon lawsuit settlement and the Gulf of Mexico Energy Security Act. Planned expenditures for these proceeds will be for the County shoreline and dune restoration project starting in Sabine Pass to High Island.

Capital Projects Fund - This fund is used to account for all other capital projects of the County for which a separate fund has not been established.

CETRZ Grant - This fund is used to account for the revenues and expenditures related to the County Energy Transportation Reinvestment Zone (CETRZ) Grant from the State of Texas. This grant will be used to rehabilitate County roads within all the Road & Bridge precincts.

INTERNAL SERVICE FUNDS

INTERNAL SERVICE FUNDS

The Internal Service Funds are used to account for the financing of goods and services provided by one department or agency to other agencies of the government and to other government units, on a cost reimbursement basis. Included in this heading are the following individual funds:

Liability Insurance Fund - This fund is used to account for the County's contribution and payment for liability claims.

Workers' Compensation Fund - This fund is used to account for the County's contribution and payment for workers' compensation claims.

Southeast Texas Government Employee Benefits Pool – This fund is used to account for the County's group health insurance program, which includes comprehensive major medical and dental care.

FIDUCIARY FUNDS

FIDUCIARY FUNDS

The Fiduciary Funds are used to account for assets held by the County as a trustee or agent for individuals, private organizations, and other units of government. Such funds are operated by carrying out specific terms of trust indentures, ordinances, grant requirements, or other governing regulations. Included in this heading are the following individual funds:

Custodial Funds:

Treasurer Maintained Fund - This fund is used to account for various monies deposited with the County Treasurer for distribution to other individuals and/or government entities.

County Clerk Fund - This fund is used to account for the collection and distribution of money held by the Clerk of the County Courts.

District Clerk Fund - This fund is used to account for the collection and distribution of the money held by the Clerk of the District Courts.

Sheriff's Fund - This fund is used to account for the collection and distribution of money held by the Sheriff.

Justice of the Peace Fund - This fund is used to account for the collection and distribution of money held by the Justices of the Peace.

Tax Assessor/Collector Fund - This fund is used to account for the collection and distribution of money held by the Tax Assessor/Collector .

District Attorney's Seizure Fund - This fund is used to account for the seizure and subsequent distribution of seized personal property.

Community Supervision Fund - This fund is used to account for the collection and distribution of money held by the Community Supervision Department.

Juvenile Probation Fund - This fund is used to account for the collection and distribution of money held by the Juvenile Probation Department.

Source: Jefferson County Appraisal District

Note: Property in the county is reassessed annually. The county assesses property at 100% of actual value for all types of real and personal property. However, each homestead residential property can only increase by a maximum of 10% in any given year. Estimated actual value is calculated by adding back the loss to the limit on homestead residential properties to the total taxable assessed value. Tax rates are per $100 of assessed value.

(a) Includes tax-exempt property.

Source: Jefferson County Tax Assessor Collector

(a) Overlapping rates are those of local governments that apply to property owners within Jefferson County. Not all overlapping rates apply to all Jefferson County property owners. (e.g., the rates for special districts apply only to the proportion of the County's property owners whose property is located within the geographic boundaries of the special district.)

Note: Rates are per $100 of taxable value. Rates for overlapping entities are an average tax rate of all cities (7), school districts (7), and special districts (15) located within Jefferson County. For fiscal year 2025, total rates ranged between .131 and .686 for cities, .967 and 1.318 for school districts, and .012 and .516 for special districts.

TOTAL DIRECT AND OVERLAPPING DEBT			**$1,643,096,281**

Sources: Debt outstanding data was provided by each of the taxing entities.

Note: Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the County. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of Jefferson County. This process recognizes that, when considering the County's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

(a) The percentage of overlapping debt applicable is estimated using taxable assessed property values. Applicable percentages were estimated by determining the portion of taxing entity that is within the County's boundaries and dividing it by the taxing entity's total taxable assessed value.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable County Judge
and Commissioners' Court
Jefferson County, Texas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Jefferson County, Texas (the "County"), as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated March 20, 2026.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Jefferson County, Texas' (the "County") compliance with the types of compliance requirements identified as subject to audit in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended September 30, 2025. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2025.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the County's federal programs.

AICPA GAQC Member

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards* and the Uniform Guidance always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the County's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the County as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon, dated March 20, 2026, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

JEFFERSON COUNTY, TEXAS

NOTES TO SCHEDULE OF EXPENDITURES
OF FEDERAL AWARDS

SEPTEMBER 30, 2025

1. Special Revenue Funds are used to account for resources restricted to, or designated for, specific purposes by a grantor. Capital Projects Funds are used to account for all resources used for the acquisition or construction of capital facilities. Federal and state financial assistance generally is accounted for in a Special Revenue Fund, Capital Projects Funds, Enterprise Funds or the General Fund. Accounting standards allow grants used for the construction or acquisition of capital assets to be accounted for in the Capital Projects Funds. Generally, unused balances are returned to the grantor at the close of specified project periods.

2. The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental fund types and private purpose trust fund types are accounted for using a current financial resources measurement focus. Most federal grant funds were accounted for in the Special Revenue Funds, Capital Projects Funds, or the General Fund, components of the governmental fund type. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used for the governmental funds. This basis of accounting recognizes revenue in the accounting period in which they become susceptible to accrual, i.e., both measurable and available, and expenditures in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt, which is recognized when due, and certain compensated absences and claims and judgments, which are recognized when the obligations are expected to be liquidated with expendable available financial resources. The County also accounts for grants in its enterprise funds. The accrual basis of accounting is used for enterprise funds.

Federal grant funds are considered to be earned to the extent of expenditures made under the provisions of the grant, and, accordingly, when such funds are received, they are recorded as unearned revenues until earned.

3. The period of availability for federal grant funds for the purpose of liquidation of outstanding obligations made on or before the ending date of the federal project period, extended 30 days beyond the federal project period ending date, in accordance with provisions in Section H.

4. The County did not elect to apply the de minimis indirect cost rate.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Honorable County Judge
and Commissioners Court
Jefferson County, Texas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Jefferson County, Texas (the "County") as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements, and have issued our report thereon dated March 20, 2026.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the County's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

OFFICE LOCATIONS
TEXAS | Waco | Temple | Hillsboro | Houston
NEW MEXICO | Albuquerque

AICPA GAQC Member

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR STATE PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE TEXAS GRANT MANAGEMENT STANDARDS

Honorable County Judge
and Commissioners' Court
Jefferson County, Texas

Report on Compliance for Each Major State Program

Opinion on Each Major State program

We have audited Jefferson County, Texas' (the "County") compliance with the types of compliance requirements described in the State of Texas Grant Management Standards (TxGMS) that could have a direct and material effect on each of the County's major state programs for the year ended September 30, 2025. The County's major state programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state programs for the year ended September 30, 2025.

Basis for Opinion on Each Major State program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of TxGMS. Our responsibilities under those standards and TxGMS are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the County and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major state program. Our audit does not provide a legal determination of the County's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the County's state programs.

OFFICE LOCATIONS
TEXAS | Waco | Temple | Hillsboro | Houston
NEW MEXICO | Albuquerque

AICPA GAQC Member

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the County's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards* and TxGMS will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about County's compliance with the requirements of each major state program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards* and TxGMS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the County's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the County's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with TxGMS, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a state programs on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state programs will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* in *internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state programs that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the TxGMS. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of State Awards Required by Texas Grant Management Standards

We have audited the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the County as of and for the year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon, dated March 20, 2026, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of state awards is presented for purposes of additional analysis as required by TxGMS and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of state awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

JEFFERSON COUNTY, TEXAS

NOTES TO SCHEDULE OF EXPENDITURES
OF STATE AWARDS

FOR THE YEAR ENDED SEPTEMBER 30, 2025

Note 1 - Basis of Presentation

The accompanying Schedule of Expenditures of State Awards (the "Schedule") includes the state grant activity of the County under programs of the State of Texas for the year ended September 30, 2025. The information in this schedule is presented in accordance with the requirements of Texas Grant Management Standards. Because the schedule presents only a selected portion of the operations of the County, it is not intended and does not present the financial position, changes in net position/fund balance or cash flows of the County.

Note 2 - Summary of Significant Accounting Policies

Jefferson County, Texas, accounts for state funding using the modified accrual method of accounting. This basis of accounting recognizes revenues in the accounting period in which they become susceptible to accrual, i.e., both measurable and available, and expenditures in the accounting period in which the liability is incurred, if measurable, except for certain compensated absences, claims and judgments, which are recognized when the obligations are expected to be liquidated with expendable available financial resources. Equipment purchases for grant purposes are treated as expenditures in the Schedule of Expenditures of State Awards. State grant funds are considered to be earned to the extent of qualifying expenditures made under the provisions of the grant. Accordingly, when such funds are received, they are recorded as unearned revenue until earned. Generally, unused balances are returned to the grantor at the close of specified project periods.

JEFFERSON COUNTY, TEXAS

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

FOR THE YEAR ENDED SEPTEMBER 30, 2025

Summary of Auditor's Results

Financial Statements:	
Type of auditors' report issued	Unmodified

March 25, 2026

Honorable Commissioners Court:
Judge Jeff R. Branick
Commissioner Brandon Willis
Commissioner Cary Erickson
Commissioner Michael "Shane" Sinegal
Commissioner Everette "Bo" Alfred

Gentlemen:

In compliance with Section 114.023 of the Local Government Code, I herewith present the monthly report of the financial condition of Jefferson County as of December 31, 2025 together with the results of operations of the budget for the third period then ended.

Revenue:

Total budgeted revenue collected for the three months ending December 31, 2025 is $35,580,206. Budgeted Revenues are $172,708,871 leaving $137,128,665 in revenue to be collected in order to meet our budgetary revenue goals. Highlights of revenues are as follows:

Property Taxes:

Property tax collections are $27,992,595 for the first three months of the year. This amount represents 23% of the budgeted amount of $120,291,046.

Sales Taxes:

Eleven percent of budgeted revenue for sales taxes has been collected. Sales Tax revenue is budgeted to be $32,900,000.

Licenses & Permits:

Revenue from Licenses & Permits has exceeded the budgeted amount of $376,000 by $48,355.

.

Intergovernmental:

Sixteen percent of Intergovernmental Revenue has been collected. Intergovernmental Revenue is budgeted to be $1,656,350.

Fees:

Seventeen percent of the budgeted revenue for Fees has been collected. Revenue from Fees is budgeted to be $11,960,475 for the year.

Fines and Forfeitures:

Seventeen percent of Fines and Forfeitures have been collected. Revenues from Fines and Forfeitures are budgeted to be $1,600,000.

Interest:

Twenty-one percent of Interest have been collected. Revenues from Interest are budgeted to be $3,895,000.

Other Revenues:

Nothing of Other Revenues have been collected. Revenues from Other Revenues are budgeted to be $30,000 for the year.

Expenditures:

Overall for the County's budgeted funds, twenty-seven percent of the expenditures have been spent.

Page Three

Expenditures are budgeted to be $185,904,541, which includes General Funds and debt service funds, excluding budgeted transfers of $7,266,299 for the fiscal year ending September 30, 2026.

Please call me if you have any questions on the enclosed report.

Sincerely,

Fran Lee
County Auditor

JEFFERSON COUNTY, TEXAS

FINANCIAL & OPERATING STATEMENTS - COUNTY FUNDS ONLY

For the Month Ending January 31, 2026

Fran Lee - County Auditor

FRAN LEE
COUNTY AUDITOR
(409) 835-8500

1149 PEARL ST. – 7TH FLOOR
BEAUMONT, TEXAS 77701

March 25, 2026

Honorable Commissioners Court:
Judge Jeff R. Branick
Commissioner Brandon Willis
Commissioner Cary Erickson
Commissioner Michael "Shane" Sinegal
Commissioner Everette "Bo" Alfred

Gentlemen:

In compliance with Section 114.023 of the Local Government Code, I herewith present the monthly report of the financial condition of Jefferson County as of January 31, 2026 together with the results of operations of the budget for the fourth period then ended.

Revenue:

Total budgeted revenue collected for the four months ending January 31, 2026 is $86,874,067. Budgeted Revenues are $172,708,871 leaving $85,834,804 in revenue to be collected in order to meet our budgetary revenue goals. Highlights of revenues are as follows:

Property Taxes:

Property tax collections are $73,914,230 for the first four months of the year. This amount represents sixty-one percent of the budgeted amount of $120,291,046.

Sales Taxes:

Twenty-two percent of budgeted revenue for sales taxes has been collected. Sales Tax revenue is budgeted to be $32,900,000.

Licenses & Permits:

Revenue from Licenses & Permits has exceeded the budgeted amount of $376,000 by $83,128.

.

Intergovernmental:

Twenty-one percent of Intergovernmental Revenue has been collected. Intergovernmental Revenue is budgeted to be $1,656,350.

Fees:

Twenty-seven percent of the budgeted revenue for Fees has been collected. Revenue from Fees is budgeted to be $11,960,475 for the year.

Fines and Forfeitures:

Twenty-six percent of Fines and Forfeitures have been collected. Revenues from Fines and Forfeitures are budgeted to be $1,600,000.

Interest:

Thirty-five percent of Interest have been collected. Revenues from Interest are budgeted to be $3,895,000.

Other Revenues:

Nothing of Other Revenues have been collected. Revenues from Other Revenues are budgeted to be $30,000 for the year.

Expenditures:

Overall for the County's budgeted funds, thirty-four percent of the expenditures have been spent.

Page Three

Expenditures are budgeted to be $185,904,541, which includes General Funds and debt service funds, excluding budgeted transfers of $7,266,299 for the fiscal year ending September 30, 2026.

Please call me if you have any questions on the enclosed report.

Sincerely,

Fran Lee
County Auditor

Honorable County Judge
and Commissioners Court
Jefferson County, Texas

We have audited the financial statements of Jefferson County, Texas (the "County"), as of and for the year ended September 30, 2025, and have issued our report thereon dated March 20, 2026. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated July 3, 2025, our responsibility, as described by professional standards, is to form and express opinions about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal controls over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of Jefferson County, Texas solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

As a part of the engagement, we assisted in preparing the financial statements, related notes to the financial statements and the schedule of federal and state awards in conformity with U.S. generally accepted accounting principles. These non-audit services do not constitute an audit under *Government Auditing Standards* and such services were not conducted in accordance with *Government Auditing Standards.*

In order to reduce threats to our independence caused by these nonattest services to an acceptable level, we applied certain safeguards. These safeguards include a concurring review, which is a review of the financial statements and key audit areas which is performed by a partner or manager who has adequate experience in audits of local governments, but who was not involved in this audit engagement. The concurring reviewer serves as an evaluator of the performance of the engagement team and the nonattest services provided.

In addition, management assumed responsibility for the financial statements, related notes to the financial statements, schedule of expenditures of federal and state awards, and any other nonaudit services we provided. Management acknowledged, in the management representation letter, our assistance with the preparation of the financial statements, related notes to the financial statements and the schedule of expenditures of federal and state awards, and that these items were reviewed and approved prior to their issuance and accepted responsibility for them. Further, the nonaudit services were overseen by an individual within management that has the suitable skill, knowledge, or experience; evaluated the adequacy and results of the services; and accepted responsibility for them.

Significant Risks Considered

We have identified the following significant risks during our audit process, which required special audit consideration. None of these risks resulted in a significant matter, finding or issue.

Significant Risk Identified	Reasoning for Special Audit Consideration
Management override of controls	The risk that members of management could circumvent well-designed and effective internal controls.
Bank accounts	Like many Texas counties, Jefferson County has a large number of bank accounts at multiple depositories with different signors. No one person has signatory authority for the whole County. Increased risk of improperly reconciled cash or omitted bank accounts.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the County is included in the notes to the financial statements. As described in the notes to the financial statements, during the year, the entity implemented Governmental Accounting Standards Board (GASB) Statement No. 101, *Compensated Absences*. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are:

Management's estimate of the allowance for doubtful accounts for property tax and adjudicated fines receivable is based on a historical analysis of the collectability of these receivables. We evaluated key factors and assumptions used to develop the allowance in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimates of the accumulated depreciation, the related useful lives of capital assets, and the allowance for uncollectible fines. We evaluated the key factors and assumptions used to develop these estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimate of the fair values of investments is based on current and historical market trade data and information provided by investment advisors. We evaluated the key factors and assumptions used to develop the fair value estimates and determined that they are reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

Management's estimates of the pension liability, OPEB liability, and pension and OPEB expense are based on actuarial assumptions which are determined by the demographics of the plan and future projections that the actuarial makes based on historical information of the plan and the investment market. We evaluated the key factors and assumptions used to develop the pension liability, OPEB liability, and pension and OPEB expense and determined that they are reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

Management's estimate of the compensated absence amounts more likely than not to be used is based on historical usage patterns, current employee leave balances, and applicable policies. We evaluated the key factors and assumptions used to develop this estimate and determined that it is reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting Jefferson County, Texas' financial statements relate to the pension and OPEB liabilities.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. Management has corrected all identified misstatements.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. None of the misstatements identified by us as a result of audit procedures and corrected by management were material, either individual or in aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the County's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstance that affect the form and content of our auditor's report. No such circumstances exist.

Representations Requested from Management

We have requested certain written representations from management, which are included in the management representation letter dated March 20, 2026.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the County, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as Jefferson County, Texas' auditors.

New Accounting Pronouncements

The Governmental Accounting Standards Board (GASB) issued the following statements which will become effective in subsequent fiscal years:

GASB Statement No. 103, *Financial Reporting Model Improvements* – The objective of this Statement is to improve key components of the financial reporting model to enhance its effectiveness in providing information that is essential for decision making and assessing a government's accountability. This Statement also addresses certain application issues. This Statement will become effective for reporting periods beginning after June 15, 2025, and the impact has not yet been determined.

GASB Statement No. 104, *Disclosure of Certain Capital Assets* – The objective of this Statement is to provide users of government financial statements with essential information about certain types of capital assets. This Statement requires certain types of capital assets to be presented separately in the note disclosures, including right-to-use assets related to leases, Subscription-Based Information Technology Arrangements, and public-private or public-public partnerships. Other intangible assets are also required to be presented separately by major class. Additional disclosures have also been required for capital assets held for sale. This Statement will become effective for reporting periods beginning after June 15, 2025, and the impact has not yet been determined.

GASB Statement No. 105, *Subsequent Events* – The objective of this Statement is to improve the financial reporting requirements for subsequent events, thereby enhancing consistency in their application and better meeting the information needs of financial statement users. This statement will become effective for fiscal years beginning after June 15, 2026, and the impact has not yet been determined.

Restrictions on Use

This report is intended solely for the information and use of the Commissioners' Court, and management of Jefferson County, Texas and is not intended to be, and should not be, used by anyone other than these specified parties.

FEDERAL SURPLUS

APPLICATION FOR ELIGIBILITY

INSTRUCTIONS FOR COMPLETING THE APPLICATION TO RECEIVE FEDERAL SURPLUS PROPERTY (41 CFR 102-37)

- Complete pages 2-7 and return per the instructions at the bottom of this page.
- Page 6 must be signed by your organization's AUTHORIZING OFFICIAL. An "Authorizing Official" is the chief executive or financial officer for the applicant organization with authority to execute legal documents on your organization's behalf.
- Some organizations must submit supporting documentation with the application. See pages 9-12 for details.
- Public/government agencies are eligible. Certain nonprofit organizations, Veterans Service Organizations, Service Educational Activities, volunteer fire/EMS/search & rescue departments and small businesses may also qualify. To determine if your organization may be eligible, please refer to the categories listed on pages 2 and 9-12 or contact us.
- All organizations must reapply every three (3) years.
- INCOMPLETE APPLICATIONS WILL NOT BE PROCESSED. IF YOU HAVE QUESTIONS OR NEED ASSISTANCE, PLEASE CONACT US AT (512) 962-4167 OR federal.surplus@tfc.texas.gov.
- Narrative Forms, Add/Delete Representative Forms, and all other program forms are available for download from the "Forms" section of our website: www.SurplusTexas.gov/federal.
- Instructions for completing page 2:
  - **SECTION I:** Provide the full legal name of your organization and Federal Employer ID #. Provide the complete mailing address of your organization as recognized by the U.S. Postal Service. If the street address is different from the mailing address, provide that address or directions if located on a rural or remote area. Provide a phone number (required), fax number (optional) and an email address (required). E-mail addresses provided will receive notices about program updates, account status, compliance actions, and available property.
  - **SECTION II:** Check the box that best describes your organization's type or primary purpose. If you are unable to determine which box to check, please see pages 9-12 for an explanation of the eligibility requirements for each type of organization or contact our office for assistance.
  - **SECTION III:** Check only one box.
  - **SECTION IV:** Indicate source(s) of funding for your organization. Depending on your organization type, you may need to include a description of programs/services and facilities and/or supporting documentation regarding funding source(s). Public agencies (i.e., cities, counties, state agencies, public schools) are not required to submit additional documentation for this section.
  - **SECTION V:** Nonprofit organizations must provide a current, valid IRS Tax Exemption Letter indicating your organization is exempt under Section 501 of Internal Revenue Code. The name of the organization on the IRS letter must match the name provided in Section I of this application. If not, applicant must include sufficient evidence, such as amendments to Articles of Incorporation or Assumed Name filing certificates, to establish the connection. Public/government agencies, small businesses, Veterans Service Organizations, and VFDs are not required to submit documentation for this section.
  - **SECTION VI:** Most nonprofit organizations are required to submit evidence of current approval, accreditation or license from a nationally recognized accrediting or licensing organization. SBA 8(a) and Veteran owned small businesses must submit proof of approval from the SBA. Public/government agencies and VFDs are not required to submit additional documentation for this section.

SUBMIT PAGES 2-7 OF APPLICATION TO:

Applications may be emailed, faxed or mailed.

NONDISCRIMINATION ASSURANCE

Jefferson county, the donee, agrees that the program for or in connection with
(Legal name of applicant organization)
which any property is donated to the donee will be conducted in compliance with, and the donee will comply with and will require any other person (any legal entity) who through contractual or other arrangements with the donee is authorized to provide services or benefits under said program to comply with all requirements imposed by or pursuant to the regulations of the General Services Administration (41 CFR 101-6.2 and 101-8) issued under the provisions of Title VI of the Civil Rights Act of 1964, as amended, Section 606 of Title VI of the Federal Property and Administrative Services Act of 1949, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, Title IX of the Education Amendments of 1972, as amended, Section 303 of the Age Discrimination Act of 1975, and the Civil Right Restoration Act of 1987, to the end that no person in the United States shall on the ground of race, color, national origin, sex, or age, or that no otherwise qualified handicapped person shall solely by reason of the handicap, be excluded from participation in, be denied benefits of, or be subjected to discrimination under any program or activity for which the donee received Federal assistance from the General Services Administration; and hereby gives assurance that it will immediately take any measures necessary to effectuate this agreement. The donee further agrees (1) that this agreement shall be subject in all respects to the provisions of said Federal statutes and regulations (2) that this agreement obligates the donee for the period during which it retains ownership or possession of the property, (3) that the United States shall have the right to seek judicial enforcement of this agreement, and (4) that this agreement shall be binding upon any successor in interest of the donee and the word "donee" as used herein includes any such successor in interest.

COUNTY/COUNTIES SERVED BY APPLICANT ORGANIZATION: Jefferson County

PAYMENT INFORMATION

Payment is due 30 days from the invoice date. Payment for property must be in the form of a check or credit card from the account of your organization (or parent/charter organization). A "Refund Policy Agreement for Credit Cards" must be signed by the Authorizing Official and submitted prior to the initial transaction. Credit card payments must be made in person at an FSP warehouse for the full amount of the invoice and, the credit card being used must match the name of the donee organization. **State agencies** must pay via Interagency Transaction Voucher (ITV). Our agency code is 303. If you have questions about how to submit a payment, please contact us at 512-962-4167 or federal.surplus@tfc.texas.gov.

NEW ACCOUNTS for **nonprofit organizations, small businesses, and volunteer fire / EMS / search & rescue departments**, please submit the following with your application:

- A voided check or deposit slip, copy of recent bank statement or letter from bank certifying payment account name. The name on the account must match the name on your application and IRS letter (if applicable). If your organization has a "DBA" that you will be submitting payment under and that is *not* listed on your IRS letter, then you must submit evidence that your "DBA" has been registered with the proper authority.
- If a parent/charter organization will be submitting payment on your behalf, then you must also provide an explanation of the relationship between your organization and parent organization.

ACCOUNT RENEWALS for **nonprofit organizations, small businesses, and volunteer fire / EMS / search & rescue departments,** please check one of the following:

☑ Our organization will continue using the same payment account in our organization's name.
☐ Our organization will have a parent organization pay on our behalf.

Name of Parent Organization: _____

Relationship: _____

ALL applicant organizations must provide a payment point of contact who will receive notices regarding overdue payments:

Name: Fran Lee Title: Auditor

Email: fran.lee@jeffersoncountytx.gov Phone: 409-835-8500

DONEE CERTIFICATIONS & AGREEMENTS

NOTE: "State agency" = Texas Facilities Commission; "Donee" = your organization

(a) THE DONEE CERTIFIES THAT:

(1) It is a public agency, a nonprofit institution or organization exempt from taxation under section 501 of the Internal Revenue code of 1954, a Veteran-Owned Small Business or an SBA 8(a) business; within the meaning of section 203(j) of the Federal Property and Administrative Services Act of 1949, as amended, and/or the regulations of the General Services Administration (GSA), the Department of Veterans Affairs (VA) or Small Business Administration (SBA).

(2) If a public agency, the property is needed and will be used by the recipient for carrying out or promoting for the residents of a given political area one or more public purposes, or if a nonprofit tax-exempt institution or organization, the property is needed for and will be used by the recipient for educational or public health purposes, including research for any such purpose, or for programs for older individuals, or SEA organizations, or assistance to homeless/impoverished, or assistance to Veterans.

(3) If an SBA 8(a) business or Veteran-Owned Small Business, the business is located and operated within the State, and that it will use the acquired surplus personal property in the normal conduct of its business activities. Personal or non-business use is prohibited.

(4) The property is not being acquired for any other use or purpose, or for sale or other distribution; or for permanent use outside the State, except with prior approval of the State agency and GSA.

(5) Funds are available to pay all costs and charges incident to donation.

(6) This transaction shall be subject to the nondiscrimination regulations governing the donation of surplus personal property issued under Title VI of the Civil Rights Act of 1964, Title VI Section 606 of the Federal Property and Administrative Services Act of 1949, as amended, and Section 504 of the Rehabilitation Act of 1973, as amended, Title IX of the Education Amendments of 1972, as amended, and Section 303 of the Age Discrimination Act of 1975 and the Civil Right Restoration Act of 1987.

(7) In accordance with 28 C.F.R. Section 42.401-42.415, the Federal Surplus Property Program collects information related to a donees race and national origin in order to provide GSA officials, upon request, with enough information for determining compliance with applicable civil rights laws. Data is collected for those donees who; (1) are eligible to participate in the FSP Program; (2) those actually participating in the recipient's programs and activities; (3) those denied participation in the recipient's program.

(8) If an SBA 8(a) business, the terms identified in (b), (c), and (d) may not apply. SBA 8(a) businesses must follow SBA guidelines.

(b) THE DONEE AGREES TO THE FOLLOWING FEDERAL CONDITIONS:

(1) All items of property shall be placed in use for the purpose(s) for which acquired within one year of receipt. Property shall be continued in use for such purposes for at least one year from the date the property was placed in use. Some property must be used longer than one year (see Section (c)). In the event the property is not so placed in use, or continued in use, the donee shall immediately notify the State agency, and at the donee's expense, return such property to the State agency, or otherwise make the property available for transfer or other disposal by the State agency, provided the property is still usable as determined by the State agency.

(2) Such special handling or use limitations as are imposed by General Services Administration (GSA) on any item(s) or property.

(3) In the event the property is not used or handled as required by (b)(1) and (2), title and right to the possession of such property shall at the option of GSA revert to the United States of America and upon demand the donee shall release such property to such person as GSA or its designee shall direct.

(c) THE DONEE AGREES TO THE FOLLOWING FEDERAL CONDITIONS, APPLICABLE TO ITEMS WITH A UNIT ORIGINAL ACQUISITION COST OF $5,000 OR MORE AND PASSENGER MOTOR VEHICLES, REGARDLESS OF ACQUISTION COST. THE FOLLOWING CONDITIONS DO NOT APPLY TO VESSELS 50 FEET OR MORE IN LENGTH AND AIRCRAFT, FOREIGN GIFTS OR OTHER ITEMS OF PROPERTY REQUIRING SPECIAL HANDLING OR USE LIMITATIONS, REGARDLESS OF THE ACQUISTION COST OR PURPOSE FOR WHICH ACQUIRED:

(1) The property shall be used only for the purpose(s) for which acquired and for no other purpose(s).

(2) There shall be a period of restriction which will expire after such property has been used for the purpose(s) for which acquired for a period of 18 months from the date the property is placed in use. *Not applicable to Service Educational Activities (SEAs).*

(3) In the event the property is not used or handled as required by (b)(1) and (2) and (c)(1) and (2), title and right to the possession of such property shall at the option of GSA revert to the United States of America and upon demand the donee shall release such property to such person as GSA or its designee shall direct.

(d) THE DONEE AGREES TO THE FOLLOWING TERMS, RESERVATIONS, AND RESTRICTIONS:

(1) From the date it receives the property and through period(s) of time the conditions imposed by (b), (c) and (f) remain in effect, the donee shall not sell, trade, lease, lend, bail, cannibalize, encumber, or otherwise dispose of such property, or remove it permanently, for use outside the State, without the prior approval of GSA under (b) and (f), or the State agency under (c) and (f). The proceeds from any sale, trade, lease, loan, bailment, encumbrance or other disposal of the property shall be remitted promptly by the donee to GSA or the State agency, as the case may be. SBA 8(a) businesses and Veteran-Owned Small Businesses must also obtain prior approval from SBA in addition to the State agency and GSA.

(2) In the event any of the property is sold, traded leased, loaned, bailed, cannibalized, encumbered, or otherwise disposed of by the donee from the date it receives the property through the period(s) of time the conditions imposed by (b), (c) and (f) remain in effect, without prior approval of GSA or the State agency, the donee, at the option of GSA or the State agency, shall pay to GSA or the State agency, as the case may be, the proceeds of the disposal or the fair market value or the fair rental value of the property at the time of such disposal, as determined by GSA or the State agency.

(3) If at any time, from the date it receives the property through the period(s) of time the conditions imposed by (b), (c) and (f) remain in effect, any of the property is no longer suitable, usable, or further needed by the donee for the purpose(s) for which acquired, the donee shall promptly notify the State agency, and shall, as directed by the State agency, return the property to the State agency, release the property to another donee or another State agency, a department or agency of the United States, sell or otherwise dispose of the property. The proceeds from any sale shall be remitted promptly by the donee to the State agency.

(4) The donee shall make reports to the State agency on the use, condition, and location of the property and on other pertinent matters as may be required time to time by the State agency.

(5) At the option of the State agency, the donee may abrogate the State conditions set forth in (c) and the State terms, reservations, and restrictions pertinent thereto in (d) by payment of any amount as determined by the State agency.

(e) THE DONEE AGREES TO THE FOLLOWING CONDITIONS, APPLICABLE TO ALL ITEMS OF PROPERTY:

(1) The property acquired by the donee is on an "as is, where is" basis, without warranty of any kind, and the Government of the United States of America, the State of Texas, its agencies or assigns, and employees thereof will be held harmless from any or all debts, liabilities, judgments, costs, demands, suits, actions, or claims of any nature arising from or incident to the donation of the property, its use, or final disposition.

(2) Where a donee carries insurance against damages to or loss of property due to fire or other hazards and where loss of or damage to donated property with unexpired terms, conditions, reservations or restrictions occurs, GSA or the State agency, as the case may be, will be entitled to reimbursement from the donee out of the insurance proceeds, of any amount equal to the unamortized portion of the fair market value of the damaged or destroyed donated items.

(f) THE DONEE AGREES TO THE FOLLOWING ADDITIONAL TERMS AND CONDITIONS APPLICABLE TO THE DONATION OF AIRCRAFT AND VESSELS (50 FEET OR MORE IN LENGTH) HAVING AN ACQUISITION COST OF $5,000 OR MORE, AND FOREIGN GIFTS OR OTHER ITEMS OF PROPERTY REQUIRING SPECIAL HANDLING OR USE LIMITATIONS, REGARDLESS OF THE ACQUISITION COST OR THE PURPOSE FOR WHICH ACQUIRED:

(1) The donation shall be subject to the additional special terms, conditions, reservations, and restrictions set forth in the Conditional Transfer Document or other agreements executed by the authorized donee representative.

(g) THE DONEE CERTIFIES by signing and submitting this lower tier proposal, the prospective lower tier participant, as defined in 41 CFR 105-68, certifies to the best of its knowledge and belief that it and its principals: (a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. (b) Where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal.

(h) THE DONEE UNDERSTANDS that by execution of this document, it is considered a sub recipient of federal financial assistance pursuant to the Single Audit Act of 1984 and further agrees to provide the State agency with results of the audit required by 2 CFR 200.

(i) THE DONEE UNDERSTANDS that e-mail addresses provided may receive notices about program updates and available property. **Additionally, information on property donated to your organization, including pictures and service charge(s) paid, may be used by Federal Surplus Property Program for marketing and outreach purposes.**

PROPERTY COMPLIANCE PERIOD

Participating organizations (referred to as "donees") are required to use the property obtained through the program for a specific amount of time before the property can be sold, transferred or otherwise disposed of. The compliance period is often determined by the "original acquisition cost" of the item. The "original acquisition cost" is defined as the amount the federal government paid when it was initially purchased.

- Property must be used for the program(s) approved for participation in the Federal Surplus Property program.
- All property must be placed into use within one year of the invoice date.
- Property is considered "in use" as soon as it is ready and able to serve its intended purpose.
- The compliance period varies according to item and donee type but is **at least** 12 months from date put into use.
    - For property valued at less than $5,000 in original acquisition cost, the compliance period is 12 months from the date put into use.
    - For property valued at $5,000 or more in original acquisition cost and all passenger motor vehicles, the compliance period is 18 months from the date put into use. *Not applicable to Service Educational Activities.*
- TFC staff performs scheduled and unscheduled onsite property compliance visits to ensure the property is being used as represented. The donee agrees to make the property available for visual inspection by TFC staff in a timely manner.
- If the property is not paid for in full or is not being used or handled as required, the donee will be required, at its expense, to return the property to TFC or offer for transfer to another donee, as instructed by TFC.
- Property must be used and stored at the street address listed on page 2 of this application, or at other appropriate donee-managed satellite locations in Texas (for example, county precinct barns, district fire stations, school campuses, maintenance/transportation warehouse). Property may not be removed indefinitely from an approved location, or from the State of Texas, without prior, written approval from TFC.
- Property may not be stored at a personal residence, unrelated business or storage facility, or any other location that is not managed by the donee organization. Property is not for personal use; it must be readily accessible to all donee staff.
- Donees are required to complete reports regarding property use as a condition of participating in the program.
- **During the compliance period, the donee may not sell, trade, lease, lend, bail, cannibalize, encumber, or otherwise dispose of such property, or remove it permanently, for use outside the State, without the prior, written approval of TFC and/or GSA. SBA approval may also be required for small businesses.**
- **If property is sold, transferred, or otherwise disposed of during the compliance period, the donee may be subject to penalties and fines, as well as possible state or federal prosecution.**

IMPORTANT NOTE FOR SBA 8(a) APPLICANTS: If applying as an SBA 8(a) business, I understand that the property compliance terms identified above do not apply to my business and that as an SBA 8(a) business I must follow SBA property compliance guidelines. Additionally, I understand that I may not have access to certain items – including aircraft or property with an original acquisition cost of $5,000 or more – if my business is due to graduate from the SBA 8(a) program with insufficient time to cover the entire federally required compliance period for that item.

IMPORTANT NOTE FOR VETERAN OWNED SMALL BUSINESS APPLICANTS: If applying as a veteran-owned small business, I certify that the small business is unconditionally owned and controlled by one or more eligible veterans, service-disabled veterans, or surviving spouses; and the business has registered, and is in "certified" status in the SBA's Dynamic Small Business Search under the procedures found in 13 CFR § 128.

IMPORTANT NOTE REGARDING SIGNATURES: Unauthenticated digital signatures, signature stamps or signature images will not be accepted. A physical signature is preferred. If a physical signature cannot be obtained, we can also accept digital signatures authenticated by a third party such as Docu-Sign or Adobe Acrobat.

I certify that the information provided on this application is accurate and up to date to the best of my knowledge. I understand and agree to the terms and conditions listed on pages 2-6 of the "Application for Eligibility" including terms regarding nondiscrimination, property compliance & reporting, and the Certifications & Agreements. I also certify that I have executive authority to execute legal documents on behalf of the applicant organization.

DONEE FEEDBACK SURVEY

Completing this section is optional but highly encouraged

How did you hear about us?

☐ Co-worker ☐ VA ☐ SBA ☐ Email broadcast ☐ From another similar organization

☐ At an event (please specify): _____

☐ Other (please explain): _____

Where would you prefer to shop? ☐ San Antonio Warehouse ☐ Fort Worth Warehouse ☐ Both

How do you prefer to shop? (*check as many as you like*)

- ☑ Looking at the "New Arrivals & Specials" email broadcasts
- ☑ Browsing our online inventory
- ☑ In-person at the warehouse

What attracted you to using the FSP program (when compared to buying brand new)? (*check as many as you like*)

- ☑ Low fees
- ☑ Variety/type of items available
- ☑ Ability to submit requests
- ☑ Convenience/quicker process compared to your organization's traditional purchasing process
- ☑ Level of customer service/past positive experience with Federal Surplus Property Program
- ☐ Only option due to limited budget
- ☐ Other (please explain) _____

FEDERAL SURPLUS

REFUND POLICY AGREEMENT FOR CREDIT CARDS

Submitting this page with your organization's application is optional and can be submitted at any time prior to making credit card payments.

The Federal Surplus Property Program has recently received approval to accept credit card payments from our donee organizations. We are excited to offer our donees an additional option for making payments for invoices and hope that this added ability will benefit your organization.

NOTE: The physical credit card being used must match the name of the donee organization.

Donee Account Name

This agreement must be signed by the donee's Authorizing Official prior to making any credit card payments. Once completed, this form will be uploaded to the donee's account and added to their eligibility file.

I understand that credit card payments will only be accepted in person at one of the federal surplus warehouses and no credit card refunds will be given for returns of property paid for by credit card. Credit towards other invoices will be available. **There are no exceptions to this policy.** If you do not wish to sign this agreement, you may continue to make payments with a check in your organization's name.

DETAILED REQUIREMENTS FOR SPECIFIC TYPES OF ORGANIZATIONS

Please review to determine which eligibility category best describes your organization, and if you are required to submit additional documentation. Questions? Please contact us at (512) 962-4167 or federal.surplus@tfc.texas.gov.

Government or Public Agency

1. Public agency includes (a) State or department, agency, or instrumentality thereof; (b) Political subdivision of the state, including any unit of local government or economic development district or any department, agency or instrumentality thereof; or (c) Instrumentality created by contract or other agreement between states or political subdivisions. Public agency purposes include, but are not limited to, programs such as conservation, economic development, education, parks and recreation, public health and public safety, and to provide services to homeless or impoverished persons.
2. Cities, counties, state agencies and public schools are NOT required to submit any additional documentation.
3. Other public agencies must submit proof of public agency status (i.e., charter or statute creating agency or evidence of tax-supported status) and/or a narrative describing the services provided by agency. See other categories listed below for details.

Emergency Services District

1. Required additional documentation that must be submitted with application:
    a. Narrative that contains information on the department, including:
        i. number of firefighters and/or emergency services personnel;
        ii. geographical area(s) covered; and
        iii. training schedule.
    b. Proof of Public Agency Status (i.e., election results, charter, enabling legislation, reference in state or local law,organizing document, or other evidence of approval by proper government authority or tax-supported status).
    (Required for initial application; may not be required for account renewal if still on file.)

Volunteer Fire Department, Search & Rescue, or Emergency Medical Services

1. To be eligible under this category, must be funded annually in whole or part by state, county, city or emergency services district. "Funding" may be in the form of monetary support or the provision of other support (e.g., facilities, vehicles/equipment). Must submit funding information annually.
2. Required additional documentation that must be submitted with application:
    a. Narrative that contains information on the department, including:
        i. number of firefighters and/or emergency services personnel;
        ii. geographical area(s) covered; and
        iii. training schedule.
    b. Evidence that department is endorsed by AND receives funding from a government entity, such as the state, county, city or emergency services district. Examples: letter of endorsement from the head of the government entity (e.g., county judge, city mayor/administrator, or ESD president) or a copy of a current, signed contract.
    c. Signed articles of incorporation, bylaws, charter or other organizing document *(optional)*.

Conservation *(includes both public agencies and nonprofits)*

1. Includes soil, water, irrigation, and utility districts, and nonprofit water supply corporations. Must be a public agency (i.e., city-owned) or nonprofit organization. For-profit organizations do not qualify under this category.
2. Required additional documentation that must be submitted with application: (Required for initial application. May not be required for account renewal if still on file.)
    a. Certificate of approval or charter from proper authority demonstrating services are provided to the public (i.e., Certificate of Convenience and Necessity from Texas Commission on Environmental Quality or Public Utility Commission, or creation documentation/charter/enabling legislation).
    b. *(Nonprofits only)* IRS letter certifying tax-exempt status. Signed articles of incorporations, bylaws, or other organizing document *(optional)*.

Health Organization (Public Agency)

1. Required additional documentation that must be submitted with application:
    a. Proof of Public Agency Status (e.g., election results, charter, enabling legislation, reference in state or local law,organizing document, or other evidence of approval by proper government authority or tax-supported status. *(Required for initial application; may not be required for account renewal if still on file.)*
    b. Narrative about agency, including:
        i. description of services provided;
        ii. number and type of patients served;
        iii. location and description of facilities, including number of beds (if applicable);
        iv. number and status of total staff (# paid/volunteer, # full-time/part-time); and
        v. list of key staff and their qualifications.

SBA 8(a) Business

1. Businesses that are currently part of the U.S. Small Business Administration's 8(a) Business Development Program may participate in the FSP program. Businesses are only eligible to receive property during their nine (9) year membership in the 8(a) program. **IMPORTANT NOTE**: Some terms and conditions on pages 5-6 do not apply to SBA 8(a) businesses. As an SBA 8(a) business, you must follow SBA property compliance guidelines. Please contact your SBA District Office for its complete terms and conditions.
2. Required additional documentation that must be submitted with initial application *(not required for account renewal)*:
    a. Letter from U.S. Small Business Administration certifying membership in 8(a) Business Development Program.

DETAILED REQUIREMENTS FOR SPECIFIC TYPES OF ORGANIZATIONS

Please review to determine which eligibility category best describes your organization, and if you are required to submit additional documentation. Questions? Please contact us at (512) 962-4167 or federal.surplus@tfc.texas.gov.

Service Educational Activity

1. The following Service Educational Activities are eligible: American National Red Cross, Armed Services YMCA of the USA, Big Brothers/Big Sisters of America, Boys & Girls Clubs of America, Boy Scouts of America, Camp Fire, Inc., Center for Excellence in Education, Girl Scouts of the USA, Little League Baseball, Inc., Marine Cadets of America, National Association for Equal Opportunity in Higher Education, National Civilian Community Corps, National Ski Patrol System, Inc., Naval Sea Cadet Corps, United Service Organizations, Inc., U.S. Olympic Committee, Young Marines of the Marine Corps, and League/Marine Corps League.
2. Required additional documentation that must be submitted with application:
   a. Proof of association with the national organization (e.g., Charter from Boy Scouts of America).

Education Organization (Nonprofit) **Public schools & colleges should see the Government or Public Agency category on page 8.*

1. This category includes charter schools, private schools, research organizations, child care centers and vocational rehabilitation programs/ sheltered workshops receiving grants from Texas Workforce Commission to train persons with physical or mental disabilities.
2. Must be accredited or approved by nationally recognized accrediting agency (i.e., Texas Education Agency, Texas Private School Accreditation Commission, Southern Association of Colleges & Schools' Commission on Colleges, Texas Department of Family and Protective Services or Texas Workforce Commission) or the current recipient of research grants by a recognized authority (e.g., National Institute of Education) or a similar national advisory organization.
3. Required additional documentation that must be submitted with application:
   a. Certificate of accreditation or letter of approval from a nationally recognized accrediting agency OR research grant from National Institute of Education or similar national advisory organization.
   b. Letter from IRS certifying status as a 501 nonprofit. If letter does not list current name and address, please include brief explanation. (Required for initial application. May not be required for account renewals if still on file and name/address has not changed.)
   c. Narrative about organization, including:
      i. course/degrees offered;
      ii. current enrollment;
      iii. description of facility and location;
      iv. number and status of total staff (# paid/volunteer, # full-time/part-time);
      v. list of key staff and their qualifications; and
      vi. criteria for admission including any religious requirements, (must be accepting of all faiths to be eligible).
   d. Financial information (e.g., latest annual financial statement, tax return, year-end bank statement, or budget).
   e. Signed articles of incorporation, bylaws, charter or other organizing document *(optional)*.
   f. List of additional research grants awarded *(optional)*.

Provider of Assistance to Impoverished Persons (Nonprofit)

1. Services to impoverished persons (as defined in section 673 of the Community Services Block Grant Act) (42 U.S.C. 9902) must be primary function. If applicant operates a broad spectrum of programs through which assistance to impoverished is peripheral and incidental, the applicant is not eligible. If located in or around a religious facility, food banks must have a direct entrance not requiring entrance through a place of worship to be eligible.
2. Required additional documentation that must be submitted with application:
   a. Letter from IRS certifying status as a 501 nonprofit. If letter does not list current name and address, include brief explanation. *(Required for initial application; may not be required for account renewal if still on file and name/address has not changed.)*
   b. Public Recognition as an Impoverished Assistance Provider. Please provide letter from a chief public official (Mayor, City Manager, County Judge, County Commissioner, State Representative, or the head of a public agency) indicating services provided. The letter must be on letterhead, signed and dated, and the name must match the IRS document. It also must indicate that assistance to impoverished persons is the organization's primary focus.
   c. Narrative about organization, including:
      i. complete description of services (assistance to impoverished must be primary mission);
      ii. number of individuals receiving assistance and frequency of assistance (daily, weekly or monthly);
      iii. requirements for clients to be eligible to receive services, including any required fees;
      iv. description of facilities;
      v. hours/days of operation;
      vi. description of funding source(s) with supporting documentation, (e.g., latest annual financial statement, tax return, year-end bank statement, or budget);
      vii. number and status of total staff (# paid/volunteer, # full-time/part-time); and
      viii. list of key staff and their qualifications.
   d. Description of how the organization determines eligibility to receive assistance and if that person is impoverished. Organization's primary function must be to provide money, goods, or services to families or individuals whose annual incomes are below the poverty line as defined in section 673 of the Community Services Block Grant Act (42 U.S.C. 9902). If recipients are required to complete an application before receiving services, please attach a sample application.
   e. Proof of current accreditation, approval or licensing if appropriate (e.g., child care or medical/health center).
   f. Signed articles of incorporation, bylaws, charter or other organizing document.
   g. Brochures (or other printed materials) or link to website *(optional)*.

DETAILED REQUIREMENTS FOR SPECIFIC TYPES OF ORGANIZATIONS

Please review to determine which eligibility category best describes your organization, and if you are required to submit additional documentation. Questions? Please contact us at (512) 962-4167 or federal.surplus@tfc.texas.gov.

Provider of Assistance to Homeless Persons (Nonprofit)

1. Examples of eligible programs include:
   a. Overnight, daytime and around-the-clock shelters, including shelters for battered spouses, abused children, and orphans; *(Child care/day care centers should see "Education Organization (Nonprofit)" category.)*
   b. Foster care and adoption agencies;
   c. Transitional housing for temporary residence of parolees, or persons with mental health or addiction issues; and
   d. Food banks that provide food directly to facilities where homeless people are fed. If located in or around religious facility, food banks must have direct entrance not requiring entrance through place of worship.
2. Services to homeless persons must be the primary mission. Applicants who operate a broad spectrum of programs through which assistance to homeless persons is peripheral and incidental are not eligible.
3. Required additional documentation that must be submitted with application:
   a. Letter from IRS certifying status as a 501 nonprofit. If letter does not list current name and address, please include brief explanation. *(Required for initial application. May not be required for account renewal if still on file and name/address has not changed.)*
   b. Public Recognition as a Homeless Assistance Provider. Please provide letter from a chief public official (Mayor, City Manager, County Judge, County Commissioner, State Representative, or the head of a public agency) indicating services provided. The letter must be on letterhead, be signed and dated, and the name must match the IRS document. It also must indicate that assistance to homeless persons is the organization's primary focus.
   c. Narrative about organization, including:
      i. complete description of services provided (assistance to homeless must be primary mission);
      ii. number of individuals receiving assistance and frequency of assistance (daily, weekly or monthly);
      iii. requirements for clients to be eligible to receive services, including any required fees;
      iv. description of facilities;
      v. hours/days of operation;
      vi. description of funding source(s) with supporting documentation (e.g., latest annual financial statement, tax return, year-end bank statement, or budget);
      vii. number and status of total staff (# paid/volunteer, # full-time/part-time); and
      viii. list of key staff and their qualifications.
   d. Proof of current accreditation, approval or licensing if appropriate (e.g., child care or medical/health center);
   e. Signed articles of incorporation, bylaws, charter or another organizing document;
   f. Brochures (or other printed materials) or link to website *(optional)*.

Provider of Assistance to Older Individuals (Nonprofit)

1. Includes adult day care, multi-purpose senior centers, and social, transportation, nutrition or legal services.
2. Required additional documentation that must be submitted with application:
   a. Letter from IRS certifying status as a 501 nonprofit. If letter does not list current name and address, please include brief explanation. *(Required for initial application. May not be required for account renewal if still on file and name/address has not changed.)*
   b. Certification establishing that applicant is receiving state, federal or local government funds for operation of program under the Older Americans Act of 1965, Title IV or Title XX of the Social Security Act, Titles VIII and X of the Economic Opportunity Act of 1964, or Community Services Block Grant Act.
   c. Narrative about organization, including:
      i. description of services provided;
      ii. description of facilities;
      iii. number of individuals receiving assistance and frequency of assistance (daily, weekly or monthly);
      iv. number and status of total staff (# paid/volunteer, # full-time/part-time); and
      v. list of key staff and their qualifications.
   d. Proof of current accreditation, approval or licensing if appropriate (e.g., medical center).
   e. Signed articles of incorporation, bylaws, charter or other organizing document *(optional)*.

Health Organization (Nonprofit)

1. Includes, but not limited to, hospitals, clinics, residential treatment centers, rehabilitation facilities, and blood/tissue banks.
2. Required additional documentation that must be submitted with application:
   b. Letter from IRS certifying status as a 501 nonprofit. If letter does not list current name and address, please include brief explanation. *(Required for initial application. May not be required for account renewal if still on file and name/address has not changed.)*
   c. Narrative about organization, including:
      i. description of services provided;
      ii. number and type of patients served;
      iii. location and description of facilities, including number of beds (if applicable);
      iv. number and status of total staff (# paid/volunteer, # full-time/part-time); and
      v. list of key staff and their qualifications.
   d. Certificate of accreditation, license, or letter of approval from a nationally recognized accrediting or licensing agency (i.e., Health & Human Services Commission, Dept. of State Health Services) OR research grant from National Institutes of Health or similar national advisory organization.
   e. Financial information, (e.g., latest annual financial statement, tax return, year-end bank statement, or budget).
   f. Signed articles of incorporation, bylaws, charter or other organizing document *(optional)*.

DETAILED REQUIREMENTS FOR SPECIFIC TYPES OF ORGANIZATIONS

Please review to determine which eligibility category best describes your organization, and if you are required to submit additional documentation. Questions? Please contact us at (512) 962-4167 or federal.surplus@tfc.texas.gov.

Museum, Library, Nature Center, Planetarium, Aquarium or Zoo

1. Must be open to the public, and, at minimum, accede to any request submitted for access during "business hours" (interpreted to be approximately 9:00 am to 4:00 pm, although reasonable variation from these hours may be considered due to individual circumstances, such as a museum located in a commercial location with strict business hours, or restrictions based on zoning or other state or local ordinances). Exhibits must be primary focus and must not be incidental to the primary function of the institution. Also, must have a minimum of one full-time staff member or the equivalent (i.e., one staff member who works 40 hours per week or two staff members who work 20 hours each per week).
2. Required additional documentation that must be submitted with application:
   a. Letter from IRS certifying status as a 501 nonprofit. If letter does not list current name and address, please include brief explanation. *(Required for initial application. May not be required for account renewals if still on file and name/address has not changed.)*
   b. Narrative about organization, including:
      i. description of type(s) of exhibits & location(s);
      ii. staff roster, including name of curator (or equivalent) whose primary job is to care for the museum and its exhibits, and average number of hours each staff member works per week (may be volunteer or paid);
      iii. days and hours open to the public;
      iv. admission fee (if any);
      v. description of the local community and population served by the museum; and
      vi. square footage of the museum.
   c. Pictures of exhibits, exhibit signage, facilities, and posted hours of operation.
   d. Signed articles of incorporations, bylaws, charter or other organizing document.
   e. Financial information (e.g., latest annual financial statement, tax return, year-end bank statement, or budget).
   f. Museum Access Agreement. Available for download from "Forms" section of our website: www.SurplusTexas.gov/federal.
   g. Brochures, pamphlets, website, or other promotional materials *(optional)*.
   h. Organizational Memberships *(optional)*.

Veterans' Service Organization

1. The Department of Veterans Affairs maintains a searchable database of recognized Veterans Service Organizations. Examples of organizations and its local chapters/districts that may be eligible: African American PTSD Association, American Ex-Prisoners of War, Inc., American GI Forum National Veterans Outreach Program, American Legion, AMVETS, Armed Forces Services Corporation, Army and Navy Union, U.S.A., Inc., Associates of Vietnam Veterans of America, Blinded Veterans Association, Catholic War Veterans of the U.S.A., Inc., Disabled American Veterans, Fleet Reserve Association, Gold Star Wives of America, Inc., Italian American War Veterans of the United States, Inc., Jewish War Veterans of the U.S.A., Legion of Valor of the United States of America, Inc., Marine Corps League, Military Order of the Purple Heart, National Amputation Foundation, Inc., National Association for Black Veterans, Inc., National Association of County Veterans Service Officers, Navy Mutual Aid Association, Non Commissioned Officers Association of the U.S.A, Paralyzed Veterans of America, Polish Legion of American Veterans, U.S.A, The Retired Enlisted Association, United Spanish War Veterans, United Spinal Association, Inc., Veterans of Foreign Wars of the United States, Veterans of the Vietnam War, Inc. & the Veterans Coalition, Vietnam Era Veterans Association, and Vietnam Veterans of America.
2. Required additional documentation that must be submitted with application:
   a. Narrative about organization, including:
      i. description of services provided;
      ii. percentage of membership comprised of veterans; and
      iii. facility information & location.
   b. Proof of affiliation with an eligible veterans organization recognized by the Secretary of Veterans Affairs under section 5902 of title 38 of the FORVETS Act of 2013. See Dept. of Veterans Affairs' website for complete list: http://www.va.gov/ogc/apps/accreditation/index.asp. *(Required for initial application. May not be required for account renewals if still on file and name/address has not changed.)*

Veteran Owned Small Business

1. Business must be registered and in "certified" status in the U.S. Small Business Administration's (SBA) Dynamic Small Business Search found at https://dsbs.sba.gov.
2. Business must be approved for operations in Texas.
3. Required additional documentation that must be submitted with application:
   a. Narrative about the business, including:
      i. description of services provided and/or products sold;
      ii. description of customers served (e.g., direct to consumer, business to business, government);
      iii. address of location(s). If multiple locations, description of each location, including which location is primary;
      iv. number of employees;
      v. list of key staff and their roles; and
      vi. website/social media *(optional)*.

Proclamation

STATE OF TEXAS	§	COMMISSIONERS COURT
	§	
COUNTY OF JEFFERSON	§	OF JEFFERSON COUNTY, TEXAS

BE IT REMEMBERED at a meeting of Commissioners' Court of Jefferson County, Texas, held on the 31st day of March, 2026, on a motion made and seconded, the following Proclamation was adopted:

Sexual Assault Awareness Month

"Together We Act, United We Change"

WHEREAS, National Sexual Assault Awareness Month calls attention to the fact that sexual violence is widespread and impacts every person in this community: and,

WHEREAS, the goal of National Sexual Assault Awareness Month is to raise public awareness about sexual violence, educate communities on how to prevent it, and make the perpetrators accountable; and,

WHEREAS, over 53% of women and 29% of men reported experiencing contact sexual violence. Adolescents who experience sexual violence are likely to become victims again as adults; and

WHEREAS, the theme this year for National Sexual Assault Awareness Month is, **"Together We Act, United We Change",** highlights the importance of working together to address and prevent sexual abuse, assault and harassment. This campaign focuses on enhancing the public understanding of sexual violence, amplifying the voices of underserved communities, and empowering collective action to promote health equity; and,

WHEREAS, by aligning these efforts with broader social change and long-term strategies for community engagement, we can sustain the movement toward a future free from violence and create an environment where everyone feels safe, respected and supported; and

WHEREAS, we can partner with the Rape and Suicide Crisis Center of Southeast Texas and its partnering agencies to exercise courageous leadership by educating ourselves and others on the issue and impacts of sexual violence, speaking out against harmful attitudes and actions, and supporting efforts to help survivors heal.

NOW, THEREFORE, BE IT RESOLVED, that the Jefferson County Commissioners Court, does proclaim the month of April, 2026 as Sexual Assault Awareness Month and hereby encourages all to stand with survivors of sexual assault and eradicate this crime from our community, expressing our sincere gratitude to all those community members, victim service providers, and criminal justice professionals who are committed to improving our response to all survivors of sexual violence.

Signed this 31st day of March, 2026

JUDGE JEFF R. BRANICK
County Judge

OVERVIEW & CONCURRENCE FORM

OMB Control Number: 1660-0016
Expiration: 1/31/2024

PAPERWORK BURDEN DISCLOSURE NOTICE

Public reporting burden for this form is estimated to average 1 hours per response. The burden estimate includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the needed data, and completing, reviewing, and submitting the form. You are not required to respond to this collection of information unless it displays a valid OMB control number. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing this burden to: Information Collections Management, Department of Homeland Security, Federal Emergency Management Agency, 500 C Street, SW, Washington, DC 20472 , Paperwork Reduction Project (1660-0016). Submission of the form is required to obtain or retain benefits under the National Flood Insurance Program. **Please do not send your completed survey to the above address.**

PRIVACY ACT STATEMENT

AUTHORITY: The National Flood Insurance Act of 1968, Public Law 90-448, as amended by the Flood Disaster Protection Act of 1973, Public Law 93-234.
PRINCIPAL PURPOSE(S): This information is being collected for the purpose of determining an applicant's eligibility to request changes to National Flood Insurance Program (NFIP) Flood Insurance Rate Maps (FIRM).
ROUTINE USE(S): The information on this form may be disclosed as generally permitted under 5 U.S.C § 552a(b) of the Privacy Act of 1974, as amended. This includes using this information as necessary and authorized by the routine uses published in DHS/FEMA/NFIP/LOMA-1 National Flood Insurance Program (NFIP); Letter of Map Amendment (LOMA) February 15, 2006, 71 FR 7990.
DISCLOSURE: The disclosure of information on this form is voluntary; however, failure to provide the information requested may delay or prevent FEMA from processing a determination regarding a requested change to a (NFIP) Flood Insurance Rate Maps (FIRM).

A. REQUESTED RESPONSE FROM DHS-FEMA

This request is for a (check one):

☐ CLOMR: A letter from DHS-FEMA commenting on whether a proposed project, if built as proposed, would justify a map revision, or proposed hydrology changes (See 44 CFR Ch. 1, Parts 60, 65 & 72). All CLOMRs require documentation of compliance with the Endangered Species Act. Refer to the Instructions for details.

☐ LOMR: A letter from DHS-FEMA officially revising the current NFIP map to show the changes to floodplains, regulatory floodway or flood elevations. (See 44 CFR Ch. 1, Parts 60, 65 & 72).

B. OVERVIEW

1. The NFIP map panel(s) affected for all impacted communities is (are):

Community No.	Community Name	State	Map No.	Panel No.	Effective Date

2. a. Flooding Source:

b. Types of Flooding: ☐ Riverine ☐ Coastal ☐ Shallow Flooding (e.g., Zones AO and AH)
☐ Alluvial Fan ☐ Lakes ☐ Other (Attach Description)

3. Project Name/Identifier:

4. FEMA zone designations (choices: A, AH, AO, A1-A30, A99, AE, AR, V, V1-V30, VE, B, C, D, X)

a. Effective:

b. Revised:

5. Basis for Request and Type of Revision:

a. The basis for this revision request is (check all that apply)

☒ Physical Change	☒ Improved Methodology/Data	☐ Regulatory Floodway Revision	☐ Base Map Changes
☒ Coastal Analysis	☒ Hydraulic Analysis	☐ Hydrologic Analysis	☐ Corrections
☐ Weir-Dam Changes	☒ Levee Certification	☐ Alluvial Fan Analysis	☐ Natural Changes
☒ New Topographic Data	☐ Other (Attach Description)		

Note: A photograph and narrative description of the area of concern is not required, but is very helpful during review.

b. The area of revision encompasses the following structures (check all that apply)

Structures:	☐ Channelization	☒ Levee/Floodwall	☐ Bridge/Culvert
	☐ Dam	☒ Fill	☐ Other (Attach Description)

6. ☒ Documentation of ESA compliance is submitted (required to initiate CLOMR review). Please refer to the instructions for more information.

C. REVIEW FEE

Has the review fee for the appropriate request category been included? ☒ Yes Fee amount: $ 7,000

☐ No, Attach Explanation

- **Please see the DHS-FEMA Web site at http://www.fema.gov/forms-documents-and-software/flood-map-related-fees for Fee Amounts and Exemptions.**

D. SIGNATURES

1. REQUESTOR'S SIGNATURE

All documents submitted in support of this request are correct to the best of my knowledge. I understand that any false statement may be punishable by fine or imprisonment under Title 18 of the United States Code, Section 1001.

Name: Jim Thompson	Company: PALNG Common Facilities Company, LLC
Mailing Address: 1500 Post Oak Blvd., Suite 1000 Houston, TX 77056	Daytime Telephone: 832.284.5685 Fax No.: E-mail Address: jdthompson@sempraglobal.com Date:

Signature of Requestor (required):

2. COMMUNITY CONCURRENCE

As the community official responsible for floodplain management, I hereby acknowledge that we have received and reviewed this Letter of Map Revision (LOMR) or conditional LOMR request. Based upon the community's review, we find the completed or proposed project meets or is designed to meet all of the community floodplain management requirements, including the requirements for when fill is placed in the regulatory floodway, and that all necessary Federal, State, and local permits have been, or in the case of a conditional LOMR, will be obtained. For Conditional LOMR requests, the applicant has documented Endangered Species Act (ESA) compliance to FEMA prior to FEMA's review of the Conditional LOMR application. For LOMR requests, I acknowledge that compliance with Sections 9 and 10 of the ESA has been achieved independently of FEMA's process. For actions authorized, funded, or being carried out by Federal or State agencies, documentation from the agency showing its compliance with Section 7(a)(2) of the ESA will be submitted. In addition, we have determined that the land and any existing or proposed structures to be removed from the SFHA are or will be reasonably safe from flooding as defined in 44CFR 65.2(c), and that we have available upon request by FEMA, all analyses and documentation used to make this determination.

Community Official's Name and Title: Jeff Branick, County Judge

Mailing Address: Jefferson County Courthouse 1149 Pearl St. Beaumont, Texas 77701	Community Name: Jefferson County Daytime Telephone: (409)835-8466 Fax No.: (409)839-2311 E-mail Address: Jeff.Branick@jeffersoncountytx.gov

Community Official's Signature (required): Date: 3-31-2026

ATTEST

DATE 3/31/26

3. CERTIFICATION BY REGISTERED PROFESSIONAL ENGINEER AND/OR LAND SURVEYOR

This certification is to be signed and sealed by a licensed land surveyor, registered professional engineer, or architect authorized by law to certify elevation information data, hydrologic and hydraulic analysis, and any other supporting information as per NFIP regulations paragraph 65.2(b) and as described in the MT-2 Forms Instructions. All documents submitted in support of this request are correct to the best of my knowledge. I understand that any false statement may be punishable by fine or imprisonment under Title 18 of the United States Code, Section 1001.

Certifier's Name:		License No.:	Expiration Date:
Company Name:		Mailing Address:	
Telephone No.:	Fax No.:		
E-mail Address:			
Signature:			Date:

Ensure the forms that are appropriate to your revision request are included in your submittal.

Form Name and (Number)	Required if …
☐ Riverine Hydrology and Hydraulics Form (Form 2)	New or revised discharges or water-surface elevations
☐ Riverine Structures Form (Form 3)	Channel is modified, addition/revision of bridge/culverts, addition/revision of levee/floodwall, addition/revision of dam
☐ Coastal Analysis Form (Form 4)	New or revised coastal elevations
☐ Coastal Structures Form (Form 5)	Addition/revision of coastal structure
☐ Alluvial Fan Flooding Form (Form 6)	Flood control measures on alluvial fans

Seal (Optional)

GLOSSARY & ACRONYMS

Advanced CIRCulation (ADCIRC) — a finite-element hydrodynamic model that simulates coastal and estuarine water levels and currents driven by tides, wind, and pressure (often coupled with SWAN for waves).

Annual Exceedance Probability (AEP) — Probability that a given flood magnitude will be equaled or exceeded in any year (e.g., 1% AEP ≈ 100-year).

Base Flood Elevation (BFE) — The computed elevation of the base (1% annual-chance) flood as established by the National Flood Insurance Program (NFIP), representing the regulatory water-surface level that defines the Special Flood Hazard Area (SFHA) on a Flood Insurance Rate Map (FIRM)

Base Level Engineering (BLE) — FEMA regional modeling products providing foundational hydrologic/hydraulic data (parent model for this study).

Coastal Hazard Analysis and Mapping Program (CHAMP) — FEMA's toolset and workflow—providing a GUI and data utilities—to prepare, run, and document coastal analyses (e.g., WHAFIS transects, runup inputs) for use in Flood Insurance Studies and map revisions.

Conditional Letter of Map Revision (CLOMR) — FEMA's conditional determination of map change before final mapping.

Correlation Coefficient (CORR) — Linear correlation coefficient between observed and simulated time series.

Louisiana Coastal Protection and Restoration Authority (CPRA) — the State of Louisiana's lead agency for coastal policy, planning, and project delivery—developing the Coastal Master Plan and producing regional datasets

ΔWSEL — Difference in maximum modeled water-surface elevation between two scenarios (e.g., Proposed – Existing).

Flood Insurance Rate Map (FIRM) — FEMA's official map for a community that shows flood risk information

Flood Insurance Study (FIS) — The technical report/study that accompanies a community's FIRM

Federal Geographic Data Committee (FGDC) — a U.S. interagency committee that sets national geospatial data standards and coordinates federal mapping activities—most notably the metadata standards used to document GIS and modeling datasets.

Future Without Action (FWOA) — A planning scenario (used in CPRA datasets) that projects future coastal/flood conditions assuming no new risk-reduction projects are implemented, accounting for sea-level rise, subsidence, and landscape change.

Hydrologic Engineering Center's Hydrologic Modeling System (HEC-HMS) — a modeling platform by USACE that simulates rainfall-runoff processes—transforming precipitation into watershed flows for use in hydraulic and flood studies.

Hydrologic Engineering Center's River Analysis System (HEC-RAS) — a modeling platform made by USACE for 1-D/2-D hydraulic simulations of water-surface profiles, unsteady flow, sediment, and related river mechanics.

HUC-8/10— A Hydrologic Unit Code designating a sub-basin level watershed in the USGS hierarchy used for regional hydrologic modeling and mapping. HUC 10 is smaller than HUC 8.

Light Detection and Ranging (LiDAR) — Airborne laser scanning used to produce high-resolution topographic elevation data.

The Limit of Moderate Wave Action (LiMWA) —line indicating where 1.5–3 ft waves may occur in coastal flooding**.**

Letter of Map Revision (LOMR) — FEMA's final Letter of Map Revision that officially updates a community's FIRM.

Louisiana Watershed Initiative (LWI) — a statewide program led by the State of Louisiana to reduce flood risk by managing watersheds.

Mean Absolute Error (MAE) — the average of the absolute differences between observed and simulated (or predicted) values

MT-2 — FEMA's submittal process and guidance for CLOMR/LOMR map-revision requests and digital deliverables**.**

National Oceanic and Atmospheric Administration (NOAA) — National provider of tide, surge, and coastal observations.

NGOM2 - FEMA's Northern Gulf of America, Phase 2 LiDAR dataset—a ~1-meter resolution coastal topography collection (TX–FL Panhandle) widely used as base terrain for flood studies and mapping.

Nash–Sutcliffe Efficiency (NSE) — a goodness-of-fit metric where 1.0 indicates perfect agreement.

Peak Wave Period (T_p / Tp) — The dominant wave period corresponding to the peak of the wave energy spectrum.

Quality Assurance/Quality Control (QA/QC) —processes that ensure technical accuracy and document integrity.

RAS Mapper — The HEC-RAS module used for terrain management, mapping, and spatial post-processing of model outputs.

Root Mean Square Error (RMSE) —quantifies the average magnitude of simulation error relative to observations.

Runup — The maximum vertical extent of wave uprush above the stillwater level on a structure or slope.

Stillwater Elevation (SWEL) — The combined tide and surge water level without local wave setup or runup.

Simulating WAves Nearshore (SWAN) — a spectral wave model frequently coupled with ADCIRC.

Technical Advisory Committee for Water Retaining Structures (TAW) — an expert committee that developed empirical methods and guidance for estimating wave runup, overtopping, and hydraulic loading on coastal and flood-protection structures, widely referenced in FEMA and international coastal engineering practice.

Transect — A cross-shore line used in coastal studies (e.g., WHAFIS/CHAMP) to model overland wave propagation and decay.

U.S. Army Corps of Engineers (USACE) — s a federal agency within the Department of the Army that plans, builds, operates, and regulates civil-works water resources projects.

U.S. Geological Survey (USGS) — a federal science agency that monitors and studies natural resources and hazards

VE / AE Zones — FEMA coastal (VE) and riverine/coastal (AE) flood zones that define regulatory flood hazards and BFEs.

Wave Setup — The increase in mean water level at the shoreline due to breaking waves**.**

Wave Height Analysis for Flood Insurance Studies (WHAFIS) — FEMA's computational method (and software) that calculates how ocean waves propagate and decay overland along transects to determine wave heights and wave-crest elevations used in coastal flood mapping.

Water-Surface Elevation (WSEL) — Water-Surface Elevation referenced to the project datum (NAVD 88)**.**

SECTION 1: EXECUTIVE SUMMARY

C.H. Fenstermaker & Associates, L.L.C. prepared this Hydrology and Hydraulics (H&H) Technical Report to support a Conditional Letter of Map Revision (CLOMR) for the Port Arthur LNG (PALNG) project in Jefferson County, Texas. The project includes construction of a perimeter levee system and associated facilities, with some accessory buildings located outside the levee. The levee is designed to provide flood protection for the proposed facility within the protected area.

Hydrologic, hydraulic, and coastal analyses were performed using FEMA-approved methodologies and modeling tools consistent with the requirements of the National Flood Insurance Program (NFIP). The Sabine Lake Base Level Engineering (BLE) model was used as the foundational dataset and refined to represent existing and proposed conditions associated with PALNG development. Coastal boundary conditions, including stillwater elevations and wave effects, were established using FEMA's current coastal analysis framework.

The analysis was conducted to evaluate potential off-site impacts to base flood elevations and to assess compliance with applicable floodplain management criteria for Zone AE and Zone V areas without a designated regulatory floodway. Results demonstrate that the proposed PALNG facility development, including the perimeter levee, do not result in adverse impacts to surrounding floodplain conditions and satisfy the technical and regulatory requirements for FEMA's conditional review under *Title 44 of the Code of Federal Regulations* (44 CFR) *Parts 60 and 65*.

SECTION 2: PROJECT DESCRIPTION AND HISTORY

2.1 PURPOSE AND SCOPE

The purpose of this report is to document the technical analyses supporting a CLOMR request for the PALNG facility. The CLOMR provides FEMA with the basis for a conditional review and evaluation of the proposed perimeter flood-protection levee system and associated drainage features, prior to construction and final map revision.

This study demonstrates compliance with applicable Federal floodplain management regulations. Development criteria for the project are governed by *44 CFR §60.3,* which establishes requirements for floodplain encroachments, while *44 CFR §65.10* defines the procedural requirements for FEMA's conditional review and approval of proposed actions that may affect Base Flood Elevations (BFEs). Compliance with these provisions ensures the proposed levee system is consistent with FEMA's regulatory framework and National Flood Insurance Program (NFIP) floodplain management standards.

As scoped in the accepted C.H. Fenstermaker proposal dated September 11, 2025, this CLOMR effort includes coordination with FEMA Region VI and the Jefferson County Floodplain Administrator. The submittal will culminate in a complete MT-2 application package documenting hydrologic, hydraulic, and coastal analyses in accordance with FEMA's *Guidance for Flood Risk Analysis and Mapping: MT-2 Requests (2023*). Federal authorization and interagency coordination relevant to the project are documented in the *FERC Final Environmental Impact Statement (2019)* and the *Facility Construction Authorization (2019)*.

This submittal provides FEMA with the technical basis to conditionally evaluate the proposed levee system and associated development for potential effects on surrounding floodplain conditions prior to issuance of a final Letter of Map Revision (LOMR). The intent of the subsequent LOMR submittal is to formally revise the effective flood hazard mapping such that the PALNG facility located within the levee is removed from the regulatory floodplain. Following FEMA's conditional determination, the project team will submit as-built certification data, operation-and-maintenance documentation, and levee accreditation materials with the post-construction LOMR package, consistent with *Facility Construction Authorization Condition 19* and the requirements of *44 CFR §65.10*.

2.2 PROJECT BACKGROUND

The PALNG site is located along the Sabine Neches Canal, south of Port Arthur. **Figure 2-1** shows the project location. The area is characterized by low-lying coastal terrain with direct hydraulic connectivity to Sabine Lake and the Intracoastal Waterway.

The PALNG Project was authorized by the Federal Energy Regulatory Commission (Order 167 FERC ¶ 61,052; 2019) and will be developed by Sempra Infrastructure, with Bechtel Energy Inc. serving as the engineering, procurement, and construction (EPC) contractor. The authorized design includes four liquefaction trains (Trains 1 and 2 constructed in Phase 1, with Trains 3 and 4 constructed in Phase 2) with a total permitted capacity of approximately 13.5 million metric tons per annum for the initial phase and additional capacity associated with full buildout, three 160,000 m^3 full-containment LNG storage tanks, a marine slip with two LNG berths, on-site gas-turbine power generation (~240 MW), and associated utilities and support facilities situated on roughly 898 acres within a 2,900-acre property west of the Sabine Neches Canal.

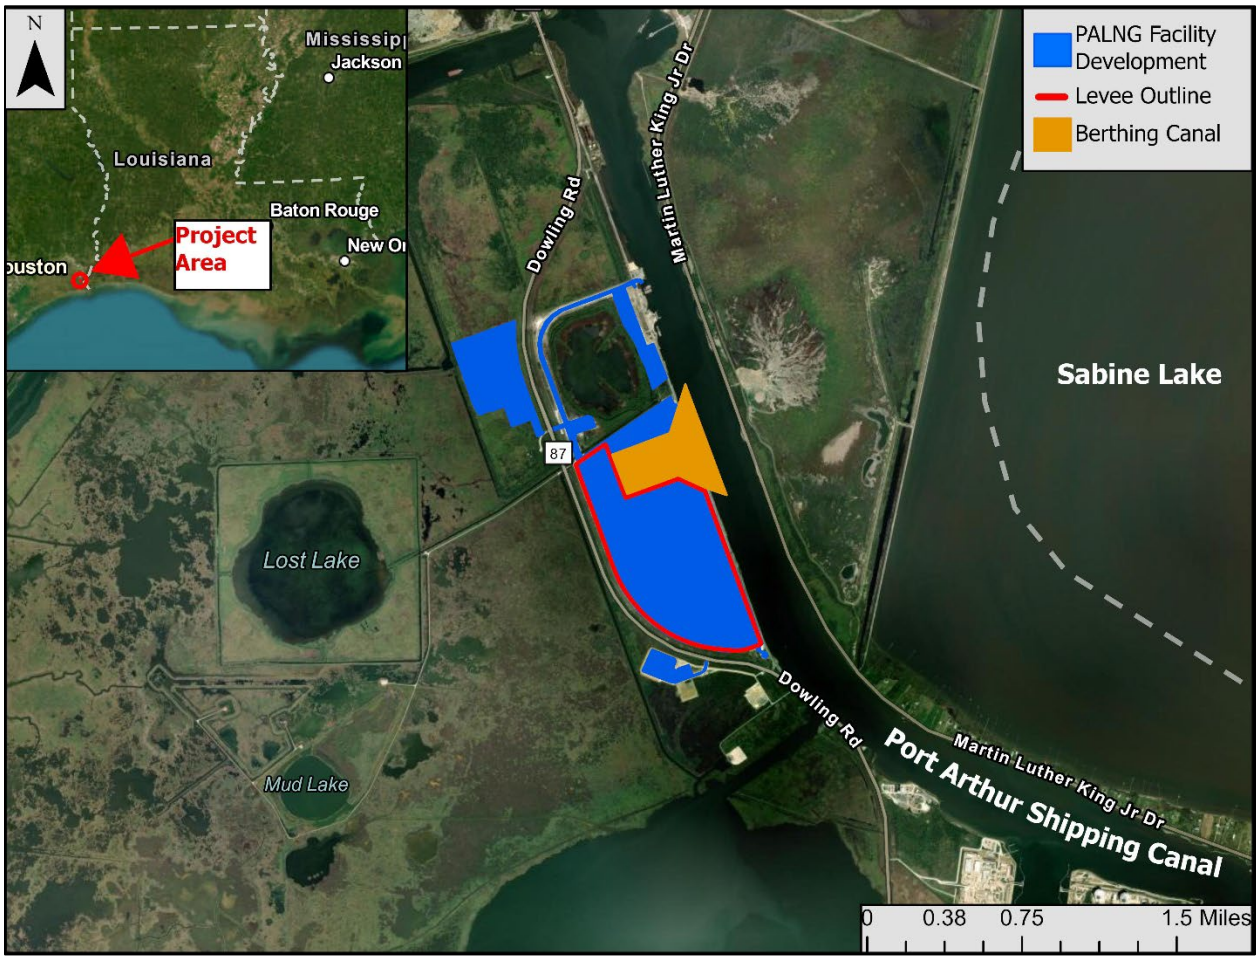

Figure 2-1: PALNG Project Vicinity

The project includes a perimeter earthen levee system with a peak elevation of 20.6ft NAVD88 providing external flood protection for the LNG process and storage areas. This CLOMR documents the Proposed construction hydraulic modeling and floodplain impact evaluation required for FEMA's conditional map-revision review in accordance with *44 CFR* §*65.12* and FEMA's *Guidance for Flood Risk Analysis and Mapping: MT-2 Requests (2023)*.

2.3 EXISTING FLOOD HAZARD MAPPING AND FIS

The PALNG facility is located within FEMA Flood Insurance Rate Map (FIRM) Panels 4803850440D (Jefferson County) and 4854990055F (City of Port Arthur), both derived from a 1992 Flood Insurance Study (FIS). Subsequent adjustments to municipal boundaries place the entire project area outside the City of Port Arthur limits and solely within Jefferson County jurisdiction.

Under the effective FIRMs, the site is mapped as Zone A15, an obsolete flood zone designation equivalent to the current Zone AE. The effective FIS relied on early coastal flood analysis techniques, including simplified transect-based wave height evaluations. These methodologies predate FEMA's current coastal modeling standards, digital terrain datasets, and hydrodynamic modelling based workflows, and do not include Limit of Moderate Wave Action (LiMWA) delineations or explicit overland wave propagation analyses.

The effective coastal study also predates the use of WHAFIS or comparable modern tools for simulating wave transformation and inland propagation. As a result, effective mapping does not reflect contemporary FEMA coastal analysis practices or datasets.

In contrast, the Preliminary FIS incorporates updated coastal modeling methodologies and data, including revised stillwater elevations, offshore wave conditions, and overland wave propagation analyses developed using FEMA's current coastal framework and application of WHAFIS. These preliminary datasets represent FEMA's best available coastal information at the time of this CLOMR submittal and are intended to support future FIRM updates. Both the effective and preliminary FIS reports are included in **Appendix E.**

SECTION 3: HYDRAULIC MODEL DEVELOPMENT

This section describes the hydraulic model development process for the PALNG CLOMR. The model was derived from FEMA's Sabine Lake BLE dataset and adapted to represent existing and proposed project conditions. Modeling was performed in HEC-RAS Version 6.6 to simulate 2-D, unsteady-flow conditions incorporating stillwater elevations and local hydrology.

3.1 FEMA MODEL SOURCE AND CONVERSION

The FEMA Sabine Lake BLE model (Compass PTS JV, 2021) served as the parent dataset for the PALNG CLOMR hydraulic analysis. The BLE model was originally developed in HEC-RAS Version 5.0.7 and represents a continuous 2-D flow domain extending from the Gulf of America through Sabine Pass into the inland Sabine Neches Canal system.

For the CLOMR, the BLE model was upgraded to HEC-RAS Version 6.6 to leverage improvements in numerical stability, mesh control, and boundary-condition handling. A sensitivity check confirmed that the software upgrade did not alter system hydraulics.

3.1.1 HYDROLOGIC BOUNDARY CONDITIONS FRAMEWORK

Hydrologic boundary conditions for the CLOMR were adopted directly from the FEMA Sabine Lake Base Level Engineering (BLE) model. The BLE model provides rainfall–runoff parameters and precipitation inputs developed from National Oceanic and Atmospheric Administration (NOAA) Atlas 14 frequency analyses for the 100-, and 500-year events. These inputs were applied without modification to maintain consistency with FEMA's regional hydrologic framework.

The BLE hydrologic modeling was originally developed using HEC-HMS Version 4.6.1. All precipitation inputs and watershed parameters from the BLE model were carried forward directly into the CLOMR analysis to ensure alignment with FEMA-approved methodologies and established regional design standards.

3.2 BREAKOUT MODEL DEVELOPMENT

A breakout model (hereinafter referred to as the PALNG Breakout Model) was developed from the parent FEMA Sabine Lake Base Level Engineering (BLE) domain to focus computational resolution on the hydraulically significant area surrounding the Port Arthur LNG facility. The regional BLE model corresponds to Hydrologic Unit Code (HUC) 8 watershed 12040201 (Sabine Lake), which encompasses the broader Sabine–Neches Canal system and associated coastal influences.

The breakout model includes three contributing HUC-10 watersheds within the HUC-8 basin that directly influence hydraulic conditions at the PALNG site. These sub-basins were retained to ensure proper representation of regional flow conveyance, storage, and coastal backwater effects affecting the project area. **Figure 3-1** and **Table 3-1** identify the contributing HUC-10 areas that form the breakout model domain.

Terrain refinements and geometric updates were incorporated into the breakout model to develop representative Existing and Proposed condition geometries. The Proposed condition reflects construction of the PALNG facility and perimeter levee system. Interior drainage features within the leveed area, such as site-specific runoff collection, conveyance, and subsurface systems, were not explicitly modeled, as the CLOMR scope is limited to evaluating potential off-site impacts to Base Flood Elevations (BFEs) in the surrounding floodplain.

Table 3-1: HUC's in BLE and PALNG (Breakout) Boundaries

HUC #	HUC Name	In Breakout Model Boundary?
1204020101	Lower Neches Valley Authority Canal-Taylor Bayou	No
1204020102	Hillebrandt Bayou	No
1204020103	Salt Bayou	Yes
1204020105	Sabine Lake	Yes
1204020104	Johnson Bayou-Frontal Sabine Lake	Yes

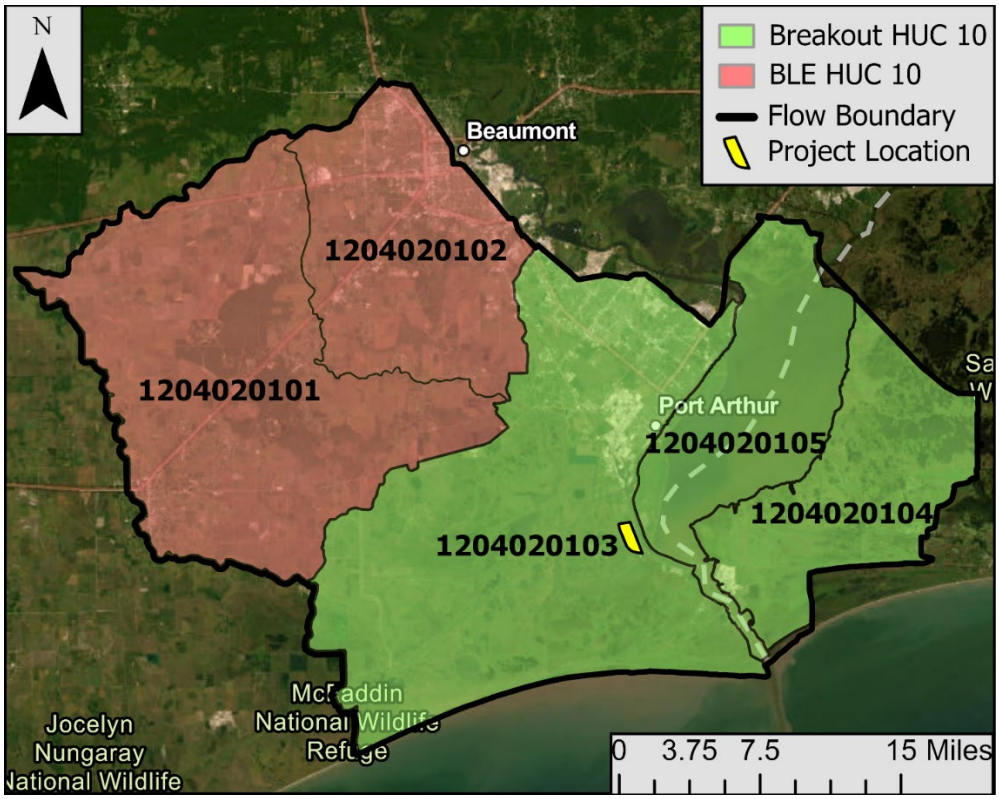

Figure 3-1: Breakout Model Boundary and HUC-10's

3.3 MESH REFINEMENT AND SENSITIVITY TESTING

Following domain refinement, the computational mesh was redesigned to balance hydraulic detail and runtime efficiency. The BLE model mesh used a uniform 300 × 300 ft base mesh refined to 50 × 50 ft in urban areas and coarsened to 500 × 500 ft in open-water zones, totaling approximately 1,573,451 cells and a runtime of 649 minutes (using the PALNG Breakout Model Boundary).

For the PALNG breakout model, the mesh was simplified to a 1,250 × 1,250 ft base grid, refined to 250 ft in urban areas, 200–500 ft in channels, and 50 ft within the PALNG levee corridor. This configuration reduced the total cell count to approximately 69,642 and the average simulation time to 4.25 minutes while maintaining fidelity in areas of interest.

Sensitivity testing compared maximum WSELs across coarse, standard, and fine mesh configurations. Results were compared to confirm that the adopted resolution provides accurate flow-path representation while significantly improving computational performance. An example of the mesh configuration optimization is shown in **Figure 3-2**.

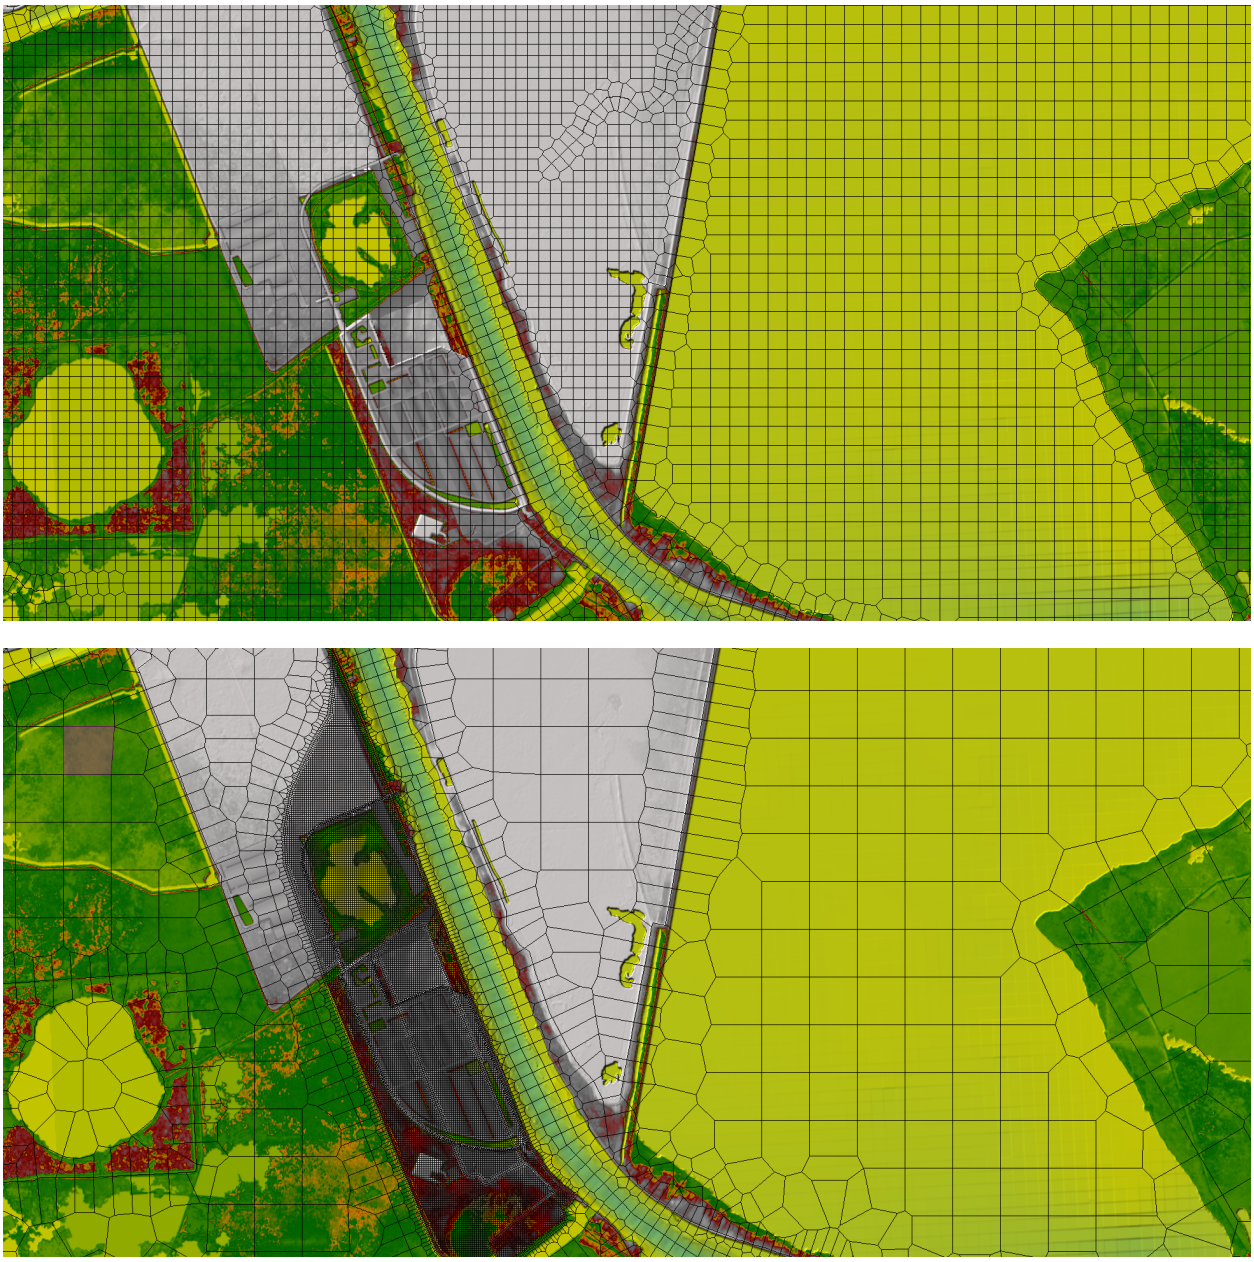

Figure 3-2: RAS Mesh Comparison - BLE (top) Vs. PALNG (bottom)

3.4 TERRAIN UPDATES AND LEVEE INTEGRATION

Terrain data used in the PALNG CLOMR was developed through a combination of FEMA and project-specific datasets to ensure consistency with the Sabine Lake BLE model while accurately representing current topographic conditions within the project area. The BLE terrain (**Figure 3-3)** was constructed exclusively from 10-ft resolution LiDAR-derived elevation data covering the full Sabine Lake watershed. The LiDAR was collected between 2017 and 2018 across Texas and Louisiana and processed into a seamless Digital Elevation Model (DEM) for FEMA Region VI. This LiDAR-based surface provided the foundation for all subsequent terrain modifications.

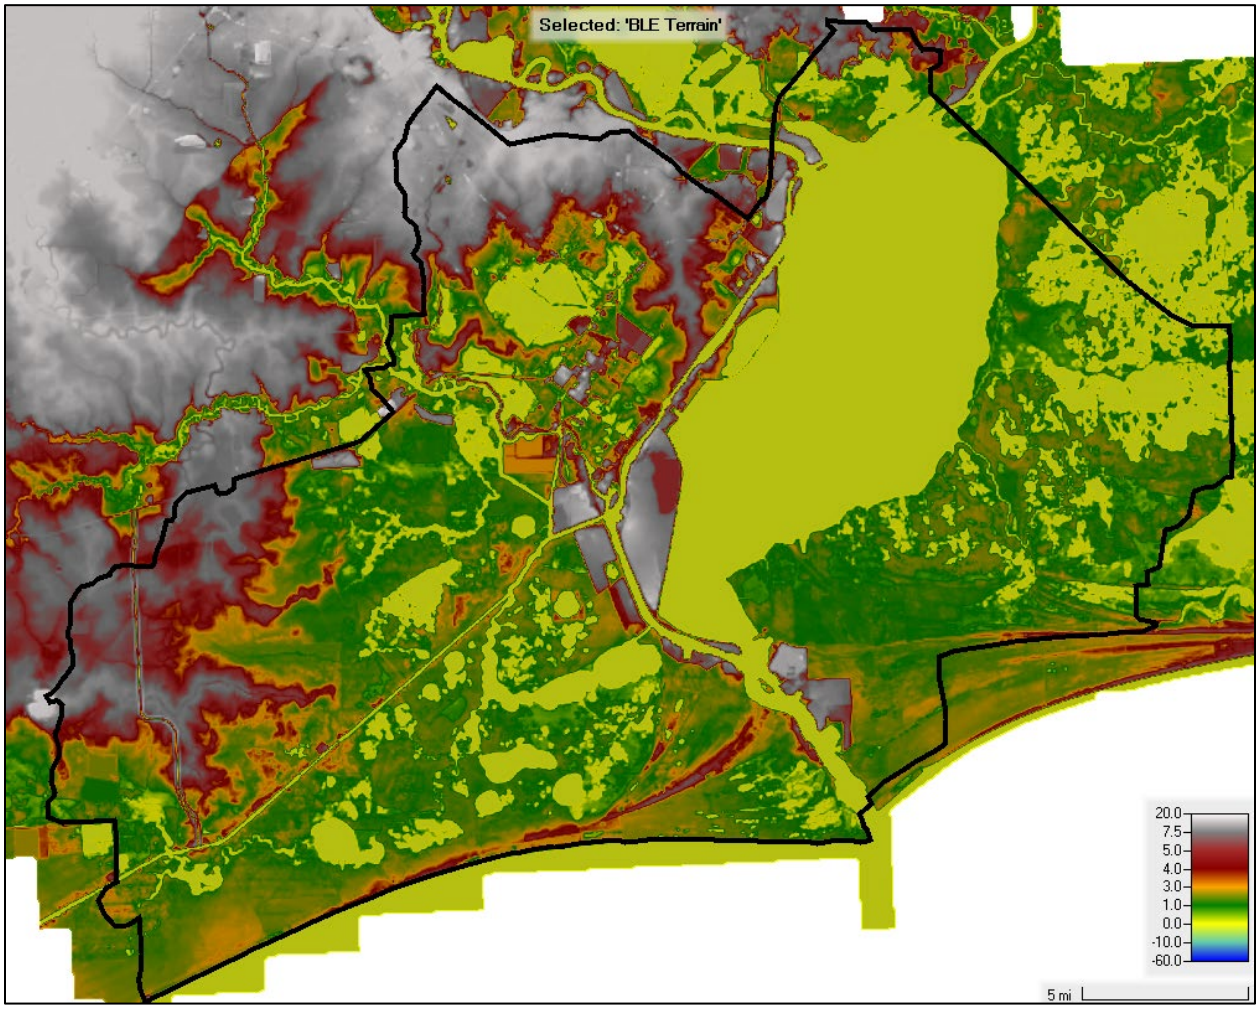

Figure 3-3: Original (LiDAR-based) BLE Terrain

For this CLOMR, an updated PALNG Existing Conditions terrain (**Figure 3-4**) was created by merging the BLE terrain with FEMA NGOM2 LiDAR and surveyed topographic data collected prior to facility construction. The pre-construction survey data captured

ground elevations across the future PALNG footprint and surrounding floodplain, ensuring that the existing-condition surface reflects the natural landscape before levee and facility development.

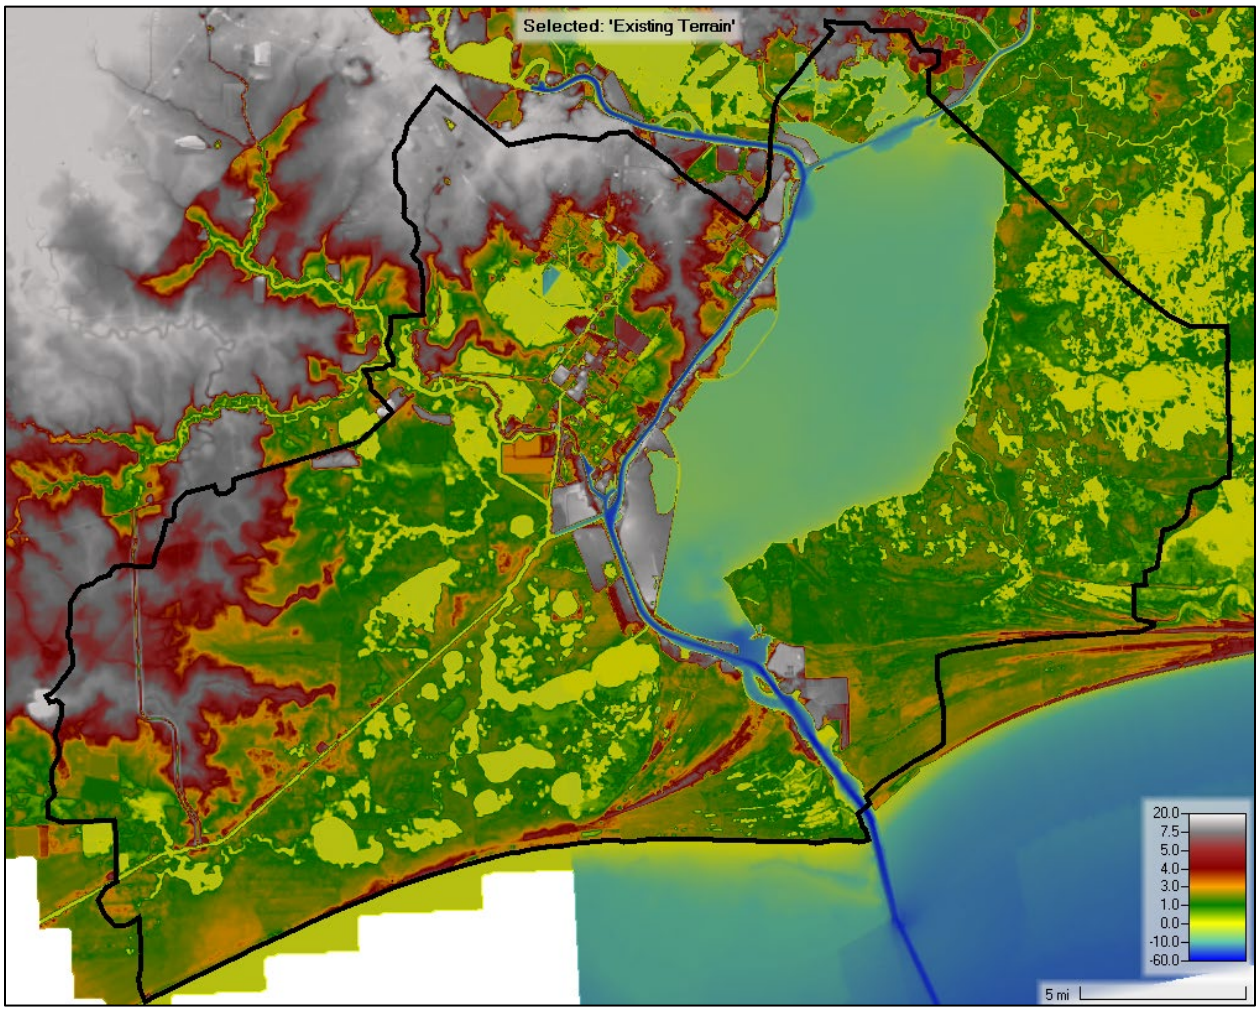

Figure 3-4: Existing Terrain (NGOM2 Bathymetry added to BLE Terrain)

A corresponding PALNG proposed-condition terrain was developed by adding the facility pad and perimeter levee embankment to the existing-condition surface. The levee geometry, including crest elevation (20.6 ft NAVD88), alignment, and side slopes, was incorporated from final design information provided by Bechtel Energy Inc. The levee was modeled as a continuous embankment enclosing the LNG process area. This approach accurately represents site hydraulics, as the levee system contains no hydraulic penetrations and interior stormwater will be managed through a pumped drainage system discharging to the exterior.

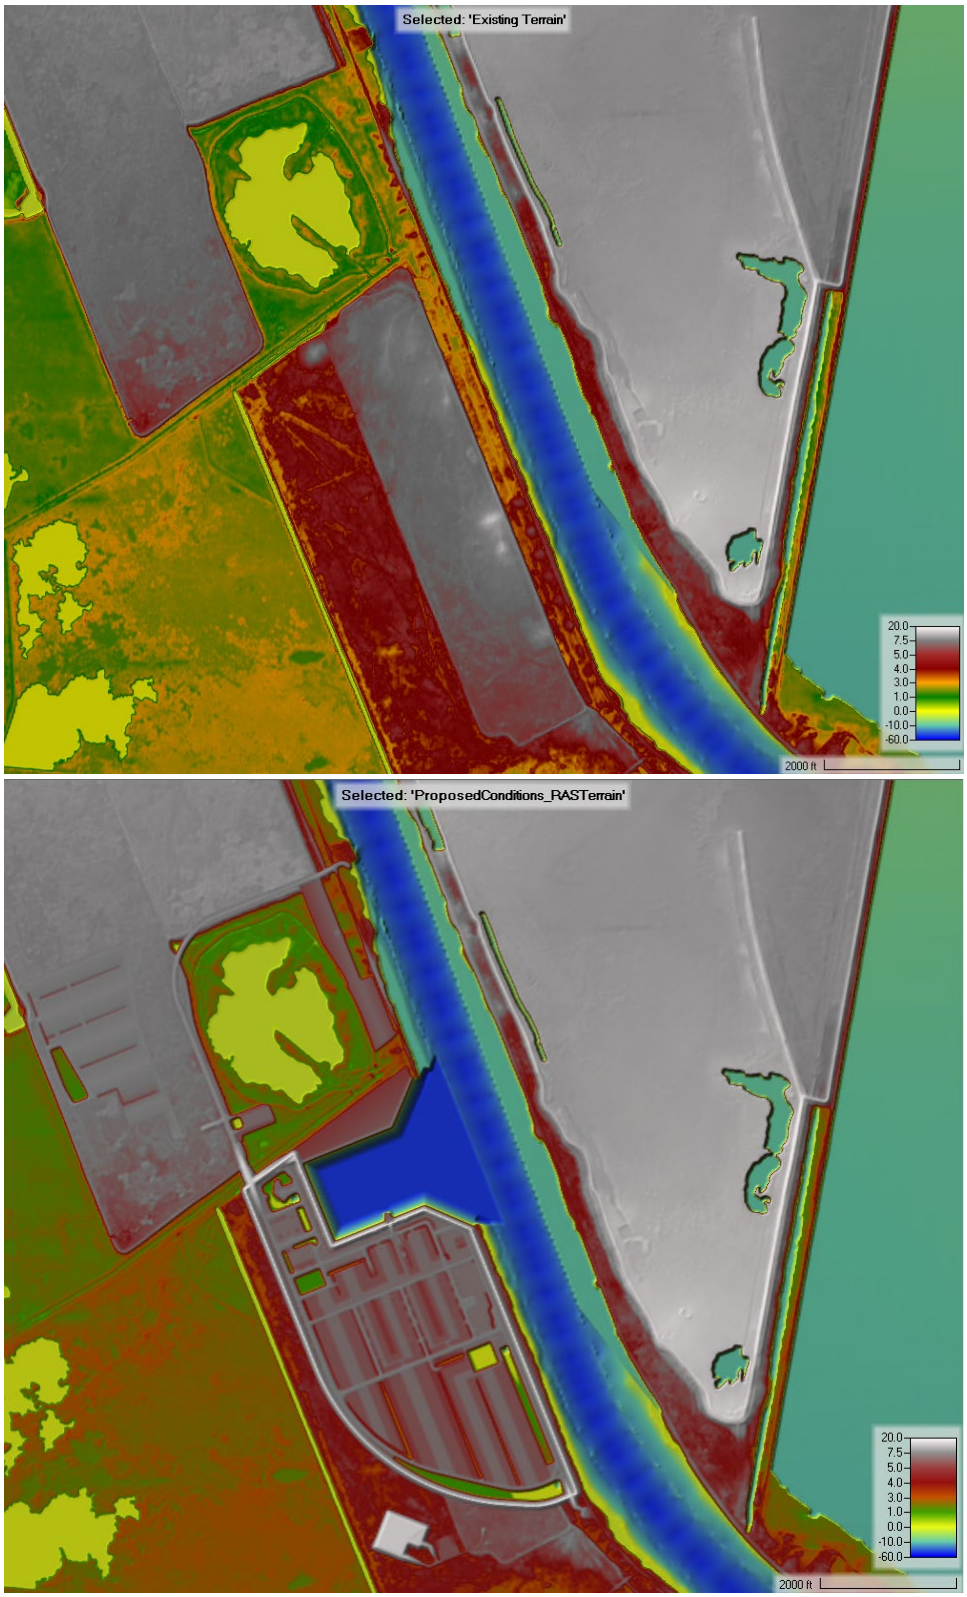

Figure 3-5: Existing (Top) Vs. Proposed (Bottom) RAS Terrain

A comparison of the Existing and Proposed conditions terrains can be seen in **Figure 3-5**. Both terrains were processed in RASMapper within the HEC-RAS 6.6 environment and referenced to NAVD88 (U.S. feet). The only modification between the existing and proposed conditions was the addition of the levee and associated facility footprint. All raster files used to create these RAS Terrains can be found in **Appendix E**.

3.5 MODEL CALIBRATION AND HISTORICAL EVENT COMPARISON

Model calibration for the PALNG CLOMR was conducted using Hurricane Harvey (Harvey) which happened in 2017. Harvey was the only historical event simulated for calibration purposes; it produced record rainfall and extensive flooding throughout the Sabine Neches Canal and Sabine Lake region, providing a comprehensive dataset for verifying the model's hydrodynamic response. The Harvey simulation used the existing-condition terrain to represent the pre-construction topography.

3.5.1 CALIBRATION METHODOLOGY

Calibration focused on reproducing observed stage hydrographs across a network of NOAA, USGS, and Coastal Reference Monitoring System (CRMS) gauges distributed throughout the study area. The objective was to validate the model's ability to simulate tidal, riverine, and estuarine dynamics under historical storm forcing. Observed and simulated hydrographs were compared using the quantitative performance metrics shown in **Table 3-2**.

Table 3-2: Calibration Metrics Formulas

Metric	Formula	Ideal Value	Goal Value
CORR *(Correlation Coefficient)*	$r = \frac{\sum(O_i - \bar{O})(S_i - \bar{S})}{\sqrt{\sum(O_i - \bar{O})^2 \sum(S_i - \bar{S})^2}}$	**1.0**	**> 0.9**
MAE *(Mean Absolute Error)*	$MAE = \frac{1}{n}\sum_{i=1}^{n} \lvert S_i - O_i \rvert$	**0.0**	**< 1.0**
RMSE *(Root Mean Square Error)*	$\text{RMSE} = \sqrt{\frac{1}{n}\sum(S_i - O_i)^2}$	**0.0**	**< 1.0**
NSE *(Nash–Sutcliffe Efficiency)*	$\text{NSE} = 1 - \frac{\sum(S_i - O_i)^2}{\sum(O_i - \bar{O})^2}$	**1.0**	**> 0.6**

Where: O_i= observed stage (ft), S_i= simulated stage (ft), $\bar{O}$= mean of observed stages, $\bar{S}$= mean of simulated stages, n= number of paired observations

Performance statistics were computed at each calibration point to assess timing, amplitude, and overall fit between modeled and observed stages.

3.5.2 CALIBRATION GAUGES

Calibration was performed using eight stage gauges located across the Sabine Lake watershed. These gauges represent a range of coastal, marsh, and inland conditions shown in **Table 3-3** and **Figure 3-6**.

Table 3-3: Stage Calibration Gauges

ID	Agency & Gauge ID	Gauge Name / Description	Purpose
1	USGS 08042522	Hillebrandt Bayou near Port Arthur	Riverine backwater calibration
2	NOAA 8770475	Sabine Pass North	Primary tidal calibration point
3	CRMS 0684	Sabine Refuge (West)	Interior estuarine calibration
4	CRMS 2189	Sabine Lake West Shore	Coastal floodplain calibration
5	CRMS 0669	Calcasieu–Sabine Marsh (North)	Interior marsh response
6	CRMS 2156	Sabine Lake East Shore	Coastal floodplain calibration
7	CRMS 0683	Sabine Refuge (East)	Interior estuarine calibration

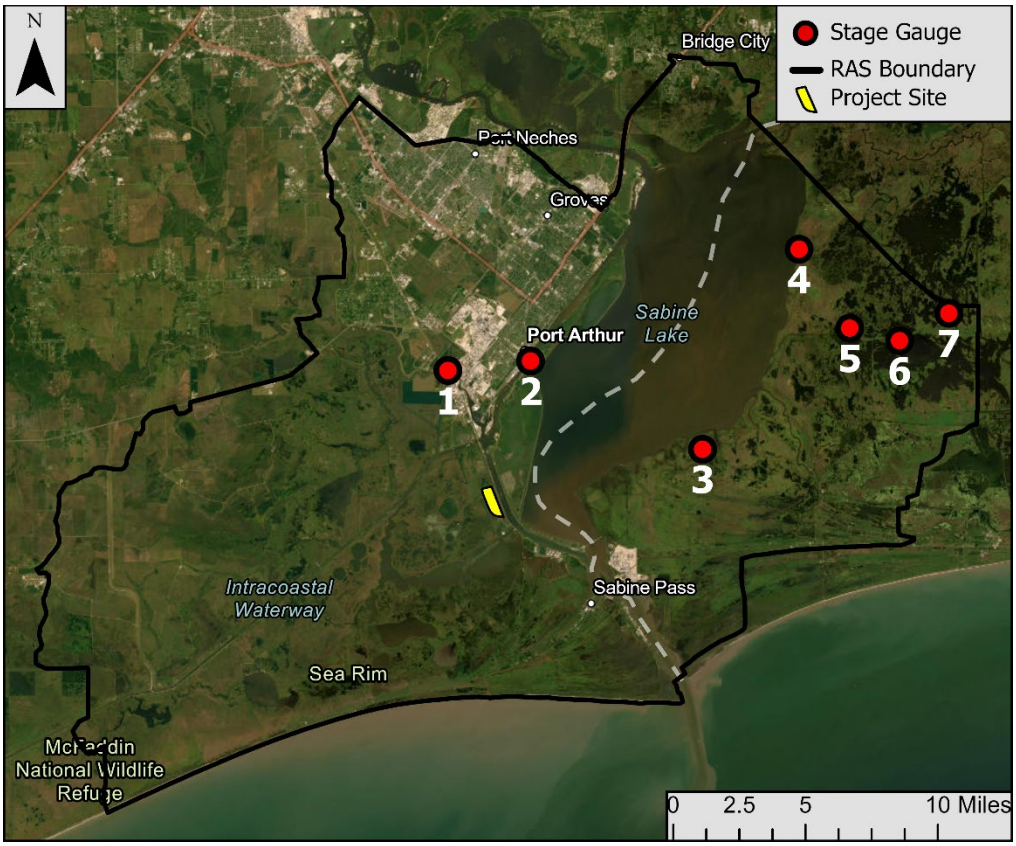

Figure 3-6: Stage Calibration Gauge Locations

3.5.3 CALIBRATION BOUNDARY CONDITION CONFIGURATION

Boundary conditions for the Harvey simulation were established using a combination of observed and derived inputs to replicate the hydrologic and tidal system response:

- Upstream flow boundaries – Hydrographs from USGS 08041780 (Neches River near Evadale, TX) and USGS 08030500 (Taylor Bayou near LaBelle, TX).
- Downstream stage boundary – Time-varying stage hydrograph from NOAA 8770822 (Sabine Pass, TX).
- Precipitation input – Louisiana Watershed Initiative (LWI) Region 4 gridded rainfall dataset (Halff Associates, 2023), combining MRMS QPE, AORC, and NCEP Stage IV data at 1-hour, 500-m resolution.
- Lateral boundaries – All other perimeter cells not assigned flow or stage data were set to normal-depth conditions to ensure free outflow and stability during transient surge propagation.

These inputs collectively reproduce the combined rainfall, inflow, and tidal forcing during Harvey while preserving the BLE model's hydraulic connectivity. Refer to **Table 3-4** and **Figure 3-7** for spatial understanding of the boundary condition setup.

Table 3-4: Historical Storm Boundary Condition Gauges

ID	Agency & Gauge ID	Gauge Name	Type	Boundary Application
A	**USGS 08041780**	Neches River near Evadale	Flow	Upstream inflow hydrograph
B	**USGS 08030500**	Taylor Bayou near LaBelle	Flow	Upstream inflow hydrograph
C	**NOAA 8770822**	Sabine Pass	Stage	Downstream tidal stage

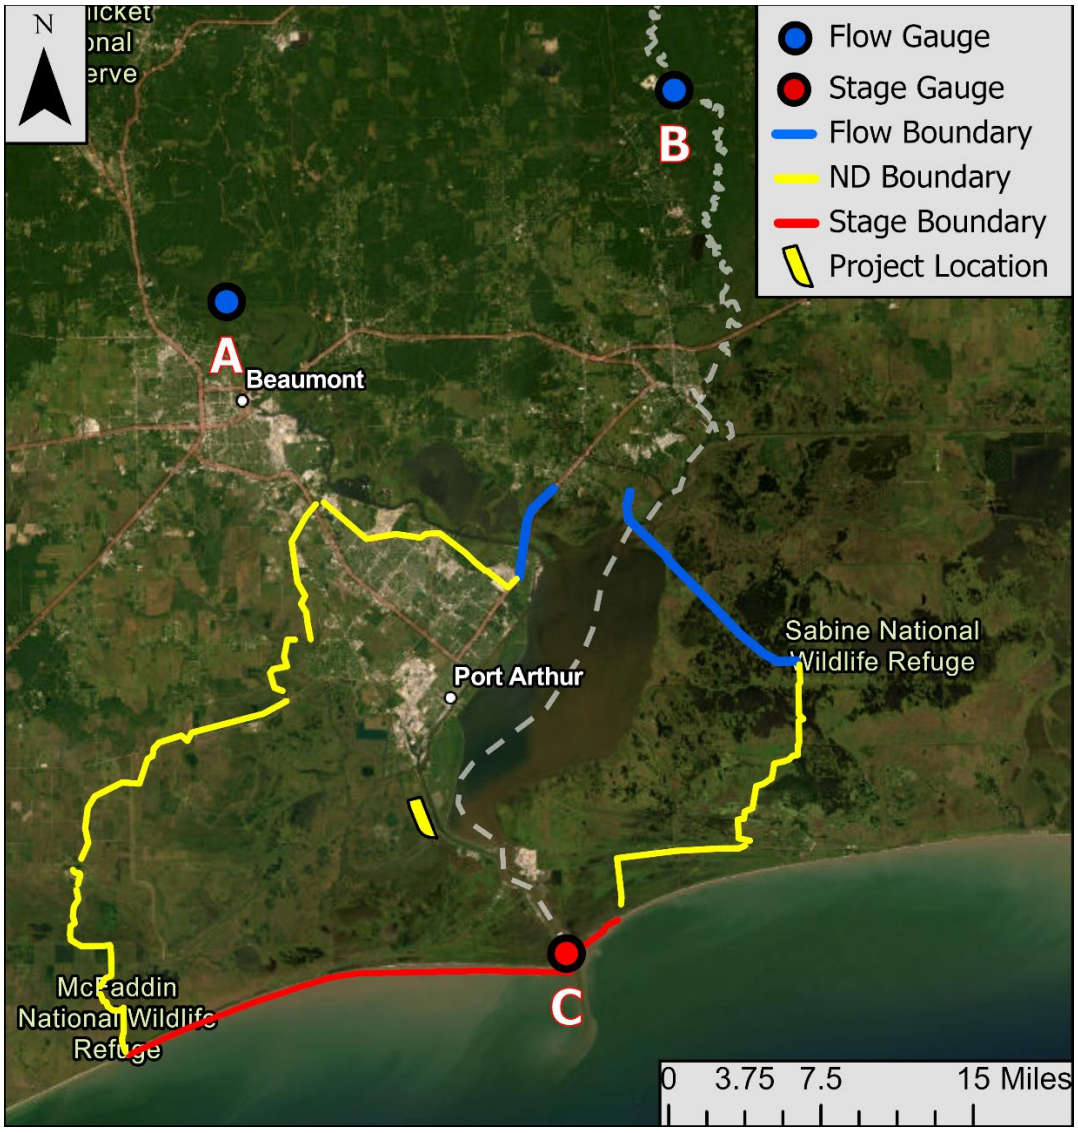

Figure 3-7: Historical Storm Boundary Conditions Gauges

3.5.4 CALIBRATION RESULTS

Model results reproduced the observed stage timing and magnitude at all calibration locations. Mean Absolute Error (MAE) and Root Mean Square Error (RMSE) values averaged 0.24 ft and 0.44 ft respectively with correlation coefficients averaging 0.94 and NSE values averaging 0.97, indicating strong agreement between observed and simulated conditions.

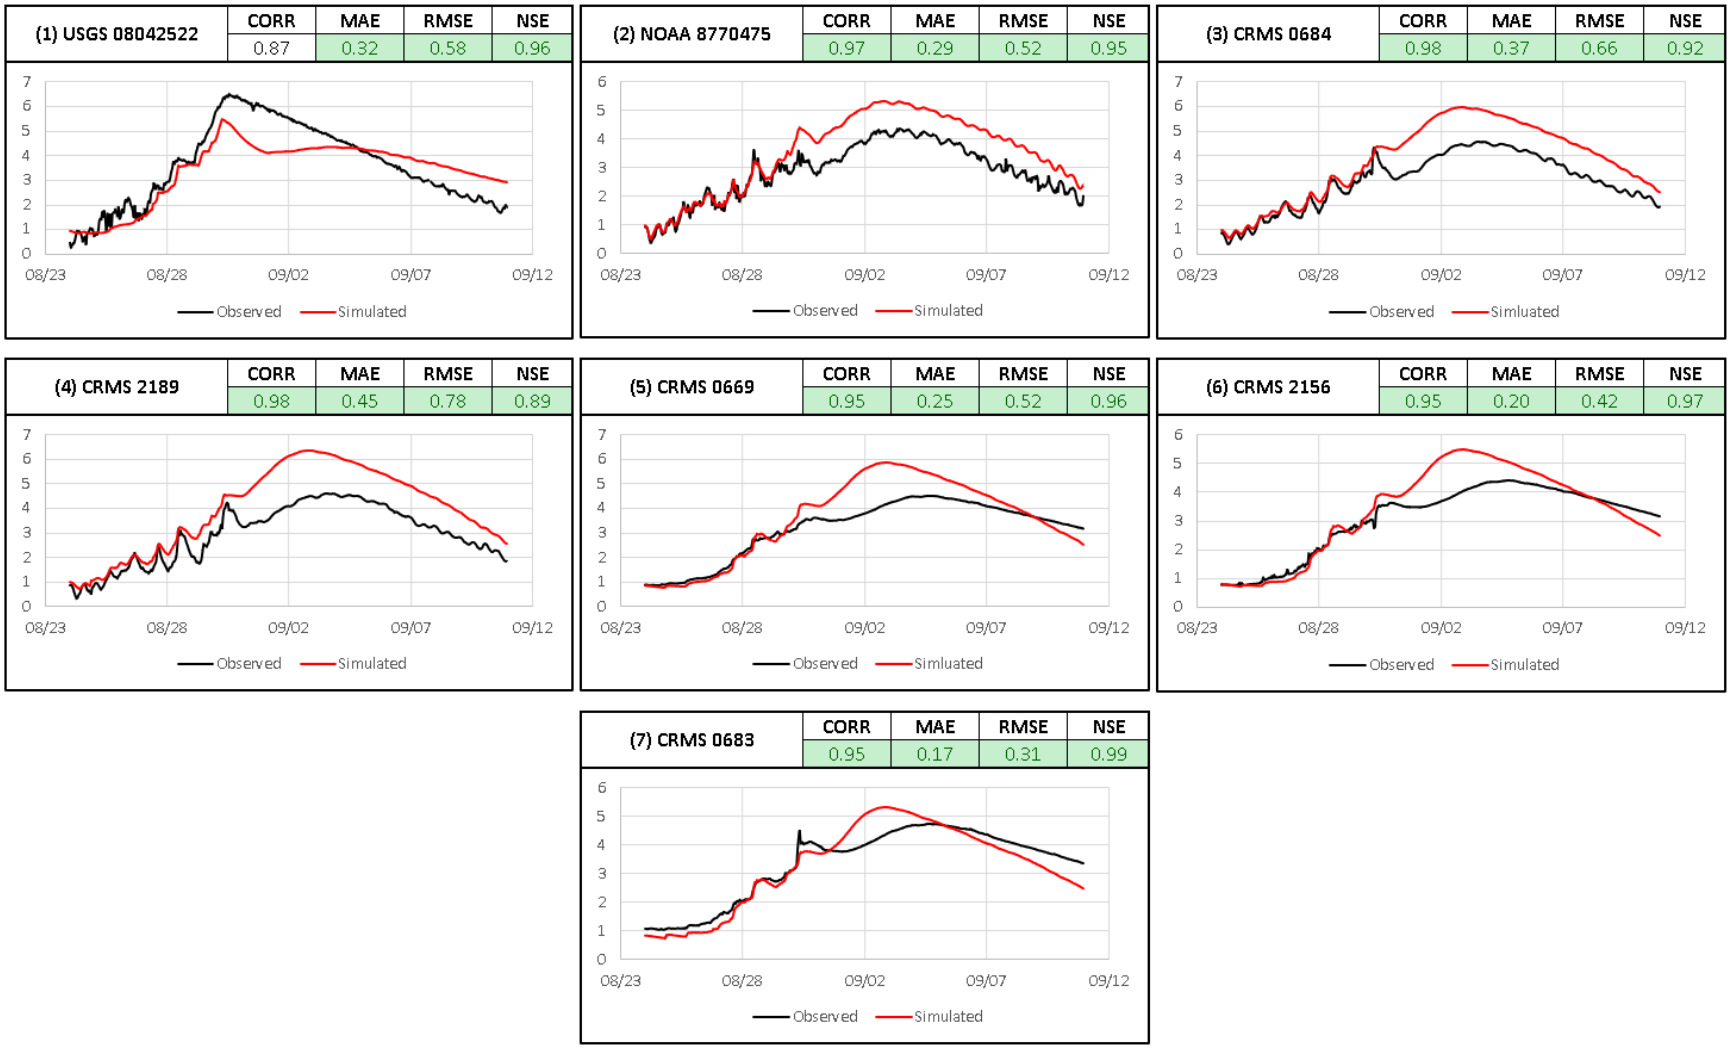

Figure 3-8: Harvey Calibration Results Graphs and Statistics

These findings validate that the calibrated model accurately represents the regional hydrologic and tidal system and is suitable for assessing levee performance and floodplain impacts in support of FEMA's CLOMR review. Calibration hydrographs and detailed statistics, as well as the HEC-RAS model used for calibration, are provided in **Appendix B**.

3.6 DESIGN STORM BOUNDARY CONDITIONS AND SIMULATION PARAMETERS

All historical forcing and gauge data used for calibration (**Section 3.5**) were removed, and the design runs were driven solely by AEP-based inflows and coastal stillwater boundaries. Design storm simulations for the PALNG CLOMR were configured to evaluate hydraulic conditions for the 100 and 500-year events, consistent with FEMA's BLE framework.

All simulations were executed in HEC-RAS Version 6.6 using a fully 2-D, unsteady-flow solution. The model geometry, computational mesh, and friction parameters were identical to those used for the Harvey calibration to ensure consistency between observed and design scenarios. Boundary condition locations match those found in the historical event model, shown in **Figure 3-7**.

3.6.1 UPSTREAM BOUNDARIES

Upstream boundaries were primarily defined using normal-depth conditions to allow natural hydraulic gradients within the domain. Two inflow points, the Sabine River and Neches River, were assigned steady discharge inputs representing the 100- and 500- year flows adopted from the FEMA Sabine Lake BLE hydrology.

These inflows ensure the design-event simulations are directly aligned with FEMA's regional frequency analyses and maintain hydrologic consistency between the breakout model and the parent watershed system.

3.6.2 DOWNSTREAM (COASTAL) BOUNDARIES

Coastal boundary conditions for this CLOMR were obtained from both the Effective FIS (1992) and Preliminary FIS (completed in 2011). Two coastal boundary condition setups were incorporated into the HEC-RAS model: one using stillwater elevations from the effective FIS at transect 8 and one using stillwater elevations from the preliminary FIS at transect J19. Existing- and Proposed-condition simulations were performed for each downstream boundary condition scenario to evaluate the sensitivity of floodplain response to differing coastal stage assumptions.

This configuration provides a seamless linkage between the hydraulic model and the coastal analysis, enabling accurate inland translation of surge water levels through the Sabine Neches Canal system.

The effective FIS references elevations in the NGVD29 (ft) vertical datum, whereas the preliminary FIS is reported in NAVD88 (ft). The preliminary FIS documentation indicates a datum conversion factor of −0.004 feet from NGVD29 to NAVD88 for Jefferson County. Independent verification using NOAA's Online Vertical Datum Transformation tool suggests that NGVD29-to-NAVD88 offsets across the study area generally range from approximately −0.9 to −1.4 feet. Copies of the Effective and Preliminary FIS reports, along with supporting documentation, can be found in **Appendix E**.

For consistency with the referenced FEMA materials and to maintain a conservative and reproducible modeling framework, the −0.004-foot conversion factor documented in the preliminary FIS was applied in this analysis. The stillwater elevations used for the Effective FIS downstream boundary condition are 16.4 ft and 13.5 ft NAVD88 for the 500-year and 100-year events, respectively. The stillwater elevations used for the Preliminary FIS downstream boundary condition are 17.3 ft and 12.7 ft NAVD88 for the 500-year and 100-year events, respectively. For future studies, application of site-specific, updated vertical datum transformations is recommended as the values used in this study are more conservative than required.

3.6.3 SIMULATION CONFIGURATION

All design-event simulations were performed as 2-D, unsteady-flow runs in HEC-RAS v6.6. Computational settings, mesh resolution, and hydraulic parameters were inherited from the historical calibration model and held constant between the existing and proposed scenarios. The only geometric difference between scenarios is the addition of the facility pad and perimeter levee in the proposed terrain.

3.6.4 MODEL STABILITY AND QUALITY ASSURANCE

Continuity errors were within acceptable tolerance, and no numerical instability was observed along the levee or coastal boundary.

3.7 HYDRAULIC MODEL RESULTS

Due to this model's 2-D unsteady-flow domain, the floodplain impact evaluation was conducted using reference lines as cross-sections placed strategically within the model to assess localized differences in computed water-surface elevations between existing and proposed conditions. Reference lines were established near the PALNG project area to extract water-surface profiles and evaluate changes in hydraulic grade through key flow paths.

Channel profile lines were aligned along the centerlines of the Port Arthur Canal, extending from south of the project area to north of the project area, as well as within the Intracoastal Waterway to the north and Keith Lake to the south. In addition, three cross-sections were placed within the Port Arthur Canal: one downstream of the project, one centered on the project footprint, and one upstream of the project.

This approach provided a consistent spatial framework for comparing modeled WSELs between existing and proposed conditions, ensuring that any computed differences reflect true hydraulic response to the levee construction rather than grid alignment or interpolation artifacts. The spatial locations of these reference lines, and the results from them can be found in **Table 3-5**, **Table 3-6** and **Figure 3-10**.

A final version of the Design storm HEC-RAS model with results rasters can be found in **Appendix A.**

Table 3-5:100-YR WSEL Comparisons at Reference Lines (Effective FIS Downstream)

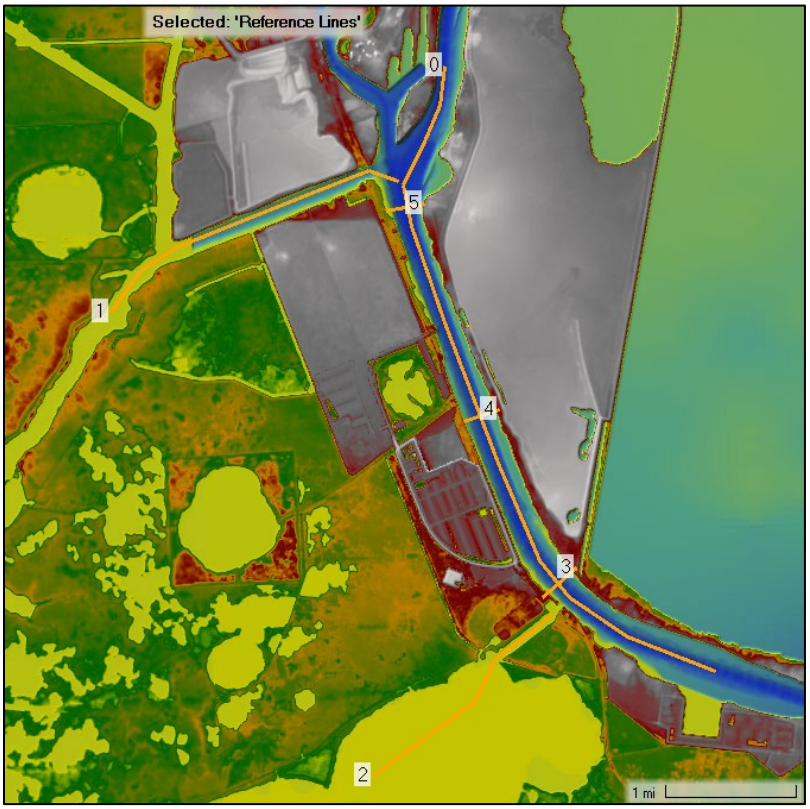

Figure 3-10: WSEL Comparison Reference Line Locations

3.7.1 RESULTS SUMMARY

Results of the floodplain impact evaluation indicate that the proposed PALNG levee and facility development do not result in measurable increases in flood elevations at the evaluated reference locations for any of the modeled design events. The assessment compared maximum water-surface elevations between existing and proposed conditions across the full two-dimensional model domain for 1-percent annual exceedance probability event.

The tabular results presented in **Table 3-5** and **Table 3-6**, based on reference lines and monitoring locations, show either no change or a slight decrease in water-surface elevation under proposed conditions relative to existing conditions. Spatial water-surface elevation difference rasters further indicate that any minor variations are generally confined to areas immediately adjacent to the project.

It should be noted that the proposed levee system results in localized increases in water-surface elevation of less than 0.1 ft in areas west of the levee alignment. These increases are limited in spatial extent and do not propagate into the broader external floodplain or affect the evaluated reference lines.

3.7.2 COMPLIANCE WITH 44 CFR §65.12

The results demonstrate that the proposed PALNG levee system results in minor localized increases in water-surface elevation, generally less than 0.1 ft, occurring west of the levee in unpopulated AE and V zones. These changes are limited in spatial extent, do not propagate beyond the general vicinity of the project, and do not result in adverse hydraulic impacts to upstream, downstream, or adjacent properties. It is also notable that within the Sabine Neches Canal and other areas to the East of the project, there are minor benefits to the system.

Accordingly, the analysis satisfies the technical basis for FEMA's conditional review under *44 CFR §65.12* and supports issuance of a Conditional Letter of Map Revision for the project

SECTION 4: COASTAL ANALYSIS AND WAVE EVALUATION

4.1 OVERVIEW OF COASTAL CONDITIONS

The PALNG facility is located within a low-lying transitional inland–coastal environment influenced by both fluvial and coastal processes. Flood behavior in the project vicinity is governed not only by rainfall-driven runoff and riverine discharge within the Sabine Lake watershed, but also by astronomical tides, storm surge, and wave action propagating inland from the Gulf of America through Sabine Pass, the Sabine Neches Canal, and Sabine Lake. These interconnected water bodies provide a pathway for coastal surge to influence water levels within the project area during major storm events.

To properly represent these coastal influences in support of the CLOMR, a site-specific coastal analysis was conducted using information from both the Effective and Preliminary FIS for the project area. The currently effective FIS for the project area dates to 1992. While this study provides the regulatory Stillwater elevations applicable to the site, the underlying coastal modeling files associated with the effective FIS (including WHAFIS input cards and supporting datasets) were not available for use and were developed using legacy coastal modeling methodology that do not reflect FEMA's current Coastal Guidelines and Specifications.

In contrast, the preliminary FEMA FIS reflects FEMA's modern coastal modeling framework and provides detailed coastal datasets suitable for technical evaluation. Available information includes updated coastal transect geometries, WHAFIS input cards defining station–elevation data and overland roughness characteristics, offshore wave conditions, wave periods, and supporting ground elevation profiles. These datasets allow for transparent and reproducible simulation of overland wave propagation consistent with current FEMA standards. However, because the preliminary FIS has not yet been adopted as effective, results derived solely from the preliminary study are not regulatory and cannot independently govern floodplain management determinations.

The nearest coastal transect from the effective FIS intersecting with the project vicinity is Transect 8 (**Figure 4-1**), which provides the effective regulatory SWEL applicable to the site and has a corresponding 1-percent-annual-chance SWEL of 13.5 ft (NGVD29). In contrast, the preliminary FIS includes Transects J19 and J20, both of which directly intersect the PALNG project area and were therefore selected for detailed overland wave propagation and coastal evaluation. The preliminary FIS assigns a 1-percent-annual-

chance SWEL of 12.7 ft (NAVD88) to Transects J19 and J20. For the effective Stillwater elevation, the same conservative value was used for both hydraulic and coastal models.

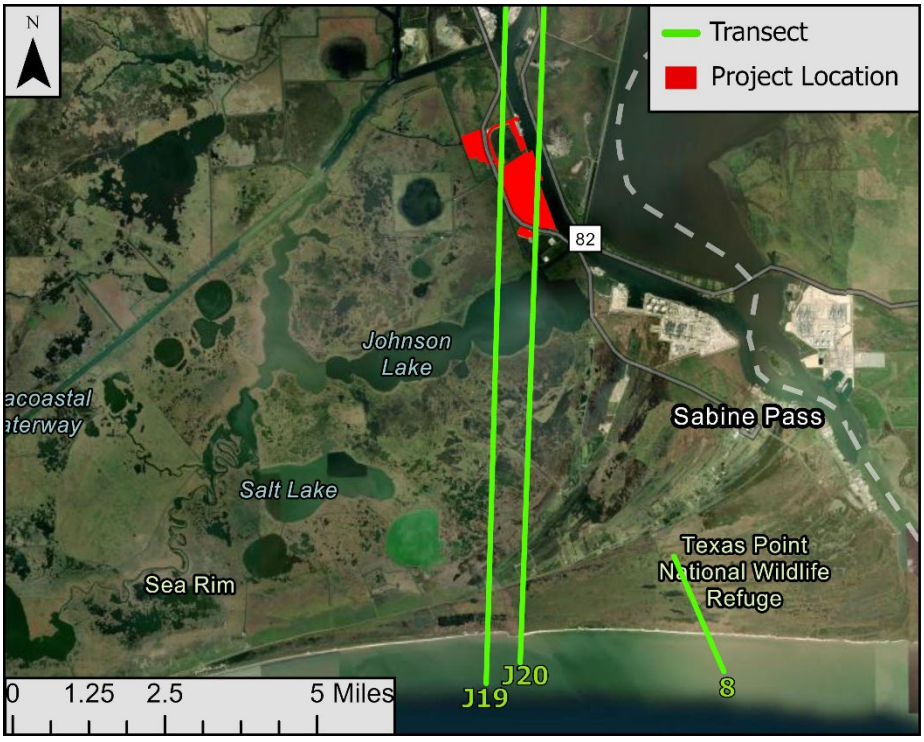

Figure 4-1: Location of FEMA FIS Coastal Transects Used

Based on the available data, a Corrected-Effective coastal model was developed for this study. This approach leverages the modern transect configurations from the preliminary FIS and applies the WHAFIS input structure and overland roughness characterization defined therein. However, the model is driven by the effective regulatory Stillwater elevations published in the effective FIS. This hybrid methodology represents best practice for coastal evaluations where effective coastal models are unavailable or outdated. It ensures compliance with FEMA regulatory flood elevations while incorporating the most current and technically defensible representation of coastal transect geometry and wave transformation processes. Subsequent sections of this coastal analysis reference this corrected effective modeling framework unless otherwise noted.

4.2 COASTAL DATA SOURCES AND REGULATORY BASIS

Coastal boundary conditions for the project were obtained from both the effective and preliminary FEMA FIS, consistent with the Corrected-Effective coastal modeling framework described in **Section 4.1**. Detailed coastal inputs, including offshore wave

heights, wave periods, transect geometry, ground elevations, and overland roughness characteristics, were obtained from preliminary FIS materials provided directly by FEMA for the Sabine Pass / Port Arthur area. These datasets reflect FEMA's current coastal modeling framework and provide the technical basis for WHAFIS simulations.

Effective FIS documentation was used to define the governing regulatory Stillwater elevations applicable to the site. These effective SWELs were applied within the corrected effective modeling framework to ensure consistency with FEMA regulatory requirements, while avoiding reliance on outdated effective coastal modeling methodologies.

The coastal evaluation focused on the 1-percent-annual-chance (100-year) and 0.2-percent-annual-chance (500-year) events, which are the controlling regulatory events for coastal floodplain mapping and freeboard evaluation. No 10- or 2-percent annual chance coastal conditions were required.

4.3 STILLWATER ELEVATION (SWEL)

SWELs represent the combined effects of astronomical tide and storm surge, excluding direct wave effects such as wave setup and wave runup. For this study, SWELs corresponding to the 100-year and 500-year annual chance events were defined using FEMA FIS documentation and applied within the corrected effective coastal modeling framework.

The effective FIS Stillwater elevations (**Table 4-1**) were adopted as the governing regulatory boundary conditions and applied to Transects J19 and J20, which directly intersect the project area. This approach ensures compliance with FEMA regulatory requirements while utilizing an updated and technically defensible transect configuration.

These SWELs were applied consistently across both the hydraulic and coastal analyses, serving as downstream stage boundary conditions for the HEC-RAS breakout model (**Section 4.6**) and Seaward boundary water levels for the WHAFIS coastal transect simulations.

In addition, a supplemental set of simulations was performed using Stillwater elevations published in the preliminary FIS for the purpose of comparing results between preliminary and effective regulatory water levels. These comparative simulations were

conducted solely to evaluate relative differences in coastal response and do not control the regulatory conclusions of this study.

Table 4-1 : Design Stillwater Elevations Used in Coastal Modeling

AEP (EVENT)	RETURN PERIOD (YEARS)	SWEL (Effective FIS) (FT, NAVD88)	SWEL (Preliminary FIS) (FT, NAVD88)
1 %	100	13.5	12.70 / 12.65
0.2 %	500	16.4	17.30 / 17.11
	Source:	*Preliminary FEMA FIS Coastal Data*	*Effective FEMA FIS Coastal Data*

Effective FIS SWELs were originally published in NGVD29 and converted to NAVD88 using the FEMA-specified −0.004 ft conversion factor.

The effective SWELs represent the design-level Stillwater conditions incorporated into the PALNG hydraulic model to define downstream boundary stages for each AEP simulation. As discussed previously in **Section 3.6.2**, the preliminary FIS documentation specifies a datum conversion factor of −0.004 feet when converting elevations from NGVD29 to NAVD88 for Jefferson County. The comparison of the preliminary and effective SWELs indicates that the effective SWELs are more conservative. Accordingly, results based on effective-condition modeling are presented in detail in the main body of this report. For completeness and transparency, results from both the preliminary- and effective-based modeling scenarios are included in **Appendix C**.

Mean tidal conditions (MHW and MLW) were identified for completeness within the CHAMP interface and to provide tidal context for the Stillwater elevations and to ensure consistency with FEMA coastal flood hazard analysis procedures. These tidal datums are used to relate the modeled Stillwater elevations to the normal astronomical tidal range and to support quality control of coastal boundary conditions within CHAMP/WHAFIS. The MHW and MLW values were obtained from the preliminary FEMA coastal model provided for this study and were reviewed for reasonableness by comparison to published NOAA tide gauge data in the vicinity of the project area, confirming that the values are of consistent order of magnitude:

- Mean High Water (MHW): 1.07 ft NAVD88
- Mean Low Water (MLW): 0.28 ft NAVD88

These values are used internally by WHAFIS for wave transformation calculations and do not affect regulatory flood elevations.

4.4 WHAFIS TRANSECT DEVELOPMENT AND OVERLAND WAVE PROPAGATION

Overland wave propagation and wave height attenuation were evaluated using FEMA's WHAFIS Version 4.0G implemented through the CHAMP graphical interface under the corrected effective coastal modeling framework. WHAFIS simulates the physical processes of wave shoaling, breaking, and energy dissipation as waves move inland over variable topography and land cover.
