NOTICE TO ALL PROPOSERS:

This Addendum forms a part of the Contract Documents and modifies the original Project Manual and Drawings, Issued for Competitive Sealed Proposal – 4 May 2009, to the extent noted hereinafter.

Careful note of this Addendum shall be taken by all parties of interest so that proper allowance is made in all computations, estimates and contracts and so that all trades affected are fully advised in the performance of work that will be required by them.

Items revised on Drawings are designated by a cloud line and a delta (Δ) surrounding the corresponding revision number. Items revised in Specifications are designated by an asterisk (*) in the left-hand margin.

This Addendum supersedes all previous Drawings, Specifications and instructions pertaining to these items.

A. GENERAL

- Item No. 2A.01** List of current plan holders is attached.
- Item No. 2A.02** The Courthouse's hazardous materials testing report (dated Jan. 09) is available for review at the four selected plan rooms, and available for purchase through the County.
- Item No. 2A.03** Typical existing window treatments on floors 5-7 are metal blinds. All window treatments shall be removed by the contractor, and reinstalled after window restoration / installation is complete.
- Item No. 2A.04** Remove all Christmas light strings on all four sides of the building at the 14th floor parapets and deliver to owner.
- Item No. 2A.05** Re-fasten any loose lightning protection cables surface-mounted on the west elevation at floors 12-14. All anchors shall be placed in grout joints. Do not drill into any masonry units.
- Item No. 2A.06** Remove all antennae from tower. Coordinate with the County. Repair masonry at locations of removed antenna mounting brackets. (There are approximately 5 antennae).

Item No. 2A.07 Scaffolding shall not be anchored into existing masonry or masonry joints. Scaffolding may be mounted on roof surfaces with appropriate protection and may be braced through windows to inside surface of exterior walls. Scaffolding design shall be approved by architect / engineer, and permitted by the city.

LIQUIDATED DAMAGES FOR DELAYS:

It is understood and agreed between the parties that time is of the essence of this contract, and in case the Contractor shall fail to fully, entirely, and in conformity with the provisions of this contract, perform and complete said work within the time stated in the proposal with such allowances as herein before provided or within such further time as he may be allowed by the Owner, the Architect shall compute the number of days of delinquency in said final and entire completion. It is hereby acknowledged by the Contractor that such delinquency caused additional overhead costs and expenses to the Owner.

It is hereby agreed between both parties to this contract that the amount of said damages are hereby ascertained and liquidated at the greater of three hundred dollars (\$300.00) per day of delay, or the actual measurable damages to the Owner including penalties, or other fees which may be charged to the Owner for failure to meet the time requirements. The Contractor hereby agrees to pay the stated sum to the Owner for each and every day of delinquency.

MISCELLANEOUS PROVISIONS:

If notified of the acceptance of this Bid within 30 days after the time set for opening of bids, we agree to execute a contract with the Owner, on the prescribed form, for the above mentioned Work, for the above mentioned amount, furnish the Performance Bond and the Payment Bond on the prescribed forms and commence Work, all within ten days of the date of notification of award.

It is understood that the Owner reserves the right to reject any or all bids, to accept or reject any or all Alternates, or to accept any combination of Alternates considered advantageous and to waive any informality or irregularity in any bid which, in his judgment, is in his own best interest.

The undersigned certifies that the amounts contained in this Bid have been carefully checked and are submitted as correct and final.
