INSTRUCTIONS TO BIDDERS

1. Bid Submission

Bids must be submitted in complete original form by mail or messenger to the following address:

Jefferson County Purchasing Division
1149 Pearl Street, First Floor
Beaumont, TX 77701

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

All bids shall be tightly sealed in an opaque envelope and **plainly marked with the Invitation for Bid number**, due date, and the bidder's name and address.

Late bids will not be accepted and will be returned unopened to the bidder.

All bids submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

2. Preparation of Bids

The bid shall be legibly printed in ink or typed.

If a unit price or extension already entered is to be altered, it shall be crossed out and initialed in ink by the bidder.

The bid shall be legally signed and shall include the complete address of the bidder.

Jefferson County is exempt from Federal and State Sales Taxes, and such taxes shall not be included in bid prices.

3. Signatures

All bids, notifications, claims, and statements must be signed by an individual authorized to bind the bidder. The individual signing certifies, under penalty of perjury, that he or she has the legal authorization to bind the bidder.

4. Rejection or Withdrawal

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

5. Award

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected. Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and

guarantees of materials and equipment. In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

6. Contract

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

7. Waiver of Subrogation

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

8. Fiscal Funding

A multi-year contract (if requested by the specifications) continuing as a result of an extension option, must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

9. Bid Results

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page (<http://co.jefferson.tx.us/purchasing/main.htm>) as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Division.

10. Changes and Addenda to Bid Documents

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent. In addition, to the extent possible, copies will be mailed to each person registered as having received a set of bid documents. It shall be the bidder's responsibility to make inquiry as to change or addenda issued. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

11. Specifications

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid. Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

12. Delivery

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder, prices bid will be considered as being based on F.O.B. delivered, freight included.

13. Interpretation of Bid and/or Contract Documents

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

14. Currency

Prices calculated by the bidder shall be stated in U.S. dollars.

15. Pricing

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

16. Notice to Proceed/Purchase Order

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent.

17. Certification

By signing the offer section of the Offer and Acceptance page, bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The bidder hereby certifies that the individual signing the bid is an authorized agent for the bidder and has the authority to bind the bidder to the contract.

18. Definitions

“County” – Jefferson County, Texas.

“Contractor” – The bidder whose proposal is accepted by Jefferson County.

19. Minority-Women Business Enterprise Participation

It is the desire of Jefferson County to increase the participation of Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

GENERAL TERMS AND CONDITIONS OF BIDDING AND TERMS OF CONTRACT

By execution of this document, the vendor accepts all general and special conditions of the contract as outlined below and in the specifications and plans.

1. Bidding

1.1 Bids

All bids must be submitted on the bid form furnished in this package.

1.2 Authorized Signatures

The bid must be executed personally by the vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the vendor shall accompany the bid to become a valid bid.

1.3 Late Bids

Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

1.4 Withdrawal of Bids Prior to Bid Opening

A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows the bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 Withdrawal of Bids After Bid Opening

Bidder agrees that its offer may not be withdrawn or cancelled by the vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 Bid Amounts

Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 Exceptions and/or Substitutions

All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 Alternates

The Invitation for Bid and/or specifications may expressly allow bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 Descriptions

Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 Bid Alterations

Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 Tax Exempt Status

Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 Quantities

Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 Bid Award

Award of contract shall be made to the most responsible, responsive bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended. Jefferson County reserves the right to accept or reject in part or in whole any bid submitted, and to waive any technicalities or informalities for the best interest of the County. Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 Silence of Specifications for Complete Units

All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 Addenda

Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be distributed to all known recipients of bid documents. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 General Bid Bond/Surety Requirements

Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 General Insurance Requirements

Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 Responsiveness

A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery

schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 Responsible Standing of Bidder

To be considered for award, bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 Proprietary Data

Bidder may, by written request, indicate as confidential any portion(s) of a bid that contain proprietary information, including manufacturing and/or design processes exclusive to the vendor. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing Open Records Acts.

1.21 Public Bid Opening

Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. Performance

2.1 Design, Strength, and Quality

Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 Age and Manufacture

All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 Delivery Location

All deliveries will be made to the address(es) specified on the purchase order during normal working hours of 8:00 a.m. to 4:00 p.m., Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 Delivery Schedule

Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

2.5 Delivery Charges

All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 Installation Charges

All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 Operating Instructions and Training

Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 Storage

Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 Compliance with Federal, State, County, and Local Laws

Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA

The bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 Patents and Copyrights

The successful vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 Samples, Demonstrations and Testing

At Jefferson County's request and direction, bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the bidder/vendor.

2.13 Acceptability

All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 Maintenance

Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 Material Safety Data Sheets

Under the “Hazardous Communications Act,” common known as the “Texas Right to Know Act,” a bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 Evaluation

Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners’ Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is **not** the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves the right to contact any bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. Purchase Orders and Payment

3.1 Purchase Orders

A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 Invoices

All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as “N/C” to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 Prompt Payment

In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful bidder(s) is required to pay subcontractors within ten (10) days after the successful bidder receives payment from the County.

3.4 Funding

Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. Contract

4.1 Contract Definition

The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful bidder and Jefferson County.

4.2 Contract Agreement

Once a contract is awarded, the unit prices offered by the successful bidder shall remain firm for the term of the contract. **Contract shall commence on date of award and continue with an option for up to a four (4) year period.**

4.3 Change Order

No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

4.4 Price Re-determination

A price re-determination may be considered by Jefferson County only at the twelve (12) month and twenty-four (24) month anniversary dates of the contract. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.5 Termination

Jefferson County reserves the right to terminate the contract for default if the bidder breached any of the terms therein, including warranties of bidder or if the bidder become insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the bidder in default.

4.6 Conflict of Interest

Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or subcontractor who does business with the County without disclosure.

When conflict of interest is discovered, it shall be grounds for termination of contract.

4.7 Injuries or Damages Resulting from Negligence

Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

4.8 Interest by Public Officials

No public official shall have interest in this contract, in accordance with Texas Local Government Code.

4.9 Warranty

The successful vendor shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 Uniform Commercial Code

The successful vendor and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.

4.11 Venue

This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 Sale, Assignment, or Transfer of Contract

The successful vendor shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.12 Silence of Specifications

The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

SPECIAL REQUIREMENTS/INSTRUCTIONS

The following requirements and instructions supersede General Requirements where applicable.

1. Bid Requirement

Each bidder should submit as a bid this entire IFB, completed where necessary, for example, the IFB cover sheet, the Price Sheets, etc. Use an opaque envelope, **clearly indicating on the outside the Job Number, Job Description**, and marked "SEALED BID". Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB. All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

2. Multiple Vendor Award

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

3. Delivery

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the contractor, at the discretion of, and at no additional charge to, Jefferson County.

4. Payment

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

5. Usage Reports

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

6. Insurance

The contractor shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the contractor. These requirements do not establish limits of the contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements

Public Liability	\$300,000.00
Property Damage	\$300,000.00
Bodily Injury	\$300,000.00
Excess Liability	\$1,000,000.00
Workers' Compensation	Statutory Coverage (see attached)

7. Workers' Compensation Insurance

7.1 Definitions:

- 7.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, TWCC-81, TWCC-82, TWCC-83, or TWCC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.
 - 7.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the contractor's/person's work on the project has been completed and accepted by the governmental entity.
 - 7.1.3 **Persons providing services on the project ("subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.
- 7.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the contractor providing services on the project, for the duration of the project.
 - 7.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract.
 - 7.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.
 - 7.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:
 - 7.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and
 - 7.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.
 - 7.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.
 - 7.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.

- 7.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.
- 7.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:
- 7.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.
 - 7.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.
 - 7.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
 - 7.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:
 - 7.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and
 - 7.9.4.2 the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.
 - 7.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.
 - 7.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and
 - 7.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs I.1. – I.7., with the certificates of coverage to be provided to the person for whom they are providing services.
- 7.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.
- 7.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

MINIMUM SPECIFICATIONS

The following requirements and specifications supersede General Requirements where applicable. Contact Karen J. Smith, MBA, Assistant Purchasing Agent (e-mail: ksmith@co.jefferson.tx.us Phone 409-835-8593), regarding any questions or comments. Please reference bid number 09-143/KJS.

Scope #1

Vendor shall provide Crushed Slag for Jefferson County subject to the terms and conditions stated herein for a period of one (1) year with an option to renew for four (4) additional years beginning on or about Date of Award.

Instructions to Bidders

This bid, when properly accepted by Jefferson County Commissioners' Court, shall constitute a contract equally binding between the successful bidder and Jefferson County. No different or additional terms will become part of this contract.

Before award successful bidder must submit third party laboratory testing to prove the material they are to be awarded meets Jefferson County specifications.

Prices may be adjusted only to reflect increases or decreases in rail rates, or as indicated on bid blank. The County shall require written verification on any increase in rail rates. Orders will be placed on an **as-needed basis** for the duration of the contract. Purchase orders will be released to the successful bidder(s) as required. **MINIMUM ORDERS ARE NOT ACCEPTABLE.**

The County shall reserve the right to waive bid informalities, to reject any or all bids, to award material by line item or by Precinct by line item, and to award to the bidder or bidders making the offer most beneficial to the County. Jefferson County reserves the right to cancel this contract with 15 days' written notification.

F.O.B. point shall be strictly as indicated on bid blanks. Rail delivery material shall be quoted F.O.B. shipping point with separate rate for prepaid rail delivery to the various points in Jefferson County. Truck delivery material shall be quoted F.O.B. Jefferson County delivery zones, as required, with delivery prepaid. Bidder bears freight charges. **Bidder shall supply material from the location closest to the County project site.** Hopper pickup material and other shipping point purchases shall be quoted F.O.B. trucks, shipping point, with freight for the County's account.

LOAD LIMITS. Any vehicle used to deliver materials shall comply with the State law concerning the gross weight of such vehicle load, unless authorized by permit to exceed the legal weight.

The County shall reserve the right to reject the bid of any bidder who does not have certified scales, which shall be certified by the Weights and Measures Division of the Department of Agriculture of the State of Texas, or certified by a company duly registered with the said Department of Agriculture. Each load of material sold on a unit weight basis shall be weighed on certified scales and weigh tickets for each truck shall be presented at time of delivery. Reference is made to TxDOT Standard Specifications for measurement of the various items bid. For those items which require measurement by the ton of 2000 pounds dry weight or require a not-to-exceed moisture and/or light hydrocarbon volatiles

content in the mixture, the bidder shall determine at the time of weighing, the amount of moisture and/or light hydrocarbon volatiles to be deducted from the net weight to determine the quantity of actual material for which payment is to be made.

Alternate bids are not solicited. **Add nothing to this bid**; unsolicited attachments may be discarded and have no bearing on this bid.

If a problem develops with Road Building Material during the year, samples shall be taken by a third party laboratory representative in the presence of representatives from both the County and the successful bidder. If the results of such test reveal the samples submitted do not meet the specifications, the cost of the test shall be at the expense of the successful bidder. The successful bidder shall make satisfactory adjustment for all products delivered which do not comply with Jefferson County's specifications. If the results of the test reveal the samples submitted meet Jefferson County's specification, the County will bear the cost of the test.

Manufacturer's Safety Data Sheets (MSDS) must be provided on all applicable deliveries.

Quantities to be purchased will be on an as-needed basis and may be affected by weather conditions or available funds. The County's previous annual purchases of Road Building Materials are listed below.

<p>Item 247, Flexible Base – Crushed Limestone Base (Supplier shall provide loose weight in lbs./c.y.). These items, which are published in the TXDOT Standard Specifications, shall be defined as "Crushed Limestone Base."</p>	<p>Item 247 Type A Gr 1 CL2 (minimum P.I. 4; maximum P.I. 10)</p>	<p>25,312.66 tons</p>
--	--	-----------------------

These figures are shown solely as basis for bidders to determine the past history of these items, and do not imply any promise that these quantities will be purchased.

Materials shall be measured by normal stockpile weight, that is, by the ton of 2000 pounds at optimum moisture content, or by cubic yard or by gallon, as indicated on the bid blank.

Rail Car Weights. County shall randomly check rail car weights. If rail car weight is less than car billed weight the supplier will be back charged for the difference in the weight, as well as the cost of weighing the cars.

Truck Delivery. Quote delivery via tandem dump truck or by trailer as may be required. It will be the decision of each precinct how materials are delivered. Price for delivery to the five (5) county delivery points listed below shall be price per ton, per mile.

Precinct 1 Stockpile	China Service Center
Precinct 2 Stockpile	Viterbo Road
Precinct 2 Storage Yard	LaBelle Road & Hwy. 365
Precinct 3 Stockpile	Hwy. 124, Hamshire
Precinct 4 Stockpile	Boyt Road

Hopper bids shall list city and address of hopper location as well as hours of operation. Bidders desiring to quote materials loaded onto trucks from barges may list their locations under the Hopper pickup caption.

Texas State Department of Transportation Standard Specification (1995), with the exceptions noted below, shall define the materials in this specification.

If after bid award is made, vendor is unable to supply Jefferson County with materials ordered, vendor shall fax the form letter provided by the County within two (2) hours of request stating why the material cannot be delivered. Jefferson County will then be able

to go out on the open market for the materials that are needed until the vendor faxes another letter informing the County the materials are available again.

Items which are not published in the TXDOT Standard Specification or which modify State Specifications are listed as follows.

<p>Item 302 Type PE GR 4 Modified When tested by Test Method Tex-200F, Part I, the gradation requirements shall be shown at the right.</p> <p>The aggregate shall not contain more than 1.0% by weight of fine dust, clay-like particles and/or silt present when tested in accordance with Test Method Tex-217-F, Part II.</p>	Retained on 5/8" sieve	% 0

CMD-9200-002 ASPHALTIC CONCRETE PATCHING MATERIAL (STOCKPILE STORAGE)

Description

This material is to be manufactured using a special cutback material (SCMI). This specification shall govern for an asphaltic concrete mixture intended primarily as a cool to cold weather stockpile patching mix for maintenance. It shall remain workable in the stockpile for several months and have good adhesion to wet surfaces. The length of satisfactory stockpiling and the lowest temperature at which it can be used will vary according to the type and grade of asphaltic binder specified. It is primarily a crushed stone asphaltic concrete with asphalt additives.

Materials

SCM I (Special Cutback Material I) shall meet the following requirements. SCM I recommended Aggregate II only.

Tests on SCM I:	
Flash Point (Test Method Tex-512-C):	79°C Minimum
Water (Test Method Tex-501C):	0.2% Maximum
Kinematic Viscosity at 60C, cSt (Test Method Tex-529-C):	500 to 1,000
Distillation (Test Method Tex-515-C), expressed as a percent by volume of total distillate to 360C.	

	Minimum	Maximum
Off at 225C	0	0
Off at 260C	0	0.5
Off at 315C	20	60
Residue at 360C, Volume %	76	

Tests on Distillation Residue:	
Penetration at 25C, 150g, 5 sec. ¹	180 Minimum
Ductility at 4C, 1 cm/min (Test Method Tex-503-C):	100 cm Minimum
Solubility in Trichloroethylene (Test Method Tex-507-C):	99% Minimum

Asphaltic Additives. One or more asphaltic additives to prevent stripping of the asphalt from the aggregate in the presence of water and promote bonding to damp or wet surfaces

¹ ASTM D-5 procedure except using cone conforming to ASTM D-217. Also the level of water in the transfer dish shall be lowered to less than the height of the sample and water decanted from top of sample before transferring from the bath to the penetrometer.

shall be incorporated into the mixture. The additive(s) shall be added to the asphalt material at the point of origin or be metered in at the mix plant to provide a uniform concentration of the agent(s). The type and amount of additive(s) used will be approved by the Engineer in the design stage based on the resistance to stripping, as described in Article 3, "Properties of the Mixture" and desired bonding and workability characteristics.

Distillate: When an MC-800 is designated as the asphaltic material to be used, the Engineer may also direct that distillate in amounts not to exceed five percent by weight of the MC-800 be added in order to extend stockpile life and improve cold weather workability. The distillate shall meet the requirements for No. 1 and No. 2 diesel, ASTM D-975, Standard Specification for Diesel Fuel Oils, with the exception that the maximum water content shall not be greater than 0.2 percent.

The distillate shall be metered into the mix plant separately from the MC-800, or with the permission of the Engineer, may be blended with the MC-800.

Aggregate: The aggregate shall meet the requirements for aggregate as specified in Item 334, "Hot Mix – Cold Laid Asphaltic Concrete Pavement."

Properties of the Mixture:

General Testing: When tested according to standard Department Test Methods, the mixture shall comply with the following requirements:

	Minimum	Maximum
Asphalt Content, exclusive of volatiles, percent by weight	3.0	7.0
Hydrocarbon Volatile Content of mix, percent by weight	0.3	1.0
Moisture Content of mix (the requirement does not apply to mixtures produced at mixing temperatures of 79C or less) percent by weight		2.0
Hveem Stability at 60C, percent (cured and molded in accordance with Test Method Tex-206-F)	35 ²	

Mixture Design and Aggregate Gradation: One or more of the gradation types specified in Item 334, "Hot Mix – Cold Laid Concrete Pavement" for optimum density mixtures, or of the open mixture gradations shown below shall be designated by the Engineer on the plans or requisition.

For mixtures to be produced with Item 334, "Hot Mix – Cold Laid Concrete Pavement" gradation, the mixture should be designated in accordance with Test Method Tex-204-F and asphalt content selected to result in laboratory density as follows:

Density (Percent)		
Minimum	Maximum	Optimum
93.5	96.5	95.0

For mixtures to be produced with Gradation II below, the Engineer shall select the asphalt content within the range specified under "Asphalt Content" above:

Sieve Size	% Passing (by weight)
¾"	
½"	100
3/8"	95 – 100
No. 4	17 – 40
No. 10	2 – 15
No. 40	–
No. 80	–
No 200	0 – 3
AC % ³	4.5 – 6.5

² The requirements for Hveem Stability are applicable to mixtures with Item 344, "Hot Mix – Cold Laid Asphaltic Concrete Pavement" gradations only.

³ Recommended asphalt content range.

Resistance to Water Damage: The as-received mix shall be evaluated for resistance to water damage by soaking a 100 gram representative sample of the total mixture in 200 milliliter (ml) of distilled or deionized water at 60 +/- 1C for 24 +/- 2 hours. The soaking test shall be accomplished in a glass beaker of approximately 400 ml. Upon completion of the 24-hour soaking period, the mixture shall be evaluated while submerged in the testing water. The material shall show no visible evidence of stripping.

Preparation of Mixture:

The mixture shall be plant mixed. All production equipment shall meet the requirements of Item 334, "Hot Mix – Cold Laid Concrete Pavement." The asphaltic material shall be heated in accordance with Article 300.3, "Storage, Heating and Application Temperatures." The application temperature for SCM I and SCM II shall be 170F (76C) to 200F (93C) unless otherwise specified by the material supplier. The temperature of the bituminous mixture at the point of discharge from the mixer and the temperature of the aggregate, when mixed with bituminous material, shall not exceed 200F (93C) unless otherwise approved by the Engineer. The mixture shall be mixed until all of the aggregate is uniformly coated.

BID SUBMITTAL CHECKLIST

Items checked below represent components comprising this bid package. If the item **IS NOT** checked, it is **NOT APPLICABLE** to this bid. Bidders are asked to review the package to be sure that all applicable parts are included. If any portion of the package is missing, notify the Purchasing Department immediately. It is the Bidder's responsibility to be thoroughly familiar with all Requirements and Specifications. Be sure you understand the following before you return your bid packet.

As permitted under Article 4413 (32c) V.A.C.S., other governmental entities may wish to participate under the same terms and conditions contained in this contract (i.e., piggyback). In the event any other entity participates, all purchase orders will be issued directly from and shipped directly to the entity requiring supplies/services. Jefferson County shall not be held responsible for any orders placed, deliveries made or payment for supplies/services ordered by another entity. Each entity reserves the right to determine their participation in this contract.

Would bidder be willing to allow other governmental entities to piggyback off this contract, if awarded, under the same terms and conditions? **Yes** **No**

This bid shall remain in effect for ninety (90) days from bid opening and shall be exclusive of federal excise and state and local sales tax (exempt).

The undersigned agrees, if this bid is accepted, to furnish any and all items upon which prices are offered, at the price and upon the terms and conditions contained in the Invitation for Bid, Conditions of Bidding, Terms of Contract, and Specifications and all other items made a part of the accepted contract.

The undersigned affirms that they are duly authorized to execute the contract, that this company, corporation, firm, partnership or individual has not prepared this bid in collusion with any other bidder, and that the contents of this bid as to prices, terms or conditions of said bid have not been communicated by the undersigned nor by any employee or agent to any other bidder or to any other person(s) engaged in this type of business prior to the official opening of this bid. And further, that neither the bidder nor their employees nor agents have been for the past six (6) months directly nor indirectly concerned in any pool or agreement or combination to control the price of goods or services on, nor to influence any person to bid or not to bid thereon.
