INSTRUCTIONS TO BIDDERS

1. Bid Submission

Bids must be submitted in complete original form by mail or messenger to the following address:

Jefferson County Purchasing Department
1149 Pearl Street, First Floor
Beaumont, TX 77701

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

All bids shall be tightly sealed in an opaque envelope and **plainly marked with the Invitation for Bid number**, due date, and the bidder's name and address.

Late bids will not be accepted and will be returned unopened to the bidder.

All bids submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

2. Preparation of Bids

The bid shall be legibly printed in ink or typed.

If a unit price or extension already entered is to be altered, it shall be crossed out and initialed in ink by the bidder.

The bid shall be legally signed and shall include the complete address of the bidder.

Jefferson County is exempt from Federal and State Sales Taxes, and such taxes shall not be included in bid prices.

3. Signatures

All bids, notifications, claims, and statements must be signed by an individual authorized to bind the bidder. The individual signing certifies, under penalty of perjury, that he or she has the legal authorization to bind the bidder.

4. Rejection or Withdrawal

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

5. Award

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected. Jefferson County reserves the right to clarify any contractual terms with the concurrence of the successful bidder; however, any substantial nonconformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment. In addition, Jefferson County

may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best** bid in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one bidder, and/or to reject any or all bids. In the event the lowest dollar bidder meeting specifications is not awarded a contract, bidder may appear before the Commissioners' Court and present evidence concerning bidder responsibility after officially notifying the Purchasing Department of the bidder's intent to appear.

6. Contract

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, together with the Construction Contract Agreement attached as Exhibit A. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

7. Waiver of Subrogation

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

8. Fiscal Funding

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

9. Bid Results

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing Department web page (<http://co.jefferson.tx.us/purchasing/main.htm>) as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

10. Changes and Addenda to Bid Documents

Each change or addendum issued in relation to this IFB document will be on file in the Purchasing Department. In addition, to the extent possible, copies will be mailed to each person registered as having received a set of bid documents. It shall be the bidder's responsibility to make inquiry as to change or addenda issued. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available in the Purchasing Department.

Specifications

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the

specifications or description unless departure or substitution is clearly noted and described in the bid. Jefferson County reserves the right to determine if equipment/product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

11. Delivery

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder, prices bid will be considered as being based on F.O.B. delivered, freight included.

12. Interpretation of Bid and/or Contract Documents

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

13. Currency

Prices calculated by the bidder shall be stated in U.S. dollars.

14. Pricing

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

15. Notice to Proceed/Purchase Order

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent by written NTP or PO.

16. Certification

By signing the offer section of the Offer and Acceptance page, bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The bidder hereby certifies that the individual signing the bid is an authorized agent for the bidder and has the authority to bind the bidder to the contract.

17. Definitions

“County” – Jefferson County, Texas.

“Bidder” – those participants responding to the IFB and entering a bid accordingly with Jefferson County.

“Successful Bidder” - The bidder whose offer is accepted by Jefferson County.

18. Minority-Women Business Enterprise Participation

It is the desire of Jefferson County to increase the participation of Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

19. None Discrimination

The contractor or subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient deems appropriate.

GENERAL TERMS AND CONDITIONS OF BIDDING AND TERMS OF CONTRACT

By execution of this document, the bidder accepts all general and special conditions of the contract as outlined below and in the specifications and plans.

1. Bidding

1.1 Bids

All bids must be submitted on the bid form furnished in this package.

1.2 Authorized Signatures

The bid must be executed personally by the bidder, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the bidder shall accompany the bid to become a valid bid.

1.3 Late Bids

Bids must be in the Purchasing Department before or at 11:00am March 23, 2010. Bids received after 11:00am March 23, 2010, the submission deadline, shall be rejected as non-responsive and returned unopened.

1.4 Withdrawal of Bids Prior to Bid Opening

A bid may be withdrawn before opening by submitting a written request to the Purchasing Agent. If time allows the bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at 11:00am March 23, 2010. Jefferson County reserves the right to withdraw a request for bids before the specified opening date and time.

1.5 Withdrawal of Bids After Bid Opening

Bidder agrees that its offer may not be withdrawn or cancelled by the bidder for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 Bid Amounts

Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 Exceptions and/or Substitutions

All bids meeting the intent of the specifications and plans will be considered for award. Bidders taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. The absence of stated exceptions and/or substitutions shall indicate that the bidder has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 Alternates

The Invitation for Bid and/or specifications may expressly allow bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 Descriptions

Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 Bid Alterations

Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 Tax Exempt Status

Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 Quantities

Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 Bid Award

Award of contract shall be made to the most responsible, responsive bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended. Jefferson County reserves the right to accept or reject in part or in whole any bid submitted, and to waive any technicalities or informalities for the best interest of the County. Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 Silence of Specifications for Complete Units

All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 Addenda

Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be distributed to all known recipients of bid documents. Bidders shall acknowledge receipt of all addenda with submission of bid.

1.16 General Bid Bond/Surety Requirements

Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award. Bids shall be accompanied by a bid guarantee of not less than five percent (5%) of the amount of the total bid which shall be a Certified Check or Cashier's Check payable without recourse to Jefferson County, or a bid bond with corporate surety authorized to conduct business in Texas.

1.17 General Insurance Requirements

Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 Responsiveness

A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 Responsible Standing of Bidder

To be considered for award, bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 Proprietary Data

Bidder may, by written request, indicate as confidential any portion(s) of a bid that contain proprietary information, including manufacturing and/or design processes exclusive to the bidder. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing Open Records Acts.

1.21 Public Bid Opening

Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. Performance

2.1 Design, Strength, and Quality

Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 Age and Manufacture

All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 Delivery Location

All deliveries will be made to the address(es) specified on the purchase order during normal working hours of 8:00 a.m. to 4:00 p.m., Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 Delivery Schedule

Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO (after receipt of order) shall be stated in the space, if provided, on the bid form.

2.5 Delivery Charges

All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 Installation Charges

All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 Operating Instructions and Training

Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 Storage

Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 Compliance with Federal, State, County, and Local Laws

Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances in effect for Jefferson County or the State of Texas at the time of performance.

2.10 OSHA

The bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 Patents and Copyrights

The successful vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 Samples, Demonstrations and Testing

At Jefferson County's request and direction, bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the bidder/vendor.

2.13 Acceptability

All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If dis-

posal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 Maintenance

Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 Material Safety Data Sheets

Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the bidder to furnish this documentation will be cause to reject any bid applying thereto.

2.16 Evaluation

Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is **not** the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves the right to contact any bidder, at any time, to clarify, verify or request information with regard to this bid.

3. Purchase Orders and Payment

3.1 Purchase Orders

A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 Invoices

All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 Prompt Payment

In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receipt and acceptance by the County of the merchandise ordered and of a valid invoice. Successful bidder(s) is required to pay subcontractors within ten (10) days after the successful bidder receives payment from the County.

3.4 Funding

Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. Contract

4.1 Contract Definition/ Contract Agreement

The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful bidder and Jefferson County.

4.3 Change Order

No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the bidder.

4.4 Price Re-determination

A price re-determination may be considered by Jefferson County only at the twelve (12) month and twenty-four (24) month anniversary dates of the contract. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.5 Termination

Jefferson County reserves the right to terminate the contract for default if the bidder breached any of the terms therein, including warranties of bidder or if the bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the bidder in default.

4.6 Conflict of Interest

Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or subcontractor who does business with the County without disclosure.

When conflict of interest is discovered, it shall be grounds for termination of contract.

4.7 Injuries or Damages Resulting from Negligence

Successful bidder shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful bidder, or of any agent, employee, subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful

bidder shall pay any judgment with related court costs, which may be obtained against Jefferson County growing out of such injury or damages.

4.8 Interest by Public Officials

No public official shall have interest in this contract except, in accordance with Texas Local Government Code.

4.9 Warranty

The successful bidder shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 Uniform Commercial Code

The successful bidder and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code, subject to and enforceable according to the laws of the State of Texas.

4.11 Venue

This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 Sale, Assignment, or Transfer of Contract

The successful bidder shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.13 Silence of Specifications

The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

SPECIAL REQUIREMENTS/INSTRUCTIONS

The following requirements and instructions supersede General Requirements where applicable.

1. Bid Requirement

Each bidder should submit as a bid this entire IFB, completed where necessary, for example, the IFB cover sheet, the Price Sheets, etc. Use an opaque envelope, **clearly indicating on the outside the Bid Number, Bid Name**, and marked "**SEALED BID**". Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB. All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court.

2. Multiple Vendor Award

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

3. Delivery

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the contractor, at the discretion of, and at no additional charge to, Jefferson County.

4. Payment

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

5. Usage Reports

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

6. Insurance

The contractor shall, at all times during the term of this contract, maintain insurance coverage with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the contractor. These requirements do not establish limits of the contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements

Public Liability	\$300,000.00
Property Damage	\$300,000.00
Bodily Injury	\$300,000.00
Excess Liability	\$1,000,000.00
Workers' Compensation	Statutory Coverage (see attached)

7. Workers' Compensation Insurance

7.1 Definitions:

- 7.1.1 Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, TWCC-81, TWCC-82, TWCC-83, or TWCC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.
 - 7.1.2 Duration of the project** – Includes the time from the beginning of the work on the project until the contractor's/person's work on the project has been completed and accepted by the governmental entity.
 - 7.1.3 Persons providing services on the project ("subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.
- 7.2** The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the contractor providing services on the project, for the duration of the project.
- 7.3** The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract.
- 7.4** If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.
- 7.5** The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

- 7.5.1** A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and
 - 7.5.2** No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.
- 7.6** The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.
- 7.7** The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.
- 7.8** The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.
- 7.9** The Contractor shall contractually require each person with whom it contracts to provide services on a project to:
 - 7.9.1** Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.
 - 7.9.2** Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.
 - 7.9.3** Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
 - 7.9.4** Obtain from each person with whom it contracts, and provide to the Contractor:
 - 7.9.4.1** A certificate of coverage, prior to the other person beginning work on the project; and
 - 7.9.4.2** the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.
 - 7.9.5** Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.
 - 7.9.6** Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and
 - 7.9.7** Contractually require each person with whom it contracts to perform as required by paragraphs I.1. – I.7., with the certificates of coverage to be provided to the person for whom they are providing services.

7.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.

7.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

MINIMUM SPECIFICATIONS

The following requirements and specifications supersede General Requirements where applicable. Contact Karen J. Smith, MBA, (e-mail: ksmith@co.jefferson.tx.us , Phone: 409-835-8593), regarding any questions or comments. Please reference bid number IFB- 10-020/KJS.

INTRODUCTION

This abatement project will include the proper removal, transportation and disposal of lead-based paint from the Hangar No. 2 Building located at the Southeast Texas Regional Airport in Nederland, Texas. For the purpose of this project, all references to Owner's Representative or Consultant refer to ICU Environmental, Health & Safety. A walk-through of each work area will be conducted at the pre-bid meeting.

SCOPE

The scope and purpose of these specifications is to establish certain regulations, general requirements, and particular requirements necessary for the proper removal, transportation and disposal of lead-based paint located on the structural components, windows, sheathing, vents and other painted surfaces (excluding the interior office building) throughout the Hangar No. 2 Building at the Southeast Texas Regional Airport in Nederland, Texas. All building components with lead-based paint shall be properly handled and recycled per federal regulations.

NOTIFICATIONS

The Contractor shall submit the proper notification as required by the state of Texas.

GENERAL CONDITIONS AND REQUIREMENTS

The following list of conditions and requirements are to be understood as being a general guide in the abatement of the building. It must be noted, however, that there are special requirements listed in the specifications, which are in addition to these general requirements for abatement, and that it is the responsibility of the Contractor to comply with all particular requirements.

- A. The Contractor shall haul off all debris and unsalvageable materials; and no debris or rubble which may pose a threat to public safety will be left on the site overnight. No such debris or material will be placed on a sidewalk or public right-of-way so that it poses a danger to any person.
- B. The Contractor shall provide all labor, materials, equipment, services, testing, supervision, and incidentals necessary to perform work of lead-based paint abatement under this contract in accordance with the following specifications. After abatement the areas disturbed shall be cleaned in accordance with the procedures outlined below.

PARTICULAR WORK REQUIREMENTS

The following particular work requirements and conditions:

- A. Extreme caution shall be taken when working around any fuel storage areas.

HAZARDOUS MATERIALS

- A. Materials defined by the Environmental Protection Agency to be hazardous to the environment or persons, shall be disposed of in accordance with all local, state and federal government regulations and governing laws. This shall be the responsibility of

the Contractor. The Contractor shall furnish written proof of such disposal. The following specifications shall apply:

1. Contractors must be familiar with the contents of this document, included but not limited to the following:
 - Worker Protection
 - All types of Lead-Based Paint (LBP) Testing
 - Measures for control and containment of lead dust and debris
 - Disposal requirements
2. In addition, the Contractor must be able to substantiate sufficient prior de-leading experience and/or education providing same with the foresight of the prevailing LBP abatement techniques and safety practices contained herein.
3. Contractors should be experienced in building renovation and restoration, guidelines for control and the handling of toxic and hazardous materials and protection of the environment and the health of all occupants and workers, as per applicable EPA, OSHA, and NIOSH regulations.
4. The following methods shall be adhered to during the abatement activities. Any deviation from this list shall require Consultant's prior approval:
 - a) HEPA vacuum visible debris in vicinity of abatement area involving lead paint.
 - b) HEPA vacuum loose lead-based paint on concrete and wash down with a 5% trisodium phosphate solution.
 - c) The Contractor shall perform Toxicity Characteristic Leachate Procedure (TCLP) sampling of the waste stream prior to moving waste containers off site. This activity shall be supervised by the Consultant. Samples shall be analyzed for TCLP by US EPA Method 1311.
 - d) Debris: Collect and properly dispose of lead-contaminated paint chips and debris from the floor and surrounding areas of LBP.

B. APPLICABLE REGULATIONS, CODES AND STANDARDS

1. The Contractor shall acknowledge that he is aware of and will maintain strict compliance with all regulations, codes, standards, and ordinances governing the performance of his work. Furthermore, the Contractor shall be responsible for any failure to comply with applicable documents.
2. Applicable documents include but are not limited to the following:
 - a) OSHA 29 CFR 1926.62, Lead Exposure in Construction (Interim Final Rule);
 - b) OSHA 29 CFR 1910.1025, Lead, General Industry;
 - c) OSHA 29 CFR 1910.1200, Hazard Communication;
 - d) OSHA 29 CFR 1910.134, Respiratory Protection;

- e) OSHA 29 CFR 1910.145, Specifications for Accident Prevention Signs and Tags;
 - f) OSHA 29 CFR 1926.59, Hazard Communication;
 - g) US HUD, "Lead-Based Paint: Interim Guidelines for Hazard Identification and Abatement in Public and Indian Housing", September 1990;
 - h) Lead-Based paint Hazard Elimination; Interim Rule Title 24, Part 35, 905, 941, 965, and 968 of the Code of Federal Regulations; and
 - i) EPA 40 CFR 261, Resource Conservation and Recovery Act (RCRA.)
3. The most current issue of each document shall apply. Where conflict among requirements or with these specifications exists, the more strict or stringent requirement or interpretation shall apply.
 4. The Contractor shall provide at least one copy of any applicable EPA, OSHA, State or City regulation, code, or ordinance at the site available for review.
 5. Nothing is intended to relieve the Contractor of any responsibility for compliance with state or local laws, ordinances, codes or regulations governing lead-based abatement. Where state and local requirements are more stringent than the Federal regulations, those state and local requirements must be followed by the Contractor.

C. NOTICES AND SUBMITTALS

1. Prior to commencing of the work, the Contractor shall provide to the Owner's Representative:
 - a) Assurance that the results of worker medical examinations for blood lead level tests are below OSHA guidelines.
 - b) Material Safety Data Sheets (MSDSs) for products used or stored at the job site.
 - c) Name of testing laboratory to be used for analytical testing of waste materials generated as a result of this project.
 - d) The starting and completion dates of the abatement work.
2. During performance of the work, the Contractor shall provide to the Owner's Representative:
 - a) Test results from analysis of waste materials generated.
 - b) Results of OSHA compliance air sampling conducted on Contractor's employees.
 - c) Daily Log.

D. SIGNAGE

1. At least 24 hours before starting removal or handling of lead-painted components, the Contractor shall establish a regulated work area around the contaminated equipment and shall display a warning sign(s), as appropriate.

POISON
NO SMOKING OR EATING

E. **CONTROL OF ACCESS**

No one may enter or remain in a regulated work area at any time during abatement which involves lead paint, unless that person is:

1. The Contractor and his employees.
2. The Owner's Representative's Representative or a state or local enforcement official or his designee.

F. **WORKER PROTECTION**

1. The Contractor shall insure that his employees are protected in accordance with all applicable federal, state and local standards.
2. Initial biological monitoring is required for interim work activities.
3. Workers will wear full body disposable suits with hoods and booties. A TYVEK or similar type of suit may be worn. Suits will be worn in the work area at all times after the pre-abatement inspection and shall remain in use until the area passes final clearance inspection. Light-weight nylon clothes may be worn under the disposable suit, but these underclothes must be changed before leaving the work area and should be laundered separately.
4. Goggles with side shields will be worn when working with a material that may splash or fragment, or if protective eye wear is specified on the MSDS for that product.
5. Personal hygiene practices by all workers in compliance with applicable regulations shall be enforced by the Contractor:
 - a.) No eating, drinking, or use of tobacco shall be allowed in the work area. The Contractor shall provide a clean space, separated from the work area, for eating and drinking purposes.
 - b.) Disposable clothing, such as TYVEK suits, and other personal protective equipment (PPE) must be donned prior to entering the work area. Disposable suits shall be used once, then shall be properly discarded.
 - c.) All workers must wash upon leaving the work area in a wash facility provided by the Contractor. Wash facility will consist of, at least, running potable water, towels, and a HEPA vacuum. Upon leaving the work area, each worker will wash and dry face and hands, HEPA vacuum clothes, and remove and dispose of the work suit as contaminated waste.

G. **CONTROL OF EMISSION AND DUST**

1. When handling/abating lead-contaminated building components outdoors, Contractor shall spread a minimum 10 mil polyethylene sheet beneath the work area under the component to be removed. The drop cloth shall extend a minimum of 3 ft. from the wall for every 10 ft. of vertical distance involved in the work. Lateral distance along the wall should match this distance on either side of the work area.
2. Minimize creation of lead-contaminated dust and airborne particles by using methods and procedures that create the least amount of dust.
3. When working with lead-painted surfaces, Contractor shall exercise care to avoid dislodging any flaking paint from the substrate.

4. Plastic drop cloths, contaminated paper towels, and other dust and debris generated during the abatement shall be carefully folded into the plastic sheeting to avoid shaking dust from the surface. Folded plastic sheeting shall be deposited for temporary storage and testing in a disposal bag.

H. **AIR MONITORING AND INSPECTION**

1. The Contractor shall be responsible for compliance air monitoring of his workers, per OSHA regulation and as detailed in the Lead Safety and Health Plan.
2. Personal air samples representative of a full shift including at least one sample for each job classification in each work area either for each shift or for the shift with the highest exposure level shall be collected and analyzed. Air samples should be taken in accordance with NIOSH Method 7082, or equivalent.
3. Worker exposure levels shall be evaluated with respect to the OSHA Action Level ($30 \mu\text{g}/\text{m}^3$) and the Permissible Exposure Level ($50 \mu\text{g}/\text{m}^3$) as 8-hour Time-Weighted Averages. If measured exposure levels exceed the criteria set for respiratory protection and personal protection of workers, the Contractor shall stop work, shall notify the Owner's Representative, shall attempt to correct and control the operation to reduce the elevated contamination dust levels.
4. After Contractor has completed final clean-up, and performed a visual inspection, the Consultant will perform a detailed visual inspection. All surfaces will be examined for the presence of dust or debris, especially flat surfaces. If dust or debris is found, Contractor shall re-clean the entire work area and a repeat of the detailed visual inspection will occur.

I. **CLEANING SOLUTIONS**

- J. Contractor shall provide solution containing at least one ounce of five percent trisodium phosphate per each gallon of water.

K. **DISPOSAL**

1. Disposal bags shall be, as a minimum, individual, 6 mil thick, leak-tight, manufactured polyethylene bags.
2. Polyethylene wrap shall be 6 mil and 10 mil polyethylene sheeting.
3. Disposal drums shall meet US Department of Transportation (DOT) regulations for disposal of respective waste(s) generated.
4. Disposal labels shall identify waste materials (before TCLP testing.) Hazardous wastes shall be identified as such in compliance with RCRA regulations for hazardous materials.

L. **CLEAN UP OF WORK AREA**

1. Clean-up shall be performed by contractor as follows:
 - a. After the abatement work has been completed, remove all debris and dispose of it in designated containers.
 - b. Deposit all lead-contaminated waste, including sealing tape, plastic sheeting, mop heads, sponges, filters, and disposable clothing, etc. in double plastic bags, at least 6 mil thick or single 10 mil thick, and seal the bags.
 - c. After vacuum cleaning, phosphate wash concrete surface in the work area with a solution containing at least 1 ounce of 5 percent trisodium phosphate to each gallon of water.
 - d. After floor washing has dried, HEPA vacuum clean surfaces until no visible residue remains.

M. **WASTE DISPOSAL**

1. The Contractor shall remove daily all lead waste from the work area.

2. The Contractor shall be responsible for removing, controlling, waste materials, all treated as hazardous waste until classification through testing is completed. This includes not only solid wastes but also waste water generated from interim and final clean-up.
 - a. During the actual abatement, the Contractor shall not leave debris in the work area or adjacent property, incinerate debris, dump waste into landfills, or introduce lead-contaminated water into storm or sanitary sewers.
3. For disposal of waste materials, the requirements of the Resource Conservation and Recovery Act (RCRA) as well as applicable state and local solid waste plan requirements shall be complied with.
 - a. Testing of lead-contaminated waste materials per the US EPA's Toxicity Characteristics Leaching Procedure (TCLP) will be conducted.
 - b. If the TCLP results equal or exceed 5.0 mg/l of lead, the waste must be handled as hazardous waste, to be transported to a licensed treatment, storage, and disposal facility (TSDF).
 - c. If the TCLP results are below the regulatory threshold of 5.0 mg/l, the wastes are not considered as being hazardous and can be disposed of as construction debris.
 - d. Results of TCLP testing and analysis will be submitted to the Consultant before disposal of the particular waste stream.
 - e. The following waste materials will be tested to determine whether or not they are hazardous wastes:
 - 1.) Lead paint chips.
 - 2.) Waste water.
 - 3.) Dust from HEPA filters and from damp sweeping.
 - 4.) Plastic sheets, duct tape, or tape used to cover floors and other services during the abatement activities.
 - 5.) Rags, sponges, mops, HEPA filters, respirator cartridges, scrapers, and other materials used for cleanup.
 - 6.) Disposable work clothes and respirator filters.
 - 7.) Any other items contaminated with lead-based paint.
 - f. Non-hazardous solid wastes shall be placed in double (6 mil) or single (10 mil) polyethylene bags that are air tight and puncture resistant.
 - 1.) The Contractor shall contain and properly dispose of all liquid waste, including lead-dust contaminated wash water.
 - 2.) Exteriors of all containers and disposal bags shall be HEPA vacuumed prior to their removal from the work area and shall be wet wiped. Containers and bags should then be moved into the designated storage area.
 - 3.) The Contractor shall carefully place the containers into a truck or dumpster used for disposal.
 - g. Disposal of Hazardous Waste (as determined by analytical testing): The Contractor shall be required to comply with the RCRA regulations.
 - 1.) Lead-contaminated debris shall not be stored in the work area while awaiting testing and removal. A temporary hazardous waste storage area shall be designated and managed for storage, in compliance with all federal, state, and local regulations.
 - 2.) Waste containers used will comply with EPA and DOT regulations for containers used in storing and hauling hazardous wastes.
 - 3.) If the Contractor is not a certified hazardous waste transporter, a subcontract shall be entered into with a certified transporter to move the hazardous wastes. The third party hauler shall be required to follow RCRA regulations, and all manifestation of the transport and disposal of the hazardous wastes shall be completed and submitted to the Owner's Representative.

- 4.) Copies of transport and disposal manifests shall be submitted to the Owner's representative for distribution to Owner's Project Management team and Environmental Management and Hazardous Waste Program.

N. **POST ABATEMENT SUBMITTALS**

1. The Contractor shall provide a total of 5 copies of each submittal. The submittals will be provided to the Owner's Representative for distribution to Owner's Project Management team, and Environmental Management and Hazardous Waste Program. Each set of submittals will be bound using three-hole punch paper.
2. The Contractor shall submit to the Owner's Representative copies of all manifests for the transportation and disposal of solid and hazardous wastes generated.
3. The Contractor shall submit to the Owner's Representative copies of all records indicating that the abatement work has been performed in compliance with applicable regulation and these specifications.

GOOD FAITH EFFORT (GFE)
DETERMINATION CHECKLIST**

This information must be submitted with your bid.

Instructions: In order to determine if a “Good Faith Effort” was made in soliciting HUBs for subcontracting opportunities, the following checklist and supporting documentation shall be completed by the Prime Contractor/Consultant, and returned with the Prime Contractor/Consultant’s bid. This list contains the **minimum** efforts that should be put forth by the Prime Contractor/Consultant when attempting to achieve or exceed the goals of HUB Subcontractor participation. The Prime Contractor/Consultant may extend his/her efforts in soliciting HUB Subcontractor participation beyond what is listed below.

Did the Prime Contractor/Consultant . . .

- Yes No 1. To the extent practical, and consistent with standard and prudent industry standards, divide the contract work into the smallest feasible portions, to allow for maximum HUB Subcontractor participation?
- Yes No 2. **Notify** in writing a reasonable number of HUBs, allowing sufficient time for effective participation of the planned work to be subcontracted?
- Yes No 3. **Provide** HUBs that were genuinely interested in bidding on a subcontractor, adequate information regarding the project (i.e., plans, specifications, scope of work, bonding and insurance requirements, and a point of contract within the Prime Contractor/Consultant’s organization)?
- Yes No 4. **Negotiate** in good faith with interested HUBs, and not reject bids from HUBs that qualify as lowest and responsive bidders?
- Yes No 5. **Document** reasons HUBs were rejected? Was a written rejection notice, including the reason for rejection, provided to the rejected HUBs?
- Yes No 6. If Prime Contractor/Consultant has zero (0) HUB participation, **please explain the reasons why.**

**If “No” was selected, please explain and include any pertinent documentation with your bid.
If necessary, please use a separate sheet to answer the above questions.**
