Paragraph 8., page 16 of specifications is revised as shown below:

8. **Successful bidder shall make deliveries within 24 hours of order.** Transport delivery vehicles shall be equipped with meters capable of printing registrations on the invoice before and after delivery. The amount delivered shall be so recorded on each delivery ticket.

If delivery truck is not equipped with a meter, the driver shall notify a representative of Jefferson County at the site upon arrival. The Jefferson County representative shall measure the level of fuel in the tank before and after the delivery is made, to ensure that an accurate delivery amount is recorded. Both measurements, as well as the signatures of the driver and the Jefferson County representative, shall be recorded on the bill of lading or delivery ticket.
