Instructions to Bidders

1. Bid Submission

Bids must be submitted in complete original form by mail or messenger to the following address:

Jefferson County Purchasing Division
1149 Pearl Street, First Floor
Beaumont, TX 77701

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

All bids shall be tightly sealed in an opaque envelope and **plainly marked with the Invitation for Bid number, due date, and the bidder's name and address.**

Late bids will not be accepted and will be returned unopened to the bidder.

All bids submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

2. Courthouse Security

Bidders are advised that all visitors to the Courthouse must pass through Security. **Bidders planning to hand deliver bids must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal.** Mondays and Tuesdays are particularly heavy days. Bidders are strongly urged to plan accordingly.

3. Preparation of Bids

The bid shall be legibly printed in ink or typed.

If a unit price or extension already entered is to be altered, it shall be crossed out and initialed in ink by the bidder.

The bid shall be legally signed and shall include the complete address of the bidder.

Jefferson County is exempt from Federal and State Sales Taxes, and such taxes shall not be included in bid prices.

4. Signatures

All bids, notifications, claims, and statements must be signed by an individual authorized to bind the bidder. The individual signing certifies, under penalty of perjury, that he or she has the legal authorization to bind the bidder.

5. County Holidays – 2013

May 27	Monday	Memorial Day
July 4	Thursday	Independence Day
September 2	Monday	Labor Day
November 11	Monday	Veterans Day
November 28-29	Thursday-Friday	Thanksgiving
December 25-26	Wednesday-Thursday	Christmas

6. Rejection or Withdrawal

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right

to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

7. Award

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected. Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment. In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

8. Contract

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

9. Waiver of Subrogation

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

10. Fiscal Funding

A multi-year contract (if requested by the specifications) continuing as a result of an extension option must include fiscal funding out. If, for any reason, funds are not appropriated to continue the contract, said contract shall become null and void.

11. Bid Results

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page (<http://co.jefferson.tx.us/purchasing/main.htm>) as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Division.

12. Changes and Addenda to Bid Documents

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web

site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

13. Specifications

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid. Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

14. Delivery

Bids shall include all charges for delivery, packing, crating, containers, etc. Unless otherwise stated by the bidder (in writing on the included Bid Form), prices bid will be considered as being based on F.O.B. destination/delivered freight included.

15. Interpretation of Bid and/or Contract Documents

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

16. Currency

Prices calculated by the bidder shall be stated in U.S. dollars.

17. Pricing

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

18. Notice to Proceed/Purchase Order

The successful bidder may not commence work under this contract until authorized to do so by the Purchasing Agent.

19. Certification

By signing the offer section of the Offer and Acceptance page, bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The bidder hereby certifies that the individual signing the bid is an authorized agent for the bidder and has the authority to bind the bidder to the contract.

20. Definitions

"County" – Jefferson County, Texas.

"Contractor" – The bidder whose proposal is accepted by Jefferson County.

21. Minority-Women Business Enterprise Participation

It is the desire of Jefferson County to increase the participation of Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

General Terms and Conditions Of Bidding and Terms Of Contract

By execution of this document, the vendor accepts all general and special conditions of the contract as outlined below and in the specifications and plans.

1. Bidding

1.1 Bids. All bids must be submitted on the bid form furnished in this package.

1.2 Authorized Signatures. The bid must be executed personally by the vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the vendor shall accompany the bid to become a valid bid.

1.3 Late Bids. Bids must be in the office of the Jefferson County Purchasing Agent before or at the specified time and date bids are due. Bids received after the submission deadline shall be rejected as non-responsive and returned unopened.

1.4 Withdrawal of Bids Prior to Bid Opening. A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 Withdrawal of Bids after Bid Opening. Bidder agrees that its offer may not be withdrawn or cancelled by the vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 Bid Amounts. Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 Exceptions and/or Substitutions. All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 Alternates. The Invitation for Bid and/or specifications may expressly allow bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 Descriptions. Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 Bid Alterations. Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 Tax Exempt Status. Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net,

exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 Quantities. Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 Bid Award. Award of contract shall be made to the most responsible, responsive bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended. Jefferson County reserves the right to accept or reject in part or in whole any bid submitted, and to waive any technicalities or informalities for the best interest of the County. Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 Silence of Specifications for Complete Units. All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 Addenda. Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 General Bid Bond/Surety Requirements. Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 General Insurance Requirements. Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 Responsiveness. A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 Responsible Standing of Bidder. To be considered for award, bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 Proprietary Data. Bidder may, by written request, indicate as confidential any portion(s) of a bid that contain proprietary information, including manufacturing and/or design processes exclusive to the vendor. Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing Open Records Acts.

1.21 Public Bid Opening. Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. Performance

2.1 Design, Strength, and Quality. Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 Age and Manufacture. All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

2.3 Delivery Location. All deliveries will be made to the address(es) specified on the purchase order during normal working hours of 8:00 a.m. to 4:00 p.m., Monday through Friday, unless otherwise authorized by the Purchasing Agent or designee.

2.4 Delivery Schedule. Delivery time may be an important consideration in the evaluation of best value. The maximum number of days necessary for delivery ARO shall be stated in the space, if provided, on the bid form.

2.5 Delivery Charges. All delivery and freight charges, F.O.B. destination shown on Jefferson County purchase order, as necessary to perform contract are to be included in the bid price.

2.6 Installation Charges. All charges for assembly, installation and set-up shall be included in the bid price. Unless otherwise stated, assembly, installation and set-up will be required.

2.7 Operating Instructions and Training. Clear and concise operating instructions and descriptive literature will be provided in English, if requested. On-site detailed training in the safe and efficient use and general maintenance of item(s) purchased shall be provided as needed at the request of Jefferson County. Instructions and training shall be at no additional cost to the County.

2.8 Storage. Bidder agrees to provide storage of custom ordered materials, if requested, for up to thirty (30) calendar days.

2.9 Compliance with Federal, State, County, and Local Laws. Bids must comply with all federal, state, county and local laws, including, but not limited to, all applicable standard safety, emission, and noise control requirements. Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA. The bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 Patents and Copyrights. The successful vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

2.12 Samples, Demonstrations and Testing. At Jefferson County's request and direction, bidder shall provide product samples and/or testing of items bid to ensure compliance with specifications. Samples, demonstrations and/or testing may be requested at any point prior to or following bid award. Samples, demonstrations and/or testing may be requested upon delivery and/or any point during the term of resulting contract. All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the bidder/vendor.

2.13 Acceptability. All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified

to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 Maintenance. Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 Material Safety Data Sheets. Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 Evaluation. Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves the right to contact any bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. Purchase Orders and Payment

3.1 Purchase Orders. A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. The County will not be held responsible for any work orders placed and/or performed without a valid current purchase order number. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 Invoices. All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 Prompt Payment. In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Successful bidder(s) is required to pay subcontractors within ten (10) days after the successful bidder receives payment from the County.

3.4 Funding. Jefferson County is operated and funded on an October 1 to September 30 basis; accordingly, the County reserves the right to terminate, without liability to the County, any contract for which funding is not available.

4. Contract

4.1 Contract Definition. The General Conditions of Bidding and Terms of Contract, Specifications, Plans, Bidding Forms, Addenda, and any other documents made a part of this bid shall constitute the complete bid. This bid, when duly accepted by Jefferson County, shall constitute a contract equally binding between the successful bidder and Jefferson County.

4.2 Contract Agreement. Once a contract is awarded, the unit prices offered by the successful bidder shall remain firm for the term of the contract. Contract shall commence on date of award and, upon agreement between vendor(s) and Jefferson County, may be renewed annually for up to four (4) additional years.

4.3 Change Order. No different or additional terms will become part of this contract with the exception of a change order. No oral statement of any person shall modify or otherwise change, or affect the terms, conditions or specifications stated in the resulting contract. All change orders to the contract will be made in writing and at the discretion and approval of Jefferson County. No change order will be binding unless signed by an authorized representative of the County and the vendor.

4.4 Price Re-determination. A price re-determination may be requested at the time of annual renewal. All requests for price re-determination shall be in written form. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.5 Termination. Jefferson County reserves the right to terminate the contract for default if the bidder breached any of the terms therein, including warranties of bidder or if the bidder becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies which Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Jefferson County reserves the right to award canceled contract to the next lowest bidder. Bidder, in submitting this bid, agrees that Jefferson County shall not be liable to prosecution for damages in the event that the County declares the bidder in default.

4.6 Conflict of Interest. Employees of the County are not permitted to maintain financial interest in, or receive payment, directly or indirectly, borrow from, lend to, invest in, or engage in any substantial financial transaction with any individual, organization, supplier, or subcontractor who does business with the County without disclosure. When conflict of interest is discovered, it shall be grounds for termination of contract.

4.7 Injuries or Damages Resulting from Negligence. Successful vendor shall defend, indemnify and save harmless Jefferson County and all its officers, agents and employees from all suits, actions, or other claims of any character, name and description brought for or on account of any injuries or damages received or sustained by any person, persons, or property on account of any negligent act or fault of the successful vendor, or of any agent, employee, subcontractor or supplier in the execution of, or performance under, any contract which may result from bid award. Successful vendor shall pay any judgment with cost which may be obtained against Jefferson County growing out of such injury or damages.

4.8 Interest by Public Officials. No public official shall have interest in this contract, in accordance with Texas Local Government Code.

4.9 Warranty. The successful vendor shall warrant that all materials utilized in the performance of this contract shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title.

4.10 Uniform Commercial Code. The successful vendor and Jefferson County agree that both parties have all rights, duties, and remedies available as stated in the Uniform Commercial Code.

4.11 Venue. This agreement will be governed and construed according to the laws of the State of Texas. This agreement is performable in the County of Jefferson, Texas.

4.12 Sale, Assignment, or Transfer of Contract. The successful vendor shall not sell, assign, transfer or convey this contract, in whole or in part, without the prior written consent of Jefferson County.

4.13 Silence of Specifications. The apparent silence of these specifications as to any detailed description concerning any point, shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications shall be made on the basis of this statement.

Special Requirements/Instructions

The following requirements and instructions supersede General Requirements where applicable.

1. Bid Requirement

Each bidder shall insure that all parts of the bid are **completed and returned**. The Table of Contents indicates specifically which pages need to be returned; these pages shall constitute the vendor's bid. Vendor shall use an opaque envelope, clearly indicating on the outside the **Bid Number, Bid Name, and marked "SEALED BID"**. Jefferson County shall not be responsible for any effort or cost expended in the preparation of a response to this IFB. All protests should be coordinated through the Purchasing Office prior to award recommendation to Commissioners' Court. **Bidders shall submit one (1) original and two (2) copies of the bid.**

2. Multiple Vendor Award

Jefferson County reserves the right to award this contract to more than one vendor at the County's discretion.

3. Delivery

If delivery is required, all items must be packaged so as to be protected from damage during shipping and handling. Any item(s) damaged in shipping must be replaced in kind, or repaired, by the contractor, at the discretion of, and at no additional charge to, Jefferson County.

4. Payment

Jefferson County will pay original invoices that clearly itemize the goods and/or services provided as to quantity, part number, description, price, applicable discount (if any), labor charges showing time differential, if applicable and if previously agreed to, and delivery, installation, and set-up costs, if applicable and if previously agreed to. Only charges as stated on the Bid Form(s) submitted as a part of the bid will be considered.

Invoices must indicate Jefferson County as applicable, the address to which the product(s) and/or service(s) were delivered, and the applicable purchase order number. Invoices will be matched to delivery tickets prior to payment; therefore, all delivery tickets should have an accurate description of the product(s) and/or service(s).

5. Usage Reports

Jefferson County reserves the right to request, and receive at no additional cost, up to two (2) times during the contract period, a usage report detailing the products and/or services furnished to date under a contract resulting from this IFB. The reports must be furnished no later than five (5) working days after written request and itemize all purchases to date by Jefferson County department, description of each item purchased, including manufacturer, quantity of each item purchased, per unit and extended price of each item purchased, and total amount and price of all items purchased.

6. Insurance

The contractor (including any and all subcontractors as defined in Section 7.1.3 below) shall, at all times during the term of this contract, maintain insurance coverages with not less than the type and requirements shown below. Such insurance is to be provided at the sole cost of the contractor. These requirements do not establish limits of the contractor's liability.

All policies of insurance shall waive all rights of subrogation against the County, its officers, employees and agents.

Contractor shall furnish Jefferson County with Certificate of Insurance naming Jefferson County as additional insured.

All insurance must be written by an insurer licensed to conduct business in the State of Texas.

Minimum Insurance Requirements

Public Liability	\$1,000,000.00
Excess Liability	\$1,000,000.00
Property Insurance	Improvements & Betterments
Workers' Compensation	Statutory Coverage (see attached)

7. Workers' Compensation Insurance

7.1 Definitions:

7.1.1 **Certificate of coverage ("Certificate")** – A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement, DWC-81, DWC-82, DWC-83, or DWC-84 showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a project, for the duration of the project.

7.1.2 **Duration of the project** – Includes the time from the beginning of the work on the project until the contractor's/person's work on the project has been completed and accepted by the governmental entity.

7.1.3 **Persons providing services on the project ("subcontractor") in article 406.096** – Includes all persons or entities performing all or part of the services under the contractor has undertaken to perform on the project, regardless of whether that person contracted directly with the contractor and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractor, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the project. "Services" includes, without limitation, providing, hauling or delivering equipment or materials, or providing labor, transportation, or other service related to a project. "Services" does not include activities unrelated to the project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

7.2 The Contractor shall provide coverage, based on proper reporting of classification code and payroll amounts and filing any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the contractor providing services on the project, for the duration of the project.

7.3 The Contractor must provide a certificate of coverage to the governmental entity prior to being awarded the contract – refer to Section 6 above.

7.4 If the coverage period shown on the Contractor's current certificate of coverage ends during the duration of the project, the Contractor must, prior to the end of the coverage period, file a new certificate of coverage with the governmental entity showing that coverage has been extended.

7.5 The Contractor shall obtain from each person providing services on a project, and provide to the governmental entity:

7.5.1 A certificate of coverage, prior to that person beginning work on the project, so the governmental entity will have on file certificates of coverage showing coverage for all persons providing services on the project; and

7.5.2 No later than seven (7) days after receipt by the Contractor, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate ends during the duration of the project.

7.6 The Contractor shall retain all required certificates of coverage for the duration of the project and for one (1) year thereafter.

- 7.7 The Contractor shall notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the contractor knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project.
- 7.8 The Contractor shall post on each project site a notice, in the text, form and manner prescribed by the Texas Department of Workers' Compensation, informing all persons providing services on the project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.
- 7.9 The Contractor shall contractually require each person with whom it contracts to provide services on a project to:
 - 7.9.1 Provide coverage, based on reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all its employees providing services on the project, for the duration of the project.
 - 7.9.2 Provide to the Contractor, prior to that person beginning work on the project a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the project, for the duration of the project.
 - 7.9.3 Provide the Contractor, prior to the end of coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the project.
 - 7.9.4 Obtain from each person with whom it contracts, and provide to the Contractor:
 - 7.9.4.1 A certificate of coverage, prior to the other person beginning work on the project; and
 - 7.9.4.2 the coverage period, if the coverage period shown on the current certificate of a new certificate of coverage showing extension of coverage, prior to the end of coverage ends during the duration of the project.
 - 7.9.5 Retain all required certificates of coverage on file for the duration of the project and for one (1) year thereafter.
 - 7.9.6 Notify the governmental entity in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the project; and
 - 7.9.7 Contractually require each person with whom it contracts to perform as required by paragraphs I.1. – I.7., with the certificates of coverage to be provided to the person for whom they are providing services.
- 7.10 By signing this contract or providing or causing to be provided a certificate of coverage, the Contractor is representing to the governmental entity that all employees of the contractor who will provide services of the project will be covered by workers' compensation coverage for the duration of the project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self-Insurance Regulation. Providing false or misleading information may subject the contractor to administrative penalties, criminal penalties, civil penalties, or other civil actions.
- 7.11 The Contractor's failure to comply with any of these provisions is a breach of contract by the Contractor which entitles the governmental entity to declare the contract void if the Contractor does not remedy the breach within ten (10) days after receipt of notice of breach from the governmental entity.

Ford Park Arena House Public Address/Sound System Specifications

Purpose:

To replace the existing Public Address System in the Arena with a more comprehensive, superior quality, and flexible configuration sound system.

Project Phasing:

The project will be scalable and divided into two phases. The completion of Phase one must include a fully functioning audio system with enough coverage to facilitate the arena in a 360 degree orientation. In addition to the listed equipment in the IFB specifications below, Phase one must incorporate the following existing equipment into overall system functionality:

1. Currently installed loudspeakers, horns, and subwoofers
2. Connectors, fly ware, and cabling
3. Amplifiers, rack cases, mixers, and processor

Phase one of the project to be completed on or before December 3rd, 2013. The installation must be coordinated with the facility (so as not to interfere with scheduled events).

Phase two of the project will be let for bid and awarded at a later date.

Bid Specification Objectives:

- Loudspeaker Equipment
- Amplification
- System Processing
- Rigging Hardware
- Cabling

- Equipment Racks
- Digital Console
- Wireless Network
- Electrical Installation
- System Installation
- Existing Equipment Demo

Objective Overviews

1. Loudspeaker Equipment

- a. Loudspeaker equipment to include the following products from the Yorkville VTC Line. Four versions of all systems to be used. Installation version or any substitutions of equipment will not be accepted. Array configurations and locations will be provided by Ford Park staff at the time of installation.

Loudspeaker equipment should be the following systems and quantities:

- i. Yorkville VTC EL210T – qty16
 - ii. Yorkville VTC ELS212T – qty4
 - iii. Yorkville VTC ELB8 – qty4
- b. System design concept to be modular\portable- built in the following array configurations to provide coverage for full house, half house, house in round, and house sideways events. All arrays configurations will not be usable until the completion of Phase II.

Array configurations to be:

- i. Full House
 1. Two main arrays of 16 EL210Ts
 2. Two sub arrays of 4 ELS212Ts
- ii. Half house – two configurations
 1. Two main arrays of 16 EL210Ts
 2. Two sub arrays of 4 ELS212Ts

Or

 3. Four arrays of 8 EL210Ts with 2 ELS212Ts
- iii. House in Round
 1. South array of 8 EL210Ts with 2 ELS212Ts
 2. North array of 8 EL210Ts with 2 ELS212Ts
 3. West array 1 of 4 EL210Ts with 1 ELS212Ts
 4. West array 2 of 4 EL210Ts with 1 ELS212Ts
 5. East array 1 of 4 EL210Ts with 1 ELS212Ts
 6. East array 2 of 4 EL210Ts with 1 ELS212Ts
- iv. House Sideways
 1. Four arrays of 8 EL210Ts with 2 ELS212Ts

2. Amplification

- a. Equipment amplification to be provided by Yorkville Sound. Amplifier quantities are built for bi-amp configurations with no less than a 4ohm load per channel. Amplifiers to be provided and installed into equipment racks provided by contractor. All amplifiers will be labeled according to corresponding loudspeakers. Contractor should rack, wire, and group amplifiers into groups coinciding with the following base array configuration. That group should be one amp for subs 1&2 and four amps for boxes 1-8 HI\MID. These group configurations should be repeated four times. The following amplifiers are to be provided and installed as part of Phase I. No substitutions will be accepted.
 - i. Yorkville AP-4K – qty10

3. System Processing

- a. System processing to be two part processing chain- main house and loudspeaker processors. House processor will serve as routing point for Console Left\Right\Front Fill and Floor Left\Right\SUB\Front Fill signal control, and will be provided as part of Phase II. Contractor is responsible for providing and installing all cabling from console to house processor. Contractor is responsible for providing and installing drive snake for floor inputs. Drive snake configuration discussed in Cabling Objective. Loudspeaker processor to serve as system management and manufacture preset processing. Loudspeaker processor to be configured with latest Yorkville VTC presets for the AP-4k amplifier and VTC loudspeakers. House processor will be assigned presets for system management. Preset building to be built and configured by contractor. All presets must be saved externally and provided to Ford Park staff via USB jump drive. No substitutions will be accepted. House processor to be located in control booth using existing equipment rack. Loudspeaker processors to be located in amplifier equipment racks provided by contractor.
 - i. Yorkville DLMS4080 – qty1

4. Rigging Hardware

- a. The object of the rigging hardware is to provide a flexible solution for suspending the speaker systems in multiple locations throughout the arena. The speaker systems will be suspended from one point using one Columbus Mckinnon-ET 1ton chain motors. This gives the venue the ability to remove or re-hang the speaker systems as needed. Contractor is responsible for providing and installing a complete chain motor rigging system to include the following rigging hardware. Contractor must completely configure new chain motors for safe equipment operation. Safe operation to include rigging chain lubricated to manufacture specifications, electric chain brakes set for reverse operation, chain limits switches set for 60' chain length. No substitutions will be accepted. Contractor should note, that rigging hardware will be provide in stages as per Phase I and Phase II. Phase I should include the following equipment.
 - i. 1 Motion Labs 4channel dual twist motor control – enclosed in a steel liner
 - ii. 4 dual twist power and control motor cables. Cable lengths must reach from motor control, across catwalk, to speaker system position, and down to floor. Cables must be made of SJ00W type cabling and be no less than 14awg per conductor.
 - iii. 1 Motion Labs 8channel remote handset
 - iv. 1 Motion Labs remote extension cable – must reach across catwalk and down to floor for rigging as need.

- v. All steel wire rope slings and shackles to prep 4 positions to suspend speaker system. Slings and shackles must be fly rated equipment and must maintain 5:1 safety weight rating. 4 positions must include 1 point per position. Positions will be identified by Ford Park staff

5. Cabling

- a. System cabling to be two part – speaker cables and drive\processing cabling. All speaker cabling will be installed in a manner that the cabling can be moved around the venue as needed. Speaker cabling to be black rubber jacketed cable. No installation grade cable will be accepted. Speaker cable configuration to provide no more than two EL210 speaker enclosures per amp channel (in bi-amp configuration), and one ELS212 sub per amp channel. Cabling must keep a consistent 4ohm load through the distribution scheme and may not add more than .5ohms of resistance due to cable length. All speaker cable to be provided and installed by contractor in the following manner. Drive snake will provide as part of Phase II. No substitutions will be accepted.
 - i. 2RU Rack panel in amplifier racks to provide mass pin disconnects. Panel must be custom stenciled to identify connector and its coordinating amp channel and speaker enclosure. No stick on labels will be accepted. Stenciling to identify rack panel and mass pin connectors as Left Panel (A-array, B-array) and Right Panel (A-array, B-array). Panels to provide cabling fan-out, which should be routed around amplifier racks and attached to appropriate amplifier channels. Fan-out cables to be attached to amplifiers with latching speakon connectors. No banana or bare wire connections will be accepted.
 - ii. Speaker cabling to be composed of 13awg multi conductor rubberized speaker cable. Speaker cable trunks to route from amp rack mass pin panel across catwalk, ceiling, and down to speaker system array. Lengths must be determined by contractor and must reach any point from catwalk, through ceiling, to floor.
 - iii. Speaker cable trunks to be broken out using mass pin breakouts to 4pin speaker fan-outs. Fan outs to be labeled and protected with clear heat-shrink so that they identify the coordinating amp channel and speaker enclosure. Fan-outs must be rubberized jacketed cabling and be no less than 13awg cable conductors. Breakout wiring must be built with a sealed metal enclosure. Contractor cannot cut and fan out speaker cable trunks with heat shrink or electrical tape.

6. Equipment Racks

- a. Equipment racks to be from Middle Atlantic racks solutions. Racks to be installed in ceiling catwalk. Racks must be secured to catwalks in a solid mechanical method. 3 sides must be accessible at all time. All unused rack spaces must be filled with blank rack panels. Racks must be black in color. Contractor to provide and install equipment racks as follows. Final rack locations will be approved by Ford Park staff. No substitutions will be accepted.
 - i. Left rack - 27space, 20inches deep, and with rear door option
 - ii. Right rack - 27space, 20inches deep, and with rear door option
 - iii. Motor control rack - 21space, 20inches deep, and with rear door option
 - iv. Blank rack panels – as needed

7. Electrical installation

- a. All electrical work to be included in contractor bid. Electrical expense should include the addition of the following new circuits and demo of the old existing circuits; including piping and wiring. Contractor is responsible for supplying and installing all electrical hardware. All new electrical equipment must be installed in accordance with current electrical codes and be performed by a licensed electrical installer. All new electrical service to be installed in a permanent design scheme and cannot contain SOOW or "temporary" electrical power outlets. No substitutions will be accepted. Bid is to include the following new circuits:
 - i. 14 - 20amp 120v circuits. Circuits to be hard-piped to amp racks, through rigid conduit, and terminated in 1900 box, with standard edison receptacles. 2 of the 14 circuits will be terminated in 1900 box, with standard quad edison receptacles. No flexible conduit will be accepted, and absolutely no SOOW cabling can be used. Amps to be attached to circuits in following configuration:
 1. 8 circuits for HI\MID amps
 2. 4 circuits for sub amps.
 3. 2 quad circuits for processing equipment
 - ii. All 14 new circuits to be landed in equipment racks – located on rear left side. Conduit and 1900 boxes to be attached to equipment racks in a secure manner.
 - iii. 1 – 30amp 3-phase circuit. Circuit to be hard-piped to rigging rack through rigid conduit and terminated into 1900 box with Hubbell 2810 (NEMA L21-30R) receptacle.
 - iv. All circuits to be from sound power breaker cabinet located in catwalk.

8. System Installation

- a. Contractor is responsible for all installation expense to include labor, freight and shipping cost, and training. System will be installed and be a 100% functioning sound system before project is agreed to be completed. Contractor is responsible for proving as built drawings to Ford Park staff and provide training on system operation as need.

9. Existing Equipment Demo

- a. Contractor is responsible for removing all existing sound system equipment. Equipment will include all cabling, amp racks, speaker system, fly brackets, any and all rigging hardware. NOTE... existing sound system cannot be removed until the new speaker system is 100% operational. Approval to start the demo process must be obtained by Ford Park staff. Once demo is completed equipment must be transported to storage location identified by Ford Park staff. Contractor is responsible for transporting equipment as needed. Contractor should note, East and West wing speakers will be removed as part of Phase I demo process.

Phase One system equipment must be scalable to accommodate requirements of Phase Two equipment specifications and system functionality. Phase Two project RFP scheduled to be done in FY14-15. Phase Two specifications are listed below.

1. Loudspeaker Equipment

- a. Loudspeaker equipment to include the following products from the Yorkville VTC Line. Four versions of all systems to be used. Installation version or any substitutions of equipment will not be accepted. Array configurations and locations will be provided by Ford Park staff at the time of installation.

Loudspeaker equipment should be the following systems and quantities:

- i. Yorkville VTC EL210T – qty16
 - ii. Yorkville VTC ELS212T – qty4
 - iii. Yorkville VTC EL212D2 – qty4
 - iv. Yorkville VTC EL210D4 – qty8
 - v. Yorkville VTC ELB16 – qty2
- b. System design concept to be modular\portable- built in the following array configurations to provide coverage for full house, half house, house in round, and house sideways events. Phase II loudspeakers will provide equipment quantities needed to complete the arrays configurations from Phase I

2. Amplification

- a. Equipment amplification to be provided by Yorkville Sound. Amplifier quantities are built for bi-amp configurations with no less than a 4ohm load per channel. Amplifiers to be provided and installed into equipment racks provided by contractor. All amplifiers will be labeled according to corresponding loudspeakers. Contractor should rack, wire, and group amplifiers into groups coinciding with the following base array configuration. That group should be one amp for subs 1&2 and four amps for boxes 1-8 HI\MID. These group configurations should be repeated four times. The following amplifiers are to be provided and installed as part of Phase II. No substitutions will be accepted.
 - i. Yorkville AP-4K – qty10

3. System Processing

- a. System processing to be two part processing chain- main house and loudspeaker processors. House processor will serve as routing point for Console Left\Right\Front Fill and Floor Left\Right\SUB\Front Fill signal control, and will be provided as part of Phase II. Contractor is responsible for providing and installing all cabling from console to house processor. Contractor is responsible for providing and installing drive snake for floor inputs. Drive snake configuration discussed in Cabling Objective. Loudspeaker processor to serve as system management and manufacture preset processing. Loudspeaker processor to be configured with latest Yorkville VTC presets for the AP-4k amplifier and VTC loudspeakers. House processor will be assigned presets for system management. Preset building to be built and configured by contractor. All presets must be saved externally and provided to Ford Park staff via USB jump drive. No substitutions will be accepted. House processor to be located in control booth using existing equipment rack.

Loudspeaker processors to be located in amplifier equipment racks provided by contractor.

- i. Yorkville DLMS4080 – qty1
- ii. DBX DriveRack 4820 – qty1

4. Rigging Hardware

- a. The object of the rigging hardware is to provide a flexible solution for suspending the speaker systems in multiple locations throughout the arena. The speaker systems will be suspended from one point using one Columbus Mckinnon-ET 1ton chain motors. This gives the venue the ability to remove or re-hang the speaker systems as needed. Contractor is responsible for providing and installing a complete chain motor rigging system to include the following rigging hardware. Contractor must completely configure new chain motors for safe equipment operation. Safe operation to include rigging chain lubricated to manufacture specifications, electric chain brakes set for reverse operation, chain limits switches set for 60' chain length. No substitutions will be accepted. Contractor should note, that rigging hardware will be provide in stages as per Phase I and Phase II. Phase II should include the following equipment.
 - i. 4 Columbus Mckinnon 3phase-1ton chain motors with 60foot chains w/dual twist power and control
 - ii. 4 double hook chain bags with custom Columbus Mckinnon brackets
 - iii. Contractor will provide 4 custom rigging attachments. Attachment must be a closed rigging ring bound to two wire rope slings, so that the speaker system bracket is attached via two points. Custom rigging attachments must be fly rated equipment and must maintain 5:1 safety weight rating.

5. Digital Console

- a. Contractor is responsible for proving and installing a new house digital console. Console will be located in the control booth and will serve as local and floor inputs. Outputs will be attached directly to house processor. Final location must be approved by Ford Park Staff. No substitutions will be accepted. Console to be provided:
 - i. Soundcraft Expression 2

6. Wireless Network

- a. Contractor is responsible for providing and installing a professional grade wireless network that will provide wireless coverage throughout the arena and control booth. House processor and digital console must be attached to network, so that Ford Park staff can access processor for wireless app control and digital console for wireless remote operation. Network must include a router, switch, and no less than three access points. Network equipment will be located in control booth. Access points locations to be: 1 in control booth, 2 in area catwalk (1 North and 1 South). Network must be configured to offer DHCP and DNS, so that wireless clients can successfully connect.

7. System Installation

- a. Contractor is responsible for all installation expense to include labor, freight and shipping cost, and training. System will be installed and be a 100% functioning sound system before project is agreed to be completed. Contractor is responsible for proving as built drawings to Ford Park staff and provide training on system operation as need.

8. Existing Equipment Demo

- a. Contractor is responsible for removing all existing sound system equipment. Equipment will include all cabling, amp racks, speaker system, fly brackets, any and all rigging hardware. NOTE... existing sound system cannot be removed until the new speaker system is 100% operational. Approval to start the demo process must be obtained by Ford Park staff. Once demo is completed equipment must be transported to storage location identified by Ford Park staff. Contractor is responsible for transporting equipment as needed. Contractor should note, North and South wing speakers will be removed as part of Phase II demo process.
