# Instructions to Bidders

---

## 1. Bid Submission

Bids must be submitted in complete original form by mail or messenger to the following address:

Jefferson County Purchasing Department  
1149 Pearl Street, 1<sup>st</sup> Floor  
Beaumont, TX 77701

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

**All bids shall be tightly sealed in an opaque envelope or box and plainly marked "SEALED BID." The outside of the envelope or box shall also include: Bid Number, Bid Name, Bid Due Date, Bidder's Name and Address; and shall be addressed to the Purchasing Agent.**

**Bidder is responsible for submitting one (1) *original* bid copy to include a completed copy of this specifications packet in its entirety; and two (2) numbered bid *hard copies* to include at a minimum all pages requiring completion and/or marked with instructions to be returned with bid submission and any other documentation requested within these specifications.**

Late bids will not be accepted and will be returned unopened to the bidder.

All bids submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

## 2. Bid Submissions During Time of Inclement Weather, Disaster, or Emergency

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the bid closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of bids will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

## 3. Courthouse Security

Bidders are advised that all visitors to the Courthouse must pass through Security. **Bidders planning to hand deliver bids must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal.** Mondays and Tuesdays are particularly heavy days. Bidders are strongly urged to plan accordingly.

## 4. Preparation of Bids

The bid shall be legibly printed in ink or typed.

The County requests that bid submissions NOT be bound by staples or glued spines.

If a unit price or extension already entered is to be altered, it shall be crossed out and initialed in ink by the bidder.

The bid shall be legally signed and shall include the complete address of the bidder.

**5. Signatures**

All bids, notifications, claims, and statements must be signed by an individual authorized to bind the bidder. The individual signing certifies, under penalty of perjury, that he or she has the legal authorization to bind the bidder.

**6. County Holidays – 2018:**

January 1	Monday	New Year's
January 15	Monday	Martin Luther King, Jr. Day
February 19	Monday	President's Day
March 30	Friday	Good Friday
May 28	Monday	Memorial Day
July 4	Wednesday	Independence Day
September 3	Monday	Labor Day
November 12	Monday	Veteran's Day
November 22 & 23	Thursday & Friday	Thanksgiving
December 24 & 25	Monday & Tuesday	Christmas
January 1, 2019	Tuesday	New Year's

**7. Rejection or Withdrawal**

Submission of additional terms, conditions or agreements with the bid document are grounds for deeming a bid non-responsive and may result in bid rejection. Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

**8. Award**

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected. Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment. In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the highest dollar offeror is not awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

**9. Contract**

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an

IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

**10. Waiver of Subrogation**

Bidder and bidder's insurance carrier waive any and all rights whatsoever with regard to subrogation against Jefferson County as an indirect party to any suit arising out of personal or property damages resulting from bidder's performance under this agreement.

**11. Bid Results**

Bid results are not provided in response to telephone inquiries. A preliminary tabulation of bids received will be posted on the Purchasing web page (<http://co.jefferson.tx.us/purchasing/main.htm>) as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

**12. Changes and Addenda to Bid Documents**

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

**13. Specifications**

Any unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

**14. Interpretation of Bid and/or Contract Documents**

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

**15. Currency**

Prices calculated by the bidder shall be stated in U.S. dollars.

**16. Pricing**

Prices shall be stated in units of quantity specified in the bid documents. In case of discrepancy in computing the amount of the bid, the unit price shall govern.

**17. Certification**

By signing the offer section of the Offer and Acceptance page, bidder certifies:

- The submission of the offer did not involve collusion or other anti-competitive practices.
- The bidder has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any public servant in connection with the submitted offer.
- The bidder hereby certifies that the individual signing the bid is an authorized agent for the bidder and has the authority to bind the bidder to the contract.

**18. Definitions**

"County" – Jefferson County, Texas.

"Contractor" – The bidder whose proposal is accepted by Jefferson County.

**19. Minority-Women Business Enterprise Participation**

It is the desire of Jefferson County to increase the participation of Minority (MBE) and women-owned (WBE) businesses in its contracting and procurement programs. While the County does not have any preference or set aside programs in place, it is committed to a policy of equitable participation for these firms.

### Legal Description:

Being 217.892 acres, more or less, out of the T&NO RR Company Survey, Section No. 263, Abstract No. 358, Jefferson County, Texas, more particularly described as follows:

Beginning at the southwest corner of said T&NO RR Company Survey, Section No. 263, Abstract No. 358, said point being also on the north line of the S. A. Pannell Survey, Abstract No. 573, and also being the southeast corner of the T&NO RR Company Survey, Section No. 264, Abstract No. 516;

Thence north 87 deg. 10' 26" east, along the south line of Section 263 and along the north line of the S. A. Pannell Survey, A-573, a distance of 5,300 feet to the southeast corner of the T&NO RR Company Survey, Section 263, Abstract No. 358, said point also being in the west line of the W. J. Bryan Survey, Abstract No. 560;

Thence north 02 deg. 44' 00" west, along the east line of the T&NO RR Company Survey, Section 263, Abstract No. 358 and the west line of the W. J. Bryan Survey, Abstract No. 560, a distance of 3,123.28 feet, more or less, to a point for corner;

Thence south 60 deg 29' 56" west, parallel to the centerline of the Gulf Intracoastal Waterway, a distance of 5,936.11 feet, to a point in the west line of T&NO RR Company Survey, Section 263, Abstract No. 358, said point also being in the east line of the T&NO RR Company Survey, Section 264, Abstract No. 516;

Thence south 02 deg. 44' 00" east a distance of 458.38 feet to the point of beginning, containing 217.892 acres, more or less.

**Access:** Essentially None - While there is a private road extending northeast-southwest and paralleling the southeast side of the GIWW, this is within the strip of land retained by the grantors of the 217.892 acres when they conveyed title to Jefferson County. There is no provision in the conveying deed to acknowledge or grant access from the road within the retained strip to the conveyed 217.892 acres.

**See Exhibit A (Pages 12-14) for additional information regarding this parcel of land.**

**Parcel No. 2: 175.5 acres**

173.7 acres of this property is located in Chambers County, Texas  
1.8 acres of this property is located in Jefferson County, Texas  
Refer to Plat – Vol. 5, Pg. 20, Deed Number: 1999046234

**Parcel No. 3: 162.9 acres**

112.5 acres of this property is located in Chambers County, Texas  
50.4 acres of this property is located in Jefferson County, Texas  
Refer to Plat – Vol. 5, Pg. 20, Deed Number: 1999015300

**Legal Descriptions (Parcel No. 2 & 3):**

As depicted within the following exhibits, the north subject parcel is triangular in shape. According to the map filed of record (Volume 24 Page 286 of the Deed Records of Chambers County), the north parcel is identified as Tract or Section No. 1 of the subdivision of the John B. Murray Survey, Abstract No. 461 and the Mrs. A. J. Wynne Survey, Abstract No. 462 in Chambers County, and Abstract No. 553 in Jefferson County, Texas. This shows the south or east-west line of the subject parcel is 6,023 feet in length. The northwest line is 3,258.3 feet while the northeast line is 4737.5 feet. Though the conveying deed into the County identifies the land area as 162.8 acres, the Preliminary Survey Plat or Map drawn by the U.S. Fish and Wildlife Service identifies this parcel as having 175.5 acres (Tract 3b with 175.0 acres and Tract 3a with 0.5 acres). According to the Statement of Work provided by the appraiser by the AVSO representative: "For the purpose of this appraisal, the acreages as calculated by the FWS Land Surveyor are to be utilized". The second portion evaluated herein as a part of the Larger Parcel is situated approximately 986 feet south of the above described Lot or Tract 1.

Referencing the same plat of record, this south subject property is shown as 38 Tract or Section No. 3 of the subdivision. Considered north-south, the west line is 847 feet while the diagonal east boundary line is 1,542 feet. The north line extends east-west for 7,702 feet while the south line measures 9,050 feet. Again, the conveying deed into the County identifies the land area as 162.8 acres, but the Preliminary Survey Plat or Map drawn by the U.S. Fish and Wildlife Service identifies this parcel as having 162.90 acres (Tract 3d with 112.5 acres and Tract 3c with 50.4 acres). By legal instructions, the acreages calculated by the USFWS Land Surveyor are to be utilized.

Therefore, the Larger Parcel considered herein is as follows:

North Portion 175.5 Acres  
South Portion 162.9 Acres

**Boat Access Only:** As noted above, the west stretch of Mud Bayou enters the west end of the north parcel, Tract (3b), and this is reported as usable by a flat bottom boat or airboat during higher tides or with sufficient rainy conditions. The east side, or better stated northeast side, of Tract (3b) and (3a) is accessible from the other stretch of Mud Bayou as it leaves the GIWW and meanders in and out of the northeast boundary line of the subject parcel. Reportedly, this east stretch of Mud Bayou is more reliable access since it commonly has sufficient water to allow ingress and egress by a shallow draft boat or airboat. By using the east stretch of the widely meandering Mud Bayou, the other portion of the subject property, Tract (3c), is reached. Otherwise, interior access to other portions of the subject parcels is by airboat or perhaps a marsh buggy and, accordingly, tenuous.

**See Exhibit B (Page 14-17) for additional information regarding these parcels of land.**

## Additional Terms

Jefferson County has determined that the above-identified land parcels will be put up for public sale and will consider offers from potential buyers (who meet the below qualifications) for the sale of the parcel.

**Bidder Qualifications: Only bids received from Bidders that are a non-profit and nationally recognized conservation group with at least ten (10) years of continuing operations in working with federal or state government wildlife conservation agencies for the preservation and use by the public of wildlife habitat will be considered.**

Jefferson County reserves the right to reject any or all offers to buy the property or properties and to provide preference to a governmental agency or a not-for-profit that is supporting the needs of the County. The County further reserves the right, that if the land is not sold, to dispose of the property as it sees fit.

**The property described in this Invitation for Bid is sold “as is, where is.”**

**Road access to any of these properties through private property cannot be guaranteed by the County.**

The successful bidder will be required to provide a **NON-REFUNDABLE** “earnest money” deposit equal to at least one percent (1%) of the offering price to the County within (2) two working days of notification of award of the right to buy the property. Closing of the property must be completed within sixty (60) days of notification of award.

All offers must be submitted on the official bid form included as part of this IFB.

Please note that this IFB is not seeking an agent to represent the County in the offering for sale of property and no agent shall receive payment, fees, etc., from the accepted price to be paid for the property.

**Along with the required number of copies (original & two completed copies) of this bid specifications packet, Bidder must attach a letter to this bid proposal that includes the following:**

- **Name of Non-Profit Organization**
- **Proof of Non-Profit Status**
- **Contact Person & Contact Information**
- **Description of your organization’s history with working with federal or state government wildlife conservation agency**
- **Description of intended use of the property described in this invitation for bid**

### Closing Cost

The successful bidder shall be responsible for appraisal fee for the tract and shall pay all costs to close the transaction.

### Mineral Rights

All mineral rights shall remain the property of Jefferson County.
