

Instructions for registering for courses for Jefferson County Sheriff's Training Academy through LiT Workforce Training and Continuing Education.

The Sheriff's Office has been partners with LiT for a number of years and is proud to share the online registration system with everyone. As with anything new, we know there will be some hiccups with the transition, LiT and the Sheriff's Training Division will be here to help you.

We have created this step by step guide to help you navigate through the registration process.

NOTE: If you have never taken a course with JCSO or took one in the last 12 months you will need to create an account. If you have taken a course with JCSO in the last 12 months you will need to contact LiT Workforce Office at workforcetraining@lit.edu or phone 409.880.8114 to get your username and password.

Once you have logged into or created your account make sure that you enter good contact phone number and an email that you monitor because we will communicate via email there are any changes to the course or if we need to get additional information to you.
