2. Right to Grant License and Ownership.

SunGard Public Sector has the right to grant Customer this license to use the Software. Except as otherwise indicated in a Software Supplement, SunGard Public Sector owns the Software.

3. License. Subject to the terms and conditions of this Agreement, SunGard Public Sector grants Customer a perpetual, non-exclusive, non-transferable license to use and copy for use the Software on the Equipment within the United States of America for Customer’s own, non-commercial computing operations. Any rights not expressly granted in this Agreement are expressly reserved.

a) Software Code. Customer has right to use the Software in Object Code form. Customer also has the right to use the Software in Object Code form temporarily on another SunGard Public Sector-supported configuration, for disaster recovery of Customer’s computer operations.

b) Documentation. Except as otherwise provided for in the applicable Software Supplement, Customer can make a reasonable number of copies of the documentation for each Component System for its use in accordance with the terms of this Agreement.

c) Restrictions on Use of the Software. Customer is prohibited from causing or permitting the reverse engineering, disassembly or decompilation of the Software. Customer is prohibited from using the Software to provide service bureau data processing services or to otherwise provide data processing services to third parties. Customer will not allow the Software to be used by, or disclose all or any part of the Software to, any person except Customer Employees. Without limiting the foregoing, Customer is permitted to allow use of the input and/or output sensory displays of or from the Software by third parties on a strict “need to know” basis, and such use will not be deemed a non-permitted disclosure of the Software. Customer will not allow the Software, in whole or in part, to be exported outside of the United States of America, in any manner or by any means, without in each instance obtaining SunGard Public Sector’s prior written consent and, if required, a validated export license from the Office of Export Administration within the U.S. Department of Commerce and such other appropriate United States governmental authorities.

d) Intellectual Property Rights Notices. Customer is prohibited from removing or altering any of the Intellectual Property Rights notice(s) embedded in or that SunGard Public Sector otherwise provides with the Software. Customer must reproduce the unaltered Intellectual Property Rights notice(s) in any full or partial copies that Customer makes of the Software.

4. Services.

a) Generally. SunGard Public Sector will provide Customer with the information services identified in Exhibit 1, for the fees provided in Exhibit 1.

b) Additional Services. SunGard Public Sector can also provide Customer with additional information services, at SunGard Public Sector’s then-current rates, or at such other rates as are agreed to by the parties in an amendment to this Agreement.

c) Workmanlike Skills. SunGard Public Sector will render all services under this Agreement in a professional and workmanlike manner. SunGard Public Sector will promptly replace any SunGard Public Sector personnel that are rendering services on-site at a Customer facility if Customer reasonably considers the

personnel to be unacceptable and provides SunGard Public Sector with notice to that effect, provided that such replacement does not violate any law or governmental regulation applicable to such personnel replacement.

d) Conditions On Providing Services. In each instance in which SunGard Public Sector is providing Customer with services, SunGard Public Sector and Customer will develop a project plan that identifies each party's responsibilities for such services. The project plan will describe in detail the tentative schedule and the scope of services that SunGard Public Sector will provide. Customer will establish the overall project direction, including assigning and managing the Customer's project personnel team. Customer must assign a project manager who will assume responsibility for management of the project. Customer must ensure that the Equipment is operational, accessible and supported at the times agreed to by the parties in the project plan. While SunGard Public Sector is providing such services, Customer must provide SunGard Public Sector with such facilities, equipment and support as are reasonably necessary for SunGard Public Sector to perform its obligations, including remote access to the Equipment.

5. Delivery. Except as otherwise provided in Exhibit 1, SunGard Public Sector will deliver all Component Systems to Customer at the Delivery Address.

6. Payment and Taxes.

a) Payment.

i) License Fees. Fees for the Software will be due to SunGard Public Sector as provided for in Exhibit 1.

ii) Professional Services Fees. Except as otherwise provided in Exhibit 1, fees for professional services will be invoiced on a monthly basis in arrears and will be due within thirty (30) days from the date of invoice. Customer will reimburse SunGard Public Sector for actual travel and living expenses that SunGard Public Sector incurs in providing Customer with services under this Agreement. Such travel and living expenses will be governed by the SunGard Public Sector Travel Expense Guidelines attached hereto as Exhibit 2 and will be invoiced on a monthly basis in arrears and due within

thirty (30) days from the date of invoice.

iii) Late Charge. SunGard Public Sector will have the right to charge a late fee to the extent that payment is received later than thirty (30) days from the date of invoice. Late fees will be calculated based on a per annum rate equal to the lesser of: (i) the prime lending rate established from time to time by Citizens Bank, Philadelphia, Pennsylvania plus three percent (3%); and (ii) the highest rate permitted by applicable law, and will be payable to SunGard Public Sector on demand.

b) Taxes. Customer is responsible for paying all taxes (except for taxes based on SunGard Public Sector's net income or capital stock) relating to this Agreement, the Software, any services provided or payments made under this Agreement. Applicable tax amounts (if any) are NOT included in the fees set forth in this Agreement. If Customer is exempt from the payment of any such taxes, Customer must provide SunGard Public Sector with a valid tax exemption certificate; otherwise, absent proof of Customer's direct payment of such tax amounts to the applicable taxing authority, SunGard Public Sector will invoice Customer for and Customer will pay to SunGard Public Sector all such tax amounts.

c) Scheduled Resource Changes: For training and on-site project management sessions which are cancelled at the request of Customer within fourteen (14) days of the scheduled start date, Customer is responsible for entire price of the training or on-site project management plus incurred expenses.

7. Limited Warranty, Disclaimer of Warranty and Election of Remedies.

a) Limited Software Warranty by SunGard Public Sector and Remedy For Breach. For each Component System, SunGard Public Sector warrants to Customer that, for a period of twelve (12) months after the Delivery Date, the Baseline Component System, as used by Customer on the Equipment for its own, non-commercial computing operations, will operate without Defects. For each Defect, SunGard Public Sector, as soon as reasonably practicable and at its own expense, will provide Customer with an avoidance procedure for or a correction of the Defect. If,

despite its reasonable efforts, SunGard Public Sector is unable to provide Customer with an avoidance procedure for or a correction of a Defect, then, subject to the limitations set forth in Section 16 of this Agreement, Customer may pursue its remedy at law to recover direct damages resulting from the breach of this limited warranty. These remedies are exclusive and are in lieu of all other remedies, and SunGard Public Sector's sole obligations for breach of this limited warranty are contained in this Section 7(a).

b) Disclaimer of Warranty. The limited warranty in Section 7(a) is made to Customer exclusively and is in lieu of all other warranties. **SUNGARD PUBLIC SECTOR MAKES NO OTHER WARRANTIES WHATSOEVER, EXPRESS OR IMPLIED, WITH REGARD TO ANY SERVICES PROVIDED UNDER THIS AGREEMENT AND/OR THE SOFTWARE, IN WHOLE OR IN PART. SUNGARD PUBLIC SECTOR EXPLICITLY DISCLAIMS ALL WARRANTIES OF MERCHANTABILITY AND OF FITNESS FOR A PARTICULAR PURPOSE. SUNGARD PUBLIC SECTOR EXPRESSLY DOES NOT WARRANT THAT THE SOFTWARE, IN WHOLE OR IN PART, WILL BE ERROR FREE, WILL OPERATE WITHOUT INTERRUPTION OR WILL BE COMPATIBLE WITH ANY HARDWARE OR SOFTWARE OTHER THAN THE EQUIPMENT. CUSTOMER WAIVES ANY CLAIM THAT THE LIMITED WARRANTY SET FORTH IN SECTION 7(A) OR THE REMEDY FOR BREACH OF SUCH LIMITED WARRANTY FAILS OF ITS ESSENTIAL PURPOSE.**

c) Abrogation of Limited Warranty. The limited warranty in Section 7(a) will be null and void if: (i) anyone (including Customer) other than SunGard Public Sector modifies the Baseline Component System; or (ii) Customer does not implement changes that SunGard Public Sector provides to correct or improve the Baseline Component System. If despite any modification of the Component System, SunGard Public Sector can replicate the reported problem in the Baseline Component System as if the problem were a Defect, then SunGard Public Sector will nonetheless provide Customer with an avoidance procedure for or a correction of that reported problem for use in the Baseline Component System as though the reported problem were a Defect.

d) FAILURE OF ESSENTIAL PURPOSE. **THE PARTIES HAVE AGREED THAT THE LIMITATIONS SPECIFIED IN SECTIONS 7 AND 16 WILL SURVIVE AND APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE, AND REGARDLESS OF WHETHER CUSTOMER HAS ACCEPTED ANY SOFTWARE OR SERVICE UNDER THIS AGREEMENT.**

8. Confidential Information. Except as otherwise permitted under this Agreement, the Recipient will not knowingly disclose to any third party, or make any use of the Discloser's Confidential Information. The Recipient will use at least the same standard of care to maintain the confidentiality of the Discloser's Confidential Information that it uses to maintain the confidentiality of its own Confidential Information of equal importance.

9. Indemnity by SunGard Public Sector. SunGard Public Sector will defend, indemnify and hold Customer harmless from and against any loss, cost and expense that Customer incurs because of a claim that use of a Baseline Component System infringes any United States copyright of others. SunGard Public Sector's obligations under this indemnification are expressly conditioned on the following: (i) Customer must promptly notify SunGard Public Sector of any such claim; (ii) Customer must in writing grant SunGard Public Sector sole control of the defense of any such claim and of all negotiations for its settlement or compromise (if Customer chooses to represent its own interests in any such action, Customer may do so at its own expense, but such representation must not prejudice SunGard Public Sector's right to control the defense of the claim and negotiate its settlement or compromise); (iii) Customer must cooperate with SunGard Public Sector to facilitate the settlement or defense of the claim; (iv) the claim must not arise from modifications or (with the express exception of the other Component Systems and third party hardware and software specified by SunGard Public Sector in writing as necessary for use with the Software) from the use or combination of products provided by SunGard Public Sector with items provided by Customer or others. If any Component System is, or in SunGard Public Sector's opinion is likely to become, the subject of a United States copyright infringement claim, then SunGard Public Sector, at its sole option and expense, will either: (A)

obtain for Customer the right to continue using the Component System under the terms of this Agreement; (B) replace the Component System with products that are substantially equivalent in function, or modify the Component System so that it becomes non-infringing and substantially equivalent in function; or (C) refund to Customer the portion of the license fee paid to SunGard Public Sector for the Component System(s) giving rise to the infringement claim, less a charge for use by Customer based on straight line depreciation assuming a useful life of five (5) years. **THE FOREGOING IS SUNGARD PUBLIC SECTOR'S EXCLUSIVE OBLIGATION WITH RESPECT TO INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS.**

10. Term and Termination.

a) Right of Termination. A party has the right to terminate this Agreement if the other party breaches a material provision of this Agreement. Either party has the right to terminate this Agreement at any time while an event or condition giving rise to the right of termination exists. To terminate this Agreement, the party seeking termination must give the other party notice that describes the event or condition of termination in reasonable detail. From the date of its receipt of that notice, the other party will have thirty (30) days to cure the breach to the reasonable satisfaction of the party desiring termination. If the event or condition giving rise to the right of termination is not cured within that period, this Agreement will automatically be deemed terminated at the end of that period. However, notice to SunGard Public Sector of a suspected Defect will not constitute a notice of termination of this Agreement.

b) Effect of Termination. Upon termination of this Agreement by either party, Customer will promptly return to SunGard Public Sector or (at SunGard Public Sector's request) will destroy all copies of the Software, and will certify to SunGard Public Sector in writing, over the signature of a duly authorized representative of Customer, that it has done so.

c) Survival of Obligations. All obligations relating to non-use and non-disclosure of Confidential Information and indemnity will survive termination of this Agreement.

d) Termination Without Prejudice to Other Rights and Remedies. Termination of this

Agreement will be without prejudice to the terminating party's other rights and remedies pursuant to this Agreement.

11. Notices. All notices and other communications required or permitted under this Agreement must be in writing and will be deemed given when: Delivered personally; sent by United States registered or certified mail, return receipt requested; transmitted by facsimile confirmed by United States first class mail; or sent by overnight courier. Notices must be sent to a party at its address shown on the first page of this Agreement, or to such other place as the party may subsequently designate for its receipt of notices.

12. Force Majeure. Neither party will be liable to the other for any failure or delay in performance under this Agreement due to circumstances beyond its reasonable control, including Acts of God, acts of war, accident, labor disruption, acts, omissions and defaults of third parties and official, governmental and judicial action not the fault of the party failing or delaying in performance.

13. Assignment. Neither party may assign any of its rights or obligations under this Agreement, and any attempt at such assignment will be void without the prior written consent of the other party. For purposes of this Agreement, "assignment" will include use of the Software for benefit of any third party to a merger, acquisition and/or other consolidation by, with or of Customer, including any new or surviving entity that results from such merger, acquisition and/or other consolidation. However, the following will not be considered "assignments" for purposes of this Agreement: SunGard Public Sector's assignment of this Agreement or of any SunGard Public Sector rights under this Agreement to SunGard Public Sector's successor by merger or consolidation or to any person or entity that acquires all or substantially all of its capital stock or assets; and SunGard Public Sector's assignment of this Agreement to any person or entity to which SunGard Public Sector transfers any of its rights in the Software.

14. No Waiver. A party's failure to enforce its rights with respect to any single or continuing breach of this Agreement will not act as a waiver of the right of that party to later enforce any such rights or to enforce any other or any subsequent breach.

15. **Choice of Law; Severability.** This Agreement will be governed by and construed under the laws of the State of Florida, without reference to the choice of laws provisions thereof. If any provision of this Agreement is illegal or unenforceable, it will be deemed stricken from the Agreement and the remaining provisions of the Agreement will remain in full force and effect.

16. **LIMITATIONS OF LIABILITY.**

A) **LIMITED LIABILITY OF SUNGARD PUBLIC SECTOR.** SUNGARD PUBLIC SECTOR'S LIABILITY IN CONNECTION WITH THE SOFTWARE, ANY SERVICES, THIS LICENSE OR ANY OTHER MATTER RELATING TO THIS AGREEMENT WILL NOT EXCEED THE FEE THAT CUSTOMER ACTUALLY PAID TO SUNGARD PUBLIC SECTOR (OR, IF NO DISCRETE FEE IS IDENTIFIED IN EXHIBIT 1, THE FEE REASONABLY ASCRIBED BY SUNGARD PUBLIC SECTOR) FOR THE COMPONENT SYSTEM OR SERVICES GIVING RISE TO THE LIABILITY.

B) **EXCLUSION OF DAMAGES.** REGARDLESS WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE OR OTHERWISE, IN NO EVENT WILL SUNGARD PUBLIC SECTOR BE LIABLE TO CUSTOMER FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL

DAMAGES, WHETHER BASED ON BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND WHETHER OR NOT SUNGARD PUBLIC SECTOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.

C) **BASIS OF THE BARGAIN.** CUSTOMER ACKNOWLEDGES THAT SUNGARD PUBLIC SECTOR HAS SET ITS FEES AND ENTERED INTO THIS AGREEMENT IN RELIANCE UPON THE LIMITATIONS OF LIABILITY AND THE DISCLAIMERS OF WARRANTIES AND DAMAGES SET FORTH IN THIS AGREEMENT, AND THAT THE SAME FORM AN ESSENTIAL BASIS OF THE BARGAIN BETWEEN THE PARTIES.

17. **Entire Agreement.** This Agreement contains the entire understanding of the parties with respect to its subject matter, and supersedes and extinguishes all prior oral and written communications between the parties about its subject matter. Any purchase order or similar document which may be issued by Customer in connection with this Agreement does not modify this Agreement. No modification of this Agreement will be effective unless it is in writing, is signed by each party, and expressly provides that it amends this Agreement.

Customer, and not SunGard Public Sector, is solely responsible for the accuracy of Customer’s street inventory and all attribute data associated with street segments. Common data errors and inaccuracies include:

- Missing streets
- Missing street segments
- Missing intersections
- Errors in street names, street prefixes and street type

Without limiting Customer’s obligation to provide accurate data, SunGard Public Sector will return to Customer a list of the logical errors discovered by SunGard Public Sector when Customer’s street inventory and attribute data are reviewed by SunGard Public Sector’s editing/data validation utility tool (“Validation Tool”). The Validation Tool checks for the following logical errors:

- Address range undershoots
- Address range overshoots
- Missing street names
- Missing street ranges

Customer, and not SunGard Public Sector, is solely responsible for correcting all errors and ensuring the accuracy of all GIS provided data. Customer is additionally responsible to digitize all required map layers to support the Public Safety GIS-based CAD and RMS subsystems.

GENERAL PROJECT CONDITIONS SUPPLEMENT

General Project Conditions - Applies to Entire Project

- Item 1:** This Agreement is based on the assumption that a Windows 2000 or higher Domain is already in place and functional. If this is not the case, the Customer is required to provide all necessary equipment and services for such implementation.
- Item 2:** The Customer shall provide a certified TCP/IP network with all communications equipment and any other required components. The cabling of this network, installation of punch down panels, hubs, routers, etc. will be the responsibility of the Customer. Additionally, the Customer is responsible for acquiring software that is needed for monitoring and maintaining the network. Customer must provide remote access to its facility using a SunGard Public Sector approved remote access client so that SunGard Public Sector can perform the support obligations and/or services under this Agreement; and will provide appropriate security access and accounts for SunGard Public Sector staff and each session participant.
- Item 3:** SunGard Public Sector always recommends the highest performance connection for all LAN and WAN connections. Listed below are SunGard Public Sector's recommendations in order of highest throughput:
- a. 1 Gb CAT5 (LAN) or Fiber (WAN)
 - b. 100 Mb CAT5 (LAN) or Fiber (WAN)
 - c. 10 Mb CAT5 (LAN) or Fiber (WAN)
 - d. Line of Site Technology
- Item 4:** If applicable, all RMS/JMS Workstations must be connected to a 10 Mb/sec or faster TCP/IP LAN. SunGard Public Sector recommends a 100 Mb/sec Switched LAN for optimum performance.
- Item 5:** If applicable, all CAD Workstations must be connected to a dedicated 100 Mb/sec switched TCP/IP LAN.
- Item 6:** The Customer is responsible for the physical placement of all CAD and/or RMS/JMS workstations and certifying that they are operational on the Customer's network. SunGard Public Sector will load our CAD and/or RMS/JMS software on up to five (5) CAD and/or RMS/JMS workstations and train the Customer on the loading process.
- Item 7:** SunGard Public Sector's CAD Application Software interfaces with the E911 telephone switch via an RS-232 Serial Cable. The Customer must provide this cable (with accurate pin-outs) to connect their E911 ALI Controller's CAD Port to the SunGard Services Workstation's serial port. The maximum length of this cable is 50 feet. In the event that a single CAD Server is servicing multiple communication centers (one CAD Server and multiple E911 ALI sources), a SunGard Public Sector Services Workstation will be required for each PSAP for proper ALI functionality. The Customer must also provide SunGard Public Sector with accurate ALI interface data formats from their E911 Vendor.

Item 8: In acquiring SunGard Public Sector's Message Switch and Mobile Software, the Customer is responsible for all of the associated costs for wireless, WAN and LAN communication with the local provider/State/NCIC networks. This may include the following:

- i. Dedicated Line
- ii. Any encryption to meet State and FBI requirements
- iii. DSU to State
- iv. Any wireless carrier charges and setup
- v. Any installation Charges
- vi. Recurring charges or costs
- vii. Surcharges by the State

Item 9: The Customer shall implement an Uninterruptible Power Supply (UPS) system for all servers and all CAD workstations. This can be at the machine level or at the site level. SunGard Public Sector recommends the use of an enterprise level Master UPS and external generator for full power backup.

Item 10: SunGard Public Sector software is designed for use with laser jet printers for report output in order to utilize the wider margins available. Report output on non-laser printers (inkjet, dot-matrix, etc.) may be adequate, but is not guaranteed by SunGard Public Sector.

Item 11: Virtual Environment Platform

Infrastructure Overview.

The server hardware may be made up of physical servers, virtual servers (using VMware ESX or Hyper-V), or a combination of the two, provided, however, that following conditions apply.

Customer and VMware are responsible for selecting the appropriate VMware application software and solution.

VMware supports a set of certified operating systems and hardware. Customer and VMware are responsible for any interactions and/or issues that arise at the hardware or operating system layer as a result of their use of VMware.

The use of a VMware virtual machine adds software overhead, which may impact performance or scalability. Any statements made by SunGard Public Sector on expected product performance on a hardware platform cannot be interpreted to apply to a virtual machine running on the same hardware platform. Customer must allocate at least an equivalent amount of virtualized resources to the OSSI systems in order to address performance issues. The VMware organization can provide information on how to tune your environment to maximize the performance within a virtual machine. If a performance issue is reported, the VMware layer, as well as the software, will be suspect in the research. Any research required on the VMware performance will be the responsibility of the Customer.

SunGard Public Sector will use commercially reasonable efforts to investigate potential issues with OSSI software running in conjunction with VMware. Where issues are confirmed to be unrelated to the VMware software, SunGard Public Sector will support its software in a manner that is consistent with support provided when that software is running natively under the host operating system.

Required and/or optional software vendors may not support VMware software. These vendors may require the issue to be reproduced independently from VMware software.

SOFTWARE MAINTENANCE SUPPLEMENT

Customer desires that SunGard Public Sector provide Maintenance and Enhancements for and new releases of the Baseline Software identified in Exhibit 1 on the terms and conditions contained in this Software Maintenance Supplement (the Maintenance Supplement), and for the Custom Modifications identified in Exhibit 1 on the terms and conditions of this Maintenance Supplement. SunGard Public Sector’s obligation to provide Customer with Improvements for Baseline Component Systems owned by parties other than SunGard Public Sector is limited to providing Customer with the Improvements that the applicable third party owner provides to SunGard Public Sector for that Baseline Component System. Customer must provide SunGard Public Sector with such facilities, equipment and support as are reasonably necessary for SunGard Public Sector to

perform its obligations under this Maintenance Supplement, including remote access to the Equipment.

Applicable tax amounts (if any) are NOT included in the fees set forth in this Maintenance Supplement. If Customer is exempt from the payment of any such taxes, Customer must provide SunGard Public Sector with a valid tax exemption certificate; otherwise, absent proof of Customer's direct payment of such tax amounts to the applicable taxing authority, SunGard Public Sector will invoice Customer for and Customer will pay to SunGard Public Sector all such tax amounts.

3. Term. This Maintenance Supplement will remain in full force and effect throughout the initial Contract Year. After the initial Contract Year, this Maintenance Supplement will renew for an additional Contract Year unless, at least six (6) months prior to the expiration of the initial Contract Year, Customer notifies SunGard Public Sector in writing of Customer's intent not to renew the Maintenance Supplement for the second Contract Year. After the second Contract Year, this Maintenance Supplement will automatically be extended for consecutive Contract Years on a year-to-year basis unless either party notifies the other in writing of its intent not to extend this Maintenance Supplement for any particular Baseline Component System/Custom Modification at least six (6) months prior to the expiration of the then-current Contract Year.

Upon termination of the Maintenance Supplement with respect to a Component System provided under the Agreement, notwithstanding anything contrary in the Agreement, Customer may continue using the Component System for the remainder of the term of the Agreement; however, (i) SunGard Public Sector will discontinue providing all on-going Maintenance services and Improvements, including SunGard Public Sector's obligations under this Maintenance Supplement, (ii) any SunGard Public Sector warranties under the Agreement and this Maintenance Supplement with respect to the Component System for which Maintenance services are terminated shall cease to apply for the period following termination, and (iii) SunGard Public Sector shall have no liability with respect to Customer's use of the Component System for which Maintenance services are terminated after termination of the Maintenance Supplement Term.

From the date of its receipt of that notice, the other party will have thirty (30) days to cure the breach to the reasonable satisfaction of the party desiring termination. If the event or condition giving rise to the right of termination is not cured within that period, then the party seeking to terminate this Maintenance Supplement can effect such termination by providing the other party with a termination notice that specifies the effective date of such termination. C) BASIS OF THE BARGAIN. CUSTOMER ACKNOWLEDGES THAT SUNGARD PUBLIC SECTOR HAS SET ITS FEES AND ENTERED INTO THIS MAINTENANCE SUPPLEMENT IN RELIANCE UPON THE LIMITATIONS OF LIABILITY AND THE DISCLAIMERS OF WARRANTIES AND DAMAGES SET FORTH IN THIS MAINTENANCE SUPPLEMENT, AND THAT THE SAME FORM AN ESSENTIAL BASIS OF THE BARGAIN BETWEEN THE PARTIES.
