Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

7. **Emergency/Declared Disaster Requirements**

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's supplier(s). Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

8. **Award**

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected. Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment. In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

9. **Contract**

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

10. **Waiver of Subrogation**

References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid. Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. By execution of this document, the vendor accepts all general and special conditions of the contract as outlined below and in the specifications and plans.

1. Bidding

1.2 Authorized Signatures. The bid must be executed personally by the vendor, duly authorized partner of the partnership, or duly authorized officer of the corporation. If executed by an agent, a power of attorney or other evidence of authority to act on behalf of the vendor shall accompany the bid to become a valid bid.

1.4 Withdrawal of Bids Prior to Bid Opening. A bid may be withdrawn before the opening date by submitting a written request to the Purchasing Agent. If time allows, the bidder may submit a new bid. Bidder assumes full responsibility for submitting a new bid before or at the specified time and date bids are due. Jefferson County reserves the right to withdraw a request for bids before the opening date.

1.5 Withdrawal of Bids after Bid Opening. Bidder agrees that its offer may not be withdrawn or cancelled by the vendor for a period of ninety (90) days following the date and time designated for the receipt of bids unless otherwise stated in the bid and/or specifications.

1.6 Bid Amounts. Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 Exceptions and/or Substitutions. All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 Alternates. The Invitation for Bid and/or specifications may expressly allow bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 Descriptions. Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 Bid Alterations. Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 Tax Exempt Status. Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 Quantities. Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 Bid Award. Award of contract shall be made to the most responsible, responsive bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended. Jefferson County reserves the right to accept or reject in part or in whole any bid submitted, and to waive any technicalities or informalities for the best interest of the County. Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 Silence of Specifications for Complete Units. All materials, equipment and/or parts that will become a portion of the completed work, including items not specifically stated herein but, necessary to render the service(s) complete and operational per the specifications, are to be included in the bid price. Vendor may be required to furnish evidence that the service, as bid, will meet or exceed these requirements.

1.15 Addenda. Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 General Bid Bond/Surety Requirements. Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 General Insurance Requirements. Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 Responsiveness. A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

1.19 Responsible Standing of Bidder. To be considered for award, bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

1.20 Vendor Registration: SAM (System for Award Management). Vendors doing business with Jefferson County are required to be registered with The System for Award Management (SAM), with an "active" status.

Jefferson County will protect from public disclosure such portions of a bid, unless directed otherwise by legal authority, including existing Open Records Acts.

1.22 Public Bid Opening. Bidders are invited to be present at the opening of bids. After the official opening of bids, a period of not less than one week is necessary to evaluate bids. The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. Performance

2.1 Design, Strength, and Quality. Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

2.2 Age and Manufacture. All tangible goods being bid must be new and unused, unless otherwise specified, in first-class condition, of current manufacture, and furnished ready to use. All items not specifically mentioned that are required for a complete unit shall be furnished.

Property. If Buyer is concerned about these matters, an addendum promulgated by TREC or required by the parties should be used.

H. **RESIDENTIAL SERVICE CONTRACTS:** Buyer may purchase a residential service contract from a residential service company licensed by TREC. If Buyer purchases a residential service contract, Seller shall reimburse Buyer at closing for the cost of the residential service contract in an amount not exceeding \$_____. Buyer should review any residential service contract for the scope of coverage, exclusions and limitations. **The purchase of a residential service contract is optional. Similar coverage may be purchased from various companies authorized to do business in Texas.**

8. **BROKERS' FEES:** All obligations of the parties for payment of brokers' fees are contained in separate written agreements.

9. **CLOSING:**

A. The closing of the sale will be on or before SEPTEMBER 25, 2015, or within 7 days after objections made under Paragraph 6D have been cured or waived, whichever date is later (Closing Date). If either party fails to close the sale by the Closing Date, the non-defaulting party may exercise the remedies contained in Paragraph 15.

B. At closing:

(1) Seller shall execute and deliver a general warranty deed conveying title to the Property to Buyer and showing no additional exceptions to those permitted in Paragraph 6 and furnish tax statements or certificates showing no delinquent taxes on the Property.

(2) Buyer shall pay the Sales Price in good funds acceptable to the escrow agent.

(3) Seller and Buyer shall execute and deliver any notices, statements, certificates, affidavits, releases, loan documents and other documents reasonably required for the closing of the sale and the issuance of the Title Policy.

(4) There will be no liens, assessments, or security interests against the Property which will not be satisfied out of the sales proceeds unless securing the payment of any loans assumed by Buyer and assumed loans will not be in default.

(5) If the Property is subject to a residential lease, Seller shall transfer security deposits (as defined under §92.102, Property Code), if any, to Buyer. In such an event, Buyer shall deliver to the tenant a signed statement acknowledging that the Buyer has received the security deposit and is responsible for the return of the security deposit, and specifying the exact dollar amount of the security deposit.

10. **POSSESSION:**

A. **Buyer's Possession:** Seller shall deliver to Buyer possession of the Property in its present or required condition, ordinary wear and tear excepted: ☒ upon closing and funding ☐ according to a temporary residential lease form promulgated by TREC or other written lease required by the parties. Any possession by Buyer prior to closing or by Seller after closing which is not authorized by a written lease will establish a tenancy at sufferance relationship between the parties. **Consult your insurance agent prior to change of ownership and possession because insurance coverage may be limited or terminated. The absence of a written lease or appropriate insurance coverage may expose the parties to economic loss.**

B. Leases:

(1) After the Effective Date, Seller may not execute any lease (including but not limited to mineral leases) or convey any interest in the Property without Buyer's written consent.

(2) If the Property is subject to any lease to which Seller is a party, Seller shall deliver to Buyer copies of the lease(s) and any move-in condition form signed by the tenant within 7 days after the Effective Date of the contract.

11. **SPECIAL PROVISIONS:** (Insert only factual statements and business details applicable to the sale. TREC rules prohibit licensees from adding factual statements or business details for which a contract addendum, lease or other form has been promulgated by TREC for mandatory use.)

(1) Expenses payable by Seller (Seller's Expenses):

(a) Releases of existing liens, including prepayment penalties and recording fees; release of Seller's loan liability; tax statements or certificates; preparation of deed; one-half of escrow fee; and other expenses payable by Seller under this contract.

(b) Seller shall also pay an amount not to exceed \$_____ to be applied in the

following order: Buyer's Expenses which Buyer is prohibited from paying by FHA, VA, Texas Veterans Land Board or other governmental loan programs, and then to other Buyer's Expenses as allowed by the lender.

- (2) Expenses payable by Buyer (Buyer's Expenses): Appraisal fees; loan application fees; adjusted origination charges; credit reports; preparation of loan documents; interest on the notes from date of disbursement to one month prior to dates of first monthly payments; recording fees; copies of easements and restrictions; loan title policy with endorsements required by lender; loan-related inspection fees; photos; amortization schedules; one-half of escrow fee; all prepaid items, including required premiums for flood and hazard insurance, reserve deposits for insurance, ad valorem taxes and special governmental assessments; final compliance inspection; courier fee; repair inspection; underwriting fee; wire transfer fee; expenses incident to any loan; Private Mortgage Insurance Premium (PMI), VA Loan Funding Fee, or FHA Mortgage Insurance Premium (MIP) as required by the lender; and other expenses payable by Buyer under this contract.

B. If any expense exceeds an amount expressly stated in this contract for such expense to be paid by a party, that party may terminate this contract unless the other party agrees to pay such excess. Buyer may not pay charges and fees expressly prohibited by FHA, VA, Texas Veterans Land Board or other governmental loan program regulations.

13. PRORATIONS: Taxes for the current year, interest, maintenance fees, assessments, dues and rents will be prorated through the Closing Date. The tax proration may be calculated taking into consideration any change in exemptions that will affect the current year's taxes. If taxes for the current year vary from the amount prorated at closing, the parties shall adjust the prorations when tax statements for the current year are available. If taxes are not paid at or prior to closing, Buyer shall pay taxes for the current year.

14. CASUALTY LOSS: If any part of the Property is damaged or destroyed by fire or other casualty after the effective date of this contract, Seller shall restore the Property to its previous condition as soon as reasonably possible, but in any event by the Closing Date. If Seller fails to do so due to factors beyond Seller's control, Buyer may (a) terminate this contract and the earnest money will be refunded to Buyer (b) extend the time for performance up to 15 days and the Closing Date will be extended as necessary or (c) accept the Property in its damaged condition with an assignment of insurance proceeds and receive credit from Seller at closing in the amount of the deductible under the insurance policy. Seller's obligations under this paragraph are independent of any other obligations of Seller under this contract.

15. DEFAULT: If Buyer fails to comply with this contract, Buyer will be in default, and Seller may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money as liquidated damages, thereby releasing both parties from this contract. If Seller fails to comply with this contract, Seller will be in default and Buyer may (a) enforce specific performance, seek such other relief as may be provided by law, or both, or (b) terminate this contract and receive the earnest money, thereby releasing both parties from this contract.

16. MEDIATION: It is the policy of the State of Texas to encourage resolution of disputes through alternative dispute resolution procedures such as mediation. Any dispute between Seller and Buyer related to this contract which is not resolved through informal discussion will be submitted to a mutually acceptable mediation service or provider. The parties to the mediation shall bear the mediation costs equally. This paragraph does not preclude a party from seeking equitable relief from a court of competent jurisdiction.

17. ATTORNEY'S FEES: A Buyer, Seller, Listing Broker, Other Broker, or escrow agent who prevails in any legal proceeding related to this contract is entitled to recover reasonable attorney's fees and all costs of such proceeding.

18. ESCROW:

A. **ESCROW:** The escrow agent is not (i) a party to this contract and does not have liability for the performance or nonperformance of any party to this contract, (ii) liable for interest on the earnest money and (iii) liable for the loss of any earnest money caused by the failure of any financial institution in which the earnest money has been deposited unless the financial institution is acting as escrow agent.

B. **EXPENSES:** At closing, the earnest money must be applied first to any cash down payment, then to Buyer's Expenses and any excess refunded to Buyer. If no closing occurs, escrow agent may: (i) require a written release of liability of the escrow agent from all parties, (ii) require payment of unpaid expenses incurred on behalf of a party, and (iii) only deduct from the earnest money the amount of unpaid expenses incurred on behalf of the party receiving the earnest money.

C. **DEMAND:** Upon termination of this contract, either party or the escrow agent may send a release of earnest money to each party and the parties shall execute counterparts of

the release and deliver same to the escrow agent. If either party fails to execute the release, either party may make a written demand to the escrow agent for the earnest money. If only one party makes written demand for the earnest money, escrow agent shall promptly provide a copy of the demand to the other party. If escrow agent does not receive written objection to the demand from the other party within 15 days, escrow agent may disburse the earnest money to the party making demand reduced by the amount of unpaid expenses incurred on behalf of the party receiving the earnest money and escrow agent may pay the same to the creditors. If escrow agent complies with the provisions of this paragraph, each party hereby releases escrow agent from all adverse claims related to the disbursement of the earnest money.

D. **DAMAGES:** Any party who wrongfully fails or refuses to sign a release acceptable to the escrow agent within 7 days of receipt of the request will be liable to the other party for liquidated damages in an amount equal to the sum of: (i) three times the amount of the earnest money; (ii) the earnest money; (iii) reasonable attorney's fees; and (iv) all costs of suit.

E. **NOTICES:** Escrow agent's notices will be effective when sent in compliance with Paragraph 21. Notice of objection to the demand will be deemed effective upon receipt by escrow agent.

19. REPRESENTATIONS: All covenants, representations and warranties in this contract survive closing. If any representation of Seller in this contract is untrue on the Closing Date, Seller will be in default. Unless expressly prohibited by written agreement, Seller may continue to show the Property and receive, negotiate and accept back up offers.

20. 5. Regulatory Agencies. Knight operates under the regulatory authority of the following State of Texas agencies: Department of Public Safety, Texas Private Security Board, P.O. Box 4087, Austin, Texas 78773-0001, 512/463-5545, License # B-3566; Texas Department of Insurance, Office of the State Fire Marshal; P.O. Box 149221, Austin, Texas 78714-9221, 512/463-6169, License # ACR-84110-647.

6. Document Conflict. It is understood and agreed by and between the parties hereto, that if there is any conflict in this agreement and any other document, this agreement will govern, whether such other document is prior, coincident or subsequent to this agreement.

7. Taxes, Fees, Permits, Fines. In addition to the charges set forth herein, Purchaser agrees to pay any and all false alarm assessments, taxes, fees or other charges relating to the System installation, System use or services provided under this agreement which are authorized or imposed by any governmental body or other organization to whose facilities the System is connected. In addition Purchaser agrees to have the System licensed, permitted, registered or the like when required by any governmental agency and to pay any and all required fees for same.

8. Knight Not An Insurer And Limitation Of Liability. Purchaser acknowledges that Knight has not represented or warranted that the System may not be compromised or circumvented, that the System will prevent any loss by burglary, theft, robbery, fire or otherwise or that the System will in all cases provide the detection for which it is installed or intended. Purchaser does further acknowledge that Purchaser assumes all risk for loss or damage to Purchaser's premises, property or contents and that Knight has made no representations or warranties, nor has the Purchaser relied on any representation or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular use, except as set forth herein. Purchaser acknowledges that Knight is not an insurer and that insurance if any shall be obtained by the Purchaser and that the payments stipulated hereinbefore are based solely upon the value of the System and services herein described and are unrelated to the value of Purchaser's premises, property or contents. It is not the intention of the parties of this agreement that Knight assume responsibility for any loss occasioned by malfeasance or misfeasance in the performance of the System or services under this agreement or for any loss or damage sustained through burglary, theft, robbery, fire or other cause by virtue of this agreement or because of the relation herein established. Purchaser further agrees to not subrogate with any person or insurer against Knight. From the nature of the System to be installed and/or the services to be performed, it is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from the failure of the System, installation, monitoring or other services or on the part of Knight to perform any of its obligations hereunder. If there shall, notwithstanding the provisions herein, at any time be or arise any liability on the part of Knight by virtue of this agreement or because of the relation hereby established, whether due to Knight's breach of this agreement, negligence of Knight, Knight's failure to perform any of its obligations hereunder, including installation, monitoring or service, or otherwise, such liability is and shall be limited to a sum equal in amount to the annual fee, five percent (5%) of the total sale and installation amount or five hundred dollars (\$500.00), whichever is the lesser. This liability shall be complete and exclusive. Purchaser may obtain from Knight a higher limitation of liability for an additional periodic charge. If Purchaser elects this option, Knight will attach a rider to this agreement, which will set forth the amount of the higher limitation of liability and the amount of the additional charge. Agreeing to the higher limitation of liability does not mean that Knight is an insurer.

9. Indemnification. Purchaser agrees to and shall indemnify and save Knight harmless, its employees and agents, for and against all third party claims, lawsuits and losses alleged to be caused by Knight's performance, negligent performance or failure to perform its obligations under this agreement except that this indemnity clause shall not extend to damage, loss, liability or injuries which occur while an employee or agent of Knight is on the premises of the Purchaser and which damage, loss, liability or injuries are solely and directly caused by the acts of said employee or agent.

10. System Acceptance. Purchaser agrees to an inspection by Knight within (30) days of the commencement of this agreement. Knight shall provide Purchaser with a written quotation to repair or replace any non functioning equipment. Failure to repair or replace non functioning equipment may be cause to delete those items from this agreement or to cancel this agreement in its entirety. Upon the expiration of the said thirty (30) day period, the installation and the System provided shall be deemed complete and acceptable to Knight.

11. Increase Of Service Fees. Notwithstanding the terms and conditions set forth herein, after the term for service stated in section 2.b above, Knight may at any time, increase the monthly System monitoring fee and/or service fee upon giving the Purchaser notice in writing. In the event Purchaser is unwilling to pay the increased fee(s), Purchaser may terminate the System monitoring and/or System service upon giving notice in writing to Knight within thirty (30) days from receipt of Knight's notice, provided Purchaser shall not be in default of any provisions, terms or conditions of this agreement. Failure to notify Knight within said thirty (30) days will constitute Purchaser's consent to the increased fee(s) and all other provisions, terms and conditions of this agreement shall remain in full force and effect.

12. System Use And Testing. To obtain proper results from the operation of the System, Purchaser agrees to perform weekly tests and inspections of the entire System and to notify Knight as soon as practical to have System repaired if a failure is detected with the System. Purchaser will instruct all other persons who may use the System on its proper use.

13. False Alarm & Warranty Service Calls. In the event Purchaser or any user of the System shall cause an excessive number of service calls through carelessness, the malicious or accidental use of the System or in the event Purchaser shall in any manner misuse or abuse the System, it shall constitute a material breach of contract on the part of Purchaser and Knight may, at its option, in addition to other legal remedies, be excused from further performance upon the giving of ten (10) days notice to Purchaser. Knight's excuse from performance shall not affect Knight's right to recover damages from Purchaser. In the event a fine, penalty, fee or the like is assessed against Knight by any governmental or municipality agency as a result of any false alarm or misuse of Purchaser's System, Purchaser agrees to forthwith reimburse Knight upon Knight giving notice to Purchaser.

14. Service Of System. Purchaser authorizes Knight to service or cause to be serviced, the devices specified in the "Equipment List" attached. Knight may, at its sole discretion, subcontract all or part of the installation or service of the System. Purchaser will make premises available during Knight's normal working hours of 8:00 A.M. through 5:00 P.M., Monday through Friday exclusive of Knight's scheduled holidays unless an alternative time has been arranged and agreed to by both Knight and Purchaser. If asbestos or other health hazardous material is encountered during service, Knight will cease work until Purchaser has, at Purchaser's sole expense, obtained clearance from a licensed asbestos removal or hazardous material contractor that continuation of work will not pose any danger to Knight's personnel. In no case shall Knight be liable for discovery or exposure of hidden asbestos or other hazardous material, and Purchaser shall indemnify and hold Knight and its employees harmless from any claims brought against Knight and/or its employees by third parties for damages, personal injury, death, emotional injury, whether actual or prospective allegedly caused by the presence, spread, ingestion or inhalation of any substance/vapor on or originating from Purchaser's premises.

15. Delay/Interruption Of Service. Purchaser hereby agrees that Knight assumes no liability for delays or interruption in installation, monitoring or service of System whether due to, strikes, riots, storms, natural disasters, fires, power failures, insurrection, interruption of or unavailability of telephone service, or any other cause beyond the control of Knight and will not be required to furnish service while any such cause shall continue.

16. Default Or Termination. If Purchaser fails to pay any amounts agreed herein or provided for herein within ten (10) days after the same is due and payable or if Purchaser fails to observe, keep or perform any other provision, term or condition of this agreement, Purchaser hereby agrees that Knight shall have the right to exercise any of the following remedies: (a) to declare the entire amount of moneys due hereunder, immediately due and payable upon notice or demand to Purchaser; (b) to initiate any legal proceedings and recover all moneys due hereunder, accrued and thereafter accruing, including without limitation, reasonable attorney's fees; (c) to enter Purchaser's premises and take possession of any and all devices of System not paid for, without any court order or other process of law, and any said taking of possession shall not constitute a termination of this agreement unless Knight expressly so notifies Purchaser in writing; (d) to terminate this agreement; (e) to pursue any other remedy at law or in equity. Notwithstanding any said removal or any other action which Knight may take, Purchaser shall be and remain liable for the full performance of all provisions, terms and conditions on the part of Purchaser under this agreement. All such remedies are cumulative and may be exercised concurrently or separately. Purchaser shall be liable for all expenses Knight may incur in connection with the enforcement of any of its remedies herein, including without limitation, reasonable attorney's fees and any amounts established by state or federal statute or regulation. If Knight elects to exercise any or all of the above provisions, it shall not be considered to constitute a breach by Knight of this agreement or waiver of Knight's rights to which it may be entitled under the law. Purchaser further agrees that Knight shall not be liable for any damage caused to the Purchaser's premises by the removal of System or devices.

17. Pre-Existing Equipment and Devices. Knight assumes no liability and gives no warranty, limited or otherwise and will not provide service for equipment except for the devices and software listed as "Equipment List" attached.

18. Authorized Users And Emergency Contact List. Purchaser agrees to furnish to Knight forthwith a written list of names, necessary telephone numbers and email addresses of emergency contact persons authorized to enter the Purchaser's premises. In addition Purchaser shall notify Knight in writing of all changes, revisions and modifications of the above stated emergency contact persons or changes to the Purchaser's premises address, telephone, or the like.

19. Late/Interest Fees & Attorney's Fees. Purchaser shall pay late fees and interest in amounts allowable by Texas law for all moneys not paid to Knight when due and payable. Additionally, in the event it shall become necessary for Knight to institute legal proceedings to collect any amount due Knight under this agreement, Purchaser shall pay Knight reasonable attorney's fees when permitted by law. Both Knight and Purchaser agree that no demand for arbitration, lawsuit or any other legal proceeding connected with this agreement shall be brought or filed more than one year after the incident giving rise to the claim occurred. In addition any such legal proceeding shall not be heard before a jury. Each party gives up any right to a jury trial.

20. Assignees And Subcontractors. Knight may transfer or assign this agreement to any other entity including an alarm company or lender. Purchaser may not transfer this agreement to someone else (including someone who purchases or rents Purchaser's premises) unless Knight approves the transfer in writing. Knight may use subcontractors to provide installation, repair or monitoring services, and this agreement, and particularly sections 8 and 9, shall apply to the work or services they provide, and shall apply to them and protect them in the same manner as it applies to and protects Knight.
