**Re: Sidewalk lifting and stabilization at Walter Umphrey State Park**

Mr. Redwine,

Thank you for the opportunity to present this proposal to you.

**ANALYSIS:**

Approximately 735 square feet of the concrete sidewalk at the Walter Umphrey State Park is in need of lifting and (or) stabilization

**SCOPE OF WORK:**

URETEK will drill 5/8" holes through the concrete sidewalk in order to inject its high density two-part expanding polymer to lift and (or) stabilize the sidewalk.

**PRICING:**

URETEK, will furnish the material, tools, skilled technicians, and insurance necessary to inject URETEK material to lift and (or) stabilize the sidewalk. The cost to complete the job is:

**Inject URETEK Material: \$8,085.00**

We expect to use 735 pounds of material. If more material is required, we will cease work until you authorize us to proceed at \$10.00 a pound.

**ADDITIONAL:**

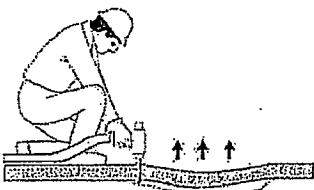

We will need to be able to pull our truck and trailer within 125 feet of the affected sidewalk.

Mr. Redwine, I hope this proposal meets with your approval. URETEK is eager to demonstrate to you the advantages of utilizing URETEK for concrete lifting. If you have any questions, please call me at (713) 870-9927 or email me at blakeg@uretek-gulfcoast.com. You may also call the office at (281) 894-4990. We look forward to hearing from you soon.

Sincerely,

### Sales Contract

Submitted To: Jefferson County Pct 3

Attn: Mark Redwine  
 5700 Jade Ave  
 Port Arthur, TX 77640

Date: 3/24/2016

Uretek ICR Representative: Blake Grappe  
 Job Address: 3964 Martin Luther King Dr  
 Port Arthur, TX 77640

Uretek ICR Gulf Coast ("Uretek ICR") and the individuals or entities designated as Owner(s)/Authorized Agent(s) below (collectively, the "Owner") enter into this agreement (the "Agreement") and hereby agree as follows:

1. Uretek ICR will provide all labor, materials and supervision to fill subterranean-voids using the Uretek Method™ to raise and/or stabilize the slab foundation at injection locations on the Project.
2. Injections will be made by drilling holes. The holes resulting from the drilling will be sealed with either wood putty or grout (as applicable) upon completion of the work.
3. Owner hereby accepts all responsibility for and agrees that Uretek ICR is not responsible for any damage to or resulting from damage to, (1) plumbing, (2) sheetrock, (3) wall covering, (4) carpet, (5) flooring, (6) door and/or window frames, (7) any other rigid material(s) and/or (8) any other damage resulting from Uretek ICR's work.
4. Any re-mobilization required because of lack of preparation by the customer will result in a \$1,000.00 remobilization charge.
5. Uretek ICR will lift and stabilize sidewalk at Walter Umphrey State Park; approximately 735 sq ft for the sum of Eight Thousand Eighty Five dollars (\$8,085.00), plus all applicable taxes (the "Service Fee"). Uretek ICR intends to use 735 pounds of material. Work beginning after 5pm on Friday thru 5am Monday will cost an additional \$1,000.00. Changes to the work will not be undertaken without a written change order signed on behalf of Uretek ICR and by Owner. Upon the parties' signing of a written change order, Uretek ICR will supply and inject additional material at a cost of \$10.00 per pound. Payment in full of the Service Fee is due upon Uretek ICR's representation that the work is complete regardless of whether Owner requests additional work by executing a change order as provided below. All invoices which are not paid upon completion of the work shall bear interest on the amounts then due at the rate of twelve percent (12%) per year with interest to accrue five (5) days from the date of Uretek ICR's invoice.

The Service Fee is based on Uretek ICR's investigation of the conditions and factors affecting the work to be performed, including, without limitation, soil conditions, void spaces, moisture levels, thickness of concrete and Owner's input to Uretek ICR regarding those and other pertinent conditions. If, after beginning work, the factors or conditions are found to be significantly different than previously understood by or explained to Uretek ICR, Uretek ICR reserves the right to stop work to determine the impact of such factors and conditions on the scope of work outlined above. If additional labor or materials are required beyond those contemplated by Uretek ICR as set forth above, Uretek

Contract 10847  
 RC10 rev.02/21/12

ICR will provide Owner with a revised cost estimate to complete the work. In no event, will Uretek ICR be obligated to complete the work until the parties execute a change order as provided herein. Regardless of whether Owner elects to execute a change order for additional labor and/or materials, Owner remains responsible for payment in full of the Service Fee.

6. The material injected by Uretek ICR is warranted against deterioration from normal and ordinary conditions for ten (10) years from the date of initial injection of the material. This warranty applies only to material injected at initial application and does not cover deterioration or damage resulting from improper use or modification subsequent to injection of the material, damage due to water or sewage infiltration, accidents or acts of God. If any adjustment is necessary due to settlement in the initial injection locations the first (1) year from the date of completion of the work, Uretek ICR's sole obligation is to adjust the settled area without cost to the Owner if Owner has paid in full all monies previously invoiced by Uretek ICR Gulf Coast.. SUBJECT TO THIS LIMITED WARRANTY, OWNER AGREES THAT THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, MADE BY URETEK ICR CONCERNING THE LABOR OR MATERIALS PROVIDED UNDER THIS AGREEMENT. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, URETEK ICR HEREBY DISCLAIMS, AND OWNER HEREBY WAIVES, ALL IMPLIED WARRANTIES RELATING TO THE LABOR AND MATERIALS PROVIDED UNDER THIS AGREEMENT INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, HABITABILITY, CONSTRUCTION IN A GOOD AND WORKMANLIKE MANNER, CONDITION, SUITABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND ADEQUACY OF THE PLANS. ANY IMPLIED WARRANTIES WHICH CANNOT LAWFULLY BE DISCLAIMED ARE LIMITED IN DURATION TO ONE (1) YEAR DURATION FROM THE DATE OF URETEK ICR'S INITIAL INJECTIONS. IN NO EVENT SHALL URETEK ICR BE LIABLE FOR DAMAGES IN EXCESS OF THE SERVICE FEE, FOR ANY LOSS OF USE, LOSS OF TIME, INCONVENIENCE, COMMERCIAL LOSS, LOST PROFITS OR SAVINGS OR OTHER INCIDENTAL, SPECIAL, CONSEQUENTIAL OR PUNITIVE DAMAGES OR ATTORNEY'S FEES ARISING OUT OF OR IN ANY WAY RELATED TO THE LABOR OR MATERIALS PROVIDED HEREUNDER TO THE EXTENT PERMITTED BY LAW.
7. Any disputes arising out of or in any way related to this Agreement or Uretek ICR's work will be resolved by binding arbitration in Harris County, Texas, as administered by the American Arbitration Association ("AAA") in accordance with the AAA's Construction Industry Arbitration Rules using a one-arbitrator panel.

To Whom It May Concern,

Please find enclosed two grant applications to Phillip's 66, each for \$50,000. Also included is a spreadsheet with the breakdown of how the \$100,000 was split out among the 8 jurisdictions who were a party to the 2014 Port Security Grants for the three different projects related to the Regional Radio System. The grant funds were awarded to offset the 20% match each of the entities listed were responsible for in the three grants. As you can see, there were different entities listed for each of the grants, and the grant funds were allocated as they are normally allocated for the 20% match. Also included in the packet is a check in the amount your jurisdiction was awarded based on the allocation determined by the spreadsheet. I am asking each of you to walk the check through the appropriate department in your city to assure the amount is credited to the 2014 Port Security Grant Regional Radio System projects. There is a chance I may need additional information from each of you to close this application out. Thanks for your patience and please extend your appreciation to Billy Job with Phillips 66 and a member of SNCA for assisting in getting this grant award. If you have any questions, don't hesitate to contact me at (409)960-5761.

Thanks,

Dale Jackson, Fire Chief/EMC

### Request Information

\* Project Title Grant Match Support for Regional Radio System  
\* Grant Amount \$50,000.00  
\* Project Description/Purpose As an active member of the Sabine Neches Chief's Association (SNCA) you have firsthand knowledge of the vast and diverse membership of the organization, which include local first responder entities, state and federal agencies, industry, health, and many other supporting members that make this organization a truly regional response network. In 2006, a Port Security Grant (PSG) was awarded which allowed the region the capability to begin to build the foundation of the regional radio system, and since that time, numerous other grants have been awarded to the region to further enhance the capabilities of the system. As the system grew, more and more entities became system users, which has allowed it to become a true regional system. During the years of building the system, the Department of Homeland Security has made interoperability the number one priority, and Port Security Grants have continued to be awarded to build out these type systems across the United States. The PSG program is a 75% federal, 25% local match, which requires stakeholders and users of the system to meet the 25% match. Currently, there are three projects which have been awarded to enhance the regional radio system, which combined total \$2,678,458.00. The federal portion is \$2,008,843.50 which leaves the stakeholders having to fund the 25% match of \$669,614.50. As you can see, the local match is quite significant and does put a strain on the first responder organizations to maintain funding to satisfy the 25% match.  
\* Monitoring and Evaluation Please proceed to next section.  
\* Expected Outcomes As an active member of the SNCA, Phillip 66 has continually supported the SNCA's effort in providing a high level of response capability within the region, while also sponsoring projects which greatly enhance the quality of life for communities within the three county area. The SNCA is in need of support in the effort to enhance the regional radio system. The grants mentioned above enhance Public Safety response capabilities of the cities of Beaumont, Nederland, Groves, Port Neches, Port Arthur, Jefferson County, Orange County, Hardin County, and other entities within these counties. The impact also affects the operation of Volunteer Fire Departments, Emergency Medical Response, as well as many public safety support agencies within the three county area. Not only will support be realized by these entities, it will also have an impact on the communities where Phillip 66 employees live. Any consideration of support would be appreciated, and as you can see, this project touches a very large area and many response agencies in the Southeast Texas region, including Phillip 66. If any additional information is needed in consideration of this request, please do not hesitate to contact me at (409)960-5761. Additional information on the Sabine Neches Chief's Association can be found by visiting our web site at snchiefs.com.

### Impact Information

\* Indicates required field

\* Actual Monitoring and Evaluation The match funds for which this grant was provided is monitored by the grant administrator on each of the three projects.

\* Actual Outcomes The outcome of this project will benefit the entities listed in the grant, helping to offset matching funds on the three projects which these funds are used to offset the matching funds.

Actual Gender Served Female  
Male

Actual Age Served Adolescents  
Adults  
Children  
Elderly

Actual Income Served under \$20,000  
\$20,000 - \$35,000  
\$35,001 - \$50,000  
\$50,001 - \$75,000

Actual Ethnicity Served 20% African American  
20% Asian/Pacific Islander  
20% Caucasian  
20% Hispanic  
20% Native American

\* Measurable Objectives The funds will be distributed to offset matching grant funds toward the three projects identified in the grant, which all have to do with interoperability on the Regional Radio system which covers three counties and all entities within.

Contribution Use The regional radio system has been an ongoing project for close to 20 years. Each year the region applies for grants to continue to meet P25 standards for interoperability in the region. The three projects identified in this grant all continue to enhance our communication capabilities within the region. The goal of the region is to continue to work towards full P25 compliance.

Publicity The award of these funds was announced at the annual SNCA banquet held on December 5th, 2015, recognition will also be given at the regular SNCA meeting set for January 6th, 2015 which all members of the SNCA will be in attendance. A picture of the check presentation can also be found on the SNCA website at snchiefs.com.

\* Project Title Grant Match Support for Regional Radio System  
 \* Grant Amount \$50,000.00  
 \* Project Description/Purpose As an active member of the Sabine Neches Chief's Association (SNCA) Phillip's 66 has firsthand knowledge of the vast and diverse membership of the organization, which include local first responder entities, state and federal agencies, industry, health, and many other supporting members that make this organization a truly regional response network.  
 In 2006, a Port Security Grant (PSG) was awarded which allowed the region the capability to begin to build the foundation of the regional radio system, and since that time, numerous other grants have been awarded to the region to further enhance the capabilities of the system. As the system grew, more and more entities became system users, which has allowed it to become a true regional system. During the years of building the system, the Department of Homeland Security has made interoperability the number one priority, and Port Security Grants have continued to be awarded to build out these type systems across the United States. The PSG program is a 75% federal, 25% local match, which requires stakeholders and users of the system to meet the 25% match. Currently, there are three projects which have been awarded to enhance the regional radio system, which combined total \$2,678,458.00. The federal portion is \$2,008,843.50 which leaves the stakeholders having to fund the 25% match of \$669,614.50. As you can see, the local match is quite significant and does put a strain on the first responder organizations to maintain funding to satisfy the 25% match. Over the years, numerous projects have been undertaken, great progress has been made on enhancing the system, and more entities have realized the benefits of merging into the regional radio system. The \$50,000 request would significantly reduce the amount the stakeholders would need to pay to meet the 25% match.

\* Monitoring and Evaluation Please proceed to next section.

\* Expected Outcomes As an active member of the SNCA, Phillip 66 has continually supported the SNCA's effort in providing a high level of response capability within the region, while also sponsoring projects which greatly enhance the quality of life for communities within the three county area. The SNCA is in need of support in the effort to enhance the regional radio system. The grants mentioned above enhance Public Safety response capabilities of the cities of Beaumont, Nederland, Groves, Port Neches, Port Arthur, Jefferson County, Orange County, Hardin County, and other entities within these counties. The impact also affects the operation of Volunteer Fire Departments, Emergency Medical Response, as well as many public safety support agencies within the three county area. Not only will support be realized by these entities, it will also have an impact on the communities where Phillip 66 employees live. Any consideration of support would be appreciated, and as you can see, this project touches a very large area and many response agencies in the Southeast Texas region, including Phillip 66. BE IT REMEMBERED at a meeting of Commissioners' Court of Jefferson County, Texas, held on the 2nd day of May, 2016, on motion made by Eddie Arnold, Commissioner of Precinct No. 1, and seconded by Everette Alfred, Commissioner of Precinct No. 4, the following Proclamation was adopted:

### NATIONAL TOURISM WEEK

**WHEREAS**, travel has a positive effect on Texas and the nation's economic prosperity and image abroad, to business productivity and to individual travelers' well-being; and

**WHEREAS**, travel to and within Texas provides significant economic benefits for the state, generating \$70.6 billion spent directly by travelers and tax revenues of \$6 billion for state and local governments, funds used to support essential services and programs; and

**WHEREAS**, travel is among the largest industries in the state, supporting 1.1 million jobs in 2014, including 630,000 directly in the travel industry and 474,000 in other industries; and

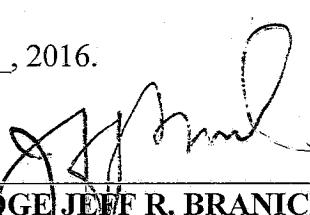

**WHEREAS**, travel in Jefferson County, Texas provides economic benefits for the county, employing 5,840 jobs and generating \$7.96 million in local tax revenue and \$541.3 million in total direct travel spending; and

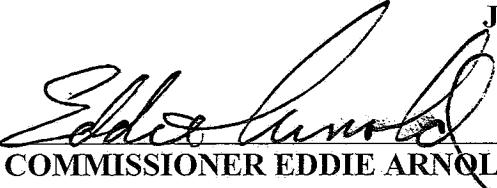

**WHEREAS**, travel spending in our region enhances the lives of local residents through sales taxes paid by out-of-town guests, thereby decreasing residents' taxes to cover services enjoyed by all; and

**WHEREAS**, travel is a catalyst that moves the local economy forward and builds on the visitor amenities and experiences available for travelers and local residents.

**NOW, THEREFORE**, the Commissioners' Court of Jefferson County does hereby proclaim the week of May 1 through May 7, 2016 as Travel and Tourism Week in Jefferson County, Texas and urges all citizens to recognize and observe the impact that tourism has in Jefferson County, Texas.

Signed this 2nd day of June, 2016.

## **Request for Out of State Travel for Training**

### **Officer Involved Shooting Training Seminar**

**Gonzalez, Louisiana**

#### **1. Is the trip budgeted? If not how is the trip funded?**

**Yes the trip is budgeted through our travel expense/schools account**

#### **2. Is the training mandatory or does the training directly impact the employee's assigned job duties?**

**There is no one in the Investigators office that has this kind of training for this specific type of high profile and highly visible type investigation. Investigator Molfino is and will be the Investigator tasked with conducting investigations from within the District Attorney's office when an Officer Involved Shooting occurs. These investigations when conducted correctly could save Jefferson County the possibility of millions of dollars in legal fees and liability when conducted and presented correctly to the grand jury and civil court hearings and proceedings.**

#### **3. Does the benefit seem to be worth the cost?**

**The fact that this training certificate will be ascertained by the attendee as stated above could possibly save the County substantially in future litigation and liability by being able to properly investigate and then present in court proceedings the facts to this type of investigation and incident. The benefit will greatly exceed the cost of the training to the County for a long time to come.**

**4. Is the training available locally or within Texas at a lower cost?**

**No, this training is only 2 hours away in Gonzales, La. If the training would have been attended in San Antonio, Austin, Dallas it would have cost more than the \$770.49 which will cover this entire training, lodging, and per diem for this course.**

**Special, May 02, 2016**

There being no further business to come before the Court at this time,  
same is now here adjourned on this date, May 02, 2016
