All bids submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

2. Bid Submissions During Time of Inclement Weather, Disaster, or Emergency

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of bids will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

3. Courthouse Security

Bidders are advised that all visitors to the Courthouse must pass through Security. **Bidders planning to hand deliver bids must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal.** Mondays and Tuesdays are particularly heavy days. 4. Preparation of Bids

The bid shall be legibly printed in ink or typed.

If a unit price or extension already entered is to be altered, it shall be crossed out and initialed in ink by the bidder.

Jefferson County is exempt from Federal and State Sales Taxes, and such taxes shall not be included in bid prices.

5. Signatures

Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

8. Emergency/Declared Disaster Requirements

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's supplier(s). Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

9. Award

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected. Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment. In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

10. Contract

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

14. Changes and Addenda to Bid Documents

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid. Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any

Instructions to Bidders

1. Bid Submission

Bids must be submitted in complete original form by mail or messenger to the following address:

Jefferson County Purchasing Department
1149 Pearl Street, 1st Floor
Beaumont, TX 77701

Bids will be accepted at the above address until the time and date specified herein, and immediately after will be publicly opened and read aloud.

Late bids will not be accepted and will be returned unopened to the bidder.

All bids submitted in response to this invitation shall become the property of Jefferson County and will be a matter of public record available for review.

2. Bid Submissions During Time of Inclement Weather, Disaster, or Emergency

In case of inclement weather or any other unforeseen event causing the County to close for business on the date of a bid/proposal/statement of qualifications submission deadline, the closing will automatically be postponed until the next business day that County offices are open to the public. Should inclement weather conditions or any other unforeseen event cause delays in courier service operations, the County may issue an addendum to all known vendors interested in the project to extend the deadline. It will be the responsibility of the vendor to notify the county of their interest in the project should these conditions impact their ability to submit a bid/proposal/statement of qualifications submission before the stated deadline. The County reserves the right to make the final judgement call to extend any deadline.

Should an emergency or unanticipated event interrupt normal County processes, and bid/proposal/statement of qualifications submissions cannot be received by the Jefferson County Purchasing Department's office by the exact time specified in the IFB and urgent County requirements preclude amendment to the IFB, the time specified for receipt of bids will be deemed to be extended to the same time of day specified in the solicitation on the first business day on which normal County processes resume.

3. Courthouse Security

Bidders are advised that all visitors to the Courthouse must pass through Security. **Bidders planning to hand deliver bids must allow time to get through Security, as a delay in entering the Courthouse will not be accepted as an excuse for late submittal.** Mondays and Tuesdays are particularly heavy days. Bidders are strongly urged to plan accordingly.

4. Preparation of Bids

The bid shall be legibly printed in ink or typed.

If a unit price or extension already entered is to be altered, it shall be crossed out and initialed in ink by the bidder.

The bid shall be legally signed and shall include the complete address of the bidder.

Jefferson County is exempt from Federal and State Sales Taxes, and such taxes shall not be included in bid prices.

5. Signatures

All bids, notifications, claims, and statements must be signed by an individual authorized to bind the bidder. The individual signing certifies, under penalty of perjury, that he or she has the legal authorization to bind the bidder.

Jefferson County reserves the right to reject any and all bids and to waive any informalities and minor irregularities or defects in bids. Bids may be withdrawn in person by a bidder or authorized representative, provided their identity is made known and a receipt is signed for the bid, but only if the withdrawal is made prior to the time set for receipt of bids. Bids are an irrevocable offer and may not be withdrawn within 90 days after opening date.

8. Emergency/Declared Disaster Requirements

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, this Acceptance of Offer may be subjected to unusual usage. Contractor shall service the county during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in this Acceptance of Offer shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the Acceptance of Offer, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's supplier(s). Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

9. Award

The bid will be awarded to the responsible, responsive bidder(s) whose bid, conforming to the solicitation, will be most advantageous to Jefferson County – price and other factors considered. Unless otherwise specified in this IFB, Jefferson County reserves the right to accept a bid in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of Jefferson County. Any bidder who is in default to Jefferson County at the time of submittal of the bid shall have that bid rejected. Jefferson County reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by Jefferson County, shall be deemed non-responsive and the offer rejected.

In evaluating bids, Jefferson County shall consider the qualifications of the bidders, and, where applicable, operating costs, delivery time, maintenance requirements, performance data, and guarantees of materials and equipment. In addition, Jefferson County may conduct such investigation as it deems necessary to assist in the evaluation of a bid and to establish the responsibility, qualifications, and financial ability of the bidders to fulfill the contract.

Jefferson County reserves the right to award this contract on the basis of **lowest and best bid** in accordance with the laws of the State of Texas, to waive any formality or irregularity, to make awards to more than one offeror, and/or to reject any or all bids. In the event the lowest dollar offeror meeting specifications is not awarded a contract, Offeror may appear before the Commissioners' Court and present evidence concerning Offeror responsibility after officially notifying the Office of the Purchasing Agent of Offeror's intent to appear.

10. Contract

A response to an IFB is an offer to contract with Jefferson County based upon the terms, conditions, and specifications contained in the IFB. Bids do not become contracts unless and until they are executed by Jefferson County, eliminating a formal signing of a separate contract. For that reason, all of the terms and conditions of the contract are contained in the IFB, unless any of the terms and conditions is modified by an IFB Amendment, a Contract Amendment, or by mutually agreed terms and conditions in the contract documents.

11. Waiver of Subrogation

A preliminary tabulation of bids received will be posted on the Purchasing web page (<http://co.jefferson.tx.us/purchasing/main.htm>) as soon as possible following bid opening. A final tabulation will be posted following bid award, and will also be available for review in the Purchasing Department.

14. Changes and Addenda to Bid Documents

Each change or addendum issued in relation to this IFB document will be on file in the Office of the Purchasing Agent, and will be posted on the Purchasing web site as soon as possible. It shall be the bidder's responsibility to make inquiry as to change or addenda issued, and to monitor the web site. All such changes or addenda shall become part of the contract and all bidders shall be bound by such addenda. Information on all changes or addenda issued will be available at the Office of the County Purchasing Agent.

15. Specifications

Unless otherwise stated by the bidder, the bid will be considered as being in accordance with Jefferson County's applicable standard specifications, and any special specifications outlined in the bid document. References to a particular trade name, manufacturer's catalogue, or model number are made for descriptive purposes to guide the bidder in interpreting the requirements of Jefferson County, and should not be construed as excluding bids on other types of materials, equipment, and supplies. However, the bidder, if awarded a contract, will be required to furnish the particular item referred to in the specifications or description unless departure or substitution is clearly noted and described in the bid. Jefferson County reserves the right to determine if equipment/ product being bid is an acceptable alternate. All goods shall be new unless otherwise so stated in the bid. Any

unsolicited alternate bid, or any changes, insertions, or omissions to the terms and conditions, specifications, or any other requirements of the bid, may be considered non-responsive.

All inquiries shall be made within a reasonable time prior to the date and time fixed for the bid opening, in order that a written response in the form of an addendum, if required, can be processed before the bids are opened. Inquiries received that are not made in a timely fashion may or may not be considered.

1.6 Bid Amounts. Bids shall show net prices, extensions where applicable and net total. In case of conflict between unit price and extension, the unit price will govern. Any ambiguity in the bid as a result of omission, error, unintelligible or illegible wording shall be interpreted in the favor of Jefferson County.

1.7 Exceptions and/or Substitutions. All bids meeting the intent of the specifications and plans will be considered for award. Vendors taking exception to the specifications and plans, or offering substitutions, shall state these exceptions in the section provided. If bid is made on an article other than the one specified, which a bidder considers comparable, the name and grade of said article must be specified in the bid and sufficient specifications and descriptive data must accompany same to permit thorough evaluation. The absence of stated exceptions and/or substitutions shall indicate that the vendor has not taken any exceptions to the specifications and shall be responsible to perform in strict accordance with the specifications. As a matter of practice, Jefferson County rejects exception(s) and /or substitutions as non-responsive but reserves the right to accept any and/or all of the exception(s) and/or substitution(s) deemed to be in the best interest of Jefferson County.

1.8 Alternates. The Invitation for Bid and/or specifications may expressly allow bidder to submit an alternate bid. Presence of such an offer shall not be considered an indication of non-responsiveness.

1.9 Descriptions. Unless otherwise specified, any reference to make, manufacturer and/or model used in the bid specifications is merely descriptive and not restrictive, and is used only to indicate type, style, or quality of material desired.

1.10 Bid Alterations. Bids cannot be altered or amended after submission deadline. Any interlineations, alterations, or erasures made before opening time must be initialed by the signer of the bid, guaranteeing authenticity.

1.11 Tax Exempt Status. Jefferson County is exempt from federal excise tax and state sales tax. Unless the bid form or specifications specifically indicate otherwise, the bid price must be net, exclusive of above-mentioned taxes and will be so construed. Therefore, the bid price shall not include taxes.

1.12 Quantities. Quantities indicated are estimated quantities only and are not a commitment to buy. Approximate usage does not constitute an order, but only implies the probable quantity that will be used. Commodities will be ordered on an as-needed basis. Bidder is responsible for accurate final counts.

1.13 Bid Award. Award of contract shall be made to the most responsible, responsive bidder, whose offer is determined to be the best value, taking into consideration the relative importance of price. Jefferson County reserves the right to be the sole judge as to whether items bid will serve the purpose intended. Jefferson County reserves the right to accept or reject in part or in whole any bid submitted, and to waive any technicalities or informalities for the best interest of the County. Jefferson County reserves the right to award based upon individual line items, sections or total bid.

1.14 Silence of Specifications for Complete Units. 1.15 Addenda. Any interpretations, corrections or changes to the specifications and plans will be made by addenda no later than forty-eight (48) hours prior to the bid opening. Addenda will be posted on the Purchasing web site. Vendors are responsible for monitoring the web site in order to remain informed on addenda. Vendors shall acknowledge receipt of all addenda with submission of bid.

1.16 General Bid Bond/Surety Requirements. Failure to furnish bid bond/surety, if requested, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.17 General Insurance Requirements. Failure to furnish Affidavit of Insurance, if required in these specifications, will result in bid being declared non-responsive. Non-responsive bids will not be considered for award.

1.18 Responsiveness. A responsive bid shall substantially conform to the requirements of this Invitation to Bid and/or specifications contained herein. Bidders who substitute any other terms, conditions, specifications and/or requirements or who qualify their bids in such a manner as to nullify or limit their liability to the contracting entity shall have their bids deemed non-responsive. Also, bids containing any clause that would limit contracting authority shall be considered non-responsive. Examples of non-responsive bids include but shall not be limited to: a) bids that fail to conform to required delivery schedules as set forth in the bid request; b) bids with prices qualified in such a manner that the bid price cannot be determined, such as with vague wording that may include "price in effect at the time of delivery," and c) bids made contingent upon award of other bids currently under consideration.

To be considered for award, bidder must at least: have the ability to obtain adequate financial resources, be able to comply with required or proposed delivery/completion schedule, have a satisfactory record of performance; have a satisfactory record of integrity and ethics, and be otherwise qualified and eligible to receive award.

The amount of time necessary for bid evaluation may vary and is determined solely by the County. Following the bid evaluation, all bids submitted are available for public review.

2. Performance

2.1 Design, Strength, and Quality. Design, strength, and quality of materials and workmanship must conform to the highest standards of manufacturing and engineering practices. The apparent silence of specifications and/or plans as to any detailed description concerning any point shall be regarded as meaning that only the best commercial practices are to prevail. All interpretations of these specifications and/or plans shall be made on the basis of this statement.

Any vehicles or equipment shall contain all standard safety, emission, and noise control requirements required for the types and sizes of equipment at the time of their manufacture. The contractor agrees, during the performance of work or service, to comply with all applicable codes and ordinances of Jefferson County or the State of Texas as they may apply, as these laws may now read, or as they may hereafter be changed or amended.

2.10 OSHA. The bidder will certify all equipment complies with all regulations and conditions stipulated under the Williams-Steiger Occupational Safety and Health Act of 1971, as amended. The successful bidder will further certify that all items furnished under this project will conform and comply with federal and State of Texas OSHA standards. The successful bidder will agree to indemnify and hold harmless Jefferson County for any and all damages that may be assessed against the County.

2.11 Patents and Copyrights. The successful vendor agrees to protect the County from claims involving infringements of patents and/or copyrights.

All samples (including return thereof), demonstrations, and/or testing shall be at the expense of the bidder/vendor.

2.13 Acceptability. All articles enumerated in the bid shall be subject to inspection by an officer designated for that purpose by Jefferson County. If found inferior to the quality called for, or not equal in value to the specifications, deficient in workmanship or otherwise, this fact shall be certified to the Purchasing Agent, who shall have the right to reject the whole or any part of the same. Items

and/or work determined to be contrary to specifications must be replaced at the vendor's expense. Inferior items not retrieved by the vendor within thirty (30) calendar days, or an otherwise agreed upon time, shall become the property of the County. If disposal of such items warrants an expense, an amount equal to the disposal expense will be deducted from amounts payable to the vendor.

2.14 Maintenance. Maintenance required for equipment bid should be available in Jefferson County by a manufacturer authorized maintenance facility. Cost for this service shall be shown on the bid sheet as requested or on a separate sheet, as required. If Jefferson County opts to include maintenance, it shall be so stated in the purchase order and said cost will be included. Service will commence only upon expiration of applicable warranties and should be priced accordingly.

2.15 Material Safety Data Sheets. Under the "Hazardous Communications Act," common known as the "Texas Right to Know Act," a bidder must provide the user department, with each delivery, material safety data sheets which are applicable to hazardous substances defined in the Act. Failure of the bidder to furnish this documentation, will be cause to reject any bid applying thereto.

2.16 Evaluation. Evaluation shall be used as a determinant as to which services are the most efficient and/or most economical for the County. It shall be based on all factors having a bearing on price and performance of the items in the user environment. All bids are subject to tabulation by the Jefferson County Purchasing Department and recommendation to Jefferson County Commissioners' Court. Compliance with all bid requirements and needs of the using department are considered in evaluating bids. Pricing is not the only criteria for making a recommendation. The Jefferson County Purchasing Department reserves to right to contact any bidder, at any time, to clarify, verify or requirement information with regard to this bid.

3. Purchase Orders and Payment

3.1 Purchase Orders. A purchase order(s) shall be generated by the Jefferson County Purchasing Agent to the successful vendor. The purchase order number must appear on all itemized invoices and packing slips. Payment will be made for all services rendered and accepted by the contract administrator for which a valid invoice has been received.

3.2 Invoices. All invoices shall reference the Purchase Order number. Invoices shall reference the bid item number or a detailed description for each item invoiced. If an item purchased and itemized on the invoice does not correspond to an item in any of the categories awarded to the vendor, invoice shall reference the item as "N/C" to indicate that it is a non-contract item. This requirement is to assist the County in verifying contract pricing on all invoices. Payment will be made under terms of net thirty (30) days unless otherwise agreed upon by seller and the purchasing department.

3.3 Prompt Payment. In accordance with the State of Texas Prompt Payment Act, Article 601f V.T.C.S., payment will be made after receive and acceptance by the County of the merchandise ordered and of a valid invoice. Cause for such request, i.e., manufacturer's direct cost, postage rates, Railroad Commission rates, Federal/State minimum wage law, Federal/State unemployment taxes, F.I.C.A, Insurance Coverage Rates, etc., shall be substantiated in writing by the source of the cost increase. The bidder's past experience of honoring contracts at the bid price will be an important consideration in the evaluation of the lowest and best bid. Jefferson County reserves the right to accept or reject any/all requests for price re-determination as it deems to be in the best interest of the County.

4.5 Termination. Jefferson County reserves the right to terminate the contract for default if the bidder breached any of the terms therein, including warranties of bidder or if the bidder becomes insolvent or commits acts of bankruptcy. Default may be construed as, but not limited to, failure to deliver the proper goods and/or service within the proper amount of time, and/or to properly perform any and all services required to Jefferson County's satisfaction and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified. Re: Extra Hours for Detention Staff and other 10-Series Line items for FY 2017-18 Budget

The Juvenile Detention Center operates under a U.S Department of Labor ruling obtained by Human Resources Director, Carey Erickson, which is in compliance with the Fair Labor Standards Act. Juvenile Supervision Officer are qualified as law enforcement (security personnel in corrections institution – October, 1997). This exemption allows the department to require these officers to attend monthly staff training and be paid straight time as opposed to giving them time and a half comp time off, up to eleven hours per month.

Please place \$23,300 as Extra Hours in line item #10-02

Extra Help is used to fund all part-time Supervision Officers that supplement shifts, working during employee illness, employee personal leave, vacation time, bereavement time, military leave, etc. It is recommended that Extra Help line item 10-05 remain the same as FY17 at \$181,586.

Please add these figures to the budget request:

120-3064-424-10-05 Extra Help (Remain the Same)	\$181,586
120-3064-424-10-97 Holiday Pay (Remain the Same)	\$43,721
120-3064-424-10-94 Longevity Pay (to be completed by Auditing)	
120-3064-424-10-96 Vacation Pay (to be completed by Auditing)	
120-3064-424-10-98 Overtime Allowance (Remain the Same)	\$6,242

Grant Proposal & Project Budget

2017 Jefferson County Juvenile Probation
IEA – Inspire, Encourage, Achieve
Funding Proposal

Amount of Request: \$200,000 (see enclosed project budget for details)

Purpose of Request: Funds will be used by IEA – Inspire, Encourage, Achieve to provide a multi-disciplinary response to crime and delinquency for juvenile justice involved youth who are brought to the attention of the Jefferson County Juvenile Probation Department and the Minnie Rogers Juvenile Justice Center (MRJJC). As a result of the current and past support extended to IEA by the Jefferson County Commissioners Court, the organization continues to achieve significant outcomes in reducing recidivism rates and this request will help interrupt a path toward adult criminal behavior and instead will prepare young people for becoming tax-paying citizens who are educated, civically engaged, workforce ready and able to achieve dignity, respect and a meaningful quality of life.

History & Intervention Strategies

IEA-Inspire, Encourage, Achieve – is a private non-profit organization operating in a unique partnership with the Jefferson County Juvenile Probation Department to reduce recidivism rates among juvenile offenders in Southeast Texas. Originated by Regina Rogers and the late Julie Rogers, IEA was founded in 1997 in memory of the late Ben Rogers to perpetuate his legacy of helping young people achieve dignity and respect through knowledge, compassion, understanding and love.

IEA utilizes strength-based approaches, cross-system collaborations and community assets to alter the trajectory of juvenile justice involved youth who were vulnerable to entering the adult criminal justice system. Since its inception (1997), IEA has been endorsed by key stakeholders throughout the community for its work with juvenile justice involved youth. As a result of IEA's service-delivery model, youth detained at the Minnie Rogers Juvenile Justice Center (MRJJC) have the opportunity to acquire knowledge and skills that help them learn how to alter thoughts and behaviors that lead to a cycle of incarceration and involvement in the adult criminal population. IEA's holistic approach to programming and family support has reduced the rate of recidivism (repeat offenses) and enabled probation officers to work more effectively with the youth.

In 2016, IEA (the only organization of its kind in Texas) extended a rescuing hand to 339 youth by providing services with compassion, understanding and love during a critical turning point in their lives. Through parenting classes, home visits, family nights and experiential exercises, parents of juvenile justice involved youth as well as parents of youth who are at-risk of delinquency benefited from a supportive network of resources that enabled them to strengthen their parenting skills and develop stronger support systems. Of the 56 youth who received comprehensive services through Ben's Kids, 50 were not detained at MRJJC for a new offense while enrolled in the organization's

outreach program. From services offered to youth detained in the MRJJC to its Ben's Kids outreach efforts, IEA empowers juvenile justice involved youth to adopt law-abiding lifestyles by offering alternatives to criminal behavior and increasing access to mental health and personal development opportunities. Every juvenile offender detained in the MRJJC has an opportunity to benefit from programming offered within the institutional component of IEA. Referrals are made by the Jefferson County Juvenile Probation Department to the Ben's Kids outreach component of IEA while youth are detained as well as during pre and post adjudication.

Additionally, IEA strategically coordinates community-based service-delivery including: case management, counseling, academic support (including tutoring sessions and book club meetings), one-on-one mentoring, youth support groups, sober support/substance abuse recovery, group counseling, art therapy, community service projects, job training and other enrichment opportunities. The enclosed items provide further details about services IEA offers.

IEA Programming Costs

IEA continues to invest in creative service-delivery for hundreds of Southeast Texas youth who are struggling socially, emotionally and academically are referred to the organization by the Jefferson County Juvenile Probation Department as well as by school districts, courts and other organizations who recognize when young people are at-risk of engaging in delinquent activities. As a cost-effective intervention option designed to counter the disadvantages of poverty, abuse, neglect, distress, academic deficiencies, fragmented support systems and risky behaviors, IEA helps juvenile justice involved youth and those who are at-risk of delinquency (including siblings of youth on probation) strengthen and develop character qualities that increase their confidence in making healthy lifestyle choices.

The resilience demonstrated by youth whose lives were marked by challenges but were able to triumph over difficult situations, as a result of caring and supportive members of our community who believed in their potential, have been supported largely by opportunities made available with funding from Jefferson County combined with other leveraged resources (including in-kind contributions, donated services, and volunteer hours). With 100% of **IEA's annual budget of \$550,000** dedicated to programming offered in **Jefferson County**, the organization is seeking funding in the amount of **\$200,000 to support its service-delivery and coordination of programming at Minnie Rogers Juvenile Justice Center as well as those offered through its Ben's Kids Outreach Program** – which increases youth access to community-based support and resources.

Community Collaborations

IEA continues to sustain its collaborative efforts with community-based providers that offer pro-social and wellness experiences – including those offered by **the IEA's outreach facility in Beaumont – which is equipped with a boxing ring and exercise equipment, Love Yoga, Spindletop Center and Right Choice.**

As a community-based provider for **the Jefferson County Juvenile Drug Court Program** and an intervention option that is highly utilized by Jefferson County Juvenile Probation, IEA continues to provide service-delivery to Jefferson County Youth with histories of disappointing and discouraging life experiences and loose or absent connections to community-based support systems (i.e., church, enrichment activities, service organizations, etc.)

IEA has been able to demonstrate a return on investment from the funding provided in past years from Jefferson County. In addition to motivating youth to achieve a high school diploma while enrolled in the organization's outreach program, IEA is providing job training opportunities that equip youth with skills that increase their marketability for employment. In partnership with area HEB Stores and other businesses, IEA's **Taste-O's (Taste Our Success) Job Training Program helps youth acquire skills they can market for employment.** Although youth served at the Minnie Rogers Juvenile Justice Center benefit from IEA's services while detained, Jefferson County Juvenile Probation may refer them and their parents for continued support through IEA's outreach programs (including Ben's Kids and Parent Project).

In collaboration with Jefferson County Juvenile Probation, IEA is fortunate to have a strong coalition of partners that recognize the value of our work in transforming the lives of juvenile offenders (including Lamar University, Beaumont Independent School District, City of Beaumont, City of Port Arthur, U.S. Attorney's Office, Eastern District of Texas and Beaumont Art League).

IEA leverages its resources through building and sustaining community-based partnerships. Once clients have been introduced to personal development opportunities within IEA, they are guided toward implementing a plan for continuing to access similar services upon their completion of juvenile probation. Current partners and referral sources include, Spindletop Center, Family Services of Southeast Texas, Communities in Schools, Buckner's STAR (Service to at-risk youth) Program, Southeast Texas Regional Planning Commission, CASA (Court Appointed Special Advocates) and Catholic Charities of Southeast Texas.

Summary

IEA is seeking funding from Jefferson County to help provide innovative intervention services for juvenile offenders detained at the Minnie Rogers Juvenile Justice Center (MRJJC) and those under supervision by the Jefferson County Juvenile Probation Department. The organization's rehabilitative strategy provides a direct economic benefit to Southeast Texas, since it helps reduce recidivism rates and the cost of detaining youth for future violations, which often lead to their incarceration as adults.

In a videotaped interview, during his time as the Chief of Police in Port Arthur **Mark Blanton stated, "IEA has given young people a way to realize their potential, to set long-term goals, and to get a sense of direction and hope they didn't have before. I'm just completely in awe of what IEA does and what its results have been."** In addition to local recognition of its value, IEA's

efforts have also been featured by the Texas Public Policy Foundation in "Getting More for Less in Juvenile Justice" and a National Department of Justice article that focuses on Project Safe Neighborhoods Initiatives.

Findings from an internal analysis (conducted by the Jefferson County Juvenile Probation Department) for the purpose of assessing the impact of services offered by IEA to juvenile offenders revealed: Of the 229 juvenile offenders served by IEA over a three-year period, 79% did not have a negative outcome. A total of 17.9% would have been sent to an alternative placement or TYC had IEA not been a resource. With an average of 11 juvenile offenders per year being kept from placement as a result of IEA's comprehensive services, taxpayers have been potentially saved \$188,100 per year. When factoring the cost of TYC incarceration for one juvenile offender, there is an additional expense that escalates to nearly \$100,000 or more annually. Therefore, the Jefferson County Juvenile Probation Department estimates that **IEA has potentially saved Jefferson County and the State of Texas nearly \$287,000 annually.**

Through our programs, juvenile offenders recognize their own value and are encouraged to change their lives. In sum, an investment of time and resources to support IEA's intervention efforts in the community is far less expensive than the costs associated with residential placement and incarceration of juvenile offenders. In recognition of the two decades that IEA has led efforts of youth advocacy and civic action to help young people Transform Hardships into Hope, **the House of Representatives of the 85th Legislature passed a resolution this year to commemorate the organization's 20th anniversary.**
