Lessor shall, at its expense and risk, maintain the roof, foundation, heat and air conditioning, exterior walls and weight-bearing interior walls, the exterior walls (excluding windows, window glass, plate glass, and doors leading into the exclusive space), and reasonable care of landscaping and the regular mowing of grass and maintenance of paving outside the building. Lessor shall further maintain, paint, and keep in reasonable repair the exterior area.

4.02 Lessee's Responsibilities. Lessee shall, at its own expense and risk, maintain the exclusive space, including interior walls, floors, ceiling, windows, window glass, plate glass, doors, light fixtures, and shall be responsible for painting and repairing the exclusive space. Lessee shall further furnish, at its own expense and risk, any heat and air conditioning units, electrical wiring, and electrical fixtures necessitated by alterations to the exclusive space made by Lessee. Lessee shall maintain the premises and keep it free from waste and nuisance, and shall deliver up the premises in a clean and sanitary condition at the termination of this lease in good repair and condition, reasonable wear and tear and damage by fire, tornado or other casualty accepted. In the event Lessee should neglect to reasonably maintain the premises, Lessor shall have the right, but not the obligation, after written notice and a reasonable opportunity to correct the alleged condition, to cause repairs or corrections to be made, and any reasonable costs, shall be payable by Lessee to Lessor as additional rental on the next rental installment date.

4.03 Janitorial Service. Lessee shall provide its own janitorial service as needed.

4.04 Alterations. Lessee shall make no additions or alterations to the buildings and improvements of the leased premises without the written permission of the Airport Manager of Lessor. Lessor acknowledges lessee desires to install a sign above the leased space.

4.05 Condition and Surrender. By execution of this lease agreement, Lessee acknowledges that it

has inspected the leased premises, including the common area, and accepts the same in an "as is" condition. Lessee shall, throughout the lease term, maintain the exclusive space as stated in Section I and keep it free from waste and nuisance, and shall deliver up the premises in a clean and sanitary condition at the termination of this lease in good repair and condition; reasonable wear and tear and damage by fire, tornado or other casualty excepted. In the event Lessee should neglect to reasonably maintain the exclusive space, Lessor shall have the right, but not the obligation, to cause repairs or corrections to be made, and any reasonable costs, therefore, shall be payable by Lessee to Lessor as additional rental on the next rental installment date.

SECTION V

5.01 Hold Harmless Covenant. Lessee covenants and agrees to hold Lessor free and harmless from loss from each and every claim and demand of whatever nature, made on behalf of or by any third person or persons, for any wrongful act or omission on the part of Lessee, his agents, servants, officers, directors, and employees, and from all loss and damages to any third person or persons by reason of such acts or omissions.

SECTION VI

DEFAULT

6.01 Events of Default. If Lessee shall allow the rent to be in arrears more than fifteen (15) days after written notice of such delinquency, or is in default under any other condition of this lease for a period of fifteen (15) days after written notice from Lessor, or should any other person than Lessee secure possession of the premises or any part thereof, by reason of any receivership, bankruptcy proceedings, or other operation of law in any manner whatsoever, any such event shall be deemed to be an event of default by Lessee under this lease.

If at any time, Lessor determines Lessee's business operations negatively impacts the commercial airlines enplanements or operations, Lessor will notify Lessee in writing of negative impacts. Lessee will have 15 days to correct the acts causing the impacts. If corrections are not or cannot be made, such impacts shall be deemed to be an event of default by Lessee under this lease.

6.02 Remedies. Upon the occurrence of any event of default specified in Section 6.01 hereof, Lessor shall have the option to pursue any one or more of the following remedies without any notice or demand whatsoever:

- (a) Terminate this lease in which event Lessee shall immediately surrender the premises

to Lessor, and if Lessee fails to do so, Lessor may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession and expel or remove Lessee and any other person who may be occupying said premises or any part thereof, by force if necessary, without being liable for prosecution or any claim of damages therefore; and Lessee agrees to pay to Lessor on demand the amount of all loss and damage which Lessor may suffer by reason of such termination.

(b) Enter upon the premises by force if necessary, without being liable for prosecution or any claim for damages therefore, and do whatever Lessee is obligated to do under the terms of this lease; and Lessee agrees to reimburse Lessor on demand for any expenses which Lessor may incur in thus effecting compliance with Lessee's obligations under this lease, and Lessee further agrees that Lessor shall not be liable for any damages resulting to Lessee from such action.

No reentry or taking possession of the premises by Lessor shall be construed as an election on its part to terminate this lease, unless a written notice of such intention be given to Lessee. Notwithstanding any such re-letting or reentry or taking possession, Lessor may at any time thereafter elect to terminate this lease for a previous default. Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or any other remedies provided by law, nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent due to Lessor hereunder or of damages occurring to Lessor by reason of the violation of any of the terms, provisions, and covenants herein contained. Lessor's acceptance of rent following an event of default hereunder shall not be construed as Lessor's waiver of such event of default. No waiver by Lessor of any violation or breach of any of the terms, provisions, and covenants herein contained shall be deemed or construed to constitute a waiver of any violation or breach of any of the terms, provisions, and covenants herein contained. Forbearance by Lessor to enforce one or more of the remedies herein provided upon an event of default shall not be deemed or construed to constitute a waiver of such default. The loss or damage that Lessor may suffer by reason of termination of this lease as provided for above shall include the expense of repossession and any repairs or remodeling undertaken by Lessor following possession. Should Lessor at any time terminate this lease for any default, in addition to any other remedy Lessor may have, Lessor may recover from Lessee all damages Lessor may incur by reason of such default, including cost of recovering the premises and the worth at the time of such termination of the excess, if any, of the amount of rent and charges equivalent to rent reserved in this lease for the remainder of the stated term

over the reasonable rental value of the premises for the remainder of the said term, all of which amounts shall be immediately payable from Lessee to Lessor.

SECTION VII
CANCELLATION BY LESSEE

7.01 Lessee shall have the right to cancel this lease in its entirety, to be effective at the end of any specified month, provided it gives not less than twenty (20) days written notice to Lessor of its interest to cancel this lease. Upon the effective date of such cancellation this lease shall be considered null and void as to any subsequent obligations by and between the parties. Lessee shall vacate the premises before the effective date of such cancellation. After the effective date of cancellation, if Lessee has not vacated the premises, he shall be construed to be a tenant at the will of Lessor.

SECTION VIII
ASSIGNMENT OR SUBLEASE

8.01 Lessee agrees not to assign the premises leased, any part thereof, or any right or privilege connected therewith, or to allow any other person, except Lessee's agents and employees, to occupy the premises or any part thereof, without first obtaining the Lessor's written consent which shall not be unreasonably withheld. Lessee's interest in this lease is not assignable by operation of law, nor is any assignment of his interest herein, without Lessor's written consent, and Lessor's consent shall not be unreasonably withheld. Lessee shall have no right to sublease any part of this lease or of the lease premises.

SECTION IX
RIGHT OF ENTRY

9.01 Lessor reserves the right to enter upon the premises at any reasonable time for the purpose of making any inspection it may deem expedient to the proper enforcement of any of the covenants or conditions of this agreement. Lessor shall provide Lessee reasonable advanced notice except in the case of an emergency.

SECTION X

STANDARD ASSURANCES

10.01 Lessee covenants and agrees to comply with all rules and regulations of the Federal Aviation Administration, including FAA approved Certification Manual, and all Federal, State and Local laws and ordinances now in effect or hereafter promulgated, and the same are made a part of this agreement by reference as though they were set forth herein.

10.02 Airport Regulations. The Lessee covenants and agrees to observe and obey the rules and regulations of the Airport, as promulgated by governmental authority, in the conduct of its operations at the demised premises.

10.03 Air Operations Area Security. Lessee shall provide for the security of the Air Operations Area (AOA) to prevent ground entry or movement of unauthorized persons from or through the leased premises in accordance with any regulations imposed upon Lessor by the Federal Aviation Administration. Lessee will indemnify and hold harmless Lessor, its officers and employees, from any charges, fines, or penalties that may be levied by any agency of the United States or the State of Texas by reason of Lessee's failure to comply with this requirement.

10.04 Airport Hazard. The Lessee and its successors and assigns, will not make or permit any use of the property which would interfere with landing or taking-off of aircraft at the Airport, or otherwise constitute an airport hazard, including such items as electrical and electronic interference with communications, electrical or electronic equipment, creation of dust or glaring or misleading lights.

10.05 The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. Good morning Fran, I would like to request a budget amendment. I would like to transfer \$7261.00 from account 120-8095-417-3037 to account 120-8095-417-60-24. This request concerns the exterior of the fuel tank and its integrity. Can you please put this on the commissioner's court agenda? I have also included the quote and photos for your viewing, the quote does include taxes but will get corrected once all is approved. Thank you and have a great day.
