COUNSEL CONTINGENT FEE CONTRACT

This Counsel Contingent Fee Contract ("Contract") is by and between Jefferson County, Texas ("CLIENT"), on the one hand, and the Coffman Law Firm and Mitchell A. Toups, Ltd. (together, "COUNSEL"), on the other hand, effective as of the date this Contract is fully signed. In consideration of the mutual promises set forth herein, the Parties agree as follows:

I. PURPOSE OF REPRESENTATION

1.01 CLIENT has a substantial need to employ COUNSEL to assist CLIENT in connection with filing CLIENT's claims against Purdue Pharma and each of its eighteen (18) subsidiaries and affiliates in the Purdue Pharma bankruptcy proceeding and assisting CLIENT in connection with its claims arising out of, and related to, *In re National Prescription Opiate Litigation*; MDL No. 2804 (N.D. Ohio) (the "Litigation"). (the "Litigation"). CLIENT retains COUNSEL to (i) file CLIENT's claims against Purdue Pharma and each of its eighteen (18) subsidiaries and affiliates in the Purdue Pharma bankruptcy proceeding on or before June 30, 2020, the claim bar date established by the bankruptcy court, (ii) evaluate any proposed settlements to determine whether they are fair and reasonable, (iii) litigate CLIENT'S claims where necessary, (iv) litigate settlement splits with the cities and towns within CLIENT'S borders before the court-appointed neutral, and (v) represent CLIENT in allocation proceedings involving settlement funds recovered at the state level.

1.02 CLIENT hereby retains and employs COUNSEL. CLIENT'S Commissioners' Court has, by its approval of this Contract, found that CLIENT has a substantial need for the legal services to be provided by COUNSEL, which cannot be adequately performed by CLIENT'S attorneys or other government attorneys, nor, because of the nature of the matter for which the services are obtained, can they be reasonably obtained from attorneys in private practice under an hourly fee contract without regard to the outcome of the matter.

1.03 CLIENT hereby authorizes and directs COUNSEL, subject to the supervision, direction and control of CLIENT'S County Attorney's Office, to handle CLIENT'S representation and take all actions necessary to prosecute CLIENT'S claims in the Litigation on CLIENT'S behalf. Subject to CLIENT'S review and approval, COUNSEL is authorized to seek and recover all such cash and non-cash relief allowed by the laws of the State of Texas and/or any relevant local, state and/or federal statutory and/or common law.

1.04 CLIENT hereby confirms that pursuant to TEX. LOC. GOV'T CODE § 262.024(a)(4), this Contract is for *professional services*, requiring work that is predominantly mental or intellectual, rather than physical or manual, requiring special knowledge and attainment in class action jurisprudence, and a high order of learning, skill, and academic intelligence, and the services of COUNSEL are being retained pursuant to all applicable law.

1.05 The term of this Contract will end after the conclusion of COUNSEL'S representation of CLIENT in the Litigation unless either Party extends, expands, or terminates this Contract in accordance with its provisions.

**CONFIDENTIAL—PROTECTED BY THE ATTORNEY-CLIENT PRIVILEGE AND
ATTORNEY WORK PRODUCT DOCTRINE**

1.06 The primary attorneys handling this representation employed by COUNSEL are Richard L. Coffman and Mitchell A. Toups, who agree to perform all necessary and required legal work to represent CLIENT in the Litigation, and will perform such work under the supervision, direction, and control of CLIENT'S County Attorney's Office.

1.07 To enable COUNSEL to provide effective representation, CLIENT agrees to: (a) disclose to COUNSEL, fully and accurately and on a timely basis, all facts and documents within CLIENT'S knowledge that are or might be material and relevant to the Litigation or that COUNSEL may request, (b) keep COUNSEL apprised on a timely basis of all developments relating to the Litigation that are or might be material, (c) attend meetings, conferences, and other proceedings when it is reasonable and necessary to do so, and (d) otherwise cooperate fully with COUNSEL.

1.08 Neither Party shall assign, in whole or in part, any duty or obligation of performance under this Contract without the express written permission of every other Party unless otherwise authorized in this Contract.

1.09 The entity represented by COUNSEL is CLIENT, and COUNSEL'S attorney-client relationship does not include any related persons or entities. If any potential conflict arises with respect to representing CLIENT in the Litigation, COUNSEL will make full disclosure of the possible conflict on the professional judgment of each person associated with COUNSEL working on the Litigation on CLIENT'S behalf.

1.10 Any expressions by COUNSEL concerning the outcome of COUNSEL'S representation of CLIENT in the Litigation are based on COUNSEL'S professional judgment and are not guarantees. Such expressions, even when described as opinions, are necessarily limited by COUNSEL'S knowledge of the facts and are based on COUNSEL'S views of the state of the law at the time they are expressed. COUNSEL has made no promises or guarantees to CLIENT about the outcome of the Litigation, and nothing in this Contract shall be construed as a promise or guarantee.

1.11 After COUNSEL'S representation of CLIENT in the Litigation is completed, changes may occur in the applicable laws or regulations that could affect CLIENT'S future rights and liabilities. Unless COUNSEL is engaged by CLIENT after its representation of CLIENT in the Litigation is completed to represent CLIENT in other opioid-related legal matters, COUNSEL has no continuing obligation to give advice regarding any future legal developments pertaining to the Litigation other than the continuing obligations set forth in this Contract.

1.12 Any notice required or permitted to be given by CLIENT to COUNSEL hereunder may be given by hand delivery, facsimile, email, or certified United States Mail, postage prepaid, return receipt requested, addressed to:

1.14 Such notices shall be considered given and complete upon successful transmission or upon deposit in the United States Mail.

1.15 COUNSEL affirmatively consents to the disclosure of its email addresses provided to CLIENT or the County Attorney's Office in compliance with the requirements of the Texas Public Information Act, TEX. GOV'T CODE § 552.137, *et seq.*, as amended, and shall survive termination of this Contract. This consent shall apply to email addresses provided by COUNSEL and agents acting on COUNSEL'S behalf in representing CLIENT in the Litigation.

1.16 The Parties understand and agree that COUNSEL has no authority to settle or otherwise compromise CLIENT'S claims. CLIENT'S County Attorney retains all authority to settle the case, and any such settlements must be approved by CLIENT'S Commissioners' Court. That said, CLIENT will weigh fully COUNSEL'S opinions and recommendations, and not unreasonably withhold its acceptance of a settlement proposal which, in the judgment of COUNSEL, is a fair and reasonable resolution of CLIENT'S legal claims.

1.17 Nothing herein shall be construed as creating any personal liability on the part of any officer or agent of CLIENT.

**CONFIDENTIAL—PROTECTED BY THE ATTORNEY-CLIENT PRIVILEGE AND
ATTORNEY WORK PRODUCT DOCTRINE**

1.18 Upon request, COUNSEL shall provide CLIENT'S County Attorney with Litigation status reports.

1.19 It is further agreed that COUNSEL will not associate other lawyers or law firms as co-counsel ("ASSOCIATED CO-COUNSEL") without the prior written consent of CLIENT'S County Attorney. COUNSEL'S request to associate ASSOCIATED CO-COUNSEL, if any, shall be in writing, set forth the reasons for associating ASSOCIATED CO-COUNSEL, and comply with Section 1.04(f) of the Texas Disciplinary Rules of Professional Responsibility ("TDRPR"). Any ASSOCIATED CO-COUNSEL approved by CLIENT'S County Attorney will be considered a contracting party to, and bound by, this Contract, and must confirm their Contract to be so bound in writing provided to CLIENT'S County Attorney prior to their association.

1.20 In compliance with section 1.04(f)(2) of the TDRPR, COUNSEL hereby discloses that any attorneys' fees will be allocated by and between COUNSEL and ASSOCIATED CO-COUNSEL, if any, based upon the proportion of services performed, using as the basis for such determination, *inter alia*, the estimated hours spent by attorneys and paralegals in each firm, any exceptional contribution(s) made, the extent to which a firm has advanced expenses, and the relative responsibilities and risks assumed by each firm.

1.21 The allocation of such attorneys' fees by and between COUNSEL and ASSOCIATED CO-COUNSEL, if any, will be determined and made by COUNSEL. Any intra-counsel dispute regarding the fee allocation will be submitted to binding arbitration at JAMS in Dallas, Texas before Judge Glenn M. Ashworth (single arbitrator) conducted under JAMS rules with the hearing limited to one day. No actions and/or disputes between or amongst COUNSEL and ASSOCIATED CO-COUNSEL, if any, will affect CLIENT'S Recovery (as defined below), nor will it give rise to any CLIENT liability. CLIENT authorizes COUNSEL to withhold the attorneys' fees owed to COUNSEL and ASSOCIATED CO-COUNSEL, if any, before distributing CLIENT'S share of the Recovery.

II. ATTORNEYS' FEES, LITIGATION EXPENSES, AND COURT COSTS

2.01 In consideration of the legal services to be rendered to CLIENT by COUNSEL (and/or ASSOCIATED CO-COUNSEL, if any) under this Contract, CLIENT hereby assigns and grants unto COUNSEL a flat attorneys' fee equal to twenty-five percent (25%) of CLIENT'S Recovery. The term "Recovery" means all cash and non-cash value received by CLIENT in the Litigation, including, without limitation, money, property, tangible and intangible things of value, other savings, and attorneys' fees, litigation expenses, and court costs, whether by judgment, settlement, arbitration, mediation, appeal, or otherwise. The Parties understand and agree that COUNSEL'S 25% flat attorneys' fee will be paid out of CLIENT'S gross Recovery and not out of any attorneys' fee set-aside fund or attorneys' fees requested and awarded to class counsel.

2.02 COUNSEL will advance all reasonable and necessary litigation expenses and court costs in connection with representing CLIENT in the Litigation but will not charge CLIENT for such litigation expenses and court costs. The above-referenced 25% flat attorneys' fee also

**CONFIDENTIAL—PROTECTED BY THE ATTORNEY-CLIENT PRIVILEGE AND
ATTORNEY WORK PRODUCT DOCTRINE**

includes all litigation expenses and court costs advanced by COUNSEL on CLIENT'S behalf; meaning, CLIENT will never be obligated to pay COUNSEL more than 25% of CLIENT'S Recovery. That said, since litigation expenses and court costs are not separately reimbursed under this Contract, no public disclosure of litigation expenses, court costs and/or COUNSEL'S time records will ever be necessary or required by law. COUNSEL and CLIENT further understand and agree that no attorneys' fees, litigation expenses, or court costs will be due or owing to COUNSEL by CLIENT in the event there is no Recovery.

III. MISCELLANEOUS PROVISIONS

3.01 If any provision of this Contract is held, in whole or in part, to be unenforceable, void, or voidable for any reason then such provision will be modified to reflect the Parties' intention and to make the provision enforceable. It is the Parties' intention that COUNSEL'S representation of CLIENT in the Litigation will continue regardless of whether any single part of this Contract is unenforceable, void or voidable. If one or more provisions of this Contract are held unenforceable, all remaining provisions of this Contract will remain in full force and effect.

3.02 As a party to the Litigation, CLIENT agrees to preserve, and not destroy, or in any way alter documents and information, particularly electronically stored information ("ESI"), concerning oploids that are even remotely related and relevant to the Litigation.

3.03 CLIENT agrees that if during the course of investigating, preparing and prosecuting its claims, COUNSEL make a good faith determination that further action is untenable or not economically viable and/or a successful conclusion not possible, COUNSEL may terminate this Contract and withdraw from representing CLIENT by sending CLIENT written notice of COUNSEL'S withdrawal. If such occurs, CLIENT agrees not to oppose COUNSEL'S withdrawal. Likewise, CLIENT may terminate this Contract for any reason. If CLIENT does so, however, and later secures a Recovery, COUNSEL will be entitled to receive attorneys' fees, litigation expenses, and court costs under the terms of this Contract.

3.04 CLIENT acknowledges (a) it has made sufficient investigation and inquiry to determine this Contract is fair and reasonable, (b) the Contract is the product of an arm's length negotiation with COUNSEL, and (c) CLIENT was represented by counsel, or had the opportunity to be represented by counsel, in connection with reviewing and executing this Contract. CLIENT acknowledges it has not been promised, or received, any support or reward for signing this Contract.

3.05 The files and any materials compiled and/or created by COUNSEL during their representation of CLIENT in the Litigation will remain the property of COUNSEL upon the conclusion of the Litigation. CLIENT understands that after the Litigation is concluded, COUNSEL will maintain the files for at least six (6) years, after which COUNSEL may dispose of the files under their respective document retention and destruction policies. Should CLIENT wish to obtain any documents or other materials from COUNSEL'S files that CLIENT furnished to COUNSEL, such documents or materials will be provided to CLIENT upon written request made within six (6) years after the Litigation concludes. COUNSEL, however, will be entitled to retain copies of any returned documents and materials.

**CONFIDENTIAL—PROTECTED BY THE ATTORNEY-CLIENT PRIVILEGE AND
ATTORNEY WORK PRODUCT DOCTRINE**

3.06 CLIENT acknowledges and agrees it has retained COUNSEL only for the purposes expressly stated in this Contract. CLIENT understands and agrees COUNSEL have made no representations, express or implied, to perform any legal services or provide any legal opinions on any matter not expressly addressed in this Contract. If CLIENT desires to retain COUNSEL to perform other legal services, CLIENT agrees to enter into a separate contract with COUNSEL covering such services.

3.07 This Contract represents the final and mutual understanding of the Parties. This Contract may not be modified, amended or replaced except by another signed written Contract.

3.08 This Contract may be executed in multiple counterparts. This Contract is governed by the laws of the State of Texas without regard to conflict of law principles. The Parties understand and agree that this Contract is not subject to the provisions of TEX. GOV'T CODE § 2254 per, *inter alla*, Tex. Att'y Gen. OR2018-16193 ("We note section 2254.102 states subchapter C 'applies only to a contingent fee contract for legal services entered into by a state governmental entity.' *Id.* § 2254.102(a). Section 2254.101 defines a state governmental entity as 'the state or a board, commission, department, office, or other agency in the executive branch of state government created under the constitution or a statute of the state, including an institution of higher education as defined by Section 61.003, Education Code[.]' *Id.* § 2254.101 (3)(A). Upon review, we find the county is not a state governmental entity for purposes of section 2254.104(d). *See* Tex. Const., art. IX, § 1 (legislature has power to create counties). Accordingly, section 2254.104 of the Government Code does not apply to the county...").

3.09 CLIENT understands and agrees that in connection COUNSEL representing it in the Litigation, COUNSEL may communicate with CLIENT or others via email. As emails can be interpreted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed, COUNSEL cannot guarantee or warrant that emails from COUNSEL will be properly delivered and read only by the addressee. Therefore, COUNSEL disclaim and waive any liability or responsibility for the interception or unintentional disclosure or communication of emails, or for the unauthorized use or failed delivery of emails, transmitted by COUNSEL to perform this engagement. CLIENT understand and agrees COUNSEL will have no liability for any loss or damage to any person or entity resulting from any such email, including consequential, incidental, direct, indirect, or special damages, such as, without limitation, lost revenues or profits or disclosure or communication of confidential or proprietary information.

Re: Jefferson County Emergency Services District No. 1
 Extension for Filing Annual Audit Report

Dear Judge Branick and County Commissioners,

The Board of Commissioners for Jefferson County Emergency Services District No. 1 (the "District") is writing to request an extension to file its 2018-2019 Compiled Financial Statement with Commissioner's Court that is due on June 1, 2020. *See* Tex. Health & Safety Code Section 775.082(b).

Given the complications arising from the Covid-19 virus and the conversion of the District's financials to Quickbooks, we have been unable to complete the Compiled Financial Statements on time. Therefore, pursuant to Section 775.085(b) and (d) of the Texas Health and Safety Code Section & Safety Code, the District respectfully request that it be granted a thirty (30) day extension. If this request is approved, the District's audit report for the fiscal year 2018-2019 would be filed on or before July 1, 2020.

Thank you in advance for your consideration of the foregoing request, and please advise if you have any questions or require additional information.

Sincerely,

BENCKENSTEIN & OXFORD, L.L.P.

To avoid accrual of penalty and interest, payments, including metered mail and internet payments, must bear a USPS postmark or be received on or before January 31st. Depositing payments in a USPS collection box does not guarantee a postmark for that day and could result in the accrual of penalty and interest. Partial payments are accepted.

The Tax Assessor-Collector does not have legal authority to forgive or waive any penalty or interest charges.

The Jefferson County Historical Commission (JCHC) chose to continue an annual project first started in 2018 designed to educate our citizens and visitors on our vibrant past and to celebrate milestones in our history by creating a calendar with historic photographs and events. Members were tasked with selecting photographs for the 2020 calendar that celebrate some of the most important moments in our history or that illustrate daily life, as well as finding dates of historical events to place on the calendar. In our search for data for this project we reached out to museum staff members, local collectors (many of whom are members of the commission), and searched our own JCHC archives. Work on the project was conducted over most of 2019.

This project has been an excellent outreach to the community and a method to tell our history in a relatable way. We shared our JCHC calendars with our local regional visitor's center and various city Convention and Visitor's Bureaus in order to reach visitors interested in heritage travel in our area and improve attendance at our museums and historic sites. We also mailed a copy to all the Seventh Grade Texas history teachers in the county to use in their classrooms. Members of Commissioner's Court received calendars, and we received personal notes of appreciation from several of them and requests for more copies.

The Jefferson County Certified Local Government (CLG) survey plan, historic resource survey, and preservation plan is a project of the Jefferson County Historical Commission (JCHC) with the intention of identifying and documenting cultural resources in Jefferson County, Texas, in the areas outside of the CLG cities of Beaumont and Port Arthur. This project, funded by the National Park Service Hurricanes Harvey, Irma, and Maria Emergency Supplemental Historic Preservation Grant should begin in 2020 upon execution of an agreement with THC. The current grant deadline is 3/31/2022, but can be extended by THC for up to two years.

Page 9: MONITORING PROPERTIES (STATE AND FEDERAL)

Q38 Did the CLG notify the Texas Historical Commission of any activities affecting National Register properties, SALs and RTHLs?

YES,

Please describe any issues that affected these properties in FY19.:

2019 several work items were discussed with THC regarding work on the Jefferson County Courthouse and the South County Office Building, better known as the "Sub-Courthouse" in Port Arthur. The "Sub-Courthouse" in Port Arthur is a Recorded Texas Historic Landmark (RTHL). One of the work items discussed with THC was a request by one of the Justices of the Peace to add a door for security purposes between his office and the courtroom. After contacting THC we were informed the building was not on the courthouse square, so changes could be made inside as needed. However, exterior changes would have to be approved. The Jefferson County Courthouse, a National Register property, is the subject of a proposed Courthouse Master Plan revision currently in progress for which the county received a grant from THC. JCHC has been in contact with the architect on the project, has attended the project meetings, and Commissioner's Court workshops. THC has reviewed the proposed revisions, and this project is very near completion. Another project undertaken on the courthouse was the replacement due to wear and age of the flag poles in front. We contacted THC to seek advice on the project, and provided historic blueprints to assist in designing appropriate replacements. Also the Courthouse Maintenance Department began a cleaning project on the exterior of the historic courthouse without consulting JCHC. After observing cleaning methods that appeared to involve pressure washing of the limestone exterior, JCHC immediately contacted a County Commissioner and County Judge to request a work stoppage until THC could advise of more appropriate methods. THC was then contacted by the JCHC Chair for assistance, which was promptly given and much appreciated.

Q39 Did the CLG provide comment on any federal undertakings through the Section 106 Federal Review Process in the past fiscal year?

YES,

Please list any Section 106 projects for which comment was provided to the federal agency in FY19.:

Page 13: PRESERVATION PLANNING AND FUTURE GOALS

Q49 Did the CLG make any revisions or updates to the preservation plan or a community comprehensive master plan during the past fiscal year? **NO**

Q50 Please describe any anticipated local preservation activities and initiatives for the next fiscal year.

Jefferson County has received a preliminary grant award from the Hurricane Harvey Emergency Supplemental Historic Preservation Fund Grant Program of \$249,913 to conduct a survey plan, historic resources survey, and a preservation plan. This has been a long time goal of the Jefferson CHC / CLG, and one that is vital to identifying and preserving our history.

Q51 Are there any specific issues that the Texas Historical Commission may be able to address in your community? (e.g. CLG grants, preservation planning, survey and inventory, training etc.)

Jefferson County CLG intends to begin a survey plan, historic resource survey, and preservation plan project in 2020. We will be in constant contact with THC to be sure we are following grant requirements or if we have any questions. THC has always been a phone call away and we do appreciate that.

Q52 Please use this space to describe any accomplishments of the CLG in the last fiscal year that are not reflected in the questions above.

JCHC, in conjunction with a multi-state commemoration of the Old Spanish Trail, conducted research on the history of the Old Spanish Trail markers seen throughout the City of Beaumont. We contacted TXDOT for information as the signs were placed on Highway 90. A JCHC member took photographs of the existing signs which labels indicating TXDOT has fabricated the signs. When TXDOT was unable to locate information, we contacted THC and the City of Beaumont, and were able to locate a Resolution 01-187 in the Beaumont City Secretary's office dating to 8/14/2001, wherein the city approved the portion of College Street (US 90) between IH-10 East to Main Street to be recognized as the Old Spanish Trail.

JCHC and other local preservation groups and community activists comprising the Tyrrell Park Coalition have continued in 2019 to press the City of Beaumont to restore the Tyrrell Park Community Building, a unique building constructed by the Civilian Conservation Corps during the Great Depression. Due in no small part of these efforts, the City of Beaumont has completed plans and specifications for the restoration, and has recently sent the project specifications out for bid.

Jefferson County Certified Local Government (CLG prepared and approved an Emergency Pocket Response Plan for JCHC to be used in the event of an emergency or disaster.

Planned or pursued work that altered historic county COURTHOUSE or its square

,

Please provide brief comments about work related to monitoring the physical condition of historic resources. Also comment on work that altered the courthouse, square, schools, or plazas if you checked those boxes above.:

The Jefferson County Courthouse, a National Register property, is the subject of a proposed Courthouse Master Plan revision currently in progress for which the county received a grant from THC. JCHC has been in contact with the architect on the project, has attended the project meetings, and Commissioner's Court workshops. THC has reviewed the proposed revisions, and this project is very near completion. Another project undertaken on the courthouse was the replacement due to wear and age of the flag poles in front of the Courthouse. We contacted THC to seek advice on the project, and provided historic blueprints to assist in designing appropriate replacements. Also the Courthouse Maintenance Department began a cleaning project on the exterior of the historic courthouse without consulting JCHC. After observing cleaning methods that appeared to involve pressure washing of the limestone exterior, JCHC immediately contacted a County Commissioner and County Judge to request a work stoppage until THC could advise of more appropriate methods. THC was then contacted by the JCHC Chair for assistance, which was promptly given and much appreciated.

Q32 Project Description #1 (of 3)—Share ONE project, effort, or service that resulted in a preservation and/or protection outcome. Projects may include, but are not limited to, building rehabilitations, site clean-ups, digitization of archival documents, oral history, etc. Description must include the following information to illustrate the nature of efforts involved: -- your county name-- describe project, effort, or service and your CHC's role -- note partners in planning and/or implementation; note how each contributed-- impact of the project/effort/service—improvements made, public benefit, etc.

Jefferson County has suffered heavy damage in recent years from such weather events as Tropical Harvey in 2017 and the latest being Tropical Storm Imelda in 2019. It will take years for Jefferson County to fully recover from these events. Damage was especially felt in our libraries, museums and historic landmarks.

In preparation for future weather events, the Jefferson CHC / CLG offered their appointees webinar training for emergency response by the Texas Historical Records Advisory Board (THRAB) to equip those caring for archival materials with knowledge and skills to prepare repositories for threats and to recover damaged collections. Several members of the general public also attended.

The focus of this training was creating an Emergency Preparedness Plan for the JCHC / JCLG to be used in the event of an emergency or disaster.

Q33 Project Description #2 (of 3)—Share ONE project, effort, or service that was developed to educate the citizens of your county and/or celebrate history with the citizens of your county. Description must include the following information to illustrate the nature of efforts involved: -- your county name-- describe project, effort, or service and your CHC's role-- note partners in planning and/or implementation; note how each contributed -- impact of the event/effort/service—attendance, improvements made, public benefit, etc.

The Jefferson County Historical Commission (JCHC) chose to continue an annual project first started in 2018 designed to educate our citizens and visitors on our vibrant past and to celebrate milestones in our history by creating a calendar with historic photographs and events. Members were tasked with selecting photographs for the 2020 calendar that celebrate some of the most important moments in our history or that illustrate daily life, as well as finding dates of historical events to place on the calendar. In our search for data for this project we reached out to museum staff members, local collectors (many of whom are members of the commission), and searched our own JCHC archives. Work on the project was conducted over most of 2019.

This project has been an excellent outreach to the community and a method to tell our history in a relatable way. We shared our JCHC calendars with our local regional visitor's center and various city Convention and Visitor's Bureaus in order to reach visitors interested in heritage travel in our area and improve attendance at our museums and historic sites. We also mailed a copy to all seventh grade Texas history teachers in the county to use in their classrooms. Members of Commissioner's Court received calendars, and we received personal notes of appreciation from several of them and requests for more copies.

Q34 Project Description #3 (of 3)—Share ONE project, effort, or service that was developed to educate audiences OUTSIDE of your county or celebrate history with audiences OUTSIDE of your county. Many CHCs report on heritage tourism activities or public symposiums that are outside of the county. Description must include the following information to illustrate the nature of efforts involved: -- your county name-- describe project, effort, or service and your CHC's role -- note partners in planning and/or implementation; note how each contributed-- impact of the event/effort/service—attendance, improvements made, public benefit, etc.

The Jefferson County Historical Commission (JCHC), in conjunction with a multi-state commemoration of the Old Spanish Trail, conducted research on the history of the Old Spanish Trail markers seen throughout the City of Beaumont.

We contacted TXDOT for information as the signs were placed on Highway 90. A JCHC member took photographs of the existing signs with labels indicating TXDOT had fabricated the signs. When TXDOT was unable to locate information, we contacted THC and the City of Beaumont, and were able to locate a Resolution 01-187 in the Beaumont City Secretary's office dating to 8/14/2001, wherein the city approved the portion of College Street (US 90) between IH-10 East to Main Street to be recognized as the Old Spanish Trail.

This information was shared in discussion groups at the San Antonio Old Spanish Trail Symposium in December by a JCHC member attending.

Q35 Share your thoughts on THC and/or CHC Outreach services that have helped your CHC.

The Jefferson County Certified Local Government (CLG) survey plan, historic resource survey, and preservation plan is a project of the Jefferson County Historical Commission (JCHC) with the intention of identifying and documenting cultural resources in Jefferson County, Texas, in the areas outside the CLG cities of Beaumont and Port Arthur.

This project, funded by the National Park Service Hurricanes Harvey, Irma, and Maria Emergency Supplemental Historic Preservation Grant should begin in 2020 upon execution of an agreement with THC. The current grant deadline is 3/31/2022, but can be extended by THC for up to two years.

In preparation for submitting an application for this grant, we contacted friends and staff at THC to advise us which counties might help guide us in background research. As always, THC was just an email or phone call away.

Q36 If you'd like, share information not already submitted in this report. Feel free to comment on specific preservation issues--successes and/or challenges--in your county. **Respondent skipped this question**
