1 JUDGE DOLLINGER: All right. We'll go ahead and
2 call the June meeting of the Jefferson County Bail Bond Board to
3 order. We're missing a couple of folks. So, we may be a little
4 bit short on agenda items. The first item on here is to review
5 the minutes from the last meeting. I've been informed that they
6 had been posted. Mr. Funchess has a hard copy of them if
7 anybody would care to look them over. Has anyone had a chance
8 to look at them and would like to make a correction or an
9 addition or make a comment about the minutes as they were
10 posted?

12:34PM

11 (NO RESPONSE.)

12 JUDGE DOLLINGER: Okay. If not, I guess they'll
13 stand approved as posted, since we don't have any comments on
14 it.

15 Next is the report from the district attorney's
16 office. However, we don't have a representative from the
17 district attorney's office here.

18 MS. GARCIA: But I did pass out the report.

19 JUDGE DOLLINGER: Oh, you did. Oh, I'm sorry.

12:34PM

20 I'm holding it in my hand. We got their report. Just under
21 \$12,000 collected for the month of May. So, we have that. Any
22 comments on the collections from the district attorney's office?

23 (NO RESPONSE.)

24 JUDGE DOLLINGER: Next is consideration and
25 approval of the application to become bondsmen, agents, or

1 renewals of the same. I understand we have one. Is that
2 correct, Becky?

3 MS. GARCIA: We do have one, Ronnie LeBlanc.
4 Everything's in order. The application was emailed to all
5 members. I have no issues with it.

6 JUDGE DOLLINGER: Okay. All those in favor of
7 approving Mr. LeBlanc's application for renewal, signify by
8 saying "aye."

9 (RESPONSES GIVEN.)

12:35PM 10 JUDGE DOLLINGER: All those opposed, same sign.

11 (NO RESPONSE.)

12 JUDGE DOLLINGER: Motion carries unanimously. Do
13 we know if there are any complaints?

14 MS. GARCIA: Well, let's back up on that same
15 agenda item.

16 JUDGE DOLLINGER: Okay.

17 MS. GARCIA: We did have an issue. It's the last
18 agenda item, but it kind of goes with the applications. Her --
19 Joshua Stewart and the insurance company, they've asked to
12:35PM 20 withdrawal their application and for it not to be considered.

21 JUDGE DOLLINGER: Okay. We'll certainly honor
22 that request. Any complaints that you're aware of?

23 MS. GARCIA: No, sir.

24 JUDGE DOLLINGER: Okay. Treasurer's office, cash
25 and CDs, Mr. Funchess has passed that out. Any comments or

1 questions about the figures from the treasurer's office?

2 (NO RESPONSE.)

3 JUDGE DOLLINGER: The next is the auditor's
4 office. Did you get something from them, as well?

5 MS. GARCIA: No, sir, I did not.

6 JUDGE DOLLINGER: Okay. We don't have a rep from
7 the auditor's office, that I'm aware of, here today. So, we'll
8 bypass that.

9 Next is the release of property for Al Reed. And
10 what exactly is it that we're releasing?

11 MS. GARCIA: It's a piece of property he's
12 pledged as collateral. Tina has done -- ran the numbers; and
13 even removing it, he'll still have enough writing ability, which
14 won't affect anything. Tina has prepared the release and has
15 removed that information off the books pending your approval --

16 JUDGE DOLLINGER: Okay.

17 MS. GARCIA: -- your signing of the release.

18 JUDGE DOLLINGER: All right. Anybody have any
19 questions or comments about releasing that property back to
20 Mr. Reed?

21 MR. FUNCHES: Do you know how much the value is?

22 JUDGE DOLLINGER: I do not.

23 MS. GARCIA: Stellina, do you remember the value
24 of the property?

25 MS. REED: Seems like it was, like, a hundred and

1 thirty, something like that.

2 MS. GARCIA: That sounds about right, when I
3 looked it up.

4 MS. REED: Somewhere around there.

5 MS. GARCIA: Tina and Mary were working on this.
6 I just kind of caught in on the tail end of it.

7 JUDGE DOLLINGER: She said roughly one thirty.

8 MR. FUNCHESS: Got it.

9 JUDGE DOLLINGER: Any other comments or questions
10 about Mr. Reed's request for release?
12:37PM

11 (NO RESPONSE.)

12 JUDGE DOLLINGER: All right. All those in --

13 MS. GOODNESS: Make a motion that we release the
14 property.

15 JUDGE DOLLINGER: Okay. I have a motion --

16 JUDGE WEST: Second the motion.

17 JUDGE DOLLINGER: -- to release and second.
18 All those in favor?

19 (RESPONSES GIVEN.)

12:37PM 20 JUDGE DOLLINGER: All those opposed?

21 (NO RESPONSE.)

22 JUDGE DOLLINGER: Okay. That'll be released.

23 And the following -- the last item was the one
24 that was withdrawn by the applicant. So, there's no need to go
25 into that. Do we have any other unfinished business from

1 previous meetings that needs to be taken up?

2 (NO RESPONSE.)

3 JUDGE DOLLINGER: Doesn't sound like it. So...

4 JUDGE WOODS: Make a motion to adjourn.

5 MR. FUNCHES: Second that motion.

6 JUDGE DOLLINGER: All right. Moved and seconded.

7 We adjourn. Anybody got a problem with that?

8 (NO RESPONSE.)
