

BAIL BOND BOARD MEETING

AUGUST 17TH, 2023

THOSE PRESENT: Judge Raquel West  
Judge Clint Woods  
Judge Craig Lively  
Judge Ransom "Duce" Jones  
Valencia Simpson  
Kellie Holmes  
Glenda Segura  
Rhonda Brode  
Dustin Galmor  
Haylee Fournier  
Tim Funchess  
Captain Aaron Morris  
Al Reed  
Chief Shauburger  
Letisia Johnson

1 JUDGE WEST: All right. I'll call the  
2 meeting to order. Gosh, no anybody wants to sit at the  
3 big table? Got enough people here. Yep. All right.  
4 So first item on the agenda is to review minutes from  
12:32PM 5 last month's meeting. Those were all E-mailed out.  
6 We'll need to approve those.

7 JUDGE WOODS: I make a motion to approve.

8 CHIEF SHAUBERGER: Second.

9 JUDGE WEST: I've got a motion by Judge  
12:32PM 10 Woods, second by Chief Shauberger. Any discussion? All  
11 those in favor?

12 (ALL RESPONDED.)

13 JUDGE WEST: Any opposed? All right. That  
14 passes.

12:32PM 15 Everyone should have a report from the  
16 D.A.'s office. Do we have that?

17 UNKNOWN FEMALE VOICE: We don't have those.

18 JUDGE WEST: I'm sorry?

19 UNKNOWN FEMALE VOICE: We're not doing the  
12:33PM 20 reports yet still.

21 JUDGE WEST: We're going to skip that for  
22 now. Any applications for bondsmen? Renewals?

23 MS. HOLMES: No, ma'am.

24 JUDGE WEST: Okay. Any complaints?

12:33PM 25 MS. HOLMES: No, ma'am.

1 JUDGE WEST: Report from the treasurer's  
2 office.

3 MR. FUNCHES: It's been distributed.

4 JUDGE WEST: Anybody have any questions of  
12:33PM 5 the treasurer on that?

6 JUDGE JONES: I move to approve it.

7 JUDGE WEST: I don't think we have to  
8 approve it. It's just for everybody's -- that one.  
9 Thank you, though. Anything you need to point out?

12:33PM 10 JUDGE LIVELY: I second what we don't have  
11 to do.

12 JUDGE WEST: Okay. Anything you need to  
13 point out to us?

14 MR. FUNCHES: All good.

12:33PM 15 JUDGE WEST: Perfect. Any requests for  
16 release of property?

17 MS. SEGURA: No.

18 JUDGE WEST: Okay.

19 MR. REED: Yes. I made a request for a  
12:33PM 20 release.

21 JUDGE WEST: When?

22 MS. SEGURA: When?

23 MS. BRODE: That was last meeting.

24 MR. REED: No. For this meeting.

12:33PM 25 JUDGE WEST: When did you?

1 MR. REED: Once.

2 JUDGE WEST: Who did you --

3 MR. REED: Becky was out.

4 JUDGE WEST: When did you send it?

12:34PM 5 MR. REED: Pardon?

6 JUDGE WEST: When did you send it?

7 MR. REED: About a month ago.

8 MS. SEGURA: I didn't get anything. I can  
9 check on it.

12:34PM 10 JUDGE WEST: Okay. So what we'll do is  
11 check on that. And if -- Becky is out sick.

12 MR. REED: Okay.

13 JUDGE WEST: And so it didn't get to us but  
14 if it's all -- if everything is going to be okay, we'll

12:34PM 15 get her to send an E-mail out. And I can send out an  
16 E-mail to everyone, and we'll do it by E-mail vote.

17 MR. REED: Okay.

18 JUDGE WEST: Auditor's officers report.

19 MS. BRODE: It's been distributed. We

12:34PM 20 don't have a lot of revenue because we're not collecting  
21 the bail bond fees.

22 JUDGE WEST: I'm going to talk about that  
23 in a minute.

24 MS. BRODE: Okay. And I would like to

12:34PM 25 introduce Letisia Johnson who is going to be my back up

1 coming to meetings. She's a lot quieter than me, so  
2 y'all should like her more.

3 JUDGE WEST: Hi, Letisia. Thank you for  
4 being here.

12:35PM

5 JUDGE JONES: I move we accept Letisia.

6 JUDGE WEST: All right. The next thing on  
7 the agenda is to discuss extending that grace period on  
8 the bondmen's liability issue. We had -- we've been  
9 doing this kind of meeting by meeting. I think we're

12:35PM

10 still unfortunately in a position where we need to do  
11 that until the next meeting. And then I met with Mary  
12 yesterday for quite some time just about a couple of  
13 things that I'm going to talk about today and that we  
14 probably can put on the agenda for next month to maybe  
15 actually start addressing some of these things and  
16 getting them taken care even if it's just a little bit  
17 at a time.

12:35PM

18 So as far as extending it, we obviously  
19 need to do that. They're not where they need to be.  
20 Everyone is trying to get where they need to be. But  
21 we've got a lot of moving parts that are going into that  
22 and so -- yes, ma'am.

12:35PM

23 MS. BRODE: I have a question.

24 JUDGE WEST: Yes.

12:36PM

25 MS. BRODE: I know that we have at least

1 one bail bond company that's working with MIS to get  
2 their list cleared up.

3 JUDGE WEST: I'm about to talk about all  
4 that.

12:36PM

5 MS. BRODE: Okay. I needed to know who  
6 else was being active.

7 JUDGE WEST: I'm about to get to all of  
8 that.

9 MS. BRODE: Thank you.

12:36PM

10 JUDGE WEST: So -- but before we move onto  
11 that we need to talk -- we need to approve, I think,  
12 just one more month at least on that. We'll need a  
13 motion and a vote to be able --

14 JUDGE JONES: So moved.

12:36PM

15 JUDGE LIVELY: Second.

16 JUDGE WEST: All right. We have a motion.  
17 And so the motion would be to extend the -- how did we  
18 word --

19 JUDGE WOODS: Grace period.

12:36PM

20 JUDGE WEST: -- the grace period for the  
21 liability issues for not 30 days but until the next  
22 meeting. So whatever that meeting date is we'll need to  
23 put that in there for next month.

24 MS. SEGURA: September 20th.

12:36PM

25 JUDGE WEST: Is that our next one?

1 MS. SEGURA: Yes.

2 JUDGE WEST: Yes, ma'am. That sounds fine.

3 And then motion by Judge Jones; second by Judge Lively.

4 Any other discussion about that? All those in favor?

12:37PM

5 (ALL RESPONDED.)

6 JUDGE WEST: Any opposed?

7 MS. SEGURA: 21st.

8 JUDGE WEST: That will be September 21st.

9 MS. SEGURA: Yeah.

12:37PM

10 JUDGE WEST: All right. So that passes.

11 We had added -- or it was added to consider or discuss a

12 personal bond form in format. My understanding was

13 Judge Derouen was going to be here.

14 MS. HOLMES: I spoke with Becky. And

12:37PM

15 because she was out ill and said that she wouldn't have

16 the form ready that Judge Derouen would be here to talk

17 about it.

18 MS. SEGURA: That was my understanding,

19 also.

12:37PM

20 JUDGE WEST: So I guess two things.

21 JUDGE WOODS: I have it right here in my

22 hands.

23 JUDGE WEST: Yeah. I think we want --

24 unless you're ready to discuss it --

12:37PM

25 JUDGE WOODS: No.

1 JUDGE WEST: I think we need Judge Derouen.

2 JUDGE WOODS: Yeah. Because he does most  
3 all of the arraignment.

4 JUDGE WEST: So apparently there is some  
12:37PM 5 issues between a personal bond and a personal  
6 recognizant bond, which I never knew. Judge Woods  
7 didn't know. And so the way we're wording things  
8 sometimes in court is not exactly maybe what we're  
9 intending. And so Judge Derouen caught that and has  
12:38PM 10 asked Becky to maybe create -- she's got a form that  
11 she's created. But we want him here to kind of explain  
12 what he found and what the difference is so that we can  
13 then go to the other judges and make sure everybody is  
14 saying the right words for what they want to happen. So  
12:38PM 15 let's put that back on the agenda for next month and  
16 make sure we get in touch with Judge Derouen and ask him  
17 if he could please be here to kind of help explain that.  
18 And then I'll look at the law and stuff in between now  
19 and then, also.

12:38PM 20 MS. SEGURA: Okay.

21 JUDGE WEST: We'll just table that for a  
22 month. So that's all that's on the agenda. And so what  
23 I needed, what Mary came and talked to me about and kind  
24 of some ideas. And I know she's chalked to Chief. And  
12:39PM 25 we're trying to figure out there's a few things we need

1 to figure out.

2 The billing -- so we're trying to figure  
3 out even -- just a temporary solution to get bondsmen to  
4 start paying those fees that need to be paid. They're  
12:39PM 5 going to be owed. All that's going to do is add up for  
6 you guys. So the sooner we can get it where that can  
7 happen the better. So there is three different things  
8 that we talked about that they're working on with  
9 everyone, with Becky, with county clerk, and jail. One  
12:39PM 10 is that billing. Two is getting those daily reports for  
11 you guys, and then making sure the liability is current  
12 and proper. So that's one thing -- those three things  
13 kind of we need to talk about.

14 Everyone, all the bondsmen were given a  
12:39PM 15 report some time ago. And I don't know for sure, but I  
16 know mainly Tamara with Keith has been working very hard  
17 and very diligently on behalf of kind of all of you guys  
18 to help get this stuff done. But from us to the  
19 bondsmen, we need you-all to look at those reports and  
12:40PM 20 get with Becky or Rhonda or somebody because if they're  
21 not right, it's up to you to help us figure that out.  
22 And so we can't do it. Everybody is overloaded here.  
23 Becky is overloaded in a huge way. MIS is overloaded  
24 doing things that really isn't their job, trying to help  
12:40PM 25 everybody else do their job. But we can't do it if you

1 guys don't go through and get with them and go through  
2 those report and let us know what the issues are on  
3 those reports. They're closer and closer. They have  
4 now gotten where they're sending Tamara -- you know, a  
12:41PM 5 report so that she can see if she's finding things that  
6 are wrong so that when we start it full blown for  
7 everybody, hopefully all those issues will be taken care  
8 of. A temporary solution on the billing part -- so  
9 that's the report part. Temporary solution on the  
12:41PM 10 billing is to get all of the bondsmen a report from --  
11 start with month by month, get you March. And you go  
12 through and -- we're going to make it where it can be  
13 paid at the county clerk. So you can come to the  
14 courthouse, pay the clerk's office. Eventually, it will  
12:41PM 15 be different. But for now, we're going to try to do  
16 month by month and get everybody caught up. This is  
17 going to be a lot of -- you guys just going through and  
18 being as thorough as you can, obviously, as honest as  
19 you can on what you owe. And they're going to set it up  
12:41PM 20 in the clerk's office, so they can have a tab or  
21 whatever you call it so that it goes to the right place  
22 for the right thing. Because we're going to owe -- I  
23 mean, 90 percent of that goes to the state. So we've  
24 got to start doing that as well. I think that is  
12:42PM 25 something that we would have to vote on, though. And

1 it's not on the agenda. So what I'm going to ask is to  
2 have it placed on the agenda for next month and between  
3 now and then and ask all of you to really start going --  
4 if you have not already, what you were provided by -- I  
12:42PM 5 guess, you and Rhonda and Becky are working together on  
6 all of that, look at what you've got. If you don't have  
7 it, call them and say, "What do y'all need me to be  
8 looking at?"

9 MS. BRODE: May I interject?

12:42PM 10 JUDGE WEST: Yes, please.

11 MS. BRODE: The reason we're going to clean  
12 it up -- and Tamara can -- if she wants to speak on  
13 it --

14 MS. RITENOUR: That's fine.

12:42PM 15 MS. BRODE: Feel free to say. How many  
16 thousands of dollars have you gotten cleared up off --

17 MS. RITENOUR: Close to 3 million 300.

18 MS. BRODE: 3 million. So if the bonding  
19 companies don't take the initiative to clean up their  
12:42PM 20 list when we stop giving this --

21 JUDGE WEST: Grace period.

22 MS. BRODE: -- grace period, they'll have  
23 to give more collateral. There will be no more grace.  
24 We need the bonding companies to own this, to help us.

12:43PM 25 MS. RITENOUR: Well, I have -- are y'all

1 getting a daily report at all? Are you -- y'all got the  
2 original one?

3 JUDGE WEST: They just got the original --  
4 so they're not sending -- she told me yesterday that  
12:43PM 5 she's just working with you on that --

6 MS. RITENOUR: Right.

7 JUDGE WEST: -- because you -- immediately  
8 when you got your original --

9 MS. RITENOUR: Yeah.

12:43PM 10 JUDGE WEST: -- stepped up and worked with  
11 her.

12 MS. RITENOUR: Right.

13 JUDGE WEST: And so if you need something  
14 more recent -- I mean, call and ask for it and do it. I  
12:43PM 15 mean, everybody we've -- Odyssey has been an issue but  
16 it's -- we're -- however many months down the line and  
17 we're having to figure it out, it's done. We've got to  
18 do it. It can't just now be, well, Odyssey sucks and  
19 so. We're not going -- you know, I mean, it might right  
12:43PM 20 now still. I mean, hopefully, it's going to get better  
21 still. We're learning it. And they're fixings things,  
22 and everybody is learning how to use it properly. But  
23 we can't help you guys much longer if you're not going  
24 to step up and do that and take care of your stuff, too.  
12:44PM 25 So that's where we are on that, so...

1 MS. RITENOUR: I have a suggestion, for the  
2 bonding companies, if y'all will send Mary an E-mail --  
3 or I can. I mean, it doesn't matter. There is going to  
4 be -- right now there is going to be an accusation  
5 docket, and then there is going to be, like, a full  
6 court docket. There is two different liabilities on  
7 both. Because again, they can't attach them together.  
8 I would ask for the most recent. And then that way  
9 y'all can all see what I've done as far as how the  
10 docket is going to look. And then what's going to  
11 happen is when you have an accusation that was picked  
12 up, it's going to come directly off of that and then be  
13 added over here. The one report that I finished this  
14 week was the accusation report, and there was a lot of  
15 people that still had case numbers and they were -- it  
16 was duplicating. And so it was taking liability off  
17 both, I would probably ask them for the most recent.  
18 Start there, go down, because -- they're right when  
19 that's 30 days out -- however y'all -- I'm pretty sure  
20 everybody will be putting their -- in default or close.  
21 Not me, because I've been working on them both. Make  
22 sure they're on both. Make sure they're not on the  
23 same. And then so -- I can have her send it -- I can  
24 have Alex send to all of y'all today or tomorrow.  
25 That's where I would start.

1 JUDGE WEST: Seriously thank you so much.

2 MS. BRODE: Thank you. Yes.

3 MS. RITENOUR: You're welcome.

4 JUDGE WEST: Everybody owes Tamara a lot

12:45PM 5 because she has worked -- done way more and above and

6 beyond to help make this happen for the bondsmen and

7 working with Becky and Rhonda and MIS so.

8 MS. BRODE: The county is very

9 appreciative.

12:45PM 10 MS. RITENOUR: I appreciate it.

11 JUDGE WEST: And so time for everybody to

12 do -- to step up also.

13 MS. SEGURA: You said number ten. What do  
14 you want on number ten?

12:45PM 15 JUDGE WEST: That's the -- to consider  
16 getting the bondsmen to start paying back from -- to  
17 approve a temporary solution --

18 MS. SEGURA: Okay.

19 JUDGE WEST: -- for bondsmen paying their  
12:46PM 20 fees, starting with the month of March and to pay the  
21 county clerk's office. Hopefully, that will be set up  
22 by then and we can get that approved and they can start  
23 doing it next month.

24 So the other thing that has come up is

12:46PM 25 municipal liability for bonds. So right now when you

1 guys -- you guys meaning bondsmen -- make a bond on a  
2 municipal court bond, it has never gone on your  
3 liability. And the problem or -- that has come up is  
4 Odyssey does not distinguish. So if you make a bond,  
5 it's a bond. We brainstormed a little bit yesterday.  
6 And I'm going to ask our legal counsel between now and  
7 next -- you and Roebuck maybe to help us out, Dustin,  
8 because the easiest thing to do would be for it to  
9 remain the way it is. And those municipal court bonds  
10 not go on your liability. I don't know legally if  
11 it's -- it should have been going on the whole time and  
12 it didn't, if we can just do that and it's fine. But if  
13 we -- I seem to -- I'm not even really sure if it's a  
14 decision that we make, you know. But it's something has  
15 to happen. Because pretty soon it's going to all show  
16 up and y'all are going to have -- and I know it's  
17 probably not going to be substantial amount. But it's  
18 still going to be something, and it's going to show up.  
19 Now, there is a way in Odyssey for them to -- they can  
20 categorize it, call it something different, and it will  
21 not go on your liability the way -- just it always has  
22 been. I'm okay with that. We could discuss that at the  
23 next meeting. I want everybody to think about it. But  
24 I don't want us to vote on something that we shouldn't  
25 legally be doing. And so we need to find out first if

1 you're supposed to have that come off your liability.  
2 If you are, then it's easy. It's the way it is. But  
3 it's going to be a pain, big time for our system.  
4 Because that money, it's just different. It goes to the  
5 municipalities, and they're holding their prisoners and  
6 it's just a whole thing. If we can keep it the way it  
7 is, it would be great for, I think, for everybody.

8 MR. REED: Absolutely.

9 MS. BRODE: Auditing was concerned. Mary  
10 brought this to us first. So I talked to Judge Lively.  
11 There were two situations, one JP courts were getting  
12 added. That absolutely needs to remain.

13 JUDGE WEST: Yes.

14 MS. BRODE: That's Jefferson County. That  
15 needs to remain. And then it was one of those -- with  
16 the municipalities, well, they're staying in Jefferson  
17 County's jail but they're going to the municipality's  
18 court. We've discussed it. And auditing's view is  
19 we're good not having that anywhere on our books.

20 JUDGE WEST: I know. I think everybody  
21 agrees that --

22 MS. BRODE: We don't want it on our books.

23 JUDGE WEST: It will be a nightmare, so...

24 MS. BRODE: Let's leave it.

25 JUDGE WEST: If we can find a way to get

1 around that and say as a board, I guess, if we need  
2 to -- because Mary said -- Mary Helm -- said you know,  
3 she could make it happen. But it's not her decision to  
4 go into the system and make that happen. Somebody needs  
12:49PM 5 to tell her that it's okay to make this distinction and  
6 not add it to the liability. And I think we're the  
7 only, I guess, governing board that could do that. So  
8 if that makes sense.

9 CHIEF SHAUBERGER: My question would be, if  
12:49PM 10 they had the city jail would we be tracking the  
11 liabilities?

12 JUDGE WEST: We wouldn't be.

13 CHIEF SHAUBERGER: Because basically the  
14 contract with the cities for the jail is we're an  
12:49PM 15 extension of their jail, strictly for them.

16 JUDGE LIVELY: Yeah. We're a tenant there.

17 JUDGE WEST: Right.

18 CHIEF SHAUBERGER: Yeah. So...

19 JUDGE WEST: So maybe that helps us legally  
12:50PM 20 to make that decision.

21 JUDGE LIVELY: Also -- I mean, there is no  
22 communication between municipality and the county as to  
23 whether that bond has been satisfied or not.

24 JUDGE WEST: Right.

12:50PM 25 JUDGE LIVELY: No way you know the

1 liability -- what's done with that liability, so...

2 JUDGE WEST: I think it makes sense. And I  
3 think it's probably the good way to do it. I think we  
4 just need to maybe vote on that, so that someone is  
5 making that decision and telling MIS to make that  
6 distinction. And so let's put that on the agenda.

12:50PM

7 We'll do -- everybody think about it. If you want to  
8 research it and talk about it some more, but we can vote  
9 on that next -- next meeting. There was something else  
10 you told me y'all were talking about. I didn't -- did I  
11 write it down?

12:50PM

12 There is a report that has been requested  
13 or that used to be you guys as bondsmen could get from  
14 the jail and -- go ahead.

12:51PM

15 CHIEF SHAUBERGER: So the inmate release  
16 report shows the person that was released and how they  
17 were released, either bond or -- we used to print the  
18 report, let the bondsmen see it and releases, then they  
19 would give it back and then go on. So the request is is  
20 through Odyssey to send that report digitally through  
21 E-mail to all the bondsmen. The question is is that a  
22 record we can send and what's the purpose that record  
23 serves y'all?

12:51PM

24 JUDGE WEST: Like, what do you guys get out  
25 of that report? Is there something that's necessary on

12:51PM

1 that that you need? Because if not, it's not something  
2 that needs to be going out.

3 MS. RITENOUR: Well, it's -- we discussed  
4 it -- it's probably the best way. I talked to Mary and  
5 Alex and that would be the best way for them to send us  
6 a report if they did it weekly, and then we can go ahead  
7 and start assessing what is our bond assessments, what's  
8 correct and what's not correct. The other thing is  
9 they -- on our docket that we used to have we were able

10 to see when our clients were re-arrested, on whether a  
11 forfeiture -- it automatically popped up on our docket  
12 the next day. The new program does not do that for us.

13 So this would be able to let us know at-large were  
14 arrested, if someone we're looking for -- you know,  
15 posted a bond with somebody else. And then the other  
16 reason is because we keep track of what everybody is  
17 doing, as well. So I pay attention what Al Reed is  
18 writing, what Allied is writing, who they wrote. If we  
19 have the same person because -- a lot times we have the

20 same people on bond. We don't know until we see that  
21 list. So Tiffany would go in, she would write it out,  
22 Patsy go, Lisa goes. And so it's not just to be nosy,  
23 there is actual -- we've been doing -- I've been here  
24 18 years. So it's been very difficult to not have it

25 for the last few months.

1 JUDGE WEST: I think it's a jail decision  
2 to make. We just wanted to bring it up to see --

3 MS. RITENOUR: Yeah.

4 JUDGE WEST: -- as far as --

12:52PM

5 CHIEF SHAUBERGER: The sheriff and the  
6 jail, it's not going to create any additional work for  
7 us. It's a programming thing where Mary --

8 JUDGE WEST: We could do it. We just  
9 wanted to make sure what -- kind of what the reason was  
10 and if it really needed to be done.

12:53PM

11 CHIEF SHAUBERGER: We just want to make  
12 sure we're not releasing any information outside of the  
13 criminal justice system that doesn't need to be  
14 released.

12:53PM

15 MS. RITENOUR: I'm sorry.

16 MS. BRODE: That was report -- what's on  
17 that report say?

18 CHIEF SHAUBERGER: It's got their inmate's  
19 ID, their name, date of birth, height, weight, the date  
20 they were released, who they were released to.

12:53PM

21 MS. FOURNIER: Is this the same report that  
22 was used for the county clerk's office to collect the  
23 bonding fee? Because we'll need some type of report --

24 CHIEF SHAUBERGER: No. That would be -- we  
25 would do that through probably the financial side on

12:53PM

1 that.

2 JUDGE WEST: This is just the jail saying  
3 who was released each day.

12:53PM

4 CHIEF SHAUBERGER: Jail roster, who we  
5 released each day.

6 MR. REED: I mean, the 36 years that's been  
7 published information.

12:54PM

8 JUDGE WEST: Well, just because we've  
9 always done that way doesn't mean it's right. That's  
10 why --

11 MR. REED: I know it's not the public  
12 information.

12:54PM

13 JUDGE WEST: That's why I was bringing it  
14 up is to make sure that there isn't anything on there  
15 that we shouldn't have been doing in the past.  
16 That's --

17 CHIEF SHAUBERGER: Information --

18 JUDGE WEST: -- reevaluate.

12:54PM

19 CHIEF SHAUBERGER: Identifying information,  
20 just like Judge Lively said, is the issue whenever you  
21 talk about public information, which is dates of birth,  
22 identification number, those types of thing. The only  
23 thing I see on here that could be an issue is their date  
24 of birth with their name. That may cause an issue for  
25 you, if you had two people with the same name and can't

12:54PM

1 distinguish by date of birth. That's under the public  
2 information so...

3 MS. BRODE: Well, could that be as easy as  
4 writing the ECR, taking the -- the date of birth.

12:54PM

5 MS. RITENOUR: Yes, ma'am. Mary said  
6 something that -- we're not supposed to see. But the  
7 date of birth is pretty important for the bonding  
8 company.

12:54PM

9 MS. FOURNIER: So most statutes report that  
10 dates of births are not public record. The county clerk  
11 office has to redact every date of birth that comes from  
12 through our -- even our criminal misdemeanor cases, we  
13 have to redact the date of birth.

14 MS. RITENOUR: They can take --

12:55PM

15 CHIEF SHAUBERGER: Age isn't on the report.  
16 We can take the date of birth out.

17 MS. RITENOUR: Right.

18 JUDGE WEST: I would just say -- my  
19 suggestion would just be to double check, maybe get with  
20 Cathleen and see what really -- make sure that whatever  
21 is on there is something that could be released if it  
22 was a public information request. And if it's not, then  
23 that needs to be -- to come out of the report. And then  
24 y'all can -- I mean, it's up to y'all to do the report.

12:55PM

25 It's not a decision for us. But we wanted to talk about

1 it. Make sure it's been being done right.

2 MS. BRODE: Only releases?

3 CHIEF SHAUBERGER: Only releases.

12:55PM

4 MS. BRODE: Does it give the bond company  
5 name on there?

12:56PM

6 CHIEF SHAUBERGER: Uh-huh. Yeah. I mean,  
7 I'll give you -- this is an example. But it actually  
8 gives -- like, one of these cases a guy was re-arrested  
9 on a charge. So it shows the first time he made the  
10 bond and the bonding company, but it doesn't show  
11 multiple arrests. So it will show, like, Allied bonded  
12 this guy on the original charge; and then he was  
13 re-arrested with another charge. Then Bail America made  
14 the bond on it. So y'all have to kind of go through and  
15 make sure if Allied still has a bond on it or not, you  
16 know.

12:56PM

12:56PM

17 JUDGE WEST: I mean, I can understand why  
18 it would be helpful for y'all. Just want to make  
19 sure -- and they want to make sure nothing is being  
20 given out that, number one, that is useful and not just  
21 because you want -- and that it's legal, so...

12:56PM

22 CHIEF SHAUBERGER: The biggest part is the  
23 legal. We don't want to -- when we're controlling it  
24 and you're looking at it at the window and we're not  
25 letting you leave with it, it's one thing. But when

1 we're actually sending it out, you know, publically then  
2 that's a little different story.

3 JUDGE WEST: Yeah.

12:56PM 4 CHIEF SHAUBERGER: And the statutes are  
5 pretty -- you know, solid on what's identified  
6 information.

7 MS. FOURNIER: Yeah. The Public  
8 Information Act says that all living person's Social  
9 Security numbers and date of births are not public  
10 records.

11 CHIEF SHAUBERGER: Right. Driver's  
12 license.

13 MS. FOURNIER: And driver -- yeah.

14 MR. GALMOR: The age must be okay because  
12:57PM 15 the sheriff's department has everyone's age that's in  
16 custody listed on the --

17 CHIEF SHAUBERGER: Yeah. Age is okay.  
18 It's just the actual birth.

19 JUDGE WEST: The actual date of birth. And  
12:57PM 20 maybe -- I don't know if y'all have that information if  
21 adding age would be helpful if they can --

22 CHIEF SHAUBERGER: I can get with Mary and  
23 see if she can --

24 JUDGE WEST: Tweak that report to where you  
12:57PM 25 can -- at least it will give you an idea if you have

1 got, you know, the father or son or that kind of stuff.  
2 So that's kind of it as far as the other things that --  
3 to discuss. Anybody else have anything that we need to  
4 discuss that's not on the agenda to bring up? All

12:57PM

5 right. So again just, thank you, Tamara, again.

6 Everybody please get with her to see what she's been  
7 doing, so that y'all can all start getting through that  
8 process because starting probably next month, we'll get  
9 some way to start those fees being paid and get closer

12:58PM

10 and closer to getting it all done. All right. Is there  
11 a motion to adjourn?

12 JUDGE WOODS: Motion.

13 JUDGE LIVELY: Second.

14 JUDGE WEST: All right. We're adjourned.

12:58PM

15 Y'all have a good afternoon.
