My spouse's name is \_\_\_\_\_.

We were married on or about the \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ (year).

We stopped living together as husband and wife on or about the \_\_\_\_ day of \_\_\_\_\_, \_\_\_\_\_ (year).

My spouse and/or I have resided in Jefferson County, TX for at least 90 days and in Texas for at least six months immediately before this divorce was filed.

Our marriage has become insupportable because of conflict in personalities which has destroyed our marriage and there is no hope we will reconcile.

Any children born to us since the day we were married and of which we are both the parents are listed below, along with their birthdates.

Any additional children who may have been born to the wife in this case and fathered by someone other than the husband in this case since the day we were married are listed below along with birthdate(s) and the name of the biological father. Also listed below is the cause number and date of the court order

establishing that other man as the father, along with the date the judge signed that order. An accurate copy of that order, signed by the judge, is attached to this petition.

My spouse and I have reached an agreement regarding conservatorship, visitation, child support and insurance for our children, if any, and also for dividing our property (assets and debts). The agreement is in the decree of divorce which we both signed, or my spouse signed a waiver allowing me to finalize the divorce without my spouse. These agreements are in the best interests of any children we may have, and the property division is just and equitable.

I ask the court to consider and approve all of these agreements in the decree of divorce, to grant this divorce and sign any additional orders necessary to effectuate this divorce.
