1.13 VENDOR REGISTRATION: SAM (SYSTEM FOR AWARD MANAGEMENT)

Vendors doing business with Jefferson County are **required** to be registered with The System for Award Management (SAM), with an "active" status. The System for Award Management (SAM) is the Official U.S. Government system that consolidated the capabilities of CCR/FedReg, ORCA, and EPLS. There is NO fee to register for this site. Entities may register at no cost directly from the SAM website at: <https://www.sam.gov>

In instances where a vendor has either an "Inactive" SAM Registration or is not currently registered with the System for Award Management, the Purchasing Department may *initially* accept proof (printout from the SAM website) that the vendor has begun the registration process in order for the IFB/RFQ/RFP submission to be considered as "responsive" to the specifications for the project.

However, the SAM Registration must be completed (showing "active" status, with no exclusions) prior to the award and/or execution of an agreement or contract for the project.

BIDDER: INSERT PROOF OF SYSTEM FOR AWARD MANAGEMENT (SAM) BEHIND THIS PAGE.

1.14 FORM 1295 (TEXAS ETHICS COMMISSION)

FORM 1295 SUBMISSION REQUIREMENT/INSTRUCTIONS FOR RFP PROPOSERS:

ALL NON-EXEMPT PROPOSERS ARE REQUIRED TO SUBMIT COMPLETED FORM 1295 WITH PROPOSAL SUBMISSION.

INSTRUCTIONS:

(1) Submit a FORM 1295 online via the Texas Ethics Commission website link below.

Vendors must enter the required information on Form 1295, and print a copy of the completed form.

The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Bidder), to the Jefferson County Purchasing Department WITH RFP PROPOSAL SUBMISSION.

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/filinginfo/elf_filer_type.php

SAMPLE: A sample of a completed FORM 1295 is included on PAGE 8.

FORM 1295 Implementation Background:

In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295), **unless contract is considered exempt as described below.**

In 2017, the Texas legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. The TEC filing application does not capture the date of birth or street address of the signatory and it will not appear on forms that are filed using the TEC filing application.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after January 1, 2018. The changes exempt businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an “unsworn declaration.”

FORM 1295 EXEMPTIONS:

What type of contracts are exempt from the Form 1295 filing requirement under the amended law?

The amended law adds to the list of types of contract exempt from the Form 1295 filing requirement.

A completed Form 1295 is not required for:

- a sponsored research contract of an institution of higher education
- an interagency contract of a state agency or an institution of higher education
- a contract related to health and human services if: the value of the contract cannot be determined at the time the contract is executed; and o any qualified vendor is eligible for the contract
- a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity
- a contract with an electric utility, as that term is defined by Section 31.002, Utilities Code
- a contract with a gas utility, as that term is defined by Section 121.001, Utilities Code

VENDOR: FORM 1295 MUST BE COMPLETED/SUBMITTED ON TEXAS ETHICS COMMISSION WEBSITE. HARD COPY OF FORM 1295 IS TO BE PRINTED, COMPLETED, SIGNED, AND SUBMITTED WITH BID/PROPOSAL/AGREEMENT/CONTRACT. JEFFERSON COUNTY WILL CONFIRM RECEIPT OF COMPLETED HARD COPY WITH THE TEXAS ETHICS COMMISSION.

1.15 EMERGENCY/DECLARED DISASTER REQUIREMENTS

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, a contract (executed in response to this Request for Proposal) may be subjected to unusual usage. Contractor shall service the County during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in the contract shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the contract, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's supplier(s). Additional profit margin as a result of supplying services during an emergency or declared disaster shall not be permitted. In the event that additional equipment, supplies, and materials are required during the declared disaster, additional shipping, handling and drayage fees may apply.

1.16 EVALUATION

Jefferson County reserves the right to use all pertinent information (also learned from sources other than disclosed in the RFP process) that might affect the County's judgment as to the appropriateness of an award to the best evaluated Proposer. This information may be appended to the proposal evaluation process results. Information on a service provider from reliable sources, and not within the service provider's proposal, may also be noted and made part of the evaluation file. Jefferson County shall have sole responsibility for determining a reliable source. Jefferson County reserves the right to conduct written and/or oral discussions/interviews after the proposal opening. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award in the best interest of Jefferson County.

1.17 WITHDRAWAL OF PROPOSAL

The Proposer may withdraw its proposal by submitting a written request over the signature of an authorized individual, as described in paragraph 1.6, to the Purchasing Department any time prior to the submission deadline. 1.22 CONTRACTUAL DEVELOPMENT

The contents of the RFP and the selected proposal will become an integral part of the contract, but may be modified by provisions of the contract as negotiated. Therefore, the Proposer must be amenable to inclusion in a contract of any information provided (in writing) either in response to this RFP or subsequently during the selection process.

1.23 ASSIGNMENT

The selected vendor may not assign, sell, or otherwise transfer this contract without written permission of the Jefferson County Commissioners' Court.

1.24 CONTRACT OBLIGATION

Jefferson County Commissioners' Court must award the contract, and the County Judge or other person authorized by Jefferson County Commissioners' Court must sign the contract before it becomes binding on Jefferson County or the Proposer. **Department heads are not authorized to sign agreements for Jefferson County.** Binding agreements shall remain in effect until all products and/or services covered by this proposal have been satisfactorily delivered and accepted.

1.25 TERMINATION

Jefferson County reserves the right to terminate the contract for default if the awarded vendor breached any of the terms therein, including warranties of proposal, or if the Proposer becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies Jefferson County may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to Jefferson County's satisfaction, and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified.

1.26 INSPECTIONS

Jefferson County reserves the right to inspect any item(s) or service location(s) for compliance with specifications and requirements and needs of the using department. If a proposal cannot furnish a sample of a proposed item, where applicable, for review, or fails to satisfactorily show an ability to perform, the County can reject the Proposer as inadequate.

1.27 TESTING

Jefferson County reserves the right to test equipment, supplies, material and goods proposed for quality, compliance with specifications, and ability to meet the needs of the user. Demonstration units must be available for review. Should the goods or services fail to meet requirements and/or be unavailable for evaluation, the offer is subject to rejection.

1.28 LOSS, DAMAGE, OR CLAIM

The Proposer shall totally indemnify Jefferson County against all claims by its employees, agents, or representatives or personal injury arising from any cause. In addition, the Proposer shall totally indemnify Jefferson County against all claims of loss or damage to the Proposer's and Jefferson County's property, equipment, and/or supplies.

1.29 TAXES

The contractor and its subcontractors, agents and employees, as the case may be, will be responsible for the payment of all federal, state and local taxes, and deposits or contributions imposed or required by law.

1.30 NON-DISCRIMINATION

The successful Proposer will be required to comply with the Americans With Disabilities Act and with all provisions of federal, state, county and local (if any) laws and regulations to ensure that no employee or applicant for employment is discriminated against because of race, color, religion, sex, age, handicap or national origin.

1.31 CONFLICT OF INTEREST

The agreement entered into pursuant to this RFP will contain the Contractor's warranty that, except for bona-fide employees or selling agents maintained by the Contractor for the purpose of securing business, no person or selling agency has been employed or retained to solicit this contract upon an agreement or understanding for commission, percentage or contingency.

Further, the contractor will warrant that no kickbacks, gratuities, or contingency fees have been paid in connection with this RFP or contract and none has been promised contingent upon the award of contract. And, will still further warrant that to its knowledge and best belief, no one being paid under the agreement between the County and the contractor, is engaged in any activities which would constitute a conflict of interest with respect to the purposes of said agreement.

By submitting a proposal in response to this RFP, all Proposers affirm that they have not given, nor intend to give, at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant or any employee or representative of same, in connection with this procurement.

Each Proposer must disclose any existing or potential conflict of interest relative to the performance of the requirements of this RFP. Examples of potential conflicts may include an existing business or personal relationship between the Proposer, its principal, or any affiliate or subcontractor, with the County or any other entity or person involved in any way in the project that is the subject of this RFP. Similarly, any personal or business relationship between the Proposer, the principals, or any affiliate or subcontractor, with any employee of the County or its suppliers must be disclosed. **Any such relationship that might be perceived or represented as a conflict must be disclosed. Failure to disclose any such relationship or reveal personal relationships with state employees may be cause for contract termination. The County will decide if an actual or perceived conflict should result in proposal disqualification.**

1.32 CONFIDENTIAL/PROPRIETARY INFORMATION

If any material in the proposal submission is considered by Proposer to be confidential or proprietary information (including manufacturing and/or design processes exclusive to the Proposer), **Proposer must clearly mark the applicable pages of Proposer's proposal submission to indicate each claim of confidentiality. Additionally, Proposer must include a statement on company letterhead identifying all Proposal section(s) and page(s) that have been marked as confidential.** Jefferson County will protect from public disclosure such portions of a proposal, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire proposal submission is protected from disclosure because it contains some proprietary information is not acceptable, and will make the entire proposal submission subject to release under the Texas Public Information Act.

By submitting a proposal, Proposer agrees to reproduction by Jefferson County, without cost or liability, of any copyrighted portions of Proposer's proposal submission or other information submitted by Proposer.

1.33 WAIVER OF SUBROGATION

Please note that the lowest/best bid will not be used as the sole basis for entering into this contract.

The Proposer must provide descriptions and references for all engagements of comparable complexity and sensitivity to the requirements of this RFP that have been conducted within the past five (5) years. References must contain the name of key contacts and a telephone number. The description of experience must be detailed and cover all relevant contracts that the Proposer and its subcontractors, as applicable, have had and all experience similar to this contract that qualifies the Proposer to meet the requirements of this contract. Included must be the names, titles, addresses, and current telephone numbers of organizations that may be contacted to verify qualifying experience.

The Proposer must indicate whether the organizations so listed are included for the purpose of verifying the Proposer's qualifying experience, or the qualifying experience of its subcontractors. Each experience statement also must include the name and types of services directly provided by the Proposer under the contract, and whether the Proposer was the contractor or subcontractor.

The Proposer must briefly state why it believes its proposed services best meet the County's needs and RFP requirements, and the Proposer also must concisely describe any additional features, aspects, or advantages of its services in any relevant area not covered elsewhere in its proposal.

7.2 COST PROPOSAL

The Proposer must utilize the form provided on **Page 53 of these specifications** in its submission of a cost proposal in response to this RFP. The cost proposal must be included in each copy of the proposal. Any reworked version of this provided form that is intended to be a substitute for **PAGE 53 of these specifications**, that is provided by a Proposer may be determined as non-responsive, and may result in the proposal's disqualification.

7.3 EVALUATION COMMITTEE

Because of the diversity of the departments and activities of the County, the Purchasing Agent will appoint the Evaluation Committee for this Request for Proposals. The Purchasing Agent may appoint a chairperson and no less than two (2) other members for the committee. Typically, the committee will consist of at least one professional in the task required, a person knowledgeable about procurement practices, and either a representative of the department requesting the project, or the department executing the project. However, this structure is not binding and subject to change at the discretion of the Purchasing Agent. Other members may be appointed to the Evaluation Committee as necessary and appropriate, but the total number of persons committee shall not exceed five (5) persons. Committee appointments shall be in writing and shall briefly describe the scope of the project and, if necessary, the primary disciplines required to accomplish the project in order to assist the committee in developing a list of firms that might best accomplish the work required. Committee membership and project requirements will vary from project to project. Therefore, a firm rated number one for one project could be considered not qualified or ranked lower on another project.

7.4. EVALUATION PROCESS

RFP Submittals that do not conform to the instructions or which do not address all the services as specified within this RFP specifications packet may be eliminated from consideration. However, Jefferson County reserves the right to accept such a submittal if it is determined to be in the best interest of the County.

While Jefferson County appreciates a brief, straight-forward, and concise reply; proposer must fully understand that the evaluation is based on the information provided. Accuracy and completeness are essential. Omissions, ambiguous, and equivocal statements may be construed against the proposer. The proposal document may be incorporated into any contract which results from this RFP, and vendor(s) are cautioned not to make claims or statements it is not prepared to commit to contractually. Failure of the vendor to meet such claims will result in a requirement that the vendor provide resources necessary to meet submitted claims.

The Jefferson County Purchasing Department may initiate discussions with selected vendors; however, discussions may not be initiated by vendors.

The Jefferson County Purchasing Department expects to conduct discussions with vendor's representatives authorized to contractually obligate the vendor with an offer. **Vendors shall not contact any Jefferson County personnel during the RFP process without the express permission from the Jefferson County Purchasing Agent. The Purchasing Agent will disqualify any vendor who has made site visits, contacted Jefferson County personnel, or distributed any literature without authorization from the Jefferson County Purchasing Department.**

All correspondence relating to this RFP, from advertisement to award shall be sent to the Jefferson County Purchasing Department. All presentations and/or meetings between Jefferson County and the vendor relating to this RFP shall be coordinated by the Jefferson County Purchasing Department.

Selected vendors may be expected to make a presentation/product demonstration to an Evaluation Committee and Commissioners' Court. Proposals, vendor presentations, and product/service evaluations may develop into negotiating sessions with the vendor(s) as selected by the Evaluation Committee. Jefferson County expects to conduct

negotiations with vendor representatives authorized to contractually obligate the vendor with an offer. If vendor is unable to agree to contract terms and conditions, Jefferson County reserves the right to terminate contract negotiations with that vendor and initiate negotiations with another vendor. In addition to a presentation, visits by the Evaluation Committee to representative vendor client sites may be conducted where the proposed solution can be demonstrated in a production environment.

**REQUIRED FORM FOR FEDERALLY
FUNDED PROCUREMENTS
Bidder: Please complete this form
and include with bid submission.**

VetHUB SUBCONTRACTING PLAN REQUIREMENTS

When is a subcontracting plan required?

A subcontracting plan is required for State of Texas funded procurements when the funding agency has determined that subcontracting opportunities are probable with prospective vendors certified by the Texas Comptroller through the Veteran Heroes United in Business (VetHUB) program, for a contract with an expected value of \$100,000 or more. (**Texas Government Code Chapter 2161, Subchapter F; 34 Texas Administrative Code Section 20.285.**)

When a state agency requires a subcontracting plan as part of the contract solicitation, a bid, proposal, offer or other applicable expression of interest must contain a completed plan to be considered responsive.

Who completes a subcontracting plan?

Every responding vendor — whether a prime contractor or self-performing with no subcontractors — must submit a complete subcontracting plan.

A vendor who intends to use subcontractors must demonstrate their good faith effort to recruit certified VetHUBs, whether or not they ultimately award business to them. *A state agency will not use the subcontractors' VetHUB status to select the winning vendor.* All subcontractors must be listed in the subcontracting plan.

A self-performing vendor who will not subcontract any of the work on the contract must indicate that it will complete the contract with its own resources and submit the completed subcontracting plan.

Does a subcontracting plan have to be followed?

The subcontracting plan forms part of the contract. Subcontractors may not be dropped or replaced without amending the subcontracting plan with approval by the agency. A self-performing contractor may not use subcontractors without amending the subcontracting plan.

Section 2: Declaration of Self-performing or Subcontracting

After dividing the contract work into reasonable lots or portions to the extent consistent with prudent industry practices and taking into consideration the scope of work to be performed under the proposed contract, including all potential subcontracting opportunities, the respondent must determine what portions of work, including contracted staffing, goods and services will be subcontracted. 34 Texas Administrative Code Section 20.282 defines a "Subcontractor" as an entity that contracts with a prime contractor to work or contribute toward completing work under a purchase order or other contract. *The term does not include employees of the contractor but includes contracted workers who will work on the contract.*

Will your company fulfill the entire contract with its own resources, including employees, goods and services?

Yes, my company will self-perform the entire contract.

Submit sections 1-3.

No, my company will subcontract portions of the contract.

Submit sections 1 and 4.

Section 3: Affirmation of Self-performing Contractor

As evidenced by my signature below, I affirm that I am an authorized representative of the respondent listed in Section 1, and that the information and supporting documentation submitted with the subcontracting plan is true and correct. Respondent understands and agrees that, if awarded any portion of the contract:

- The respondent must seek approval from Jefferson County prior to making any modifications to its subcontracting plan, including hiring subcontractors to perform any work under this contract. If the subcontracting plan is modified without Jefferson County's prior approval, respondent may be subject to any and all enforcement remedies available under the contract or otherwise available by law, up to and including debarment from all state contracting.
- The respondent must, upon request, allow Jefferson County to perform on-site reviews of the company's headquarters and/or work site where services are being performed and must provide documentation regarding staffing and other resources.
