In accordance with House Bill 1295 (passed January 1, 2016), Vendors entering into contracts and professional agreements with Jefferson County will be required to complete a Certificate of Interested Parties (FORM 1295).

In 2017, the Texas legislature amended the law to require Form 1295 to include an “unsworn declaration” which includes, among other things, the date of birth and address of the authorized representative signing the form. The unsworn declaration, including the date of birth and address of the signatory, replaces the notary requirement that applied to contracts entered into before January 1, 2018. Upon entering into a contract or professional agreement, the Jefferson County Purchasing Department will submit a request to the Vendor to both:

1. Submit a FORM 1295 online via the Texas Ethics Commission website link below.

Vendors must enter the required information on Form 1295, and print a copy of the completed form. The form will include a certification of filing that will contain a unique certification number.

2. Submit a FORM 1295 hard copy (completed & signed by an Authorized Agent of the Awarded Vendor), to the Jefferson County Purchasing Department.

FORM 1295, Completion Instructions, and Login Instructions are available via the Texas Ethics Commission Website at: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm

In the event of an emergency or if Jefferson County is declared a disaster area, by the County, State, or Federal Government, a contract (executed in response to this Request for Proposal) may be subjected to unusual usage. Contractor shall service the County during such an emergency or declared disaster under the same terms and conditions that apply during non-emergency/disaster conditions. The pricing as specified in the contract shall apply to serving the County's needs regardless of the circumstances. If Contractor is unable to supply the services under the terms of the contract, then Contractor shall provide proof of such disruption and a copy of the invoice from Contractor's supplier(s). Jefferson County is seeking to enter into a services contract with well-qualified administration/management firm/professional service provider(s) to assist and advise in the acquisition of flood prone properties for a Home Buyout or Acquisition Program should funds be secured from the Texas General Land Office – Community Development Block Grant for Disaster Recovery Program (CDBG-DR).

Pre-funding services are not eligible for CDBG-DR reimbursement and must be paid with local or other non-CDBG-DR funds.

The following outlines the RFP:

I. Scope of Work

A sample detailed Scope of Work (“SOW”) provided below.

The professional administration/management firm/consultant to be hired is to provide property acquisition services, to include:

Task 1: Review and Oversight of Title Company Activities

The Contractor will ensure that the Title Company activities are performed in a timely manner and in accordance with the terms of the contract. The Contractor will review Title Search and Title Insurance Commitments to ensure that they meet the requirements of the contract. If problems are encountered, the Contractor, will seek resolution from the Title Company.

Task 2: Review of Appraisal

Each appraisal will be reviewed for compliance with the Uniform Standards for Professional Appraisal Practices (USPAP) and Grant agency requirements. The appraiser's estimate of value should be well documented and supported by the best comparable sale data available. Errors, omissions, and unsupported conclusions will be brought to the attention of the appraiser and the report will be revised as needed to meet the reviewer's requirements. An approved estimate of value will be prepared. Should a property owner later challenge the Determination of Compensation and obtain their own appraisal, the Contractor will review owner's appraisal and a revised Offer to Sell will be prepared as appropriate. The review of owner appraisals and the preparation of revised offers will be billed for each parcel as appropriate.

Task 3: Develop Data for Determining Compensation

Information provided by the community will be reviewed and an amount of compensation for each parcel will be recommended. The Contractor will analyze the appraisal and/or community information to extract the needed information for the preparation of the Statement of Determination of Compensation and Offer to Sell Real Property. Duplication of Benefits Information will be reviewed and proper deductions from value will be made.

Note: Duplication of benefits data is only as good as the data provided by the Community and/or the homeowner. Contractor will not be responsible for duplication of benefits data not known or withheld at the time of the development of the Determination of Compensation. Every effort will be made to obtain complete and accurate Duplication of Benefits data up to the point of settlement of the property.

Task 4: Prepare Determination of Compensation and Offer to Sell Real Property

Utilizing the data developed or obtained in Task 3, the Contractor will prepare the following documents for the County's review: (1) Letter to each parcel owner explaining the acquisition process and their rights and options, to be signed by the Community official, (2) a Statement of Determination of Compensation for each parcel to be signed by the Community official, and; (3) an Offer to Sell Real Property agreement for each parcel.

Task 5: Meeting with Owners

Each parcel owner will be scheduled for a personal meeting at which time the letter from the County explaining the acquisition process and the owner's rights and options will be reviewed. The Statement of Determination of Compensation and Offer to Sell Real Property will also be explained to each parcel owner. If duplication of benefits deductions are made and the owner has documentation to support a revision to the deductions or to support a reimbursement, appropriate adjustments will be made. The meetings will be conducted in facilities provided by the client. Following this meeting, the offer to sell will be presented to the owner, by the County.

Task 6: Prepare Deeds

The Contractor will provide the Title Company a Sample Deed for each parcel in a form that meets Texas General Land Office ("GLO) Community Development Block Grant – Disaster Recovery Program ("CDBG-DR")/Grant Agency requirements. The Deed will be suitable for recording with the Recorder of Deeds in the appropriate County. This Deed will recite the true consideration to be paid, will identify the interest in the land to be acquired, and will include appropriate deed restrictions as directed by the GLO and/or Grant agency.

Task 7: Oversee and Coordinate Settlements

The Title Company will be responsible for scheduling closing with each parcel owner and for the preparation of all documents necessary for closing. These activities will be monitored to ensure that they are performed in a timely manner and that all matters are properly coordinated. A listing will be prepared and provided to the Client prior to each closing which identifies the amount needed for disbursement by the title company at the closing. The listing will identify each parcel by parcel number, owner name, address of property, and amount of compensation. The client will be advised to deposit the needed funds in the Title Company escrow prior to closing.

Task 8: Prepare and Maintain Hard Copy Case Files

A hard copy case file for each parcel purchased will be prepared and submitted to the client. This file will contain at a minimum: the application package from the owner; a copy of the appraisal; a copy of the letter; a copy of the Determination of Compensation; a copy of the Offer to Sell and any revisions thereto; a copy of the final title insurance policy; and a copy of the recorded Deed. Notes regarding owner meetings and various discussions will be included in the case file as appropriate.

ADDITIONAL TASKS (AS NEEDED):**Task 9: Determine Relocation Benefits for Eligible Tenants**

The Contractor will review eligibility for relocation benefits. The Contractor will obtain information from each tenant and calculate benefits amounts to be paid. The Contractor will prepare an Agreement for each eligible owner or tenant and will oversee the payment of benefits. This fee will only be charged for those parcels that are tenant occupied for which the tenant is determined to be eligible for and actually receives tenant relocation.

General Contract Provisions:

The County will provide space and necessary equipment for on-site work in connection with the buyout, acquisition, and if needed- relocation services.

The Consultant will contract directly with the appraisal firm and will invoice the County for the actual cost of appraisals.

(2) If not submitted for negotiation. If the proposal, plan, or other computation is not required to be submitted to the Federal Government (or to the pass-through entity) for negotiation purposes, then the 3-year retention period for the proposal, plan, or computation and its supporting records starts from the end of the fiscal year (or other accounting period) covered by the proposal, plan, or other computation.

(b) Federally assisted construction contracts. (1) Except as otherwise provided, each administering agency shall require the inclusion of the following language as a condition of any grant, contract, loan, insurance, or guarantee involving federally assisted construction which is not exempt from the requirements of the equal opportunity clause: The applicant hereby agrees that it will incorporate or cause to be incorporated into any contract for construction work, or modification thereof, as defined in the regulations of the Secretary of Labor at 41 CFR Chapter 60, which is paid for in whole or in part with funds obtained from the Federal Government or borrowed on the credit of the Federal Government pursuant to a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving such grant, contract, loan, insurance, or guarantee, the following equal opportunity clause: During the performance of this contract, the contractor agrees as follows: (1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access	41 CFR §60-1.4(b) and 2 CFR 200 APPENDIX II (C)

	to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information. (4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. (5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor. (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders. (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law. (8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States. The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or

	subdivision of such government which does not participate in work on or under the contract. The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance. The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings. (c) Subcontracts. Each nonexempt prime contractor or subcontractor shall include the equal opportunity clause in each of its nonexempt subcontracts. (d) Inclusion of the equal opportunity clause by reference. The equal opportunity clause may be included by reference in all Government contracts and subcontracts, including Government bills of lading, transportation requests, contracts for deposit of Government funds, and contracts for issuing and paying U.S. savings bonds and notes, and such other contracts and subcontracts as the Director of OFCCP may designate. (e) Incorporation by operation of the order. By operation of the order, the equal opportunity clause shall be considered to be a part of every contract and subcontract required by the order and the regulations in this part to include such a clause whether or not it is physically incorporated in such contracts and whether or not the contract between the agency and the contractor is written. (f) Adaptation of language. Such necessary changes in language may be made in the equal opportunity clause as shall be appropriate to identify properly the parties and their undertakings.
