Southeast Texas Government Employee Benefits Pool (SETGEBP) is pleased to provide you with this Summary Plan Description (SPD), which describes the health Benefits available to you and your covered family members. It includes summaries of:

- Who is eligible.
- Services that are covered, called Covered Health Services.
- Services that are not covered, called Exclusions and Limitations.
- How Benefits are paid.
- Your rights and responsibilities under the Plan.

This SPD is designed to meet your information needs. It supersedes any previous printed or electronic SPD for this Plan.

IMPORTANT

The healthcare service, supply or Pharmaceutical Product is only a Covered Health Service if it is Medically Necessary. (See definitions of Medically Necessary and Covered Health Service in Section 14, *Glossary*.) The fact that a Physician or other provider has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment for a Sickness, Injury, Mental Illness, substance-related and addictive disorders, disease or its symptoms does not mean that the procedure or treatment is a Covered Health Service under the Plan.

Southeast Texas Government Employee Benefits Pool intends to continue this Plan, but reserves the right, in its sole discretion, to modify, change, revise, amend or terminate the Plan at any time, for any reason, and without prior notice subject to any collective bargaining agreements between the Employer and various unions, if applicable. This SPD is not to be construed as a contract of or for employment. If there should be an inconsistency between the contents of this summary and the contents of the Plan, your rights shall be determined under the Plan and not under this summary.

UnitedHealthcare is a private healthcare claims administrator. UnitedHealthcare's goal is to give you the tools you need to make wise healthcare decisions. UnitedHealthcare also helps your employer to administer claims. Although UnitedHealthcare will assist you in many ways, it does not guarantee any Benefits. Southeast Texas Government Employee Benefits Pool is solely responsible for paying Benefits described in this SPD.

Please read this SPD thoroughly to learn how the Plan works. If you have questions contact your local Benefits Department or call the number on your ID card.

How To Use This SPD

- Read the entire SPD, and share it with your family. Then keep it in a safe place for future reference.
- Many of the sections of this SPD are related to other sections. You may not have all the information you need by reading just one section.
- You can find copies of your SPD and any future amendments or request printed copies by contacting The Benefits Department.
- Capitalized words in the SPD have special meanings and are defined in Section 14, *Glossary*.
- If eligible for coverage, the words "you" and "your" refer to Covered Persons as defined in Section 14, *Glossary*.
- Southeast Texas Government Employee Benefits Pool is also referred to as Company.
- If there is a conflict between this SPD and any benefit summaries (other than Summaries of Material Modifications) provided to you, this SPD will control.

SECTION 2 - INTRODUCTION

What this section includes:

- Who's eligible for coverage under the Plan.
- The factors that impact your cost for coverage.
- Instructions and timeframes for enrolling yourself and your eligible Dependents.
- When coverage begins.
- When you can make coverage changes under the Plan.

Eligibility

You are eligible to enroll in the Plan if you are a regular full-time employee who is scheduled to work at least 30 hours per week or a person who retires while covered under the Plan.

Your eligible Dependents may also participate in the Plan. An eligible Dependent is considered to be:

- Your Spouse, as defined in Section 14, *Glossary*.
- Your or your Spouse's child who is under age 26, including a natural child, stepchild, a legally adopted child, a child placed for adoption or a child for whom you or your Spouse are the legal guardian.
- An unmarried child age 26 or over who is or becomes disabled and dependent upon you.
- ~~Newborns are not automatically covered and must be added to the Plan to have coverage from birth.~~

To be eligible for coverage under the Plan, a Dependent must reside within the United States.

Note: Your Dependents may not enroll in the Plan unless you are also enrolled. In addition, if you and your Spouse are both covered under the Plan, you may each be enrolled as a Participant or be covered as a Dependent of the other person, but not both. In addition, if you and your Spouse are both covered under the Plan, only one parent may enroll your child as a Dependent.

A Dependent also includes a child for whom health care coverage is required through a Qualified Medical Child Support Order or other court or administrative order, as described in Section 13, *Other Important Information*.

Cost of Coverage

You and your employer share in the cost of the Plan. Your contribution amount depends on the Plan you select and the family members you choose to enroll.

Your contributions are deducted from your paychecks on a before-tax basis. Before-tax dollars come out of your pay before federal income and Social Security taxes are

withheld—and in most states, before state and local taxes are withheld. This gives your contributions a special tax advantage and lowers the actual cost to you.

How to Enroll

To enroll, contact The Benefits Department within 30 days of the date you first become eligible for medical Plan coverage. If you do not enroll within 30 days, you will need to wait until the next Annual Enrollment to make your benefit elections.

Each year during Annual Enrollment, you have the opportunity to review and change your medical election. Any changes you make during Annual Enrollment will become effective the following January 1.

Important

If you wish to change your benefit elections following your marriage, birth, adoption of a child, placement for adoption of a child or other family status change, you must contact The Benefits Department within 30 days of the event. Otherwise, you will need to wait until the next Annual Enrollment to change your elections.

When Coverage Begins

Once The Benefits Department receives your properly completed enrollment, coverage will begin on the day immediately following the completion of a 31 day waiting period. Coverage for your Dependents will start on the date your coverage begins, provided you have enrolled them in a timely manner.

Coverage for a Spouse or Dependent stepchild that you acquire via marriage becomes effective the date of your marriage, provided you notify The Benefits Department within 30 days of your marriage. Coverage for Dependent children acquired through birth, adoption, or placement for adoption is effective the date of the family status change, provided you notify The Benefits Department within 30 days of the birth, adoption, or placement.

If you were previously insured and your insurance ceased, you must satisfy the Waiting Period to become insured again. If your insurance ceased because you were no longer employed in a Class of Eligible Employees, you are not required to satisfy any waiting period if you again become a member of a Class of Eligible Employees within 90 days after your insurance ceased.

[If you do not wish to change your benefit election due to the birth of a newborn, the automatic coverage for the newborn will terminate immediately following day 60 after birth. You will need to wait until the next annual Open Enrollment to change your election if coverage has not been selected within 31 days.](#)

If You Are Hospitalized When Your Coverage Begins

If you are an inpatient in a Hospital, Skilled Nursing Facility or Inpatient Rehabilitation Facility on the day your coverage begins, the Plan will pay Benefits for Covered Health Services that you receive on or after your first day of coverage related to that Inpatient Stay as long as you receive Covered Health Services in accordance with the terms of the Plan. These Benefits are subject to any prior carrier's obligations under state law or contract.

You should notify UnitedHealthcare of your hospitalization within 48 hours of the day your coverage begins, or as soon as is reasonably possible. For Benefit plans that have a Network Benefit level, Network Benefits are available only if you receive Covered Health Services from Network providers.

Use Your Prior Health Care Coverage

If you have prior coverage that extends benefits for a particular condition or a disability, the Plan will not pay Benefits for health care services for that condition or disability until the prior coverage ends. Benefits for that particular condition or disability are subject to your prior coverage.

Changing Your Coverage

You may make coverage changes during the year only if you experience a change in family status. The change in coverage must be consistent with the change in status (e.g., you cover your Spouse following your marriage, your child following an adoption, etc.). The following are considered family status changes for purposes of the Plan:

- Your marriage, divorce, legal separation or annulment.
- The birth, legal adoption, placement for adoption or legal guardianship of a child.
- A change in your Spouse's employment or involuntary loss of health coverage (other than coverage under the Medicare or Medicaid programs) under another employer's plan.
- Loss of coverage due to the exhaustion of another employer's COBRA benefits, provided you were paying for premiums on a timely basis.
- Your death or the death of a Dependent.
- Your Dependent child no longer qualifying as an eligible Dependent.
- A change in your or your Spouse's position or work schedule that impacts eligibility for health coverage.
- Contributions were no longer paid by the employer (this is true even if you or your eligible Dependent continues to receive coverage under the prior plan and to pay the amounts previously paid by the employer).
- You or your eligible Dependent who were enrolled in an HMO no longer live or work in that HMO's service area and no other benefit option is available to you or your eligible Dependent.
- Benefits are no longer offered by the Plan to a class of individuals that include you or your eligible Dependent.
- Termination of your or your Dependent's *Medicaid* or *Children's Health Insurance Program (CHIP)* coverage as a result of loss of eligibility (you must contact The Benefits Department within 60 days of termination).
- You or your Dependent become eligible for a premium assistance subsidy under *Medicaid* or *CHIP* (you must contact The Benefits Department within 60 days of the date of determination of subsidy eligibility).

- You or your Dependent lose eligibility for coverage in the individual market, including coverage purchased through a public exchange or other public market established under the Affordable Care Act (Marketplace) (other than loss of eligibility for coverage due to failure to pay premiums on a timely basis or termination of coverage for cause, such as making a fraudulent claim or an intentional misrepresentation of a material fact) regardless of whether you or your Dependent may enroll in other individual market coverage, through or outside of a Marketplace.
- A strike or lockout involving you or your Spouse.
- A court or administrative order.

Unless otherwise noted above, if you wish to change your elections, you must contact The Benefits Department within 30 days of the change in family status. Otherwise, you will need to wait until the next Annual Enrollment.

While some of these changes in status are similar to qualifying events under COBRA, you, or your eligible Dependent, do not need to elect COBRA continuation coverage to take advantage of the special enrollment rights listed above. These will also be available to you or your eligible Dependent if COBRA is elected.

Note: Any child under age 26 who is placed with you for adoption will be eligible for coverage on the date the child is placed with you, even if the legal adoption is not yet final. If you do not legally adopt the child, all medical Plan coverage for the child will end when the placement ends. No provision will be made for continuing coverage (such as COBRA coverage) for the child.

Change in Family Status - Example

Jane is married and has two children who qualify as Dependents. At annual Open Enrollment, she elects not to participate in Southeast Texas Government Employee Benefits Pool's medical plan, because her husband, Tom, has family coverage under his employer's medical plan. In June, Tom loses his job as part of a downsizing. As a result, Tom loses his eligibility for medical coverage. Due to this family status change, Jane can elect family medical coverage under Southeast Texas Government Employee Benefits Pool's medical plan outside of annual Open Enrollment.

SECTION 3 - HOW THE PLAN WORKS

What this section includes:

- Accessing Benefits.
- Eligible Expenses.
- Annual Deductible.
- Copayment.
- Coinsurance.
- Out-of-Pocket Maximum.

Accessing Benefits

As a participant in this Plan, you have the freedom to choose the Network Physician or health care professional you prefer each time you need to receive Covered Health Services.

You are eligible for Benefits under this Plan when you receive Covered Health Services from Physicians and other health care professionals who have contracted with UnitedHealthcare to provide those services.

You must see a Designated Network Benefits or Network Physician in order to obtain Benefits. Except as specifically described within the SPD, Benefits are not available for services provided by a non-Network provider. This Plan does not provide a non-Network level of Benefits.

Benefits apply to Covered Health Services that are provided by a Network Physician or other Network provider. You are not required to select a Primary Physician in order to obtain Benefits. In general health care terminology, a Primary Physician may also be referred to as a Primary Care Physician or PCP.

Emergency Health Services provided by a non-Network provider will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section.

Covered Health Services provided at certain Network facilities by a non-Network Physician, when not Emergency Health Services, will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section. For these Covered Health Services, "certain Network facility" is limited to a hospital (as defined in 1861(e) of the *Social Security Act*), a hospital outpatient department, a critical access hospital (as defined in 1861(mm)(1) of the *Social Security Act*), an ambulatory surgical center as described in section 1833(i)(1)(A) of the *Social Security Act*, and any other facility specified by the Secretary.

Air Ambulance transport provided by a non-Network provider will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section.

Ground Ambulance transport provided by a non-Network provider will be reimbursed as set forth under *Eligible Expenses* as described at the end of this section.

Designated Network Benefits apply to Covered Health Services that are provided by a Network Physician or other provider that has been identified as a Designated Provider. Only certain Physicians and providers have been identified as a Designated Provider. Designated Network Benefits are available only for specific Covered Health Services as identified in Section 5, *Plan Highlights*. When Designated Network Benefits apply, they are included in and subject to the same Annual Deductible, and Out-of-Pocket Maximum and Annual Maximum Benefit requirements as all other Covered Health Services provided by Network providers.

You must show your identification card (ID card) every time you request health care services from a Network provider. If you do not show your ID card, Network providers have no way of knowing that you are enrolled under the Plan. As a result, they may bill you for the entire cost of the services you receive.

Network Providers

UnitedHealthcare or its affiliates arrange for health care providers to participate in a Network. At your request, UnitedHealthcare will send you a directory of network providers free of charge. Keep in mind, a provider's Network status may change. To verify a provider's status or request a provider directory, you can call UnitedHealthcare at the number on your ID card or log onto **www.myuhc.com**.

Network providers are independent practitioners and are not employees of Southeast Texas Government Employee Benefits Pool or UnitedHealthcare. It is your responsibility to select your provider.

UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided.

Before obtaining services you should always verify the Network status of a provider. A provider's status may change. You can verify the provider's status by calling UnitedHealthcare. A directory of providers is available online at **www.myuhc.com** or by calling the number on your ID card to request a copy. If you receive a Covered Health Service from a non-Network provider and were informed incorrectly prior to receipt of the Covered Health Service that the provider was a Network provider, either through a database, provider directory, or in a response to your request for such information (via telephone, electronic, web-based or internet-based means), you may be eligible for Network Benefits.

It is possible that you might not be able to obtain services from a particular Network provider. The network of providers is subject to change. Or you might find that a particular Network provider may not be accepting new patients. If a provider leaves the Network or is otherwise not available to you, you must choose another Network provider to get Benefits. However, if you are currently receiving treatment for Covered Health Services from a provider whose network status changes from Network to non-Network during such treatment due to expiration or nonrenewal of the provider's contract, you may be eligible to request continued care from your current provider at the Network Benefit level for specified conditions and timeframes. This provision does not apply to provider contract terminations for failure to meet applicable quality standards or for fraud. If you would like help to find

out if you are eligible for continuity of care Benefits, please call the telephone number on your ID card.

If you are currently undergoing a course of treatment utilizing a non-Network Physician or health care facility, you may be eligible to receive transition of care Benefits. This transition period is available for specific medical services and for limited periods of time. If you have questions regarding this transition of care reimbursement policy or would like help determining whether you are eligible for transition of care Benefits, please contact the number on your ID card.

Do not assume that a Network provider's agreement includes all Covered Health Services. Some Network providers contract with UnitedHealthcare to provide only certain Covered Health Services, but not all Covered Health Services. Some Network providers choose to be a Network provider for only some of UnitedHealthcare's products. Refer to your provider directory or contact UnitedHealthcare for assistance.

Health Services from Non-Network Providers

If specific Covered Health Services are not available from a Network provider, you may be eligible for Benefits when Covered Health Services are received from a non-Network provider. In this situation, your Network Physician will notify the Claims Administrator, and if the Claims Administrator confirms that care is not available from a Network provider, the Claims Administrator will work with you and your Network Physician to coordinate care through a non-Network provider.

When you receive Covered Health Services through a Network Physician, the Plan will pay Network Benefits for those Covered Health Services, even if one or more of those Covered Health Services is received from a non-Network provider.

Looking for a Network Provider?

In addition to other helpful information, www.myuhc.com, UnitedHealthcare's consumer website, contains a directory of health care professionals and facilities in UnitedHealthcare's Network. While Network status may change from time to time, www.myuhc.com has the most current source of Network information. Use www.myuhc.com to search for Physicians available in your Plan.

Possible Limitations on Provider Use

If UnitedHealthcare determines that you are using health care services in a harmful or abusive manner, you may be required to select a Network Physician to provide and coordinate all of your future Covered Health Services.

If you don't make a selection within 30 days of the date you are notified, UnitedHealthcare will select a single Network Physician for you.

In the event that you do not use the selected Network Physician, Benefits will not be paid.

Designated Providers

If you have a medical condition that UnitedHealthcare believes needs special services, UnitedHealthcare may direct you to a Designated Provider chosen by UnitedHealthcare. If you require certain complex Covered Health Services for which expertise is limited, UnitedHealthcare may direct you to a Network facility or provider that is outside your local geographic area. If you are required to travel to obtain such Covered Health Services from a Designated Provider, UnitedHealthcare may reimburse certain travel expenses at UnitedHealthcare's discretion.

In both cases, Benefits will only be paid if your Covered Health Services for that condition are provided by or arranged by the Designated Provider or other provider chosen by UnitedHealthcare.

You or your Network Physician must notify UnitedHealthcare of special service needs (such as transplants or cancer treatment) that might warrant referral to a Designated Provider. If you do not notify UnitedHealthcare in advance, and if you receive services from a non-Network facility (regardless of whether it is a Designated Provider) or other non-Network provider, Benefits will not be paid.

Eligible Expenses

Southeast Texas Government Employee Benefits Pool has delegated to the Claims Administrator the initial discretion and authority to decide whether a treatment or supply is a Covered Health Service and how the Eligible Expenses will be determined and otherwise covered under the Plan.

Eligible Expenses are the amount the Claims Administrator determines that the Plan will pay for Benefits.

- For Designated Network Benefits and Network Benefits for Covered Health Services provided by a Network provider, except for your cost sharing obligations, you are not responsible for any difference between Eligible Expenses and the amount the provider bills.
 - For Covered Health Services that are **Ancillary Services received at certain Network facilities on a non-Emergency basis from non-Network Physicians**, you are not responsible, and the non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in this SPD.
 - For Covered Health Services that are non-Ancillary Services received at certain Network facilities on a non-Emergency basis from non-Network Physicians who have not satisfied the notice and consent criteria or for unforeseen or urgent medical needs that arise at the time a non-Ancillary Service is provided for which notice and consent has been satisfied as described below, you are not responsible, and the Non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in the SPD.
 - For Covered Health Services that are **Emergency Health Services provided by a Non-Network provider**, you are not responsible, and the Non-Network provider

- may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in this SPD.
- For Covered Health Services that are **Air Ambulance services provided by a Non-Network provider**, you are not responsible, and the Non-Network provider may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or deductible which is based on the rates that would apply if the service was provided by a Network provider which is based on the Recognized Amount as defined in the SPD.

Eligible Expenses are determined in accordance with the Claims Administrator's reimbursement policy guidelines or as required by law, as described in the SPD.

For Designated Network Benefits and Network Benefits, Eligible Expenses are based on the following:

- When Covered Health Services are received from a Designated Network and Network provider, Eligible Expenses are our contracted fee(s) with that provider.
- When Covered Health Services are received from a Non-Network provider as arranged by the Claims Administrator, including when there is no Network provider who is reasonably accessible or available to provide Covered Health Services, Eligible Expenses are an amount negotiated by the Claims Administrator or an amount permitted by law. Please contact the Claims Administrator if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any deductible. The Plan will not pay excessive charges or amounts you are not legally obligated to pay.

When Covered Health Services are received from a non-Network provider as described below, Eligible Expenses are determined as follows:

- **For non-Emergency Covered Health Services received at certain Network facilities from non-Network Physicians** when such services are either Ancillary Services, or non-Ancillary Services that have not satisfied the notice and consent criteria of section 2799B-2(d) of the *Public Health Service Act* with respect to a visit as defined by the Secretary (including non-Ancillary Services that have satisfied the notice and consent criteria but unforeseen urgent medical needs arise at the time the services are provided), the Eligible Expense is based on one of the following in the order listed below as applicable:
 - The reimbursement rate as determined by a state *All Payer Model Agreement*.
 - The reimbursement rate as determined by state law.
 - The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
 - The amount determined by *Independent Dispute Resolution (IDR)*.

For the purpose of this provision, "certain Network facilities" are limited to a hospital (as defined in 1861(e) of the *Social Security Act*), a hospital outpatient department, a critical access hospital (as defined in 1861(mm)(1) of the *Social Security Act*), an ambulatory surgical center as described in section 1833(i)(1)(A) of the *Social Security Act*, and any other facility specified by the Secretary.

IMPORTANT NOTICE: For Ancillary Services, non-Ancillary Services provided without notice and consent, and non-Ancillary Services for unforeseen or urgent medical needs that arise at the time a service is provided for which notice and consent has been satisfied, you are not responsible, and a non-Network Physician may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in the SPD.

- **For Emergency Health Services provided by a non-Network provider**, the Eligible Expense is based on one of the following in the order listed below as applicable:
 - The reimbursement rate as determined by a state *All Payer Model Agreement*.
 - The reimbursement rate as determined by state law.
 - The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
 - The amount determined by *Independent Dispute Resolution (IDR)*.

IMPORTANT NOTICE: You are not responsible, and a non-Network provider may not bill you, for amounts in excess of your applicable Copayment, Coinsurance or deductible which is based on the Recognized Amount as defined in the SPD.

- For Air Ambulance transportation provided by a non-Network provider, the Eligible Expense is based on one of the following in the order listed below as applicable:
 - The reimbursement rate as determined by a state *All Payer Model Agreement*.
 - The initial payment made by the Claims Administrator, or the amount subsequently agreed to by the non-Network provider and the Claims Administrator.
 - The amount determined by *Independent Dispute Resolution (IDR)*.

IMPORTANT NOTICE: You are not responsible, and a non-Network provider may not bill you, for amounts in excess of your Copayment, Coinsurance or deductible which is based on the rates that would apply if the service was provided by a Network provider which is based on the Recognized Amount as defined in the SPD.

- **For Emergency ground ambulance transportation provided by a non-Network provider**, the Eligible Expense, which includes mileage, is a rate agreed upon by the non-Network provider or, unless a different amount is required by applicable law, determined based upon the median amount negotiated with Network providers for the same or similar service.

IMPORTANT NOTICE: Non-Network providers may bill you for any difference between the provider's billed charges and the Eligible Expense described here.

When Covered Health Services are received from a non-Network provider, except as described above, Eligible Expenses are determined as follows: (i) an amount negotiated by the Claims Administrator, (ii) a specific amount required by law (when required by law), or (iii) an amount the Claims Administrator has determined is typically accepted by a healthcare provider for the same or similar service or an amount that is greater than such rate when elected or directed by the Plan. The Plan will not pay excessive charges. You are responsible for paying, directly to the non-Network provider, the applicable Coinsurance, Copayment or any deductible. Please contact the Claims Administrator if you are billed for amounts in excess of your applicable Coinsurance, Copayment or any deductible to access the Advocacy Services as described below. Following the conclusion of

the Advocacy Services described below, any responsibility to pay more than the Eligible Expense (which includes your Coinsurance, Copayment, and deductible) is yours

Advocacy Services

The Plan has contracted with the Claims Administrator to provide advocacy services on your behalf with respect to non-network providers that have questions about the Eligible Expenses and how the Claims Administrator determined those amounts. Please call the Claims Administrator at the number on your ID card to access these advocacy services, or if you are billed for amounts in excess of your applicable coinsurance or copayment. In addition, if the Claims Administrator, or its designee, reasonably concludes that the particular facts and circumstances related to a claim provide justification for reimbursement greater than that which would result from the application of the Eligible Expense, and the Claims Administrator, or its designee, determines that it would serve the best interests of the Plan and its Participants (including interests in avoiding costs and expenses of disputes over payment of claims), the Claims Administrator, or its designee, may use its sole discretion to increase the Eligible Expense for that particular claim.

Don't Forget Your ID Card

Remember to show your ID card every time you receive health care services from a Network provider. If you do not show your ID card, a Network provider has no way of knowing that you are enrolled under the Plan.

Annual Deductible

The Annual Deductible is the amount of Eligible Expenses, or the Recognized Amount when applicable, you must pay each calendar year for Covered Health Services before you are eligible to begin receiving Benefits. The amounts you pay toward your Annual Deductible accumulate over the course of the calendar year.

The Annual Deductible applies to all Covered Health Services under the Plan as indicated in Section 5, *Plan Highlights*.

This Plan includes an Annual Deductible that applies to certain Covered Health Services. Refer to Section 5, *Plan Highlights*, for details about the specific Covered Health Services to which the Annual Deductible applies.

Amounts paid toward the Annual Deductible for Covered Health Services that are subject to a visit or day limit will also be calculated against that maximum benefit limit. As a result, the limited benefit will be reduced by the number of days or visits you used toward meeting the Annual Deductible.

Amounts paid toward the Annual Deductible for Covered Health Services that are subject to a dollar limit will also be calculated against that maximum benefit limit. As a result, the limited benefit will be reduced by the amount used toward meeting the Annual Deductible.

The amount that is applied to the Annual Deductible is calculated on the basis of Eligible Expenses. The Annual Deductible does not include any amount that exceeds Eligible

Expenses. Details about the way in which Eligible Expenses are determined appear in this section under the heading *Eligible Expenses*.

Copayment

A Copayment (Copay) is the amount you pay each time you receive certain Covered Health Services. The Copay is a flat dollar amount and is paid at the time of service or when billed by the provider. Copays count toward the Out-of-Pocket Maximum. Copays do not count toward the Annual Deductible. If the Eligible Expense is less than the Copay, you are only responsible for paying the Eligible Expense and not the Copay.

Coinsurance

Coinsurance is the amount you pay (calculated as a percentage of Eligible Expenses) each time you receive certain Covered Health Services.

Details about the way in which Eligible Expenses are determined appear in this section under the heading *Eligible Expenses*.

Out-of-Pocket Maximum – Emergency Health Services

The annual Out-of-Pocket Maximum – Emergency Health Services is the most you pay each calendar year for Covered Emergency Health Services.

Out-of-Pocket Maximum

The annual Out-of-Pocket Maximum is the most you pay each calendar year for Covered Health Services. If your eligible out-of-pocket expenses in a calendar year exceed the annual maximum, the Plan pays 100% of Eligible Expenses for Covered Health Services through the end of the calendar year.

The following table identifies what does and does not apply toward your Out-of-Pocket Maximum:

Plan Features	Applies to the Out-of-Pocket Maximum?
Copays	Yes
Payments toward the Annual Deductible	Yes
Coinsurance Payments	Yes
Charges for non-Covered Health Services	No
Copay – Emergency Health Services	Yes – Applies only to the Out-of-Pocket Maximum – Emergency Health Services
Charges that exceed Eligible Expenses, or the Recognized Amount when applicable.	No

SECTION 4 - PERSONAL HEALTH SUPPORT AND PRIOR AUTHORIZATION

What this section includes:

- An overview of the Personal Health Support program.
- Covered Health Services which require prior authorization.

Care Management

When you seek prior authorization as required, the Claims Administrator will work with you to implement the care management process and to provide you with information about additional services that are available to you, such as disease management programs, health education, and patient advocacy.

UnitedHealthcare provides a program called Personal Health Support designed to encourage personalized, efficient care for you and your covered Dependents.

Personal Health Support Nurses center their efforts on prevention, education, and closing any gaps in your care. The goal of the program is to ensure you receive the most appropriate and cost-effective services available.

If you are living with a chronic condition or dealing with complex health care needs, UnitedHealthcare may assign to you a primary nurse, referred to as a Personal Health Support Nurse, to guide you through your treatment. This assigned nurse will answer questions, explain options, identify your needs, and may refer you to specialized care programs. The Personal Health Support Nurse will provide you with their telephone number so you can call them with questions about your conditions, or your overall health and well-being.

Personal Health Support Nurses will provide a variety of different services to help you and your covered family members receive appropriate medical care. Program components are subject to change without notice. When the Claims Administrator is called as required, they will work with you to implement the Personal Health Support process and to provide you with information about additional services that are available to you, such as disease management programs, health education, and patient advocacy. As of the publication of this SPD, the Personal Health Support program includes:

- **Admission counseling** - Personal Health Support Nurses Advocates are available to help you prepare for a successful surgical admission and recovery. Call the number on your ID card for support.
- **Inpatient care management** - If you are hospitalized, a nurse will work with your Physician to make sure you are getting the care you need and that your Physician's treatment plan is being carried out effectively.
- **Readmission Management** - This program serves as a bridge between the Hospital and your home if you are at high risk of being readmitted. After leaving the Hospital, if you have a certain chronic or complex condition, you may receive a phone call from a Personal Health Support Nurse to confirm that medications, needed equipment, or

follow-up services are in place. The Personal Health Support Nurse will also share important health care information, reiterate and reinforce discharge instructions, and support a safe transition home.

- **Risk Management** - Designed for participants with certain chronic or complex conditions, this program addresses such health care needs as access to medical specialists, medication information, and coordination of equipment and supplies. Participants may receive a phone call from a Personal Health Support Nurse to discuss and share important health care information related to the participant's specific chronic or complex condition.
- **Cancer Management** - You have the opportunity to engage with a nurse that specializes in cancer, education and guidance throughout your care path.
- **Kidney Management** - You have the opportunity to engage with a nurse that specializes in kidney disease, education and guidance with CKD stage 4/5 or ESRD throughout your care path.

If you do not receive a call from a Personal Health Support Nurse but feel you could benefit from any of these programs, please call the number on your ID card.

Prior Authorization

UnitedHealthcare requires prior authorization for certain Covered Health Services. Physicians and other health care professionals who participate in a Network are responsible for obtaining prior authorization.

It is recommended that you confirm with the Claims Administrator that all Covered Health Services listed below have been prior authorized as required. Before receiving these services from a Network provider, you may want to contact the Claims Administrator to verify that the Hospital, Physician and other providers are Network providers and that they have obtained the required prior authorization. Network facilities and Network providers cannot bill you for services they fail to prior authorize as required. You can contact the Claims Administrator by calling the number on your ID card.

Contacting the Claims Administrator or Personal Health Support is easy.
Simply call the number on your ID card.

Special Note Regarding Medicare

If you are enrolled in Medicare on a primary basis (Medicare pays before the Plan pays Benefits) the prior authorization requirements do not apply to you. Since Medicare is the primary payer, the Plan will pay as secondary payer as described in Section 10, *Coordination of Benefits (COB)*. You are not required to obtain authorization before receiving Covered Health Services.

SECTION 6 - ADDITIONAL COVERAGE DETAILS

What this section includes:

- Covered Health Services for which the Plan pays Benefits.

This section supplements the second table in Section 5, *Plan Highlights*.

While the table provides you with Benefit limitations along with Copayment, Coinsurance and Annual Deductible information for each Covered Health Service, this section includes descriptions of the Benefits. These descriptions include any additional limitations that may apply. The Covered Health Services in this section appear in the same order as they do in the table for easy reference. Services that are not covered are described in Section 8, *Exclusions and Limitations*.

Benefits are provided for services delivered via Telehealth/Telemedicine. Benefits are also provided for Remote Physiologic Monitoring. Benefits for these services are provided to the same extent as an in-person service under any applicable Benefit category in this section unless otherwise specified in the table.

Ambulance Services

The Plan covers Emergency ambulance services and transportation provided by a licensed ambulance service to the nearest Hospital that offers Emergency Health Services. See Section 14, *Glossary* for the definition of Emergency.

Ambulance service by air is covered in an Emergency if ground transportation is impossible, or would put your life or health in serious jeopardy. If special circumstances exist, UnitedHealthcare may pay Benefits for Emergency air transportation to a Hospital that is not the closest facility to provide Emergency Health Services.

The Plan also covers non-Emergency transportation provided by a licensed professional ambulance (either ground or Air Ambulance, as UnitedHealthcare determines appropriate) between facilities when the transport is:

- From a non-Network Hospital to a Network Hospital.
- To a Hospital that provides a higher level of care that was not available at the original Hospital.
- To a more cost-effective acute care facility.
- From an acute facility to a sub-acute setting.

Cellular and Gene Therapy

Cellular Therapy and Gene Therapy received on an inpatient or outpatient basis at a Hospital or on an outpatient basis at an Alternate Facility or in a Physician's office.

Benefits for CAR-T therapy for malignancies are provided as described under *Transplantation Services*.

Clinical Trials - Routine Patient Care Costs

Benefits are available for routine patient care costs incurred during participation in a qualifying Clinical Trial for the treatment of cancer or other life-threatening disease or condition. For purposes of this benefit, a life-threatening disease or condition is one from which the likelihood of death is probable unless the course of the disease or condition is interrupted.

Benefits include the reasonable and necessary items and services used to prevent, diagnose and treat complications arising from participation in a qualifying Clinical Trial.

Benefits are available only when the Covered Person is clinically eligible for participation in the qualifying Clinical Trial as defined by the researcher.

Routine patient care costs for qualifying Clinical Trials include:

- Covered Health Services for which Benefits are typically provided absent a Clinical Trial.
- Covered Health Services required solely for the provision of the Experimental or Investigational Service(s) or item, the clinically appropriate monitoring of the effects of the service or item, or the prevention of complications.
- Covered Health Services needed for reasonable and necessary care arising from the provision of an Experimental or Investigational Service(s) or item.

Routine costs for Clinical Trials do not include:

- The Experimental or Investigational Service(s) or item. The only exceptions to this are:
 - Certain *Category B* devices.
 - Certain promising interventions for patients with terminal illnesses.
 - Other items and services that meet specified criteria in accordance with UnitedHealthcare's medical and drug policies.
- Items and services provided solely to satisfy data collection and analysis needs and that are not used in the direct clinical management of the patient.
- A service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
- Items and services provided by the research sponsors free of charge for any person enrolled in the trial.

With respect to cancer or other life-threatening diseases or conditions, a qualifying Clinical Trial is a Phase I, Phase II, Phase III, or Phase IV Clinical Trial that is conducted in relation to the prevention, detection or treatment of cancer or other life-threatening disease or condition and which meets any of the following criteria in the bulleted list below.

- Federally funded trials. The study or investigation is approved or funded (which may include funding through in-kind contributions) by one or more of the following:
 - *National Institutes of Health (NIH)*. (Includes *National Cancer Institute (NCI)*).

- *Centers for Disease Control and Prevention (CDC).*
 - *Agency for Healthcare Research and Quality (AHRQ).*
 - *Centers for Medicare and Medicaid Services (CMS).*
 - A cooperative group or center of any of the entities described above or the *Department of Defense (DOD)* or the *Veterans Administration (VA).*
 - A qualified non-governmental research entity identified in the guidelines issued by the *National Institutes of Health* for center support grants.
 - The *Department of Veterans Affairs*, the *Department of Defense* or the *Department of Energy* as long as the study or investigation has been reviewed and approved through a system of peer review that is determined by the *Secretary of Health and Human Services* to meet both of the following criteria:
 - ◆ Comparable to the system of peer review of studies and investigations used by the *National Institutes of Health.*
 - ◆ Ensures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review.
- The study or investigation is conducted under an investigational new drug application reviewed by the *U.S. Food and Drug Administration.*
 - The study or investigation is a drug trial that is exempt from having such an investigational new drug application.
 - The Clinical Trial must have a written protocol that describes a scientifically sound study and have been approved by all relevant institutional review boards (IRBs) before participants are enrolled in the trial. UnitedHealthcare may, at any time, request documentation about the trial.
 - The subject or purpose of the trial must be the evaluation of an item or service that meets the definition of a Covered Health Service and is not otherwise excluded under the Plan.

Congenital Heart Disease (CHD) Surgeries

The Plan pays Benefits for CHD surgeries which are ordered by a Physician. CHD surgical procedures include surgeries to treat conditions such as coarctation of the aorta, aortic stenosis, tetralogy of fallot, transposition of the great vessels and hypoplastic left or right heart syndrome.

UnitedHealthcare has specific guidelines regarding Benefits for CHD services. Contact UnitedHealthcare at the number on your ID card for information about these guidelines.

The Plan pays Benefits for CHD services ordered by a Physician and received at a facility participating in the CHD Resource Services program. Benefits include the facility charge and the charge for supplies and equipment. Benefits for Physician services are described under *Physician Fees for Surgical and Medical Services.*

CHD services other than those listed above are excluded from coverage, unless determined by the Claims Administrator to be proven procedures for the involved diagnoses. Contact CHD Resource Services at 1-888-936-7246 before receiving care for information about CHD services. More information is also available at www.myoptumhealthcomplexmedical.com.

If you receive CHD services from a facility that is not a Designated Provider, the Plan pays Benefits as described under:

- Physician's Office Services - Sickness and Injury.
- Physician Fees for Surgical and Medical Services.
- Scopic Procedures - Outpatient Diagnostic and Therapeutic.
- Therapeutic Treatments - Outpatient.
- Hospital - Inpatient Stay.
- Surgery - Outpatient.

To receive Benefits under the CHD program, you must contact CHD Resource Services at 1-888-936-7246 prior to obtaining Covered Health Services. The Plan will only pay Benefits under the CHD program if CHD provides the proper notification to the Designated Provider performing the services (even if you self-refer to a provider in that Network).

Note: The services described under the *Travel and Lodging Assistance Program* in Section 7, *Clinical Programs and Resources* are Covered Health Services only in connection with CHD services received at a Congenital Heart Disease Resource Services program.

(You may request an extension of this time period provided that you do so within 60 days of the Injury and if extenuating circumstances exist due to the severity of the Injury.)

Please note that dental damage that occurs as a result of normal activities of daily living or extraordinary use of the teeth is not considered having occurred as an accident. Benefits are not available for repairs to teeth that are damaged as a result of such activities.

Dental services to repair the damage caused by accidental Injury must conform to the following time-frames: Treatment is started within six months of the accident, or if not a Covered Person at the time of the accident, within the first three months of coverage under the Plan, unless extenuating circumstances exist (such as prolonged hospitalization or the presence of fixation wires from fracture care), Treatment must be completed within 12 months of the accident, or if not a Covered Person at the time of the accident, within the first 12 months of coverage under the Plan.

The Plan pays for treatment of accidental Injury limited to the following:

- Emergency examination.
- Necessary diagnostic X-rays.
- Endodontic (root canal) treatment.
- Temporary splinting of teeth.
- Prefabricated post and core.
- Simple minimal restorative procedures (fillings).

Network Benefits will be paid for an Emergency admission to a non-Network Hospital as long as the Claims Administrator is notified within 48 hours of the admission or on the same day of admission if reasonably possible after you are admitted to a non-Network Hospital. The Claims Administrator may elect to transfer you to a Network Hospital as soon as it is medically appropriate to do so. If you continue your stay in a non-Network Hospital after the date your Physician determines that it is medically appropriate to transfer you to a Network Hospital, Benefits will not be provided. Eligible Expenses will be determined as described under *Eligible Expenses* in Section 3, *How the Plan Works*.

Benefits under this section are available for services to treat a condition that does not meet the definition of an Emergency.

If more than one type of hearing aid can meet your functional needs, Benefits are available only for the hearing aid that meets the minimum specifications for your needs. If you purchase a hearing aid that exceeds these minimum specifications, the Plan will pay only the amount that the Plan would have paid for the hearing aid that meets the minimum specifications, and you will be responsible for paying any difference in cost.

Benefits do not include bone anchored hearing aids. Bone anchored hearing aids are a Covered Health Service for which Benefits are available under the applicable medical/surgical Covered Health Services categories in this section only for Covered Persons who have either of the following:

The Claims Administrator will determine if Skilled Care is needed by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are limited to 60 visits per calendar year. One visit equals four hours of Skilled Care services.

Hospice Care

Hospice care is an integrated program recommended by a Physician which provides comfort and support services for the terminally ill. Hospice care can be provided on an inpatient or outpatient basis and includes physical, psychological, social, spiritual and respite care for the terminally ill person, and short-term grief counseling for immediate family members while the Covered Person is receiving hospice care. If the mother agrees, the attending Physician may discharge the mother and/or the newborn child earlier than these minimum timeframes.

- Evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the *United States Preventive Services Task Force*.
- Immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention.
- With respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the *Health Resources and Services Administration*.
- With respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the *Health Resources and Services Administration*.

Preventive care Benefits defined under the *Health Resources and Services Administration (HRSA)* requirement include the cost of renting one breast pump per Pregnancy in conjunction with childbirth. Breast pumps must be ordered by or provided by a Physician. You can obtain additional information on how to access Benefits for breast pumps by going to **www.myuhc.com** or by calling the number on your ID card. Benefits for breast pumps also include the cost of purchasing one breast pump per Pregnancy in conjunction with childbirth. These Benefits are described under Section 5, *Plan Highlights*, under *Covered Health Services*.

If more than one breast pump can meet your needs, Benefits are available only for the most cost effective pump. UnitedHealthcare will determine the following:

- Which pump is the most cost effective.

- Whether the pump should be purchased or rented.
- Duration of a rental.
- Timing of an acquisition.

Benefits are only available if breast pumps are obtained from a DME provider or Physician.

For questions about your preventive care Benefits under this Plan call the number on your ID card.

Benefits are paid by the Plan for external prosthetic devices that replace a limb or body part limited to:

- Artificial arms, legs, feet and hands.
- Artificial face, eyes, ears and noses.

Benefits under this section are provided only for external prosthetic devices and do not include any device that is fully implanted into the body.

If more than one prosthetic device can meet your functional needs, Benefits are available only for the prosthetic device that meets the minimum specifications for your needs. The device must be ordered or provided either by a Physician, or under a Physician's direction. If you purchase a prosthetic device that exceeds these minimum specifications, the Plan will pay only the amount that it would have paid for the prosthetic that meets the minimum specifications, and you may be responsible for paying any difference in cost.

Benefits are available for repairs and replacement, except that:

- There are no Benefits for repairs due to misuse, malicious damage or gross neglect.
- There are no Benefits for replacement due to misuse, malicious damage, gross neglect or for lost or stolen prosthetic devices.

Benefits are limited to a single purchase of each type of prosthetic device every three calendar years.

Note: Prosthetic devices are different from DME - see *Durable Medical Equipment (DME)* in this section.

Reconstructive Procedures

Reconstructive Procedures are services performed when the primary purpose of the procedure is either to treat a medical condition or to improve or restore physiologic function for an organ or body part. Reconstructive Procedures include surgery or other procedures

which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not a changed or improved physical appearance.

Improving or restoring physiologic function means that the organ or body part is made to work better. An example of a Reconstructive Procedure is surgery on the inside of the nose so that a person's breathing can be improved or restored.

Benefits for Reconstructive Procedures include breast reconstruction following a mastectomy and reconstruction of the non-affected breast to achieve symmetry. Replacement of an existing breast implant is covered by the Plan if the initial breast implant followed a mastectomy. Other services required by the *Women's Health and Cancer Rights Act of 1998*, including breast prostheses and treatment of complications, are provided in the same manner and at the same level as those for any other Covered Health Service. You can contact UnitedHealthcare at the number on your ID card for more information about Benefits for mastectomy-related services.

There may be times when the primary purpose of a procedure is to make a body part work better. However, in other situations, the purpose of the same procedure is to improve the appearance of a body part. Cosmetic procedures are excluded from coverage. Procedures that correct an anatomical Congenital Anomaly without improving or restoring physiologic function are considered Cosmetic Procedures. A good example is upper eyelid surgery. At times, this procedure will be done to improve vision, which is considered a Reconstructive Procedure. In other cases, improvement in appearance is the primary intended purpose, which is considered a Cosmetic Procedure. This Plan does not provide Benefits for Cosmetic Procedures, as defined in Section 14, *Glossary*.

The fact that a Covered Person may suffer psychological consequences or socially avoidant behavior as a result of an Injury, Sickness or Congenital Anomaly does not classify surgery (or other procedures done to relieve such consequences or behavior) as a Reconstructive Procedure.

- Physical therapy.
- Occupational therapy.

Benefits under this section include rehabilitation services provided in a Physician's office or on an outpatient basis at a Hospital or Alternate Facility. Rehabilitative services provided in a Covered Person's home by a Home Health Agency are provided as described under *Home Health Care*. Rehabilitative services provided in a Covered Person's home other than by a Home Health Agency are provided as described under this section.

Habilitative Services

For the purpose of this Benefit, "habilitative services" means Medically Necessary skilled health care services that help a person with a medical or behavioral disabling condition to learn or improve skills and functioning for daily living. - It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.
- It is not Custodial Care.

The Claims Administrator will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. Therapies provided for the purpose of general well-being or conditioning in the absence of a medical or behavioral disabling condition are not considered habilitative services. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are provided for habilitative services provided for Covered Persons with a medical or behavioral disabling condition when both of the following conditions are met:

- The treatment is administered by a licensed speech-language pathologist, licensed audiologist, licensed occupational therapist, licensed physical therapist or Physician.
- The initial or continued treatment must be proven and not Experimental or Investigational.

Benefits for habilitative services do not apply to those services that are solely educational in nature or otherwise paid under state or federal law for purely educational services. Custodial Care, respite care, day care, therapeutic recreation, educational/vocational training and

Residential Treatment are not habilitative services. A service or treatment plan that does not help the Covered Person to meet functional goals is not a habilitative service.

The Plan may require the following be provided

- medical records,
- other necessary data to allow the Plan to prove medical treatment is needed.

When the treating provider that continued treatment is or will be required to allow the Covered Person to achieve progress, Claims Administrator may request additional medical records.

Benefits for Durable Medical Equipment and prosthetic devices, when used as a component of habilitative services, are described under *Durable Medical Equipment* and *Prosthetic Devices*.

Benefits are also available in a Skilled Nursing Facility or Inpatient Rehabilitation Facility for treatment of a Sickness or Injury that would have otherwise required an Inpatient Stay in a Hospital.

Benefits for other Physician services are described in this section under *Physician Fees for Surgical and Medical Services*.

UnitedHealthcare will determine if Benefits are available by reviewing both the skilled nature of the service and the need for Physician-directed medical management. A service will not be determined to be "skilled" simply because there is not an available caregiver.

Benefits are available only if both of the following are true:

- The initial confinement in a Skilled Nursing Facility or Inpatient Rehabilitation Facility was or will be a Cost Effective alternative to an Inpatient Stay in a Hospital.
- You will receive skilled care services that are not primarily Custodial Care.

Skilled care is skilled nursing, skilled teaching, and skilled rehabilitation services when all of the following are true:

- It must be delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome, and provide for the safety of the patient.
- It is ordered by a Physician.
- It is not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- It requires clinical training in order to be delivered safely and effectively.

SECTION 9 - CLAIMS PROCEDURES

What this section includes:

- How Network and non-Network claims work.
- What to do if your claim is denied, in whole or in part.

Network Benefits

In general, if you receive Covered Health Services from a Network provider, UnitedHealthcare will pay the Physician or facility directly. If a Network provider bills you for any Covered Health Service other than your Copay or Coinsurance, please contact the provider or call UnitedHealthcare at the phone number on your ID card for assistance.

Keep in mind, you are responsible for meeting the Annual Deductible and paying any Copay or Coinsurance owed to a Network provider at the time of service, or when you receive a bill from the provider.

Non-Network Benefits

If you receive a bill for Covered Health Services from a non-Network provider as a result of an Emergency, you (or the provider if they prefer) must send the bill to UnitedHealthcare for processing. To make sure the claim is processed promptly and accurately, a completed claim form must be attached and mailed to UnitedHealthcare at the address on your ID card.

If Your Provider Does Not File Your Claim

You can obtain a claim form by visiting www.myuhc.com, calling the toll-free number on your ID card or contacting The Benefits Department. If you do not have a claim form, simply attach a brief letter of explanation to the bill, and verify that the bill contains the information listed below. If any of these items are missing from the bill, you can include them in your letter:

- Your name and address.
- The patient's name, age and relationship to the Participant.
- The number as shown on your ID card.
- The name, address and tax identification number of the provider of the service(s).
- A diagnosis from the Physician.
- The date of service.
- An itemized bill from the provider that includes:
 - The *Current Procedural Terminology (CPT)* codes.
 - A description of, and the charge for, each service.
 - The date the Sickness or Injury began.

- A statement indicating either that you are, or you are not, enrolled for coverage under any other health insurance plan or program. If you are enrolled for other coverage you must include the name and address of the other carrier(s).

Failure to provide all the information listed above may delay any reimbursement that may be due you.

For medical claims, the above information should be filed with UnitedHealthcare at the address on your ID card.

After UnitedHealthcare has processed your claim, you will receive payment for Benefits that the Plan allows. It is your responsibility to pay the provider the charges you incurred, including any difference between what you were billed and what the Plan paid.

Payment of Benefits

You may not assign, transfer, or in any way convey your Benefits under the Plan or any cause of action related to your Benefits under the Plan to a provider or to any other third party. Nothing in this Plan shall be construed to make the Plan, Plan Sponsor, or Claims Administrator or its affiliates liable for payments to a provider or to a third party to whom you may be liable for payments for Benefits.

The Plan will not recognize claims for Benefits brought by a third party. Also, any such third party shall not have standing to bring any such claim independently, as a Covered Person or beneficiary, or derivatively, as an assignee of a Covered Person or beneficiary.

References herein to “third parties” include references to providers as well as any collection agencies or third parties that have purchased accounts receivable from providers or to whom accounts receivables have been assigned.

As a matter of convenience to a Covered Person, and where practicable for the Claims Administrator (as determined in its sole discretion), the Claims Administrator may make payment of Benefits directly to a provider.

Any such payment to a provider:

- is NOT an assignment of your Benefits under the Plan or of any legal or equitable right to institute any proceeding relating to your Benefits; and
- is NOT a waiver of the prohibition on assignment of Benefits under the Plan; and
- shall NOT estop the Plan, Plan Sponsor, or Claims Administrator from asserting that any purported assignment of Benefits under the Plan is invalid and prohibited.

If this direct payment for your convenience is made, the Plan’s obligation to you with respect to such Benefits is extinguished by such payment. If any payment of your Benefits is made to a provider as a convenience to you, the Claims Administrator will treat you, rather than the provider, as the beneficiary of your claim for Benefits, and the Plan reserves the right to offset any Benefits to be paid to a provider by any amounts that the provider owes the Plan (including amounts owed as a result of the assignment of other plans’ overpayment

recovery rights to the Plan), pursuant to *Refund of Overpayments* in *Section 10: Coordination of Benefits*.

Eligible Expenses due to a non-Network provider for Covered Health Services that are subject to the *No Surprises Act* of the *Consolidated Appropriations Act (P.L. 116-260)* are paid directly to the provider.

Form of Payment of Benefits

Payment of Benefits under the Plan shall be in cash or cash equivalents, or in the form of other consideration that UnitedHealthcare in its discretion determines to be adequate. Where Benefits are payable directly to a provider, such adequate consideration includes the forgiveness in whole or in part of amounts the provider owes to other plans for which UnitedHealthcare makes payments, where the Plan has taken an assignment of the other plans' recovery rights for value.

Health Statements

Each month in which UnitedHealthcare processes at least one claim for you or a covered Dependent, you will receive a Health Statement in the mail. Health Statements make it easy for you to manage your family's medical costs by providing claims information in easy-to-understand terms.

If you would rather track claims for yourself and your covered Dependents online, you may do so at www.myuhc.com. You may also elect to discontinue receipt of paper Health Statements by making the appropriate selection on this site.

Explanation of Benefits (EOB)

You may request that UnitedHealthcare send you a paper copy of an Explanation of Benefits (EOB) after processing the claim. The EOB will let you know if there is any portion of the claim you need to pay. If any claims are denied in whole or in part, the EOB will include the reason for the denial or partial payment. If you would like paper copies of the EOBs, you may call the toll-free number on your ID card to request them. You can also view and print all of your EOBs online at www.myuhc.com. See Section 14, *Glossary*, for the definition of Explanation of Benefits.

Important - Timely Filing of Non-Network Claims

All claim forms for non-Network services must be submitted within 180 days after the date of service. Otherwise, the Plan will not pay any Benefits for that Eligible Expense, or Benefits will be reduced, as determined by Southeast Texas Government Employee Benefits Pool. This 180-day requirement does not apply if you are legally incapacitated. If your claim relates to an Inpatient Stay, the date of service is the date your Inpatient Stay ends.

Claim Denials and Appeals

If Your Claim is Denied

If a claim for Benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your ID card before requesting a formal appeal. If UnitedHealthcare cannot resolve the issue to your satisfaction over the phone, you have the right to file a formal appeal as described below.

How to Appeal a Denied Claim

If you wish to appeal a denied pre-service request for Benefits, post-service claim or a rescission of coverage as described below, you or your authorized representative must submit your appeal in writing within 180 days of receiving the adverse benefit determination. You do not need to submit urgent care appeals in writing. This communication should include:

- The patient's name and ID number as shown on the ID card.
- The provider's name.
- The date of medical service.
- The reason you disagree with the denial.
- Any documentation or other written information to support your request.

You or your authorized representative may send a written request for an appeal to:

UnitedHealthcare - Appeals
P.O. Box 30432
Salt Lake City, Utah 84130-0432

For urgent care requests for Benefits that have been denied, you or your provider can call UnitedHealthcare at the toll-free number on your ID card to request an appeal.

Types of claims

The timing of the claims appeal process is based on the type of claim you are appealing. If you wish to appeal a claim, it helps to understand whether it is an:

- Urgent care request for Benefits.
- Pre-service request for Benefits.
- Post-service claim.
- Concurrent claim.

Urgent Appeals that Require Immediate Action

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health, or the ability to regain maximum function, or cause severe pain. If your situation is urgent, your review will be conducted as quickly as possible. If you believe your situation is urgent, you may request an expedited review, and, if applicable, file an external review at the same time. For help call the Claims Administrator at the number listed

on your health plan ID card. Generally, an urgent situation is when your life or health may be in serious jeopardy. Or when, in the opinion of your doctor, you may be experiencing severe pain that cannot be adequately controlled while you wait for a decision on your claim or appeal.

Review of an Appeal

UnitedHealthcare will conduct a full and fair review of your appeal. The appeal may be reviewed by:

- An appropriate individual(s) who did not make the initial benefit determination.
- A health care professional with appropriate expertise who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial.

Filing a Second Appeal

Your Plan offers two levels of appeal. If you are not satisfied with the first level appeal decision, you have the right to request a second level appeal from Southeast Texas Government Employee Benefits Pool within 35 days from receipt of the first level appeal determination. The decision of the SETGEBP Board is final.

Note: Upon written request and free of charge, any Covered Persons may examine their claim and/or appeals file(s). Covered Persons may also submit evidence, opinions and comments as part of the internal claims review process. Any Covered Person will be automatically provided, free of charge, and sufficiently in advance of the date on which the notice of final internal adverse benefit determination is required, with: (i) any new or additional evidence considered, relied upon or generated by the Plan in connection with the claim; and, (ii) a reasonable opportunity for any Covered Person to respond to such new evidence or rationale.

Federal External Review Program

Timing of Appeals Determinations

Separate schedules apply to the timing of claims appeals, depending on the type of claim. There are three types of claims:

- Urgent care request for Benefits - a request for Benefits provided in connection with urgent care services.
- Pre-Service request for Benefits - a request for Benefits which the Plan must approve or in which you must notify UnitedHealthcare before non-urgent care is provided.
- Post-Service - a claim for reimbursement of the cost of non-urgent care that has already been provided.

Please note that the decision is based only on whether or not Benefits are available under the Plan for the proposed treatment or procedure.

The tables below describe the time frames which you and UnitedHealthcare are required to follow.

UnitedHealthcare will make a determination on your request for the extended treatment within 24 hours from receipt of your request.

If your request for extended treatment is not made at least 24 hours prior to the end of the approved treatment, the request will be treated as an urgent care request for Benefits and decided according to the timeframes described above. If an on-going course of treatment was previously approved for a specific period of time or number of treatments, and you request to extend treatment in a non-urgent circumstance, your request will be considered a new request and decided according to post-service or pre-service timeframes, whichever applies.

Limitation of Action

You cannot bring any legal action against Southeast Texas Government Employee Benefits Pool or the Claims Administrator to recover reimbursement until 90 days after you have properly submitted a request for reimbursement as described in this section and all required reviews of your claim have been completed. If you want to bring a legal action against Southeast Texas Government Employee Benefits Pool or the Claims Administrator, you must do so within three years from the expiration of the time period in which a request for reimbursement must be submitted or you lose any rights to bring such an action against Southeast Texas Government Employee Benefits Pool or the Claims Administrator.

You cannot bring any legal action against Southeast Texas Government Employee Benefits Pool or the Claims Administrator for any other reason unless you first complete all the steps in the appeal process described in this section. After completing that process, if you want to bring a legal action against Southeast Texas Government Employee Benefits Pool or the Claims Administrator you must do so within three years of the date you are notified of the final decision on your appeal or you lose any rights to bring such an action against Southeast Texas Government Employee Benefits Pool or the Claims Administrator.

SECTION 10 - COORDINATION OF BENEFITS (COB)

Benefits When You Have Coverage under More than One Plan

This section describes how Benefits under the Plan will be coordinated with those of any other plan that provides benefits to you.

When Does Coordination of Benefits Apply?

This *Coordination of Benefits (COB)* provision applies to you if you are covered by more than one health benefits plan, including any one of the following:

- Another employer sponsored health benefits plan.
- A medical component of a group long-term care plan, such as skilled nursing care.
- No-fault or traditional "fault" type medical payment benefits or personal injury protection benefits under an auto insurance policy.
- Medical payment benefits under any premises liability or other types of liability coverage.
- Medicare or other governmental health benefit.

If coverage is provided under two or more plans, COB determines which plan is primary and which plan is secondary. The plan considered primary pays its benefits first, without regard to the possibility that another plan may cover some expenses. Any remaining expenses may be paid under the other plan, which is considered secondary. The Secondary Plan may determine its benefits based on the benefits paid by the Primary Plan. How much this Plan will reimburse you, if anything, will also depend in part on the Allowable Expense. The term, "Allowable Expense," is further explained below.

What Are the Rules for Determining the Order of Benefit Payments?

Order of Benefit Determination Rules

The order of benefit determination rules determine whether this Plan is a Primary Plan or Secondary Plan when the person has health care coverage under more than one Plan. When this Plan is primary, it determines payment for its benefits first before those of any other Plan without considering any other Plan's benefits. When this Plan is secondary, it determines its benefits after those of another Plan and may reduce the benefits it pays so that all Plan benefits do not exceed 100% of the total Allowable Expense.

The order of benefit determination rules below govern the order in which each Plan will pay a claim for benefits.

- **Primary Plan.** The Plan that pays first is called the Primary Plan. The Primary Plan must pay benefits in accordance with its policy terms without regard to the possibility that another Plan may cover some expenses.
- **Secondary Plan.** The Plan that pays after the Primary Plan is the Secondary Plan. The Secondary Plan may reduce the benefits it pays so that payments from all Plans do not exceed 100% of the total Allowable Expense. Allowable Expense is defined below.

When a person is covered by two or more Plans, the rules for determining the order of benefit payments are as follows:

- A. This Plan will always be secondary to medical payment coverage or personal injury protection coverage under any auto liability or no-fault insurance policy.
- B. When you have coverage under two or more medical plans and only one has COB provisions, the plan without COB provisions will pay benefits first.
- C. Each Plan determines its order of benefits using the first of the following rules that apply:
 - 1. **Non-Dependent or Dependent.** The Plan that covers the person other than as a dependent, for example as an employee, former employee under COBRA, policyholder, subscriber or retiree is the Primary Plan and the Plan that covers the person as a dependent is the Secondary Plan. However, if the person is a Medicare beneficiary and, as a result of federal law, Medicare is secondary to the Plan covering the person as a dependent; and primary to the Plan covering the person as other than a dependent (e.g. a retired employee); then the order of benefits between the two Plans is reversed so that the Plan covering the person as an employee, policyholder, subscriber or retiree is the Secondary Plan and the other Plan is the Primary Plan.
 - 2. **Dependent Child Covered Under More Than One Coverage Plan.** Unless there is a court decree stating otherwise, plans covering a dependent child shall determine the order of benefits as follows:
 - a) For a dependent child whose parents are married or are living together, whether or not they have ever been married:
 - (1) The Plan of the parent whose birthday falls earlier in the calendar year is the Primary Plan; or
 - (2) If both parents have the same birthday, the Plan that covered the parent longest is the Primary Plan.
 - b) For a dependent child whose parents are divorced or separated or are not living together, whether or not they have ever been married:
 - (1) If a court decree states that one of the parents is responsible for the dependent child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. If the parent with responsibility has no health care coverage for the dependent child's health care expenses, but that parent's spouse does, that parent's spouse's plan is the Primary Plan. This shall not apply with respect to any plan year during which benefits are paid or provided before the entity has actual knowledge of the court decree provision.
 - (2) If a court decree states that both parents are responsible for the dependent child's health care expenses or health care coverage, the provisions of subparagraph a) above shall determine the order of benefits.
 - (3) If a court decree states that the parents have joint custody without specifying that one parent has responsibility for the health care expenses or health care coverage of the dependent child, the provisions of subparagraph a) above shall determine the order of benefits.

(4) If there is no court decree allocating responsibility for the child's health care expenses or health care coverage, the order of benefits for the child are as follows:

- a) The Plan covering the Custodial Parent.
- b) The Plan covering the Custodial Parent's spouse.
- c) The Plan covering the non-Custodial Parent.
- d) The Plan covering the non-Custodial Parent's spouse.

For purpose of this section, Custodial Parent is the parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one half of the calendar year excluding any temporary visitation.

- c) For a dependent child covered under more than one plan of individuals who are not the parents of the child, the order of benefits shall be determined, as applicable, under subparagraph a) or b) above as if those individuals were parents of the child.
- d) i) For a dependent child who has coverage under either or both parents' plans and also has his or her own coverage as a dependent under a spouse's plan, the rule in paragraph (5) applies.
ii) In the event the dependent child's coverage under the spouse's plan began on the same date as the dependent child's coverage under either or both parents' plans, the order of benefits shall be determined by applying the birthday rule in subparagraph (a) to the dependent child's parent(s) and the dependent's spouse.

3. **Active Employee or Retired or Laid-off Employee.** The Plan that covers a person as an active employee, that is, an employee who is neither laid off nor retired is the Primary Plan. The same would hold true if a person is a dependent of an active employee and that same person is a dependent of a retired or laid-off employee. If the other Plan does not have this rule, and, as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled C.1. can determine the order of benefits.
4. **COBRA or State Continuation Coverage.** If a person whose coverage is provided pursuant to COBRA or under a right of continuation provided by state or other federal law is covered under another Plan, the Plan covering the person as an employee, member, subscriber or retiree or covering the person as a dependent of an employee, member, subscriber or retiree is the Primary Plan, and the COBRA or state or other federal continuation coverage is the Secondary Plan. If the other Plan does not have this rule, and as a result, the Plans do not agree on the order of benefits, this rule is ignored. This rule does not apply if the rule labeled -CD.1. can determine the order of benefits.
5. **Longer or Shorter Length of Coverage.** The Plan that covered the person the longer period of time is the Primary Plan and the Plan that covered the person the shorter period of time is the Secondary Plan.
6. If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between the Plans meeting the definition of Plan.

In addition, this Plan will not pay more than it would have paid had it been the Primary Plan.

How Are Benefits Paid When This Plan is Secondary?

If this Plan is secondary, it determines the amount it will pay for a Covered Health Services by following the steps below.

- The Plan determines the amount it would have paid based on the Allowable Expense.
- If this Plan would have paid the same amount or less than the Primary Plan paid, this Plan pays no Benefits.
- If this Plan would have paid more than the Primary Plan paid, the Plan will pay the difference.

You will be responsible for any applicable Copayment, Coinsurance or Deductible payments as part of the COB payment. The maximum combined payment you can receive from all plans may be less than 100% of the Allowable Expense.

How is the Allowable Expense Determined when this Plan is Secondary?

Determining the Allowable Expense If this Plan is Secondary

What is an Allowable Expense? For purposes of COB, an Allowable Expense is a health care expense that meets the definition of a Covered Health Services under this Plan.

When the provider is a Network provider for both the Primary Plan and this Plan, the Allowable Expense is the Primary Plan's network rate. When the provider is a network provider for the Primary Plan and a non-Network provider for this Plan, the Allowable Expense is the Primary Plan's network rate. When the provider is a non-Network provider for the Primary Plan and a Network provider for this Plan, the Allowable Expense is the reasonable and customary charges allowed by the Primary Plan. When the provider is a non-Network provider for both the Primary Plan and this Plan, the Allowable Expense is the greater of the two Plans' reasonable and customary charges. If this plan is secondary to Medicare, please also refer to the discussion in the section below, titled "Determining the Allowable Expense When this Plan is Secondary to Medicare".

What is Different When You Qualify for Medicare?

Determining Which Plan is Primary When You Qualify for Medicare

As permitted by law, this Plan will pay Benefits second to Medicare when you become eligible for Medicare, even if you don't elect it. There are, however, Medicare-eligible individuals for whom the Plan pays Benefits first and Medicare pays benefits second:

- Employees with active current employment status age 65 or older and their Spouses age 65 or older (however, domestic partners are excluded as provided by Medicare).
- Individuals with end-stage renal disease, for a limited period of time.
- Disabled individuals under age 65 with current employment status and their Dependents under age 65.

Determining the Allowable Expense When this Plan is Secondary to Medicare

If this Plan is secondary to Medicare, the Medicare approved amount is the Allowable Expense, as long as the provider accepts reimbursement directly from Medicare. If the provider accepts reimbursement directly from Medicare, the Medicare approved amount is the charge that Medicare has determined that it will recognize and which it reports on an "explanation of Medicare benefits" issued by Medicare (the "EOMB") for a given service. Medicare typically reimburses such providers a percentage of its approved charge – often 80%.

If the provider does not accept assignment of your Medicare benefits, the Medicare limiting charge (the most a provider can charge you if they don't accept Medicare – typically 115% of the Medicare approved amount) will be the Allowable Expense. Medicare payments, combined with Plan Benefits, will not exceed 100% of the Allowable Expense.

If you are eligible for, but not enrolled in, Medicare, and this Plan is secondary to Medicare, or if you have enrolled in Medicare but choose to obtain services from an Opt-out provider or one that does not participate in the Medicare program or a provider who does not accept assignment of Medicare benefits, Benefits will be paid on a secondary basis under this Plan and will be determined as if you timely enrolled in Medicare and obtained services from a Medicare participating provider.

When calculating the Plan's Benefits in these situations, and when Medicare does not issue an EOMB, for administrative convenience the Claims Administrator will use Medicare's Allowable Expense or Medicare's limiting charge for covered services as the Allowable Expense for both the Plan and Medicare.

Medicare Crossover Program

The Plan offers a Medicare Crossover program for Medicare Part A and Part B and Durable Medical Equipment (DME) claims. Under this program, you no longer have to file a separate claim with the Plan to receive secondary benefits for these expenses. Your Dependent will also have this automated Crossover, as long as he or she is eligible for Medicare and this Plan is your only secondary medical coverage.

Once the Medicare Part A and Part B and DME carriers have reimbursed your health care provider, the Medicare carrier will electronically submit the necessary information to the Claims Administrator to process the balance of your claim under the provisions of this Plan.

You can verify that the automated crossover took place when your copy of the explanation of Medicare benefits (EOMB) states your claim has been forwarded to your secondary carrier.

This crossover process does not apply to expenses that Medicare does not cover. You must continue to file claims for these expenses.

For information about enrollment or if you have questions about the program, call the telephone number listed on your ID card.

Right to Receive and Release Needed Information?

Certain facts about health care coverage and services are needed to apply these COB rules and to determine benefits payable under this Plan and other plans. The Claims Administrator may get the facts needed from, or give them to, other organizations or persons for the purpose of applying these rules and determining benefits payable under this Plan and other plans covering the person claiming benefits.

The Claims Administrator does not need to tell, or get the consent of, any person to do this. Each person claiming benefits under this Plan must give the Claims Administrator any facts needed to apply those rules and determine benefits payable. If you do not provide the Claims Administrator the information needed to apply these rules and determine the Benefits payable, your claim for Benefits will be denied.

Does This Plan Have the Right of Recovery?

Overpayment and Underpayment of Benefits

If you are covered under more than one medical plan, there is a possibility that the other plan will pay a benefit that the Plan should have paid. If this occurs, the Plan may pay the other plan the amount owed.

If the Plan pays you more than it owes under this COB provision, you should pay the excess back promptly. Otherwise, the Plan Sponsor may recover the amount in the form of salary, wages, or benefits payable under any Plan Sponsor-funded benefit plans, including this Plan. The Plan Sponsor also reserves the right to recover any overpayment by legal action or offset payments on future Eligible Expenses.

If the Plan overpays a health care provider, the Claims Administrator reserves the right to recover the excess amount from the provider pursuant to Refund of Overpayments, below.

Refund of Overpayments

If the Plan pays for Benefits for expenses incurred on account of a Covered Person, that Covered Person or any other person or organization that was paid, must make a refund to the Plan if:

- The Plan's obligation to pay Benefits was contingent on the expenses incurred being legally owed and paid by you, but all or some of the expenses were not paid by you or did not legally have to be paid by you.
- All or some of the payment the Plan made exceeded the Benefits under the Plan.
- All or some of the payment was made in error.

The amount that must be refunded equals the amount the Plan paid in excess of the amount that should have been paid under the Plan. If the refund is due from another person or organization, you agree to help the Plan get the refund when requested.

If the refund is due from you and you do not promptly refund the full amount owed, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, future Benefits for you that are payable under the Plan. If the refund is due from a

person or organization other than you, the Plan may recover the overpayment by reallocating the overpaid amount to pay, in whole or in part, (i) future Benefits that are payable in connection with services provided to other Covered Persons under the Plan; or (ii) future Benefits that are payment in connection with services provided to persons under other plans for which the Claims Administrator processes payments, pursuant to a transaction in which the Plan's overpayment recovery rights are assigned to such other plans in exchange for such plans' remittance of the amount of the reallocated payment. The reallocated payment amount will either:

- equal the amount of the required refund, or
- if less than the full amount of the required refund, will be deducted from the amount of refund owed to the Plan.

The Plan may have other rights in addition to the right to reallocate overpaid amounts and other enumerated rights, including the right to commence a legal action.

SECTION 11 - SUBROGATION AND REIMBURSEMENT

The Plan has a right to subrogation and reimbursement. References to "you" or "your" in this Subrogation and Reimbursement section shall include you, your estate and your heirs and beneficiaries unless otherwise stated.

Subrogation applies when the plan has paid Benefits on your behalf for a Sickness or Injury for which any third party is allegedly to be responsible. The right to subrogation means that the Plan is substituted to and shall succeed to any and all legal claims that you may be entitled to pursue against any third party for the Benefits that the Plan has paid that are related to the Sickness or Injury for which any third party is considered responsible.

Subrogation - Example

Suppose you are injured in a car accident that is not your fault, and you receive Benefits under the Plan to treat your injuries. Under subrogation, the Plan has the right to take legal action in your name against the driver who caused the accident and that driver's insurance carrier to recover the cost of those Benefits.

The right to reimbursement means that if it is alleged that any third party caused or is responsible for a Sickness or Injury for which you receive a settlement, judgment, or other recovery from any third party, you must use those proceeds to fully return to the Plan 100% of any Benefits you receive for that Sickness or Injury. The right of reimbursement shall apply to any Benefits received at any time until the rights are extinguished, resolved or waived in writing.

Reimbursement - Example

Suppose you are injured in a boating accident that is not your fault, and you receive Benefits under the Plan as a result of your injuries. In addition, you receive a settlement in a court proceeding from the individual who caused the accident. You must use the settlement funds to return to the plan 100% of any Benefits you received to treat your injuries.

The following persons and entities are considered third parties:

- A person or entity alleged to have caused you to suffer a Sickness, Injury or damages, or who is legally responsible for the Sickness, Injury or damages.
- Any insurer or other indemnifier of any person or entity alleged to have caused or who caused the Sickness, Injury or damages.
- The Plan Sponsor in a workers' compensation case or other matter alleging liability.
- Any person or entity who is or may be obligated to provide Benefits or payments to you, including Benefits or payments for underinsured or uninsured motorist protection, no-fault or traditional auto insurance, medical payment coverage (auto, homeowners or otherwise), workers' compensation coverage, other insurance carriers or third party administrators.
- Any person or entity against whom you may have any claim for professional and/or legal malpractice arising out of or connected to a Sickness or Injury you allege or could have alleged were the responsibility of any third party.

- Any person or entity that is liable for payment to you on any equitable or legal liability theory.

You agree as follows:

- You will cooperate with the Plan in protecting its legal and equitable rights to subrogation and reimbursement in a timely manner, including, but not limited to:
 - Notifying the Plan, in writing, of any potential legal claim(s) you may have against any third party for acts which caused Benefits to be paid or become payable.
 - Providing any relevant information requested by the Plan.
 - Signing and/or delivering such documents as the Plan or its agents reasonably request to secure the subrogation and reimbursement claim.
 - Responding to requests for information about any accident or injuries.
 - Making court appearances.
 - Obtaining the Plan's consent or its agents' consent before releasing any party from liability or payment of medical expenses.
 - Complying with the terms of this section.

Your failure to cooperate with the Plan is considered a breach of contract. As such, the Plan has the right to terminate your Benefits, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to you or your representative not cooperating with the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.

- The Plan has a first priority right to receive payment on any claim against any third party before you receive payment from that third party. Further, the Plan's first priority right to payment is superior to any and all claims, debts or liens asserted by any medical providers, including but not limited to hospitals or emergency treatment facilities, that assert a right to payment from funds payable from or recovered from an allegedly responsible third party and/or insurance carrier.
- The Plan's subrogation and reimbursement rights apply to full and partial settlements, judgments, or other recoveries paid or payable to you or your representative, your estate, your heirs and beneficiaries, no matter how those proceeds are captioned or characterized. Payments include, but are not limited to, economic, non-economic, pecuniary, consortium and punitive damages. The Plan is not required to help you to pursue your claim for damages or personal injuries and no amount of associated costs, including attorneys' fees, shall be deducted from the Plan's recovery without the Plan's express written consent. No so-called "Fund Doctrine" or "Common Fund Doctrine" or "Attorney's Fund Doctrine" shall defeat this right.
- Regardless of whether you have been fully compensated or made whole, the Plan may collect from you the proceeds of any full or partial recovery that you or your legal representative obtain, whether in the form of a settlement (either before or after any determination of liability) or judgment, no matter how those proceeds are captioned or

characterized. Proceeds from which the Plan may collect include, but are not limited to, economic, non-economic, and punitive damages. No "collateral source" rule, any "Made-Whole Doctrine" or "Make-Whole Doctrine," claim of unjust enrichment, nor any other equitable limitation shall limit the Plan's subrogation and reimbursement rights.

- Benefits paid by the Plan may also be considered to be Benefits advanced.
- If you receive any payment from any party as a result of Sickness or Injury, and the Plan alleges some or all of those funds are due and owed to the Plan, you and/or your representative shall hold those funds in trust, either in a separate bank account in your name or in your representative's trust account.
- By participating in and accepting Benefits from the Plan, you agree that (i) any amounts recovered by you from any third party shall constitute Plan assets to the extent of the amount of Plan Benefits provided on behalf of the Covered Person, (ii) you and your representative shall be fiduciaries of the Plan (within the meaning of ERISA) with respect to such amounts, and (iii) you shall be liable for and agree to pay any costs and fees (including reasonable attorney fees) incurred by the Plan to enforce its reimbursement rights.
- The Plan's rights to recovery will not be reduced due to your own negligence.
- By participating in and accepting Benefits from the Plan, you agree to assign to the Plan any Benefits, claims or rights of recovery you have under any automobile policy - including no-fault Benefits, PIP Benefits and/or medical payment Benefits - other coverage or against any third party, to the full extent of the Benefits the Plan has paid for the Sickness or Injury. By agreeing to provide this assignment in exchange for participating in and accepting Benefits, you acknowledge and recognize the Plan's right to assert, pursue and recover on any such claim, whether or not you choose to pursue the claim, and you agree to this assignment voluntarily.
- The Plan may, at its option, take necessary and appropriate action to preserve its rights under these provisions, including but not limited to, providing or exchanging medical payment information with an insurer, the insurer's legal representative or other third party; filing an ERISA reimbursement lawsuit to recover the full amount of medical Benefits you receive for the Sickness or Injury out of any settlement, judgment or other recovery from any third party considered responsible and filing suit in your name or your estate's name, which does not obligate the Plan in any way to pay you part of any recovery the Plan might obtain. Any ERISA reimbursement lawsuit stemming from a refusal to refund Benefits as required under the terms of the Plan is governed by a six-year statute of limitations.
- You may not accept any settlement that does not fully reimburse the Plan, without its written approval.
- The Plan has the authority and discretion to resolve all disputes regarding the interpretation of the language stated herein.
- In the case of your death, giving rise to any wrongful death or survival claim, the provisions of this section apply to your estate, the personal representative of your estate, and your heirs or beneficiaries. In the case of your death the Plan's right of reimbursement and right of subrogation shall apply if a claim can be brought on behalf

of you or your estate that can include a claim for past medical expenses or damages. The obligation to reimburse the Plan is not extinguished by a release of claims or settlement agreement of any kind.

- No allocation of damages, settlement funds or any other recovery, by you, your estate, the personal representative of your estate, your heirs, your beneficiaries or any other person or party, shall be valid if it does not reimburse the Plan for 100% of its interest unless the Plan provides written consent to the allocation.
- The provisions of this section apply to the parents, guardian, or other representative of a Dependent child who incurs a Sickness or Injury caused by any third party. If a parent or guardian may bring a claim for damages arising out of a minor's Sickness or Injury, the terms of this subrogation and reimbursement clause shall apply to that claim.
- If a third party causes or is alleged to have caused you to suffer a Sickness or Injury while you are covered under this Plan, the provisions of this section continue to apply, even after you are no longer covered.
- In the event that you do not abide by the terms of the Plan pertaining to reimbursement, the Plan may terminate Benefits to you, your dependents or the participant, deny future Benefits, take legal action against you, and/or set off from any future Benefits the value of Benefits the Plan has paid relating to any Sickness or Injury alleged to have been caused or caused by any third party to the extent not recovered by the Plan due to your failure to abide by the terms of the Plan. If the Plan incurs attorneys' fees and costs in order to collect third party settlement funds held by you or your representative, the Plan has the right to recover those fees and costs from you. You will also be required to pay interest on any amounts you hold which should have been returned to the Plan.
- The Plan and all Administrators administering the terms and conditions of the Plan's subrogation and reimbursement rights have such powers and duties as are necessary to discharge its duties and functions, including the exercise of its discretionary authority to (1) construe and enforce the terms of the Plan's subrogation and reimbursement rights and (2) make determinations with respect to the subrogation amounts and reimbursements owed to the Plan.

Right of Recovery

The Plan also has the right to recover Benefits it has paid on you or your Dependent's behalf that were:

- Made in error.
- Due to a mistake in fact.
- Advanced during the time period of meeting the calendar year Deductible.
- Advanced during the time period of meeting the Out-of-Pocket Maximum for the calendar year.

Benefits paid because you or your Dependent misrepresented facts are also subject to recovery.

If the Plan provides a Benefit for you or your Dependent that exceeds the amount that should have been paid, the Plan will:

- Require that the overpayment be returned when requested.
- Reduce a future Benefit payment for you or your Dependent by the amount of the overpayment.

If the Plan provides an advancement of Benefits to you or your Dependent during the time period of meeting the Deductible and/or meeting the Out-of-Pocket Maximum for the calendar year, the Plan will send you or your Dependent a monthly statement identifying the amount you owe with payment instructions. The Plan has the right to recover Benefits it has advanced by:

- Submitting a reminder letter to you or a covered Dependent that details any outstanding balance owed to the Plan.
- Conducting courtesy calls to you or a covered Dependent to discuss any outstanding balance owed to the Plan.

SECTION 12 - WHEN COVERAGE ENDS**What this section includes:**

- Circumstances that cause coverage to end.
- How to continue coverage after it ends.

Your entitlement to Benefits automatically ends on the date that coverage ends, even if you are hospitalized or are otherwise receiving medical treatment on that date.

When your coverage ends, Southeast Texas Government Employee Benefits Pool will still pay claims for Covered Health Services that you received before your coverage ended. However, once your coverage ends, Benefits are not provided for health services that you receive after coverage ended, even if the underlying medical condition occurred before your coverage ended.

Your coverage under the Plan will end on the earliest of:

- The date your employment ends.
- The date the Plan ends.
- The date you stop making the required contributions.
- The date you are no longer eligible.
- The date UnitedHealthcare receives written notice from Southeast Texas Government Employee Benefits Pool to end your coverage, or the date requested in the notice, if later.
- The date you retire or are pensioned under the Plan, unless specific coverage is available for retired or pensioned persons and you are eligible for that coverage.

Coverage for your eligible Dependents will end on the earliest of:

- The date your coverage ends.
- The date you stop making the required contributions.
- The date UnitedHealthcare receives written notice from Southeast Texas Government Employee Benefits Pool to end your coverage, or the date requested in the notice, if later.
- For Spouse: The date he or she no longer qualifies as a Dependent under this Plan.
- For a Depending Child: The end of the month he or she no longer qualifies as a Dependent under the Plan.

Retirement

If you retire, you and your covered Dependents may be eligible for health coverage during your retirement, if your Employer is an active group member and:

- Has agreed to provide retiree benefits.
- You retire through the retirement system of your Employer.
- Health coverage is in effect for all covered persons on the date you become a Retired Employee.

Retiree coverage under the Plan will end on the earliest of:

- The date you turn 65 and are eligible for Medicare benefits.
- The date your spouse turns 65 and is eligible for Medicare benefits.
- The date your child ceases to be an eligible Dependent.

In the event you are eligible for Medicare, but your Spouse is ineligible for Medicare, your Spouse is eligible for coverage under this Plan until your Spouse becomes eligible for Medicare, even if you are not enrolled in this Plan by virtue of your Medicare eligibility. Dependent Child(ren) coverage will end when the child ceases to be an eligible Dependent.

Other Events Ending Your Coverage

The Plan will provide at least thirty days' prior written notice to you that your coverage will end on the date identified in the notice if you commit an act, practice, or omission that constituted fraud, or an intentional misrepresentation of a material fact including, but not limited to, knowingly providing incorrect information relating to another person's eligibility or status as a Dependent. You may appeal this decision during the 30-day notice period. The notice will contain information on how to pursue your appeal.

Note: If UnitedHealthcare and Southeast Texas Government Employee Benefits Pool find that you have performed an act, practice, or omission that constitutes fraud, or have made an intentional misrepresentation of material fact, Southeast Texas Government Employee Benefits Pool has the right to demand that you pay back all Benefits Southeast Texas Government Employee Benefits Pool paid to you, or paid in your name, during the time you were incorrectly covered under the Plan.

Coverage for a Disabled Dependent Child

Coverage for an unmarried enrolled Dependent child who is disabled will not end just because the child has reached a certain age. The Plan will extend the coverage for that child beyond the limiting age if both of the following are true regarding the enrolled Dependent child:

- Is not able to be self-supporting because of mental or physical handicap or disability.
- Depends mainly on you for support.

Coverage will continue as long as the enrolled Dependent is medically certified as disabled and dependent unless coverage is otherwise terminated in accordance with the terms of the Plan.

The Plan will ask you to furnish proof of the medical certification of disability within 30 days of the date coverage would otherwise have ended because the child reached a certain age. Before the Plan agrees to this extension of coverage for the child, the Plan may require that a Physician chosen by the Plan examine the child. The Plan will pay for that examination.

The Plan may continue to ask you for proof that the child continues to be disabled and dependent. Such proof might include medical examinations at the Plan's expense. However, the Plan will not ask for this information more than once a year.

If you do not provide proof of the child's disability and dependency within 30 days of the Plan's request as described above, coverage for that child will end.

Continuing Coverage Through COBRA

If you lose your Plan coverage, you may have the right to extend it under the *Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA)*, as defined in Section 14, *Glossary*.

Continuation coverage under *COBRA* is available only to Plans that are subject to the terms of *COBRA*. You can contact your Plan Administrator to determine if Southeast Texas Government Employee Benefits Pool is subject to the provisions of *COBRA*.

Continuation Coverage under Federal Law (COBRA)

Much of the language in this section comes from the federal law that governs continuation coverage. You should call your Plan Administrator if you have questions about your right to continue coverage.

In order to be eligible for continuation coverage under federal law, you must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who were covered under the Plan on the day before a qualifying event:

- A Participant.
- A Participant's enrolled Dependent, including with respect to the Participant's children, a child born to or placed for adoption with the Participant during a period of continuation coverage under federal law.
- A Participant's former Spouse.

Qualifying Events for Continuation Coverage under COBRA

The following table outlines situations in which you may elect to continue coverage under COBRA for yourself and your Dependents, and the maximum length of time you can receive continued coverage.

These situations are considered qualifying events.

If Coverage Ends Because of the Following Qualifying Events:	You May Elect COBRA:		
	For Yourself	For Your Spouse	For Your Child(ren)
Your work hours are reduced	18 months	18 months	18 months
Your employment terminates for any reason (other than gross misconduct)	18 months	18 months	18 months
You or your family member become eligible for Social Security disability benefits at any time within the first 60 days of losing coverage ¹	29 months	29 months	29 months
You die	N/A	36 months	36 months
You divorce (or legally separate)	N/A	36 months	36 months
Your child is no longer an eligible family member (e.g., reaches the maximum age limit)	N/A	N/A	36 months
You become entitled to Medicare	N/A	See table below	See table below
Southeast Texas Government Employee Benefits Pool files for bankruptcy under Title 11, United States Code. ²	36 months	36 months ³	36 months ³

¹Subject to the following conditions: (i) notice of the disability must be provided within the latest of 60 days after a). the determination of the disability, b). the date of the qualifying event, c). the date the Qualified Beneficiary would lose coverage under the Plan, and in no event later than the end of the first 18 months; (ii) the Qualified Beneficiary must agree to pay any increase in the required premium for the additional 11 months over the original 18 months; and (iii) if the Qualified Beneficiary entitled to the 11 months of coverage has non-disabled family members who are also Qualified Beneficiaries, then those non-disabled Qualified Beneficiaries are also entitled to the additional 11 months of continuation coverage. Notice of any final determination that the Qualified Beneficiary is no longer disabled must be provided within 30 days of such determination. Thereafter, continuation coverage may be terminated on the first day of the month that begins more than 30 days after the date of that determination.

²This is a qualifying event for any Retired Participant and his or her enrolled Dependents if there is a substantial elimination of coverage within one year before or after the date the bankruptcy was filed.

³From the date of the Participant's death if the Participant dies during the continuation coverage.

How Your Medicare Eligibility Affects Dependent COBRA Coverage

The table below outlines how your Dependents' COBRA coverage is impacted if you become entitled to Medicare.

If Dependent Coverage Ends When:	You May Elect COBRA Dependent Coverage For Up To:
You become entitled to Medicare and don't experience any additional qualifying events	18 months
You become entitled to Medicare, after which you experience a second qualifying event* before the initial 18-month period expires	36 months
You experience a qualifying event*, after which you become entitled to Medicare before the initial 18-month period expires; and, if absent this initial qualifying event, your Medicare entitlement would have resulted in loss of Dependent coverage under the Plan	36 months

* Your work hours are reduced or your employment is terminated for reasons other than gross misconduct.

Getting Started

You will be notified by mail if you become eligible for COBRA coverage as a result of a reduction in work hours or termination of employment. The notification will give you instructions for electing COBRA coverage, and advise you of the monthly cost. Your monthly cost is the full cost, including both Participant and Employer costs, plus a 2% administrative fee or other cost as permitted by law.

You will have up to 60 days from the date you receive notification or 60 days from the date your coverage ends to elect COBRA coverage, whichever is later. You will then have an additional 45 days to pay the cost of your COBRA coverage, retroactive to the date your Plan coverage ended.

During the 60-day election period, the Plan will, only in response to a request from a provider, inform that provider of your right to elect COBRA coverage, retroactive to the date your COBRA eligibility began.

While you are a participant in the medical Plan under COBRA, you have the right to change your coverage election:

- During Open Enrollment.
- Following a change in family status, as described under *Changing Your Coverage* in Section 2, *Introduction*.

Notification Requirements

If your covered Dependents lose coverage due to divorce, legal separation, or loss of Dependent status, you or your Dependents must notify the Plan Administrator within 60 days of the latest of:

- The date of the divorce, legal separation or an enrolled Dependent's loss of eligibility as an enrolled Dependent.
- The date your enrolled Dependent would lose coverage under the Plan.
- The date on which you or your enrolled Dependent are informed of your obligation to provide notice and the procedures for providing such notice.

You or your Dependents must also notify the Plan Administrator when a qualifying event occurs that will extend continuation coverage.

If you or your Dependents fail to notify the Plan Administrator of these events within the 60 day period, the Plan Administrator is not obligated to provide continued coverage to the affected Qualified Beneficiary. If you are continuing coverage under federal law, you must notify the Plan Administrator within 60 days of the birth or adoption of a child.

Once you have notified the Plan Administrator, you will then be notified by mail of your election rights under COBRA.

Notification Requirements for Disability Determination

If you extend your COBRA coverage beyond 18 months because you are eligible for disability benefits from Social Security, you must provide The Benefits Department with notice of the Social Security Administration's determination within 60 days after you receive that determination, and before the end of your initial 18-month continuation period.

The notice requirements will be satisfied by providing written notice to the Plan Administrator at the address stated in Section 15, *Important Administrative Information*. The contents of the notice must be such that the Plan Administrator is able to determine the covered Employee and qualified beneficiary(ies), the qualifying event or disability, and the date on which the qualifying event occurred.

Trade Act of 2002

The Trade Act of 2002 amended COBRA to provide for a special second 60-day COBRA election period for certain Participants who have experienced a termination or reduction of hours and who lose group health plan coverage as a result. The special second COBRA election period is available only to a very limited group of individuals: generally, those who are receiving trade adjustment assistance (TAA) or 'alternative trade adjustment assistance' under a federal law called the Trade Act of 1974. These Participants are entitled to a second opportunity to elect COBRA coverage for themselves and certain family members (if they did not already elect COBRA coverage), but only within a limited period of 60 days from the first day of the month when an individual begins receiving TAA (or would be eligible to receive TAA but for the requirement that unemployment benefits be exhausted) and only during the six months immediately after their group health plan coverage ended.

If a Participant qualifies or may qualify for assistance under the Trade Act of 1974, he or she should contact the Plan Administrator for additional information. The Participant must contact the Plan Administrator promptly after qualifying for assistance under the Trade Act of 1974 or the Participant will lose his or her special COBRA rights. COBRA coverage elected during the special second election period is not retroactive to the date that Plan coverage was lost, but begins on the first day of the special second election period.

When COBRA Ends

COBRA coverage will end before the maximum continuation period, on the earliest of the following dates:

- The date, after electing continuation coverage, that coverage is first obtained under any other group health plan.
- The date, after electing continuation coverage, that you or your covered Dependent first becomes entitled to Medicare.
- The date coverage ends for failure to make the first required premium payment (premium is not paid within 45 days).
- The date coverage ends for failure to make any other monthly premium payment (premium is not paid within 30 days of its due date).
- The date the entire Plan ends.
- The date coverage would otherwise terminate under the Plan as described in the beginning of this section.

Note: If you selected continuation coverage under a prior plan which was then replaced by coverage under this Plan, continuation coverage will end as scheduled under the prior plan or in accordance with the terminating events listed in this section, whichever is earlier.

Uniformed Services Employment and Reemployment Rights Act

A Participant who is absent from employment for more than 30 days by reason of service in the Uniformed Services may elect to continue Plan coverage for the Participant and the Participant's Dependents in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA).

The terms "Uniformed Services" or "Military Service" mean the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

If qualified to continue coverage pursuant to the USERRA, Participants may elect to continue coverage under the Plan by notifying the Plan Administrator in advance, and providing payment of any required contribution for the health coverage. This may include the amount the Plan Administrator normally pays on a Participant's behalf. If a Participant's Military Service is for a period of time less than 30 days, the Participant may not be required

to pay more than the regular contribution amount, if any, for continuation of health coverage.

A Participant may continue Plan coverage under USERRA for up to the lesser of:

- The 24 month period beginning on the date of the Participant's absence from work.
- The day after the date on which the Participant fails to apply for, or return to, a position of employment.

Regardless of whether a Participant continues health coverage, if the Participant returns to a position of employment, the Participant's health coverage and that of the Participant's eligible Dependents will be reinstated under the Plan. No exclusions or waiting period may be imposed on a Participant or the Participant's eligible Dependents in connection with this reinstatement, unless a Sickness or Injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

You should call the Plan Administrator if you have questions about your rights to continue health coverage under USERRA.

Qualified Medical Child Support Orders (QMCSOs)

A qualified medical child support order (QMCSO) is a judgment, decree or order issued by a court or appropriate state agency that requires a child to be covered for medical benefits. Generally, a QMCSO is issued as part of a paternity, divorce, or other child support settlement.

If the Plan receives a medical child support order for your child that instructs the Plan to cover the child, the Plan Administrator will review it to determine if it meets the requirements for a QMCSO. If it determines that it does, your child will be enrolled in the Plan as your Dependent, and the Plan will be required to pay Benefits as directed by the order.

You may obtain, without charge, a copy of the procedures governing QMCSOs from the Plan Administrator.

Note: A National Medical Support Notice will be recognized as a QMCSO if it meets the requirements of a QMCSO.

Your Relationship with UnitedHealthcare and Southeast Texas Government Employee Benefits Pool

In order to make choices about your health care coverage and treatment, Southeast Texas Government Employee Benefits Pool believes that it is important for you to understand how UnitedHealthcare interacts with the Plan Sponsor's benefit Plan and how it may affect you. UnitedHealthcare helps administer the Plan Sponsor's benefit plan in which you are enrolled. UnitedHealthcare does not provide medical services or make treatment decisions. This means:

- UnitedHealthcare communicates to you decisions about whether the Plan will cover or pay for the health care that you may receive. The Plan pays for Covered Health Services, which are more fully described in this SPD.

- The Plan may not pay for all treatments you or your Physician may believe are necessary. If the Plan does not pay, you will be responsible for the cost.

Southeast Texas Government Employee Benefits Pool and UnitedHealthcare may use individually identifiable information about you to identify for you (and you alone) procedures, products or services that you may find valuable. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare will use individually identifiable information about you as permitted or required by law, including in operations and in research. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare will use de-identified data for commercial purposes including research.

Relationship with Providers

The Claims Administrator has agreements in place that govern the relationships between it and Southeast Texas Government Employee Benefits Pool and Network providers, some of which are affiliated providers. Network providers enter into agreements with the Claims Administrator to provide Covered Health Services to Covered Persons.

Southeast Texas Government Employee Benefits Pool and UnitedHealthcare do not provide health care services or supplies, nor do they practice medicine. Instead, Southeast Texas Government Employee Benefits Pool and UnitedHealthcare arrange for health care providers to participate in a Network and administer payment of Benefits. Network providers are independent practitioners who run their own offices and facilities. UnitedHealthcare's credentialing process confirms public information about the providers' licenses and other credentials, but does not assure the quality of the services provided. They are not Southeast Texas Government Employee Benefits Pool's employees nor are they employees of UnitedHealthcare. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare are not responsible for any act or omission of any provider.

UnitedHealthcare is not considered to be an employer of the Plan Administrator for any purpose with respect to the administration or provision of benefits under this Plan.

Southeast Texas Government Employee Benefits Pool is solely responsible for:

- Enrollment and classification changes (including classification changes resulting in your enrollment or the termination of your coverage).
- The timely payment of the service fee to UnitedHealthcare.
- The funding of Benefits on a timely basis.
- Notifying you of the termination or modifications to the Plan.

Your Relationship with Providers

The relationship between you and any provider is that of provider and patient.

- You are responsible for choosing your own provider.

- You are responsible for paying, directly to your provider, any amount identified as a member responsibility, including Copayments, Coinsurance, any deductible and any amount that exceeds Eligible Expenses.
- You are responsible for paying, directly to your provider, the cost of any non-Covered Health Service.
- You must decide if any provider treating you is right for you. This includes Network providers you choose and providers to whom you have been referred.
- Must decide with your provider what care you should receive.
- Your provider is solely responsible for the quality of the services provided to you.

The relationship between you and Southeast Texas Government Employee Benefits Pool is that of employer and employee, Dependent or other classification as defined in the SPD.

Interpretation of Benefits

Southeast Texas Government Employee Benefits Pool and UnitedHealthcare have the sole and exclusive discretion to do all of the following:

- Interpret Benefits under the Plan.
- Interpret the other terms, conditions, limitations and exclusions of the Plan, including this SPD, including the Schedule of Benefits and any Addendums, Summary of Material Modifications (SMMs) and/or Amendments.
- Make factual determinations related to the Plan and its Benefits.

Southeast Texas Government Employee Benefits Pool and UnitedHealthcare may delegate this discretionary authority to other persons or entities, including UnitedHealthcare's affiliates, that may provide services in regard to the administration of the Plan. The identity of the service providers and the nature of their services may be changed from time to time in Plan Sponsor's and the Claims Administrator's discretion. In order to receive Benefits, you must cooperate with those service providers.

In certain circumstances, for purposes of overall cost savings or efficiency, Southeast Texas Government Employee Benefits Pool may, in its discretion, offer Benefits for services that would otherwise not be Covered Health Services. The fact that Southeast Texas Government Employee Benefits Pool does so in any particular case shall not in any way be deemed to require Southeast Texas Government Employee Benefits Pool to do so in other similar cases.

Information and Records

Southeast Texas Government Employee Benefits Pool and UnitedHealthcare may use your individually identifiable health information to administer the Plan and pay claims, to identify procedures, products, or services that you may find valuable, and as otherwise permitted or required by law. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare may request additional information from you to decide your claim for Benefits. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare will

keep this information confidential. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare may also use your de-identified data for commercial purposes, including research, as permitted by law.

By accepting Benefits under the Plan, you authorize and direct any person or institution that has provided services to you to furnish Southeast Texas Government Employee Benefits Pool and UnitedHealthcare with all information or copies of records relating to the services provided to you, including provider billing and provider payment records. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare have the right to request this information at any reasonable time. This applies to all Covered Persons, including enrolled Dependents whether or not they have signed the Participant's enrollment form. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare agree that such information and records will be considered confidential.

Southeast Texas Government Employee Benefits Pool and UnitedHealthcare have the right to release any and all records concerning health care services which are necessary to implement and administer the terms of the Plan, for appropriate medical review or quality assessment, or as Southeast Texas Government Employee Benefits Pool is required to do by law or regulation. During and after the term of the Plan, Southeast Texas Government Employee Benefits Pool and UnitedHealthcare and its related entities may use and transfer the information gathered under the Plan in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your medical records or billing statements Southeast Texas Government Employee Benefits Pool recommends that you contact your health care provider. Providers may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request medical forms or records from UnitedHealthcare, they also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, as permitted by law, Southeast Texas Government Employee Benefits Pool and UnitedHealthcare will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. UnitedHealthcare's designees have the same rights to this information as does the Plan Administrator.

Incentives to Providers

Network providers may be provided financial incentives by UnitedHealthcare to promote the delivery of health care in a cost efficient and effective manner. These financial incentives are not intended to affect your access to health care.

Examples of financial incentives for Network providers are:

- Bonuses for performance based on factors that may include quality, member satisfaction, and/or cost-effectiveness.
- A practice called capitation which is when a group of Network providers receives a monthly payment from UnitedHealthcare for each Covered Person who selects a

Network provider within the group to perform or coordinate certain health services. The Network providers receive this monthly payment regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment.

- Bundled payments - certain Network providers receive a bundled payment for a group of Covered Health Services for a particular procedure or medical condition. The applicable Copayment and/or Coinsurance will be calculated based on the provider type that received the bundled payment. The Network providers receive these bundled payments regardless of whether the cost of providing or arranging to provide the Covered Person's health care is less than or more than the payment. If you receive follow-up services related to a procedure where a bundled payment is made, an additional Copayment and/or Coinsurance may not be required if such follow-up services are included in the bundled payment. You may receive some Covered Health Services that are not considered part of the inclusive bundled payment and those Covered Health Services would be subject to the applicable Copayment and/or Coinsurance as described in your *Schedule of Benefits*.

The Claims Administrator uses various payment methods to pay specific Network providers. From time to time, the payment method may change. If you have questions about whether your Network provider's contract with the Claims Administrator includes any financial incentives, the Claims Administrator encourages you to discuss those questions with your provider. You may also call the Claims Administrator at the telephone number on your ID card. The Claims Administrator can advise whether your Network provider is paid by any financial incentive, including those listed above.

Incentives to You

Sometimes you may be offered coupons, enhanced Benefits, or other incentives to encourage you to participate in various wellness programs or certain disease management programs, surveys, discount programs, administrative programs and/or programs to seek care in a more cost effective setting and/or from Designated Providers. In some instances, these programs may be offered in combination with a non-UnitedHealthcare entity. The decision about whether or not to participate is yours alone but Southeast Texas Government Employee Benefits Pool recommends that you discuss participating in such programs with your Physician. These incentives are not Benefits and do not alter or affect your Benefits. You may call the number on your ID card if you have any questions. Additional information may be found in Section 7, *Clinical Programs and Resources*.

Rebates and Other Payments

Southeast Texas Government Employee Benefits Pool and UnitedHealthcare may receive rebates for certain drugs that are administered to you in a Physician's office, or at a Hospital or Alternate Facility. This includes rebates for those drugs that are administered to you before you meet your Annual Deductible. Southeast Texas Government Employee Benefits Pool and UnitedHealthcare may pass a portion of these rebates on to you. When rebates are passed on to you, they may be taken into account in determining your Copays and/or Coinsurance.

Workers' Compensation Not Affected

Benefits provided under the Plan do not substitute for and do not affect any requirements for coverage by workers' compensation insurance.

Future of the Plan

Although the Company expects to continue the Plan indefinitely, it reserves the right to discontinue, alter or modify the Plan in whole or in part, at any time and for any reason, at its sole determination.

The Company's decision to terminate or amend a Plan may be due to changes in federal or state laws governing employee benefits, the requirements of the Internal Revenue Code or any other reason. A plan change may transfer plan assets and debts to another plan or split a plan into two or more parts. If the Company does change or terminate a plan, it may decide to set up a different plan providing similar or different benefits.

If this Plan is terminated, Covered Persons will not have the right to any other Benefits from the Plan, other than for those claims incurred prior to the date of termination, or as otherwise provided under the Plan. In addition, if the Plan is amended, Covered Persons may be subject to altered coverage and Benefits.

The amount and form of any final benefit you receive will depend on any Plan document or contract provisions affecting the Plan and Company decisions. After all Benefits have been paid and other requirements of the law have been met, certain remaining Plan assets will be turned over to the Company and others as may be required by any applicable law.

Plan Document

This Summary Plan Description (SPD) represents an overview of your Benefits. In the event there is a discrepancy between the SPD and the official plan document, the plan document will govern. A copy of the plan document is available for your inspection during regular business hours in the office of the Plan Administrator. You (or your personal representative) may obtain a copy of this document by written request to the Plan Administrator, for a nominal charge.

Medicare Eligibility

Benefits under the Plan are not intended to supplement any coverage provided by Medicare. Nevertheless, in some circumstances Covered Persons who are eligible for or enrolled in Medicare may also be enrolled under the Plan.

If you are eligible for or enrolled in Medicare, please read the following information carefully.

If you are eligible for Medicare on a primary basis (Medicare pays before Benefits under the Plan), you should enroll in and maintain coverage under both Medicare Part A and Part B. If you don't enroll and maintain that coverage, and if the Plan is the secondary payer as described in Section 10, *Coordination of Benefits*, the Plan will pay Benefits under the Plan as if you were covered under both Medicare Part A and Part B. As a result, you will be

responsible for the costs that Medicare would have paid and you will incur a larger out-of-pocket cost.

If you are enrolled in a Medicare Advantage (Medicare Part C) plan on a primary basis (Medicare pays before Benefits under the Plan), you should follow all rules of that plan that require you to seek services from that plan's participating providers. When the Plan is the secondary payer, the Plan will pay any Benefits available to you under the Plan as if you had followed all rules of the Medicare Advantage plan. You will be responsible for any additional costs or reduced Benefits that result from your failure to follow these rules, and you will incur a larger out-of-pocket cost.

Review and Determine Benefits in Accordance with UnitedHealthcare Reimbursement Policies

UnitedHealthcare adjudicates claims consistent with industry standards. UnitedHealthcare develops its reimbursement policy guidelines, in its sole discretion, generally in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (CPT), a publication of the American Medical Association, and/or the *Centers for Medicare and Medicaid Services (CMS)*.
- As reported by generally recognized professionals or publications.
- As used for Medicare.
- As determined by medical staff and outside medical consultants pursuant to other appropriate sources or determinations that UnitedHealthcare accepts.

Following evaluation and validation of certain provider billings (e.g., error, abuse and fraud reviews), UnitedHealthcare's reimbursement policies are applied to provider billings. UnitedHealthcare shares its reimbursement policies with Physicians and other providers in UnitedHealthcare's Network through UnitedHealthcare's provider website. Network Physicians and providers may not bill you for the difference between their contract rate (as may be modified by UnitedHealthcare's reimbursement policies) and the billed charge. However, non-Network providers are not subject to this prohibition, and may bill you for any amounts the Plan does not pay, including amounts that are denied because one of UnitedHealthcare's reimbursement policies does not reimburse (in whole or in part) for the service billed. You may obtain copies of UnitedHealthcare's reimbursement policies for yourself or to share with your non-Network Physician or provider by going to www.myuhc.com or by calling the telephone number on your ID card.

UnitedHealthcare may apply a reimbursement methodology established by *OptumInsight* and/or a third party vendor, which is based on *CMS* coding principles, to determine appropriate reimbursement levels for Emergency Health Services. The methodology is usually based on elements reflecting the patient complexity, direct costs, and indirect costs of an Emergency Health Service. If the methodology(ies) currently in use become no longer available, UnitedHealthcare will use a comparable methodology(ies). UnitedHealthcare and *OptumInsight* are related companies through common ownership by *UnitedHealth Group*. Refer

to UnitedHealthcare's website at **www.myuhc.com** for information regarding the vendor that provides the applicable methodology.

- Not mainly for your convenience or that of your doctor or other health care provider.
- Not more costly than an alternative drug, service(s) service site or supply that is at least as likely to produce equivalent therapeutic or diagnostic results as to the diagnosis or treatment of your Sickness, Injury, disease or symptoms.

Generally Accepted Standards of Medical Practice are standards that are based on credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community, relying primarily on controlled clinical trials, or, if not available, observational studies from more than one institution that suggest a causal relationship between the service or treatment and health outcomes.

If no credible scientific evidence is available, then standards that are based on Physician specialty society recommendations or professional standards of care may be considered. The Claims Administrator reserves the right to consult expert opinion in determining whether health care services are Medically Necessary. The decision to apply Physician specialty society recommendations, the choice of expert and the determination of when to use any such expert opinion, shall be within the Claims Administrator's sole discretion.

The Claims Administrator develops and maintains clinical policies that describe the *Generally Accepted Standards of Medical Practice* scientific evidence, prevailing medical standards and

clinical guidelines supporting its determinations regarding specific services. These clinical policies (as developed by the Claims Administrator and revised from time to time), are available to Covered Persons on www.myuhc.com or by calling the number on your ID card, and to Physicians and other health care professionals on www.UHCprovider.com.

The fact that a condition is listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of Mental Disorders* published by the *American Psychiatric Association* does not mean that treatment for the condition is a Covered Health Service.

Mental Health/Substance-Related and Addictive Disorders Delegate - the organization or individual designated by Southeast Texas Government Employee Benefits Pool who provides or arranges Mental Health Services and Substance-Related and Addictive Disorders Services.

Mental Illness – those mental health or psychiatric diagnostic categories listed in the current edition of the *International Classification of Diseases section on Mental and Behavioral Disorders* or *Diagnostic and Statistical Manual of Mental Disorders* published by the *American Psychiatric Association*. Network - when used to describe a provider of health care services, this means a provider that has a participation agreement in effect (either directly or indirectly) with the Claims Administrator or with its affiliate to participate in the Network; however, this does not include those providers who have agreed to discount their charges for Covered Health Services. The Claims Administrator's affiliates are those entities affiliated with the Claims Administrator through common ownership or control with the Claims Administrator or with the Claims Administrator's ultimate corporate parent, including direct and indirect subsidiaries.

A provider may enter into an agreement to provide only certain Covered Health Services, but not all Covered Health Services, or to be a Network provider for only some products. In this case, the provider will be a Network provider for the Covered Health Services and products included in the participation agreement, and a non-Network provider for other Covered Health Services and products. The participation status of providers will change from time to time.

Network Benefits - for Benefit Plans that have a Network Benefit level, this is the description of how Benefits are paid for Covered Health Services provided by Network providers. Refer to Section 5, *Plan Highlights* to determine whether or not your Benefit plan

Physician. The fact that a provider is described as a Physician does not mean that Benefits for services from that provider are available to you under the Plan.

The Recognized Amount for Air Ambulance services provided by a non-Network provider will be calculated based on the lesser of the qualifying payment amount as determined under applicable law or the amount billed by the Air Ambulance service provider.

Note: Covered Health Services that use the Recognized Amount to determine your cost sharing may be higher or lower than if cost sharing for these Covered Health Services were determined based upon an Eligible Expense.

Reconstructive Procedure - a procedure performed to address a physical impairment where the expected outcome is restored or improved function. The primary purpose of a Reconstructive Procedure is either to treat a medical condition or to improve or restore physiologic function. Reconstructive Procedures include surgery or other procedures which are associated with an Injury, Sickness or Congenital Anomaly. The primary result of the procedure is not changed or improved physical appearance. The fact that a person may suffer psychologically as a result of the impairment does not classify surgery or any other procedure done to relieve the impairment as a Reconstructive Procedure.

Remote Physiologic Monitoring - the automatic collection and electronic transmission of patient physiologic data that are analyzed and used by a licensed Physician or other qualified health care professional to develop and manage a plan of treatment related to a chronic and/or acute health illness or condition. The plan of treatment will provide milestones for which progress will be tracked by one or more Remote Physiologic Monitoring devices. Remote Physiologic Monitoring must be ordered by a licensed Physician or other qualified health professional who has examined the patient and with whom the patient has an established, documented, and ongoing relationship. Remote Physiologic Monitoring may not be used while the patient is inpatient at a Hospital or other facility. Use of multiple devices must be coordinated by one Physician.

Sickness – physical illness, disease or Pregnancy. The term Sickness as used in this SPD includes Mental Illness or substance-related and addictive disorders.

Skilled Care - skilled nursing, teaching, and rehabilitation services when:

- They are delivered or supervised by licensed technical or professional medical personnel in order to obtain the specified medical outcome and provide for the safety of the patient.
- A Physician orders them.
- They are not delivered for the purpose of assisting with activities of daily living, including dressing, feeding, bathing or transferring from a bed to a chair.
- They require clinical training in order to be delivered safely and effectively.
- They are not Custodial Care, as defined in this section.

Skilled Nursing Facility - a Hospital or nursing facility that is licensed and operated as required by law. A Skilled Nursing Facility that is part of a Hospital is considered a Skilled Nursing Facility for purposes of the Plan.

Transitional Living - Mental Health Services and Substance-Related and Addictive Disorders Services that are provided through facilities, group homes and supervised apartments that provide 24-hour supervision, including those defined in the *American Society of Addiction Medicine (ASAM) Criteria*, that are either:

- Sober living arrangements such as drug-free housing or alcohol/drug halfway houses. These are transitional, supervised living arrangements that provide stable and safe housing, an alcohol/drug-free environment and support for recovery. A sober living arrangement may be utilized as an adjunct to ambulatory treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery.
- Supervised living arrangements which are residences such as facilities, group homes and supervised apartments that provide stable and safe housing and the opportunity to learn how to manage activities of daily living. Supervised living arrangements may be utilized as an adjunct to treatment when treatment doesn't offer the intensity and structure needed to assist the Covered Person with recovery. Please note: these living arrangements are also known as supportive housing (including recovery residences).

Unproven Services – health services, including medications and devices, regardless of *U.S. Food and Drug Administration (FDA)* approval, that are not determined to be effective for treatment of the medical or behavior health condition or not determined to have a beneficial effect on health outcomes due to insufficient and inadequate clinical evidence from well-designed randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature.

- Well-designed system reviews (with or without meta-analyses) of multiple well-designed randomized controlled trials.
- Individual well-designed randomized controlled trials.
- Well-designed observational studies with one or more concurrent comparison group(s) including cohort studies, case control studies cross-sectional studies, and systematic reviews (with or without meta-analyses) of such studies.

The Claims Administrator has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, the Claims Administrator issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice. You can view these policies at www.myuhc.com and liveandworkwell.com.

Please note:

If you have a life-threatening Sickness or condition (one that is likely to cause death within one year of the request for treatment) the Claims Administrator and Plan Sponsor may, at their discretion, consider an otherwise Unproven Service to be a Covered Health Service for that Sickness or condition. Prior to such a consideration, the Claims Administrator and Plan Sponsor must first establish that there is sufficient evidence to conclude that, even though unproven, the service has significant potential as an effective treatment for that Sickness or condition.

Urgent Care - Care that requires prompt attention to avoid adverse consequences, but does not pose an immediate threat to a person's life. Urgent care is usually delivered in a walk-in setting and without an appointment. Urgent care facilities are a location, distinct from a hospital emergency department, an office or a clinic. The purpose is to diagnose and treat illness or injury for unscheduled, ambulatory patients seeking immediate medical attention.

Urgent Care Center – an entity that provides Covered Health Services that are required to prevent serious deterioration of your health, and that are required as a result of an unforeseen Sickness, Injury, or the onset of acute or severe symptoms.

Special Enrollment Rights Under the Health Insurance Portability & Accountability Act (HIPAA)

If you or your eligible Dependent(s) experience a special enrollment event as described below, you or your eligible Dependent(s) may be entitled to enroll in the Plan outside of a designated enrollment period upon the occurrence of one of the special enrollment events listed below. If you are already enrolled in the Plan, you may request enrollment for you and your eligible Dependent(s) under a different option offered by the Employer for which you are currently eligible. If you are not already enrolled in the Plan, you must request special enrollment for yourself in addition to your eligible Dependent(s). You and all of your eligible Dependent(s) must be covered under the same option. The special enrollment events include:

- **Acquiring a new Dependent.** If you acquire a new Dependent(s) through marriage, birth, adoption or placement for adoption, you may request special enrollment for any of the following combinations of individuals if not already enrolled in the Plan: Employee only; spouse only; Employee and spouse; Dependent child(ren) only; Employee and Dependent child(ren); Employee, spouse and Dependent child(ren). - **Loss of eligibility for State Medicaid or Children's Health Insurance Program (CHIP).** If you and/or your Dependent(s) were covered under a state Medicaid or CHIP plan and the coverage is terminated due to a loss of eligibility, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after termination of Medicaid or CHIP coverage.
- **Loss of eligibility for other coverage (excluding continuation coverage).** If coverage was declined under this Plan due to coverage under another plan, and eligibility for the other coverage is lost, you and all of your eligible Dependent(s) may request special enrollment in this Plan. If required by the Plan, when enrollment in this Plan was previously declined, it must have been declined in writing with a statement that the reason for declining enrollment was due to other health coverage. This provision applies to loss of eligibility as a result of any of the following:
 - divorce or legal separation;
 - cessation of Dependent status (such as reaching the limiting age);
 - death of the Employee;
 - termination of employment;
 - reduction in work hours to below the minimum required for eligibility;
 - you or your Dependent(s) no longer reside, live or work in the other plan's network service area and no other coverage is available under the other plan;

- Exhaustion of COBRA or other continuation coverage. Special enrollment may be requested in this Plan for you and all of your eligible Dependent(s) upon exhaustion of COBRA or other continuation coverage. If you or your Dependent(s) elect COBRA or other continuation coverage following loss of coverage under another plan, the COBRA or other continuation coverage must be exhausted before any special enrollment rights exist under this Plan. An individual is considered to have exhausted COBRA or other continuation coverage only if such coverage ceases: due to failure of the employer or other responsible entity to remit premiums on a timely basis; when the person no longer resides or works in the other plan's service area and there is no other COBRA or continuation coverage available under the plan; or when the individual incurs a claim that would meet or exceed a lifetime maximum limit on all benefits and there is no other COBRA or other continuation coverage available to the individual. This does not include termination of an employer's limited period of contributions toward COBRA or other continuation coverage as provided under any severance or other agreement.
- Eligibility for employment assistance under State Medicaid or Children's Health Insurance Program (CHIP). If you and/or your Dependent(s) become eligible for assistance with group health plan premium payments under a state Medicaid or CHIP plan, you may request special enrollment for yourself and any affected Dependent(s) who are not already enrolled in the Plan. You must request enrollment within 60 days after the date you are determined to be eligible for assistance.

Except as stated above, special enrollment must be requested within 30 days after the occurrence of the special enrollment event. If the special enrollment event is the birth or adoption of a Dependent child, coverage will be effective immediately on the date of birth, adoption or placement for adoption. Coverage with regard to any other special enrollment event will be effective no later than the first day of the first calendar month following receipt of the request for special enrollment.

Domestic Partners and their children (if not legal children of the Employee) are not eligible for special enrollment.
